FROM THE HEAD MASTER

MATTERS ACADEMIC

Recently, we have received some pleasing news giving further indication of the School’s good standing in academic terms, in relation to the ELEVATE (Agile Design for High Potential Learners) programme. Earlier in the year, the School was recently invited by the Association of Independent Schools of NSW (AISNSW) to potentially participate in a new educational initiative known as ELEVATE. We have now been informed that following an assessment by an external assessment panel to consider the Community of Practice applications for ELEVATE, Trinity Grammar School has been selected as one of the participants in this unique collaborative venture.

ELEVATE has been initiated by the AISNSW and amplified by strategic partnerships with the UK-based Innovation Unit (IU), and the Australian Institute for Teaching and School Leadership (AITSL). Funding for this programme has been provided by the Australian Government Students First Support Fund and AISNSW. The impetus for ELEVATE stems from growing concerns about the underperformance of the top 40% of Australian learners, substantiated by national and international research and assessment (see further details in this Bulletin).

CAS TRACK AND FIELD SEASON

With only one remaining Saturday competition to go before the 86th CAS Track and Field Championship at SOPAC, the countdown has begun in earnest for our athletes and their coaches. This week I have taken the opportunity of calling in on several of their training sessions and I have been both pleased and impressed with the level of commitment of our athletes as indeed I have been earlier in the season, having observed them in previous Saturday competitions. In particular, I would like to acknowledge the efforts of our Year 12 athletes who are supporting the team and the School at a time when they have added pressures associated with end of academic year examinations and final HSC/IB preparations before formal classes end for them at the end of this term. I sense there is a positive esprit de corps throughout the team and that both coaches and athletes are in a good position physically and mentally, to give of their best in what will no doubt prove to be another outstanding CAS Track and Field Championship. Whilst by no means favourites for this year’s title, there is an emerging momentum developing which will make sure our team is extremely competitive on the day.
ASSIST SCHOLARSHIPS IN USA 2016/2017 FOR STUDENTS IN YEAR 11 (2016)

These scholarships provide for the selected students a 10-month, fully-funded opportunity to attend an affiliated independent school of the National Association of Independent Schools in the United States. No school fees and no boarding costs are required for these places. The tuition/boarding fees which are waived are as high as $US$56,620 or close to 80,000AUD currently.

Requirements of candidates are:

> Must be between 15 – 18 years of age
> High academic and general ability
> Exceptional character and personal suitability references
> Ability to sustain a long-term overseas placement

If selected candidates will need to:

> Pay the return airfare to the USA, health insurance, and
> Provide their own personal spending money (approx. $US150 per month).

Scholarships in this round are being offered for the period August 2016 to June 2017, allowing the completion of a full year of study and experience in the United States. Students are individually matched to schools with meticulous care, and a very high standard of pastoral oversight is provided by ASSIST personnel throughout the school placement.

Students who are currently in Year 10 and who will be in Year 11 in 2016, in Australian independent schools only, are eligible to apply for ASSIST Scholarships. The closing date for all applications is Friday 23 October. For further information and application materials contact:

Dr Alan Hutchison  
Deputy Principal and Head of the Senior School  
Ivanhoe Girls’ Grammar School, Melbourne  
phone (03) 9490 6237  
email ahutchison@ivanhoegirls.vic.edu.au

Peter Green | Deputy Head Master

ELEVATE
AGILE DESIGN FOR HIGH POTENTIAL LEARNERS

The School has a strong commitment to academic excellence and nurturing student growth at all levels of their education. We recently applied, and have now been accepted, to participate in a collaborative Community of Practice, along with 15 other schools from around NSW (12 independent, two government and one catholic school), focussed on lifting learning outcomes for high potential students. The project is titled ‘ELEVATE’ and has been initiated by the Association of Independent Schools of NSW, supported by strategic partnerships with the UK-based Innovation Unit and the Australian Institute for Teaching and School Leadership (AITSL).

ELEVATE is a multi-year programme of work focusing on designing and implementing practices to address the learning needs of high potential learners, including gifted learners. The impetus for ELEVATE stems from growing concerns across the country about the underperformance of the top 40% of Australian learners, substantiated by national and international research and assessment. Utilising robust design thinking, methods and processes, in combination with research evidence, practitioner knowledge and the experience of teachers, ELEVATE provides an exciting opportunity for the growth and refinement of our learning and teaching models at Trinity.

Key focus areas for the ELEVATE project include:

> creating the conditions that enable a shift towards more powerful and effective teaching and learning experiences for high potential learners
> reshaping practices and improving the evidence base to enhance achievement, wellbeing and engagement of high potential learners
> curriculum and pedagogic designs that are responsive to pace, depth and level of complexity for high potential learners, creating challenges and opportunities to achieve excellence and become further motivated
> assessment practices and data literacy informing the design of optimal learning experiences that meet and extend curriculum opportunities and amplify impact with high potential learners
> successfully using a basket of measures to effectively monitor the progress and growth of high potential learners

Our commitment to academic excellence at Trinity is within a holistic educational environment that seeks to nurture and encourage our boys to “…grow in wisdom and stature and in favour with God and man.” An important element of this project is its focus on individual school context, and not a “one-size-fits-all” approach to successful educational outcomes for students.

The School is excited about the opportunities that lie ahead with our involvement in ELEVATE, further helping our boys realise their potential in academic attainment, wellbeing and life outcomes.

Jason Cheers | Academic Dean

The Trinity app

The new Trinity app is now available from the App Store and from Google play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au

FROM THE DEPUTY HEAD MASTER

FROM THE ACADEMIC DEAN

FROM THE DEPUTY HEAD MASTER

FROM THE ACADEMIC DEAN
**ACADEMIC FOCUS**

**ECONOMICS DEPARTMENT FOCUS**

**THE CASE FOR AN ACCELERATED SUBJECT**

The Economics Department has two options available for current Year 9 students in regard to the 2016 academic year in order to gain a head start and undertake accelerated Business Studies (HSC) or Economics (IB) in the year ahead of their cohort. Historically, the results from the accelerated classes have been outstanding. The extra academic rigour of an accelerated subject in Year 10 also seems to help strengthen student performance across their academic spectrum.

