The Centenary ANZAC Commemoration held on Friday 24th April around the Quad was a poignant and fitting tribute to those Australians who made the ultimate sacrifice in all theatres of war. A very simple ceremony in many respects, though deeply moving, the School honoured Australia’s war dead as well as honouring those Trinity Old Boys who were killed while serving in the armed forces when the nation was at war. The Acting Deputy Head Master, Mr Sandwell read out the names of each of these Old Boys and as each name was read a Year 9 boy planted a cross on the Quad with that Old Boy’s name written on the cross. In recognition of this ANZAC Day being the centenary of the landing at Gallipoli, the School band played on the Founder’s Building balcony ‘Honour’ the theme from ‘Pacific’.

They shall grow not old, as we that are left grow old; age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning, we will remember them.
Lest we forget.
‘TRINITY REMEMBERS: THEY ALSO SERVED’
Author Rob Scott

After the Anzac Commemoration on Friday morning, the School’s latest publication ‘Trinity Remembers: They also served’ was launched. This publication tells the story of many of the Trinity Old Boys who enlisted in the armed forces in the Second World War and of their heroic deeds. These men who sacrificed much and whose lives were often terribly affected for many years after the War had ended, helped to ensure the freedoms that we enjoy and which so often we take for granted.

The names and stories of nine Old Boys who were killed in the Second World War and who were not on the original list of Old Boys who died while serving their country were also included in the book.

Former Trinity staff member and historian, Mr Robert Scott, is the author and the School is indebted to him for his meticulous research and dedication in writing the book. He was ably supported by the School’s Archivist, Mrs Alison Doran and by a former School Captain and Member of School Council, Mr Barry Collins (Class of 1946) and the School is grateful to them for their help in bringing the book to completion. Copies of the book are on display in the Library and can be purchased by contacting Reception at Summer Hill.

Peter Green
Acting Head Master

TRINITY SCHOLASTIC ACHIEVEMENT TEST (TSAT)

The year is marching forward, and academically we have now begun Semester 2. This will seem odd to Year 7 boys, who have only been in the Middle School for a term, but this academic year finishes in less than five months’ time!

Boys in Years 7, 8, 10 and 11 (HSC) all have important decisions to make over the next little while, about the subjects they will be doing for the next academic year. For boys in Year 8, information will be sent home with all the detail needed, and somewhat later, letters will also go to Year 11 HSC students’ homes. Please note that the return information is required as follows:

> Year 8 (concerning Year 9 2016) – Friday 5 June
> Year 11 HSC (concerning Year 12 2016) – Friday 28 August

However, for boys in Year 7, and more especially for those in Year 10, detailed information evenings have been arranged, and invitations to these have been emailed out to parents. On these evenings, the ideal situation is that the boy attends with one or both of his parents, so that the family hears the information together, and can take advantage of the many staff who will be available to assist on the respective evenings.

The two dates in question are:
Year 7 boys and their parents – Monday 18 May, 6.00 pm, commencing in the Assembly Hall. On this evening, the choices and process will be explained, supported by a package of materials. Following the presentation in the Assembly Hall, those Heads of Department responsible for elective subjects (i.e. those subjects involved in the choices that need to be made) will be available for consultation. Of course, Mr Barr, the Master of the Middle School, and I will be present.

Year 10 boys and their parents – Thursday 14 May, commencing at 7.00 pm in the Assembly Hall, but preceded by the Careers Expo from 5.00pm. The choices facing Year 10 boys are complex. First, a decision between the HSC and the IB Diploma must be made, then within each programme, subjects need to be selected. For boys choosing the HSC, a range of vocational courses, with additional opportunities, is also on offer. To get this important process off to a sound start, the evening will begin with the Trinity Careers Expo, which is an outstanding opportunity to consult a range of employer groups and tertiary providers here at the School. At 7.00 pm, there will be a presentation in the Assembly Hall for everyone, to explain the choices and the process. This will be supported by a comprehensive package of information. The rest of the evening will offer separate presentations on the IB Diploma and Vocational Education, while all our Deans and Heads of Department will be available for consultation. Dr De Lany, the Master of the Senior School; Mr Goetze, the Director of the IB; Dr Osman, the Director of Vocational Education and I will also be present for consultation.

By the close of the evening, boys and their parents will have had the opportunity to equip themselves well for the decisions that then must be made. Boys in both Year 7 and Year 10 must return their selections to the Curriculum Office by Wednesday 27 May. This deadline is most important. Immediately the data have been entered into our system, the Head Master and I will make decisions about what subjects will not run (due to lack of numbers), how many classes there will be for others, and ultimately what changes must occur in our staffing to accommodate the boys’ selections. Our timetabler will then set to ensure that we have a timetable around the boys’ needs ready for the new academic year in Michaelmas term. All this takes considerable time, and there is simply no time to wait for boys who dither about the selections they need to make.

Of course, following the closing date, any changes boys wish to make to their programme will be accommodated where possible, but the important decisions that will already have been made will, inevitably, close off some options. It is thus essential that carefully considered decisions are submitted by Wednesday 27 May. I look forward to seeing as many Year 7 and Year 10 parents as possible on these two important occasions.

It is thus essential that carefully considered decisions are submitted by Wednesday 27 May. I look forward to seeing as many Year 7 and Year10 parents as possible on these two important occasions.

TRINITY SCHOLASTIC ACHIEVEMENT TEST (TSAT)

On Thursday and Friday, our Year 10 students sat the Trinity Scholastic Achievement Test (TSAT). The TSAT is a common test for all Year 10 students at Trinity. It is an achievement test – not an intelligence test, nor an aptitude test. It has been designed to be accessible to all Year 10 boys regardless of their subject selections. Even though particular knowledge of specific senior subjects is not tested, the test assumes a base level of general knowledge, vocabulary and mathematical operations that would be reasonably expected of a Year 10 student.

