THE CREATIVE ARTS TO THE FORE

Co-curricular involvement and engagement of our boys in the creative and expressive arts is a longstanding tradition at Trinity. It is very much part of the School’s DNA and it features prominently, not only in our curriculum but across a very broad range of co-curricular offerings. The 2015 Trinity Arts Festival which we are currently savouring is a tangible manifestation of this School tradition, as it highlights the expression and celebration of our boys’ God-given talents in this field of human endeavour.

This year’s Festival programme has catered for everyone’s taste, with the high quality production of *Run Rabbit Run*, the enormously enjoyable Kindy Proms Annual Concert for our Infant boys and a series of lunchtime concerts in Compass Court being obvious examples. The aforementioned activities paved the way for our Annual Gala Concert, held in the City Recital Hall on Thursday. This year’s Concert, to a full house, once again testified to the outstanding quality of musical talent within our School community, ranging as it did across all Year levels, from Primary right through to our most senior students. It also reflected on the superb calibre of
our Music staff, led by the Director of Music, Mr Philip Pratt, and the Director of Preparatory School Music, Ms Kimbali Harding. This year's Concert highlighted the strength of Trinity’s music programme across the genres, with wonderful performances from the Symphony Orchestra, the Symphonic Wind Band, Sinfonietta, the Academy Orchestra, the Big Band, Chapel Choir and of course, for the first time, the combined Primary choir conducted by Ms Sally Ortega.

Those present at the Concert would attest to how enjoyable and memorable the night was.

In commenting on the Festival and the success of the Gala Concert in particular, I should also take the opportunity to point out that numerous studies have highlighted the benefits of embracing the creative and expressive arts in education. This is certainly the case at Trinity, where our boys are exposed to an holistic Christian educational experience second to none.

Dr Neryl Jeanneret in an article entitled “Developing Children’s Full Potential – Why the Arts are Important” (Education Horizons, Vol10. No. 5) provides a very pithy summary of some of the benefits our boys derive by engaging with the creative and expressive arts.

The key learning area of the arts is able to provide children with unique and multiple ways of exploring, forming, expressing, communicating and understanding their own and others’ ideas and feelings. It provides students with the skills and knowledge necessary to understand how the arts reflect and depict the diversity of our world, its cultures, traditions and belief systems. The procedures within the arts can contribute to the development of the potential of the whole child by providing children with the opportunity to:

> Develop the full variety of human intelligence
> Develop aesthetic awareness and perception
> Develop the ability for creative thought and action
> Develop an understanding of cultural change and differences
> Develop feeling and sensibility
> Develop physical and perceptual skills
> Explore values
> Achieve positive self-esteem (Commonwealth of Australia, 1995)

LEAGUE TABLES – ALAS, A CONTINUING SAGA!

This week an article in Business Insider entitled “Cheat Sheet – the Top 10 Private Schools for Boys in Sydney” was brought to my attention. As a rule, I try to avoid giving “oxygen” to league table type debates for they generally give more “heat” rather than shed light on what a quality, holistic Christian education represents. However, having said this, I am certainly not troubled by any comparison one may wish to make regarding the calibre of our boys’ academic performances over time – for they are quite simply outstanding.

This latest article, whilst interesting, paints an incomplete picture and hence is misleading and “inaccurate” in what it purports to represent, with no accounting for students doing the globally-recognised IB Diploma instead of the HSC. For example, in 2014 Trinity Grammar School recorded the best IB results in Australia. When combined with our HSC results, this saw 10% of our boys receiving an ATAR equivalent to 99+, equal to the top 1% of the State, along with four of our IB students achieving the maximum ATAR score of 99.95 (certainly, a little more than “highly commendable”). Also, more recently, Trinity has been accredited as a World Academy of Sport Athlete-Friendly Education Centre – the only Australasian School to be so accredited.

OLD BOYS’ WEEKEND

Last Saturday saw a fine roll up of Old Boys coming along to witness our 1st XI and 1st XV teams do battle with Barker. In both games, the standard of play was exceptionally high with fine sportsmanship exhibited. Pleasingly, on this occasion, the home ground advantage and enthusiastic support of our boys and Old Boys helped ensure memorable victories for both the 1st XI and 1st XV – congratulations to all concerned.

ACADEMIC FOCUS

ACADEMIC FOCUS: HISTORY AND RESEARCH

At Trinity Grammar students in Years 8-10 are currently engaged in a Research Assessment task worth at least 25% of their final History result for the academic year. The development of excellent research skills is fundamental to the academic discipline of History, as recognised by the NSW History Syllabus for the Australian Curriculum (2012) in its Stage 5 Outcome 8 requiring that a student ‘selects and analyses a range of historical sources to locate information relevant to an historical inquiry’.

Unfortunately, this pedagogical outcome at times is not clearly understood. For example, what constitutes ‘an historical source’, given the multiplicity of interpretations of the word ‘source’ in a postmodern world, and what constitutes ‘information’ in a society besieged by a smorgasbord of media ‘platforms’? How is the Trinity Grammar teenage academic to deal with these confronting issues when the ‘educated’ adults of our society struggle to maintain uniformity on the essential qualities of ‘information’? Of what educational value is Wikipedia if adults perceive it permissible to alter biographical and subject entries to suit their political beliefs? In July 2014 Wikipedia administrators had to impose a ‘ban on page edits from computers at the US House of Representatives, following “persistent disruptive editing”’. Why is it that journalists and politicians around the world are mocked in the media if their publications are found to have plagiarized Wikipedia?

It is to teach academic standards in ‘information’ research (as one educational outcome) that the Trinity History Department carefully constructs its marking criteria. The Department is endeavouring to gradually inculcate the necessary standards in historical research. The sources of ‘alleged’ information must be referenced and frequently footnoted (or endnoted). Given that some students in recent years have seen it fit to reference Wikipedia (and in one infamous recent case, citing the blog site of an American high school student!) as the source of their ‘historical information’, the History Department has constructed new marking criteria for Stage 5 History research. In a form of ‘facilitated learning’, top band marks will now only be achieved if students show evidence of utilizing ‘quality historical literature – Primary and Secondary including Digital resources (e.g. documentaries, Jstor, State Library NSW digital databanks…).’

This revised rigour in marking criteria has necessitated considerable explanation and exemplification for History students by their classroom teachers. The Arthur Holt Library Staff have also helped in this process, and students have been shown the imperative of referencing a Peer-reviewed historical publication (digital or print) as opposed to ‘googling’ a topic and then referencing ‘Wikipedia’, ‘infoplease’, ‘historyonthenet’ or a student blog.

Learning the difference between a ‘Peer-reviewed’ publication (digital or print), and the bewildering assortment of opinion and supposed ‘fact’ on the internet is a fundamental aspect of education for excellence in the modern world. It is a responsibility the Trinity History Department takes very seriously as it strives to promote academic development towards secondary and tertiary level excellence.

Dr Jonathan Harris | Head of History

Problem internet usage and gaming in Australian schoolchildren
A practical guide for parents and families | Secondary Focus

Presented by Dr Philip Tam
Child psychiatrist, researcher & clinical lecturer

In this highly topical and interactive presentation, Dr. Philip Tam will be outlining how the phenomenon of problem internet use (PIU) – commonly dubbed ‘internet addiction’ or ‘video game addiction’ – has emerged as a major mental health and social problem around the globe and in Australia over the past decade or so.

He will then summarise the key research findings on how to appraise and address this phenomenon, and offer practical, and evidence-based solutions and resources for concerned parents and families. Also covered will be important developments in the field of ‘integrated education’, which utilises the huge potential of internet-based technologies to enhance educational outcomes and ‘draw away’ students from gaming and social media distractions in the class setting.

The seminar will also be highly relevant to school counsellors and teachers, who are also often ‘at the coalface’ of emerging internet use difficulties in schoolchildren, both in the primary and secondary settings.