If a student is looking to pursue the HSC path, then Business Studies is offered as an accelerated subject in Years 10 and 11 with the final HSC Examination undertaken in October 2017. In the International Baccalaureate, Economics at Standard Level is offered with the final examination held in November 2017. In selecting accelerated IB Economics at Standard Level, a candidate will need to select three other IB subjects at Higher Level. Both classes will begin at the start of Lent term and classes are conducted out of the regular timetable, usually two early morning starts at 7.30am and two lunchtimes during the week. In Year 11 it is the expectation that the accelerated class will fit into the main timetable.

To be eligible to undertake accelerant HSC Business Studies or IB Economics, a student needs only to be highly motivated and willing to take on the challenge of an additional workload in Years 10 and 11; however, the benefit in Year 12 is that there is more time available to spend on other subjects with one result already banked. Expressions of interest in the accelerant classes will be taken in Michaelmas Term ready to start in early February.

Guy Dennis | Acting Head of Economics

**NEWS FROM**

**THE ARTHUR HOLT LIBRARY**

A friendly reminder…

**What do I do?**
**What do I do?**
**This library book is 42 Years overdue.**

In this poem entitled “Overdues”, the poet Shel Silverstein taps into a familiar feeling for everyone who has ever borrowed a book from a library. For as long as there have been libraries, there have been overdue books! Anyone can forget they have a library book in their possession – the former US President George Washington borrowed two books from the New York Society Library in 1789 and never returned them. While at this stage he owes about $300,000, the library says it won’t pursue the fine – but it still would like the books back! Luckily no one is setting any records of that sort here at Trinity. But it is that time of the year when we ask for students to return all overdue items to the Library. Any found items that may have already been paid for can still be returned and the funds will be reimbursed. Please contact the Library staff regarding questions you may have about overdues. Thank you!

Tabatha Paterson | Teacher Librarian

---

**YEAR 7 VACCINATIONS**

The NSW Health Department will be offering Human Papillomavirus (HPV) vaccine as part of the Adolescent School-based Vaccination Programme.

The vaccination schedule is as follows:

> **14th September 2015**, Term 3, Week 10
  Human Papillomavirus Vaccination (HPV) – dose 3

Catch up vaccination will also take place for students that have missed previous doses.

Only students who have returned their consent forms will receive vaccinations on the day.

Please contact Sr Katie Brooks in the Health Centre on 9581 6023 if you have any questions.

Bradley Wirth | Director of Campus Administration

---

**2015 PIERRE DE COUBERTIN AWARD**

Each year the Australian Olympic Committee recognises the contribution to sport by one senior student from each school in the state with the Pierre de Coubertin Award. This award is named after Baron Pierre de Coubertin, founder of the modern Olympic Games. He believed sport was for all people and should be used to promote peace and unity while emphasising the importance of competing rather than winning.

The award is intended to recognise those who actively participate in a range of sports, and in doing so, exemplify the attributes consistent with the fundamental aims of the Olympic movement.

This year’s Pierre de Coubertin Award recipient is Oliver Hoare (12St). An extremely talented individual, Oliver competes in a variety of sports, including Cross Country, Track and Field and Swimming, achieving great heights. With a strong work ethic, dedication to his training and disposition for hard work, Oliver is very much a role model to younger students at the School. He exudes the qualities of Olympism, namely sportsmanship and appreciates the important link between sport and education. Oliver epitomises the qualities of a leader, mentor and role model for all Trinity boys and rightly deserves to be recognised as the Pierre de Coubertin Award recipient for 2015. Congratulations Oliver!

Hugo Engele | Sportsmaster
Parents who collect their sons from SOPAC will have to park in one of the car parks while waiting for their sons to leave the Centre in the evening, as there will not be any room for cars to park outside of the Athletics Centre.

Parents will not be able to collect their sons before the end of the CAS Track and Field Championships as it is grossly discourteous for boys to leave before the end of the meeting. All boys should support their School Track and Field Team right to the very end.

Boys must wear their winter uniform including coats to the Championships. Boys should also be ready to be actively involved in cheering, thus supporting our Athletes. All I-pods, ipads, MP3’s, tennis balls, reading material, etc. will be confiscated. Boys may take their mobile phones but must ensure they are switched off during the Championships. The phones may be kept in the student’s pocket.

Boys will be able to purchase food and drink at the Centre. However, it would be an advantage to bring food and drink, as the lines at the kiosk can be very long. No school bags should be taken to the Championships and definitely no glass bottles.

If there is a legitimate reason for their son not to attend the Championships, parents are encouraged to write a letter to the Master of the Middle School (Yr 9) or Master of the Senior School (Yrs 10 & 11) requesting permission. Boys in Years 9 to 11 who are unable to attend the Championships will be expected to attend a later date.

Bradley Wirth | Director of Campus Administration
REFLECTIONS FROM THE CERTIFICATE II IN LEADERSHIP THROUGH CADETS EVENING

The Parent Information Night conducted on Friday 28th August was an opportunity to gauge the success and esteem with which parents valued the Trinity-owned Certificate II in Leadership Through Cadets course, now in its second year. Prior to the Information Night the reputation and quality of the course had been established with much interest in the course being shown by external agencies and schools.

The second Information Night was indeed a success, with close to the required number of boys already nominating for the course even before the presentation. Further inquiries were received after the Information Night presentation, resulting in a significant increase in numbers compared to the previous, inaugural, year. Initially we had conducted an information brief to all Year 7 students going in to Year 8. From this initial brief we gained indicators that a large number of Year 7 boys were interested in attending the Information Night. Students were informed that the number of vacancies was limited to 40 for this course, so we were pleased to receive a large number of completed forms before the Information Night, this being indicative of the enthusiasm that students and parents displayed. No doubt word was out concerning the quality and benefits of the course.

Prior to the Information Night, support was requested and received from Brigadier Wayne Budd, CSC Commander of the Australian Army Cadets (AAC). He was more than happy to attend and help endorse the course from an Australian Army Cadet perspective. All guests were received in the Bosch Room.