The TSAT consists of four test papers taken over two consecutive days, involving one Writing Task, one Short Response Test and two Multiple Choice Tests. Students are asked to respond to a variety of stimulus materials, such as prose passages, poetry, graphs, tables, maps, mathematical and scientific data, cartoons and artistic works.

The TSAT is in keeping with our commitment to setting academic standards of the highest order, nurturing and challenging our boys during this critical period in their education. Results from the TSAT will be reviewed by Housemasters with each student on Monday 11th May. This process provides students, and parents, with additional valuable information to help make more informed, wiser subject selection choices for the final two years of secondary education, irrespective of whether the choice is the HSC, IB Diploma or TVAC option.

Jason Cheers | Academic Dean
I would like to remind parents about our revised Study Plus programme. In response to feedback from last term you may recall that I announced that we will continue to provide a nutritious meal and up to two hours supervised study for $20. On Thursday nights we will have a maths teacher attending the programme in order to provide mathematical assistance. This will not be 1:1 tutoring but an opportunity to get started or a little extra assistance with a difficult unit of work. We will explore having teachers from other subject areas as we assess the reception to having a maths teacher available. The programme continues on Tuesday and Thursday nights. Parents can book their son in using their Flexi School’s account.

Dr Heath De Lany | Master of the Senior School

Congratulations

I am delighted to report that Christopher Molla (12Ta) has been shortlisted for the NSW State Training Awards for the category of VET in Schools Student of Year Award.

Christopher was recognised for his VET Construction work and projects within his School Based Traineeship programme. Christopher will now undergo an interview with a panel on Friday morning at the Southern Cross Catholic Vocational College for the next stage of the selection process. This is a wonderful achievement for being shortlisted from many Schools and RTOs that enter theses prestigious VET awards.

We wish Christopher all the best.

Dr Frederick Osman
Director of Vocational Education and RTO Manager (Careers Education)
ADVANCED NOTICE
FOR COMPULSORY HOME GAMES

Compulsory home game attendance will be required on the following Saturdays. Students will be asked to attend the First XI Football or First XV Rugby games. Students will be informed in the week prior as to which home games they are expected to attend. This will be dependent upon the student’s own sporting fixture.

1. Saturday 9th May - Trinity vs St Aloysius’
   Compulsory for Years 7, 9 and 10
2. Saturday 23rd May - Trinity vs Cranbrook
   Compulsory for Years 7, 8 and 10
3. Saturday 30th May - Trinity vs Barker
   Compulsory for Years 8, 9 and 11
4. Saturday 18th July - Trinity vs Knox
   Compulsory for Years 9, 10 and 11
5. Saturday 8th August - Trinity vs Waverley
   Compulsory for Prep and Junior School Years 6, Year 7, 8 and 11 (Year 12 are encouraged to attend)

Rolls will be marked at each game. Boys MUST wear their full winter uniform. If it is raining on the day please ring the wet weather number (1300 788 477) for further details. This message is updated throughout the day.

Bradley Wirth | Director of Campus Administration

FROM THE SPORTSMASTER

SAILING ACHIEVEMENT

During the Easter Holidays, Matthew Doyle (10Hi) (centre) represented Trinity Grammar School in the 2015 Combined High Schools and Australian Schools Sailing Championships held at Belmont, NSW. Sailing a 16’ skiff named Loose Cannon, Matthew Doyle and his two crew members from Drummoyne Sailing Club sailed consistently well throughout the Championships to achieve 3rd place overall from a field of over 120 entrants.

In doing so, Matthew and his crew also won two gold medals (1st Miscellaneous Class, 1st in Race 3) and three silver medals (2nd in CHS Division 1, 2nd in NSW Schools Division 1, and 2nd in Race 6).

Congratulations to Matthew and the crew of Loose Cannon on their fantastic achievement.

Hugo Engele | Sportsmaster

MOTHERS’ DAY DINNER

VENUE: East Phoenix Chinese Restaurant
ADDRESS: East Village, Level 3, 2A Defries Ave, Zetland NSW 2017
DATE: Friday 1st May 2015
TIME: 7pm
PRICE: $55 per person for a delicious banquet
   (Alcoholic beverages to be purchased individually)
RSVP DATE: Extended to Monday lunchtime
   Click here to RSVP Now!
PARKING: On-site at East Village (fees apply)

Tables of 12 – sit with your friends or we can seat you with mums from your son’s year/ house

NEWS FROM
THE ARTHUR HOLT LIBRARY

After a stormy beginning of term the Library is once again bustling with activity. As the wider school community commemorated ANZAC Day, we had on show our extensive collection of fiction and non-fiction resources about the Gallipoli landing and ANZAC legacy. We will continue to add to this display for the next week so please come and take a look! The Library Champions co-curricular group met today and are ready to contribute to our daily goal of making the Library a dynamic and welcoming place. Their plans for displays, exhibitions and events are taking shape so watch (and visit) this space!

DOING THE DEWEY

The next section in our “Dewey Tutorial” is the broad and topical Social Sciences. This section is almost too broad to outline here, but here is a glimpse of what you’ll find in the 300s.

> Politics and economics, commerce and trade
> Law, crime and forms of government
> The military, transportation and education
> Social problems, climate change and natural disasters
> Customs, folklore and myths

The resources in this section provide an understanding of the world and the place of humans in it, the way we use natural and financial resources, and our impact upon the environment and each other. Come here to browse for wide-reading to gain perspective in all your studies and to specifically support your learning in Economics, Geography and History.

Tabatha Paterson | Teacher Librarian

2015 GEOGRAPHY TOURS

The Geography department is planning to conduct two tours this year. The information night for parents and students will be held on Thursday April 30th 2015 in the Latham Theatre, with the NSW Tour Meeting commencing at 6:30pm and the New Zealand Tour Meeting commencing at 7:15pm.

Details of the tours can be found on the Canvas Geography Course sites for Years 8-11.

