FROM THE HEAD MASTER

PASTORAL CARE WEEK 2015

This week has witnessed many successful activities undertaken as part of our annual Pastoral Care Week celebrations. It has been pleasing to observe the way in which our boys have responded positively to the special programme of speakers and activities which have taken place this week. The obvious enjoyment of our boys and the ability to have them seriously contemplate the broader aspects of life and purpose beyond mere subject boundaries is very much in keeping with the School’s holistic Christian educational philosophy. The well-attended Evening Prayer Meeting held at the Head Master’s Residence on Wednesday and the opportunity to welcome back Old Boys to the School to participate in our Berea Reunion on Friday, which encourages those Old Boys who are involved in Christian Ministry to link up with our current students, were highlights of Pastoral Care Week from my perspective. Here, I would like to thank The Reverend Justin Moffatt (Class of 1987), member of School Council and Rector of St Philip’s Anglican Church, Sydney, for providing the Occasional Address on this occasion.

BOMB HOAX – FOLLOW UP

I am pleased to be able to inform our School community that the Police contacted me today and informed me that they have been able to trace and are in the process of questioning the perpetrator in relation to the bomb hoax we experienced earlier this week.
ACADEMIC FOCUS

ACADEMIC COLOURS

I am delighted to publish the Colours as approved by the Head Master for the 2015 Academic year. This is one of the most prestigious academic achievements the School has to offer. To quote the Assessment Policy,

The Head Master, on the advice of the Director of Studies, the Academic Committee and the Colours Committee, may award School Colours at the end of the academic year as follows:

> Full Colours - Dux of any Year Group 7 – 12
> Half Colours - Boys whose achievement in any Year Group 7 – 12 is of the highest order of merit (1-2 from each Year Group)

Line - Boys whose achievement in any Year Group 7-12 is of a very high order of merit (5-8 from each Year Group), at the same time offering my congratulations to each of the recipients on such a fine achievement.

I offer my congratulations to each of the recipients on such a fine achievement.

Year 7
Full Colours  Leo Garaci (Ho)
Half Colours  Jee Hwan Kim (Ta)
A Line  Ethan Brouw (Ta)
         Tom Jin (Yo)
         Michael Lin (Fo)
         Blake Toohey (Ke)
         Jonathan Wong (St)
         Joshua Yeoh (Sc)
         Zack Zuccolotto (Ar)

Year 8
Full Colours  Nick Bouletos (Mu)
Full Colours  Isaiah Tamburajah (Yo)
A Line  Ritvik Dinesh (Ke)
         Samuel Gorman (Hi)
         Christyones Hayek (Ke)
         Fergus McCrory (Du)
         Lachlan Schreuder (Ke)
         Dillon Srikrumar (WJ)
         Aidan Tharmarajah (WH)
         Isaac Wilkins (Mu)

Year 9
Full Colours  Nicholas Hui (Fo)
Full Colours  Nicholas Testa (Mu)
A Line  Angus Clark (WH)
         Tallis Coman (Yo)
         Ishaan Dhawan (Ar)
         Justin Kim (He)
         Calvin Li (Ar)
         Alexander Maloof (Hi)
         Nicholas Pavic (La)
         Matthew Turner (Ho)
         Jonathan Zheng (WH)
A Line  Angus Clark (WH)
         Tallis Coman (Yo)
         Ishaan Dhawan (Ar)
         Justin Kim (He)
         Calvin Li (Ar)
         Alexander Maloof (Hi)
         Nicholas Pavic (La)
         Matthew Turner (Ho)
         Jonathan Zheng (WH)

Year 10
Full Colours  Benjamin Davies (WJ)
Half Colours  Tom Salmon (Ta)
A Line  Michael Ellis (Ta)
         Monty Hannaford (Du)
         Elliot Ho (He)
         Brian Kim (WH)
         Neil Lu (Yo)
         William Todd (Ar)
         Luc Velez (WH)
         Timothy Wong (St)

Year 11
Full Colours  Victor Wu (Mu)
Full Colours  Gregory Chen (Sc)
Full Colours  Reece Sekulovski (La)
A Line  Michael Amin (WH)
         Jacob Elmasry (He)
         Joseph Latiff (WJ)
         Nicholas Lee (WH)
         Joseph Michael (Fo)
         Michael Pahos (Hi)
         Dean Panos (Yo)

Year 12
Full Colours  Blake Artemi (Hi)
Full Colours  Alexander Connolly (Ar)
Full Colours  Julian Duong (He)
Full Colours  Jordan Martenstyn (Hi)
Full Colours  Jason Fu (He)
Full Colours  Kevin Liang (Ar)
A Line  John Basta (Ar)
         Tom Dickinson (La)
         Kiran Eswaran (Ke)
         Justin McKee (Ho)
         John Stapleton (Sc)
         James Traforos (Sc)
We would like to remind you of several changes that have occurred with the new website launch and a different pathway to your existing online information. The previous website has moved to a new location, and importantly for you to note, a new URL address community.trinity.nsw.edu.au. This new location community.trinity.nsw.edu.au is your new default ‘Go to’ page for all things Trinity to obtain the latest bulletin/newsletter, sports fixtures, paying school fees, book physio appointments and ordering your son’s lunch plus much more.

