FROM THE HEAD MASTER

STUDENT LEADERSHIP POSITIONS FOR 2015/16

During the course of this week, we have had the opportunity to present with their T Shirts, caps etc those boys who have been selected to represent the School in 1st teams for the forthcoming summer season. We also were pleased to welcome back several notable Old Boys who assisted with these presentations, including Mr Dane Ristovski (Class of 2014) and Mr Simon Rothery (Class of 1987). I was also pleased to announce the following student leadership roles for the forthcoming CAS season:

Cadets
SUO
RSM
EXO (2IC)
OPSO/RQMS
Nicholas Bishop (12Hi)
Stacy Marantos (12Yo)
Patrick Newall (12Yo)
James Paterson (12WJ)

Cricket
Captain of Cricket
Captain of 1st XI
Julian Dimas (12Ta)
Austin Waugh (11St)

Diving
Captain
William Jeffree (12Ho)

Water Polo
Captain of Water Polo
Captain of 1st VI
Lochlain Ryan (12We)
Christopher Artemi (12Hi)

Basketball
Captain
Jarryd Fernandes (12La)
Nam Phu (12Fo)
Riley Smith (12Ke)
Jake Kerry (11Ho)

Raw Sport
Co-Captains
Stacey Marantos (12Yo)
James Verykios (12Hi)

Vice Captains

CAS Swimming
Captains
Keegan Street (12WJ)
Christopher Hoare (12St).
Paul Raptis (12Ta)
Kaden Tsoi (12Ar)

Tennis
Captain
Kevin Batliwala (12Yo)

Volleyball
Captain
Lewis Jupp (12WH)
Vice Captain
Angus Webster (12WJ)

TAKING THE PLUNGE! – THE 50M INDOOR POOL COMES ONLINE

There was no shortage of volunteers – or indeed enthusiasm – when I interrupted Mr Brown’s specialist squad training on Saturday morning and suggested that we might shift the venue for the remainder of the training session to our new indoor facility. Thanks to the wonderful co-operation of our builders, we now have occupancy of our indoor 50m pool and the associated refurbished change rooms, located under the old Gym. Naturally, this has generated a great deal of interest at the Summer Hill Campus, including the Junior School (I paid a surprise visit earlier this week and gave them an escorted lap around the pool and I am pleased to report that, apart from two or three Kindergarten boys who couldn’t resist dipping their hands in the water, no one fell in!). The benefits of our new facility have already been noted by our swimmers and water polo players. For example, our water polo squad now averages close to an additional hour of actual training each session they undertake, as they no longer have to spend an hour in peak hour traffic travelling to and from an outside pool.
FROM THE DEPUTY HEAD MASTER

YEARS 7 TO 11
‘BEST OF THE BEST ART’ EXHIBITION

Congratulations to each boys whose artwork was selected for the Exhibition in the Delmar Gallery. Over 250 works were on display on Thursday evening for the opening of the show with a wide range of artwork presented – paintings, digital works, drawings, prints, sculptures, ceramics and photographs, all of which exemplified the rich creative talents of our boys.

Mr Peter Bamford, the Acting Head of Visual Arts, opened the exhibition and is his address spoke eloquently of the School’s nurturing of the creative potential of our students within the Visual Arts programme and of the wide range of career paths that students with creative talents have within Australia today. Congratulations to Mr Bamford and the Visual Arts staff: Mr Mark Oakley, Ms Alexander Woods, Ms Christina Vanden Hengel and Mr Joel Tonks.

Congratulations to the following boys who received awards for their artwork:

Middle School Awardee  Charlie Griffith (9Yo)
Senior School Awardee  Will O’Brien (11WJ)

The Year prize winners:

Year 7  Patrick Hayes (7Mu)
Year 8  Andrew Gabriel (8Hi)
Year 9  Nicholas Pizanias (9He)
Year 10 Yossi Sundakov-Krumins (10Ar)
Year 11 Yu Fan Zheng (11Mu)

Peter Green | Deputy Head Master

DISTINCTION AWARD REES:

Year 7  Zack Zuccolotto
Selwyn Chang
Alexander Pavic
Christopher Stelzer
Jonathan Wong
James Park
Tom Jin
Cameron Finn
Michael Lin
Ben Blades
Samuel Xu
Hamzeh Abutaa
Jeffrey Li
Nickolas Nikiforidis
Leon Mulcahy
Nicholas Earls
Timothy Nguyen
Luke Sheppard
Luke Mulcahy
Adiya Verma
Alex Reddel
Luke Selim
Leo Garaci
Harry Driessen
Aston Forster

Year 8  Andrew Gabriel
Gregory Kostoglou
Logan Kaye
Daniel Fang
Alex Cameron

Nicholas Tsiakos
Henry Meyer
Jack Opperman

Year 9  Charlie Griffith
Aran Kathir
George Fournaris
Matthew Turner
Alex Kolesnikoff
Jeremy Adams
Aidan Hennessy
Jonathan Hooper
Ben Austin
Lachlan Zheng
Dylan Zhang
Charlie Griffith
Thomas Lambert
Nicholas Pizanias
Adam Somboli
Calvin Li
Thomas Lambert
Lachlan Illias

Year 10 Joshua Hobden
Patrick Kearney
William Giezekamp
Yossi Sundakov-Krumins
Byron
Hollingworth-Dessent

Year 11  Will O’Brien
James Verykios
Zachary Fallas
Paul Nguyen
Zac Watson
Brayden Shields
Patrick Barlow
Lachlan Rickards-Tang
Raymond Tran
Carl Coorey-Ewings

Harry Dunn
Valen Zhang
Joshua Olpindo
Rohin Mishra
Elliot Lamond
Stefan Marantos
Harman Singh
Romeet Gandhi
Rohin Mishra
Jonah Newman
Luc Velez
Alex Clisdell
Raynold Chen
Monty Hannaford

ELEVATE UPDATE

Last Friday, members of our ELEVATE core team (Mrs Bryce, Mr Dunn, Mrs Gossling, Mr Wyatt and myself) participated in the first of six workshops over the course of the next 12 months, as part of our three year commitment to this exciting project (for background information on the ELEVATE project, please refer to the article on the 2nd September).

