**RUN RABBIT RUN**

The National Rugby League decision to dispense with the Rabbitohs in the hope of enhancing the NRL competition was a blow to the South Sydney club and its supporters. Alana Valentine’s drama production shows the pathos and hard road that the Club went through as it took its battle to survive to the streets and to the courts. A David and Goliath struggle between the Club and Rupert Murdoch’s News Limited resulted in a High Court decision in favour of the Club. A very powerful comment was a quote from Robert Taylor, an Indigenous Australian whose character in the play says ‘Before 1967, I wasn’t recognised as an Australian. My people never had the vote. But I was recognised as a South’s supporter. So I’ll stick with them.’

Congratulations to the cast and crew on a magnificent performance that kept the audience entertained and allowed us to explore connection to community, a fair go for all and standing up for what is considered to be right.

**CEO OF SOUTH SYDNEY RUGBY LEAGUE CLUB VISITS THE SCHOOL**

As a prelude to the play, Run Rabbit Run, the Chief Executive Officer Mr John Cole presented Rabbitoh jerseys to the cast and crew of the play at Quad Assembly. He then spoke at the Senior School Assembly of the struggle and triumph of the Club over recent history encouraging the boys, no matter what sport they play, to play with passion and to work at reaching their goals even if they seem to be impossible.

**CULTURAL AWARENESS CO-CURRICULAR GROUP.**

The Run Rabbit Run drama production was very timely as the Middle and Senior Schools will be celebrating Harmony Day this coming Wednesday and various themes in the play dovetail nicely into what will be discussed on Harmony Day. At both the Middle and Senior School Assemblies the Cultural Awareness Co-curricular Group were given an opportunity to give a video presentation on the School’s cultural diversity. Speeches were also made at the Middle School by the School Captain Tom Dickinson (12La) and at the Senior School by Lachlan Gregory (11Ke). Both speeches encouraged the boys to recognise each Trinitarian’s cultural background, to understand the importance of embracing our differences, of accepting one another and being unified as one community.
ACADEMIC FOCUS

TRINITY SCHOLASTIC ACHIEVEMENT TEST (TSAT)

During Week 1 of this term, all Year 10 boys sat the Trinity Scholastic Achievement Test (TSAT). The TSAT is a common test designed to be accessible to all Year 10 boys regardless of their subject selections. It is in keeping with our commitment to setting academic standards of the highest order, nurturing and challenging our boys during this critical period in their education.

Last week, all Year 10 boys had an individual interview with their Housemaster to review their TSAT results, and present their TSAT certificate of achievement. This interview also addressed broader issues regarding their overall academic progress, vocational assessments and subject selections. It is hoped this interview process helped them to make wise subject selection choices for the final two years of secondary education, irrespective of whether the choice is the HSC, IB Diploma or TVAC option.

A number of boys have also been awarded Head Master Citations for their performance in this year’s TSAT. These awards will be presented at an Assembly in the coming week. Ten Citations are awarded for Writing, and twenty Citations for overall achievement. Congratulations to the following boys:

Writing:
- Martin Floro (Mu)
- Monty Hannaford (Du)
- Andrew Jamieson-Grigg (Ho)
- Jason Kong (Ta)
- Enzo Lee Solano (Sc)
- Austin Marandos (Yo)
- Timothy McManus (Fo)
- Pericles Telemachou (Ho)
- Jack Yeung (La)

Overall achievement:
- Samuel Austin (Hi)
- Benjamin Davies (WJ)
- Nick Driessen (Yo)
- Michael Ellis (Ta)
- Julian Ferrone (Mu)
- Martin Floro (Mu)
- Monty Hannaford (Du)
- Elliot Ho (He)
- James Kapaniris (WH)
- Julian Kasch (WH)
- Jason Kong (Ta)
- Aidan Kwan (Ta)
- Erzno Lee Solano (Sc)
- Neil Lu (Yo)
- Kieren Pearson (Ta)
- Tom Salmon (Ta)
- Yossi Sundakov-Krumins (Ar)
- Luc Velez (WH)
- Timothy Wong (St)
- Kevin Woo (Mu)

TRINITY GRAMMAR SCHOOL DRAMA PRODUCTION
RUN RABBIT RUN BY ALANA VALENTINE

More than a story about Rugby League, it is a quintessentially Australian story about the underdog taking on the big end of town; it’s about community and tradition standing up to big business and media conglomerates. It’s raw, emotional and above all, true!

TIME: 7:30pm

LOCATION: Experimental Drama Theatre

TICKET PRICES:
- Student $15
- Adult $25
- Family (2 Adults and 2 Children) $50

AUDIENCE EXPECTATIONS: For this show, come in your team’s gear! This show is about passion and sport. It doesn’t have to be NRL, it could be Football, Rugby or AFL.

WESLEY MISSION NATIONAL VOLUNTEERING WEEK

As part of the Wesley Mission National Volunteering week, Trinity Grammar School’s VET Hospitality boys demonstrated their barista skills for charity on Wednesday, showcasing the new Coffee and Beverage facility in the Design Centre. Named after the perfect espresso (made from 30ml of coffee and which takes 30 seconds to make), 30/30 served up large quantities of milkshakes for the thirsty boys and coffee for staff. The money raised from the first day of operating 30/30 at lunchtime was donated to Wesley Mission. A total of $367.60 was raised in just 45 minutes. On Thursday at Quad Assembly, Ben Cassen (12Yo) explained the fund raising venture and presented a cheque to Mr Andrew Wind from Wesley Mission.

Quad Presentation to Wesley Mission: Christine Ireland (Community Engagement Officer), Ben Cassen (12Yo), Mr Peter Green (Acting Head Master), Richard Duncan (Community Engagement Manager) and Dr Fred Osman (Director of Vocational Education & RTO Manager)

REMINDER TO PARENTS

Year 8 (2016), Year 9 (2016) and Year 11 (2016) online subject selection forms are due on Wednesday the 27th of May.

Jason Cheers | Academic Dean

REMINDER TO PARENTS

Year 8 (2016), Year 9 (2016) and Year 11 (2016) online subject selection forms are due on Wednesday the 27th of May.

CALL FOR PHOTOS
Holy Trinity Anglican Church has been putting together a book on the history of the church. If families that have had past involvement with Holy Trinity Dulwich Hill would be willing to share any photos they may have of any church events such as Sunday School picnics, church groups, or special services, please contact: Bob Irving on 0418 833 978 or robert.irving@optusnet.com.au

ECHOLOGY FUND-RAISING CONCERT
SUNDAY 31ST MAY 3.00PM
Holy Trinity Anglican Church
Dulwich Hill, corner of Seaview and Herbert Sts

THE ORIGINAL SITE OF TRINITY GRAMMAR SCHOOL
Echology is a multi-award Chamber Choir of the University of Newcastle, with major success in national and international competitions. They won the ABC Choir of the Year competition (2006), the McDonalds Sydney Eisteddfod (2007, 2010 and 2012), and the national Battle of the Choirs TV competition in 2008.

Echology has teamed up with local Dulwich Hill vocalist and composer, Ruth McCall, and will be performing Here, There and Everywhere, a vibrant performance of songs from Australia and beyond, including well known folk songs such as Cockles and Mussels and Bound for South Australia.

Ruth is an accomplished musician, having sung first soprano for the Song Company for 14 years, where she also developed her love of arranging. She has performed in 17 countries world-wide, and her version of Waltzing Matilda is popular with both adult choirs and school children. The concert is part of a larger project to perform and record the whole body of Ruth’s compositions for choir for release on CD in 2016.

Part of the proceeds from the concert will go towards the rebuilding of the Holy Trinity Youth and Community hall, which was destroyed by fire in April 2013, and is now finally under construction.

