TRINITY MEMORIAL DAY

Since 2005 we have paused as a School community to acknowledge the tragic death of students who died during their time at School. There are many aspects of life that challenge our faith and understanding. The tragic death of innocent children is but one such occasion. As a School community, over time, we have experienced our share of suffering, pain and sorrow in relation to the death of boys who were not only much loved members of their own families but also friends, team members and fellow classmates. This Monday at Quad Assembly, we tolled the Quad Bell 22 times as we paused to commemorate each individual boy who died whilst at School, and we observed a time of silent reflection. In so doing, we paused not only to remember them, but their families as well, who were bereaved then and who no doubt still suffer their loss today. At the same time, we also contemplated God’s goodness to us for not only granting us the gift of mortal existence but also the opportunity of everlasting life and fellowship with Him through His Son, Jesus, who died for us.
2015 NATIONAL ASSESSMENT PROGRAMME – LITERACY AND NUMERACY (NAPLAN)

NAPLAN is an annual national literacy and numeracy assessment of all students in Years 3, 5, 7 and 9. The results of these tests were sent home to respective parents last Friday. NAPLAN tests provide an understanding of a student’s performance, at the time of the test, in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy skills. This information is shown on a national achievement scale covering ten bands, of which six bands are reported on for each Year level and each test. The performance of individual students can then be compared to the average performance of all students in Australia.

The tests also provide the School with important data which can be used to direct our focus on achieving further academic gains with our boys, and remediating comparative weaknesses. Overall, it is very pleasing to note the continued outstanding academic standards being displayed by our boys in these tests. In the tables below you will find a summary of the average NAPLAN scores as well as the percentage of students achieving at a proficiency level (top two bands). A comparison is also provided between Trinity students and all students in NSW.

The School conducts a thorough analysis of the NAPLAN test results and this is considered together with other data sources relating to the overall academic progress of our boys to provide the School with the necessary information to consider appropriate adjustments to our teaching practices where warranted.

A Trinity education seeks to engage the Mind, Body and Spiritual development of all our boys. Our commitment to academic excellence is within a holistic educational environment that seeks to nurture and encourage our boys to ‘…grow in wisdom and stature and in favour with God and man.’ Jason Cheers | Academic Dean
YEAR 12 STUDENTS’ IB AND HSC MUSIC PERFORMANCES

On Tuesday night in the Orchestra Room we were treated to our Year 12 students’ IB and HSC music performances, as a prelude to their final practical examinations. Simon Jensen played a fine Haydn trumpet concerto movement and an exuberant jazzy piece by a modern Australian composer. Andrew Lin gave us Shostakovich’s “Praeludium” for violin and then transformed into a ‘fiddler on the roof’ with a Klezmer medley. Timothy Tan and later Raymond Wong also played violin with great technical skill and sensitive musicality, regaling us with pieces by Elena Kats-Chernin and Wieniawski, and Haydn and Bach respectively. Harry Cobon on acoustic guitar gave us the gentle relaxed grooves of “Mas Que Nada” and cleverly played all the voices simultaneously in a polyphonic arrangement of the Beatles’ “Day Tripper”. We were moved by Theodore Kouventaris’s very beautiful rendition of Debussy’s “Claire de lune” and also Grieg’s “Wedding Day”, in which romance and rusticity mingled in equal measure. The evening was topped off with an exciting performance of Mr Dimitrievski’s original Balkans-style folk composition “Igra” with the composer playing a supporting role on saxophone to Eugene Chow’s really quite virtuosic clarinet lead. These Year 12 boys—I mean men!—make the Music Department proud, and we wish them all the best with their final exams.

The Trinity app

The new Trinity app is now available from the App Store and from Google Play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au

NSW SCHOOLS KNOCKOUT CHAMPIONSHIPS
Thursday 20th August at Sydney Olympic Park Athletics Centre

NSW Schools Knockout Championships were held on Thursday 20th August at Sydney Olympic Park Athletics Centre. Trinity Grammar School had its biggest representation with two Junior, two Intermediate and one Senior team competing for the chance to represent at the Nationals in December, a top two finish would secure a place to Melbourne.

On a cold winters night, Trinity’s Track and Field representatives produced outstanding performances to come away with three medal winning teams.

