FROM THE HEAD MASTER

103RD SCHOOL SPEECH DAY AND PRIZE GIVING

The Head Master during his address

Our new School Captain, John Bechara (12Mu) with our former School Captain, Tom Dickinson (12La)

Serenata Strings

Steven Serb (10Ar) and Nicholas Pavic (10La) presenting the Middle School Report

Congratulations to all those who worked so hard behind the scenes (especially our musicians who committed holiday time in preparation) to ensure another memorable and enjoyable commencement to the new term in respect of our successful Middle and Senior School Speech Day functions, held on Thursday at the Sydney Town Hall.
Thank you to the parents and family members of our incoming School Officers who were present at our Induction ceremony for new School office bearers. In this regard, it was a pleasure to welcome back former School Captain, Mr Adam Theobald, Class of 1999, who was our occasional speaker. His words were most apposite regarding the concept of servant leadership and were very much appreciated by all those present at the assembly.

Head Master

Congratulations to:
Julian Dimas (12Ta): Captain of Cricket
Austin Waugh (11St): Captain of the 1st XI Cricket

MR THOMAS MAE NAMED AUSTRALIAN COLLEGE OF EDUCATORS FELLOW

Mr Thomas Mae was honoured with a Fellowship of the Australian College of Educators (ACE) at the National Conference Gala Dinner in Brisbane on Thursday 24th September 2015. Fellowship of the College is a distinctive honour, recognising educators who have made major contributions both within their mainstream sphere of work and more broadly across the profession. Thomas Mae has made an outstanding contribution to professional learning and leadership development of teachers, as well as providing outstanding quality education for student learning and enhancing the professional practice for educators. For 35 years Tom has made these contributions to transforming student performance with unlimited high expectations.

Mr Thomas Mae congratulated by Mr Milton Cujes and Dr Frederick Osman at the recent National Conference Gala Dinner in Brisbane.
ACADEMIC FOCUS

A MINDSET FOR THE NEW ACADEMIC YEAR

A boy’s education at Trinity will be rich with opportunity and busyness. However, it is critical to remember that there will be difficult times, there will be ups, and there will be downs, but without challenge boys can’t grow and develop their God-given talents. It is such an important life skill that boys learn - education, and life in general, is not about success or failure, but perseverance and effort.

We want boys to realise that during their time at Trinity there will be some incredible moments that will remain positive memories for them and their family for many years to come. However, there will also be difficult times, times when they don’t get the marks they want, or times when they don’t get into the sporting team they expect. These are the times that are the greatest lessons of all. In the face of adversity, instead of wanting to quickly relieve the unhappiness or stress of the situation by looking for short-fix solutions, we want boys to instead pause and see what they are being taught, and to learn and grow from the experience.

As our boys re-focus their efforts and embrace the challenges that come with a new academic year, I encourage them to be constantly striving to beat their personal best performances and to never give up in the pursuit of being the best student they can be.

Jason Cheers | Academic Dean

CONCERTO COMPETITION 2015

Heats
Monday 26th – Friday 30th October (Week 4)

Finals
Wednesday 4th November 7pm, Orchestra Room

Open to all Trinity Grammar School students, from the Senior, Middle, Junior and Prep Schools

Entries due Wednesday 14th October (Week 2)

Enquiries can be directed to Holly Champion | Music Secretary at fchampion@trinity.nsw.edu.au.
Another Trinity Basketball season is upon us with all boys being put through their paces as they compete for spots on teams at the end of Term 3. For the first time, Trinity will take on Shore from the GPS right from the Firsts down to the Year 8Hs. The Coaching Staff will assess their players as they finalize teams for the opening CAS round against St. Aloysius’.

SYDNEY SCHOOLS SHOOTOUT

Eager 1sts and 2nds squads entered the annual Sydney Schools Shootout after a demanding two and half-day pre-season camp in the Boarding House, which included three practice sessions a day and a trial game against Kings. With many new faces, the playing group looks to build new combinations and team standards as they continue to develop and understand their roles within each of the squads.