Tickets available at the door Adults $15 Concession $10 Children $5 Family $35 and include a sumptuous afternoon tea following the concert.

For further information: Ruth McCall: 0413 410 774 Echology: 4921 5507

HOLY TRINITY ANGLICAN CHURCH CALL FOR PHOTOS
Holy Trinity Anglican Church has been putting together a book on the history of the church. If families that have had past involvement with Holy Trinity Dulwich Hill would be willing to share any photos they may have of any church events such as Sunday School picnics, church groups, or special services, please contact: Bob Irving on 0418 833 978 or robert.irving@optusnet.com.au

Trinity’s original site
We do not normally place advertisements in the Bulletins, but because Holy Trinity Dulwich Hill is the cradle from which Trinity Grammar School has sprung, we are pleased to fully endorse this appeal for the rebuilding of the Parish Hall.
TRINITY 1ST XV AND 1ST XI VS CRANBROOK
AT TRINITY on Saturday 23rd May 2015

Compulsory Attendance for boys in Years 7, 8 and 10 to attend the First XI Football game starting at 10:00am OR the First XV Rugby game starting at 3:00pm.

Students will be informed in the week prior as to which home games they are expected to attend. This will be dependent upon the student’s own sporting fixture.

School Officers and House Captains are to attend EITHER the First XI Football game OR the First XV Rugby game. Rolls will be marked at each game. Boys MUST wear their full winter uniform. If it is raining on the day, please ring the wet weather number (1300 788 477) for details regarding these fixtures. This message is updated throughout the day.

Parent/Visitors’ seating arrangements: During the 1st XI football game parents and visitors are encouraged to bring their own seating and sit on the Eastern side of No 2 Oval. During the 1st XV Rugby game parents and visitors are expected to sit on the Western side of No 1 Oval. There will be NO access to the Eastern side of the field. This area is reserved for teams warming up.

At the conclusion of the games, parents are encouraged to meet their sons in the School car park, entry via Victoria St.

Advanced Notice
Compulsory Home games are also on 30/5/15, 18/7/15, and the 8/8/2015 (See the school record book for more details.)

STUDENT UNIFORM WHEN WATCHING SATURDAY SPORT FIXTURES

Compulsory Home Games

> Students watching 1st XV or 1st XI games, irrespective of whether the game is compulsory for their particular Year group, are required to wear FULL SCHOOL UNIFORM.

> Students are not permitted to wear their Trinity tracksuit, or any other item other than their full School uniform.

Away Games and Non-Compulsory Home Games

Students watching 1st XV and 1st XI Away games, or any other home game, and they are not acting as a reserve, have two options:

> Wear their full School uniform

> Wear their full Trinity tracksuit over their sports uniform, with enclosed sports shoes. If the weather is hot, the Head Master may approve that tracksuits do not have to be worn. Boys will be informed of this at the venue on the day.

Note: Students who are not in the correct uniform will be required to report to the relevant Deputy Master at 8:00am the following Monday morning. If boys wear casual clothing, their parents will be contacted so that the boys’ parents can arrange transport home for them, as they will not be allowed to stay to watch the games.

Bradley Wirth | Director of Campus Administration

Trinity Grammar School | Home Game Information
The new 2015/2016 Entertainment Memberships are available now and packed with thousands of up to 50% off and 2-for-1 offers. For just $70, you’ll receive over $20,000 worth of valuable offers! Plus, from every Entertainment Membership we sell, $14 goes towards our fundraising!

NEWS FROM
THE ARTHUR HOLT LIBRARY

There was a change of pace this week in the Arthur Holt Library with the Seminar Room hosting a Hearthstone “Fireside Gathering” Tournament. If, like me, you have no idea what that is, then here is a brief explanation from a well-known online encyclopaedia: “...a digital collectible card game that revolves around turn-based matches between two opponents.” At any rate, it must be quite an engaging game because a keen and often vociferous crowd of at least 80 students turned up each lunchtime throughout the week-long fundraiser and contributed to a worthy cause – raising money for Mrs Maureen Pride and her ongoing recovery. This very successful event was organised by IB students Andrew Berg (12Fo) and Kevin Xu (12Du). It’s yet another creative use of this Library space!

DEWEY TUTORIAL TIME

We’ve reached one of the most popular sections of the Library in our Dewey Tutorial – the 700s! To many people this section seems to be an enigma, as it includes many subjects you would expect to find in a section called “The Arts” and a few you would not. Aside from the wide array of “obvious” subjects - Architecture, Sculpture, Ceramics, Graphic Arts, Textile Arts, Design, Interior Decorating, Painting, Photography, Computer Art, Film, Video, Music, and Stage Productions, you will also find books about Puzzles, Codes, Magic Tricks, Chess and other board games, and Sports. Another description of this section could well be “Entertainment”. Regardless of what we call it, this section contains materials to support studies in Creative Arts, Manual Arts and Performing Arts. And it’s got the Star Wars books, let’s not forget those!

Tabatha Paterson
Teacher Librarian

CAN DRIVE

On Thursday the school held its annual can drive. This year, each house was challenged to gather as many cans as it could and build a can pyramid on the quad. It was a great pleasure to see boys carrying in bags and boxes of cans to contribute to the cause, as well as see all houses working together to construct their pyramids. Archer house was the standout performer of the event, with 282 cans and what was arguably the most aesthetically appealing pyramid. Latham and Kerrigan house chose to favour volume over form, accumulating the second and third largest number of cans, respectively. By recess, the total number of cans was 1723 (over seven hundred more than last year!). The cans were sent to the Exodus foundation, which is an organisation dedicated to providing food, educational, and social wellbeing services to those who need it. Well done to all boys who helped to create the largest collection the foundation had seen in years. A special thank you goes to Mr Galluzzo for his enthusiastic support before and during the event.

The team: James Douglas (12La), Kiran Eswaran (12Ke) and Isaac Law (12Mu),

ORAVA QUARTET
IN RECITAL AT DELMAR GALLERY NEXT THURSDAY!

“beautifully calculated and coordinated... time and motion seemed to defy the laws of physics” The Washington Post

PROGRAMME
Dvorak String Quartet no. 12 ‘American’
Shostakovich String Quartet No. 6 in G major

The Orava Quartet is a young ensemble fast making its mark in chamber music performance across USA, Asia and Australasia. Since their debut at the 2008 Musica Viva Festival in the AYO Chamber Players’ programme, they have gone from strength to strength, notchting up awards and critical acclaim. On the invitation of the Takács String Quartet, they spent two years as graduate quartet-in-residence at the University of Colorado and are currently Quartet-in-Residence at the Camerata of St John’s. Featuring brothers Daniel Kowalik (violin) and Karol Kowalik (cello) with David Dalseno (violin) and Thomas Chawner (viola).

Listen to the quartet online

HOME
New Photography from Greece.
ON EXHIBITION NOW!

“Home is a place of memories. It is where we have our roots. It is a place we keep returning to. If we want to learn more about ourselves and the world we live in, this is where we look.” – Jacob Aue Sobol.

Co-curated by Jacob Aue Sobol of Magnum Photos and Sun Hee Engelstoft for the Photography Centre of Thessaloniki, the exhibition features over 70 photographs delving deep into the question of what defines “home”.

Twenty-one emerging Greek photographers were invited to participate in a five-day workshop with Sobol in the summer of 2013. At the workshop, the artists were tasked with photographing the idea of “home” in an unfamiliar environment – the small village of Lafkos, a place where none of them had been before. The extraordinary photographs in this exhibition are the result. By exploring in a profound way what “home” meant to them, the photographers offer a moving, complex and personal insight into Greek culture today.