We formed part of a ‘community of practice’, along with twelve of our fellow independent schools, one Catholic school and two government schools. The workshop was led by Valerie Hannon who is a co-founder of the Innovation Unit (a UK-based organisation and strategic partner of AISNSW) and an established global leader in the field of education innovation. As a unique group of developers we investigated future opportunities our students face and the world they need to thrive in. We also engaged in innovation and design methods to further understand the needs of high potential learners.

Over the course of the next four weeks, and with the support from AISNSW Academic Performance consultants, the core team and other staff will engage in activities which will help us to further understand the needs of a high potential learners. The process will also draw out promising practices at the School that help high-potential learners optimise their performance, as well as generating new opportunities for growth and refinement of our learning and teaching models at Trinity.

The School continues to be excited about the opportunities that lie ahead with our involvement in ELEVATE and the broader implications that go beyond our focus not only on just our most able learners, but also regarding the enhancing of all boys’ achievement across the School.

Jason Cheers | Academic Dean

TRINITY QUILTERS

The next meeting of the Trinity Quilters will occur on Friday the 23rd October in the Bosch Room at Summer Hill. We are a group of mothers and past mothers from the Preparatory School, Junior School and the Senior School, and meet usually on the fourth Friday of the month. We have beginners and experienced quilters who gladly share their knowledge, in classes held during the year.

We also make quilts for members of the Trinity School family who may be suffering from serious illness.

If you are keen to join the group, please ring Helena at reception (9581 6000) and leave your details we will contact you with more information.

Susie Cujes

CONCERTO COMPETITION 2015

HEATS
MONDAY 26TH – FRIDAY 30TH OCTOBER (WEEK 4)

FINALS
WEDNESDAY 4TH NOVEMBER 7PM, ORCHESTRA ROOM

OPEN TO ALL TRINITY GRAMMAR SCHOOL STUDENTS, FROM THE SENIOR, MIDDLE, JUNIOR AND PREP SCHOOLS

ENTRIES DUE WEDNESDAY 14TH OCTOBER (WEEK 2)

Enquiries can be directed to Holly Champion | Music Secretary at fchampion@trinity.nsw.edu.au.
A DINNER PARTY…A SWIMMING POOL…AND EXAMINATIONS

During the recent holidays, when visiting my brother in Ulverstone Tasmania, I was invited with him to a dinner party. Margaret, one of the guests –none of whom I had met previously– upon learning that I worked at Trinity, enquired of me how the big hole in Prospect Road was coming along. Somewhat astonished at such a question from a complete stranger, in a relatively distant locality, I learned that Margaret only last year had moved from Tintern Road, which is close by Trinity, to Ulverstone on Tasmania’s north coast. It was quite a coincidence, I thought that such a meeting between us should have occurred. Anyway, I was able to assure her that all was well with the big hole, past which she had often walked, and indeed that the new Aquatic centre was nearly finished.

Thus it was with an added layer to the experience I was able to be present last Saturday at a most significant event…the first real use of the new Pool. We were fortunate to have in attendance one of the swimming fraternity’s most notable coaches, who kindly gave of his time to put the boys of the Trinity Swimming Team through their paces. With many words of advice he launched each Year group on their very first lap of the new 50 metre pool, with a special team of regular coaches and other staff also showing their mettle! And so was launched what surely will be a wonderful development in the School’s already well-known prowess in swimming, and one for which we are grateful to all involved in its creation.

All this while, Year 12 students were preparing for their examinations, the HSC having begun last Monday. Just as the simple, smooth, clean lines of the new Aquatic centre reveal little of the enormous amount of work involved in its construction, so this period of exams represents for the Year 12s the summation of much preparation and work and consistent and sustained effort over a long period. In life, too, what our friends see of our accomplishments rarely reveals the effort that was required to achieve such results. Just as the building derives its strength from the steel reinforcement concealed within its columns, so our lives may derive a strength and sustenance from a commitment to trusting in God, and living in the spirit of our motto:

Detur Gloria Soli Deo.

Ron Ogier

## NEWS FROM THE ARTHUR HOLT LIBRARY

### EVENTS EVERY DAY THIS TERM!

The Library had something for everyone with a lunchtime event every day this week! Our new, term-long series of programmes was launched this week.

- **Mind Monday** saw students exercising their grey matter with brain teasers, cryptic crosswords and Rubik’s cubes. Where? In the Brainstorm Room, of course!

- **Tuesdays with TED** introduced this wonderful idea-sharing platform via a brilliant talk about designing a shark-deterrent wetsuit. Definitely an example of “thinking outside the square”! There will be a different TED talk shown each Tuesday in the Group Study Area.

- **Wednesday** brought the much-anticipated inaugural session of **Library Hacks** – a series of twenty-minute talks by members of Library staff in which ideas are shared, knowledge is passed on and tricks of the trade are revealed. There will be a different presenter and new topic each week in the Seminar Area.

- **Throwback Thursday** transformed our Presentation Area into a games room of yesteryear, showing students what counted as games before tablets and Wi-Fi. The selection for this week included dominoes, chess, and Connect 4. Students can bring their own card or board games, too.