Dr. Philip Tam is a Sydney-based child psychiatrist, researcher and clinical lecturer. He has a long-standing clinical, teaching and advocacy interest in the emerging and complex domain of internet and video game-related psychological problems, and regularly comments on this topic across the Australian and international media. He is also a co-founder of niira, the Network for Internet Investigation and Research in Australia, a pioneering research and advocacy group aimed at assisting school counsellors, psychologists and concerned parents in the domain of PIU.
Serenata, our Middle School String Orchestra Directed by Head of Strings Kate Morgan performed a varied programme. They started with the 3rd movement “O Waly Waly” from the John Rutter Suite for Strings, then contrasted this with the 3rd movement, Presto of the Mozart Divertimento in D and finished with a wonderful rendition of the 1st Movement of the Elgar Serenade for Strings.

The comments from the Adjudicator Mr Brian Buggy were really detailed and incredibly encouraging for the boys to hear. His first words being “Delicious opening”, he then continued with such comments as: “lovely polished finish”; “great presto tempo, with stylish attention”, “the recap every bit as polished as the first playing”; “Very well done”

He awarded the boys 96 out of 100 and placed them above any number of School Senior String Orchestras, including Pymble Ladies College Senior Strings and Knox Grammar Senior Strings not bad for our boys from the Middle School with two representatives from the Prep School. One our Prep parents, herself an accomplished musician, wrote an email to Ms Morgan and Mr Pratt, here is a quote from her email:

*What a great performance today by the Serenata Strings! It gave me goose bumps watching and listening to the Trinity boys play their instruments. You could see that every student was putting 100% into the performance. They played in unity, with perfect intonation, clarity and precision. You could see that they were watching Ms Morgan’s leading and direction with great attentiveness and eager anticipation.*

Phil Pratt | Director of Music

---

**Dropping Off and Picking Up Students**

Normal drop off and pick up principles apply:

- Parents must use the designated zone (click here to see the map)
- Drivers must remain in the vehicle but may not Park in the Drop off and Pick up Zone to wait.
- Students must have their bags and other belongings with them in the passenger seat and are not permitted to go to the boot of the vehicle. The boot may be accessed by an assisting adult.
- Students must enter and exit the vehicle on the kerbside and are not permitted to walk between motor vehicles at any time.

Drivers are not permitted to wait in the Drop off and Pick up zone or drive through marked car park spaces/rows - If students are not ready to be picked up parents must drive around again or park in a designated parking space and wait for students.
CONCERT REVIEW

ORAIVA QUARTET

On Thursday 28th May, the Brisbane-based Orava Quartet entertained a sold-out audience with moving strains of Dvořák and Shostakovich. From the moment they began rehearsing before the concert, Ms Catherine Benz and I felt the hairs on the backs of our necks tingle. The sounds these four young men coaxed from their fine instruments were even more impressive in full performance. They ranged from sweety bright in the upper registers of the violins, through warm and mellow countermelodies in the viola and the upper cello range, to satisfyingly rich and beefy cello bass.

With the talented brothers Daniel and Karol Kowalik on first violin and cello, the family origins of the quartet still shine through in Orava's tightly synchronised rubato and dynamics. The Kowaliks, joined by friends David Dalseno (violin II) and Thomas Chawner (viola, on a new and lovely instrument) beautifully communicated the contrasting passions in Dvořák's String Quartet No. 12 in F Major. They gave the audience a personal insight by telling us that they felt a particular affinity for this piece and its association with America, as they had only recently completed their postgraduate performance studies there. The finale was particularly exciting – and one can always tell it's been a good finale when a violinist loses a bowhair!

Next, Orava encapsulated Shostakovich’s characteristic tension between angular, percussive dissonance and consonant, Romantic melodic writing in his powerful String Quartet No. 6. Unfortunately the final pianissimo chord was slightly marred with a stray touch of the bow, but this was forgotten with a brilliant, exciting encore. As Ms Benz said, we can expect much more of this excellent young ensemble in the future, and that “we heard it here at the Delmar Gallery first!”

**ADVANCED NOTICE FOR COMPULSORY HOME GAMES**

Compulsory home game attendance will be required on the following Saturdays. Students will be asked to attend the First XI Football or First XV Rugby games. Students will be informed in the week prior as to which home games they are expected to attend. This will be dependent upon the students own sporting fixture.

1. 18th July - Trinity vs Knox – Compulsory for Years 9, 10 and 11
2. 8th August - Trinity vs Waverley – Compulsory for Prep and Junior School Years 6, Year 7, 8 and 11 (Year 12 are encouraged to attend)

Rolls will be marked at each game. Boys MUST wear their full winter uniform. If it is raining on the day please ring the wet weather number (1300 788 477) for further details. This message is updated throughout the day.

Bradley Wirth | Director of Campus Administration

---

**ANNUAL CADET CEREMONIAL PARADE WET WEATHER ARRANGEMENTS**

The School’s 78th Annual Cadet Ceremonial Parade will be held on No. 1 Oval at 2.00pm on Friday 12th June. In the situation of wet weather, parents and other guests attending are requested to call the School’s Information Line on 1300 788 477 for details about any changes to the arrangements.

Bradley Wirth
Director of Campus Administration

**KINDY PROMS- 29 MAY 2015**

The annual Kindy Proms took place on Friday 29th May in the Assembly Hall to the accompaniment of much squealing, laughter and trumpet blasts. All Prep and Junior School students from Pre-K to Year 2 were kept on the edge of their seats for an hour of musical antics before lunchtime. Entertainment was provided by Mr Pratt, Mr Aschman and the Senior School’s Marching Band. Rambunctious members of the percussion warmed up the crowd with a parade featuring very silly versions of their uniform. The Band soon had us all grooving on the dance floor with the “Wiggles Medley”.

Meanwhile the dastardly Mr Pratt moved around with a microphone among the students, cruelly heckling Mr Aschman and the musicians. Eventually Mr Pratt decided that Mr Aschman’s conducting of the Main Theme from Star Wars was just not good enough, and Ms Brown’s name was pulled out of the conductor’s hat to come up on stage and conduct. Unfortunately, her conducting was no better and the concert looked like falling apart! But just at that moment, the Tooth Fairy (could it have really been our School Captain Tom Dickinson?) appeared to save the day with a magic lightsabre. This was bravely wielded as a conductor’s baton by the young Thomas Henry (OLA), who came up on stage to lead the Marching Band through Star Wars.

Soon after this, Mr Dunn was made into a snowman by Mr Pratt, with a carrot for a nose draping him with a scarf and hat. Meanwhile the Band played “Do You Wanna Build a Snowman” and other songs from Frozen. The day’s concert ended with everyone ‘getting their boogie on’ to “The Safety Dance,” and Mr Aschman cheekily told the teachers that the overexcited students were now to go back to class. It was a wild and wonderful Kindy Proms – a first for this reviewer, but certainly not the last.

Holly Champion | Music Administration Assistant
NEWS FROM THE ARTHUR HOLT LIBRARY

ACADEMIC INTEGRITY

This week in the Library, students in Year 7 have been learning about academic integrity in sessions during House period. Academic integrity is a kind of moral code, which expects a student to be honest and responsible when using the ideas of others to create new information. To introduce this concept, the library staff have been asking students to consider the question “Can ideas really be stolen?” According to the law, the answer is yes. Trinity Grammar students are expected to comply with this and ensure that all work they submit is their own. Copying or stealing the ideas of others can be unintentional, so it is vital that ethical research and note-taking skills are developed. However the sessions this week have allowed the boys to understand another side of this moral code - that not only is the stealing of ideas a legal matter, but that it goes against what we know in our hearts to be right.

The Library has a guide called “Academic Integrity” which is devoted to all these matters which you can find at http://trinity.nsw.libguides.com/c.php?g=5489&p=24223

DEWEY TUTORIAL TIME

This week we come to the final section of the DDC system - the 900s is History and Geography, although as you would expect by now you can find so much more here than atlases, travel guides and histories. In this section you will find unsolved mysteries, unusual maps and unbelievable disasters. You will find books about archaeology, ancient civilisations and early exploration. Stories of circumnavigators, monarchs and revolutionaries are contained in the pages here. Books are arranged by civilisations – for example, Ancient China, Ancient Egypt, Ancient Palestine. Further along they are grouped by continents and countries. Not just for students of Geography and History, the books in the 900s provide perspective about the world in which we live. Wide reading in this section will give students an understanding of international events and unique viewpoints about our present and future.