The Firsts once again had a tough draw for the annual Sydney Schools Shootout and minus a key player in Jayden Tanevski (12La) would find it tough going as they dropped the opening game against GPS powerhouse Scots (31-58). In a physical contest Trinity were just pipped by eventual Semi-Finalists Randwick Boys (27-34), which was a solid effort considering Trinity rested Riley Smith (12Ke) for this match. The last pool game was against another GPS School, St. Joseph’s with the Bottle Greens finally showing some consistency for 40 minutes with a convincing victory (45-33) on the back of some relentless defensive pressure.

Trinity finished the tournament with a playoff game against last season CAS Premiers Barker and led for three-quarters of the contest before going down by 7 points as they struggled to maintain their high tempo and efficient play. The Firsts once again had a tough draw for the annual Sydney Schools Shootout and minus a key player in Jayden Tanevski (12La) would find it tough going as they dropped the opening game against GPS powerhouse Scots (31-58). In a physical contest Trinity were just pipped by eventual Semi-Finalists Randwick Boys (27-34), which was a solid effort considering Trinity rested Riley Smith (12Ke) for this match. The last pool game was against another GPS School, St. Joseph’s with the Bottle Greens finally showing some consistency for 40 minutes with a convincing victory (45-33) on the back of some relentless defensive pressure.

SYDNEY SCHOOLS SHOOTOUT

Eager 1sts and 2nds squads entered the annual Sydney Schools Shootout after a demanding two and half-day pre-season camp in the Boarding House, which included three practice sessions a day and a trial game against Kings. With many new faces, the playing group looks to build new combinations and team standards as they continue to develop and understand their roles within each of the squads.

Tournament 1sts Squad:
Jarryd Fernandes (12La), Riley Smith (12Ke), John Bechara (12Mu), Josh Di Giannantonio (12Ho), Jake Kerry (11Ho), Jed Keogh (11Ar), Tom Mackenzie (11WJ), Ryan Maranik (11Ar), Dave Hickey (11Ke) and Sebastian Diaz (10Ta).

Unavailable: Jayden Tanevski (12La)

Ben Morrissey | MIC Basketball

Trinity finished the tournament with a playoff game against last season CAS Premiers Barker and led for three-quarters of the contest before going down by 7 points as they struggled to finish off on the offensive end. The Firsts will finish off the pre-season with a trial against shore with all players available and the upcoming CAS season looks promising if the Greens can remain healthy and commit to the ‘Team Before Self’ culture that has served so well in the past.

Tournament 2nds Squad:
James Spanos (12Ho), Alex Andreatta (12Du), Andrew Jamieson-Grigg (11Ho), Ollie Davis (11Ke), Patrick Di Giannantonio (11Ho), Edion Chan (11WJ), Ben LoRusso (11He), Harry Dunn (11Mu) and Joseph Robson (11He).

Development Player: Cooper Young (10He)

Ben LoRusso (11He) | 2nds Squad Player

During the second week of the holidays, the Trinity Seconds Squad were busy preparing for their coming CAS season. Following a tough, training Camp at the beginning of the week, the two squads headed to Knox Grammar to compete in the annual Sydney Schools Shootout.

Trinity suffered a narrow loss in their first match against Central Coast Grammar 1sts (18-32). After a 3-hour break, the boys in Green were quite flat early against Scots and never really recovered, suffering a tough loss (31-62). With a short turn around, the squad played Joey’s in their final Pool game and great ‘team’ defence kept Trinity close right up to the end before falling just short (39-43).

Trinity finally got to play a CAS rival in the playoff game and in a see-awing battle against St. Aloysius’ the Seconds finished off with a draw (38-38). With players still to be added from the 1sts, the Seconds’ squad looks promising for the 2015/16 season.