- **Bookface Friday** finished off the week in the Lounge – a chance for students to read outside their genre comfort-zone. Each Friday come and see the top books in a featured genre as chosen by the Library staff. This week’s genre was Short Stories.

A full schedule of events for Michaelmas term is available via the Library Canvas course. We hope to see staff and students in the Library at lunchtime at least once (a week) this term!

Tabatha Paterson | Teacher Librarian
TRIALS vs SHORE

Trinity completed its preparations for the upcoming CAS season in great style with all Teams taking on Shore from the GPS and finishing on top overall with 20 wins and 14 losses. The Year 10s were impressive, winning all eight games contested. There will be more movement amongst the Teams as boys continue to compete for spots within their Year group.

1ST V

Trinity finished their pre-season off with a 5-point loss to Shore after leading for most of the match. The Green’s trademark pressure defence created many opportunities and stifled the GPS Schools’ offence. A much-improved Sebastian Diaz (10Ta) nailed a pair of shots from beyond the arc in the first period, while Riley Smith (12Ke) was causing havoc on the boards. Trinity, through some solid play from Jed Keogh (11Ta), had extended their lead to six points by the main break (32-26).

Jarryd Fernandes (12La) and Jayden Tanevski (12La) combined well, pouring in 18 points for the second half, while Jake Kerry (11Ho) was intimidating the Shore backcourt with great pressure on the ball. Trinity’s inability to finish off great opportunities at the rim allowed Shore back in the game. A poor start to the final quarter had the Greens trailing for the first time and eventually going down in a fast paced game (66-71).

Leading Scorers

Jarryd Fernandes 16 pts.
Jayden Tanevski 12 pts.
Riley Smith 10 pts.
Sebastian Diaz 10 pts.

The following boys have been chosen to represent the 1st V for the 2015/16 CAS season:

Jarryd Fernandes (12La) and Jayden Tanevski (12La), Riley Smith (12Ke), John Bechara (12Mu), Jake Kerry (10Ho), Jed Keogh (11Ar), Tom MacKenzie (11WJ), Ryan Maranik (11Ar), Davo Hickey (11Ke) and Sebastian Diaz (10Ta).

The coaching staff would like to congratulate Jarryd Fenandes on his selection as Captain of Basketball and Riley Smith and Jake Kerry as Co-Vice Captains of the 1st V.

2ND V

Missing a couple of key players, the Seconds went down convincingly (23-51) to a very good Shore team, who were runners up in the annual Sydney Schools Shootout the previous week. Ollie Davis (11Ke) and Josh Di Giannantonio (12Ho) provided some offensive punch and James Spanos (12Ho) was solid in the backcourt, but for the Greens to be successful again this season, all players will need to be more aggressive and assertive at both ends of the court. With all ten players back for the opening game of the CAS and once again under the guidance of Mr Treloar, the season looks promising for Trinity.

Josh Di Giannantonio (12Ho), Alex Andreatta (12Du), James Spanos (12Ho), Liam Rasch (12WJ), Edison Chan (11WJ), Ollie Davis (11Ke), Patrick Di Giannantonio (11Ho), Harry Dunn (11Mu), Andrew Jamieson-Grigg (11Ho) and Ben LoRusso (11He).

The coaching staff would like to congratulate Josh Di Giannantonio and Alex Andreatta on their selection as Co-Captains of the 2nd V.

8TH V

With numerous players unavailable, Trinity played a smart controlled game, not getting caught up in Shore’s fast pace, resulting in an impressive 21-point victory. Omar Fouda (11Ke) and Ajay George (11We) orchestrated the offence with slick passing up the court. Matthew Smerdley (12La) was the dominant scorer, with strong backup from Phillip Ma (11Wh).

YEAR 10A

Trinity started slowly in the first half, but Cooper Young’s (He) scoring gave the team hope as they trailed by only 7 points at the end of the first half. Josh Kerr (We) inspired the team through his relentless determination and desire to succeed whilst Justin Jasa (Ho) displayed superb poise to achieve an outstanding come from behind 8-point victory.

YEAR 10B

The Bs continued their dominating form and stifling defence from last season, holding Shore to only 3 points in the first half. Tom Diiorio-De-Domeneghi (Yo) produced a superb all-round performance, whilst Jonathan Roseworm (WJ) and Andre
**Moufarrege (La)** provided the additional energy to secure a comfortable 22-point victory.

**YEAR 10C**

The Greens led the whole match but Shore worked hard to stay within striking distance. Sharp shooting from **Ricky Chan (Sc)** and **Stanley Zheng (Mu)** in the second half helped secure a 10-point victory.

**YEAR 10D**

Trinity showed great cohesion and teamwork to jump to a big lead early in the match. **Riley Welfare (St)** was too good (and tall!) in the key to stop, while **Evangelos Giannaras (WJ)** ran tirelessly to score regular fast break points. Led by captain **Marcus Buvac (WJ)** the team finished strongly to show a sign of good things to come this season.

**YEAR 10E**

Trinity faced a tough challenge from Shore, showing their character and perseverance to emerge with a 12-point victory. Strong rebounding by **Alexander Kapos (Wh)** and **Alex Chow (Hi)** paved the way for fast break opportunities, which were well taken by **Monty Guo (Ke)** and **Eisa Tasipale (Mu)**, who finished well throughout the game.

**YEAR 9A**

Trinity started the season in winning fashion running out 17-point winners. **Richard Zlade (Mu)** was outstanding on the offensive end, controlling the game and scoring basket upon basket, while **James Corben (WJ)** was unstoppable inside. **Marcus Kartounnis (He)** was also impressive, setting the tone of the game with great physical play.