Reho Travel, our travel provider will be in attendance

5 DAY NEW SOUTH WALES TOUR

TOUR HIGHLIGHTS:

Blue Mountains, Scenic World, Jenolan Caves, Bathurst, Parkes, Telecommunications Satellite, Dubbo, Western Plains Zoo, Hunter Valley, Singleton Coal Mine, winery visit, Newcastle, Tree Top Walk, Central Coast and bridge climb.

12 DAY NEW ZEALAND SOUTH ISLAND TOUR

TOUR HIGHLIGHTS:

An exhibition on the theme of ‘home’ by 21 emerging Greek photographers, curated by Jacob Aue Sobol of Magnum Photos with Sun Hee Engelstoft and organised by the Photography Centre of Thessaloniki. Proudly presented by Delmar Gallery in association with Head On Photo Festival.

“Home is a place of memories. It is where we have our roots. It is a place we keep returning to. If we want to learn more about ourselves and the world we live in, this is where we look.” - Jacob Aue Sobol

Exhibition dates: 10 May – 7 June, 2015

Exhibition opening: Saturday 9 May, 3-5pm

To be officially opened by Their Excellencies the Ambassador of Greece in Australia Mr Haris Dafaranos and Mrs Eva T. Dafaranos.

RSVP essential to the exhibition opening

Venue: Delmar Gallery (entry via Victoria Street gate)

Gallery hours: Wednesday to Sunday, 12-5pm

TRINITY GRAMMAR SCHOOL

School Prayer

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am.

The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

JUNIOR, MIDDLE AND SENIOR SCHOOLS
SUMMER HILL – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8.)

Term 2 April 28th, May 12th, 26th, June 9th
Term 3 July 21st, August 4th, 18th, September 1st
Term 4 October 13th, 27th, November 10th, 24th

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

TRINITY GRAMMAR SCHOOL

VOLUNTEERS FOR EXAMINATIONS
All Year Groups, Disability Provisions (No experience necessary)

The Trinity Education Support Services department (TESS) requests volunteers from the school community at various times throughout the year, to assist with the delivery of Disability Provisions for assessment tasks/examinations across all year groups. We have an increasing number of students who qualify for these provisions (including readers and/or scribes) and are heavily reliant on parent volunteers in helping us provide this support for students. The time involved can range from 45 minutes to 2-3 hours depending on the particular task and they are held at various times throughout the day.

If you can spare some time during the week, or on any particular days, and are interested in volunteering in this important area we would love to hear from you. You do not have to have a particular skill set as we provide training to all volunteers. You will need to obtain a Working With Children (WWC) Number from the RMS, which is a free application for volunteers and can be completed online. The website link is included below if you require further information.

If you would like to volunteer, or require further information, please contact Margy Murphy on phone 9581 6035 or email mmurphy@trinity.nsw.edu.au.

TESS Department

TRINITY GRAMMAR SCHOOL

DRAMA TOUR 2016
USA
NEW YORK
LOS ANGELES
AND
HAWAII
JUNE-JULY 2016

After the success of the inaugural tour in 2014, students now have the opportunity to participate on an even more refined tour in just over 12 months’ time. Students will be given workshops and tours in some of the world’s leading theatre and film institutions including the Juilliard School, the Lincoln Centre, Martha Graham Dance Studios, the Roundabout Theatre and Warner Brothers Studios. Students will also attend premiere Broadway shows unlikely to come to Australia and experience the iconic highlights of each city.

An information meeting where the full itinerary will be unveiled will be held in the Experimental Drama Theatre on Wednesday, May 13th at 7:30pm. The tour is open to all students, not just Drama or Film students.

Brendan Duhigg | Head of Drama

www.trinity.nsw.edu.au
SPORT ABSENCES

Students have been reminded of their responsibility to attend sport for all training sessions and each Saturday and the need to communicate in writing if there is an issue regarding attendance. A summary of the process for sport absence is listed below:

In the case of INJURY:

> students are expected to attend Saturday sport and assist the team or training group (attendance at training will be dependent upon the nature of the injury and is to be discussed with the MIC and Sportsmaster)

In the case of DEBILITATING ILLNESS OR AN EXCEPTIONAL CIRCUMSTANCE students must:

> contact the coach directly, or through a team-mate prior to the match or training session (graded/team sport only)
> deliver a medical certificate or letter to the MIC or coach on the day (for training absence) or by the end of the next day the student is at school (for Saturday absence). The letter is to be written and signed by a parent/guardian and should explain the reason for the absence. This letter is the number one priority in explaining absence. Failure to submit a letter renders the absence unexplained, which has implications for our Duty of Care and student accountability. The sanction applied for unexplained absence on Saturday is a 3 hour detention and for weekdays, a 2 hour detention

In the case of exceptional circumstances that are known in advance, such as a FAMILY COMMITMENT:

> parents are required to apply for leave in writing (email or letter) to the Master of the Middle or Senior School prior to the week in question
> students are required to inform their coach well in advance of the commitment so that teams can be adjusted

CODE OF CONDUCT

I would like to encourage all students to continue to be punctual to sport and be well presented in their attire, attitude and behaviour. Boys who are unable to participate in their sport are required to attend their commitment in full school uniform or PE gear and to support and assist their team or group. You will find a copy of the Sport Code of Conduct below, in the Record Book and on the School’s website. A commitment to the Code will facilitate a safe and enjoyable environment in which all can thrive and pursue their best.

