FROM THE HEAD MASTER

Mrs Cujes and I have returned to Summer Hill this week following an enjoyable and refreshing period of leave, much of which was spent with family, interstate, further developing our “credentials” as proud grandparents. We are both very grateful, not only for the School Council’s gracious approval to take leave, but also to the Senior Staff who shouldered additional responsibilities in our absence. In particular, I wish to record my appreciation to Mr Peter Green, Mr Craig Sandwell and Mr Stephen Heanly, who took on different portfolios in covering my absence and clearly did a magnificent job these past few weeks.

We are now well and truly into the more challenging half of the term and returning somewhat with fresh eyes I can readily discern the wonderful commitment of our boys and staff as they are both challenged and inspired by the holistic energetic life we have here at Trinity. There have been some notable highlights this week (as indeed we tend to have every week!)

> Run Rabbit Run. This wonderful production, under the direction of Mr Brendan Duhigg, has been well received and a measure of the quality of the performance was further underlined when on Thursday we added a matinee performance at the request of the South Sydney CEO and President for members of their administrative and coaching staff. I interacted with our visitors at intermission and they were most keen to impress upon me how much they enjoyed the performance.

> 2015 NSW Da Vinci Decathlon Competition. Once again, Trinity has performed remarkably in this challenge of intellect which sees Selective High Schools, State schools and Independent Schools coming together competing across a range of tasks which aims to see how well students can actually apply the knowledge they acquire at School and how well they can work in a competitive team environment (adjusting to conflicting egos). Further details are contained in this Bulletin, but worthy of particular commendation in the various competitions we have:

- Year 7: 2nd Overall; 1st Code Breaking; 2nd English; 3rd Mathematics
- Year 8: 2nd General Knowledge
- Year 9: 2nd General Knowledge; 2nd Science
- Year 5: 1st Science (JS)
- Year 6: 1st Overall (Prep); 1st English (Prep); 1st Science (JS); 1st Art & Poetry (Prep); 2nd Science (Prep); 2nd Cartography (Prep); 3rd English (JS)

> Trinity Arts Festival. Apart from our dramatic production, it has been a pleasure to enjoy a number of musical highlights this week as part of the Festival

- Kindy Proms in Assembly Hall
- Junior School Strings in Orchestra Room
- Lunchtime Concert: Rob Edwards (singer from “The Voice”)
- Student Bands at lunchtime
- Year 7 and 8 have enjoyed their Art Workshop days.
FROM THE ENGLISH DEPARTMENT

The English Department's teachers have been working hard on creating a fresh balance of traditional and innovative text choices, classroom activities and assessment tasks. Boys in Years 7 to 10 and in the HSC Preliminary course are now exploring more topics each year than previously, and responding to a noticeable diversity of works by poets, novelists, playwrights, filmmakers and graphic artists from around the world. In Year 7, students met the characters and plots of Shakespeare via the stories in lan Seraillier's classic book The Enchanted Island, and wrote interpretively from the perspective of a Shakespearean figure of their choice. They have also experimented with the hilarious short revue scripts of absurdist playwright Harold Pinter, and are now exploring a collection of poetic ballads from an array of past times and places. Soon they will be delving deep into the TARDIS-like world of graphic novels.

In Year 8, a study of power and powerlessness focusing upon John Steinbeck's short masterpiece Of Mice and Men was followed by an in-depth look at the author master of filmic suspense, Alfred Hitchcock. More recently the course has turned to works of science fiction and speculative fiction. Meanwhile, our Year 9 boys were challenged to connect their English studies to real events in their contemporary world, discovering significant documentary films and then choosing their own important twenty-first-century social issue for a self-directed research project and personal multimedia presentation. It was exciting to see so many students engaged by this unusual task: they responded very well to the unusual freedom it afforded, including the opportunity to express themselves creatively and thoughtfully on topics that are too often sidestepped by conservative academic curricula. This endeavour also included individual reflection upon what was learned and how specific challenges were approached and overcome.

One highlight for Year 10 this year was the opportunity for each boy to select a film director whose work appealed to him and to join for several weeks a temporary class led by a teacher with them in the passenger seat and are not permitted to go to the boot of the vehicle. The boot may be accessed by an assisting adult

Drivers are not permitted to wait in the Drop off and Pick up zone or drive through marked car park spaces/rows - if students are not ready to be picked up parents must drive around again or park in a designated parking space and wait for students.

Another significant programme this year has been the six-month, fortnightly roster of special talks for Year 7 and 8 students on the discipline of writing. We have looked at some of what matters in creative, persuasive and analytical writing, and have required all students to write in silence – with a pen! – rapidly and without delay or pause. Still, concentration and self-belief of this kind, for uninterrupted spells, can be surprisingly hard to find in a busy school day full of diverse learning, but can be an empowering experience. From such modest beginnings, Trinity students, as they progress, will be encouraged to see the craft of writing as crucial to much of what they learn at school. The precise and succinct articulation of insights in words constitutes not only good examination technique for language-bound subjects but also a major life skill. Our writing shapes how we think, and thereby how we express and understand our very selves. That writing is a discipline that can be actively and specifically practised, with clear objectives and graduated models, is a key value of this department. We therefore want all English students to learn in particular the art of responding to texts in writing – not merely by recording for their markers a summary of what they think they have learned, but by actively teaching their markers, through lucid prose, the nuanced ideas explored in works of the creative arts. A student who can explicate such ideas by showing a text's crafted expression will become an adult always ready to be nourished intellectually and psychologically by culture. The journey begins properly in Year 7, but extends indefinitely.

Brenton Boswell | Dean of English
2015 NSW DA VINCI DECATHLON COMPETITION

Inspired by one of the world’s greatest thinkers, Leonardo da Vinci, the Decathlon is an academic competition designed to challenge and stimulate the minds of students. Students compete in teams of eight across 10 disciplines: Mathematics and Chess; English; Science; Code Breaking; Engineering Challenge; Philosophy; Creative Producers; Art and Poetry; Cartography and General Knowledge. This competition is very much a team challenge, not an individual pursuit. Trinity was represented by the following teams:

OVERVIEW OF RESULTS

YEAR 7: 2nd place in overall placement, 1st place in Code Breaking, 2nd place in English, 3rd place in Mathematics.

YEAR 8: 2nd place in General Knowledge.

YEAR 9: 2nd place in General Knowledge and 2nd place in Science.

Over the two days our students demonstrated:

> collaboration and maturity through collegial team work
> flexible thinking when tasks didn’t work out the way they had initially predicted
> resilience when working through adversity and differences of opinions
> respect for each other and for those they came in contact with throughout the day
> positive energy and enthusiasm of learning
> maturity and good sportsmanship

The competition was one where intelligent minds came together to develop, create, question and extend each other while constantly negotiating tight deadlines and demands. We are very proud of the boys and the way they focused on the process and embraced the opportunity with maturity and good sportsmanship.