**YEAR 9B**

After coming off a poor season last year, the Bs ran out one point winners in their first game of the season. **Sam York (Hi)** and **Joshua Brereton (Hi)** combined well in the opening half to see Trinity take a 2-point lead into the break. Strong, physical play from **Harry Tran (Ta)** in the second half paved the way for Trinity to take the game by one point.

**YEAR 9D**

In a game where the score line did not matter as much, the Trinity team performed well enough in the second half to hold onto a 3-point win. **Jasper Cheung (Fo)** nailed important baskets to show off his strong abilities to score in the paint. **Josh Chen (Fo)** and **Zain Rasool’s (Wh)** great determination to stop Shore from scoring led the way for Trinity’s dominant defensive performance.

**YEAR 9F**

Trinity competed well in the outside heat to produce a convincing 16-point win. A consistent defensive effort from **Alexander Stojkovic (Ho)** and **Marko Karanfilovski (La)**, troubled the taller Shore opposition, which allowed **David Guo (Yo)** to dominate the scoring.

**YEAR 9H**

**Christopher Jeffree (Ho)** collected a truck load of rebounds at both ends, while **William Brockie’s (Du)** impressive shooting allowed Trinity pull away in the second half and post a solid 12-point win.

**YEAR 8A**

Trinity’s full court pressure really put Shore under pressure led by **Christian Diaz (Ta)**, resulting in easy baskets for the greens. By halftime the 8As had build a substantial lead. **Earvin Dizon (Ta)** and **Jack Nichol (He)** reaped the rewards of running the court hard with easy baskets at the rim in an impressive 37-point win.

**YEAR 8B**

**Alex Solomou (Ta)** shot the ball well in the first half, which laid the platform for the greens to roll on. Ky Willoughby (WH) had an exceptional game not only in his own relentless style, but also his ability to direct his the team around the court.

**YEAR 8C**

After a slow start, **James Farah (He)** hustled hard on the defensive end, breaking up the Shore offence with countless interceptions. **Steve Poulos (Ta)** ran the floor hard throughout the game resulting in easy fast break points giving Trinity the lead. **Sam Yang (Fo)** finished strongly around the rim to cement a Green win.

**YEAR 8E**

The 8Es had a terrific win over Shore thanks to great defensive hustle by all players. **Alister Buchanan (Ta)** and **Lucas Kapetanellis (Ke)** were exceptional on the boards and provided a strong transition game, while **Hamzeh Abutaa (La)** dominated the scoring.

**YEAR 8F**

The boys finished a nail-biting game against Shore with a 2 point win. **Alex Haragi (Du)** showed great leadership and got the team organised offensively. Stephen Roberts (St) had an all round excellent game, leading the rebounds count and scoring critical baskets towards the end of the second half.

**Ben Morrissey | MIC Basketball**

TRINITY GRAMMAR SCHOOL

School Prayer

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

**Junior, Middle and Senior Schools Summer Hill** – meet at reception in the Junior School Building, Summer Hill – on even weeks of term (Weeks 2, 4, 6, 8)

**Term 4** October 13th, 27th, November 10th, 24th

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

DIARY DATE

JANUSZ WAWROWSKI
(Poland) Solo Violin

Thursday 26 November, 7.30pm – Orchestra Room

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

**Bookings open now!**
Book online at www.trybooking.com/IXNU
Tickets from $20.

TENNIS

Mr Simon Rothery (Class of 1987) did the honours of presenting the Tennis team with their uniforms at Quad Assembly on Thursday morning.
The first round of 2 day fixtures for season 2015/16 was an excellent one for Trinity with all four sides recording victories and playing some very exciting, yet measured, Cricket.

1ST XI

The opening round of the 2015/16 CAS cricket competition saw Trinity’s 1st XI taking on St Aloysius’ at home in the first of the two-day fixtures. Trinity won the toss and elected to bowl, which proved to be a good decision with Joshua Weston (12He) 2-29 taking a wicket in the first over. With chances missed, the St Aloysius’ top order took advantage and steadily headed to 4/216, ultimately looking comfortable for a par score on Number 1 Oval. Wickets were hard to come by as the opposition batsmen batted well in tough bowling conditions. The new ball was introduced after 80 overs had been bowled and this sparked a collapse of wickets. Debutant Travis Fleming (12WJ) 3-31 took his first scalp at 1st XI level before Joshua grabbed another. A team hat trick and 2 consecutive wickets to Travis shifted the momentum back in Trinity’s favour. This was largely due to the pressure built by spinners with the older ball which was instrumental to the success later in the day. Anuj Aloysius (12Sc) took 3/53 off his 22 overs and some of the younger boys chipped in with some tight bowling. Some athletic catching by Raghavan Selvaratnam (11La) assisted in the taking of these wickets which lifted the team’s spirits on a hot day. Vasi MacMillan (10Ho) finished the innings off, taking the final wicket and collecting figures of 2/18, taking the final wicket and collecting figures of 2/12, Rushad Parekh (11Yo) and Patrick Barlow (12Ar) 2/9 the pick of the group. In reply, Trinity’s run chase faltered at the top of the innings and the side found themselves sitting precariously at 5/61. As was the case in the side’s trial game against St Patricks’ in the holidays, Nicholas Chan (12Mu) and Alec Suster (11WH) came together to save the day for the side and produced a match winning partnership. Nicholas finished unbeaten of 53 and Alec made a very valuable 13 not out. Eventually, Trinity won the match with 5 wickets to spare in a solid team performance.