This site also contains all the other in-house information that you require with some changes made to make the user experience enjoyable. It is important that you save this new community URL to your bookmarks or favourites list. A new look brochure style website is now live with a very fresh look and feel with this week’s sporting fixtures, news, and upcoming events for both current parents and students and the general public. This site has taken over the trinity.nsw.edu.au URL address.

To assist you with the changeover, a link to TNet for parents has been placed in the top right corner on the home page of the new brochure website. Within the ‘Menu’ tab located in the top left hand corner, you can also find links to this week’s sporting fixtures directly under the Sport at Trinity tab. Additionally, you can access the new community.trinity.nsw.edu.au site by clicking on the ‘Current Families’ link under the Contact Us tab. Students and staff can access TNet by clicking on ‘TNET for Staff and Students’ also located under the Contact Us tab.

Please take the time to familiarise yourself with the new presentation and locations. Most importantly, once you become familiar with the site, we hope you will be able much more easily to locate and share all the information you require!

Kell Daniels | Assistant to the Head Master | Director of Creative Arts
ACADEMIC CITATIONS

In the coming week, the following boys will be recognised for achieving a significant improvement in their GPA. These performances represent fine examples of perseverance and effort “in action” and the unlimited potential of boys’ academic success. Congratulations to the following boys:

> Andrew Barclay 11Fo
> Johnathon Nicolaou 11Du
> Wesley Shields 9Mu

In addition to GPA Academic Citations, seven other Academic Citations were presented at Quad Assembly this week. These Citations are earned quite differently. Every Head of Department has Departmental Awards, which they are encouraged to give to boys who do work of high merit. Any boy who submits work that is, for him, highly meritorious, should be given a Departmental Award. Once he has five such Awards, from at least three different Departments, he can bring them to the Curriculum Office to exchange for an Academic Citation.

Congratulations to the following boys:

> Daniel Fang (9Ta)
> Lachlan Ferguson (10We)
> Monty Hannaford (11Du)
> Patrick Hayes (8Mu)
> Philip Kyriacou (10Sc)
> Christian Morfuni (9Ar)
> Shane Zhang (10Mu)

MIDDLE SCHOOL ASSESSMENT OVERVIEWS

Assessment at Trinity plays an integral role in curriculum development, teaching and learning. In Years 10 to 12, boys and parents are issued with a comprehensive Assessment Programme which details individual assessment plans for each subject area. In the Middle School, Assessment Overview documents are provided via the Assessment Notifications link in Canvas to support boys in their planning for upcoming tasks. These documents are also available to parents on the School’s website, and can be accessed via the links below.

Click here for the Year 8 Assessment Overview for 2015/2016
Click here for the Year 9 Assessment Overview for 2015/2016

Jason Cheers | Academic Dean

FROM THE CLOTHING SHOP

All boys who would like lines on their blazers, please bring their blazer to the Clothing Shop so the embroidery can be done. Coats will be accepted up to Monday 9th November for lines.

If any coat is soiled it must be dry-cleaned, as demanded by health and safety, before any embroidery is attempted.

OPENING HOURS

Monday to Friday 8.30am to 4.00pm
School Holidays 8.30am to 3.45pm

Please refer to the Record Book for Saturday opening times.
RACI NATIONAL CHEMISTRY QUIZ – 2015

On Wednesday morning on Quad Assembly the outstanding scientific achievements from some of our budding young scientists at Trinity Grammar School were celebrated.

Earlier this year, 231 students from Years 7-12 participated in the Australian National Chemistry Quiz run by the Royal Australian Chemistry Institute. The results were absolutely wonderful, with the achievement of 25 High Distinctions, 36 Distinctions and 34 Credits – maintaining the fine levels of achievement achieved in previous years. In addition, one student, Kahou Lin, achieved the signal honour of an RACI Award of Excellence for achieving 100% in the Quiz, and two (2) other students (Nicholas Perera and Tallis Coman) also received an RACI Award for Class Excellence.