I am sure you will join with us to congratulate all of the Trinity students who were part of the da Vinci Decathlon.

Lisa Gossling, Francene Bryce and Michelle Davidson
Trinity Grammar School | Home Game Information

TRINITY 1ST XV AND 1ST XI VS BARKER AT TRINITY on Saturday 30th May 2015

Compulsory Attendance for boys in Years 8, 9 and 11 to attend the First XI Football game starting at 10:00am OR the First XV Rugby game starting at 3:00pm.

Students will be informed in the week prior as to which home games they are expected to attend. This will be dependent upon the students own sporting fixture.

School Officers and House Captains are to attend EITHER the First XI Football game OR the First XV Rugby game. Rolls will be marked at each game. Boys MUST wear their full winter uniform. If it is raining on the day please ring the wet weather number (1300 788 477) for details regarding these fixtures. This message is updated throughout the day.

Parent/Visitors seating arrangements: During the 1st XI football game parents and visitors are encouraged to bring their own seating and sit on the Eastern side of No 2 Oval. During the 1st XV Rugby game parents and visitors are expected to sit on the Western side of No 1 Oval. There will be NO access to the Eastern side of the field. This area is reserved for teams warming up.

At the conclusion of the games parents are encouraged to meet their sons in the School car park, entry via Victoria St.

Advanced Notice
Compulsory Home games are also on 18/7/15 and the 8/8/2015 (See the school record book for more details.)

STUDENT UNIFORM WHEN WATCHING SATURDAY SPORT FIXTURES

Compulsory Home Games

> Students watching 1st XV or 1st XI games, irrespective of whether the game is compulsory for their particular Year group, are required to wear FULL SCHOOL UNIFORM.

> Students are not permitted to wear their Trinity tracksuit, or any other item other than their full School uniform.

Away Games and Non-Compulsory Home Games
Students watching 1st XV and 1st XI Away games, or any other home game, and they are not acting as a reserve, have two options:

> Wear their full School uniform
> Wear their full Trinity tracksuit over their sports uniform, with enclosed sports shoes. If the weather is hot, the Head Master may approve that tracksuits do not have to be worn. Boys will be informed of this at the venue on the day.

Note: Students who are not in the correct uniform will be required to report to the relevant Deputy Master at 8:00am the following Monday morning. If boys wear casual clothing, their parents will be contacted so that the boys’ parents can arrange transport home for them, as they will not be allowed to stay to watch the games.

Bradley Wirth | Director of Campus Administration
The new 2015/2016 Entertainment Memberships are available now and packed with thousands of up to 50% off and 2-for-1 offers. For just $70, you’ll receive over $20,000 worth of valuable offers! Plus, from every Entertainment Membership we sell, $14 goes towards our fundraising!

Book orders can now be collected at Founders, Junior School and Preparatory School Receptions.

Congratulations to the TSAT awardees, please refer to article in last week’s bulletin.

Without doubt, the Trinity Science Expo on May 27 provided loads of entertaining and interesting information. A sizable crowd of boys and parents thronged into the new Library, which proved a perfect place for such an event. Its spaciousness accommodated a great variety of student displays, as well as space for a stimulating lecture by Prof. David James from the Charles Perkins Centre at the University of Sydney. He is a world leader in the study of insulin and glucose metabolism, with important implications for the growing obesity and diabetes epidemics in Australia. It was a great pleasure to have such a distinguished and respected scientist visiting Trinity.

Student displays ranged from balloons flying on wires (completely organised by James Field, Year 9) to Mr. Vaccarella’s menagerie of animals, to Mr. Tonk’s miniature thunderstorm in a jar, to Ms. Peter’s static electricity demonstrations. Jim Cook, head of Innovation at the University of Sydney, brought his virtual world simulator, iPad robot and flying machines to challenge the boys. These formed only part of what was on offer, and it would surely have been a dull soul indeed that would not have enjoyed it. The whole occasion was a worthy tribute to the efforts of the science department’s staff and students, together with the Library folk. A great night!

Adam Cole
Another fantastic week has come to a close. Along with the Junior and Preparatory School Libraries, the Arthur Holt Library participated in National Simultaneous Storytime on Wednesday. NSS aims to promote the value of reading and literacy amongst young Australians in a unique way - every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in schools, libraries, bookshops and other locations across the country. The book for this year was *The Brothers Quibble* by Aaron Blabey. School Captain Tom Dickinson read an eBook version to an enthralled Year 4 class, while Mr Lyle’s animated rendition entertained Senior School students including members of the Library Champions, the 1st XV and the 1st XI. Thanks to everyone who participated in this feel-good event to highlight the importance of books and reading!

Hot on the heels of NSS, on Wednesday night the Library was the venue for the Trinity Grammar Science Expo. Visitors were treated to thought-provoking displays and experiments, along with examples of student work. Here in the Library we really look forward to events such as these and the way they showcase Trinity’s great learning space.

**DEWEY TUTORIAL TIME**

We’ve almost reached the end - the 800s, penultimate section of the DDC, is here! Containing works about classic authors, playwrights and poets as well as literary history and criticism, the Literature section has quite interesting origins. When the DDC system was developed, the 800s was meant to include a library’s collection of literature – poetry, drama and fiction. Over time, the fiction collection became too big to house in the 800s, so it was shelved separately as "Fiction" while the smaller collections of poetry and drama remained in the 800s. This has always caused confusion for many a Library user, but hopefully not anymore! Another fascinating fact about this section - do you know that William Shakespeare is the only author with his very own Dewey Decimal number? 822.33 is a special subdivision of 822.3, Elizabethan Drama. With at least 38 plays to his name, and countless critical works written about each play, it’s no wonder “The Bard” requires a number all to himself!

Tabatha Paterson | Teacher Librarian

RUGBY

TRINITY VS CRANBROOK

It is commonly accepted wisdom that a shrewd person learns from their own mistakes, but a wise person learns from the mistakes of others; consequently, Mohammed Ali’s famous comment, “I hated every minute of training, but I said, ‘Don’t quit. Suffer now and live the rest of your life as a champion’” provides inspiration to counter procrastination and presents the model of a vision beyond the temporary and frustrating demands of practice.

At this stage of the season we have the opportunity to reflect on our progress and assess our achievements. Looking back to the early trial games and the performances produced by some of our teams, some may have been quietly apprehensive; however, the challenges that some teams faced at the start of the season were overcome by perseverance informed by vision. This vision, together with planning, effort and process, has provided the framework for our players and coaches to continue building depth and skill, sustaining the passion and desire to improve on every performance. This passion was manifested on Saturday in the game between the Trinity 5ths and 6ths. Despite not having a scheduled fixture against Cranbrook, these Opens players displayed their eagerness to participate in a free-flowing, exhibition game, entertaining the appreciative spectators.