Tournament 2nds Squad:
James Spanos (12Ho), Alex Andreatta (12Du), Andrew Jamieson-Grigg (11Ho), Ollie Davis (11Ke), Patrick Di Giannantonio (11Ho), Edion Chan (11WJ), Ben LoRusso (11He), Harry Dunn (11Mu) and Joseph Robson (11He).

Development Player: Cooper Young (10He)

Ben LoRusso (11He) | 2nds Squad Player

“TRINITY WINS JUNIOR DIVISION OF THE SYDNEY SCHOOLS SHOOTOUT.”

The combined Year 7 and 8 Junior Team competed in the Sydney Schools Shootout for the first time involving CAS, GPS, ISA and CHS Schools. Trinity had a strong start to the competition with a resounding victory over The Kings’ School (48-9). Trinity then faced off against CAS rivals St Aloysius’ and once again prevailed with a solid win (35-21) after a slow start. In the toughest of the pool matches, Trinity fought hard with a resilient comeback in the fourth quarter to come out with a 4-point victory (38-34) against St Augustine’s from the ISA.

Trinity concluded the first day with an emphatic win over Shore (53-17), securing the top spot in their pool and advancing to the Grand Final. Trinity’s opponent was highly fancied CHS School Mosman, and after a sluggish start, the young Bottle Greens began to slice through the Mosman pressure to build a solid lead. Trinity then closed out the game with their trademark defensive pressure, hustle and smart offence to record an impressive victory (42-19). The way this young group went about their business has Trinity Basketball’s future looking very promising indeed. I would like to thank Mr Dane Ristovski (class of 2014) for his fine efforts as Coach moulding this impressive group of young men.

Tournament Junior Team:
James Corben (9WJ), Alec Mackenzie (9WJ), Richard Zlade (9Mu), Louis Banning-Taylor (9La), Earvin Dizon (8Ta), Christian Diaz (8Ta), Bailey Plummer (8Dd), Jack Nichol (8He) and Luke Nichol (8He).

Ben Morrissey | MIC Basketball
Remembering Sculthorpe

TAMARA-ANNA CISLOWSKA (Piano)

Thursday 15 October, 7.30pm
Orchestra Room, Roderick West School of Music

Tamara-Anna Cislowska recalls a rather anxious first meeting with Peter Sculthorpe. She was only 14 years old, and about to perform his Piano Concerto with the Tasmanian Symphony Orchestra in her first professional engagement. Playing for him in his studio, she ventured that part of the work reminded her of a coda in a movement of one of Rachmaninov’s concertos. Rather surprised, Sculthorpe agreed that it had been in his mind when he composed it. So began a lifelong friendship. When approached to compile a complete anthology of his piano works, Cislowska was his pianist of choice for the recording.

This double CD has just won Cislowska the 2015 ARIA for ‘Best Classical Album’. She will be performing a 75mins selection of these works as part of Trinity’s Society of the Arts Concert Series.

Thursday evening’s recital will open with the first piece Sculthorpe composed, “Falling Leaves” (1945), and conclude with his last work, “Riverina” (2011). Through the program Cislowska will weave stories of Sculthorpe’s remarkable career.

She writes: “Peter Sculthorpe’s solo piano music spans 66 years. The thousands of notes contained within spell out the story of a life. A man. A heart.

“From the pianist’s perspective it is a substantial body of work. The 33 titles showcase diversity and gravitas. Impressionism, interior-piano, popular music, Indigenous melodies. Experimentation, documentation. And always, true expression without obstruction.

“The first notes of this far-reaching cycle of works were penned by an unknown Launceston schoolboy in 1945. The last, by an octogenarian legend in 2011. Peter Sculthorpe spent most of his life at the piano. It was his instrument and the place where every work began. The piano was his stepping stone to other ways of being and of being heard.”

Come along to hear superb playing and insights into the life and music of Australia’s most illustrious composer!