Tabatha Paterson | Teacher Librarian

FROM THE CLOTHING SHOP

All boys who would like lines on their blazers for the new term, please bring their blazer to the Clothing Shop so the embroidery can be done. Coats will be accepted up to Friday 19th June for lines.

If any coat is soiled it must be dry-cleaned, as demanded by health and safety, before any embroidery is attempted.

OPENING HOURS

Monday to Friday 8.30am to 4.00pm
School Holidays 8.30am to 3.45pm

Please refer to the Record Book for Saturday opening times

TRINITY GRAMMAR SCHOOL

School Prayer

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

JUNIOR, MIDDLE AND SENIOR SCHOOLS SUMMER HILL
– meet at reception in the Junior School Building, on even weeks of term (Weeks 4, 6, 8,)

Term 2 May 26th, June 9th
Term 3 July 21st, August 4th, 18th, September 1st
Term 4 October 13th, 27th, November 10th, 24th

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

By the time we reach round five of the CAS calendar, the honeymoon period of A grade selections has dissipated and the true nature of representative responsibilities has emerged, demonstrating the calibre of the players’ inherent character. The values of responsibility and determination, that we as teachers, coaches and parents hope will be embraced and internalised by our young men, were tangibly manifested on Saturday during the First XV encounter with their opposition from Barker.

The display of entertaining rugby, partly attributed to skill and talent, was significantly determined by the passion and determination of the players involved in the contest. Neither team was willing to concede advantage nor relinquish hope of winning, but when opportunities presented themselves, which were rare due to the strong defence from both sides, the players consolidated their position and took advantage of the moment.

Regardless of the leadership decisions that were made in the heat of the moment, the players from both sides committed themselves, taking collective responsibility to achieve their purpose. Consequently, the excitement of the closing quarter of the second half matched the intensity of any contest witnessed on the international rugby stage. The relief and disappointment so clearly demonstrated, as the final whistle blew, were a testament to the desire of both teams to emerge as victors.

However, despite the categories of ‘winners’ and ‘losers’ associated with competition, the players from both teams displayed the qualities of responsibility and determination that will be of greater value beyond a single game of schoolboy rugby.

**MATCH REPORTS**

The 13A match was between two undefeated teams and lived up to the pre-match hype. Both teams were eager to assert themselves early and the competition at the tackle and ruck was fierce. Trinity dominated early possession and scored the first points by way of a try to Christyon Hayek (8Ke) from a well-worked backs strike play from a scrum. Trinity was tested by Barker’s speed to the breakdown and efficient ball movement. However, the on the ball work of the backrow of James Browning (7Du), Hunter Keyes-Ahern (7Hi) and Kai Young (7We) in addition to the defensive shape of the back three, led by Reilly Large (8Hi), nullified the threats. Trinity excelled in the lineout and restarts. Joseph Nassif (7He) carried the ball well, threatening the defensive line with his direct running and sharp footwork. He scored two tries, one of which was in support of Ethan Bateman (7WJ) who strode down the field from a well-executed kick off play. The work rate of Malachi Hawkes (7WJ) and leadership and skill of Ky Willoughby (7WH) were also pleasing features of a performance that saw wonderful contributions from all players. Trinity was rewarded with a 29-10 victory, although this match highlighted the importance of winning space at the tackle contest through speed, height and body shape. Barker performed admirably in this regard. Trinity will do well to continue to work on developing this facet of the game in preparation for St Aloysius’.

For the 15Cs, the competition at Barker was strong on a cold morning, and the score does not indicate how close the game was, especially in the first half. There were many sloppy moments from both sides in the first half creating many turnovers, but Alex Douglas (9La) scored the first of his two tries through seizing a loose ball and running half the field. Barker scored in the opening
minutes of the second half, also from a turnover. From there, Trinity began to control the ball more, and put phases together. We had many people playing in new positions and it was good to see continuity in play return. Andreas Pappas (9Sc) had a great return from injury and Neilesh Fernandes (9Sc) was solid in the front row. Felix Dobbin (9Du) had a number of good runs on the wing and scored one try. The third try was an exciting one for the team, as it came from a play off a line out they designed to be used within 10 m of the try line. Well done, boys!

FROM THE DIRECTOR OF COACHING

While Trinity teams did not win many games against Barker, the closeness of almost all games was impressive. Barker have previously been very dominant in fixtures against Trinity, regularly winning games by significant margins. However, the gap in the win/loss ratio was very narrow, demonstrated by some close losses at the final whistle in many of the games on Saturday.

Best wishes to all those boys who are playing district representative rugby in the State Championships over the long weekend.

Lachlan White | Director of Coaching

The expression, ‘when the going gets tough, the tough get going’ was dramatically demonstrated by the Trinity 1st XV in their game against Barker on Saturday. The Barker players were incredibly physical in all aspects of their play and constantly threatened Trinity territory. Nevertheless, the ‘Greens’ maintained their composure and organisation in defence, patiently absorbing the sustained Barker barrage.

When the opportunity presented itself, the Firsts penetrated the opposition’s defence and scored well-deserved points. At crucial stages of the game, when two integral positions were compromised through injury, the Second Fifteen reserves, Max Swallow (11Du) and Marcus Travena (12We), seamlessly integrated into the established patterns of the team, providing more than adequate cover in the front row and on the wing. Despite losing key players, the team rallied and applied their minds to the task at hand, without allowing the disappointment to cloud their purpose and focus. Liam Rasch (11WJ) supported tirelessly from the front and retained ball from crucial line-outs, while Robert Siteine (12 St) masterfully conducted back-line distribution, sustaining pressure on the opposition. Anthony Nguyen (12Hi) persisted in terrorising the defence with strong mid-field runs, while Kordell Payne (10Yo) hovered menacingly, demonstrating his capacity to strike when he received the ball out-wide. Sipu Tuitivake (11Ho) from outside centre, dominantly managed his channel with strong defence. Together, Pernell Filipo (12La) and Angus Tonkin (12Fo) combined to prevent the attempted penetration of the Trinity defence by the relentless Barker style of pick-and-drive forwards rugby. The unexpected disruptions presented the players the opportunity of successfully managing probable detrimental and game-transforming moments, over which they had no control, by trusting the team structures and each other when it counted most.

This display of dogged determination was acknowledged by the Barker First Fifteen captain in his address at the post-game function, in which he also recognised Harry McLennan (12 Mu) and Ryan Longville (11 Mu) for their contribution in Trinity’s close win.

Andrea Folli | MIC Rugby

Trinity Grammar School
Sports Physiotherapy Clinic

The Trinity Grammar Sports Physiotherapy Clinic, is now operating in the rooms below the Pastoral Care Centre. It is open Mondays and Wednesdays 7.00am-10.30am and is run by Mr Tom Lombardo (‘01), an Old Boy of the School. Having worked extensively with elite and professional athletes at the highest levels, Tom has a particular interest and expertise in the highly specialised area of adolescent sporting injury diagnosis and management.

With established links to an extensive network of quality sports medicine physicians and by placing a strong emphasis on specialist injury prevention, treatment and rehabilitation, the TGS Sports Physiotherapy clinic will ensure reliable and timely assessment and management of your son’s injuries within the confines of the school grounds.

Consultations at the clinic are for Trinity students only and can be booked online (the link can be accessed from the School’s home web page; www.trinity.nsw.edu.au). The clinic will offer competitive rates and allow for private health insurance rebates. The cost of the initial consultation of a new injury is $78 and any subsequent consultations will be charged at $68 per service.

Andrea Folli | MIC Rugby

www.trinity.nsw.edu.au
CAS ROUND 5 VS BARKER COLLEGE

Trinity and Barker shared the spoils with both schools securing 12 hard earned victories while four matches finished in draws.

At the midway point in the season, four teams (9Es, 8As, 8Ds and 1st XI) have secured five wins from five matches. In the 1st/2nd XI and all A/B teams, Trinity are demonstrating strength and consistency by being placed in the top three of CAS after five rounds.

1ST XI

Barker are traditionally a tough opponent and Saturday’s 1st XI match reinforced this. While Trinity won the game 4-3, Barker to the last second of the game, were a threat.