Having reflected on the 2015 CAS journey so far, it is now worth remembering that there are still six rounds to go, and in the words of a respected judo coach, “Remember, you are only a champion for a day.”

Andrea Foll | MIC Rugby

It was a perfect Saturday for rugby with the sun shining on us all. From the first whistle the U13As played some entertaining rugby with Malachi Hawkes (7WJ) powering through the opposition for our first try of the game. Little did we know that this would be the first of three tries to Malachi Hawkes (7WJ). From all of our set pieces in the first half the team played a structured pattern of play and also incorporated aspects of “getting around the corner” and attacking through the narrow channel on the blind side. Ky Willoughby (7WH) was instrumental in orchestrating these attacking raids. Ethan Bateman (7WJ) was again too strong and fast scoring two impressive tries. Special mention must go to James Brown (7Du) for his relentless work at the breakdown and also Kai Young (7We) for his quick reactions in cleaning up lose possession and also providing impressive go forward from these unstructured situations. There are three areas that require attention as we prepare to play Barker this weekend. One is the securing of possession of the kick off without allowing the ball to bounce. The second is to respect our possession and not force the pass whilst we are in contact with the opposition, and the third is develop our awareness of our supporting team members to ensure we use all our attacking opportunities to their fullest.

The 13Bs had a hard fought win again Cranbrook with the whole team working hard to continually get across the advantage line. The boys played with clear passion for their School and a heightened intensity to be competitive at the breakdown. We saw a strong performance from Matthew Moore (8Ke), in half back who had some accurate delivery as well as some powerful runs breaking the line and some insightful and creative play from the five/eighth James Coall (7Du). The team was able to take away valuable lessons from their performance at the breakdown, with more focus needed with regards to the offside line.

The U13Cs started the match in explosive style with two barraging tries, but then quickly found themselves defending their own line. Strong tackling from Angus Mooney (7La) and Stephen Roberts (7St) saw off the early Cranbrook skirmish. The boys found consistency and were able to cross for six first-half tries off the back of penetrating runs from Michael Nguyen (7Ar) and Lachlan Farrell (7Fo). The second-half continued in much the same fashion as the first, with another six tries being scored for the Green and White.

For the second straight week the 14Bs demonstrated plenty of spirit to comeback from a 10-point halftime deficit (0–10). Smart kicking from halves and a sneaky try from Alec Silius (8Sc) inspired Trinity to 14 unanswered points after the half-time break. Returning from injury William Bonaccorso (9St) calmly slotted two important conversions and inspiring ‘team’ defence in the final tense minutes, which secured a great victory.

The 15As were completely dominant, winning the tackle contest with some great selfless support play by Copper Chambers (10WJ) and pure speed out wide from Bertie Swan (10Ar) who look brilliant when running with the ball. Sebastian Moir (10Hi) was devastating with the ball, Cranbrook struggling with his speed and power, scoring an amazing four tries.

The 15Bs team result was built on the back of strong defence across the forward pack and backline. Jack Maher (9Yo), Jacob Taylor-Tighe (9Ta) and Athan Pappas (9Sc) in the forwards and Thomas Diordio-De Domenechi (9Yo) and Joshua Wong (9Sc) in the backs were particularly dominant defensively, which resulted in a number of turnovers for the team. Lachlan Sinclair

www.trinity.nsw.edu.au
Dulwich, Henderson and Murphy

Trinity dominated possession for the fixture against Cranbrook presented an entertaining spectacle of Rugby for Trinity supporters. In text book style, the forwards provided a solid platform for the Trinity backline to unleash its attacking flair, both in the centre channels and on the extremities. Jordan Morris (11St), from inside centre, scored a try, while both wingers, Alexander Connolly (12Ar) and Kordell Payne (10Yo), scored four tries between them, with Kordell scoring a hat-trick himself. The forwards, however, also took advantage of their dominance, scoring three tries - two from James Wayland (11He) and one from Pernell Filipo (12La), respectively. Fly-half Robert Siteine and fullback Ryan Longville (11Mu) provided opportunities for the inside and outside backs to attack by repeatedly exposing the Cranbrook defensive line, also allowing frequent damaging raids by team captain, Harry McLennan (12Mu) into Cranbrook territory. Despite their dominance throughout the game, the team maintained their organisation and cohesion through their attacking patterns and defensive structures.

The 2nd XV produced a strong result against a tenacious Cranbrook side on Saturday. The Cranbrook attack tested the Trinity defence on a number of occasions that resulted in two well worked tries against the Greens; however, the Seconds maintained an aggressive attitude in defence, allowing the forwards to attack the ball on the ground and winning a number of turnovers that contributed to strong counter attacks generated by the forwards and resulting in confident replies to Cranbrook’s authoritative start.

The 3rds played with grit and determination that was not, however, reflective of their technical and tactical style displayed in earlier games. The best indication of a team’s psychology and spirit is how it shapes up in defence. Although Cranbrook benefitted from greater possession, they never looked like scoring. The 3rds maintained their structures and remained organised, denying Cranbrook’s attempts at scoring, despite sustained passages of play that targeted Trinity’s defence outside. Another commendable aspect of the Thirds’ performance was their ability to bounce back after trailing 7-5 with 10 minutes to go. John Bechara (11Mu), Karl Olliffe (12Sc) and Jim Filladites (11WH) rounded off the team’s tenacity by scoring one try each.

Saturday’s First XV fixture against Cranbrook presented an entertaining spectacle of Rugby for Trinity supporters. In text book style, the forwards provided a solid platform for the Trinity backline to unleash its attacking flair, both in the centre channels and on the extremities. Jordan Morris (11St), from inside centre, scored a try, while both wingers, Alexander Connolly (12Ar) and Kordell Payne (10Yo), scored four tries between them, with Kordell scoring a hat-trick himself. The forwards, however, also took advantage of their dominance, scoring three tries - two from James Wayland (11He) and one from Pernell Filipo (12La), respectively. Fly-half Robert Siteine and fullback Ryan Longville (11Mu) provided opportunities for the inside and outside backs to attack by repeatedly exposing the Cranbrook defensive line, also allowing frequent damaging raids by team captain, Harry McLennan (12Mu) into Cranbrook territory. Despite their dominance throughout the game, the team maintained their organisation and cohesion through their attacking patterns and defensive structures.

The 2nd XV produced a strong result against a tenacious Cranbrook side on Saturday. The Cranbrook attack tested the Trinity defence on a number of occasions that resulted in two well worked tries against the Greens; however, the Seconds maintained an aggressive attitude in defence, allowing the forwards to attack the ball on the ground and winning a number of turnovers that contributed to strong counter attacks generated by the forwards and resulting in confident replies to Cranbrook’s authoritative start.