> Our Junior teams (13/14 years) placed second and fifth respectfully.

**Silver Medallists** - Ethan Brouw 7Ta, Isaac Wilkins 8Mu, Benjamin Bishop 8Hi, Connor Murphy 8Ta, Elijah Hooper 8Ar, Luke Cunningham 9He

Fifth placing - Blake Toohey 7Ke, Alex Cameron 8WH, Justin McNamara 8Sc, Logan Kaye 8Ho, Christian Morfuni 8Ar, Angus Clark 9WH

> In the Intermediates (15/16 years) we finished in first place and sixth.

**Gold Medallists** - Lelland Hui 9Fo, Alexander Kolesnikoff 9Ho, Jonathan Hooper 9Ar, Byron Hollingworth-Dessent 10Sc, Calvin Li 9Ar, Monty Hannaford 10Du, Sebastien Moir 10Hi, Will O’Brien 11WJ

Sixth placing - Dean Kalliris 9Ke, Brian O’Neill 10Sc, Jason Doric 10We, Samuel Otton 10Ta, Bertie Swann 10Ar, Ben LoRusso 10He, Nakul Kaushik 10Mu, Riley Smith 11Ke

> And our Senior team had a close tussle with Barker to finish in second place.

**Silver Medallists** - Carl Coorey-Ewings 11WJ, Rohan Browning 12Du, Anthony Nguyen 12Hi, Jordan Martenstyn 12Hi, Matthew Kuo 12WH, Marcus Trevena 12We, Edward Dynasty 12Yo, Hamish Weiss 12St, Oliver Hoare 12St

All age categories will have the chance to be crowned the best Track and Field school in the country at the Nationals in December, a fantastic achievement for all involved.

We had two School record performances on the night;

> **Rohan Browning 12Du** 100m in 10.87s.
> **Ethan Brouw 7Ta** 13 years 800m in 2.10.49s

Saturday’s Barker Invitation was the second of four Saturday Meets for the Track and Field squad. Trinity had a strong representation across all age groups with a large number of personnel best performances being achieved.

We had two more School Records broken;

> **Anthony Nguyen 12Hi** broke both the Discus record throwing 41.99m and the Shot put record with a throw of 14.46m with the massive 6kg ball...

Overall, some brilliant performances. However, with only two more opportunities to compete before this year’s CAS Track and Field Championships, it is imperative for all athletes to continue to be vigilant with their training, recovery and competitions.

This coming weekend’s Meet is the St Patrick’s and St Pius Invitation, again at SOPAC. The programme for the Meet is the same as last week and appears on the School’s website. A voluntary bus will be leaving the Victoria Street Gates Saturday morning at 8:00am and will depart the venue at 2.45pm, returning to School at 3.15pm.

12 sleeps to go until the 86th CAS Track and Field Championships.....

Trinity Grammar School
Sports Physiotherapy Clinic

The Trinity Grammar Sports Physiotherapy Clinic, is now operating in the rooms below the Pastoral Care Centre. It is open Wednesday mornings from 7.00am-10.00am and is run by Mr Tom Lombardo (‘01), an Old Boy of the School. Having worked extensively with elite and professional athletes at the highest levels, Tom has a particular interest and expertise in the highly specialised area of adolescent sporting injury diagnosis and management.

With established links to an extensive network of quality sports medicine physicians and by placing a strong emphasis on specialist injury prevention, treatment and rehabilitation, the TGS Sports Physiotherapy clinic will ensure reliable and timely assessment and management of your son’s injuries within the confines of the school grounds.

Consultations at the clinic are for Trinity students only and can be booked online (the link can be accessed from the School’s home page; www.trinity.nsw.edu.au). The clinic will offer competitive rates and allow for private health insurance rebates. The cost of the initial consultation of a new injury is $78 and any subsequent consultations will be charged at $68 per service.

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8,)

Term 3 September 1st
Term 4 October 13th, 27th, November 10th, 24th

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

There will be three buses leaving at 11:00 am from Prospect Road for the competitors.

All boys in Years 9, 10 and 11 will travel to SOPAC by bus from School, departing at 1:15pm. Students in Years 7, 8 and 12 can voluntarily attend by collecting a permission note from the Sportmaster’s office and returning the signed permission slip to the student services office by Wednesday 9th September.

