86TH CAS TRACK AND FIELD CHAMPIONSHIPS

The 86th CAS Track and Field Championships was another wonderful occasion for the School and CAS Community. Barker are to be congratulated on their outstanding performance and are worthy CAS Champions for 2015 (refer to Report later in this Bulletin). Our boys and coaching staff were all superb, achieving well beyond expectations. I would to thank Mr Murphy, Mr Stenhouse, Mr Woods, Mr Cheers, all the coaching staff, and especially the boys for their tireless efforts throughout the season. A big thank you also to the students, staff, parents and supporters in the stand for all the encouragement shown throughout what was an incredibly tense CAS competition.

ACADEMIC FOCUS

ACER ONLINE TESTS

During this week and next, students in Years 7 to 10 will be participating in tests developed by the Australian Council of Educational Research (ACER) in Mathematics, English, Science and General Ability. Boys are not required to undertake any preparation for these. The tests are standardised, undertaken online, thoroughly researched, and designed to provide objective, norm-referenced information to teachers.

Ongoing School-based assessment remains our principal way of reporting student achievement. However, this additional information will contribute to our broad academic profile of each boy, enhancing our ability to map his learning growth, and ensuring we continue to meet his learning needs.

NSW ALL SCHOOLS

The NSW All Schools will be held at SOPAC between 8th to 11th October. It is the biggest individual athletics competition in Australia. There are no qualifying standards or progressions to this meet. Athletes attempting to qualify for Australian All Schools should note that all athletes wishing to be selected in the NSW team must compete at NSW All Schools. Athletes may submit their entry via the online system or by downloading the entry form and posting it to Athletics NSW. Both formats are accessed via the Athletics NSW website at www.nswathletics.org.au. Entry forms can also be obtained from myself. Trinity athletes entering the NSW All Schools need to complete their own individual entry forms. Athletes entering NSW All Schools need to notify me so I can ensure coaching staff are available for assistance during the competition.

FROM THE TRINITY CONNECTION

The Trinity Connection is a committee of mothers of former Trinity boys who wish to keep in touch with the School and continue the friendship built over the years.

We meet at the Summer Hill Campus once a term and alternate with one term meeting on a Tuesday and the following term meeting on a Saturday, finishing off each meeting with a lovely afternoon tea, and a social chat.

Recently, we have sponsored a young Year 7 boy, paying his Enrolment fee. The Trinity Connection also recently donated $10,000 to the Music Department, and $5000 to the Children's Hospital.

For activities, the Connection plan occasional day outings. These are usually held during the school holidays. We usually meet at the School and from there we are transported in the School bus to our venue.

Some of the activities held over the past years include:

> Captain Cook Coffee Cruise
> Old Government House Parramatta
> High tea at the EG Waterhouse Camellia Gardens
> A private guided tour of Sydney Town Hall followed by lunch at the Swissotel Hotel
> Lunch at Armory Wharf overlooking Parramatta River

Our next gathering is a visit to the Norman Lindsay Gallery located in the Blue Mountains, which will be on 24th September. If you are interested, please RSVP Liisa Chappelow on 9581 6024 by 18th September.

Trinity Connection will also like to invite all the mums to our Christmas luncheon. This year we are having it at “Gardens on Forest” in Peakhurst on Saturday 28th November at 12 noon. The address is 764 Forest Rd, Peakhurst, NSW 2210. RSVP to Mrs Liisa Chappelow on 9581 6024.

This year the Trinity Connection AGM is on Saturday 17th October 2015 at the Summer Hill Campus.

If you wish to join the Trinity Connection, or just take part in one of our adventures, please see Liisa or myself. Make this your next catch up with your boy’s year group mums!

YEAR 12 JERSEYS

An eagerly-awaited event for Year 12 is the arrival of their jerseys with their names emblazoned thereon. The north side of the Quad looked like a haberdashery store at sale time as the garments were enthusiastically donned by their recipients. To an unbiased observer, they seemed a trifle long, but the observer is perhaps a bit out of touch as regards the younger sets’ fashions! No matter, the fellows look good in them, and they will no doubt become a treasured memento of their time at School.

YEAR 7 VACCINATIONS

The NSW Health Department will be offering Human Papillomavirus (HPV) vaccine as part of the Adolescent School-based Vaccination Programme.

The vaccination schedule is as follows:

> 14th September 2015, Term 3, Week 10
  Human Papillomavirus Vaccination (HPV) – dose 3

Catch up vaccination will also take place for students that have missed previous doses.

Only students who have returned their consent forms will receive vaccinations on the day.

Please contact Sr Katie Brooks in the Health Centre on 9581 6023 if you have any questions.

MATHEMATICS CLUB MATTERS

MATHEMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin VIII from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Flynn Innes (9Mu) and Calvin Fong (11Ta) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was 1 x 8 x 9 = 72 = 3 x 4 x 6. The answer for the Senior School Problem was four people can sit in five seats for a total of 120 different ways. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

THIS WEEK’S PROBLEM FOR BULLETIN IX:

1. Years 7-9: Middle School Problem due on Monday 14 September

In a class of fewer than 30 students, two received a B on a mathematics test, 1/7 of the class received a C, 1/2 received a D, and 1/4 of the class failed the exam. How many students received an A? Please show working to justify your answer!

2. Years 10-12: Senior School Problem due on Monday 14 September

A certain pipe can fill a swimming pool in two hours; another pipe can fill it in five hours; a third pipe can empty the pool in six hours. With all three pipes turned on exactly at the same time, and starting with an empty pool, how long will it take to fill the pool? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.15PM) at the Mathematics Department Office.