Tickets: $30 full/ $20 concession & seniors/ $75 family of four / Free for Trinity students in uniform and Society of the Arts Members

Tickets will be available at the door from 7.20pm (cash only), or book online at www.trybooking.com/IKSO

DIARY DATE

JANUSZ WAWROWSKI
(Poland) Solo violin

Thursday 26 November, 7.30pm – Orchestra Room

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

Bookings open now!
Book online at www.trybooking.com/IXNU
Tickets from $20.

2016 SOCIETY OF THE ARTS SCHOLARSHIPS
Applications are invited from Year 11 visual arts, drama and music students. Click here to download the application form

Applications close Monday 16 November.

THE MATHEMATICS CLUB MATTERS - MAJOR PRIZE DRAW

The Mathematics Club Matters competition has been very popular and it was pleasing to see there were many weekly submissions to and interest in the problems from our boys and parents interested in experiencing Mathematics. The Mathematics Club appreciates the generosity of our sponsors and support for this competition. It now gives me great pleasure to announce Flynn Innes (9Mu) as the major draw prize winner for the Trinity Term. You too may be a winner this term, so get your entry in this week for a chance to win.

MATHEMATICS CLUB CO-CURRICULAR REQUIREMENTS

The aim of this Co-curricular is to provide enjoyment and training in advanced thinking for recreation. The Mathematics Club will encourage boys’ greater understanding of mathematics, providing activities, discussion opportunities in Mathematics research and related mathematical experiences, and establishing a social and intellectual forum to all boys interested in experiencing mathematics. The Mathematics Club will provide various opportunities for students with a range of mathematical abilities to understand mathematical concepts in a less formal context. It is the aim of this Co-curricular to develop peer tutoring relationships between mentors and mentees that can lead to a development process of best practices for boys working and learning together.

The Mathematics Club co-curricular offering requirements are included below:

> Years 7-9 Optional and Additional Co-curricular:
  Monday 1:10pm-1:50pm (lunch-time) commitment in N1.17.
  Please contact Mr. Shane Scott for further information.

> Years 10-12 Full Co-curricular:
  Friday 3.30pm-5.00pm commitment in S2.1.
  Please contact Dr Osman (MIC Mathematics Club) for further information regarding this requirement.

“MATHEMATICS CLUB MATTERS COMPETITION FOR ALL BOYS”

The Mathematics Club at the School is pleased to continue this term with “Mathematics Club Matters” for all boys interested in experiencing Mathematics. This has been a popular competition for all boys in the school.

The boys will have an opportunity to enter either a Middle School Maths Problem or Senior School Maths Problem each week. The boys will attempt on their own paper one problem each week within their year group of either Middle School or Senior School and will have until Monday lunch-time (1.15pm) to enter their submission at the Mathematics Department office. All boys will need to place their name and House group with their submission.

There is a permanent box placed outside in the Mathematics Department for each problem. The first correct solution drawn from each box on Monday at 1.30pm will be the winner, with the names published weekly in the Mathematics Club Matters section of the Head Master’s Bulletin.

Every correct solution will go into the draw to win a major prize at the end of each term. Solutions for each problem will appear in the Head Master’s Bulletin. So get your entries in this week for a chance to win.

THIS WEEK’S PROBLEM FOR BULLETIN I:

1. Years 7-9: Middle School Problem
due on Monday 12 October 2015

Alex, Ryan and Steven are sports fans. Each has a different favourite sport among football, baseball and basketball. Alex does not like basketball; Steven does not like basketball or baseball. Name each person’s favourite sport? Please show working to justify your answer!

2. Years 10-12: Senior School Problem
due on Monday 12 October 2015

The perimeter of a square has a value that is two-thirds of the number representing its square footage. What is the size of the square? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.15pm) at the Mathematics Department office.