The 3rds played with grit and determination that was not, however, reflective of their technical and tactical style displayed in earlier games. The best indication of a team’s psychology and spirit is how it shapes up in defence. Although Cranbrook benefitted from greater possession, they never looked like scoring. The 3rds maintained their structures and remained organised, denying Cranbrook’s attempts at scoring, despite sustained passages of play that targeted Trinity’s defence outside. Another commendable aspect of the Thirds’ performance was their ability to bounce back after trailing 7-5 with 10 minutes to go. John Bechara (11Mu), Karl Olliffe (12Sc) and Jim Filladites (11WH) rounded off the team’s tenacity by scoring one try each.

Last Saturday the 4th XV played Cranbrook in a shortened game. It did not take long for the Trinity 4ths to take control of the game with some outstanding forward play by Nicholas Blumor (12Hi) and Edward Blaxland (12WH). Trinity dominated possession and Nicholas Blumor (12Hi) scored an impressive individual try early in the first half. Not to be outdone the backs showed the defensive determination needed in this close competition. Andrew Bow (12We) and Anthony Younes (12Ke) were outstanding in defence taking on players significantly larger than themselves. Trinity 4ths are improving with every game and are looking forward to a tough battle this weekend against Barker.

**REFEREES**

Another aspect of the School’s Rugby programme is the development of young referees who have recently earned their NSW Referees badges. Refereeing under any circumstances is a challenging task, but the value derived by young men making decisions under pressure is invaluable. Without the contribution of Mr Goetze, the staff and boys who referee every Saturday, our fixtures would not run as smoothly.

**FRIENDS OF RUGBY**

The heartbeat of Saturday games, both home and away, is generated by our generous Friends of Rugby Committee and the parents who volunteer their time to ensure our boys and visitors to the School are well-fed and provided with the necessary sustenance for both commiseratory and celebratory drives home.
FOOTBALL

CAS ROUND 4 VS THE CRANBROOK SCHOOL

Trinity had a very successful CAS Round against Cranbrook with 12 victories (11 without conceding), four draws and only the solitary defeat from the 17 fixtures. The inclement conditions of last Friday unfortunately decimated much of the Year 10 fixtures and all of the Year 7 fixtures.

Highlight of the day was the Year 8s, with A-E teams all winning with clean sheets and 25 goals being bagged along the way. Our 1sts, 2nds and 3rds also replicated the clean sheet sequence with a trifecta of triumphs on the home turf of TGS No.2.

Four teams head into the midpoint of the season with an undefeated record so far. These include the 8As, 8Ds, 9Es and 1st XI.

1ST XI REPORT

The Trinity crowd provided an inspirational tunnel for the 1st XI to walk through pre-match.

All were well aware of the potential of Cranbrook and therefore did not walk into the game with any complacency. Nor did they still have their heads in the clouds following the epic contest at Curugal Oval the previous Saturday. This was not going to be an easy match. A well-drilled Cranbrook team proved this as they tussled it out with Trinity throughout the first half. At half-time, the scores were locked at 0-0.

Some changes in the second half preceded Trinity’s goals. For the first Trinity goal, a Harrison Page (11Yo) free kick fell into the feet of Steven Callas (12Ho) after some hustle and bustle between George Vagerakas (12Ho) and the Cranbrook defenders. Callas capitalised on this situation by slipping a pass into the back of the net. Final score: 2-0 to the Green and White.

Luke Gray | Coach

2ND XI REPORT

Trinity dominated early possession. With less than ten minutes gone, James Doumanis (12Mu) started brightly, but regrettably had his game end with injury. Thankfully the enforced change did not break Trinity’s stride as Cranbrook found it very difficult to dispossess or build any attacking waves.

Half-time saw a re-configuration of the Trinity line-up and some feedback about the importance of patience. In the second half, the Trinity attack began to cascade on the Cranbrook goal. The dam finally burst when Don Li (12Sc) charged down a defender’s attempted clearance, ran through with the ball before finishing adroitly with the outside of his right foot from the left flank. The ball nestled into the net via the back post to put the Green and White army up 1-0.

This goal invigorated the Trinity boys. With the crowd behind them, Trinity started to play their best football of the season. Nicholas Chan (11Mu) at right wing back, was outstanding in both attack and defence.

Trinity’s passing and movement were enjoyable to watch and their shielding of the ball was equally impressive. James Saab (11We) and Jordan Kougias (10Ke) in particular, frustrated the Cranbrook midfield to such an extent, that multiple free kicks and strong words from the referee went against the opposition.

The second goal came from a free kick delivered in by the skipper Zac Galluzzo (12Ho). Will Poulos (12St) leapt above the rest to nod the ball down and into an empty net. Luke Borgnolo (11Mu) then had an exquisite chip miss by fingertips after receiving a brilliant move and pass by Michael Tsintominas (11Sc). Borgnolo went close on a couple more occasions, but was thwarted both times.

Ryan Maranik (10Ar), who came on at half-time had a very composed stanza at left back even though he had never played the position previously in his debut for the team. When the final whistle sounded, there were cheers all around as the 2nds finally broke their CAS duck. They will use this win as a driving force for the games to come. Barker is up next at the ‘Green House’.

Mark Anthony and Chris Robinson | Coaches

3RD XI REPORT

The 3rds continued their unbeaten home run with their best game of the season against a Cranbrook team that never were allowed into the game. The first goal in the 10th minute of the first half was scored by Soroush Zand (11Ar) off a Peter Tsaridis (12We) free kick just outside the penalty box. The second half started with a quick goal to Joshua Seet-Lee (11Ke) in the first minute and a second goal by Zand in the 10th minute of the second half. The team developed as the game went on with total domination and control, which starred Cranbrook of the ball. Nicholas Bishop (11Hi), Lachlan Boys (11WJ) and James Newton (12Yo) played their best games of the season.

Mark Mikulandra | Coach

4TH XI REPORT

There is no doubt that team is improving week by week and, despite the fact that they could only manage another draw, the game against Cranbrook was the best they had played so far this season. Trinity’s defenders, James Mayers (11WJ), Joshua Di Giannantonio (11Ho), Noah Thomas (11He) and Luke Ellacot (12Fo), again were outstanding and it was unfortunate that Cranbrook managed to score midway through the first half. During the second half, striker Zac Watson (11We) not only found the right position in which to play but also received the ball outside the eighteen yard box and, after beating a defender, scored a superb goal. Trinity could easily have scored a few more
goals with Michael Pahos (11Hi) using his speed to attack the opposition defence from the right wing and Christopher Elias (11Mu) feeding the forwards from his defensive midfield position. All in all, a good game and one which Trinity could easily have won.