In the first half, Barker played a high line in defence and their front three did not press. It was pleasing to see the Trinity boys respond quickly to these tactics. Centre backs George Vagerakas (12Ho) and Johnny Dimopoulos (12Ta) took control of the game by picking their moments to move the ball from the defensive third into the middle or attacking thirds. An example of this was Vagerakas playing a pinpoint pass into central striker Daniel Sestan (12Ta). Sestan was able to flick this onto winger Chris Hart (12Ke). Hart was moving at pace and busted through a tackle. The ball fell into the feet of an overlapping right full back in Alex Andreatta (11Du), who took a touch to control the ball and then drilled the ball across the Barker Goal Keeper into the back of the net. Trinity conceded shortly after to make it 1-1, however Trinity took the lead again via a goal from Chris Hart. The goal had its origins in a William Todd (10Ar) throw in to Daniel Sestan. Sestan was able to play a short pass to winger Reece Sekulovski (11La) who played back to No. 10 Steven Callas (12Ho). Callas found Sestan with a pass over the Barker defence. Sestan was then able to cross to Hart who finished this brilliant play off with a goal.

Very early on in the second half, midfielder William Monaha (11Mu) pounced on a Barker mistake and passed to Callas. Callas was able to flick on a header to Sestan, who lobbed the Barker Goal Keeper to score Trinity’s third goal. 15 minutes later, Trinity conceded for the second time to make it 3-2. Trinity’s fourth goal had its roots in another Monaha intercept that was played first time into midfielder William Piras (11Sc) on the edge of the 18 yard box. Piras manoeuvred his touch backwards and away from the Barker defender before turning and launching a shot over the Barker Goal Keeper that dipped into the goal to give Trinity a 4-2 lead. Barker did not give up at this point. With 15 minutes to go, Barker scored from a free kick. For the rest of the match, Trinity demonstrated a sturdy resolve to hold out Barker as they threw everything forward to find an equaliser. In the end, Trinity held out to win 4-3.

Well done to all boys who have played 1st XI in the first five rounds of CAS. They are all to be commended for their hard work and performance.

Luke Gray | 1st XI Coach

2ND XI

The Second XI continue to have tight affairs in a very competitive competition, and this encounter with Barker was no exception. An even first half with fluctuating fortunes saw the match evenly poised at the break at 0-0.

Goal Keeper Aaron Burland (12HoSc) kept a second consecutive clean sheet and was a standout performer with some fine reflex saves when called upon. Captain Zac Galluzzo (12HoSc) delivered a bevy of pin point free kicks in the second stanza which looked likely to decide the match however unfortunately despite coming close on many occasions, Trinity could not breach the Barker backbone.

Trinity remain second in a tightly compacted table at the mid-way point of the season and will need to improve their accuracy in front of goal, as the second half of the season looms large, starting with St. Aloysius’ away next Saturday.

Mark Anthony and Chris Robinson | 2nd XI Coaches

10As

During the first half, Barker gave a fine example of how utilising high pressure can make life very difficult to play football for any team. Barker created a handful of good chances because of this, mainly due to making it extremely hard for the Trinity back four to move the ball forward and often losing the ball in our defending third. However a combination of great Goal Keeping from Joshua Hobden (10We) and last ditch defending, resulted in the half time whistle coming with the score still 0-0. During the half time break Trinity made a plan to give Barker a taste of their own medicine, and this plan worked! Much of the 2nd half was played in the Barker half, with Trinity creating chance after chance and looking to test the Barker Goal Keeper on sight. In the end the decider came from a long ball from the Trinity defence, which resulted in the speedy Christian Lorenzato (10Fo) running onto the ball before finding the bottom left corner of the Barker net with 2 minutes to spare. A great win for the 10As and a superb example of how high pressure can often make it difficult for the opposing team whilst leading to goal scoring opportunities.

Dan Creasey | 10As Coach

10Bs

The 10Bs have had a frustrating run of games due to inclement weather cancellations and injuries. Trinity started strong against Barker displaying excellent communication and ball skills. Trinity controlled the play early on, keeping Barker frustrated and without possession for nearly the entire first half. Some excellent combinations by David Lambropoulos...
(10Hi) and Sanjan Naganathan (10Ta) in the centre of midfield gave many an opportunity to strikers Daniel Gabriel (10Hi) and Riley Wanless (10Hi). A small miscommunication meant that the 10B’s conceded a goal, however with determined and effective communication, Adrian Musumeci (10La) was able to even up the score before half time. Excellent defence from Ishan Nijhawan (10We) also helped foil any further attacks from Barker. Overall an excellent effort from the entire team, which was impressive to watch and brought entertainment to the spectators.

Dan Tkacz | 10Bs Coach

10Cs

Trinity started off strongly scoring in the opening minute but unfortunately couldn’t carry on with the momentum, going down to Barker narrowly 3-2, with both goals scored by Edward Khoury (10He). Not capitalising on some excellent opportunities to score proved costly, as the 10Cs suffered their first loss of the season.

Nicholas Carosi | 10Cs Coach

10Ds

The 10Ds started off well in what was expected to be a very tight match. The boys linked their passes together, playing a lot of good football in the Barker half, however credit must go to the opposition for ensuring Trinity couldn’t get a good shot at goal. The first goal went the way of the home team in green as the Barker Goal Keeper was unable to contain a low, hard shot and Zac Saboune (10Hi) was able to follow up for an easy tap in. The home team continued to play promising football, which was rewarded with another similar goal. The Goal Keeper was once again unable to hold onto the ball and Luke Asnicar (10Yo) followed up the rebound to score. The Barker boys were first to score in the second half and Trinity lost a little control of the possession. There were some good breaks by Ollie Davis (10Ke) and Charlie Jabbour (10Fo), but the team was unable to sneak another goal past Barker’s last man. Barker scored another impressive goal with a clean strike from inside the box that Goal Keeper Siddh Rawal (10Mu) could do nothing about. The end of the match saw some strong play from both sides with goals being disallowed for offside and shots going agonisingly wide of the goals. The match ended up 2-2 and although the game was there for Trinity to win, strong composure was shown not to let it slip away at the same time.

Angus Humphreys | 10Ds Coach

10Es

The 10Es fought hard against a well-disciplined Barker opposition and the final score does not do justice to the tenacity with which they played or the evenness of the teams. For most of the game neither team was able to dominate the other with Barker narrowly holding onto a one goal lead. Spectators from both teams remarked on the level of football skills demonstrated by the players. Unfortunately, while our team looked dangerous, with penetrating runs from Nikhil Shaffi (10MU), Kevin Woo (10MU) and Brian Kim (10WH), we were unable to convert these opportunities into goals. Barker, on the other hand, managed to score three goals in quick succession against the run of play in the final minutes and ended up taking the game 4-0. Although it was disappointing to lose our first game of the season, the team should feel proud of the effort they put in and the standard of football they played.

Mark Oakley | 10Es Coach

**BILL TURNER CUP ROUND 3 vs SSC LEICHHARDT**

The Bill Turner Cup squad endured a tough encounter against a physical SSC Leichhardt. A tense start to the match, saw very few chances open up for both sides. However, shortly before halftime, Samuel Harb (8Sc) made a darting run and tapped the ball past the Goal Keeper. The Goal Keeper then pulled his shirt, preventing a definite goal. This resulting in a penalty and red card for the opposition Goal Keeper. Yianni Plataniotis (7Sc) confidently stepped up to the mark and slotted a calm penalty into the bottom left corner of the goal. This provided a great boost for the boys heading into halftime. The boys maintained the pressure in the second half against a team that seemed as though they played better with one man down. However, with few chances in the second half the boys defended well and won the game, thus progressing to Round 4 of the Bill Turner Cup against East Hills High School.

Chris Monaha (10Mu)
STOKE CITY VISIT

Chris Marques played 1st XI as Goal Keeper when he was in Year 10 in 2013. One week he was playing for the Trinity 1st XI at Queens Park against Waverley, and the next he was off to Stoke City FC in England. Marques has remained at the Club and is currently part of their U18 Squad (see the following link for his profile (Click Here). On Saturday, Marques was in attendance at the 1st XI game between Trinity and Barker. If he had still been at Trinity, he would have been in Year 12 this year. Thus Saturday’s 1st XI game provided a great opportunity for him to watch his old Trinity mates play and to also be introduced and welcomed at the 1st/2nd XI afternoon tea.