TRINITY GRAMMAR SCHOOL SPORT CODE OF CONDUCT - EXPECTATIONS

<table>
<thead>
<tr>
<th>PLAYERS</th>
<th>PARENTS</th>
<th>SPECTATORS</th>
</tr>
</thead>
<tbody>
<tr>
<td>&gt; Play by the rules, in a spirit of good sportsmanship and accept the official’s decisions at all times.</td>
<td>&gt; Focus upon the boys’ efforts and performance rather than the overall outcome of the game.</td>
<td>&gt; Trinity encourages boys to support their school teams and to be dressed in the School’s uniform while doing so.</td>
</tr>
<tr>
<td>&gt; Play for your enjoyment and not just to please parents and coaches.</td>
<td>&gt; Teach your son that an honest committed effort is as important as victory, so that the result of the game is accepted without undue exuberance or disappointment.</td>
<td>&gt; We look to adults to set an example by their self-control, deportment and dress at matches.</td>
</tr>
<tr>
<td>&gt; Strictly refrain from the use of profanities and the verbal abuse of officials and players.</td>
<td>&gt; Encourage your son to play according to the rules of the game and spirit of fair play at all times.</td>
<td>&gt; We expect support to be enthusiastic but not to be fanatical or designed to heckle, belittle or disturb the opponents. Booing, whistling or playing and beating musical instruments are in bad taste and are unacceptable.</td>
</tr>
<tr>
<td>&gt; Strictly refrain from deliberate fouling or provoking opponents, or abusing equipment.</td>
<td>&gt; Never ridicule your son or another boy for making a mistake or losing a game.</td>
<td>&gt; Support for any team should never encourage violence or rough or illegal play.</td>
</tr>
<tr>
<td>&gt; Work hard for yourself, your team and the School. Strive to improve your skills and your performance.</td>
<td>&gt; Remember boys are involved in organised sports for their benefit and enjoyment.</td>
<td>&gt; Good play from both teams should be applauded generously.</td>
</tr>
<tr>
<td>&gt; Treat all players as you would like to be treated. Respect the rights and dignity of all participants regardless of their ability or background.</td>
<td>&gt; Remember that children learn best from example. Applaud good play by both teams.</td>
<td>&gt; Encroaching onto the field of play or the shouting out of suggestions, disapproval or profanities to players, officials or spectators is not acceptable.</td>
</tr>
<tr>
<td>&gt; Co-operate with your coach, teammates and opponents. Without them there would be no game.</td>
<td>&gt; Raise any concerns you may have with officials through the appropriate channels rather than questioning the official’s judgement and honesty in public. Remember most officials give their time and effort voluntarily for your son’s benefit.</td>
<td>&gt; The area around sporting venues should be left tidy and free of rubbish.</td>
</tr>
<tr>
<td>&gt; Be modest in success and generous in defeat.</td>
<td>&gt; Support all efforts to remove verbal and physical abuse from sporting activities.</td>
<td></td>

U15 FIJI RUGBY TOUR MATCH REPORTS

Game 1 was hosted by Marist High School, a diverse Catholic school in Suva, where we were very warmly welcomed and hosted. Boys attended class and made many new friends in their interactions before their game. The game was set up with four short quarters, designed to assist Marist culling their 45 players down to a smaller squad, while also allowing all Trinity boys to get some field time in this international friendly. Congratulations to Marist, who were too strong on the day. Trinity put in a good showing in the first two quarters, dominating possession though not converting this into points on the board. Unfortunately, the third and fourth quarters were heavily dominated by Marist, who were too big and powerful – surely this must have been due to their diet of taro and cassava! Congratulations to Adam Somboli (9Ta) and Jack Maher (9Yo) on playing good games.

A special side note was that the Prime Minister of Fiji, Mr Frank Bainimarama, whose grandson played in the team, came and watched the game. Some quick thinking by the Friends of Rugby gave him a Trinity lapel pin as a vote of thanks!

Game 2 was against Lomary Secondary School. At the whistle, the Lomary team did their traditional war challenge dance, creating a great atmosphere at Uprising Resort. Trinity dominated field position and possession in the opening quarter, though they were not able to open the scoring despite being held up over the line a few times, Matthew Texiera (10Sc) was dominant in his carries. A simple missed tackle cost the first try, with Lomary going over out wide to be the only scorer in the first half in wet conditions. Rhys De Grut (9He) was outstanding with numerous multiple efforts in the first 30 mins.

Trinity was rewarded for their dominance with a try to Sam Yip (9La) out wide, which remained unconverted. Complete lack of resistance at the breakdown meant that Trinity could go to a “pick and go” style of game, something relatively foreign to the Fijians, who are obsessed with passing the ball wide with their sublime attacking skill. William Raptis (9Ta) was rewarded with a try through the ruck, this being putting Trinity ahead, followed by a lovely conversion from Lachlan Illias (9Sc). The remainder of the game was Trinity defending with some excellent defence by Haydon Johnson (9Ke) and Jacob Taylor Tighe (9Ta). Lomary scored close to the posts though missing the conversion, with Trinity eventually winning 12 to 10.

Lachlan White | Director of Rugby Coaching

ADVERTISE IN THE 2015 HOME GAME PROGRAMME

Would you like to advertise in our Home Game Programme? This is one of the few ways to advertise a business to the Trinity community and is very cost effective.

Interested? Contact Stephen Heanly on 9581 6065 or sheanly@trinity.nsw.edu.au
FROM THE RUGBY MIC

Sometimes motivational material can be clichéd and superficial, but a recent image from a judo magazine caught my attention. The shot frames the feet of a ballet dancer standing en pointe (on the toes). While one foot is in a ballet slipper, the other foot is bare and the calloused toes are covered in bloodied band aids. The caption in the frame reads: Everyone wants to be successful until they see what it actually takes.

This value of sacrifice was evident in the attitude of many of our players and coaches during the holidays. Instead of spending their time relaxing and enjoying free time at home with family and friends, approximately 80 boys participated in camps, played in arranged fixtures and toured overseas. Regardless of whether boys were on tour or at camp, they were expected to be punctual, responsible and organised for the collective benefit of the group. In addition, a disciplined, personal attitude was required to contribute constructively for the team’s benefit and for individual progress and improvement. Their overall contribution in a team environment also displays an unspoken awareness and gratitude for the support and encouragement they receive from their peers, parents and staff. A case in point was the way in which the First XV appreciatively accepted Mr Ogier’s ‘Sportsman’s Satchel’ at a presentation before the St Patrick’s fixture on Friday, a testament to their awareness of their responsibility to the School community and themselves.