Terry Haywood | Coach

5TH XI REPORT

Cranbrook, in one of the odd exceptions of the day, played all over Trinity in this encounter. They ran us wide when we were attacking, crowded our midfield and were too fast generally for our defenders. The team’s best players were James Ibrahim (12Ho), Brendon Bechara (12Ho) scoring both of our goals and Scott Jackson (12Mu).

Paul Stenhouse | Coach

6TH XI REPORT

The 6ths had a fantastic win on the weekend against Cranbrook. They capitalized on their goal-scoring chances with outstanding goals by Justin Woo (11We) and James Paterson (11WJ) in the first and second half. The defence was also strong and united, as they did not give the opposition any scoring opportunities. The team is coming together nicely and are looking promising for the rest of the season.

John Diakis | Coach

REPRESENTATIVE HONOURS

Five boys, Mohammed Khamis (7We), Elijah Hooper (8Ar), Samuel Harb (8Sc), Yanni Plataniotis (7Sc) and Dimitri Gremos (7Fo) have all been selected to represent the Metro East U13 team to attend the NSW U13 Football Championships in June and July. Congratulations on this fine achievement!

Well done to William Clark (12Ta), George Vagerakas (12Ho), Johnny Dimopoulos (12Ta) and William Todd (10Ar) who represented CAS at the NSW CIS Football Championships, played at Football NSW on Monday evening and Tuesday this week. The boys played six 40-minute games and were fine ambassadors for Trinity. Congratulations to Johnny Dimopoulos, who was selected in the NSW CIS team that will compete at the NSW All Schools Championships in June.

Good luck to all teams against Barker tomorrow!

Luke Gray | MIC Football

CAS ROUND 4 TRINITY ‘TEAM OF THE WEEK’

11. Brendon Bechara 5th XI
9. Luke Powell 8Ds
7. Sorosh Zand 3rd XI
10. Dhiren Satyendra 8Es
8. George Roditis 8Ds
6. Andrew Gabriel 8Es
5. Nicholas Bishop 3rd XI
4. Johnny Dimopoulos 1st XI
3. Ryan Maranik 10As & 2nd XI
2. Nicholas Chan 2nd XI
GK. Gab Sikh 3rd XI

TRINITY GRAMMAR SCHOOL

School Prayer

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

JUNIOR, MIDDLE AND SENIOR SCHOOLS SUMMER HILL
– meet at reception in the Junior School Building, on even weeks of term (Weeks 4, 6, 8,)
Term 2 May 26th, June 9th
Term 3 July 21st, August 4th, 18th, September 1st
Term 4 October 13th, 27th, November 10th, 24th
Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

CRANBROOK INVITATION, SYDNEY PARK, 23/5/2015

Woo-hoo! The hills certainly delivered the expected pain at Sydney Park last Saturday! The lads in the Green and White showed much masochistic valour and that they certainly have an eye on the silverware in the 2015 Cross Country season!

The 14s maintained the pressure on the throats of our opponents, winning the Team’s Event by an even greater margin of 23 points over 2nd placed Newington. Benjamin Bishop (7Hi) led our team home with a fine 4th place. Logan Kaye (8Ho) looked much rejuvenated after last week’s heel ailment, possibly with the assistance of his Paula Radcliffe socks, as he finished 5th. Ethan Brouw (7Ta) looked a little less comfortable on the hills as he did on the flat last week, but still managed a fine 8th place. William Cooper (6La) from the Junior School was obviously keen for another mention in the Bulletin this week. (Apparently his dad Brett also used to seek out the limelight as young bloke at the School many years ago!). Will had an even better run than last week, revelling in the hills to place a fine 11th and completing a fine team result. Tyeson Street (9WJ) found some form to be 18th and Louis Banning-Taylor (8La), the ultimate competitor, held off Blake Tochey (7Ke) to place 19th and 20th respectively. Seven boys in the top twenty, how many more are possible as the season progresses?

It took a little longer for the 16s’ race to get underway last weekend as the hills had a greater impact on the ‘tail’ in the 14s’ race but, as the gun fired, Trinity raced to the fore, with the team eventually finishing a commendable 4th. Kash Powell (9Ar) certainly looked the money as he steadily moved through the field to be 12th at race end. He will no doubt be banking in the Top Ten in the coming weeks! Jonno Batson (9WH) was not far adrift in 14th and Nathaniel Davies (9Ke) fought hard with a crook back to finish a stoic 19th. Pericles Telemachou (10Ho) continued to look like a quality runner as he finished 21st. He looks set to follow in the footsteps of Tom Do Canto (’03) who realised he had mountains of potential at about the same age as Pericles. Incidentally, Tom continues to be a force in senior running events around the country and remains one of the Trinity’s finest athletes. Andrew Brown (11Fo) again alluded to the latent potential that occasionally rises to the surface with a fine run and Sebastian Hahn (10St) improved a whopping 51 places from the week before. I look forward to these two pushing each other into the top 30 by seasons end.

Our Open Team dropped a few places to be 9th in the Teams Event last Saturday. Oliver Hoare (12St) seemed to let the Shore boys, Trippas and Goddard, dictate the race and he was unable to reel them in as the finish line loomed. Maybe he just needed to ‘burn them’ and ‘burn them’ early? As he did to our own Cameron Griffith (’14) at the CAS XC Championships last year. There is always next week! Interestingly, the GPS and CAS finishing positions in the Opens race over the past two weekends indicate that the GPS v CAS fixture later in the season is going to be cracker! Stay tuned! Jordan Martenstyn (12Hi), Joshua Seet-Lee (11Ke) and Andrew Lin (12WH) completed the Opens team and they all looked thankful that the Sydney Park hills were in the rear-view mirror, well until next term!!

St Ignatius’ College, Riverview, host all of us tomorrow at Lane Cove for their invitation and the CIS XC trials.

Mr Woods’ Harriers of the Week: William Cooper, Kash Powell and Andrew Lin.

Good running,

Michael Spratt | MIC
Last weekend represented yet another strong performance from the Trinity Grammar School Tennis fraternity. In a combined round against opponents from Cranbrook and Sydney Grammar our boys were able to win 100% of the matches contested. Unfortunately, the 10A and 10B were cancelled due to wet weather.

The 1st IV had another convincing win, securing the victory by 7 sets to 1 which places them well out in front on the competition ladder. All team members played impressively and combined well together.

One of the closer matches of the day was played by the 2nd IV, who won 6 sets to 2. This was a good result considering that the games were 46 to 35. Our boys were able to convert some very close sets into valuable wins especially in the doubles component of the match. Kevin Batliwala (11Yo) and James McCabe (7St) playing together for the first time as our number one pairing, held their nerve to post a 7-5, 7-6 win to take 2 invaluable points. The second pairing similarly had a close and hard- fought win besting their opponents 6-4, 6-3. Both of these boys then went on to register impressive singles victories, Alex Ibrahim (9Ho) winning 6-2 and Joshua Olpindo (10Ar) winning 6-3. As with their 1st team counter parts, the 2nd IV sit firmly at the top of the table as they approach the half way mark of the competition tomorrow against Barker College.