Overall winning rate: 80%. 16 Wins 4 Losses

By day’s end it was obvious that all Trinity teams had performed extremely well, winning 80% of the twenty matches contested and whilst not a replication of the previous week’s 100% winning rate, it was a commendable effort against quality opposition.

TENNIS

Giant slayer Alex Ibrahim (9Ho) stepping in for the 1st IV

Outstanding contributor Kieran Chu (12We)

Last weekend represented the halfway mark of the Winter tennis season in Round 5 matches against Barker College. Barker College traditionally field very strong Tennis teams and are not to be taken lightly or underestimated and it was with this attitude and air of quiet confidence that our teams approached the fixture.
I was particularly proud of the effort of the 1st 1V, who registered an impressive 8 sets to love win against our closest rivals, who were sitting in outright 2nd place on the ladder. Though not at full strength our team was well served by replacement Alex Ibrahim (9Ho), who stepped up to the mark exhibiting a mentality and commitment that can only be described as outstanding. To further complicate matters, older brother James Ibrahim (12Ho), suffering from a severe flu, was in doubt to start the match right up until the final hour. A big thank you must be extended to our go-to reserve Kieran Chu (12We), who was on standby from the night before. Both Ibrahim boys combined exquisitely together as the number one doubles pairing, with older brother James mentoring and guiding his younger brother through the minefield of explosive groundstrokes, blistering serves and intensely contested points to emerge winners 6-3, 7-5. This was a crucial straight sets victory that deflated the opposition and paved the way for the large 8 sets to love win. The second pairing of Johnathon Nicolau (11Du) and Matthew Nedanovski (8Fo), combining together for the first time, was also ahead of the game, the boys denying their opponents any joy in their 6-2, 6-4 win. In the singles it was James Ibrahim who deserved the largest accolade, overcoming fever and lethargy to emerge victorious (6-4) in a doggedly-contested scrap in the first singles encounter. The Barker opposition offered no resistance in the remaining 3 singles encounters only winning one solitary game with Johnathon Nicolau and Alex Ibrahim winning their matches to love. The team now sits well ahead on the competition table, having converted 56 of a possible 60 points into their kitty at the half-way point of the season with a 19 point buffer separating them from their closest rival, Knox College.

The 2nd 1V also further consolidated their top of the table standing with an impressive 7 sets to 1 victory on the adjacent courts. The number 1 doubles pairing conceded the only set of the encounter losing their second set 4-6 after taking the first 6-3. All other sets were convincingly won with all players to be commended on their ability and good sportsmanship over the course of the fixture. A special mention must be extended to reserve Brendon Bechara (12Ho) who ably stepped in, adding more than his fair share of motivation and commitment on the day as per usual.

Jeremy Dykgraaff | MIC Tennis

3RDs AND 4THs IV

What a grand day for the 3rds and 4ths! Even though our 3rds made it look easy, the Barker boys did fight tooth and nail, and are to be congratulated on forcing our team to play at their best in the doubles. Kieran Chu (12We) at No.1 began slowly, finding it difficult to time his groundstrokes. But he then showed his versatility by attacking the net to great effect and once more showcased some superb volleying and smashing. Raymond Wang (12Yo), Matthew Chan (12We) and Edward Dong (12Ke) all struck the ball beautifully to crush their opponents, conceding between them a mere three games!

The story in the 4ths was a little different. After the doubles sets were shared, two close singles matches were lost, and Eugene Chow (12Sc) and Alexander Thomas (12Hi) simply had to win their singles matches, and this they did in style, both winning 6-1. After two heartbreaking losses on games the lads were certainly due to finish on the right side of the ledger!

Ashley Lucas | 3rds and 4ths IV Coach

10As AND 10Bs

In the 10As, Brendan Sleiman (10Ta) had an impressive win at A1, demolishing his opponent 6-2, while Ben Davies (10WJ) ran his opponent around with some well-placed shots to secure a 6-4 victory. Eric Shen (10He) was promoted to the As from B1 and played some outstanding tennis against a confident opponent. Eric is sure to develop into a very fine player with more games at the top level.

Brett Lammiman | 10As and 10Bs Coach

9As AND 9Bs

The Trinity 9As tennis team came up against a strong Barker team on Saturday. Tied at 1 set all after the doubles and despite some closely-contested games, Alex Scott (9St) was the only player who stepped up to win his singles. The final score was 4 sets to 2, 30 games to 19.

The 9Bs had a successful day winning 3 ½ sets to 2 ½ against strong opponents. Trinity welcomed the return of Matthew Turner (9Ho) who easily out classed his singles opponent 6 -0, while Steven Serb (9Ar) and Jordan Chen (9We) combined well to win their double, with Jordan out-classing his singles opponent. This was another good team effort.

Michael Leadbeatter | 9As and 9Bs Coach

8As AND 8Bs

The undefeated 8As and 8Bs came up against a very strong and capable Barker outfit. In the 8As, the fixture was all tied after both doubles matches. Jason Wu (8Ho) and Edward Lai (8St) played exceptionally well, displaying their confidence and composure in a 6-2 victory over their opponents. Despite positive efforts from Edward and Justin Sleiman (8Ta), winning 6-2 and 6-4 respectively in their singles, the boys fell just short by a mere 2 games. The 8Bs continued their undefeated run with a dominant performance. Due to injury, Max Russells (8Ho) made his debut for the 8Bs and got off to a winning start. Max and Jack Opperman (8Ta) won their doubles fixture 7-6 in a nail-biting encounter, whilst Oscar Jones (8La) and Dominic Lay (8St) were also victorious. The 8Bs should all be commended for strong efforts in their singles matches, and notable mention must be made to Oscar for winning 6-0 in the number one position. Both the 8As and 8Bs should be commended for an excellent first half of the season.

Arnanth Srikanth | 8As and 8Bs Coach

7As AND 7Bs

Barker College was no match for the year 7 A/B tennis teams and it was another great win for our boys over the weekend.

The As, although coming up against tough opponents, stuck it out and showed just how strong and determined they can be, winning on games 31-30 after the sets were locked at 3 apiece. Great combinations of doubles were played. Andrew Peng (7He) and Tom Jin (7Yo) winning 6-4 and Daniel Skarzynski (7We) and Luca Dimeglio (7Fo) taking it out 7-5. In the singles and the A team made it very tough on themselves dropping 3 sets against a tough opposition a big congratulations to Andrew for winning his singles match 6-2. All boys are to be commended for their efforts.

The year 7B proved just how strong they were once again by winning 5 sets to 1. Lachlan Chan (7Fo) and Alex Gaur (7) played fantastic tennis to win their doubles match 6-4, not to be out done David Kim (7Wy) and Scott Lee (7St) chipped in winning their doubles 7-5. Scott stepped up his game as well as his rank (B1), taking out his match 6-3, great tennis was also played by David and Alex both winning 6-1 in their singles. It was not the ending Lachlan Chan (7Fo) had hoped for however he was gallant in defeat giving it his best but getting beaten by a strong opponent on the day. Well done to all boys.

Danielle Calvi | 7As and 7Bs Coach
TRINITY DEFEATED BARKER

In previous years, Barker has challenged Trinity to long, intense and entertaining matches. Last Saturday was no different. Barker arrived early and began energetically preparing themselves for the hours of gameplay ahead of them. The results of their eagerness were immediate as they confidently sailed ahead to a 17-7 point score in the first set. This left Trinity far behind, but a rise in intensity from Hris Kukic (12Ar) and Lewis Jupp (11WH) changed the game. Trinity lifted spectacularly to take the first set.

Barker fought hard to claim the second set by a mere 2 points. Their hits challenged David Jeavons (12Ta) in defence, which made him keen to prove his prowess in the sets to come. The crowd watched in disbelief as David came on to pick up balls from far outside the court with ease, and then see Soren Tan (12WJ) deliver fine sets for Angus Webster (11WJ) to smash with a left handed advantage. Josh Powell (12Ho) and Thomas Mackenzie (10WJ) were vital throughout both in defence and attack, showing the great improvements they have made so far into the season. Fortunately, the final two sets were won by solid margins and ended with a strong serve to dominate the Barker defence. This win marks a milestone for the team, who will now be focussing on their games and attack, showing the great improvements they have made so far into the season.