Dr Frederick Osman | MIC Mathematics Club

BOARDING HOUSE OPEN DAY
SATURDAY 24TH OCTOBER 2015
FROM 12:30PM TO 1:00PM
61-63 PROSPECT ROAD SUMMER HILL

Full, Weekly and Day Boarding vacancies for 2016 are now available

Experience what Boarding at Trinity can offer your son.

Contact Ms Mandy Treweeke, Enrolment Officer to register for the Open Day phone 9581 6029 email mtreweeke@trinity.nsw.edu.au
NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES
CALL FOR STUDENT PAPERS

The Mathematics Club has initiated a new and unique *Journal and Proceedings of Young Archimedes* which publishes academic online papers of secondary students in the fields of *Mathematics Applications* and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club website http://www.trinity.nsw.edu.au/1_senior/spirit_mathms.html as a formal publication.

**Aims Of This New Initiative:**

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

**Outcomes:**

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club website publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquiries to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Dr Frederick Osman | MIC Mathematics Club

**CAREERS**

**Western Sydney University Scholarships**
Vice Chancellor’s Leadership Scholarship and Aspire (Group A) applications close: January 2015. UWS Sports Scholarship (Group A) applications close: January 2015. Donor Funded Scholarship (Group B) applications close: January 2015. Western Sydney University awards a number of scholarships to recognize attributes including leadership, academic excellence, sporting achievement and community involvement, as well as a number of equity scholarships to support students. http://www.uws.edu.au/informationforcareersadvisers/welcome/why_recommend_uws/scholarships

**UOW: Bonus Points**
UOW offers bonus points to local and regional students who live within the University’s catchment area and to students who do well in HSC subjects relevant to their chosen undergraduate degree. Students can receive a maximum of 6 points, 3 points if they live within the UOW catchment area and up to 3 points for students who do well in subjects relevant to their chosen UOW degree. Students who qualify to receive bonus points will automatically have them added to their ATAR by UAC for that UOW preference. http://www.uow.edu.au/future/pointstouow/index.html

**University of Sydney Engineering Leadership Scholarships**
Applications close: Fri 9th October. Students will receive an annual stipend of $18,000 and take part in an annual structured professional experience placement with a leading firm. Scholars will also receive leadership insights through working with the University of Sydney’s John Grill Centre for Project Leadership and by having direct access to an industry mentor.

Contact: engineering.scholarships@sydney.edu.au

**My Future Scholarships**
The MyFuture website lists a large number of scholarships available to students who will be studying at university in 2016. To view their scholarships, visit: http://myfuture.edu.au/tools-and-resources/study-or-training-options/scholarshipsearch

**International College of Management Sydney**
**Application Interview Days:** Sun 15th November, 9.00am – 12.00pm, 151 Darley Road, Manly. Sat 21st November, 9.30am – 12.00pm, 1 O’Connell Street, CBD, Sydney The International College of Management Sydney will be holding two interview days as part of its process of selection for its 2016 intake. Interviews provide the opportunity for the college to look beyond ATARs to learn about specific study/career paths and personal attributes of applicants. http://www.icms.edu.au/news-and-events

**International College of Management Sydney**
**Parent Information Evening:** Thu 3rd December, 6.30pm – 8.30pm, 151 Darley RD, Manly, Sydney. Suitable for parents of Year 12 high school students, the evening will allow attendees to learn more about the college and participate in a Q and A session, while also showcasing the work of students via a three-course dinner in the Grand Dining Room. http://www.icms.edu.au/event/parents-information-evening
Turning Point Consulting
Positive Career Skills Workshops
Mon 14th December, 9.00am – 12.00pm
Mon 21st December, 9.00am – 12.00pm
Hear from hiring professionals within recruitment and business; learn what is important in resumes and how the interview process works. Attendees can also have their resumes reviewed by a hiring professional. http://www.turningpointconsulting.com.au/student-events-calendar/