Jeremy Dykgraaff | MIC Tennis

3rd and 4th IV Report

The 3rds and 4ths had an usual challenge last Saturday against Sydney Grammar. They were forced to call upon their reserves of patience and sportsmanship instead of their tennis skills, and this they did without complaint. No fewer than four members of the opposition team failed to appear at our fixture, and so some of our boys missed out on external competition entirely. Those who did play matches against Grammar registered overwhelming victories, and the 12 sets to 0 triumph may well have been the result even if all of their adversaries had met their commitments. To make the most of the time available to us, some internal doubles matches were played, and, no surprise, they were contested fiercely!

9A and 9B Tennis Report

The Trinity 9A tennis team had a strong win against Cranbrook to the tune of 5 sets to 1 and 34 games to 18 last Saturday. Despite losing a doubles set, all the Trinity players focused well to win the remaining sets. This was another great team effort from the boys.

The 9Bs faced Sydney Grammar, finishing the encounter in front by 5 sets to 1 and 35 games to 14 with a great team effort. Nathan Nakhle (9Ke) played well, winning a marathon set of singles 7 -5, while Jordan Chen (9We) came out firing, easily winning 6-1 in short time. Thanks to Rishi Ramrakha (9La) for stepping up from the Cs and playing well to finally overcome his opponent in a tight set. Well done to all team members!

Michael Leadbeatter | Coach

Year 8A and 8B Report

Cranbrook was no match for the 8As and 8Bs in round 4 of the winter competition. Both teams had emphatic wins, proving their dominance against a weaker Cranbrook side. In the 8As, the boys got off to an excellent start with comfortable wins in their doubles fixtures. In singles, Edward Lai (St), Aidan Tharmarajah (WH) and Justin Sleiman (Ta) were all 6-0 winners. Jason Wu (Ho) had a difficult task playing in the number one position, but showed great determination to eventually outplay his opponent 6-4 in an exciting match. In the 8Bs, the boys were able to combine well to

Overall winning rate: 100% 14 wins 0 losses

run both the doubles fixtures 6-1. In singles, Alexander Valiozis (Yo) led from the front and set the tone for the rest of the matches, winning 6-2. Whilst Dominic Lay (St) and Jack Opperman (Ta) had comfortable victories, Cranbrook put up a much stronger fight against Oscar Jones (La). Although pushed to his limits in an extremely hard-fought encounter, credit must be given to Oscar for prevailing 7-5. Another brilliant performance by both teams means they remain undefeated and good luck to them as they face a tough Barker outfit this week!

Aramnth Srikanth | Coach

Year 7A and Year 7B Report

A great weekend of tennis was played by the year 7 A/B tennis teams last Saturday.

The 7As came up against opponents Cranbrook and without any disappointments won to the tune of 5 sets to 1. Great matches of doubles were played by both pairings who each won 6-3.

Andrew Peng (7He) and Luca Dimeglio (7La) played a great game of singles smashing their opposition. It was a tougher assignment for Tom Jin (7Yo) and Daniel Skarzynski (7We), Tom going down 5-7 and Daniel taking out the win in a close tie breaker.

The year 7Bs played Sydney Grammar A and also won 5 sets to 1. Both doubles pairings played beautifully, winning 6-2 in emphatic style. Aryan Rawal (7Mu), Scott Lee (7ST) and Lachlan Chan (7FO) played some amazing tennis and wiped their opponents off the court quite convincingly. Unfortunately it was a tough day for David Kim (7WH) as his B3 opponent was just too strong on the day. Over all it was another fine and promising performance from the Years 7A and 7B tennis teams.

Danielle Calvi | 7A/B Coach

VOLLEYBALL

TRINITY DEFEATED CRANBROOK

3-0 (25-14, 25-15, 25-5)

Last Saturday the boys in Green and White marched out to take on a fresh competitor, Cranbrook. Our opposition stood tall, with several boys reaching well over six foot. The warm-up was intense and prepared both sides for an invigorating match. The first set opened with exquisite serving from Soren Tan (12WJ), which threatened the Cranbrook defence. Our ‘hitting weapons’, Peter Braga 10Du, and Angus Webster (11WJ) were quick to capitalise on this at the frontcourt by delivering consistently harder spikes. The sets passed by quickly as the confident Trinity side continued to demonstrate their synergy. Unfortunately, the team showed weakness in the third set in defence, but David Jeavons (12Ta) would not allow it to endure. He exposed his never-give-up attitude to the crowd and fought to regain Trinity’s lead. Finally, Tom Mackenzie (10WJ) secured match point with a tactical serve through the Cranbrook defence. Though short, the game provided a competitive environment to prepare us for future games. This Saturday the team will do battle with Barker, a team traditionally known in the CAS volleyball competition for its fine defensive skills.

James Douglas (12La) | 1st VI Captain

TRINITY DEFEATED ST ALOYSIUS

3-0 (25-4, 25-7, 25-6)

Today we played the St Aloysius 3rd VI Volleyball team and dominated in all aspects of the game. Jared Attia (11Yo) had an absolute blinder in the first set, serving a whopping 16 serves in a row. Coupled with Matthew Rorie’s (10Fo) improving blocking skills, we cruised into the best winning margin we’ve ever had. Again this week, the setters, otherwise known as the playmakers, Ben Wheen (10Fo) and James Watson (11WJ) helped immensely in securing the match for our team. As the competition heats up, with Barker coming up next week, the seconds have to stick to their guns and pull together to win coming matches.

Hugo Miller (11Yo) | 2nd VI Captain

TRINITY DEFEATED NEWINGTON

2-1 (21-17, 21-18, 14-21)

The Trinity 3rd VI Volleyball team continued the winning streak for this season. This week we played at home against Newington. Play began with a modified starting team which proved no less impressive than previous weeks, winning the close first set 21-17. The second set was even more intense than the first; however, the momentum carried over from the first set gave Trinity the extra push, allowing them to come out on top 21-18. The exhaustion from the first 2 sets mixed with the knowledge of our secure victory proved fatal to us in the third set, where we were defeated 14-21. Special mention goes to Jonah Newman (10WJ) and Oliver Arkell (9WJ) for excellent defensive plays and to Hugh Sixsmith (10Sc) for top-notch attacking in the front court. Finally, the team thanks Jonathan Webster, coach of the 2nd VI, for assisting with substitutions and providing insightful advice into the game.