Parents and students had assembled in the Latham Theatre with close to one hundred in attendance. Information Booklets were distributed by participants from the current Leadership Through Cadets Basic Course. These booklets contained all pertinent information necessary to address questions about the Course and the manner in which it would be conducted. Mr Tom Mae (Director of Teaching and Learning) was the Master of Ceremonies. He introduced the speakers and shared important information to guide both parents and students in their final decision making.

Attendees remained after the presentation to speak with staff and participants of the current Basic Course to gain additional insights into involvement in the Course. The six Year 8 students who assisted on the night volunteered their honest appraisal of the Course, all being very well received by those present. Parents were asked to complete application forms while socially connecting with staff and other parents and students. Currently, there is a significant increase in the number of students eager to enrol in this unique programme.

Students will first be issued with their uniforms, ready to start the programme on the 16th October 2015.

George Stefanovic | MIC Leadership Through Cadets
The St Patrick’s College and St Pius X College Invitational was the third opportunity for boys to secure a place in this year’s CAS Track and Field team. With close to perfect conditions we had our biggest range of personal best performances across all event categories, in total 65 PBs on the weekend were achieved, “a fantastic achievement” from a team hungry to succeed at this year’s Championships. You can access photos from the Meet on our Track and Field website by clicking here.

Two students came close to School records on the weekend; Justin McNamara (8Sc) narrowly missed the 14 years Discus record throwing 48.13m (60cm short of Anthony Nguyen’s record achieved back in 2011).

Ethan Brouw (7Ta) continues his great form in the middle distance events, narrowly missing the record in the 1500m running 4.32.50s in the 13 years age group.

Overall, Trinity performed extremely well and continues to strive to be the best team it can be. Only six sleeps to go until the big day! This Saturday will be the final opportunity for students to gain selection, so hopefully we will have a full turn out so that we can select the best possible team for the Championships.

Other notable performances were:

**13 Years**

Jack Bermingham 8Mu Javelin 33.05m
Blake Toohey 7Ke Javelin 33.15m, Discus 27.17m and 1500m 4.51.69

Opens

Marcus Trevena 12We 110mHurdles 16.39s and 100m 11.41s
Edward Dynasty 12Yo 110mHurdles 15.93s
Jordan Martensyn 12Hi 800m 2.00.92s and 1500m 4.21.02s

Overall, some incredible results! However, with only one more opportunity to compete before this year’s CAS Track and Field Championships, it will be imperative to have all students on board in the final competition to fine tune the best possible team we can be.

Our final pre-CAS Meet will be the Waverley Invitation, to be held at the ES Marks Athletics Field, Kensington, this Saturday 5th September. The programme of events is available on the School’s website, and is the same as previous Meets. There will again be a voluntary bus leaving the Victoria St Gates at 8.00am for any athlete who needs transport to the Meet (arriving back at 3.15pm). As this is our last opportunity to select the CAS Team, it is very important that all Trinity athletes compete in their allocated events and really challenge themselves to ensure their final pre-CAS performances are the best they can produce.

The CAS team (which includes Reserves) will be confirmed at a Selection Meeting on Saturday afternoon, and will be posted up on the Track and Field Noticeboard 7:30am Monday morning (7th September). As in the past, this year’s selection process will be no easy task. It is vitally important that our CAS team on September 10 is the strongest performing team we are able to have represent our School. For those athletes who unfortunately are not selected in the final CAS team, their involvement and support has been invaluable and I am sure their experiences this season will enable them to come back a stronger and more determined athlete in 2016.

Training on Monday 7th September will be as per individual training programmes for boys selected. On Tuesday 8th September, there will be a Quadrangle Assembly at 8.25am to present the CAS Singlets to Team members (including Reserves who are vital Team members). All selected Team members (including Reserves) are to meet on the Quadrangle by 8:00am Tuesday morning, with coats/blazers, to be organised for the Presentation. Later on in the day will be the CAS Team Photo at 1.05pm on No.1 Oval. Boys will be allowed out of class at 12:50pm to get changed into their Track and Field shorts and newly issued CAS singlet for the photo (no shoes). In the afternoon, the entire CAS Team will be having a light training session and team meeting, followed by a pasta meal in the Cafeteria. Boys will be dismissed at 6.45pm.
On Wednesday 9th September, training in the afternoon will be at the discretion of coaches, and individual boys will be notified if they are required to attend. On Thursday 10th September (CAS Day), Track and Field Team Members have been given permission from the Head Master to arrive at School in full Trinity tracksuit. Boys must still attend normal classes until 10:00am. At this time, they are permitted to leave class to have their recess on No. 2 Oval. At 10.30am they will move to the Assembly Hall for a pre-departure meeting with the MIC and Captain, followed by a formal farewell from the School on the Quadrangle at 10:50am. The Team will arrive at SOPAC by 11:45am. Team Members are not allowed to go directly to SOPAC without attending School in the morning.

A programme for the 86th CAS Championships can be found on the School’s website. Fruit and water will be available in the Trinity tent for all Team Members, but boys will need to provide their own lunch and afternoon snack. We recommend that athletes bring a roll with low fat cold meat and salad, a low fat yogurt, a cereal bar, and a watered down sports drink. Trinity Team Members will not be permitted to go to the canteen at the Stadium. During the Championships, Team Members must remain in the Trinity tent when they are not competing or warming up for their event(s). The only uniform permitted to be worn in competition on the day is the Trinity CAS Singlet and Track and Field Shorts (not PE shorts). Boys are not permitted to wear jewellery of any type, and can only wear tights (must be above the knee) if they are worn under their Track and Field shorts (CAS rule). All Team Members must stay at the Championships until the final presentations have been completed (around 8:00pm). At this time, boys need to then make their own way with their parents to the function at the Preparatory School.