Following its exhibition at the Photography Centre of Thessaloniki in February, Delmar Gallery and Head On Photo Festival 2015 are delighted to present this compelling collection of contemporary Greek photography in Australia.

Exhibition runs to 7 June. Gallery opening hours: Wed-Sun, 12-5pm. Free admission. Prints in the Exhibition are available for purchase.

CANADA A SLAM DUNK FOR BASKETBALL STAR

Recent graduate Dominic Gilbert ('13) has just been awarded an Academic and Athletic Scholarship to the University of British Colombia in Canada.

Dominic achieved outstanding results both academically and in the sporting arena, excelling in all areas of his schooling. He completed an International Baccalaureate (IB) Diploma in 2013, graduating with an exceptional score of 37 (95.5 ATAR) and won three consecutive Committee of Associated Schools (CAS) titles as a member of the 1st V Basketball team.

With his Scholarship to the University of British Colombia awarded only three weeks ago, Dominic plans to study a Bachelor of Arts degree with a major in Economics. The University is ranked 30th in the world, with the Economics programme ranked in the world’s top 20.

Reflecting on his time at the School, Dominic appreciates Trinity’s capacity to provide an environment that suits the individual needs of each boy. “The School provides an abundance of opportunities, whether that be in the classroom, on the sporting field or elsewhere. This allows for the students who are ambitious and determined to succeed and achieve the goals they set out for themselves,” Dominic said.

Dominic’s decision to study the School’s IB Diploma served him well, giving him the opportunity to customise an academic programme that allowed time to devote to his sporting goals in basketball.

“I believe the IB prepared me very well for university. The numerous exams, internal assessments and the extended essay I had to complete, as well as having to juggle all of this with training and playing basketball, significantly improved my time management and organisational skills.”

Mark Anthony

CHARITY BASKETBALL SHOOT-A-THON

At the end of last year Trinity Basketball Players had the opportunity to get involved in the Charity Basketball Shoot-a-thon and like they did in 2011, the Trinity Basketball community did a fantastic job, and will once again hand over a cheque for $3000 to Children’s Hospital at Westmead. The funds raised will go to the Hunter Ballie Ward and help them purchase another Highflow O2 Unit. These units help sick young infants with respiratory illnesses (usually bronchiolitis) and a very high oxygen requirement.

Prizes given to the boys who raise the most funds included four Tickets to a Corporate Box at a Sydney Kings Game, Rebel Sport Vouchers and Hoyts Movie Vouchers. I would like to thank The Hoyts Corporation for their generosity donating the four Box tickets for the Sydney Kings Game and Movie Vouchers.

All boys should be commended for getting involved, and special mention must go to following boys how did an outstanding job raising funds:

SENIOR SCHOOL
Andrew Gabriel (8Hi) $411.90
Louie Zhang (8Hi) $299.45
Matthew Glessoon (12WH) $260.00

PREPARATORY SCHOOL
Kallan Maranik (5B) $200.00
Kurtis Castorina (5M) $176.40
Noah Jung (5B) $150.00

JUNIOR SCHOOL
Leo Byfield (5J) $110.00
Tom Buvac (5L) $103.00
Aiden Murphy (5BA $90.00

Ben Morrissey | MIC Basketball
The educational worth provided by exposure to sound values and the opportunity to express the integrity of those values in a sporting arena, allows our boys to experience the meaning of integrity: without corresponding action, values are superficial. Schools, being the microcosm of a wider society, combine the cerebral aspects of an academic and value-based curriculum with co-curricular sporting activities into a holistic educational paradigm that presents young men with experiences to test their values in physical pursuits. The Rugby games against Knox were a display of the consolidation of these integral educational fundamentals.

St. Joseph’s, at the completion of their game at Gillespie, provided a tunnel for Trinity boys about to run on against Knox. Subsequently, without being solicited to do so by Trinity parents or coaches, at the commencement of another game about to be played between St. Joseph’s and Knox, Trinity boys reciprocated the fellowship displayed by St. Joseph’s and clapped on the Joey’s boys.

The second significant exhibition of character was the tenacious and resilient attitude manifested in the final inter-school fixture of the afternoon between the Knox and Trinity First Fifteens. Despite the Knox 1st XV leading on the scoreboard for the duration of the game, Trinity players persevered until the referee’s final whistle. Our First Team representatives and their coaches were naturally disappointed with the loss and that some promising opportunities had slipped from their grasp; however, the character necessary to persevere, regardless of chasing the game, is something that will remain part of the young men who proudly represented Trinity Grammar School, and provide the foundation from which they will continue to grow beyond their secondary schooling.

Finally, in the words of a Trinity captain to his team at the conclusion of their game on Saturday, “I’m proud to be a member of this team.”

MATCH REPORTS

For any team, playing away to Knox is always a huge challenge. The 13As played at Gillespie Field knowing they would need to deliver a high level of physicality in order to be successful. By that measure, Trinity succeeded and, in so doing, secured a resounding 40-0 victory. Trinity’s line speed in defence was slick and the approach to the tackle contest was willing and abrasive. James Browning's (7Du) contribution in support of his team mates at the ruck was exceptional. A willingness to be fastest, lowest and smartest at the breakdown, aiming to win the space beyond the ball, are integral to generating good quick ball. The team will continue to work on a more consistent delivery of this aspect of its play. However, when this was achieved the product was a threatening and entertaining attack. Malachi Hawkes’ (7WJ) work rate with the ball was tremendous. He regularly bent the defensive line back and earned a hatthtrick of tries. Luke Hennessy’s (8St) straight running and fine leadership were again features of the performance. Perhaps the most impressive aspect of the match was Trinity’s defensive structure and determination to make tackles. As a result, Trinity kept the opposition scoreless for a second consecutive week, an admirable feat indeed. Wingers Reilly Large (8Hi) and Christyon Hayek (8Ke) played important roles in this achievement. The team’s focus this week will be continued emphasis on winning space beyond the ball in the ruck and keeping shape and structure in attack.

The Trinity U14Bs demonstrated plenty of character to fight back from a 10-19 deficit late in the second half to snatch a thrilling one-point victory, winning the game 20 – 19, with fleet-footed Alan Nader (8WJ) and replacement Ryan Hansen (8We) crossing over for crucial tries. The Greens led at the half (10-7) through a strong effort by Cooper Keys-Ahern (8Hi) as he burrowed over for a try and Oscar Groth’s (8Ke) improved kicking game.
The 14Cs continued their good form this week as they crafted a win over Knox 46-22. The boys were able to harness early momentum through our ability to remain physical at the breakdown. Our forwards’ eagerness to run the ball at pace, alongside our ability to effectively offload, allowed for our backline to capitalize on second phase play. Consequently, we took a lead of 22 points after only 10 minutes of play. However, a resilient Knox team fought back, and, by half time, had cut the deficit to just 5 points. After the break, it was the ability of forwards - Joshua Walker (8We), George Eggleton (9Du), Sam Gorman (8Hi) and skipper Ryan Hansen - to work effectively at the breakdown, which again allowed our backline the time and space to take advantage of a fatigued Knox team. Aidan Briscoe (8Du) and Thomas Griffin (8Yo) should also be commended on their eagerness and ability to make effective one on one tackles. These boys have learnt that at the backbone of every good team is a willingness to win individual battles on the field, work together and train effectively.

Saturday saw the 15Cs win their second game of the season 19-17. The game was a good contest against Knox, with all members of the team putting in their best effort. Knox had the better of the first half, being up 12-7 at the break, but a great try from Phillip Choi (9Fo) kept them in the match. There were a number of memorable tackles and line breaks, including two great runs from Cooper Young (9He). Eisa Tasipale (9Mu) also continued to trouble the opposition at the breakdown. Two tries in the second half from Joe Basta (9Ar) and Ethan Thomas (9He) brought the game to a draw with two minutes to go. Ned Hatton-Ward (9Sc) kept his nerve to slot the conversion for the winning points.