2ND XI

Day 1 of the fixture saw Trinity’s bowlers do a fine job in restricting St Aloysius’ to a total of 127. Wickets were shared amongst the bowlers with Rushad Parekh (11Yo) 2/12, Sam Otton (11Ta) 2/16, and Patrick Barlow (12Ar) 2/9 the pick of the group. In reply, Trinity’s run chase faltered at the top of the innings and the side found themselves sitting precariously at 5/61. As was the case in the side’s trial game against St Patricks’ in the holidays, Nicholas Chan (12Mu) and Alec Suster (11WH) came together to save the day for the side and produced a match winning partnership. Nicholas finished unbeaten of 53 and Alec made a very valuable 13 not out. Eventually, Trinity won the match with 5 wickets to spare in a solid team performance.

10As

The 10A side were involved in a nail biting encounter with St Aloysius’. Batting first on day one, Trinity scored a healthy total of 225. This was largely due to the heroics of Jonathan Hooper (10Ar). He managed to score a magnificent 123 and held the team’s innings together. St Aloysius’ set about chasing down the total and the game was always in the balance and was too close for any of the nervous on-lookers to call. Saachin Simpson (10WH) bowled well and claimed 3 wickets, and the returning captain, Brad Uglow (10He) chipped in with a couple of his own, including the vital final wicket, with Trinity being only 2 runs ahead. His full-length diving catch in the outfield was a real turning point and has been described as one of the best ever seen at College Oval. A fine victory by 2 runs and one which was thoroughly deserved.

CAS CRICKET 2015-2016 | ROUND 1 | TWO DAY GAME | SATURDAY 3RD AND 10TH OCTOBER 2015

9As

St Aloysius’ batted first at TGS 3 and scored a total off 177. Jordan Gupta (9WJ) was the standout bowler for the side. In only his second game playing in the top side for the age group it would have been easy for nerves to take over, but Jordan remained calm and composed while bowling his off-spin and took 4-27. Jack Bermingham (9Mu) also bowled well and picked up 3 wickets of his own. In reply, Trinity was able to chase the total down with the loss of 6 wickets. Ritvik Dinesh (9Ke) was the rock of the innings scoring 54 not out. He was ably supported by Angus McDonald (9Sc) who made 47.

Ian Moran | MIC Cricket

Win rate: 4:0 100%

Sun Safety at Sport

Encouraging our boys to take responsibility for sun safety is an important part of the role of parents and coaches. It is our collective responsibility to help educate them about it. The following is an excerpt from the Trinity Sport Coach/Co-curricular Staff Information Handbook. I would ask that Parents assist in delivering this message also:

- Regularly remind boys about, and continue to facilitate time dedicated specifically to:
  - hydration (drink fluids, especially water; regularly, prior to, during and after training.matches)
  - wearing hats and applying sunscreen
  - spending plenty of time in the shade, especially in warmer weather

Boys should continue to bring and apply their own sunscreen regularly and wear their Trinity hat. For those who require it, sunscreen is made available in the Sports and Co-curricular Office (Q0.1), Special Duties Master’s Office and at training sessions for sports such as cricket and tennis.

John Allen | Director of Sport and Co-curricular Activities

A drink and hat and some shade
Will make sure that your prowess won’t fade:
Be wise in the sun
Thus prolonging your fun,
Whatever your sporting grade!

Ron Ogier
NSW ALL SCHOOLS TRACK AND FIELD CHAMPIONSHIPS 8th to 11th October 2015
Sydney Olympic Park Athletic Centre

Trinity Track and Field continued their previous year’s success by having one of the strongest representations at this year’s Championships. Forty students competed across a diverse range of events. In total, Trinity came away with 17 medals: 6 Golds, 8 Silver and 3 bronze -- a fantastic achievement.

Congratulations to the following nine students who will be representing NSW at the Australian All Schools Championships to be held in Melbourne on 4-6 December, 2015;

> Matthew Kuo (12WH) (2015)
> Byron Hollingworth-Dessent (11Sc)
> Sebastien Moir (11Hi)
> Bertie Swann (11Ar)
> Alexander Kolesnikoff (10Ho)
> Logan Kaye (9Ho)
> Connor Murphy (9Ta)
> Ethan Bateman (8WJ)
> Blake Toohey (8Ke)

All students competed to a very high level and we had a further 27 (top 8 finishes) an amazing result. All athletes are to be commended for competing at this level of competition! Remember too, the more exposure to competition the better your chances will be for improvement.

Hearty congratulations to all students and coaching staff involved...Well done!

Andrew Murphy
MIC Track and Field and Director of Athletic Development

**WHAT ARE THE QUALITIES OF A SCOUT?**

The original Scout Handbook from 1911 has this to say,

“And then the final and chief test of the scout is the doing of a good turn to somebody every day, quietly and without boasting. This is the proof of the scout. It is practical religion, and a boy honors God best when he helps others most.

A Youth may wear all the scout uniforms made, all the scout badges ever manufactured, know all the woodcraft, campcraft, scoutcraft and other activities of scouts, and yet never be a real scout.

To be a real Scout means the doing of a good turn every day with the proper motive and if this be done, the Youth has a right to be classed with the great scouts that have been of such service to their country.”

Phil Smith, a scout leader from Adelaide, wrote recently that there is something more than just what you see on the outside. He used a watermelon as an example - What makes you say it is a good watermelon? Is it what it looks like on the outside? Or is it what it tastes like on the inside? I know you will agree that it is what is on the inside of the watermelon that counts—unless you eat the outside, of course! This is also true of many other things. Sometimes we say, “You can’t judge a book by the cover” which is another way of stating this same idea.

Phil also said that while the outside is important, it is not the most important consideration. A real scout has to be “baked” from the inside out and not the other way around. The real scout has to have something happening in his heart not just in his appearance because that can be phony.