The Championships will finish at approximately 8.15pm. The buses will be leaving as soon as possible thereafter and will return all students back to the Summer Hill Campus.

Any students wishing to be picked up by their parents from SOPAC after the Championships must supply a note to Student Services by Wednesday 9th September notifying the school of these arrangements. Students not returning to Trinity must be collected by their Parents or Guardian as students are NOT to use public transport to make their way home.

Parents who collect their sons from SOPAC will have to park in one of the car parks while waiting for their sons to leave the Centre in the evening, as there will not be any room for cars to park outside of the Athletics Centre.

Parents will not be able to collect their sons before the end of the CAS Track and Field Championships as it is grossly discourteous for boys to leave before the end of the meeting. All boys should support their School Track and Field Team right to the very end.

Boys must wear their winter uniform including coats to the Championships. Boys should also be ready to be actively involved in cheering, thus supporting our Athletes. All i-pods, ipads, MP3’s, tennis balls, reading material, etc. will be confiscated. Boys may take their mobile phones but must ensure they are switched off during the Championships. The phones may be kept in the student’s pocket.

Boys will be able to purchase food and drink at the Centre. However, it would be an advantage to bring food and drink, as the lines at the kiosk can be very long. No school bags should be taken to the Championships and definitely no glass bottles.

If there is a legitimate reason for their son not to attend the Championships, parents are encouraged to write a letter to the Master of the Middle School (Yr 9) or Master of the Senior School (Yrs 10 & 11) requesting permission. Boys in Years 9 to 11 who are unable to attend the Championships will be expected to attend and give support to an alternate non-compulsory School event at a later date.

Year 12 Mothers’ Farewell

The Summer Hill Auxiliary held its annual Year 12 Mothers’ Farewell Dinner in the Dining Hall on Wednesday 26 August. It was a happy evening with much laughter, the sharing of memories and the passing round of contact details for life after Trinity.

Louise Robertson | Auxiliary President

Trinity Connection

In attendance at the Year 12 Mothers’ Farewell Dinner were “old” mothers from former years who are members of the Trinity Connection, Mrs Jo Sparke (President) and Mrs Liisa Chappelow (Secretary). The Connection is a group of Mums who have maintained their connection with the School and who meet several times a year for social functions and outings, and is not necessarily a fund-raising organisation but rather is an avenue for mothers to maintain their interest in the School. They warmly welcome the 2015 mothers to join the Connection when their lads finish this year, so that friendships and associations formed during those years may continue to be enjoyed. There is a form (click here to download) on the web for those wishing to join while Liisa may be contacted by email or on 9581 6024.

MATHEMATICS CLUB MATTERS

MATHEMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin VI from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Flynn Innes (9Mu) and Calvin Fong (11Ta) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was seven zips have the weight of 1 wob. The answer for the Senior School Problem was the probability of A=34.3% and B=29.2%. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

THIS WEEK’S PROBLEM FOR BULLETIN VII:

1. Years 7-9: Middle School Problem due on Monday 31 August 2015

A test was taken by 60 students and was scored on a scale from 0 to 100. Only 21 students scored higher than or equal to 80. What is the smallest possible average score of all 60 students? Please show working to justify your answer!

2. Years 10-12: Senior School Problem due on Monday 31 August 2015

If a, b, and c are consecutive odd integers whose sum is 57, what is c? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.15PM) at the Mathematics Department Office.

REFLECTIONS FROM THE INAUGURAL SCHOOL BASED TRAINEESHIP DINNER

On the evening of Monday 24 August, Trinity Grammar School proudly hosted the Inaugural School Based Traineeship Dinner. The purpose of the evening was twofold – to thank the employers who have partnered with the School in providing work placements for our students, and to congratulate our young men who are nearing the end of this commitment.

In his words of welcome, Head Master expressed his support of the School Based Traineeship programme in providing a recognised educational pathway for our students at Trinity. The Head Master thanked Dr Osman for his unwavering commitment and hard work in establishing the programme, and for his dedication to the pastoral approach which is always at the heart of his involvement in training and educating our boys for their futures.

The theme that was consistently discussed during the evening was the importance of the role of employers in exposing our School Based Trainees to work in the real world.