The 2015 End of Season Track and Field Function will be held at the conclusion of the Championships at the Preparatory School, beginning at 8.15pm. It will be held in the Pavilion building. There will be a bus for boys at the end of the Championships, or they can make their own way there with their parents. An RSVP is required for this function, with the invitation extended to all boys, and family members, who have been part of the Track and Field Community throughout the Season. An invitation and RSVP form can be found on the inside cover of the Track and Field handbook. RSVPs are due to Ms Georgina Gunner in the Sportsmaster’s Office by Monday 7th September.

I would also like to take this opportunity to thank all the Track and Field parents for helping to make this year’s season such a successful and memorable one for all involved. Your support and encouragement has been inspiring, as has been your assistance with running the various events at our Invitation and other Meets. A special thank you is also extended to Mrs Kate Hoare for her tireless efforts throughout the season, as well as the other members of the FOTF committee. Your support is greatly appreciated and I look forward to working with many of you again in the coming year as we continue to support the boys in their efforts in Track and Field at Trinity.

Finally, to the boys selected in the 2015 Trinity Track and Field team: this year’s Championships is an opportunity to represent your School in front of the biggest crowd of any School event. The physical preparation phase is over – it is now how you mentally handle the challenge. Congratulations, and enjoy the moment!

Dream It, Believe It, Set Your Goals and You Can Achieve It!

Andrew Murphy
Director of Athletic Development
MIC Track and Field

---

**TRACK AND FIELD SONG 2015**

**TUNE: THE ‘GOLDEN VANITY’**

We have a team of great ability
For ours are the lads who come from Trinity
Our Track and Field squad is of the very best
And they're training for the CAS:
We're training for the CAS!

Our long distance runners and all our sprinters too
Are ready now and willing just to show what they can do
Around the oval’s circuit and down the track so straight,
We're ready for the CAS!
We're ready for the CAS.

Our throwers of the discus, the shot and javelin
Will make of it a certainty our foes’ unravelling
With power and force and distance they will sweep to victory
When competing at the CAS!
Competing at the CAS.

High Jumpers reaching heady heights and as long jumpers fly;
With relay runners sensing soon that victory is nigh,
All giving of their very best in skilful energy
All training for the CAS,
All training for the CAS!

Morrissey and Lammiman, Ms Daniel, Gray and Spratt,
Lang, and Woods and Simos all surely earn their hat:
Collins, Leckie, Campbell, Cheers, Murphy and Stenhouse-
All coaches extraordinaire!
All Coaches extraordinaire.

Our support from the stands comes forth in mighty roar,
Enabling the spirits of our athletes all to soar,
To realise the vision of the Green and White’s success
In September at the CAS!
In September at the CAS!

Ron Ogier
At the NSW State Age short course (25m) Championships held over the weekend, Trinity was well represented with 26 individual swimmers. Trinity boys won 12 gold medals, 4 silver and 3 bronze. The most outstanding swimmer was Andy Lee (6 Hi) who won 4 individual gold and 2 silver medals in the 12 years age group. He won the 200 IM in a superb time of 2:20.09, the 100m Breaststroke (1:12.09), the 200m Breaststroke (2:37.22) and the 200m Butterfly (2:24.49).

Also in the 12 years age group it was very pleasing to see Anton Markovic (7 Sc) place 2nd in the 200m Butterfly in 2:24.75. He was arguably Trinity’s most improved swimmer of the winter season and this is a great reward for all the effort he has put into his training. Samuel Xu (7 He) also in the 12 years, was a silver medallist in the 200m Breaststroke (2:40.08) and a bronze medallist in the 100m Breaststroke (1:14.94).

In the 13 years, Angus McDonald (8 Sc) took out the 100m Backstroke with a very comfortable win in a time of 1:02.49 to win by more than 1 second. Dominic Lopez (7 Ke) had a very commanding performance to win the 200m Butterfly in an outstanding time of 2:15.97 to win by almost 5 seconds.

In the 16 years age group our current double national age champion Nathan Zhu (10 Ke) showed the field a clean pair of heels to win the 100m Breaststroke (1:02.79) and 200m Breaststroke (2:14.94). Both these times are outstanding for a 16 year old boy.

James Traiforos (12 Sc), who had his last-ever age group meet, went out in style with commanding wins in the 17-18 years 100m Backstroke (54.04), 200m Breaststroke (1:58.03 School Record time) and 200m Individual Medley (2:01.01). He then went on to win the 18 years and under 4 x 50m Medley relay with Nathan Zhu, Alston Jeroff (12 Hi) and Joshua Simat (12 He). They swum a time that almost looks like a Freestyle relay time of 1:42.08.

The next meet for some of our older boys will be the NSW Open short course championships which will be on the 11th and 12th of September.

Matthew Brown | Director of Swimming

BOARDING HOUSE NEWS

BOARDERS’ LIPSINC WITH WENONA

THE FUN STARTED AT SIX O’CLOCK WHEN THE GIRLS FROM WENOONA ARRIVED. WE ENTERED THE DINING HALL AND SEATED OURSELVES IN YEAR GROUPS BEHIND EITHER A BLUE OR PINK CHOCOLATE. ALMOST INSTANTLY WE ALL BEGAN TO SOCIALISE, SOON AFTER THE WHOLE DINING HALL WAS FILLED WITH THE SOUND OF LAUGHTER AND CHATTER. AFTER THE MAIN MEAL THERE WAS A GREAT ICE CREAM BAR WITH 4 DIFFERENT TYPES OF ICE CREAM! AFTER A JOYOUS CHAT, DINNER AND ICE CREAM, WE ALL PROCEEDED DOWNSTAIRS TO THE EXPERIMENTAL DRAMA THEATRE WHERE WE COMMENCED A WELL-PLANNED LIP SYNC BATTLE WITH LIGHTS, LASERS AND A SMOKE MACHINE. PRIZES WERE AWARDED FOR FIRST, SECOND AND THIRD. A GREAT NIGHT FOR ALL INVOLVED.