CAREERS IN SPORT
This website is for anyone interested in a career in sport and fitness. There is information about recommended qualifications and pathways, along with a list of available positions and courses. http://www.sportspeople.com.au/

Macquarie University
2016 Undergraduate Scholarship Booklet: Each year Macquarie University awards scholarships based on equity, financial need, academic excellence and sporting achievement. To learn more about these scholarships, view their 2016 undergraduate scholarship booklet: http://students.mq.edu.au/opportunities/scholarships_and_prizes.jsp

DEPARTMENT OF DEFENCE
Undergraduate Sponsorship Opportunities: The Department of Defence would like to advise you of civilian undergraduate sponsorships available in 2016 in the following degree disciplines:
> Engineering: Mechanical, Electrical, Aeronautical and Civil (Min ATAR 85);
> Business (Min ATAR 80);
> Arts (Min ATAR 75); and
> Science (Min ATAR 75).

These sponsorship opportunities are offered through the University of New South Wales (UNSW) at the Australian Defence Force Academy (ADFA) campus in Canberra. The Defence Civilian Undergraduate Sponsorship (DCUS) offers aspiring university students the opportunity to study alongside members of the Australian Defence Force as civilian students. Successful applicants, who meet the required ATAR, will work to complete a three or four year undergraduate degree, awarded by the University of New South Wales. Attached is the link to our DCUS website for your information and dissemination: http://www.defence.gov.au/dmo/Careers/StudentsandGraduates/UndergraduateSponsorship/Default.aspx

Macleay College
New Bachelor of Advertising and Media Degree: Developed in consultation with key industry leaders, the new degree aims to be up-to-date with dynamic industry change and prepares graduates for careers in the areas of marketing, management, creative, social media, digital production, and media. https://www.macleay.edu.au/news/macleay-college-launches-new-bachelor-of-advertising-and-media-degree

UAC Educational Access Schemes
Most of UAC’s participating institutions have Educational Access Schemes (EAS) to help students who have experienced long-term educational disadvantage gain admission to tertiary study. To be eligible for EAS consideration, student educational performance scores for HSC subjects that are relevant to their preferred UNSW degree may be awarded a maximum of 5 bonus points. http://www.unsw.edu.au/domestic-undergraduate/hsc-plus

The University of Sydney
Bachelor of Science (Advanced) and Doctor of Dental Medicine: In the new Bachelor of Science (Advanced) and Doctor of Dental Medicine, students spend the first three years studying advanced science courses of their choice, followed by the four year Doctor of Dental Medicine which qualifies graduates to practice as a dentist. http://sydney.edu.au/courses/bachelor-of-science-advanced-and-doctor-of-dental-medicine

University of Technology Sydney (UTS)
Engineering Bonus Points Questionnaire: Questionnaire closes Fri 11th December Students applying to a UTS engineering degree could be eligible for up to 5 bonus points by completing the UTS Engineering Year 12 Bonus Points Questionnaire. Early round offers will also be made on the basis of this questionnaire. http://www.uts.edu.au/future-students/engineering/essential-information/year-12-bonus-scheme-questionnaire

New Bachelor of Arts/Bachelor of Education and New Primary, Secondary Teaching Majors: The new Bachelor of Arts/Bachelor of Education degree will now feature a choice of three education majors – Primary Education, Secondary Education, and K-12 Education. As with all teaching degrees offered from 2016, a minimum of three Band 5 HSC results, including one in English is a prequisite for entry into the course. Students who do not meet these requirements may be able to gain entry into the course via a UTS approved pathway. http://www.uts.edu.au/future-students/education/study-areas/teacher-education-undergraduate