School Based Traineeships provide students with the opportunity to attain nationally recognised Vocational Education and Training qualification, as well as their HSC, while gaining valuable work skills and when Scotland Alexander (12Sc) addressed the group, he emphasised the growth he experienced due to his participation and inclusion as an employee at Carrington Electrical Services. He said that he felt he was valued as a trainee, as someone who had a long term commitment to working with this employer.

Our special guest for the evening, Ms Dianne Dayhew, Manager – Strategy Support, Policy and Research at the Construction and Property Services Industry Skills Council, spoke to the boys of the importance of allowing their ideas for their futures to be unlocked. Dianne used her experience gaining employability skills working in the VET sector as a young person, to describe her pathway to exploring ideas for her own career, saying that her participation in different workplaces, while gaining educational qualifications at school, gave her recognised skills that employers in her future would value.

Mr Mae thanked the employers for their time in attending the dinner, and for their partnership with the School in employing the boys during their traineeships. He thanked George and Emmanuel Giannaros of Carrington Electrical Services, Jeremy Wikeepa of Jerissam Constructions, Brock Thompson of Dean Brown Constructions, Eric Mancini from Mancini’s Ristorante Italiano, Jason Wagg and Clem Morfuni of Axis Plumbing and David Murrie of Trippas White Group. Sending their apologies on the night were Steven Barnett of SBE Contracting, Graham Whitehouse from Norwest Productions, Les Bennett of AAA Electrical and Darren Chignell of Lipman Constructions.

It is encouraging to see that this programme has provided our boys with further pathways in securing apprenticeships and further employment opportunities after Year 12. We wish our boys all the very best in their future endeavours.

NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES
CALL FOR STUDENT PAPERS

The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club website http://www.trinity.nsw.edu.au/1_senior/spirit_maths.html as a formal publication.

Aims Of This New Initiative:

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club website page publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquiries to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Department of Defence

Undergraduate Sponsorship Opportunities: The Department of Defence would like to advise you of civilian undergraduate sponsorships available in 2016 in the following degree disciplines:

> Engineering: Mechanical, Electrical, Aeronautical and Civil (Min ATAR 85);
> Business (Min ATAR 80);
> Arts (Min ATAR 75); and
> Science (Min ATAR 75).

These sponsorship opportunities are offered through the University of New South Wales (UNSW) at the Australian Defence Force Academy (ADFA) campus in Canberra. The Defence Civilian Undergraduate Sponsorship (DCUS) offers aspiring university students the opportunity to study alongside members of the Australian Defence Force as civilian students. Successful applicants, who meet the required ATAR, will work to complete a three or four year undergraduate degree, awarded by the University of New South Wales. UAC

UAC Undergraduate Admissions 2016: Undergraduate applications have now opened. We recommend you apply by Wednesday 30 September 2015, before the processing charge starts to increase. http://www.uac.edu.au/undergraduate/

Don’t worry if you haven’t decided on what or where you want to study. After you’ve applied you can change your course preferences as many times as you like for no extra cost. Many students wait to receive their ATAR before they make their final decision. In fact, you’ll have until Wednesday 6 January 2016 to finalise your preferences for the Main Round of offers to semester 1 courses.

UAC Educational Access Schemes

Most of UAC’s participating institutions have Educational Access Schemes (EAS) to help students who have experienced long-term educational disadvantage gain admission to tertiary study. To be eligible for EAS consideration, student educational performance must have been seriously affected for a period of at least six months during Year 11 and/or 12 or equivalent, due to
circumstances beyond their control and choosing.

YEARS K TO 9 FOOTBALL CLINIC
SEPTEMBER SCHOOL HOLIDAYS
21ST SEPTEMBER - 24TH SEPTEMBER

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the July Holidays. Benefits of participating at this camp include:

→ 24 hours of football tuition over four days.
→ Participants train as per the Football Federation Australia National Curriculum.
→ 5-8 year old participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
→ 9-13 year old participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
→ 14-15 year old participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
→ Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
→ Training facilities include a synthetic all weather football field and three indoor basketball courts.
→ Participants play in mini tournaments that replicate the 'A-League/Champions League/World Cup'.
→ Participants are tiered according to their playing level.
→ All participants receive BBQ on Monday and Thursday.
→ Drinks and fruit provided each day.
→ Coaching Staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