These life experiences are invaluable in terms of the significance of perseverance and the recognition of sacrifice on the road to personal achievement. Furthermore, these values to which our boys are being exposed in the context of secondary education are also transferable beyond Trinity, which is demonstrated in professional sport and articulated in one of the Waratah’s maxims: ‘A winning attitude doesn’t take the weekend off.’

It is easy to see why our boys display such character when they have the example of their parents to follow. The Friends of Rugby Committee, that comprises thirteen members, gathered at the School on Tuesday night, despite the inclement weather, to plan for the upcoming CAS fixtures. Despite the size of the committee, their fund-raising efforts throughout 2014 have contributed to reducing the cost for parents of the Armidale tournament attended by the Prep School and the recent U15 tour to Fiji during these Easter holidays. Our Prep teams should be congratulated for their performance at the tournament, winning their division undefeated. We are grateful to this group of parents who invest their time, supporting the Trinity Rugby community.

The Black and Green Shield fixture against St. Patrick’s College, Strathfield, is the last opportunity for our boys in the higher grades to produce strong performances before the commencement of the CAS next week. I would like to wish all our Rugby teams the best of luck for the winter season and remind them that ‘a winning attitude doesn’t take the weekend off.’

Andrea Folli | MIC Rugby

THE DUKE OF EDINBURGH PROGRAMME

> Want to join the Award?
> Want to know more about the Award?
> Want to join a June Holidays Expedition for new participants?
> Are you in Years 9 to 12?
> Are you at least 14 years of age or about to turn 14?

If the answer is yes to any of the above questions then you will need to attend an information session on Thursday, 7th May at 6:00 pm in F.3.4.

We will:

> Discuss the Award and all its changes and expectations.
> Provide you with an opportunity to join the second of two yearly intakes to the Award programme.
> Provide you with information about a potential June Holidays expedition for new participants.
> Provide you with advice on purchasing key wilderness hiking equipment, from outdoor equipment specialists Southern Cross Equipment.

This meeting is a compulsory first step in being eligible to participate in the Award and this proposed June Holidays expedition. We look forward to seeing you and or your parent/guardian there on the night.

Matthew Hirst
A-LEAGUE GRAND FINAL BBQ

On Sunday the 17th of May at 4pm, the A-League Grand Final will be played on the big screen in the Experimental Drama Theatre and you are invited to share the passion of this event with the Trinity community. This is a Friends of Football fundraising event with proceeds going to the development of Football at the School. Doors open at 3.30pm and your ticket includes food, refreshments and entry into the lucky door prize draws. Capacity is limited, so book your tickets early to avoid disappointment! RSVP by Wednesday 13th May 2015 on the following link.

ST ANDREW’S CUP – 1ST XI

In week two of the Easter holidays, the 1st XI ventured to St Ignatius’ College for the St Andrew’s Cup. This is an annual two day preseason tournament that features schools from CAS, GPS and ISA. Below are student reports from the four games played.

GROUP GAME ONE

The 1st XI kicked off their St. Andrew’s cup run against a strong Oakhill College side. Both teams played enticing football, with Trinity ending the first half 1-0 up through a clinically finished strike from Julian Dimas (11Ta), that was well assisted by William Piras (11Sc). In the second half our opponents came out the stronger of the two teams and after capitalising on two set pieces walked away with a narrow 2-1 victory.

Jonathan Dimopoulos (12Ta) | 1st XI player

GROUP GAME TWO

The second group game was a highly anticipated, ‘must-win’ encounter against Sydney Grammar. After falling behind 1-0 in the first 10 minutes, a plethora of goals quickly restored Trinity to a dominant lead in the first stanza, thanks to a brace from Julian Dimas (11Ta) and a clinical Jonathan Dimopoulos (12Ta) free-kick. During the second half, we managed to increase our lead with Julian Dimas latching onto a through-ball from goalkeeper William Clark (12Ta) to complete a fine hat-trick. Daniel Sestan (12Ta) finished off the game with a storming run from midfield and neatly slotted his goal into the bottom right corner to end the game 5-1 to Trinity.

Steven Callas (12Ho) | 1st XI player

PLATE SEMI FINAL

In the Semi Finals of the Plate competition’ Trinity came up against local rivals St Patrick’s from Strathfield in a nice precursor to our Black and Green Shield fixture this afternoon. In a heated encounter the team showed great composure to come back from an early 0-1 deficit to score through a Daniel Sestan (12Ta) penalty to tie the game up. Trinity capitalised on the momentum to score again, this time from a good finish by Harrison Page (11Yo) through busy traffic on a corner. From there Trinity played composed football to the final whistle to advance to the final of the Plate.

Chris Hart (12Ke) | 1st XI player

PLATE FINAL

Trinity appeared to be the stronger team from the outset. Some great build up play followed by a finely crafted first touch, was finished into the top right corner by Steven Callas (12Ho). Another fine finish from an inform Julian Dimas (11Ta) ensured a 2-0 lead by half-time. The second half saw Shore score two quick goals to level the game at 2-2 and fortunately this provided a necessary wake-up call for Trinity. An excellent left-footed shot from William Monaha (11Mu) allowed us to regain the lead. A break away from the defence and another moment of magic in the box from Monaha looked certain to restore our two goal buffer however the ball rocketed into the crossbar. Trinity were spurred on by this denial and Julian Dimas (11Ta) sealed the victory with a neat chip over the Shore goalkeeper. This was his 6th goal of the tournament and likely his most memorable. The match concluded with a 4-2 score line and Trinity lifted the
plate victorious for the first time in our history. Special mention to the coaching staff, Mr Luke Gray and Mr Wally Savor for their organisation, dedication and guidance throughout the cup.

William Clark (12Ta) | 1st XI Player

COACH EDUCATION

During the holidays there was a Football Federation Australia accredited Skill Acquisition Coaching course conducted over two days on TGS 2. Participants included members of staff Mr Jonathan Borger, Mr Mark Anthony, Mr Mark Oakley and Mr Chris Robinson; Trinity boys – Lachlan Gregory (11Ke) and Steven Callas (12Ho) as well as students and football coaches from Sydney University.