The word “hypocrite” comes from the times of the Roman Empire. The hypocrite was the actor of the day. He would put on a mask and become someone he was not. He would pretend, for the sake of the spectators, to be someone totally different. His inside did not match his outside. He claimed to be what he was not.

The outside of the scout should be a reflection of his heart not just a costume to make him look good to others. A REAL scout has a heart that moves in step with the Scout Law and Promise.

This term the Scout Association is looking at the Scout Law and Promise as part of its Youth Programme Review. All youth members, parents and leaders are asked to contribute. The Trinity Cubs and Scouts will be looking at what it means to be a scout in relation to the Scout Law and Promise over this term so we can contribute to the review.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

The Mathematics Club Matters competition has been very popular and it was pleasing to see there were many weekly submissions to and interest in the problems from our boys and parents interested in experiencing Mathematics. The Mathematics Club appreciates the generosity of our sponsors and support for this competition. It now gives me great pleasure to announce Flynn Innes (10Mu) as the major draw prize winner for the Trinity Term. You too may be a winner this term, so get your entry in this week for a chance to win!

MATHEMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin I from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Flynn Innes (10Mu) and Calvin Fong (12Ta) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was Ryan must like basketball since neither Alex nor Steven does. Steven does not like basketball or baseball, so he must like football, leaving Alex liking baseball. The answer for the Senior School Problem was the square is 6 feet by 6 feet. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

THIS WEEK’S PROBLEM FOR BULLETIN II:

1. Years 7-9: Middle School Problem due on Monday 19 October 2015

Find the smallest number which, when divided by each of the integers 2, 3, 4, 5, 6 and 7 will give in each case, a remainder which is 1 less than the divisor. Please show working to justify your answer!

2. Years 10-12: Senior School Problem due on Monday 19 October 2015

A haulage contractor did not have room in his garage for 8 of his trucks. He therefore increased the size of his garage by 50 percent, which gave him room for 8 more trucks than he owned altogether. How many trucks did he own? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.15PM) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES

CALL FOR STUDENT PAPERS

The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit_maths.html as a formal publication.

Aims Of This New Initiative:

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquires to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Dr Frederick Osman | MIC Mathematics Club

Western Sydney University

New Bachelor of Business in 2016
The course seeks to equip all students with a good understanding of basic business issues, complemented by a high level of knowledge relevant to specific business disciplines. http://www.westernsydney.edu.au/future/future_students_home/ug/business/bachelor_of_business

Western Sydney University Scholarships
Vice Chancellor’s Leadership Scholarship and Aspire (Group A) applications close: January 2015. UWS Sports Scholarship (Group A) applications close: January 2015. Donor Funded Scholarship (Group B) applications close: January 2015. Western Sydney University awards a number of scholarships to recognize attributes including leadership, academic excellence, sporting achievement and community involvement, as well as a number of equity scholarships to support students. http://www.uws.edu.au/informationforcareersadvisers/welcome/why_recommend_uws_scholarships

UOW: Bonus Points
UOW offers bonus points to local and regional students who live within the University’s catchment area and to students who do well in HSC subjects relevant to their chosen undergraduate degree. Students can receive a maximum of 6 points, 3 points if they live within the UOW catchment area and up to 3 points for students who do well in subjects relevant to their chosen UOW degree. Students who qualify to receive bonus points will automatically have them added to theirATAR by UAC for that UOW preference. http://www.uow.edu.au/future/pointstouow/index.html

Turning Point Consulting

Positive Career Skills Workshops
Mon 14th December, 9.00am – 12.00pm Mon 21st December, 9.00am – 12.00pm Hear from hiring professionals within recruitment and business; learn what is important in resumes and how the interview process works. Attendees can also have their resumes reviewed by a hiring professional. http://www.turningpointconsulting.com.au/student-events-calendar/

Department of Defence

Undergraduate Sponsorship Opportunities: The Department of Defence would like to advise you of civilian undergraduate sponsorships available in 2016 in the following degree disciplines: > Engineering: Mechanical, Electrical, Aeronautical and Civil (Min ATAR 85) ; > Business (Min ATAR 80) ; > Arts (Min ATAR 75) ; and > Science (Min ATAR 75).

These sponsorship opportunities are offered through the University of New South Wales (UNSW) at the Australian Defence Force Academy (ADFA) campus in Canberra. The Defence Civilian Undergraduate Sponsorship (DCUS) offers aspiring university students the opportunity to study alongside members of the Australian Defence Force as civilian students. Successful applicants, who meet the requiredATAR, will work to complete a three or four year undergraduate degree, awarded by the University of New South Wales. Attached is the link to our DCUS website for your information and dissemination: http://www.defence.gov.au/dmo/Careers/StudentsandGraduates/UndergraduateSponsorship/Default.aspx

Macleay College

New Bachelor of Advertising and Media Degree: Developed in consultation with key industry leaders, the new degree aims to be up-to-date with dynamic industry change and prepare graduates for careers in the areas of marketing, management, creative, social media, digital production, and media. https://macleay.edu.au/news/macleay-college-launches-new-bachelor-of-advertising-and-media-degree

The University of Sydney

Summer School The University of Sydney’s intensive Summer School is offered over three sessions from December to February. Students may study as a non-award student and get a taste of the diverse academic offerings and even get a head start on their degree if they’ve just completed Year 12. http://sydney.edu.au/summer/

The University of Sydney
Bachelor of Science (Advanced) and Doctor of Dental Medicine: In the new Bachelor of Science (Advanced) and Doctor of Dental Medicine, students spend the first three years studying advanced science courses of their choice, followed by the four year Doctor of Dental Medicine which qualifies graduates to practice as a dentist. http://sydney.edu.au/courses/bachelor-of-science-advanced-and-doctor-of-dental-medicine