Adam Scott | 3rd VI Captain
2015 NEW SOUTH WALES ALL SCHOOLS/PSG CHAMPIONSHIPS
SYDNEY 18TH MAY 2015

Trinity had a fantastic meet at the NSW All Schools/PSG Trials on Monday 18th May 2015. The swimmers came away with 18 firsts, 27 seconds and 3 thirds, a huge effort. In doing so, the Trinity Grammar School Team finished second in the overall point score out of a total of 128 schools.

Congratulations to Andy Lee (6Hi) who was the School’s most impressive performer, with 3 firsts, 4 seconds and 1 third placing in his eight individual races. Also to Christopher Hoare (11St) who was outstanding with 3 firsts and 1 third place in his races. Nathan Zhu (10Ke) achieved 3 firsts, dominating the Breaststroke races in his age group.

Alston Jeroff (12Hi) won the 100m Butterfly, Jake Griffin (12He) won the 50m Backstroke. Not to be out done, the younger swimmers decided to step up to the plate with further outstanding performances from Dominic Lopez (7Ke), winning the 100 Butterfly, and Samuel Xu (7WH), who won both the 50m and 100m Breaststroke events.

Trinity were outstanding in the relays. The 17-19 Years 200m Freestyle Relay was won by the team of Jake Griffin, Alston Jeroff, Joshua Simat (12He) and James Traiforos (12Sc) in a record time of 1:36.87. All other relay teams came in second place in the rest of the relay events.

The successful swimmers who achieved a placing of 5th or above have been invited to travel to Adelaide in November to compete in the Pacific School Games, where they will represent NSW against other States, Territories and Pacific Countries in the competition. Congratulations to all the Trinity boys who will go on to the next level; we wish them the very best for the competition.

Janet Wonders
Trinity Grammar School
Sports Physiotherapy Clinic

The Trinity Grammar Sports Physiotherapy Clinic is now operating in the rooms below the Pastoral Care Centre. It is open Mondays and Wednesdays 7.00am-10.30am and is run by Mr Tom Lombardo (’01), an Old Boy of the School. Having worked extensively with elite and professional athletes at the highest levels, Tom has a particular interest and expertise in the highly specialised area of adolescent sporting injury diagnosis and management.

With established links to an extensive network of quality sports medicine physicians and by placing a strong emphasis on specialist injury prevention, treatment and rehabilitation, the TGS Sports Physiotherapy clinic will ensure reliable and timely assessment and management of your son’s injuries within the confines of the school grounds.

Consultations at the clinic are for Trinity students only and can be booked online (the link can be accessed from the School’s home web page: www.trinity.nsw.edu.au). The clinic will offer competitive rates and allow for private health insurance rebates. The cost of the initial consultation of a new injury is $78 and any subsequent consultations will be charged at $68 per service.
MATHEMATICS CLUB MATTERS

MATHEMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin V from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Hayden Curtis (7Mu) and Nam Phu (11Fo) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The four-digit number for the Senior School Problem is 1,349.

Here is one way to solve the Middle School Problem:

The percentage of change in its area for the Senior School Problem is 6.25%. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES

The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit_maths.html as a formal publication.

Aims Of This New Initiative:

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquiries to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Dr Frederick Osman | MIC Mathematics Club

CLICK HERE TO VIEW THE STYLE GUIDE
The HSC and Careers Expo 2015
> Thursday 28 May and Friday 29 May, 9am-3pm
> Saturday 31 June and Sunday 1 June, 10am-3pm

Royal Hall of Industries, Moore Park, Sydney
Cost: $10 or $25 for families of 3 or more (children 14 and under free) and is valid for all 4 days of the Expo. Admission includes all seminars.

The HSC and Careers Expo is an important event for Years 10, 11 and 12 students, their parents, featuring over 140 exhibitors with HSC resources, tertiary courses and career information. The seminar programme features 100 presentations on HSC subjects, tertiary courses, career and study advice. In 2014, The Expo attracted over 16,500 visitors. Some complimentary tickets can be obtained from Dr Osman.

Western Sydney Careers Expo 2015
> Thursday 18 June and Friday 19 June, 9am-3pm
> Saturday 20 June and Sunday 21 June, 10am-3pm

Halls 5 and 6 Sydney Showground, Sydney Olympic Park
Cost: $10 or $25 for families of 3 or more (children 14 and under free) and is valid for all 4 days of the Expo. Admission includes all seminars.

The Western Sydney Careers Expo brings together over 140 exhibitors providing information on tertiary and training courses, career and employment opportunities, HSC subjects, study skills and gap year programs. Exhibitors include Australia’s major universities. The Expo also features 100 seminars on HSC subjects including English and Maths, tertiary courses, career, employment and study advice. Some complimentary tickets can be obtained from Dr Osman.

Upcoming Special Event:
AN EVENING WITH PROFESSOR BEN EGGLETON ON PHOTONICS IN THE NEW INFORMATION AGE: FASTER, SMALLER AND GREENER!

Presented by the Trinity Grammar School Mathematics Club in conjunction with the Australian Institute of Physics (NSW) during The International Year of Light (IYL 2015):

Photonics in the new information age: Faster, smaller and greener!

Date Friday 12th June 2015
Time 6:00pm-8:00pm
Where Trinity Grammar School, Latham Theatre

Students and parents are welcome to attend this special event!

Event supports The International Year of Light (IYL 2015):

St Andrews’s College Sydney University
Scholarships and Bursaries: St Andrew’s College is again reaching out to schools to advise that up to $1 million is available in scholarships, bursaries and prizes for students for 2016. Students considering tertiary study in Sydney should be aware of these opportunities. Scholarships are awarded on merit and require students to submit an application admitting five new students each year with Scholarships $25,000 per year for the length of the undergraduate degree whilst in College. Applications are now open for the 2016 St Andrew’s Scholars intake. Further details can be found from the website www.standrewscollege.edu.au/current-students/scholarships-and-prizes/

The University of Sydney:
Kickstart in the School Holidays
> Biology: Tue 30th June,
> Chemistry: Wed 1st July
> Physics: Mon 29th June

The kickstart programme will be offered at the University of Sydney Camperdown campus in the June school holidays. Each module will be available at a cost of $29.70. http://sydney.edu.au/science/outreach/high-school/kickstart/school-holidays.shtml

The University of Sydney:
Bachelor of Science (Advanced) and Doctor of Dental Medicine
In the new Bachelor of Science (Advanced) and Doctor of Dental Medicine, students spend the first three years studying advanced science courses of their choice, followed by the four year Doctor of Dental Medicine which qualifies graduates to practices as a dentist. http://sydney.edu.au/courses/bachelor-of-science-advanced-and-doctor-of-dental-medicine

HSC Science Exam Preparation
> Thu 16th July – Sat 18th July, The University of Sydney, Camperdown Campus

Highly qualified science teachers will deliver workshops providing students with hints and strategies that will enable them to improve their HSC performance.