Skill acquisition is the centre of our focus with Primary Level teams and also ‘C to F’ teams in Senior Level, thus this was a great experience to learn new ideas/activities, and for those already in coaching roles to reflect on their own coaching practices. It is hoped that next year a Game Training coaching certificate will be conducted again on TGS 2.

HOLIDAY FOOTBALL CLINIC

During week one of the holidays, 40 boys attended a four day football clinic on TGS No 2 and in the Sports centre. The clinic included boys from Kindergarten to Year 7 and each boy had the opportunity to develop their ball control, dribbling, passing, shooting and 1v1 skills. Each day also featured a small-side tournament where the honours were either champions of Australia, Europe or the World. The older boys in the group had the opportunity to participate in match analysis of the recent Real Madrid Vs Barcelona game, with particular focus on overlapping movements. All participants enjoyed the BBQ and it is hoped that clinic participants and other interested students will attend the July holiday Football clinic which will be in the second week of the next holidays. Finally, thank you to Mr David Barrett for his efforts with the organisation and coaching of this clinic.

UNIFORM REMINDER AND FUTURE GAMES

It has been a wild week of weather. Thus it is a timely reminder that with the temperature starting to drop, that all boys are to bring their Trinity Football tracksuit to every training session and to always have a plastic bag and towel in their locker/bag.

Today 1st, 2nd XI and 10A teams have competed against St Patricks College and there will reports on these games next week. A reminder that there is no Football this Saturday as it is ANZAC Day. Next Saturday is the first round of CAS Football against Waverley.

Luke Gray | MIC Football
AUSTRALIAN AGE SWIMMING CHAMPIONSHIPS
SYDNEY 13th – 19th April 2015

Trinity was well represented at the Australian Age Championships with 18 individual athletes competing. Trinity was represented in 18 finals and the club swimmers won 4 Gold medals, 1 silver and 3 bronze medals.

Nathan Zhu (10Ke) was Trinity’s most successful swimmer, winning both the 15 years 100m (1:05.09) and 200m (2:20.54) Breaststrokes. It was an amazing championships for Nathan, who improved his 100m time by 2.38 seconds and his 200m time by 5.79 seconds.

James Traiforos (12Sc) had a return to the winners’ circle with an outstanding win in the 17-18 years 100m Backstroke, swimming a fast time of 55.77. This took James’ career national age championships tally to 8 gold medals, which is truly outstanding. He also placed 3rd in both the 100m Breaststroke (1:04.24) and the 200m Individual Medley (2:04.12).

Alston Jeroff (12Hi) was in spectacular form to win a silver medal in the 16 years 100m Butterfly with a very fast time of 55.20. He also showed great versatility to make another 3 finals in the 50m Freestyle (24.08), 200m Butterfly (2:05.98) and the 200m Individual Medley (2:09.75).

The boys 14 Years 4 x 50m Medley relay team had a spectacular win: Angus McDonald (8Sc) swam the Backstroke (29.79), Ethan Hansford (9He) the Breaststroke (32.11), Ryan Hanson (8We) the Butterfly (27.88) and Martin Floro (10Mu) the Freestyle (24.86). The 14 years boys also won the bronze medal in the 4 x 50m Freestyle relay with team members Martin Floro, Justin Kim (9He), Ethan Hansford and Angus McDonald.

Swimmers to make finals included Jake Griffin (12He) 17-18 years 100m Backstroke (58.26), Angus McDonald 13 years 100m Backstroke, Jassen Yu (10Fo) 15 years 200m Breaststroke (2:28.70) and Christopher Hoare (11St), who made the 16 years 50m Freestyle (24.21) and 100m Butterfly (56.20) finals. To even qualify for a final is a massive achievement.

AUSTRALIAN OPEN SWIMMING CHAMPIONSHIPS
SYDNEY | 3rd – 10th April 2015

James Traiforos (12Sc) swam in three individual events with his best results coming in the 50m and 100m Backstroke, where he reached the semi final of both events. In the 50m Backstroke he placed 12th with a 26.05 and 11th in the 100m with 56.02.

James, along with Matthew Treloar (12/12Sc), Alston Jeroff (12Hi) and Kenneth To (09/12WH) almost won the 4 x 100m Medley relay with a narrow loss to Marion a South Australian team by 3/100 of a second. Despite the loss, it was great to see a Trinity team of current students and Old Boys do so well. Matthew Treloar had a great breakthrough meet swimming the 4th fastest time in the 100m Breaststroke, which has placed him on the Australian University games team to complete at the World University games in South Korea in July. Kenneth, coming back from major back surgery, swam well to place 5th in the 50m Freestyle, which was a promising return for him.

Matthew Brown | Director of Swimming

MATHEMATICS CLUB MATTERS

THE MATHEMATICS CLUB MATTERS - MAJOR PRIZE DRAW

The Mathematics Club Matters competition has been very popular and it was pleasing to see there were many weekly submissions to and interest in the problems from our boys and parents interested in experiencing Mathematics. The Mathematics Club appreciates the generosity of our sponsors and support for this competition. It now gives me great pleasure to announce Darren He (9La) as the major draw prize winner from the Lent term. You too may be a winner this term, so get your entry in this week for a chance to win.

MATHEMATICS CLUB CO-CURRICULAR REQUIREMENTS

The aim of this Co-curricular is to provide enjoyment and training in advanced thinking for recreation. The Mathematics Club will encourage boys’ greater understanding of mathematics, providing activities, discussion opportunities in Mathematics research and related mathematical experiences, and establishing a social and intellectual forum to all boys interested in experiencing mathematics. The Mathematics Club will provide various opportunities for students with a range of mathematical abilities to understand mathematical concepts in a less formal context. It is the aim of this Co-curricular to develop peer tutoring relationships between mentors and mentees that can lead to a development process of best practices for boys working and learning together.