University of Technology Sydney (UTS) Summer School Program: The Summer School Program offers Year 11 students from UTS partner schools the chance to attend intensive two-week summer schools in subject areas like filmmaking, engineering, information technology, design, nursing and midwifery, and science. Contact: 9514 1084 or cassie.willis@uts.edu.au http://www.uts.edu.au/future-students/teachers/essential-information/uni-school-programs/summer-school-program

UTS HSC Tutorial Scheme: The HSC Tutorial Scheme provides school-based tutorial sessions at UTS targeted schools in South Western Sydney. This tutorial support assists Year 11 and 12 students to improve their academic performance and broaden their educational aspirations. Contact: 9514 7821 or Michael.Ormsby@uts.edu.au http://www.uts.edu.au/future-students/teachers/essential-information/uni-school-programs/hsc-tutorial-scheme

UTS Info Days
> Fri 18th December, 10.00am – 3.00pm, UTS City Campus, Broadway
> Tue 5th January, 10.00am – 3.00pm, UTS City Campus, Broadway

UTS Sydney Year 11 Law Discovery Day
> Thu 19th November & Thu 26th November, 9.00am – 2.00pm, UTS Faculty of Law, Cnr of Quay St and Ultimo Rd, Haymarket
> The day will include workshops and hands-on practical activities, as well as an opportunity to listen to professionals, academics and current students speak about all facets of law.

UTS Engineering Bonus Points Questionnaire: Questionnaire closes Fri 11th December Students applying to a UTS engineering degree could be eligible for up to 5 bonus points by completing the UTS Engineering Year 12 Bonus Points Questionnaire. Early round offers will also be made on the basis of this questionnaire. http://www.uts.edu.au/future-students/engineering/essential-information/year-12-bonus-scheme-questionnaire

New Bachelor of Arts/Bachelor of Education and New Primary, Secondary Teaching Majors: The new Bachelor of Arts/Bachelor of Education degree will now feature a choice of three education majors – Primary Education, Secondary Education, and K-12 Education. As with all teaching degrees offered from 2016, a minimum of three Band 5 HSC results, including one in English is a prerequisite for entry into the course. Students who do not meet these requirements may be able to gain entry into the course via a UTS approved pathway. http://www.uts.edu.au/future-students/education/study-areas/teacher-education-undergraduate

UTS New Digital Course Guides: New interactive course guides are designed to help students explore their UTS course and career options in new and engaging ways. https://www.uts.edu.au/future-students/teachers/tools-and-resources/course-guides

University of New South Wales (UNSW) Engineering High School Information Day An opportunity for senior high school students to sample several fields of engineering through interesting and stimulating hands-on activities. By attending, students will gain a better understanding of the extensive range of opportunities that a career in engineering would open to them. https://www.futurestudents.unsw.edu.au/engineering-high-school-information-day

UNSW Deloitte and Westpac Workshop Mon 9th November, 9.30am – 12.30pm, Tower 2, International Towers, Barangaroo South. UNSW Business School invites Year 11 and 12 students to visit the new Barangaroo commercial precinct to join Deloitte and Westpac to explore the options of a technology career. Students will participate in an interactive workshop to discover how cutting edge technology and information systems underpin Deloitte’s and Westpac’s success. Contact: Julie O’Brien on 0411 542 268 https://www.futurestudents.unsw.edu.au/deloitte-and-westpac-workshop

UNSW HSC Plus: HSC Plus is designed to reward strong performances in HSC subjects relevant to UNSW undergraduate degrees. Domestic students who complete the HSC and perform well in subjects that are relevant to their preferred UNSW degree may be awarded a maximum of 5 bonus points. http://www.unsw.edu.au/domestic-undergraduate/hsc-plus

Aviation Students ‘Qantas link Approved’: UNSW Aviation students can now apply to become ‘QantasLink Approved’ during their degree. As a result, students will be observed and mentored by experienced QantasLink pilots and, if successful, will be considered by QantasLink straight after graduation. http://www.aviation.unsw.edu.au/news/2015/QantasLinkCollaboration.html

Science Information Day: Thu 5th November, 9.00am – 3.00pm, UNSW Kensington Campus. An opportunity for high school students to visit the campus, participate in a range of activities and experience life as a science student. http://www.science.unsw.edu.au/future-students/science-info-day

Australian Catholic University (ACU) Early Achievers Program Closes 19 October ACU recognises that you have more to offer than your academic results. Our Early Achievers’ Program considers the contribution you have made to your community through your school, workplace, community organisation, cultural and/or religious group. Applications http://www.acu.edu.au/study_at_acu/alternative_entry/early_entry
ACU

New Undergraduate Double Degrees: ACU Health Sciences is introducing a number of new double degrees in 2016:
> Bachelor of Teaching/Bachelor of Exercise Science (Brisbane, Canberra, Melbourne, Strathfield)
> Bachelor of Laws/Bachelor of Biomedical Science (Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Business Administration (Brisbane, Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield).

