

The Society of the Arts Scholarships 2018

The Society of the Arts Scholarships are a wonderful way of introducing scholars to the artists', directors' and music leaders' way of working. The boys get to see what goes on in preparation for exhibitions and performances and are able to ask questions and gain insights into artists' practices. The duties below provide an opportunity for the boys to interact directly with the artists, VIPs and audience and be involved in the logistics of running an event.

In 2018, up to three scholarships will be awarded to year 11 students who have shown exceptional interest and potential in the area of drama, visual arts or music.