As a Rugby community we can be proud of the achievements of our coaches and players, especially the appointment of Mr Lachlan White and Mr Hugo Engele as coaches to the NSW U18 Schoolboy Team as Head coach and Assistant Coach, respectively.

We also applaud the selection of James Wayland (11He) and Jordan Morris (11Mu) to the NSW Junior Gold Cup team that played and won their Queensland equivalent at Ballymore last term, proudly winning the fixture.

Hosting rounds four and five against Cranbrook and Barker, provides the School community the benefit of home-ground advantage, so we call on the Trinity Rugby family to maintain the high levels of support and encouragement as we share the 2015 CAS journey.

Andrea Folli | MIC Rugby

The James Wilson Hogg Assembly Hall

TRINITY ARTS FESTIVAL  HOUSE SERVICE
ARCHER, KERRIGAN & WILLSON HOGG

The James Wilson Hogg Assembly Hall

on Sunday 31st May 2015 at 6.30pm
FOOTBALL

Trinity had a stern test of its footballing credentials for the season in Round 3 against Knox with 11 victories and 1 draw from the 28 fixtures against our fierce rivals.

The year 10A, 10C, 10D and 10E teams continued their fine starts to their CAS campaigns with back-to-back victories against Knox and along with the 1st XI, 9B, 9E, 8A, 8D and 8Fs remain on winning runs thus far in 2015.

There were several standout team performances away at Knox. These included a resounding 2-0 win for the 10As. Christian Lorenzato (10Fo), Jordan Kougias (10Ke) and Felix Keremeas (10Fo) dominated their Knox opponents. Anthony Ngyuen (10WJ) in the 10Cs scored four goals and assisted a 5th, in what was their second successive 7-0 victory of the season.

1ST XI REPORT
Trinity and Knox football teams have shared a competitive rivalry over the years and it was no surprise that Curugal Oval No. 1 was the scene of a game that will be remembered around dinner tables for many years to come.

Trinity absorbed early pressure and counter-punched with a goal twenty minutes into the first half. A pin-point corner from William Piras (11Sc) found a high jumping Captain in George Vagerakas (12Ho), who headed the ball into the back of the net to give Trinity a 1-0 lead. Just before half time, Knox equalised via a free kick. In the second half, Trinity won possession inside half way and winger Reece Sekulovski (11La) was able to play a one-two to get in behind the Knox defence. Dribbling in space down the left wing and towards goal, Sekulovski demonstrated calmness to shoot across the Goal Keeper and into the back of the net.

With approximately twenty minutes to go in the game and Trinity in the lead at 2-1, Trinity were reduced to ten men. Knox, in seeking an equaliser, sought often to get the ball into wide areas where they were looking to get crosses into the box. Trinity in response retreated a little and became more compact and rose where they were looking to get crosses into the box. Trinity had a stern test of its footballing credentials for the season in Round 3 against Knox with 11 victories and 1 draw from the 28 fixtures against our fierce rivals.

In injury time, some clever passing in midfield set James Doumanis (12Mu) up to play a threaded pass through the Knox defence for Don Li (12Sc) to run onto. Li calmly slotted away his shot between Goal Keeper and near post to give Trinity a 3-1 lead.

Knox are the reigning football premiers and it has been several years since the Trinity 1st XI has beaten Knox on their home turf. When the final whistle came six minutes into injury time, there was jubilation amongst the team and supporters, as Trinity had absorbed many an attacking raid from Knox, scored three fantastic goals and did so in trying conditions when down to ten men.

Luke Gray | Coach

2ND XI REPORT
The team started off maintaining discipline and negating anything Knox had to offer for much of the first half until some lax defending, firstly down our left, then right across our backline, saw a ball played into the path of our opposing Number 9 who took the chance offered. The team went to the break, down 1-0, but still very much in the contest. Some good interchange of passing early on demonstrated our intent, but unfortunately it didn’t continue. Knox scored a second goal late on to eventually defeat us 2-0. Work on passing and maintaining possession are focus areas for us as the team comes up against Cranbrook tomorrow.

Mark Anthony and Chris Robinson | Coaches

8As
An outstanding collective performance from the team took their win tally to three for the 2015 season with a 5-1 victory over Knox.

With the wind behind their backs, a good decision early in the first half by Dillon Srikumar (8WJ) to move the ball wide to an unmarked Owen Duke (8La), saw TGS go 1-0 up as Duke lobbed the Goal Keeper. The momentum continued and in the 8th minute, Samuel Hart (8Sc) scored a very similar goal to his round one effort. Samuel dribbled the ball to the by-line, cut in, beat a defender and unleashed a powerful shot to take the score to 2-0. In the 15th minute, Alex Williams drove a low shot from outside the box only to be denied by the Goal Keeper. In the 20th minute, Striker Marcus Karlsson (8He) demonstrated good ability to receive a ball on the edge of the Knox penalty area, turn and shoot low to take the score to 3-0.

In the second half, Harb assisted Benjamin Bruckner’s (8La) neat finish by cleverly overlapping, driving to the by-line and cutting back. Sam York (8Hi) then made it 5-0 by curling a corner straight into the goal. A late consolation goal for Knox finished the score line at 5-1.

The game involved a collective effort and it was pleasing to see individuals adapt to new positions, to take on tactical information at half time and implement. Special mention goes to Joshua Brereton (8Hi) who was very effective in relaying messages from the coach to the rest of his team throughout the match. Man of the Match belongs to Dillon Srikumar, who changed the match from 0-0 to 1-0 with his smart decision to pass wide to an unmarked attacker rather than shoot from outside the box.

Sam Jacob | Coach
8Bs
The 8Bs enjoyed their first win of the season against Knox on TGS Number 2. The start of the first half proved to be a tight contest with both teams struggling to get attempts on goal. As the half progressed, Trinity gradually became more dominant, playing some great passages of football and being more threatening towards goal. The second half started the same way as the first half finished, with Trinity playing great football, dominating possession and looking the better team. With fifteen minutes to go, a great volley from outside the box by Oliver Robinson (8Ta) gave Trinity the lead and proved to be the game-winning goal. Overall, the performance from Trinity was excellent, with the boys playing great football throughout the game. If the team keeps up this high level of football, Trinity will surely be the team to beat in the CAS competition.

James Combes | Coach

8Cs
Although we were defeated by Knox 1-0 last Saturday, the entire team should be commended on their effort and determination throughout the match. In particular, Austin Bonner-Smith (8Ar), continuously made strong runs threatening the Knox defence while Gregory Aravanis (8We), Nicholas Gardner (8He) and Lachlan Schreuder (8Ke) proved to be dominant in the midfield. In defence, Nicholas Tsiasos (8We) in particular along with the other backs, did very well shutting down the opposing attackers.

Steve Vazouras | Coach

8Ds
We continued on our winning start to the season with a convincing 3-1 win over Knox.

Mark Waters | Coach

8Es
The 8Es exhibited a strong defence this week and against a strong Knox team. Goalkeeper Jordan Gupta (8WJ) continually denied many skilfully taken shots including penalties. Ken Wang (8St) in defence and Kenneth Ong (8St) in midfield cleared the ball from our half in times of need. This pushed play onto midfield. In defence, Nicholas Tsiasos (8We) in particular along with the other backs, did very well shutting down the opposing attackers.