JUSTIN McNAMARA (8Sc) AND NED HATTON-WARD (9Sc)

Trinity and NSW were represented by three fine Trinitarians at the Australian Cross Country Championships last weekend in Melbourne—Logan Kaye (8Ho), Benjamin Bishop (8Hi) and Oliver Hoare (12St). Ben was a member of the ANSW team and Logan and Oliver were both members of the NSW School Sports team. Unfortunately for Ben, he was quite sick during the Championships. However, he soldiered on and managed to finish, but he was subsequently not as competitive as he had hoped. I have no doubt he will bounce back next year. Logan ran very well in the 13 years event to place a very fine 6th, to be the second athlete home of the NSW School Sports representatives in the race. Oliver, who was, incidentally, the Captain of the NSW School Sports team, ran superbly in the U20 race. He was patient and timed his run to perfection, winning the event, despite giving away more than a year to many of his rivals. Congratulations to all three athletes, and especially Oliver, the Australian U20 Cross Country Champion 2015.

We look forward to witnessing fine performances from these three and other members of the Trinity Cross Country fraternity at the CAS Track and Field Championships next week.

Good running,

Michael Spratt | MIC
Timely Reflections... By Mr Ron Ogier (1966 – 1994) and (1997 – present)

The last few weeks have seen the Middle and Senior Schools much preoccupied with examinations, the somewhat necessary raison d’être of most educational institutions’ existence! Teachers often recollect the interest had in marking and observing the results of the tests the students had endured, often appreciating the outstanding piece of writing, or the elegant solving of a mathematical problem, or the untangling of a difficult knot in a science question and the quiet satisfaction of seeing the student’s progress. Of course most results remain a matter between the student and his teachers and parents, perhaps, and the outside world more than not has little appreciation of the work which may have been done. However, in several subjects, especially in the Senior Years, the lads take a step which must hold some extra sense of nervousness in that they must needs reveal their more private thoughts openly in Art, Music, Drama and T and D, which all require a practical component of work to be displayed or performed before the examiners, and in preparation for this, their works are often practised and fine-tuned before an audience. The wonderful byproduct of this system, though, is the great pleasure that is given to their audience as the boys do this. The Art Exhibitions in the Delmar Gallery of the HSC and IB art students were a riot of colour and excellently interpreted and executed art works. The short films produced by the IB Class, and the short drama pieces by the HSC boys were of the highest standard, showing mature and occasionally sobering emotional portrayals. The articles designed and made by the T and D classes, were outstanding and often innovative, while the music performances lifted the spirits of their audiences to stunning levels. So, on behalf of all those who have witnessed these practical examples, I would like to wish all the boys involved the very best possible outcome for their final tests, now so rapidly approaching. Of course, our good wishes go with all those who will be doing their final exams with the hope that their future life will be as rewarding and fulfilling as they may possibly have wished.

Ron Ogier

Images: Some images from the practical work of the HSC and IB candidates.
MATHEMATICS CLUB MATTERS

MATHEMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin VII from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Jorden Chen (9We) and Calvin Fong (11Ta) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was 28 marks. The answer for the Senior School Problem was C=21. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

THIS WEEK’S PROBLEM FOR BULLETIN VIII:

1. Years 7-9: Middle School Problem due on Monday 7 September

From among the integers 1 through 9, can you find six different integers, call them A, B, C, D, E, and F, such that A * B * C = D * E * F? Please show working to justify your answer!

Hint: Don’t use 5 or 7.

2. Years 10-12: Senior School Problem due on Monday 7 September

Four friends are going to a concert. When they arrive, there are only five seats together left in the theater. The manager will let all four friends in for free if one of them can tell her how many different seating arrangements are possible for four people with five empty seats. All four are let in free. Could you have given the correct answer? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1:15PM) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

MATHEMATICS CLUB 101
FOR BEGINNERS AND ACHIEVERS

As an initiative of the Trinity Mathematics Club, this course is designed to provide parents and their sons with the opportunity in an enjoyable workshop format to refresh and/or gain skills in understanding Mathematics of the Real World.

8 EVENINGS
16 HOURS
50 DOLLARS
101 REASONS WHY YOU SHOULD DO THIS COURSE!

COURSE INFORMATION

One evening per week for 8 evenings during the Michaelmas Term. Commencing on Wednesday 14 October 2015 from 6pm-8pm in the Arthur Holt Library Seminar Room.

Cost  $30 per person per unit (4 Evenings) or $50 per person for the entire course (8 Evenings)

Workshop Facilitators

Dr Frederick Osman has had an extensive experience of more than 20 years academic/industry experience in innovative teaching and researching, in Physics and Mathematics education at the Tertiary, Secondary IB/HSC and TAFE institutions. He is currently the Director of Vocational Education and RTO Manager (Careers Education) and the Master in Charge of the Mathematics Club at Trinity Grammar School.

Hugh Colburn has taught mathematics and computer science at school, technical college, polytechnic and university levels and has extensive experience in engineering and financial mathematics. Hugh has presented for the TGS Mathematics Club on a number of occasions in 2013-2015.

COURSE DETAILS AT A GLANCE

UNIT 1 (TGS2015A) 4 Evenings | 8 Indicative Hours
INTRODUCTION TO FUNCTIONAL MATHEMATICS IN LIFE

- Concepts in Measurements
- Basic Conversions
- Fractions and Decimals
- Why Arithmetic Operations work
- Ratios

UNIT 2 (TGS2015B) 4 Evenings | 8 Indicative Hours
DECISIONS MAKING AND UNCERTAINTY THROUGH STATISTICS

- Probability and Expected Values
- Problem domains and Methods
- Conditional Probabilities
- Heuristics
- How to avoid being fooled by Statistics

Entry Requirements

There are no prerequisites for this course

For all enquiries please contact Dr Fred Osman | MIC Mathematics Club

phone 9581 6040 or email fosman@trinity.nsw.edu.au

The course will commence on Wednesday 14 October, 2015 | Click here to register online now >
NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES
CALL FOR STUDENT PAPERS

The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit-maths.html as a formal publication.