Trinity Lifted spectacularly to take the first set.

With one set to go for the win, we were pretty confident in our chances. Alas, Barker fought back! Our confidence was shattered and to Barker’s credit, they wouldn’t back down. In the closest possible manner, it went vying for the last point. But as the dust settled it was Barker on top.

This match has served as an enormous growth experience for our team as we now know that however bleak the score, it is always possible to triumph.

Hugo Miller (11Yo) | 2nd VI Captain

TRINITY LOST TO BARKER

As gutted as we were with the result, there was no denying that this was our best game by far. The seconds got off to a flying start with the first two sets falling with relative ease due to great playmaking by our setter, Ben Wheen (10 Fo), who at the time had two broken fingers. In the front court, Matthew Rorie (10 Fo) did an outstanding job of dismantling the powerful offence shown by Barker.

With one set to go for the win, we were pretty confident in our chances. Alas, Barker fought back! Our confidence was shattered and to Barker’s credit, they wouldn’t back down. In the closest possible manner, it went vying for the last point. Congratulations to Barker, for they kept fighting as we did, vying for the last point. But as the dust settled it was Barker on top.

With tougher games ahead the boys gained a great deal of confidence from the win. Final score Trinity 19.6.120 def Waverly 5.1.31

Chris Barnes | MIC

TRINITY LOST TO BARKER
2-1 (12-21, 21-13, 16-21)

The 3rd VI Volleyball team has made amazing progress this season. Not only has every member of the team demonstrated amazing skills and behaviour to our opponents but each of them has also dedicated himself to training with determination. This week our team had the privilege of playing against a Barker team that was just as determined and just as skilful as our team. The first set went to Barker, who held the momentum from start to finish 21 - 12. However, the moment flowed to Trinity in the second set, with Trinity winning 21 - 13. The final set saw Barker finish on top 21 - 16. Whilst we did not win this week, the experience was important in providing valuable match experience to the newer members of the team.

Special mention goes to Anuj Aloysius (11 Sc) and Joshua Gereis (11 Ar) for solid performances which contributed to many of the points won. Once again thanks goes to Mr. Jono Webster for providing assistance for substitutions and for guiding the young men with his experience.

Adam Scott (11Yo) 3rd VI Captain

Bat and Ball was the name of the venue and it could not have been more aptly named as Trinity batted the ball straight out of then centre bounce to the goal square over and over again recording a thoroughly impressive 14 goal victory against Waverly. A seven goal first quarter set the tone for the afternoon as forwards Asher Linkous (7Yo) and Jonathan Tittmarsh (7Du) did some early damage. The highlight was a right-foot check side dribbling goal by Asher who could not hide his delight with the space and time he had this week. In the spirit of sportsmanship we loaned Matthew Uglow (7He) and Conor Murphy (8Ta) to even out the midfield battle and to their credit they certainly made a difference. Waverly scored 5 goals in the second term thanks in part to these two skilful young men. Alec MacKenzie (8WJ) took another step forward with his ruck work and relished the chance to go head to head with Conor. His ground work was particularly impressive given his size. With a big victory on the cards I was particularly impressed with the generosity and teamwork on display. No more so than Conor Murphy giving up an opportunity to score in order to give his hardworking captain Ben Estell (8Ta) a well earned shot from in front. Anton Demark (7Sc) popped up out of a sprinkler head to kick two great goals and even our usual defenders got into the action with goals to Christopher Stelzer (7St), Harvey Greene (8Ta) and Hugh Casimir (8WH).

With tougher games ahead the boys gained a great deal of confidence from the win. Final score Trinity 19.6.120 def Waverly 5.1.31
CROSS COUNTRY

ST IGNATIUS' INVITATION, RIVerview, Saturday 30th May, 2015

The Trinity Cross Country fraternity headed across the puddle to Lane Cove last Saturday for the St Ignatius’ Invitation, which incorporated the CAS trials for the CIS Cross Country Championships. The Trinity lads continued their fine form of recent weeks with our teams doing particularly well and a large number of boys being successful in qualifying to compete at the CIS event.

If you had asked me if there was any chance of our 14s team being beaten this year, I would have strongly replied, ‘You are kidding me?’ However, shock of shocks!!! Newington pipped us by a point to win the 14s Teams’ event at Riverview. I believe their team was buoyed by an extra athlete who was hoping to qualify for GPS squad for the CIS Championships. Benjamin Bishop (8Hi) was the first home for the still seriously impressive Green and White outfit in 4th. Hot on his heels was Ethan Brouw (7Ta) in 5th and not far adrift Logan Kaye (8Ho) in 6th. Tyeson Street (9WJ) ran into more form as he placed 17th to complete our 14s team. Other notable performances came once again from William Cooper (6La), who held off Louis Banning-Taylor (8La) in 21st and 22nd respectively. Theo Christian (6He) showed much potential as he was 37th and I’d like to see Bill Zhu (8La) dig even deeper, as I believe he can improve greatly on his 57th. He is someone to keep a watchful eye on as the season progresses.

Our 16s squad is really starting to take shape. The lads were led by Jonno Batson (9WH), who had his best run of the season so far with a much better race plan, finishing in a fine 10th place. Pericles Telemachou (10Ho) continues to show considerable improvement and potential as he finished 23rd, just holding off Nathaniel Davies (9Ke) in 24th. Nakul Kaushik (10Mu), the ‘Renaissance man’, again showed the value of his talent in playing the clarinet and saxophone as he maintained a fine rhythm with considerable lung capacity to be 31st, completing a fine team result of 4th.

Our Open team was 5th. They were led by our fearless Captain Oliver Hoare (12St) who did his best to destroy the chances of his rivals in the first two laps as he led. However, he suffered dearly from the effects of the ‘lurgy’ as he struggled home valiantly in 4th. Jordan Martenstyn (12Hi) looks better every week as he finished 28th. Keegan Street (11WJ), finishing 34th, was not far behind and no doubt will be keen to put some pressure on Jordan in the coming meets. Imagine doing more than 7kms of racing before heading off for a game of Rugby as Keegan did! Nice! Benjamin Crowhurst (11Ho) also did well to elbow his way into 40th, also before a Rugby game, to complete a solid team result of 5th. Looking through the team results, and specifically at the CAS results, if we had run the CAS Cross Country Championships last Saturday there would have been a tie between Barker and us! It is going to be tight this year, but all the more exciting as a consequence!

After the meet, the following boys were selected to compete at the CIS Cross Country Championships; Benjamin Bishop, Ethan Brouw, Logan Kaye, Tyeson Street, Louis Banning-Taylor, Mackenzie Gavlin (9Hi), Thomas Spratt (8Mu), Jonno Batson, Pericles Telemachou, Nathaniel Davies, Nakul Kaushik, Kash Powell (9Ar), Leiland Hui (9Fo), Nicholas Hui (9Fo), Oliver Hoare, Jordan Martenstyn, Keegan Street and Benjamin Crowhurst. Congratulations to all!

Good running,

Michael Spratt | MIC
MATHEMATICS CLUB MATTERS

Mathematics Club Matters Competition

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin VI from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Dimitri Louskos (8Ta) and Nam Phu (11Fo) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was hose 1 fills 6L per minute; hose 2 fills 3L per minute. Together the hoses fill 9L per minute. This means the drum filled in 2 minutes.

The answer for the Senior School Problem was only 1 student was not going to church or the movies and not playing sport.

Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

continued over >
THIS WEEK’S PROBLEM FOR BULLETIN VII:

1. Years 7-9: Middle School Problem
due on Tuesday 9 June 2015

Sam’s father is presently four times Sam’s age and is five years older than Sam’s mother. If Sam is eleven years old, how old was his mother when he was born? Please show working to justify your answer!