Erin Peters | Coach

The 8Fs continued their dominating performance against St. Aloysius last week with a 5-1 victory at home against Knox. Trinity controlled most of the match with some terrific passing and team play throughout the entire contest. Standout performances from Anthony Mai (8WJ), Alex Cameron (8WH) and Kevin Mathew (8He) capped off a terrific effort from the squad. Jonathan Karagiannis (8Hi) took home the match ball with a hat-trick and a man of the match performance.

Tim Gouganovski | Coach

CAS ROUND 3 TRINITY ‘TEAM OF THE WEEK’

| 11. Felix Kerameas 10As | 9. Dillon Srikumar 8As | Anthony Nguyen 10Cs |
| 10. Christian Lorenzato 10As |

| 6. Jonathan Karagiannis 8Fs |
| 5. Austin Bonner-Smith 8Cs |
| 4. Mohammad Khamis 7As |
| 3. George Vagerakas 1st XI |
| 2. Brendan Bechara 5th XI |

GK. William Clark 1st XI

A-League Grand Final serves up a smorgasbord of food, drink and three goals!
The A-League Grand Final Event certainly exceeded all expectations as those who braved the sunny, calm weather and came to the event last Sunday afternoon were provided with an abundance of food, soft drink and sporting theatre.

The spectators at Trinity received antipasto platters as a mere starter to the night along with unlimited speciality coffees, tea and cold drinks to accompany the food.

As soon as the National Anthem was completed and the match was about to get underway, boys raced outside to grab cups of hot chips and lollies to help quell their excitement of what was to come. Half time came and unfortunately, although Sydney FC did not ‘turn up’ on the night, disgruntled fans were instantly cheered up by the choice of freshly cooked-to-order Chicken Caesar ciabatta sandwiches or Scotch Fillet Steak sandwiches, both served with lashings of hot chips.

The second half came and went the same way as the first as Melbourne cruised to Victory! However, rather than dampen the spirits, the crowd were instead treated to enormous fruit platters and a multitude of different flavoured gelato ice-creams, that boys, mums and dads all tucked into with smiles all around.

The game ended and there was still time for the door prize competition with three winning prizes and the appropriately timed ‘Mexican Wave’!

As the trophy ceremony started on the big screen and the crowd began to drift away,there was time to fit in one last coffee for the trip back home and, indeed, why not! Special thanks to Mr Angelo Andreotta and his team for assisting with the culinary delights of the day.

Mark Anthony | 2nd XI Coach & Event Attendee

CAS SELECTION

Congratulation to the following who have been selected in the CAS Football Team: George Vagerakas, Johnny Dimopoulos (12Ta), William Clark, William Todd (10Ar) and Jordan Kery (10WJ). These boys will be participating in the NSW CIS Football Championships on Monday and Tuesday at Football NSW.

CAS Round 4 Vs Cranbrook
If you are playing at Dangar Oval tomorrow, please allow extra time for parking. Good luck to all teams in their games tomorrow.

Luke Gray | MIC Football
AFL 7/8

Counterattack. The Germans were masters of it in WWI. Muhammad Ali knew how to “rope-a-dope” and the mighty 2012 Premiership-winning Swans rode to glory on the back of a tactic called the Slingshot. Now, Trinity Grammar School’s 7/8 AFL team have begun to grasp just how powerful it can be to use your opponents’ momentum against them. All of our goals on the weekend started at kick ins from a Barker behind.

Hugh Casimir (8WH) was the starting point for the Trinity “turnaround” as he calmly gathered the ball and delivered a pin-point pass to Alec Mackenzie (8WJ) or Matthew Uglow (7He) whose safe hands were a key ingredient to our plans. Next stop involved a long kick to a challenging contest as Connor Murphy (8Ta) battled against a Barker “Behemoth” in his opposing ruckman, trying his best to bring the ball to ground so that our fleet of ground level ball-winners such as Ben Estell could escape with the ball and move it into our attacking half. The final touch in these movements was provided by our goal kickers Finn Murphy (7Ta), Asher Linkous (7Yo) and Ethan Brouw (7Ta), who were all grateful recipients of the hard work done by our defenders and mid-fielders.

Despite our efforts, Barker were just too good. I am pleased to see the improvement of players like Alec Mackenzie and Jonathan Titmarsh (7Du), who are both showing significant improvement in their attack on the ball and their desire around the contest.

Christopher Barnes

9/10 AFL REPORT

Trinity v Waverley 16 May 2015

…If you can meet with triumph and disaster
And treat these two imposters just the same…
If you can fill the unforgiving minute
With sixty seconds’ worth of distance run…
Rudyard Kipling

Playing Waverley usually guarantees a physical and fast-paced encounter and we were not disappointed in our Round 3 match. Waverley possessed some genuine class in the midfield and forward line, but they needed to borrow three of our players to field a full team on the day. One of our exports, Mackenzie Gavus (9Hi) received a curious welcome by a Waverley ‘team-mate’ and Sam Austin (10Hi) almost kicked his first AFL goal in his surrogate role. Incidental aside, we got the jump on Waverley, scoring seven goals to two in the first quarter, with Finn Ritchie (9Ke) claiming our first of the game.

The middle two terms saw us make good use of our possession through accurate foot-passing and strong marking. Austin Waugh (10St) impressed even the casual observer with his delivery to our forwards from both boots and Andrew Stelzer (10St) demonstrated that only one hand is required to pull down a contested mark.

Our boys are developing a welcome versatility in playing around the ground and Aniket Sharma (9Ta) showed just how dangerous playing off the bench can be to a tiring opposition, kicking three goals in roughly half a game.

There was much to celebrate at the final siren. Fifty five marks were taken by fifteen players, and twenty two goals were kicked by twelve: each statistic represents a team record.

Nevertheless, there remains much work to be done to play the sort of football we are capable of. The less glamourous, but essential activities of tackling, shepherding, marking opponents, and cutting off opposition space are some. The standard of football we seek to play requires accountability and a willingness to focus on the essentials, regardless of the score.

Goal scorers:

Hooper 6, Zac Cameron (10WH) and Aniket Sharma 3, Blake Byrne (9WH) 2, and one each to Jed Keogh (10Ar), Finn Ritchie (9Ke), Andrew Stelzer, Brad Uglow (9He), Austin Waugh, Sebastian Díaz (9Ta), Jack Pullinger (9Ho) and Nathaniel Davies (9Ke).

Best on ground for Trinity:

Cameron, Stelzer, Byrne, Hooper, Uglow, Keogh.

Trinity defeated Waverley 22.11.143 to 7.8.50

Andrew Pierce

CROSS COUNTRY

WAVERLEY INVITATION, 16/5/2015 CENTENNIAL PARK

The 2015 Cross Country Season got underway last Saturday on Ash Paddock, Centennial Park. The Trinity Cross Country fraternity certainly weren’t smouldering, they were on fire, leaving much of the opposition in cinders!

I do believe there is going to be a word that is on our lips frequently this season-- DEPTH! We went deep into the 14s and 16s age groups with fine performances that will only get bolstered when we are joined by more of those fine and committed young Trinity men who rock up for two sporting commitments each Saturday.