Full-day sessions will be held on each HSC Science subject. Cost: $40 per day
Contact: +61 2 9763 2751 or office@stansw.asn.au

New Career Ready Programme for Arts & Social Sciences Students
A new programme which offers paid work placements with some of Australia’s more reputable organizations including the Westpac Group. The programme aims to provide students with the skills and experience they need to get the edge in a highly competitive marketplace. http://sydney.edu.au/arts/careers/index.shtml

Charles Sturt University
New Bachelor of Technology and Master of Engineering (Civil Systems): The new five and a half year Bachelor of Technology and Master of Engineering combines undergraduate and postgraduate study with industry experience. Students will spend the first 18 months of the programme studying on campus at CSU Bathurst, and then undertake four one-year paid industry placements while completing their studies online. The programme will be available from 2016. Website: http://news.csu.edu.au/latest-news/charles-sturt-university/csu-engineersa-new-type-of-graduate
University of Technology Sydney (UTS)

Bachelor of Information Technology Co-operative Scholarship Programme: The Bachelor of Information Technology Co-operative Scholarship Programme provides students with $15,500 per year for study, and two six month full-time industry placements with sponsor organisations. There are two rounds of applications in 2015 for the 2016 intake. Round 1 Applications open on Tuesday 14th April. Website: http://www.uts.edu.au/future-students/find-a-course/courses/c10143/howto-apply

Please be advised that Round 1 applications for the UTS Bachelor of Information Technology (BIT) Co-operative Scholarships Programme at UTS are now open and close 19th June 2015. Round 2 applications will open in August and will close 30 September 2015.

Benefits of this outstanding programme
- Scholarship valued at around $46,500 over 3 years
- Track record of 100% employment rate for graduates
- Two six-month full-time industry placements with sponsor organisations
- A fast track IT course with a business and leadership focus
- A prestigious course renowned within the IT industry for producing top quality graduates with business-ready skills

For further details on advice regarding applications and interview process from the BIT scholars through website www.uts.ac/BIT-apply and Facebook page facebook.com/UTS.BIT

UTS IT and Engineering Undergraduate Information Evening

If you are thinking of applying for IT and Engineering, I would encourage you all to attend the information evening on Wednesday 10 June at 5:30PM. Details and registration form can be found on the website pages www.it.uts.edu.au and www.eng.uts.edu.au

Trinity Parents & Friends Association
Australian Catholic University: University Experience
> Canberra: Tue 7th July
> North Sydney: Fri 10th July
> Strathfield: Wed 8th July
An opportunity for year 10, 11 or 12 students to experience university life by living for a day as a student studying arts, business education, health or theology.
http://www.acu.edu.au/study_at_acu/courses/applying_to_acu/experience_uni_before_you_start/university_experience

Australian Defence Force Academy (ADFA)
Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC.

An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.

Martin College
New Courses: The College is introducing a Diploma of Human Resources Management which involves planning workforce activities, using performance management systems, and recruitment processes. In addition, there is a Diploma of Project Management in which students learn how to create, guide and monitor the progress of a task or project. Finally, the bridging programme for Graphic Design Online will prepare students for diploma level studies with courses in Adobe Creative Suite: Illustrator, Photoshop InDesign and Pre-press. Website: http://www.martin.edu.au/courses/

MedEntry UMAT
Preparation: MedEntry is an internationally trusted educational institution providing UMAT preparation in Australia, New Zealand and Ireland. MedEntry is the only provider which is a Registered Training Organisation and which offers a Government Accredited UMAT course. The UMAT test is a prerequisite for entry into most health science courses such as medicine. Students interested in pursuing medicine and other health courses need to sit the UMAT on 29 July 2015. MedEntry is a government accredited Registered Training Organisation specialising in UMAT preparation. For more information, please visit www.MedEntry.edu.au

Rustic Pathways provides cultural and adventure travel programmes for high school students, school leavers and Gap year students. Their travel options include group journeys, Gap year travel and alternative schoolies’ week.

Dr Frederick Osman | Director of Vocational Education and RTO Manager (Careers Education)
WINTER SPORTS SONG
In appreciation of our Winter Sports’ Teams
(With apologies to W S Gilbert)

It’s clear that Rugby holds its sway, indeed it’s played with zest, And at our School to keep its rule we do our level best: We’re not quite sure that all we do has the proper Union ring But as far as we can judge, it’s something like this sort of thing!

You hold the ball like this; You throw the ball like that; Don’t drop the ball or cause a fall, Don’t be a pussy cat!

We venture to expect that what we recollect, Though but a part of Rugby art May have its true effect!

If this is not exactly right we hope you won’t upbraid, You don’t get proper Rugby art from Maccas, ready made! True skilfulness upon the field practice alone will bring, And as far as we can judge it’s something like this sort of thing!

You pack down in the scrum; Where it’s a rule of thumb; To get the ball and GREGORY to call So he can make a run;

To cultivate the trim agility of limb For play so grand just see WAYLAND And form your style from him!

The First Fifteen begin to play all ready to do their best, On any oval you may select they’ll show up all the rest As McLENNAN and MORRIS and TUITAVAKE breakaway, While MOLLA and PHAM and SITIENE their undoubted skills display: With LONGVILLE at fullback, And PAYNE there on attack: And CONNOLLY at wing great tactics will bring, While RASCH has naught to lack:

And TONKIN there in the scrum will his opponents beat like a drum, While NGUYEN and PAYNE will victory claim, And from all the tries will come!

And then there is the other game played hard with equal zest. Whose sterling men do keep alive Football played at its best: MONAHA, KERY and CLARKE and TODD take to their opponents the rod While ANDREATTA and DIMOPOLOUS show skills that are not the least odd; And PIRA and CALLAS Always show such class; SEKULOVSKI and PAGE win at every stage While VAGERAKAS does a good pass!

As well we have the other sports who play on various courts, And all of them aim to produce the very best reports: We’re speaking here of Tennis, AFL, Cross Country and Volleyball Where every player clearly responds to his School’s call.

When all our lads do play Each winter Saturday With spirit and verve And excellent nerve To bring home to us the day.

Sometimes it seems we’re overwhelmed by giants of great size, But none the less more often than not we give them a great surprise: From beginning to end on all of them you surely may depend To get the play in every way right down to our end;

With courage ever new They make their opponents stew, Their valiant story always shows great glory In everything they do.

Search everywhere about, you’ll never find us doubt That the Trinity Team of White and Green, Will give the victory shout!

Ron Ogier
THIS WEEK...

Friday, 29 May 2015
3:35pm - 4:50pm Year 10, 11 & 12 Sports Experience - Enfield Superbowl
7:30pm Drama Production Run Rabbit Run (EDT)