Engineering Industry Merit Based Scholarships: Applications Close: Mon 5th October. A number of Industry Sponsored scholarships are available to provide financial support for the first year of the Bachelor of Engineering Diploma in Engineering Practice degree. Scholars will have direct access to industry sponsors and many undertake an internship with their sponsor company. Applicants will be chosen based on their academic performance, skills evidence in leadership, commitment to an understanding of the engineering profession, and demonstrated initiative in extra-curricular activities. Contact: +61 2 9514 2666 or FEITOutreach@uts.edu.au http://www.uts.edu.au/future-students/scholarships/0000017874

UTS
New Digital Course Guides: New interactive course guides are designed to help students explore their UTS course and career options in new and engaging ways. https://www.uts.edu.au/future-students/teachers/tools-and-resources/course-guides

UTS INSEARCH

University of New South Wales (UNSW)
HSC Plus: HSC Plus is designed to reward strong performances in HSC subjects relevant to UNSW undergraduate degrees. Domestic students who complete the HSC and perform well in subjects that are relevant to their preferred UNSW degree may be awarded a maximum of 5 bonus points. http://www.unsw.edu.au/domestic-undergraduate/hsc-plus

Aviation Students ‘Qantas link Approved’: UNSW Aviation students can now apply to become ‘QantasLink Approved’ during their degree. As a result, students will be observed and mentored by experienced QantasLink pilots and, if successful, will be considered by QantasLink straight after graduation. http://www.aviation.unsw.edu.au/news/2015/QantasLinkCollaboration.html

Science Information Day: Thu 5th November, 9.00am – 3.00pm, UNSW Kensington Campus. An opportunity for high school students to visit the campus, participate in a range of activities and experience life as a science student. http://www.science.unsw.edu.au/future-students/science-info-day

Australian Catholic University (ACU)
New Undergraduate Double Degrees: ACU Health Sciences is introducing a number of new double degrees in 2016:
> Bachelor of Teaching/Bachelor of Exercise Science (Brisbane, Canberra, Melbourne, Strathfield)
> Bachelor of Laws/Bachelor of Biomedical Science (Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Business Administration (Brisbane, Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield).

These degrees are still subject to final approval. Website: http://www.acu.edu.au/about_acu/faculties_institutes_and_centres/health_sciences/course_updates/new_undergrad_double_degrees_for_2016

Early Achievers’ Programme: Applications Open: Monday 10 August 2015, Applications Close: Monday 19 October 2015. The Early Achievers’ Programme considers the contribution you have made to your community through your school or workplace, local community organisation, cultural and/or religious group. One of the biggest benefits of the programme is that successful applicants receive an offer well ahead of the usual tertiary admissions announcements. http://www.acu.edu.au/study_at_acu/alternative_entry/early_entry

ACU Elite Athlete Programme
ACU’s Elite Athlete Programme has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU. http://www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_program#1

UOW
English Extension and History Extension Study Days:
History Extension: Wed 18th November, 8.45am, Building 20 foyer. English Extension: Thu 19th November, 8.45am, Building 20 foyer See what university feels like while also attending a series of tailored sessions designed to help students achieve their potential in either History Extension or English Extension. http://www.uow.edu.au/future/events/index.html

Macquarie University
New Pathways into Law: Students who will have been admitted to a non-law degree at Macquarie University in 2016 will be able to apply for admission to the Pre-Law Pathway prior to their first session of studies. To gain entry into the Pre-Law Pathway prospective students are required to have completed the HSC in 2015, achieved an ATAR above 93, and be accepted into an approved degree at Macquarie. http://law.mq.edu.au/future_students/undergraduate_law_programs/new_pathways_into_law/

Australian National University
Academic Bonus Points: ANU awards academic bonus points to domestic students who have excelled in select subjects in Year 12 and have applied for an ANU Bachelor degree or Flexible double degree. Students who achieve the required results in the specified subjects will automatically have bonus points added to their ATAR. http://www.anu.edu.au/study/apply/academic-bonus-points