MATHEMATICS CLUB ENRICHMENT FORMAT FOR YEARS 7-9

The Club this term will provide an optional and additional co-curricular format to its current program to further ‘excite, enrich and challenge’ Years 7-9 boys through a variety of learning experiences. This will occur on a weekly basis each Monday 1:10pm-1:50pm (lunch-time) in N1.17. This activity will aim to instil the necessary knowledge and skills required to succeed in external Mathematics Competitions and Activities. All boys participating in this programme will be required to participate in the Mathematics Challenge for Young Australians programme. A selection of the following topics will be explored in this activity.

> Googol and Googolplex (large numbers – research topic) & Scientific Notation
> Alphametics
> Past AMC problems and Maths Challenge and Enrichment Problems

OTU CAREERS AND INDUSTRY EXPO

THURSDAY 14 MAY 2015 | 5PM TO 7PM
IN THE ORCHESTRA/BAND ROOMS SUMMER HILL CAMPUS

On Thursday 14 May 2015, the School will host a joint OTU/RTO Careers and Industry Expo at Summer Hill Campus from 5PM to 7PM in the Orchestra/Band Room. The event is dedicated to all career areas and vocational education training both traditional and non-traditional trades as well as ITABs, Retail, Hospitality, Construction, Electrotechnology, Information Technology, Entertainment and Business Services. Other career areas including Engineering, Law, Policing, Medical and Psychology plus many more will also be show-cased.

What’s on offer for Students?

This EXPO is an ideal platform to promote apprenticeships, cadetships, jobs and education and training in these areas. Visitors to the Careers Expo will be taken on a unique ‘journey’ of career advice, interaction education and training options. The event is designed to facilitate ALL students (Year 10-12) with both an academic and vocational focus.

For further enquiries please contact Dr Fred Osman 02 9581 6040 or email fosman@trinity.nsw.edu.au or Mr Stephen Heanly 02 9581 6065 or email sheanly@trinity.nsw.edu.au

**THIS WEEK’S PROBLEM FOR BULLETIN I:**

1. **Years 7-9: Middle School Problem due on Monday 27 April 2015**

John is 10 years old, and his mother is four times as old as he is. When John is 15 years old, how old will his mother be? (Assuming she is not dead.) Please show working to justify your answer!

2. **Years 10-12: Senior School Problem due on Monday 27 April 2015**

What is the next number in the following sequence?

125  64  27  8  ?

Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.15PM) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

**P&F**

**Parents’ & Friends’ Association**

**P&F MEETING | TUESDAY 5 MAY in the Terrace Room, at 7.30pm** with guest speaker, Dr Fred Osman, Director of Vocational Education and RTO Manager (Careers Education) speaking on:

**CAREER EDUCATION OPPORTUNITIES**

The focus of careers within Trinity, and so the RTO, is to create an individual purpose in learning for our students which will then increase our students’ self-esteem, confidence, focus and so engagement. This will be achieved through increasing the visibility of links between life skills and ultimately careers to behaviours, academics and School activities. Our goal is to support our students and their families in identifying a core purpose through understanding of strengths, capabilities and so opportunities for their current and future lives. We value the P&Fs insights and contribution as to:

> What parents feel will most support them in achieving this goal and

> What conversations should parents start with their son in regards to careers?

All are welcome to attend.
The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit_maths.html as a formal publication.

Aims Of This New Initiative:

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquires to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Dr Frederick Osman | MIC Mathematics Club
Scholarship Programme:

Bachelor of Information Technology Co-operative

University of Technology Sydney (UTS)

new-type-of-graduate programme will be available from 2016. Website: http://news.technology.comegratorations while completing their studies online. The campus at CSU Bathurst, and then undertake four one-year paid industry placements while completing their studies online. The programme will be available from 2016. > Engineering and Science Information Evening: Thursday 11th June.
> A Day @UNSW: Thursday 25th June
> Scholarships Information Evening: Wednesday 15th July
> UNSW Open Day: Saturday 5th September
> A Day @ UNSW - Dates: Thursday 24th November, 10th December and Friday 11th December.

visit the website for more details: http://unswfuturestudents.tumblr.com/post/110503983827/key-dates-for-2015

Australian Catholic University (ACU)

New Undergraduate Double Degrees: ACU Health Sciences is introducing a number of new double degrees in 2016:

> Bachelor of Teaching/Bachelor of Exercise Science (Brisbane, Canberra, Melbourne, Strathfield)
> Bachelor of Laws/Bachelor of Biomedical Science (Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Business Administration (Brisbane, Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield)

These degrees are still subject to final approval. Website: http://www.acu.edu.au/about/acu/faculties_institutes_and_centres/health_sciences/course_updates/new_undergrad_double_degrees_for_2016

Australian Defence Force Academy (ADFA)

Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC.

An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.

Martin College

New Courses: The College is introducing a Diploma of Human Resources Management which involves planning workforce activities, using performance management systems, and recruitment processes. In addition, there is a Diploma of Project Management in which students learn how to create, guide and monitor the progress of a task or project. Finally, the bridging programme for Graphic Design Online will prepare students for diploma level studies with courses in Adobe Creative Suite: Illustrator, Photoshop InDesign and Pre-press. Website: http://www.martin.edu.au/courses/
MedEntry UMAT

Preparation: MedEntry is an internationally trusted educational institution providing UMAT preparation in Australia, New Zealand and Ireland. MedEntry is the only provider which is a Registered Training Organisation and which offers a Government Accredited UMAT course. The UMAT test is a prerequisite for entry into most health science courses such as medicine. Students interested in pursuing medicine and other health courses need to sit the UMAT on 29 July 2015. MedEntry is a government accredited Registered Training Organisation specialising in UMAT preparation. For more information, please visit www.MedEntry.edu.au

The University of Notre Dame

House of Karls

29th Apr 2015, 5:45pm - 6:45pm. Venue: Eastern Avenue Auditorium, University of Sydney. Cost: FREE. Contact: Liz Kenna: E: liz.kenna@sydney.edu.au T: 9351 5397