Aims Of This New Initiative:

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquires to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Dr Frederick Osman | MIC Mathematics Club

The University of New England Early Entry Programme Applications close Wed 30th September: UNE’s Early Entry program allows year 12 students to gain a place at UNE before ATARs are released. Selection for the program is based on an applicant’s ability to work and learn independently, as well as their overall potential for academic success. http://www.une.edu.au/study/study-on-campus/get-early-entry/about

University of Pennsylvania
An Introduction to Penn: Tue 8th September, 6.00pm – 7.30pm, SCECGS Redlands, the Arnold Library, Redlands Senior School, 272 Military Road. https://key.admissions.upenn.edu/register/Australia

Australian Business College Open Day
Liverpool: Tue 22nd September, 149 – 151 George Street
Parramatta: Wed 23rd September, Level 1, 85 George Street
Wollongong: Fri 25th September, 313-323 Crown Street

International College of Management Sydney
Application Interview Days: Mon 21st September, 9.00am – 12.00pm
Tue 29th September, 9.00am – 12.00pm
Mon 14th December, 9.00am – 12.00pm
Hear from hiring professionals within recruitment and business; learn what is important in resumes and how the interview process works. Attendees can also have their resumes reviewed by a
Science (Min ATAR 75), Arts (Min ATAR 75); and Business (Min ATAR 80); of advertising and media degree. https://www.graduates.com.au/careers/marketing-management/ to be up-to-date with dynamic industry change and prepare in consultation with key industry leaders, the new degree aims New Bachelor of Advertising and Media Degree: Macleay College

Undergraduate Sponsorship/Default.aspx

Defence Force Academy (ADFA) campus in Canberra. The University of New South Wales (UNSW) at the Australian These sponsorship opportunities are offered through the University of New South Wales (UNSW) at the Australian Defence Force Academy (ADFA) campus in Canberra. The Defence Civilian Undergraduate Sponsorship (DCUS) offers aspiring university students the opportunity to study alongside members of the Australian Defence Force as civilian students. Successful applicants, who meet the required ATAR, will work to complete a three or four year undergraduate degree, awarded by the University of New South Wales. Attached is the link to our DCUS website for your information and dissemination: http://www.defence.gov.au/dmo/Careers/StudentsandGraduates/UndergraduateSponsorship/Default.aspx

Macleay College

New Bachelor of Advertising and Media Degree: Developed in consultation with key industry leaders, the new degree aims to be up-to-date with dynamic industry change and prepare graduates for careers in the areas of marketing, management, creative, social media, digital production, and media. https://macleay.edu.au/news/macleay-college-launches-new-bachelor-of-advertising-and-media-degree

UAC Academic undergraduate Admissions 2016: Undergraduate applications have now opened. We recommend you apply by Wednesday 30 September 2015, before the processing charge starts to increase. http://www.uac.edu.au/undergraduate/

Don’t worry if you haven’t decided on what or where you want to study. After you’ve applied you can change your course preferences as many times as you like for no extra cost. Many students wait to receive theirATAR before they make their final decision. In fact, you’ll have until Wednesday 6 January 2016 to finalise your preferences for the Main Round of offers to semester 1 courses.

UAC Educational Access Schemes Most of UAC’s participating institutions have Educational Access Schemes (EAS) to help students who have experienced long-term educational disadvantage gain admission to tertiary study. To be eligible for EAS consideration, student educational performance must have been seriously affected for a period of at least six months during Year 11 and/or 12 or equivalent, due to circumstances beyond their control and choosing. http://www.uac.edu.au/areas/

The University of Sydney

Sydney Scholars Awards: Applications open in September for study in 2016. Submission should be made to UAC by Fri 30th October. The Sydney Scholars Awards offer Year 12 students commencing studies in 2016 the opportunity to apply for scholarships ranging from $6,000 to $10,000 in value, for up to 5 years of study. As part of the selection criteria, applicants are required to achieve an ATAR of 95 and above, or 90 and above if they are applying to the Sydney Conservatorium of Music. http://sydney.edu.au/scholarships/prospective/sydney_scholars_program.shtml

UTS International Students’ Info Day: Thu 17th September, 10.00am – 1.00pm, UTS Tower Building, Front Entrance Area, Broadway, Ultimo. An opportunity to learn about courses, visas, support services, and student life at UTS. http://www.uts.edu.au/future-students/international/international-events/australia/international-students-info-day

Department of Defence Undergraduate Sponsorship Opportunities: The Department of Defence would like to advise you of civilian undergraduate scholarships available in 2016 in the following degree disciplines: > Engineering: Mechanical, Electrical, Aeronautical and Civil (Min ATAR 85); > Business (Min ATAR 80); > Arts (Min ATAR 75); and > Science (Min ATAR 75). These sponsorship opportunities are offered through the University of New South Wales (UNSW) at the Australian Defence Force Academy (ADFA) campus in Canberra. The Defence Civilian Undergraduate Sponsorship (DCUS) offers aspiring university students the opportunity to study alongside members of the Australian Defence Force as civilian students. Successful applicants, who meet the required ATAR, will work to complete a three or four year undergraduate degree, awarded by the University of New South Wales. Attached is the link to our DCUS website for your information and dissemination: http://www.defence.gov.au/dmo/Careers/StudentsandGraduates/UndergraduateSponsorship/Default.aspx

Macquarie University

2016 Undergraduate Scholarship Booklet: Each year Macquarie University awards scholarships based on equity, financial need, academic excellence and sporting achievement. To learn more about these scholarships, view their 2016 undergraduate scholarship booklet: http://students.mq.edu.au/opportunities/scholarships_and_prizes.jsp

The University of Sydney

Sydney Scholars Awards: Applications open in September for study in 2016. Submission should be made to UAC by Fri 30th October. The Sydney Scholars Awards offer Year 12 students commencing studies in 2016 the opportunity to apply for scholarships ranging from $6,000 to $10,000 in value, for up to 5 years of study. As part of the selection criteria, applicants are required to achieve an ATAR of 95 and above, or 90 and above if they are applying to the Sydney Conservatorium of Music. http://sydney.edu.au/scholarships/prospective/sydney_scholars_program.shtml