The Trinity 14s Age Group Team is insanely good and I so look forward to the competition that is going to exist throughout the season to be part of the ‘top four’ that comprise the Trinity Team each Saturday. To those unsure how that works, the first four runners from each school have their finishing positions added, with the lowest cumulative total taking the honours each week. Our Trinity Team in the 14s age group last week comprised Benjamin Bishop (8Hi), Ethan Brouw (7Ta), Logan Kaye (8Ho) and Thomas Spratt (8Mu). Benjamin ran very well to place a fine second behind a super athlete Angus Beer from Newington. However, he wasn’t far adrift and no doubt will keep Angus honest throughout the season. Ethan was only one place behind in a superb 3rd, especially considering he is giving up a year to many of the boys. Logan fought valiantly to place 9th, twisting his ankle during the race and Thomas had his best finish yet in 10th to complete our team. Their combined total of 24pts was a massive 17pts ahead of Newington on 41pts in second. However, these four will be kept honest as there are plenty of Trinity lads nipping at their heels. Tyson Street (9WJ) was only on place behind Thomas in 11th and incredibly, William Cooper (6La) from our Junior School finished 14th and Theo Christian (6He), also from the Junior School, missed the 14s race, but hopped into the 16s event and finished a super 33rd! Louis Banning-Taylor (8La) ran well to place 24th and Ethan Bateman (7WJ) also rocked up for a run to place 34th, apparently the exertion having little effect on the fine impact he had on the field for the 13As Rugby side that dismantled Knox later in the day!

The Trinity 16s Team, comprising Jonno Batson (9WH), Nathaniel Davies (9Ke), Pericles Telemachou (10Ho) and Nakul Kaushik (10Mu) who ended up with a fine Team result of 3rd. Jonno went to lead early in the race, possibly paying the price for his early enthusiasm and faded to 8th. However, I would much prefer boys to have a crack rather than to ponder want could have been! I have no doubt he can regularly finish in the top five as the season progresses. Nathaniel ran very well to place 14th and possibly the biggest improver so far this season, Pericles, was only two places behind in 16th. It is sensational to see Peri backing himself and running so well. I expect he is
going to improve even more throughout the season and I can’t wait to witness it! Nakul will also improve on his commendable 25th place. He raced off to his Tennis match straight after his race, unlike Kash Powell (9Ar) who raced to Cross Country from his Football match in the Green and White. Needless to say, he was a little tired but still managed to place 32nd! Have I mentioned how much I love the commitment of these blokes?!

Oliver Hoare (12St), our newly-appointed Captain led the Opens event ‘from go to whoa’, and claimed his first victory for the season. It is no wonder that he is one of the Pin-Up boys down in the Shire with a smile such as the one he sent towards me (and the camera) in the finish shute! Jordan Martenstyn (12Hi) looked comfortable and in control as he placed a solid 23rd. William Jeffree (11Ho) was 50th and that stalwart of Trinity Cross Country, Andrew Lin (12WH), completed the team in 73rd all combining for a solid first Team result for the season in 6th.

If you look carefully through our teams last Saturday, they comprised 12 athletes across three age groups. Of those 12, 6 competed in another Winter Sport for Trinity on the day! It is that kind of support and commitment that is unique to Trinity that makes all of us that have been around for a few years so proud of our boys.

Look out! Sydney Park’s hills are on the forecast for tomorrow!

Mr Woods’ Harriers of the Week: Thomas Spratt, Pericles Telemachou and Oliver Hoare.

Good running,

Michael Spratt | MIC

TRINITY DEFEATED KNOX 3-0 (25-5, 25-6, 25-12)

From the first minute of the game it was evident that Trinity was the dominant side, but complacency was not an option! Peter Braga (10Du) came out firing and singlehandedly claimed the first four points, which built confidence within the team. Consistent play all round was enough to secure the first set with relative ease, though mistakes some mistakes were still made. The second and third sets were used to trial players in new positions. Players such as Lewis Jupp (11WH) and Jarryd Fernandes (11La) were keen to face this challenge, and dominated in attack against a limited Knox block. Halfway through the second set, Michael Amin (11WJ) showed how much he has improved lately by being effective in attack and defence. Special mention goes to David Jeavons (12Ta) for impressing the crowd with his appearance in the front court. Next week the team will face off against Cranbrook, a new contender for the CAS/GPS title.

TRINITY DEFEATED KNOX 3-0 (25-14, 25-12, 25-16)

It was a week to focus on our own playing. After the long drive up to Knox it was clear that we would be successful this week. Congratulations to Knox as they were obviously less experienced than we were on the court, but never gave up. Today showed how far we’d come in relation to serving. Special mention to Shawki Al-Assadi (12We), who took us home with 8 serves in a row. The front court did a magnificent job of deflecting whatever came our way, especially towering types such as Jacob Elmasry (11He), Matthew Rorie (10Fo) and Andrew Berg (12Fo)! There was great setting and playmaking by Ben Wheen (10Fo), who is seeming to take quite a liking to the sport, being constantly seen practising his sets and digs at lunchtime. Next week we face St Aloysius again, hoping to improve on our good score from when we last played them.

Hugo Miller (11Yo) | 2nd VI Captain

TRINITY DEFEATED ST IGNATIUS RIVERVIEW 2-1 (17-21, 21-10, 21-12)

Last weekend the young men of the 3rd VI Volleyball team faced off against St Ignatius’ College in a match that would be the first of its kind in Trinity’s long, proud history. Not only was there pressure from the magnitude of this match, but also from playing away from the safety of Trinity’s home ground. The first round was especially tense for our young men. We had yet to find our rhythm as a team and new substitution rules added to tension, unsurprisingly leading Trinity to lose the first set 21-17. However, as the young men stepped onto the court for the second set there was a noticeable change in gear, with the men barely conceding a serve. Winning almost 10 service points consecutively, led to the opposition calling a tactical time-out to slow the pace of the game. This did nothing to stop the fired-up Trinity team, who finished the set 21-10 in the lead. The momentum was clearly in Trinity’s favour, after the near perfect 2nd set and it was no surprise to see Trinity finish the 3rd and final set 21-12. Special mention goes to Adam Hoteit (11La) for outstanding blocking which disrupted the opposition profusely. Iwan Daniels (11St) proved the most dominant force at the net, winning spike after spike to lead the team to victory. Those points could not have been won, however, without the work of the libero, Jonah Newman (10WJ), or the setter of the match, William Barraclough (10Sc). While these were the standouts, every Trinity boy deserves commendation for his performance and behavior in representing the School in such an honorable and humble manner.

Adam Scott | 3rd VI Captain
Round 3 of the CAS Tennis competition commenced last weekend in wet and damp conditions at various venues across Sydney. The opposition for the fixture were traditional Tennis heavy weights Knox College, who are renowned for their heavy hitting and fitting spirit. It was, however, with mutual respect that both teams warmed up for the 1st IV encounter at the Knox Junior School in Wahroonga. This was a top of the ladder clash between the two leading teams and a season-defining match for the boys from Trinity Grammar. It was to be Trinity’s day with our boys registering a resounding 6 set to 2 victory, maintaining their top of the table standing. Standouts on the day were Dario Kmet (8Ke) and Johnathon Nicolaou (11Du) who were able to win their doubles in straight sets. Dario also excelled in his singles, playing a high percentage brand of tennis which denied his quality opponent any foothold on the match. This win was a good illustration of just how valuable a player he is for the team. Mathew Nedanovski (8Fo) also continued on his winning way in the singles, playing an uncompromised set of power Tennis characterised by good footwork and serving. The beauty of this team is the ‘one in all in’ attitude displayed by all team members who respect and value each other’s contributions, always playing for the team and not themselves.

The 2nd IV were not as successful as their higher ranked counterparts, losing after failing to execute the more important points, particularly in the doubles. As per the CAS regulations, the final match of this fixture had to be abandoned due to the lack of time.