High Distinction Certificates were awarded to:
> Selwyn Chang (8Ar)
> John Choi (8He)
> Leo Garaci (8Ho)
> Alan Kurien (8Hi)
> Michael Lin (8Fo)
> Zack Zuccolotto (8Ar)
> Darren He (10La)
> Alexander Maloof (10Hi)
> Steven Serb (10Ar)
> Matthew Turner (10Ho)
> Joseph Wang (10WJ)
> Benjamin Davies (11WJ)
> Michael Ellis (11Ta)
> Julian Ferrone (11Mu)
> Elliot Ho (11He)
> Julian Kasch (11WH)
> Kieren Pearson (11Ta)
> Greg Chen (12Sc)
> Brian Choi (12Ar)
> Phillip Davies (12Ke)
> Zac Hyslop (12Du)
> Sidharth Parulekar (12Du)

RACI Awards of Excellence in the National Chemistry Quiz:
> Tallis Coman (10Yo)
> Nicholas Perera (10La)

RACI Award of Excellence for achieving 100% in the National Chemistry Quiz:
> Kahou Lin (10Ke)

Our warmest congratulations to all these boys on these superb achievements!

Dr Timothy Barden | Dean of Science
SUPPLEMENTS AND NUTRITION

Supplement use by professional and adolescent athletes continues to be a topical issue. Education on the matter is important for all individuals contemplating supplement use. Reference to the School’s position on supplements has been published in the Head Master’s bulletin in recent years and it is timely to reiterate this message.

Trinity’s philosophy on sport

Trinity strives to facilitate a holistic education for each student. A focus on the three sides of the triangle - mind, body and spirit - is central to all that we do for our boys. It follows that engendering an enjoyment for physical activity in each student is important so that they may make a commitment to physical activity that is habitual and lifelong. The physiological, psychological and cognitive benefits of this are well documented. Organised, compulsory sport is the vehicle for this. It is a powerful educational tool also. Through its provision students learn about commitment and communication, conduct and humility. The opportunity for individuals to pursue their best is both respected and facilitated at the School in a myriad of disciplines. Sport is one such discipline. Boys who wish to develop their sporting skills have the opportunity to extend themselves under the mentorship of well qualified and dedicated coaches who understand the ethos of sport for education’s sake.

Real food, hard work and rest

Well-crafted training plans, commitment, effort, rest, “real” food and educated decision making are central to elite athletic development. Adaptation to training occurs during rest and is best fuelled by eating food from a variety of sources and food groups. The focus of physical conditioning training for elite adolescents should include sport specific conditioning, dynamic stabilisation of the major joints (for injury prevention and increased force transmission) and functional muscular endurance and strength. A pre-occupation with bulking up as opposed to being functionally strong is often unrealistic and can be unhealthy for adolescents.

The type of food and timing of its consumption is important to ensure glycogen stores are full and protein, water, vitamins and mineral intake is sufficient to meet the body’s demands. These demands are increased after exhaustive exercise. The key nutrient to fuel intense exercise is carbohydrate. Among other functions, protein is used by the body for cell growth and repair. There is a limit to the amount of protein the body will utilise. More is not better. The excess is converted to fat and stored as adipose tissue. Food can generally quite easily provide the 0.8 – 1.7 grams/kilogram of body weight of protein required each day (Sproule 2012).

Drugs

Performance enhancing drugs can be an enticing option for some aspiring athletes and body-image conscious young males desperate to get to the next level or simply to get a bulked-up physique. The health impacts of the use of such substances and the legal consequences can be very serious. The School’s position on drugs (other than those that are specifically prescribed by a doctor to an individual) is clearly stated on page 20 of the Record Book; drugs “are never permitted under any circumstances” and the likely result of those found to be involved with illicit drugs at the school or associated functions is expulsion.

Supplements

Trinity students who commit to multiple training sessions each week and play/compete at the more elite levels are taught about nutritional concepts that optimise performance. Information is disseminated by coaches and through seminars provided by the Sports Academy. An important concept is the importance of general nutrition. Further emphasis is given to the ideal nutrition in critical times such as 2-3 hours prior to exhaustive exercise and the 30 minute and 2 hour windows post exercise. It is emphasised that real food is the platform for good health and elite performance.

Trinity does not advocate supplement use and does not supply supplements. This position is consistent with the philosophy of the School. It is also recognition that food is the most vital nutritive ingredient. Further, the effects of some supplements on adolescent bodies are unknown.

Supplements are often not made to a pharmaceutical grade and as such manufacturers are not necessarily placed under the same strict requirements for listing ingredients on their packaging. World Anti-Doping Agency (WADA) banned substances have been found in some supplements, including in protein and pre-work out formulas. The efficacy of pre-workout formulas is dubious. They are expensive and often heavily laden with sugar and stimulants, some of which have been shown to be illegal and have resulted in drug bans. ASADA does not endorse supplement products and suggests that prohibited substances may be added either deliberately or inadvertently. Further, The American Academy of Paediatrics (2005) recommends against the use of ergogenic aids in children and adolescents.