These degrees are still subject to final approval. Website: http://www.acu.edu.au/about_acu/faculties,_institutes_and_centres/health_sciences/course_updates/new_undergrad_double_degrees_for_2016

Early Achievers’ Programme: Applications Open: Monday 10 August 2015, Applications Close: Monday 19 October 2015. The Early Achievers’ Programme considers the contribution you have made to your community through your school or workplace, local community organisation, cultural and/or religious group. One of the biggest benefits of the programme is that successful applicants receive an offer well ahead of the usual tertiary admissions announcements. http://www.acu.edu.au/study_at_acu/alternative_entry/early_entry

ACU Elite Athlete Programme
ACU’s Elite Athlete Programme has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU. http://www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_program#1

Macquarie University

Information Evening for Non-School Applicants
Wed 11th November, 5.00pm – 8.00pm, Macquarie Theatre, Building W2.4A. The information evening will cover the application procedures and entry pathways, recognition of prior learning and work experience, flexible study options, graduate outcomes, and fees. http://www.mq.edu.au/about/events/view/nsa-information-evening-11-november-2015/

Macquarie University

New Pathways into Law: Students who will have been admitted to a non-law degree at Macquarie University in 2016 will be able to apply for admission to the Pre-Law Pathway prior to their first session of studies. To gain entry into the Pre-Law Pathway prospective students are required to have completed the HSC in 2015, achieved an ATAR above 93, and be accepted into an approved degree at Macquarie. http://law.mq.edu.au/future_students/undergraduate_law_programs/new_pathways_into_law/

ANU

Engineering and Computer Science Special Admission Scheme: Applications close: Fri 4th December. Students who are not expecting to achieve the required ATAR for entry into the Bachelor of Engineering, Bachelor of Advanced Computing, or Bachelor of Software Engineering, may apply for entry through the special admission scheme. To qualify for the special admissions scheme, applicants are required to demonstrate excellent academic performance in disciplines relevant to the study of engineering and/or computer science, leadership and community service, as well as strong commitment to engineering and/or computing. Applicants who wish to be considered under the Special Admission Scheme will need to submit an online application. https://cecs.anu.edu.au/future_students/sas

Australian Defence Force Academy (ADFA)

Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC. An offer to study at ADFA is conditional on meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force. http://www.defencejobs.gov.au/education/adfa/howToApply/admissionProcess.aspx

Dr Frederick Osman | Director of Vocational Education and RTO Manager (Careers Education)

Ph.: 9747 4327 / Email: office@stpaulsburwood.org.au

* * *

St Paul’s is an historic Church designed by Edmund Blacket. It is famous for its beauty and spiritual ambience, and is the ideal venue to hear the music of the Masters, interpreted by our Sydney-based artists.
“ACHIEVING YOUR PERSONAL BEST”
With Dr Prue Salter

An interactive evening for parents and students outlining tools and techniques for students to achieve their personal academic best.

Prue Salter is the founder of ELES (www.enhanced-learning.net) and an expert in the area of study skills. She has conducted over 4000 study skills seminars across Australia and Asia, has written 20 study skills resource kits for schools and is the creator of the online and interactive study skills website used by more than 120000 students (www.studyskillshandbook.com.au)

Prue has recently completed her PhD exploring whole-school integrated approaches to developing students’ self-regulated learning skills.

TRINITY GRAMMAR SCHOOL
PARENT AND STUDENT STUDY SKILLS EVENING YEARS 10, 11 & 12 (2016)

Date       Wednesday 28th October 2015
Time       7.30 - 9pm
Place      The Latham Theatre, Trinity Grammar School
Cost       $20 per family
RSVP       Please RSVP early as places are limited this year

Parent/Guardian(s) and students should attend together. As the session is very interactive, the session will not be of full value unless both the students and a parent attend. Both students and parents also need to bring along pens and students also should bring their record book.

CLICK HERE TO RSVP AND PAY ONLINE

TIME TO STEP UP AND MOVE YOUR STUDY SKILLS TO THE NEXT LEVEL...

Students: Are you confident that you are doing everything you need to be doing to achieve your academic potential?

Parents: Do you want to make sure that your son is on track to maximise his results in the final years of school?

This evening is a ‘not to be missed’ opportunity for a study skills check-up: a way for students to learn new techniques (e.g. time management, study notes) and to find out the areas they specifically need to work on to improve their results.
2015 PASTORAL CARE WEEK
PARENT SESSION
“COACHING ADOLESCENT BOYS TO HEALTH”

DATE       Monday 26th October, 2015
TIME       7.00pm to 8.30pm
LOCATION  Experimental Drama Theatre (Summer Hill Campus)

RSVP ESSENTIAL | CLICK HERE

SESSION FOCUS
This presentation will focus on:
> Research into parenting styles
> The culture of performance
> The Renaissance teen & over scheduling
> Where to: the do's & don’ts

This session will review parenting styles and the corresponding impact on child and adolescent mental health in the context of learning and performance. Peter will highlight some strategies and helpful evidence based take home messages for parents.

WHAT IS TRIPLE P?
The Triple P-Positive Parenting Programme is a multi-level, parenting and family support strategy. Triple P aims to prevent behavioural, emotional and developmental problems in children by enhancing the knowledge, skills and confidence of parents.

TRIPLE P PRESENTER?
Mr Peter Tryon is a former School counsellor at Trinity and is currently one of the leading Triple P presenters in Australia.

IS THE SEMINAR APPROPRIATE FOR ALL PARENTS?
Yes. Even though the focus is on adolescent boys, all parents of boys in Primary through to Year 12 are invited.

HOW DO I RSVP
RSVP by 10am Monday 26th October to TESS EA (Mrs Margy Murphy) on 9581 6035 or email mmurphy@trinity.nsw.edu.au to advise your attendance.

HOW DO I FIND OUT MORE ABOUT THE TRIPLE P PROGRAMME?
Please refer to the Triple P website at http://www.triplep.net You can also contact our TESS Department on 9581 6035 for more information.

FINALLY ...
As one of the only evidence-based parenting programs available, with over 30 years of proven clinical research to back it up, we are sure this Triple P session can be of valuable assistance to many Trinity parents and families. We hope you consider taking up this opportunity as part of Pastoral Care Week.