Jeremy Dykgraaff | MIC Tennis

3RD AND 4TH REPORT

The 3rds registered another brilliant performance last Saturday against Knox. Two comfortable doubles wins were followed by Brendon Bechara’s (Ho) master class at No.1 – his 6-0 win was just superb. Kieran Chu (We) was equally convincing at No.2, and it was his turn to produce the shot of the round: an exquisitely timed forehand volley, which ended a fabulous point. Raymond Wang (Yo) and Matthew Chan (We) also played at their usual Olympian standard. While the 4ths lost on games with the sets tied at 3-3, they did play at a very high standard. Ed Dong (Ke) overcame a 0-3 deficit to win handsomely in the end 6-3, Alexander Thomas (Hi) coped with some real pressure to squeeze out a 7-6 victory. Victor Wu (Mu) at No.4 played with great fluency and thrilling aggression to pummel his opponent into submission. His single-handed backhand was at its dominant best!

It is a pleasure to see these young men playing not just magnificent tennis, but also setting impeccable standards of sportsmanship.

Ashley Lucas | Coach

8A AND 8B REPORT

The 8As and 8Bs faced a very tough Knox opposition last weekend, but showed great determination to come away with the win. In the 8As, the quality of both doubles matches were excellent. In the number one doubles pairing, Jason Wu (Ho) and Edward Lai (St) showed perseverance to outlast their opponents 6-4. Unfortunately in the other doubles fixture, Aidan Tharmarajah (WH) and Justin Sleiman (Ta) were unsuccessful in a tough encounter. To their credit, all the boys displayed their confident stroke play during their singles fixtures, winning them all. Special mention must be made to Jason Wu, who trailed 5-2 but played with patience to eventually prevail 7-5. In the 8Bs, the highlight of the day was the number one doubles fixture. Alexander Valiotos (Yo) and Oscar Jones (La) combined well to outplay and outlast their tough opponents, eventually winning 7-6 in a nail-bitting tiebreaker. Alexander must also be applauded

Overall winning rate: 45% 9 wins 11 losses
for comfortably winning his singles match 6-0. It was great to see the boys put up a strong display of tennis against one of the tougher sides in the competition, and they should be commended for an undefeated start to the season.

Arnanth Srikanth

7A AND 7B REPORT

It was a very tough weekend for the year 7A/B tennis teams, losing to Knox 0-6 in the As and 1-5 in the Bs.

Despite losing 6 sets to 0, the year 7A team played very well against tough opponents. Andrew Peng (7He) played a great game although losing 4-6 he put up a great fight.

In the Bs a great effort was shown by all boys in both there singles and doubles matches. Big congratulations must be extended to David Kim (7WH) for winning his singles match 6-2.

The score line does not reflect how well the boys played and their efforts are to be commended. All encounters were tough matches against strong opponents with all games being played in great spirits.

Danielle Calvi | Coach

Trinity Grammar School
Sports Physiotherapy Clinic

The Trinity Grammar Sports Physiotherapy Clinic, is now operating in the rooms below the Pastoral Care Centre. It is open Mondays and Wednesdays 7.00am-10.30am and is run by Mr Tom Lombardo (‘01), an Old Boy of the School. Having worked extensively with elite and professional athletes at the highest levels, Tom has a particular interest and expertise in the highly specialised area of adolescent sporting injury diagnosis and management.

With established links to an extensive network of quality sports medicine physicians and by placing a strong emphasis on specialist injury prevention, treatment and rehabilitation, the TGS Sports Physiotherapy clinic will ensure reliable and timely assessment and management of your son’s injuries within the confines of the school grounds.

Consultations at the clinic are for Trinity students only and can be booked online (the link can be accessed from the School’s home web page; www.trinity.nsw.edu.au). The clinic will offer competitive rates and allow for private health insurance rebates. The cost of the initial consultation of a new injury is $78 and any subsequent consultations will be charged at $68 per service.
MATHMATICS CLUB MATTERS

MATHMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin IV from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Konny Lee (8Yo) and Oscar Chaffey (10Fo) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was Alice was five years older than Terry is now. The four-digit number for the Senior School Problem is 1,349.

Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

THIS WEEK’S PROBLEM FOR BULLETIN V:

1. Years 7-9: Middle School Problem
due on Monday 25 May 2015

The diagram below is the beginning of a “magic square” in which all rows and columns and both diagonals add up to 34. Can you fill the rest of the numbers?

<table>
<thead>
<tr>

</tbody>
</table>

2. Years 10-12: Senior School Problem
due on Monday 25 May 2015

If the length of rectangle is increased by 25 percent and its width is decreased by 25 percent, what is the percentage of change in its area? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.15PM) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES

CALL FOR STUDENT PAPERS

The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit_mathms.html as a formal publication.

Aims Of This New Initiative:

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquiries to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Dr Frederick Osman | MIC Mathematics Club

www.trinity.nsw.edu.au

Head Master’s Bulletin | 22 May 2015
The HSC and Careers Expo 2015
> Thursday 28 May and Friday 29 May, 9am-3pm
> Saturday 31 June and Sunday 1, 10am-3pm

Royal Hall of Industries, Moore Park, Sydney
Cost: $10 or $25 for families of 3 or more (children 14 and under free) and is valid for all 4 days of the Expo. Admission includes all seminars.

The HSC and Careers Expo is an important event for Years 10, 11 and 12 students, their parents, featuring over 140 exhibitors with HSC resources, tertiary courses and career information. The seminar programme features 100 presentations on HSC subjects, tertiary courses, career and study advice. In 2014, The Expo attracted over 16,500 visitors. Some complimentary tickets can be obtained from Dr Osman.

Western Sydney Careers Expo 2015
> Thursday 18 May and Friday 19 June, 9am-3pm
> Saturday 20 June and Sunday 21 June, 10am-3pm

Halls 5 and 6 Sydney Showground, Sydney Olympic Park
Cost: $10 or $25 for families of 3 or more (children 14 and under free) and is valid for all 4 days of the Expo. Admission includes all seminars.

The Western Sydney Careers Expo brings together over 140 exhibitors providing information on tertiary and training courses, career and employment opportunities, HSC subjects, study skills and gap year programs. Exhibitors include Australia’s major universities. The Expo also features 100 seminars on HSC subjects including English and Maths, tertiary courses, career, employment and study advice. Some complimentary tickets can be obtained from Dr Osman.

St Andrews’s College Sydney University
Scholarships and Bursaries: St Andrew’s College is again reaching out to schools to advise that up to $1 million is available in scholarships, bursaries and prizes for students for 2016. Students considering tertiary study in Sydney should be aware of these opportunities. Scholarships are awarded on merit and require students to submit an application admitting five new students each year with Scholarships $25,000 per year for the length of the undergraduate degree whilst in College. Applications are now open for the 2016 St Andrew’s Scholars intake. Further details can be found from the website www.standrewscollege.edu.au/current-students/scholarships-and-prizes/

The University of Sydney:
Kickstart in the School Holidays
> Biology: Tue 30th June,
> Chemistry: Wed 1st July
> Physics: Mon 29th June

The kickstart programme will be offered at the University of Sydney Camperdown campus in the June school holidays. Each module will be available at a cost of $29.70.

The University of Sydney:
Bachelor of Science (Advanced) and Doctor of Dental Medicine
In the new Bachelor of Science (Advanced) and Doctor of Dental Medicine, students spend the first three years studying advanced science courses of their choice, followed by the four year Doctor of Dental Medicine which qualifies graduates to practice as a dentist. http://sydney.edu.au/courses/bachelor-of-science-advanced-and-doctor-of-dental-medicine

HSC Science Exam Preparation

> Thu 16th July – Sat 18th July, The University of Sydney, Camperdown Campus

Highly qualified science teachers will deliver workshops providing students with hints and strategies that will enable them to improve their HSC performance.