The University of Sydney

Bachelor of Science (Advanced) and Doctor of Dental Medicine: In the new Bachelor of Science (Advanced) and Doctor of Dental Medicine, students spend the first three years studying advanced science courses of their choice, followed by the four year Doctor of Dental Medicine which qualifies graduates to practice as a dentist. http://sydney.edu.au/courses/bachelor-of-science-advanced-and-doctor-of-dental-medicine

University of Technology Sydney (UTS)

Engineering Bonus Points Questionnaire: Questionnaire closes Fri 11th December Students applying to a UTS engineering degree could be eligible for up to 5 bonus points by completing the UTS Engineering Year 12 Bonus Points Questionnaire. Early round offers will also be made on the basis of this questionnaire. http://www.uts.edu.au/future-students/engineering/essential-information/year-12-bonus-scheme-questionnaire

UTS

New Bachelor of Arts/Bachelor of Education and New Primary, Secondary Teaching Majors: The new Bachelor of Arts/Bachelor of Education degree will now feature a choice of three education majors – Primary Education, Secondary Education, and K-12 Education. As with all teaching degrees offered from 2016, a minimum of three Band 5 HSC results, including one in English is a prerequisite for entry into the course. Students who do not meet these requirements may be able to gain entry into the course via a UTS approved pathway. http://
UTS

Expanded Eligibility for Access Schemes: UTS’s Schools’ Recommendation Scheme (SRS) is an equity-focused scheme aimed at helping Year 12 students gain entry into university. UTS is broadening the SRS eligibility criteria to include students attending EAS listed schools. http://www.uts.edu.au/future-students/teachers/essential-information/schools-recommendation-scheme

UTS

Engineering Industry Merit Based Scholarships: Applications Close: Mon 5th October. A number of Industry Sponsored scholarships are available to provide financial support for the first year of the Bachelor of Engineering Diploma in Engineering Practice degree. Scholars will have direct access to industry sponsors and many undertake an internship with their sponsor company. Applicants will be chosen based on their academic performance, skills evidence in leadership, commitment to an understanding of the engineering profession, and demonstrated initiative in extra-curricular activities. Contact: +61 2 9514 2666 or FEITOutreach@uts.edu.au http://www.uts.edu.au/future-students/scholarships/0000017874

UTS

Bachelor of Information Technology Co-operative Scholarship Programme: Round 2 Applications Open: Mon 3rd August. Round 2 Applications Close: Wed 30th September. The Bachelor of Information Technology Co-operative Scholarship Programme provides students with $15,500 per year of study, and two six month full-time industry placements with sponsor organisations. There are two rounds of applications in 2015 for the 2016 intake. http://www.uts.edu.au/future-students/information-technology/essential-information/how-apply/how-apply-bit

UTS

New Digital Course Guides: New interactive course guides are designed to help students explore their UTS course and career options in new and engaging ways. https://www.uts.edu.au/future-students/teachers/tools-and-resources/course-guides

University of New South Wales (UNSW)

HSC Plus: HSC Plus is designed to reward strong performances in HSC subjects relevant to UNSW undergraduate degrees. Domestic students who complete the HSC and perform well in subjects that are relevant to their preferred UNSW degree may be awarded a maximum of 5 bonus points. http://www.unsw.edu.au/domestic-undergraduate/hsc-plus

UNSW

Elite Athletes and Performers Programme: Applications for 2016 close Mon 30th November. The Elite Athletes and Performers (EAP) Program supports students with a flexible entry process that recognises both academic and elite achievements by awarding bonus points. UNSW also offers flexible study arrangements and support for elite athletes and performers who wish to continue their elite commitments while studying at UNSW. http://www.unsw.edu.au/domestic-undergraduate/elite-athletes-and-performers-program

UNSW

High School Scholarships Now Open: Scholarships for high school students are now open and close Wed 30th September, to access scholarships use the following search tool. https://scholarships.online.unsw.edu.au/scholarship/sc_search.login

UNSW

Aviation Students ‘Qantas link Approved’: UNSW Aviation students can now apply to become ‘QantasLink Approved’ during their degree. As a result, students will be observed and mentored by experienced QantasLink pilots and, if successful, will be considered by QantasLink straight after graduation. http://www.aviation.unsw.edu.au/news/2015/QantasLinkCollaboration.html

UNSW

Science Information Day: Thu 5th November, 9.00am – 3.00pm, UNSW Kensington Campus. An opportunity for high school students to visit the campus, participate in a range of activities and experience life as a science student. http://www.science.unsw.edu.au/future-students/science-info-day

UNSW

Computing Leadership Award UGCE1206: Closing Date 30/09/2015. Value $2,000 for 1 year. This high school leaver scholarship is open to students (local and international) enrolling in full-time study in the School of Computer Science and Engineering (Computer Science, Bioinformatics Engineering, Computer Engineering, and Software Engineering). Applicants will be assessed on aptitude and ability for this field of study and demonstrated leadership qualities. Leadership qualities may include, but are not limited to:

> community engagement or outreach programmes
> volunteer work
> Special consideration will be given to applicants who have been involved in programmes relating to gender issues or the promotion of computing.

UNSW

Future Students - Key Dates 2015:

> UNSW Open Day: Saturday 5th September
> A Day @ UNSW - Dates: Thursday 24th November, 10th December and Friday 11th December. http://unswfuturestudents.tumblr.com/post/110503983827/key-dates-for-2015

Australian Catholic University (ACU)

New Undergraduate Double Degrees: ACU Health Sciences is introducing a number of new double degrees in 2016:

> Bachelor of Teaching/Bachelor of Exercise Science (Brisbane, Canberra, Melbourne, Strathfield)
> Bachelor of Laws/Bachelor of Biomedical Science (Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Business Administration (Brisbane, Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield).