ANU Engineering and Computer Science Special Admission Scheme: Applications close: Fri 4th December. Students who are not expecting to achieve the required ATAR for entry into the Bachelor of Engineering, Bachelor of Advanced Computing, or Bachelor of Software Engineering, may apply for entry through the special admission scheme. To qualify for the special admissions scheme, applicants are required to demonstrate excellent academic performance in disciplines relevant to the study of engineering and/or computer science, leadership and community service, as well as strong commitment to engineering and/or computing. Applicants who wish to be considered under the Special Admission Scheme will need to submit an online application. https://ceecs.anu.edu.au/future_students/sas

My Open Day
A website where you can find information about the upcoming open days at universities, TAFE and private colleges, as well as information about gap years and other career news.http://myopenday.com.au/

Australian Defence Force Academy (ADFA)
Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC. An offer to study at ADFA is conditional on meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force. http://www.defencejobs.gov.au/education/adfa/howToApply/admissionProcess.aspx

Dr Frederick Osman | Director of Vocational Education and RTO Manager (Careers Education)

Trinity Grammar School
Sports Physiotherapy Clinic

The Trinity Grammar Sports Physiotherapy Clinic, is now operating in the rooms below the Pastoral Care Centre. It is open Wednesday mornings from 7.00am-10.00am and is run by Mr Tom Lombardo (’01), an Old Boy of the School. Having worked extensively with elite and professional athletes at the highest levels, Tom has a particular interest and expertise in the highly specialised area of adolescent sporting injury diagnosis and management.

With established links to an extensive network of quality sports medicine physicians and by placing a strong emphasis on specialist injury prevention, treatment and rehabilitation, the TGS Sports Physiotherapy clinic will ensure reliable and timely assessment and management of your son’s injuries within the confines of the school grounds.

Consultations at the clinic are for Trinity students only and can be booked online (the link can be accessed from the School’s home web page; www.trinity.nsw.edu.au). The clinic will offer competitive rates and allow for private health insurance rebates. The cost of the initial consultation of a new injury is $78 and any subsequent consultations will be charged at $68 per service.

**The Trinity app**

The new Trinity app is now available from the App Store and from Google play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au

For details, please contact the St Paul’s Church Office:
Ph.: 9747 4327 / Email: office@stpaulsburwood.org.au

* * * *

St Paul’s is an historic Church designed by Edmund Blacket. It is famous for its beauty and spiritual ambience, and is the ideal venue to hear the music of the Masters, interpreted by our Sydney-based artists.
“ACHIEVING YOUR PERSONAL BEST”
With Dr Prue Salter

An interactive evening for parents and students outlining tools and techniques for students to achieve their personal academic best.

Prue Salter is the founder of ELES (www.enhanced-learning.net) and an expert in the area of study skills. She has conducted over 4000 study skills seminars across Australia and Asia, has written 20 study skills resource kits for schools and is the creator of the online and interactive study skills website used by more than 120000 students (www.studyskillshandbook.com.au)

Prue has recently completed her PhD exploring whole-school integrated approaches to developing students’ self-regulated learning skills.

**Date**  
Wednesday 28th October 2015

**Time**  
7.30 - 9pm

**Place**  
The Latham Theatre, Trinity Grammar School

**Cost**  
$20 per family

**RSVP**  
Please RSVP early as places are limited this year

Parent/Guardian(s) and students should attend together. As the session is very interactive, the session will not be of full value unless both the students and a parent attend. Both students and parents also need to bring along pens and students also should bring their record book.

**CLICK HERE TO RSVP AND PAY ONLINE**

**TIME TO STEP UP AND MOVE YOUR STUDY SKILLS TO THE NEXT LEVEL...**

**Students:** Are you confident that you are doing everything you need to be doing to achieve your academic potential?

**Parents:** Do you want to make sure that your son is on track to maximise his results in the final years of school?

This evening is a ‘not to be missed’ opportunity for a study skills check-up: a way for students to learn new techniques (e.g. time management, study notes) and to find out the areas they specifically need to work on to improve their results.