Full-day sessions will be held on each HSC Science subject.
Cost: $40 per day
Contact: +61 2 9763 2751 or office@stansw.asn.au

New Career Ready Programme for Arts & Social Sciences Students
A new programme which offers paid work placements with some of Australia’s more reputable organizations including the Westpac Group. The programme aims to provide students with the skills and experience they need to get the edge in a highly competitive marketplace. http://sydney.edu.au/arts/careers/index.shtml

Charles Sturt University
New Bachelor of Technology and Master of Engineering (Civil Systems): The new five and a half year Bachelor of Technology and Master of Engineering combines undergraduate and postgraduate study with industry experience. Students will spend the first 18 months of the programme studying on campus at CSU Bathurst, and then undertake four one-year paid industry placements while completing their studies online. The programme will be available from 2016. Website: http://news.csu.edu.au/latest-news/charles-sturt-university/csu-engineers-a-new-type-of-graduate

University of Technology Sydney (UTS)
Bachelor of Information Technology Co-operative Scholarship Programme: The Bachelor of Information Technology Co-operative Scholarship Programme provides students with $15,500 per year for study, and two six month fulltime industry placements with sponsor organisations. There are two rounds of applications in 2015 for the 2016 intake. Round 1 Applications open on Tuesday 14th April. Website: http://www.uts.edu.au/future-students/find-a-course/courses/c10143/howto-apply

Please be advised that Round 1 applications for the UTS Bachelor of Information Technology (BIT) Co-operative Scholarships Programme at UTS are now open and close 19th June 2015. Round 2 applications will open in August and will close 30 September 2015.

Benefits of this outstanding programme
> Scholarship valued at around $46,500 over 3 years
> Track record of 100% employment rate for graduates
> Two six-month full-time industry placements with sponsor organisations
> A fast track IT course with a business and leadership focus
> A prestigious course renowned within the IT industry for producing top quality graduates with business-ready skills

For further details on advice regarding applications and interview process from the BIT scholars through website www.uts.edu.au/BIT-applying and Facebook page facebook.com/UTS.BIT

UTS IT and Engineering Undergraduate Information Evening
If you are thinking of applying for IT and Engineering, I would encourage you all to attend the information evening on Wednesday 10 June at 5:30PM. Details and registration form can be found on the website pages www.it.uts.edu.au and www.Eng.uts.edu.au

UTS: Galuwa Engineering and IT Experience
Mon 29th June – Fri 3rd July, University of Technology, Building
<table>
<thead>
<tr>
<th>Event Description: The UNSW Faculties of Engineering and Science invite Year 11 and 12 students and their parents to attend an information evening on 11 June 2015. Following the presentation there will be an opportunity to speak with our current students and academic staff over refreshments. For more information and registration, visit <a href="http://www.science.unsw.edu.au/events/engineering-and-science-student-parent-info-night">http://www.science.unsw.edu.au/events/engineering-and-science-student-parent-info-night</a></th>
</tr>
</thead>
</table>
| **Australian Catholic University (ACU)**

**New Undergraduate Double Degrees**: ACU Health Sciences is introducing a number of new double degrees in 2016:
- Bachelor of Teaching/Bachelor of Exercise Science (Brisbane, Canberra, Melbourne, Strathfield)
- Bachelor of Laws/Bachelor of Biomedical Science (Melbourne, North Sydney)
- Bachelor of Biomedical Science/Bachelor of Business Administration (Brisbane, Melbourne, North Sydney)
- Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield).

**ACU Elite Athlete Programme**

ACU’s Elite Athlete Programme has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU.

<td><strong>Australian Catholic University: HSC Enrichment Day</strong></td>
</tr>
</tbody>
</table>
| North Sydney – Business Studies and Legal Studies: Thu 9th July
| Strathfield – Economics and English: Thu 2nd July

Listen to lectures from university academics and get practical HSC advice. Attendees may attend as many sessions as they like. [http://www.acu.edu.au/study_at_acu/courses/applying_to_acu/experience_uni_before_you_start/hsc_enrichment_day](http://www.acu.edu.au/study_at_acu/courses/applying_to_acu/experience_uni_before_you_start/hsc_enrichment_day)

<table>
<thead>
<tr>
<th><strong>Australian Defence Force Academy (ADFA)</strong></th>
</tr>
</thead>
</table>
| Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC.

An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.

---

**The Trinity Ball is happening again in 2015!**

**Tables** | 10 people per table
**RSVP** | By Friday 29th May 2015 | [Click here to RSVP now](http://www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_program#1)
**Dress** | Black Tie or Lounge Suit

We look forward to seeing you there!

Trinity Parents & Friends Association
Martin College

New Courses: The College is introducing a Diploma of Human Resources Management which involves planning workforce activities, using performance management systems, and recruitment processes. In addition, there is a Diploma of Project Management in which students learn how to create, guide and monitor the progress of a task or project. Finally, the bridging programme for Graphic Design Online will prepare students for diploma level studies with courses in Adobe Creative Suite: Illustrator, Photoshop InDesign and Pre-press. Website: http://www.martin.edu.au/courses/

MedEntry UMAT

Preparation: MedEntry is an internationally trusted educational institution providing UMAT preparation in Australia, New Zealand and Ireland. MedEntry is the only provider which is a Registered Training Organisation and which offers a Government Accredited UMAT course. The UMAT test is a prerequisite for entry into most health science courses such as medicine. Students interested in pursuing medicine and other health courses need to sit the UMAT on 29 July 2015. MedEntry is a government accredited Registered Training Organisation specialising in UMAT preparation. For more information, please visit www.MedEntry.edu.au

MedStart: Free ‘Secrets of Getting into Medicine’ Seminar

Find out what it takes to become a Doctor and how to gain entry into the medical school and profession of your choice. Learn what you need to do now to ensure success down the track from Dilshan Seneveratna, a 99.95 scoring, 100th UMAT percentile medical student. We'll explain and demonstrate what the UMAT is, how it's structured and what to expect when you sit for the exam. We'll also show you what to expect by taking you through a number of UMAT sample questions.
Address of Seminar: Level 3, 12 Butler Road, Hurstville
Time: 4:15pm-5:30pm
Date: Saturday 23rd May 2015
Registrations for this event can be made by calling 1300 998 628 or emailing info@medstart.com.au or by visiting medstart.com.au

Rustic Pathways: Schoolies’ Alternative
Rustic Pathways provides cultural and adventure travel programmes for high school students, school leavers and Gap year students. Their travel options include group journeys, Gap year travel and alternative schoolies’ week.

Dr Frederick Osman | Director of Vocational Education and RTO Manager (Careers Education)
Timely Reflections...  By Mr Ron Ogier (1966 – 1994) and (1997 – present)

Continuing the past, living the present, making the future!

Another big event this week in the Senior School was the taking of the House Photographs. Perhaps more than any other single thing, this occasion is the laying of another stone in the archival wall of the School. It is in the House photo that each lad may lay claim to his being a physical member of the School, and it is not beyond the bounds of possibility that many years hence, even unto the bi-Centenary of the School, and beyond, that evidence will still be there! In many cases, there are sons and even grandsons of Old Boys in the various photos taken last Monday, and this adds even more substance to the history of the School. Just as each House photo is composed of many boys, so the whole School is also, for though each of us is an individual, we are all part of the greater whole, Trinity Grammar School, and we add our contribution to its existence. Look around you as you go about the day, and see the various photos of teams, in the Gym, honour boards in various places and the sporting lists on the windows along the Common Room to see something of our heritage, to which you will be added! There are many hundreds of images in the Archives, too many to show here, but all testify to your being part of Trinity! The accompanying photos show some earlier images of today’s Middle and Senior School fellows. See if you are in one of the photos published here. If you can find yourself, bring the evidence to Mr Ogier for a small prize.

Ron Ogier