These degrees are still subject to final approval. Website: http://www.acu.edu.au/about_acu/faculties_institutes_and_centres/health_sciences/course_updates/new_undergrad_double_degrees_for_2016

ACU

Early Achievers’ Programme: Applications Open: Monday 10 August 2015, Applications Close: Monday 19 October 2015. The Early Achievers’ Programme considers the contribution you have made to your community through your school or workplace, local community organisation, cultural and/or religious group. One of the biggest benefits of the programme is that successful applicants receive an offer well ahead of the usual tertiary admissions announcements. http://www.acu.edu.au/study_at_acu/alternative_entry/early_entry

ACU Elite Athlete Programme

ACU’s Elite Athlete Programme has been established to support future and current students who have maintained a record of
excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU. http://www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_program#1

University of Wollongong (UOW) Management Cadetship Programme: Applications close: Sun 6th September. The University’s Management Cadetships provide an opportunity to combine work and study. Cadets work in a number of areas across the university including finance, marketing, and student administration, while also undertaking a relevant undergraduate degree. Cadets receive an annual salary and undertake a specialized placement relating to their degree major in their final two years. http://www.uow.edu.au/content/groups/public/@web/@unia/@cadet/documents/doc/uow126410.pdf

UOW English Extension and History Extension Study Days: History Extension: Wed 18th November, 8.45am, Building 20 foyer. English Extension: Thu 19th November, 8.45am, Building 20 foyer. See what university feels like while also attending a series of tailored sessions designed to help students achieve their potential in either History Extension or English Extension. http://www.uow.edu.au/future/events/index.html

UOW Management Cadetship Programme: Applications close: Sun 6th September. The University’s Management Cadetships provide an opportunity to combine work and study. Cadets work in a number of areas across the university including finance, marketing, and student administration, while also undertaking a relevant undergraduate degree. Cadets receive an annual salary and undertake a specialized placement relating to their degree major in their final two years. http://www.uow.edu.au/content/groups/public/@web/@unia/@cadet/documents/doc/uow126410.pdf

UOW Early Admission: Applications open Mon 3rd August. University of Wollongong early admission enables students to gain entry into university before receiving their ATAR. For more information visit: http://www.uow.edu.au/future/early-admission/index.html

To view a video on interview tips for early admission, visit: https://www.youtube.com/watch?v=fvfZxHuVkJY

Macquarie University New Pathways into Law: Students who will have been admitted to a non-law degree at Macquarie University in 2016 will be able to apply for admission to the Pre-Law Pathway prior to their first session of studies. To gain entry into the Pre-Law Pathway prospective students are required to have completed the HSC in 2015, achieved an ATAR above 93, and be accepted into an approved degree at Macquarie. http://www.mq.edu.au/future_students/undergraduate_law_programs/new_pathways_into_law/

Australian National University Academic Bonus Points: ANU awards academic bonus points to domestic students who have excelled in select subjects in Year 12 and have applied for an ANU Bachelor degree or Flexible double degree. Students who achieve the required results in the specified subjects will automatically have bonus points added to their ATAR. http://www.anu.edu.au/study/apply/academic-bonus-points

The University of New England Direct Early Entry Programme Now Open: Applications close Fri 11th September. UNE’s Early Entry Programme allows students to gain entry into UNE before they receive their ATAR. Students are required to apply online and have a representative from their school confirm details of their application before they are considered for early entry by UNE. 2016 applications for UNE early entry programme are fully online. Schools are required to register for the Early Entry Programme to enable students to apply. http://www.une.edu.au/study/study-on-campus/get-early-entry

ANU Engineering and Computer Science Special Admission Scheme: Applications close: Fri 4th December. Students who are not expecting to achieve the required ATAR for entry into the Bachelor of Engineering, Bachelor of Advanced Computing, or Bachelor of Software Engineering, may apply for entry through the special admission scheme. To qualify for the special admissions scheme, applicants are required to demonstrate excellent academic performance in disciplines relevant to the study of engineering and/or computer science, leadership and community service, as well as strong commitment to engineering and/or computing. Applicants who wish to be considered under the Special Admission Scheme will need to submit an online application. https://cecs.anu.edu.au/future_students/sas

My Open Day A website where you can find information about the upcoming open days at universities, TAFE and private colleges, as well as information about gap years and other career news. http://myopenday.com.au/

Australian Defence Force Academy (ADFA) Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC. An offer to study at ADFA is conditional on meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force. http://www.defencejobs.gov.au/education/adfa/howToApply/admissionProcess.aspx

ACPE Open Day: Saturday 5th September, 10.00am – 2.00pm, 8 Fitzgree Drive, Sydney. Learn about the qualifications available at ACPE and what’s required to succeed in the industry. http://www.acpe.edu.au/

YEARS K TO 9 FOOTBALL CLINIC
SEPTEMBER SCHOOL HOLIDAYS
21ST SEPTEMBER - 24TH SEPTEMBER

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the July Holidays. **Benefits** of participating at this camp include:

- 24 hours of football tuition over four days.
- Participants train as per the Football Federation Australia National Curriculum.
- **5-8 year old** participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
- **9-13 year old** participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
- **14-15 year old** participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
- Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
- Training facilities include a synthetic all weather football field and three indoor basketball courts.
- Participants play in mini tournaments that replicate the 'A-League/Champions League/World Cup'.
- Participants are tiered according to their playing level.
- All participants receive BBQ on Monday and Thursday.
- Drinks and fruit provided each day.
- **Coaching Staff** are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
- See the following link for footage from the April Holiday Clinic [https://youtu.be/5Oj9_gbgiq4](https://youtu.be/5Oj9_gbgiq4)

Dear Parents/Guardians,

Your son has been invited to participate in a Water Polo Training Camp, which will be held at Trinity Grammar School, in the upcoming September / October Holidays. The camp will be run and supervised by Mr Bruce Duffy, Director of Water Polo Coaching.

Coaching Staff:
Our coaching staff for this Development Camp will be Bruce Duffy along with current Water Polo coaches.

Student Expectations:
Whilst on this camp, boys are reminded that they are representing Trinity. As such be required to exhibit exemplary conduct at all times. The front green section of the Record Book clearly outlines the School's expectations of boys' behaviour and it is their responsibility to adhere to these expectations to ensure the safety and enjoyment of themselves and others. The staff on this camp will have no hesitation in taking action with boys who do not comply with these expectations.

THE DETAILS

WHERE Trinity Grammar School Pool, Summer Hill
WHEN Tuesday 29th September to Thursday 1st October, 2015