2. Years 10-12: Senior School Problem
due on Tuesday 9 June 2015

On a secluded island the local islanders have various hobbies. Eleven islanders play the bagpipes, eight ride a unicycle, while nine meditate regularly. Two play the bagpipes as well as meditate, three ride a unicycle and play the bagpipes, three meditate as well as ride a unicycle, while one islander has all three hobbies. If there are 28 inhabitants of the island, find the number of islanders who do not play the bagpipes, ride a unicycle or meditate regularly? Please show working to justify your answer!

Please place your name and House group with your submission by Tuesday lunch-time (1.15pm) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES
CALL FOR STUDENT PAPERS

The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit_maths.html as a formal publication.

Aims Of This New Initiative:

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquires to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Upcoming Special Event:

AN EVENING WITH PROFESSOR BEN EGGLETON ON PHOTONICS IN THE NEW INFORMATION AGE: FASTER, SMALLER AND GREENER!

Presented by the Trinity Grammar School Mathematics Club in conjunction with the Australian Institute of Physics (NSW) during The International Year of Light (IYL 2015):

Photonics in the new information age: Faster, smaller and greener!

Date Friday 12th June 2015
Time 6:00pm-8:00pm
Where Trinity Grammar School, Latham Theatre

Students and parents are welcome to attend this special event!

Event supports The International Year of Light (IYL 2015):
Western Sydney Careers Expo 2015
> Thursday 18 June and Friday 19 June, 9am-3pm
> Saturday 20 June and Sunday 21 June, 10am-3pm

Halls 5 and 6 Sydney Showground, Sydney Olympic Park
Cost: $10 or $25 for families of 3 or more (children 14 and under free) and is valid for all 4 days of the Expo. Admission includes all seminars.

The Western Sydney Careers Expo brings together over 140 exhibitors providing information on tertiary and training courses, career and employment opportunities, HSC subjects, study skills and gap year programs. Exhibitors include Australia’s major universities. The Expo also features 100 seminars on HSC subjects including English and Maths, tertiary courses, career, employment and study advice. Some complimentary tickets can be obtained from Dr Osman.

St Andrew’s College Sydney University Scholarships and Bursaries: St Andrew’s College is again reaching out to schools to advise that up to $1 million is available in scholarships, bursaries and prizes for students for 2016. Students considering tertiary study in Sydney should be aware of these opportunities. Scholarships are awarded on merit and require students to submit an application admitting five new students each year with Scholarships $25,000 per year for the length of the undergraduate degree whilst in College. Applications are now open for the 2016 St Andrew’s Scholars intake. Further details can be found from the website www.standrewscollege.edu.au/current-students/scholarships-and-prizes/

The University of Sydney:
Kickstart in the School Holidays
> Biology: Tue 30th June,
> Chemistry: Wed 1st July
> Physics: Mon 29th June

The kickstart programme will be offered at the University of Sydney Camperdown campus in the June school holidays. Each module will be available at a cost of $29.70.

The University of Sydney:
Bachelor of Science (Advanced) and Doctor of Dental Medicine
In the new Bachelor of Science (Advanced) and Doctor of Dental Medicine, students spend the first three years studying advanced science courses of their choice, followed by the four year Doctor of Dental Medicine which qualifies graduates to practice as a dentist. http://sydney.edu.au/courses/bachelor-of-science-advanced-and-doctor-of-dental-medicine

HSC Science Exam Preparation
> Thu 16th July – Sat 18th July, The University of Sydney, Camperdown Campus

Highly qualified science teachers will deliver workshops providing students with hints and strategies that will enable them to improve their HSC performance. Full-day sessions will be held on each HSC Science subject.
Cost: $40 per day
Contact: +61 2 9763 2751 or office@stansw.asn.au

US Undergraduate Information Session + Sport Scholarship Information Session
Date: Monday, June 29, 2015
Time: 1:30 for 2:00-4:00pm
Location: EducationUSA, US Consulate General, Level 10, MLC

Center, 19-29 Martin Place, Sydney
Intended Audience: High school students aiming to compete in NCAA college sport + parents and students interested in learning about the US undergraduate application process.

US Undergraduate Information Session + Sport Scholarship Information Session
Date: Wednesday, July 8, 2015
Time: 1:30 for 2:00-4:00pm
Location: EducationUSA, US Consulate General, Level 10, MLC

Center, 19-29 Martin Place, Sydney
Intended Audience: High school students aiming to compete in NCAA college sport + parents and students interested in learning about the US undergraduate application process.

Other Information: A free general information session on the US undergraduate application process and NCAA eligibility process. RSVP is essential by Wednesday, June 24 (places may be filled before the RSVP deadline).
RSVP: www.trybooking.com/89936
NCAA sponsored sports are listed under the sports tab at: http://www.ncaaconline.org/
Original photo ID is required for entry to the Consulate.

Charles Sturt University
New Bachelor of Technology and Master of Engineering (Civil Systems): The new five and a half year Bachelor of Technology and Master of Engineering combines undergraduate and postgraduate study with industry experience. Students will spend the first 18 months of the programme studying on campus at CSU Bathurst, and then undertake four one-year paid industry placements while completing their studies online. The programme will be available from 2016. Website: http://news.csu.edu.au/latest-news/charles-sturt-university/csu-engineers-new-type-of-graduate

University of Technology Sydney (UTS)
Bachelor of Information Technology Co-operative Scholarship Programme: The Bachelor of Information Technology Co-operative Scholarship Programme provides students with $15,500 per year for study, and two six month fulltime industry placements with sponsor organisations. There are two rounds of applications in 2015 for the 2016 intake. Round 1 Applications open on Tuesday 14th April. Website: http://www.uts.edu.au/future-students/find-a-course/courses/c10143/howto-apply

Please be advised that Round 1 applications for the UTS Bachelor of Information Technology (BIT) Co-operative Scholarships
Programme at UTS are now open and close 19th June 2015. Round 2 applications will open in August and will close 30 September 2015. Benefits of this outstanding programme
> Scholarship valued at around $46,500 over 3 years
> Track record of 100% employment rate for graduates
> Two six-month industry placements with sponsor organisations
> A fast track IT course with a business and leadership focus
> A prestigious course renowned within the IT industry for producing top quality graduates with business-ready skills
For further details on advice regarding applications and interview process from the BIT scholars through website www.uts.ac/BIT-apply and Facebook page facebook.com/UTS.BIT

UTS IT and Engineering Undergraduate Information Evening
If you are thinking of applying for IT and Engineering, I would encourage you all to attend the information evening on Wednesday 10 June at 5:30PM. Details and registration form can be found on the website pages www.it.uts.edu.au and www. eng.uts.edu.au

University of New South Wales (UNSW)
Future Students - Key Dates 2015:
> Engineering and Science Information Evening: Thursday 11th June.
> A Day @UNSW: Thursday 25th June
> Scholarships Information Evening: Wednesday 15th July
> UNSW Open Day: Saturday 5th September
> A Day @ UNSW - Dates: Thursday 24th November, 10th December and Friday 11th December.
Website: http://unswfuturestudents.tumblr.com/post/110503983827/key-dates-for-2015

Engineering and Science Student Parent Info Night
11th Jun 2015, 5:30pm-8:00pm, John Niland Scientia Building (G19), UNSW
Cost: FREE
Contact: Damien Nedeljkovic: studyscience@unsw.edu.au
Event Description: The UNSW Faculties of Engineering and Science invite Year 11 and 12 students and their parents to attend an information evening on 11 June 2015. Following the presentation there will be an opportunity to speak with our current students and academic staff over refreshments. For more information and registration, visit http://www.science.unsw.edu.au/events/engineering-and-science-student-parent-info-night

Australian Catholic University (ACU)
New Undergraduate Double Degrees: ACU Health Sciences is introducing a number of new double degrees in 2016:
> Bachelor of Teaching/Bachelor of Exercise Science
  (Brisbane, Canberra, Melbourne, Strathfield)
> Bachelor of Laws/Bachelor of Biomedical Science
  (Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Business Administration (Brisbane, Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield).
These degrees are still subject to final approval. Website: http://www.acu.edu.au/about_acu/faculties,_institutes_and_centres/health_sciences/course_updates/new_undergrad_double_degrees_for_2016

ACU Elite Athlete Programme
ACU’s Elite Athlete Programme has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU.
http://www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_program

Australian Catholic University: HSC Enrichment Day
North Sydney – Business Studies and Legal Studies: Thu 9th July
Strathfield – Economics and English: Thu 2nd July
Listen to lectures from university academics and get practical HSC advice. Attendees may attend as many sessions as they like. http://www.acu.edu.au/study_at_acu/courses/applying_to_acu/experience_uni_before_you_start/hsc_enrichment_day

Australian Catholic University: University Experience
> Canberra: Tue 7th July
> North Sydney: Fri 10th July
> Strathfield: Wed 8th July
An opportunity for year 10, 11 or 12 students to experience university life by living for a day as a student studying arts, business education, health or theology.
http://www.acu.edu.au/study_at_acu/courses/applying_to_acu/experience_uni_before_you_start/university_experience

Australian Defence Force Academy (ADFA)
Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC.
An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.