Event Description: In the ruthless pursuit of scientific fact, there is no candidate more formidable than Dr Karl Kruszelnicki, Julius Sumner Miller Fellow, the University of Sydney. In this free public lecture, he releases his policies on how children are smarter than their parents, why bank robbery is a terrible economic decision, and the surprising origins of the "selfie" before impeaching his opponents on Big Data watching us, the healing power of swear words and the creation of the Ultimate Solar System. Bookings essential: http://Sydney.edu.au/science/outreach/events

JMC Academy

Open Day: 2nd May 2015, 10am. 561 Harris St, Ultimo. Cost: FREE. Contact: Emma Cruz: sydney@jmc.edu.au

Event Description: Come along to one of our Campus Open Days and learn how to build your creative future with JMC Academy. Are you still undecided about how you want to spend the next one to two years of your study time? Do you want a preview of what your years after school might hold? Then this is your opportunity to get to know JMC Academy. On the day you will take a campus tour, undertake a focused overview on your course of interest, speak first-hand with current students, scholarship winners and the Heads of JMC Academy's Music, Audio, Animation, Game Design, Film and Television, Digital Design and Entertainment Business Management departments. You'll also be able to view student work, listen to bands, view student films and even see live audio and film production in action.

THINK Business

Timely Reflections… By Mr Ron Ogier (1966 – 1994) and (1997 – present)

THE SPORTSMAN’S SATCHEL 2015

Inspiration comes in many ways and often from unexpected objects. Velcro, it is said, was invented when a person started wondering about the burs which became hooked in his clothing. While in the supermarket the other day, passing by the displays of lollies and chocolates and whatever, I noticed many sweets that could hold a message for us as the Winter sports season begins. I decided to draw up a list, as if to make them into a bag or satchel, A Sportsman’s Satchel, actually, to act as an inspiration for you in your games this season. First I noticed the packets of miniature milk bottles. These are a reminder to us to have a proper and healthy diet if we are to build up our strength. Packets of teeth were next to the milk bottles! Surely when playing a game we need to get our teeth into it, that is, to pitch in and really play hard. Next there were packets of marshmallows. How often one may underestimate one’s opponent! So the marshmallow causes us to remember that our opponent is not necessarily gaining to be soft and easily beaten. So add the marshmallow as a reminder of that point. The jelly baby? That is to remind you that you certainly are not a jelly baby – you are a determined, eager and enthusiastic player, always aiming at your best performance. Even so, everyone in a game sometimes drops a clanger – or puts a foot in it, making an unfortunate mistake, giving you one of those moments when you may feel like a Mintie, so one is provided for such a moment! Every team member has trained hard and well, but even so, there are often times when the ball may bounce the wrong way – that is just a matter of luck, so the black feline is included to bring you that little bit of luck that is often needed. A common warning to lads in my youth was not to give any rudeness or ‘lip’ to those in authority: a most unwise thing to do with reference to the person in charge of the game so the lolly lips remind you to accept the decisions indicated by the referee’s whistle, – which must always be heeded and obeyed! And you must NEVER blow a raspberry at the ref!

In the satchel too is a snake, reminding you to be as cunning and clever in your playing as possible; the packet of rocket lollies reminds you to power into the game with great energy. The messages implied by the above sweets will help you to run green and white rings around your opposition, while above all, you have the heart to play your very best. May every one of you in whatever team have a wonderful and successful winter season!

Ron Ogier

TRINITY GRAMMAR SCHOOL DRAMA PRODUCTION
RUN RABBIT RUN BY ALANA VALENTINE

More than a story about Rugby League, it is a quintessentially Australian story about the underdog taking on the big end of town; it’s about community and tradition standing up to big business and media conglomerates. It’s raw, emotional and above all, true!

TIME: 7:30pm
LOCATION: Experimental Drama Theatre

TICKET PRICES: Student $15 | Adult $25
Family (2 Adults and 2 Children) $50

AUDIENCE EXPECTATIONS: For this show, come in your team’s gear! This show is about passion and sport. It doesn’t have to be NRL, it could be Football, Rugby or AFL.

TICKETS ON SALE NOW | CLICK HERE
Mothers' Day Classic Fun Run and Walk

Sunday 10 May
Join the Trinity Team and help raise money for Breast Cancer Research

The Mothers' Day Classic is a fun run and walk on Mothers' Day – Sunday 10 May. Two thirds of the entry fees go directly to the Breast Cancer Research Foundation’s research programmes. The course starts on Macquarie Street at Martin Place and goes around the Domain and Mrs Macquarie’s Chair. You can choose to do a 4km or 8km run or a 4km or 7km walk (walk route shortened due to light rail works). Most participants will be finished by 10am so there will be plenty of time afterwards for our Trinity mums to be spoiled rotten (but they may have to forgo breakfast in bed!).

Join our School Community Team: Trinity Grammar School

Our School team is open to any students, families and friends of Trinity Grammar School. You can register online at www.mothersdayclassic.com.au. From the home page click ‘Register’ and then ‘Sydney’. This will take you to the registration page for the event at the Domain. Make sure you select Trinity Grammar School as your team during the registration process.

What to Wear?

School colours (bottle Green and White) with a touch of pink! Most importantly, so you can find our team in the crowd, please wear a Trinity Supporter’s cap. These caps are available at the Summer Hill and Preparatory School Clothing Shops for the special price of $10 if you mention the Mothers’ Day Classic (usually $20). If you are bringing young children, prams are permitted, but not bikes or scooters or skateboards.

How much does it cost?

On the day - where and when to meet the team

Our team assembly point is outside the Reserve Bank Building on the corner of Philip Street and Martin Place. We will assemble there and then make our way up to Macquarie Street in time for the warm-up aerobics. If you are running late, or want to skip the warm up, then go straight to Macquarie Street and see if you can spot any other Trinity supporter caps in the crowd.