**MedEntry UMAT Preparation:** MedEntry is an internationally trusted educational institution providing UMAT preparation in Australia, New Zealand and Ireland. MedEntry is the only provider which is a Registered Training Organisation and which offers a Government Accredited UMAT course. The UMAT test is a prerequisite for entry into most health science courses such as medicine. Students interested in pursuing medicine and other health courses need to sit the UMAT on 29 July 2015. MedEntry is a government accredited Registered Training Organisation specialising in UMAT preparation. For more information, please visit www.MedEntry.edu.au

**University of Notre Dame: Career in Business and Law**
Thu 2nd July, 9.00am – 12.00pm, 104 Broadway, Chippendale
Speak to law staff, discuss plans for a business career with staff from the School of Business and experience a class like a University of Notre Dame student.
Contact: 02 8204 4404 or sydney@nd.edu.au
http://www.nd.edu.au/events/2015/suit-up

**Macquarie University: Physics and Chemistry Enrichment Days**
**Physics**
Wed 1st July, 8.30am – 4.30pm, Building E7B, Theatre 2, Macquarie University

Macquarie university academics will present a one-day study programme in Physics to assist year 12 students in preparing for their HSC exams.
http://www.mq.edu.au/about/events/view/physics-hsc-enrichment-day/

**Chemistry**
Fri 3rd July, 8.10am – 4.10pm, Price Theatre, Building W5A, Macquarie University

A one-day programme presented by Macquarie academics covering core material in The Production of Materials as well as Chemical Monitoring and Management modules to prepare students for the HSC.
http://www.mq.edu.au/about/events/view/chemistry-hsc-enrichment-day/

**Other News**

**Professional Cadetships Australia: Business Engineering and Technology Cadetships**

Applications for the Engineering & Technology Cadetships (ETCAD) Programme will open on the 28th of April. The 2015 Program provides Year 12 students with the opportunity to apply for an Engineering Cadetship at Rolls-Royce or a Technology Cadetship at Westpac. On completion of their cadetship, Technology Cadets are well-placed to pursue a career in ICT and in business.
www.etcad.com.au

**Engineering Link Project UTS**
Thu 1st October – Fri 2nd October, 8.30am – 4.00pm, Building 12 Ultimo Australia
Cost: $58.50 without accommodation and $120.50 with accommodation

The Engineering Link Project is a two-day event where year 10 and 11 students complete two different day-long engineering projects under the guidance of a professional engineer.

**Billy Blue Open Day**
Saturday 1st August, 10.00am – 2.00pm, 46-52 Mountain Street, Ultimo

Experience design, explore purpose built facilities, gain important course and enrolment information, and meet students and lecturers.
Contact: 1300 851 245 or info@billyblue.edu.au

**CATC Design School: Open House**
Sat 4th July, 9.30am – 4.00pm, 46-52 Mountain Street, Ultimo

Discover where a career in Graphic Design, Interior Design and Photography can take you.
Contact: 1300 661 111 or enquiries@catc.edu.au

**CATC Design School Scholarship Applications Now Open**
Applications close Sun 9th August

Scholarship applications for September 2015 (mid-year) intake are now open.
For more information and to apply, visit:

**APM College of Business and Communication: Day in the Life Workshop**
Mon 29th June, 10.00am – 4.00pm, 1-5 Hickson Road, Sydney

View college facilities, participate in a leadership and project style management workshop with lecturers, and work on real-life case studies with PR and marketing.
Northpoint, Level 9, 171 Pacific Highway, North Sydney
Contact: 1300 880 610 enquiries@apm.edu.au

**2015 Peter Howard Future Chef Scholarship**
Applications close Mon 31st August

Two students are selected for a supported culinary adventure, including travel and accommodation, to train and get valuable hands-on experience with a leading industry partner. The scholarship is open to year 12 students in NSW and ACT who are studying hospitality as part of their HSC.

**Sydney Design School: Information Sessions**
Sat 13th June, 12.00pm, Level 2, 40 Oxley Street, St Leonards

Learn about the opportunities available in interior design and the course options at Sydney Design School.
Contact: 02 9437 1902 or http://sydneydesignschool.com.au/

**My Open Day**
A website where you can find information about the upcoming open days at universities, TAFE and private colleges, as well as information about gap years and other career news.

**National Youth Science Forum**

**Dr Frederick Osman**
Director of Vocational Education and RTO Manager (Careers Education)
Timely Reflections... By Mr Ron Ogier (1966 – 1994) and (1997 – present)

Well do I remember the old swimming pool! It was there that we held the House Swimming sports with the boys arrayed on the lawn between the pool and the buildings on the north side of the Quadrangle, and on the steps of the now old gymnasium. In some ways there was a much more close connection with the swimmers and the supporters which is perhaps lessened a bit since we moved, after a few years at Ashfield Pool, to the huge SOPAC centre, though the greater number of present day students continues the enthusiasm! One of the memorable events was the annual washing (as many boys believed to be the case) of the Boarding House cutlery, which was thrown into the pool, and teams from the Houses vied to see who could retrieve the most! Apparently Health and Safety regulations were unknown in those days! The opening of the present Pool in 1985 was of course a huge occasion and swimming in the School was given a great boost, although it must be said that during the life of the new facility it was several decades before we started winning the CAS once again, 1966 being the last time until our present run of success began in 2004. The present Pool has recently undergone much renovation (see image 3), while the new Aquatic Centre is fast nearing completion. It has been a great privilege for me to have witnessed the growth of the swimming facilities of the School, and it is certainly most exciting as the opening of the new Centre draws near. The accompanying images give a quick view of what the site was like this time last year, and of the great amount of work actively going on at the moment, the last two shots having been taken only yesterday, while the first (taken in 1984) in the sequence is of the construction of Pool Number Two. Trinity has a great heritage in regard to swimming, and this surely is something in which we need to appreciate our School motto: Detur Gloria Soli Deo.
YEARS K TO 9 FOOTBALL CLINIC
JULY SCHOOL HOLIDAYS 29TH JUNE - 2ND JULY

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the July Holidays. Benefits of participating at this camp include:

- 24 hours of football tuition over four days.
- Participants train as per the Football Federation Australia National Curriculum.
- 5-8 year old participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
- 9-13 year old participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
- 14-15 year old participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
- Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
- Training facilities include a synthetic all weather football field and three indoor basketball courts.
- Participants play in mini tournaments that replicate the ‘A-League/Champions League/World Cup’.
- Participants are tiered according to their playing level.
- All participants receive BBQ on Monday and Thursday.
- Drinks and fruit provided each day.
- Coaching Staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
- See the following link for footage from the April Holiday Clinic https://youtu.be/5Oj9_gbgiq4

THE DETAILS

Where  Trinity Grammar School, Summer Hill
When   Monday 29th June to Thursday 2nd July, 2015
Time   9am to 3pm (check in at 8:45am Monday only)
Bring  Football boots, indoor shoes, sunscreen, hat, and water bottle. Bring your own Football.
Cost   $280. BOOKING and PAYMENT made by clicking on the following link at Trinity Online Community Website. http://bit.ly/1FZmNln

IF BAD WEATHER  No Cancellations
CANCELLATION FEE  20% cancellation fee occurs after Tuesday June 23rd, 2015