A decision to use a supplement is done so at the individual’s own risk. Trinity’s advice for students who, with the support of their parents, make an informed choice to take supplements is that they should do so with the appropriate level of guidance from an accredited professional and to use the most reputable Australian made brands. More information about supplements can be found at https://www.asada.gov.au/substances and http://www.ausport.gov.au/ais/nutrition/factsheets/basics/supplements_and_young_athlete

Irrespective of one's decision about supplements, one should always carefully scrutinise the substances they ingest. Supplements are perceived by some to be an essential part of elite performance. Some individuals believe their performance, physique and self-esteem will benefit from supplementation. Young males, in particular, are bombarded with this message. Supplement companies are generally motivated by profit and will naturally proclaim the benefits of their products. It is not in their interest to advertise the negative consequences. Individual scrutiny and well informed choices are paramount.

Supplements are not a panacea for our physical challenges. There is no substitute for well-crafted training plans, commitment, effort, rest, real food and educated decision making.

John Allen | Director of Sport and Co-curricular Activities

DIARY DATE

JANUSZ WAWROWSKI (POLAND) SOLO VIOLIN

Thursday 26 November, 7.30pm – Orchestra Room

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

Bookings open now!
Book online at www.trybooking.com/IXNU
Tickets from $20.

TRINITY GRAMMAR SCHOOL

School Prayer

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8,)

Term 4 November 10th, 24th

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

Summer Hill contacts

> Greg Webster | Senior Chaplain, Summer Hill

NEW SUMMER HILL AUXILIARY AGM DATE
The Summer Hill Auxiliary AGM meeting has been moved to Tuesday, 10th November at 6.15pm in the Terrace Room.

NEW P & F MEETING DATE
The next P & F meeting will take place on Tuesday Night the 10th November at 7.30pm in the Terrace Room.

TRINITY FAMILY FIESTA

SILENT AUCTION DONATIONS NEEDED

Before you know it, our 2015 Family Fiesta will be on! We are seeking donations for items to be sold in the Silent Auction. You can help by sending in meal vouchers for restaurants, items used in leisure activities, vouchers for ‘experiences’, sporting memorabilia, jewellery, homewares, vouchers for music lessons, floral arrangements or beauty treatments… The list is endless! For more information contact:

Timely Reflections... By Mr Ron Ogier (1966 – 1994) and (1997 – present)

Many years ago after an event at Trinity, I was asked what I thought of it, and though I had high praise for it I said that I thought it wasn’t as good as the previous year’s similar occasion. This quite upset the organiser of the event, so I never made that comment again! That notwithstanding, there is absolutely no guile or deceit or hypocrisy when I say that I think the recent Exhibition put on by Year 6 of the Junior School as part of their PYP work was excellent. Perhaps it was the themes which were presented but there was a resonance about them dealing as they did with many issues of our day that really gave a lift to my spirits, so that I truly felt that here was a group of thoughtful young men who were concerned about their environment and about the condition of their fellow dwellers on planet Earth. One entered the display area through an imaginative time tunnel which ranged from Dinosaurs through to a realistic replica of an atom bomb. I was especially absorbed. I well remember that I was only a year older than the Year 6 boys to whom I spoke about seeing my first newspaper image of the atom bomb dropped on Hiroshima. Other displays involving wars and famine and exploitation also stirred me... Of course, much of these lads’ present fire may die down, but who is to say that seeds sown in this display may not in ten, twenty, or thirty years on bear fruit that may significantly change things, making the world a much better and fairer place than it is today. Older boys – encourage and support your younger brothers, those both in the literal and figurative sense, for they show a keen awareness of our world, and it behoves us all that we should follow their example.

Ron Ogier

SECOND HAND LAPTOPS FOR AFRICAN ORPHANAGE

If you have a second hand laptop that you no longer use you may like to donate it to the Umhambi Orphanage in Victoria Falls, Zimbabwe. The Head of Visual Art, Mr Steve Collins and Mr Robert Miller (Trinity parent) will be travelling to Africa later in November to visit the Orphanage. Mr Collins, Mr Miller and Mrs Philippa Miller (Trinity parent) have been responsible for fundraising that has seen the establishment of the orphanage. The donated laptops will be used by administrators of the Orphanage, the resident manager and also the senior students who are studying for their A levels. Please leave donated laptops at reception by Friday the 13th November. If possible please wipe the computers clean of all data, and pack them in a secure box for inclusion in Mr Collins and Mr Miller’s luggage. Mr Collins will need to inspect the boxes to comply with airport security requirements so please do not seal the boxes.

image: Members of the local church helped with the construction of a fence around the orphanage in August 2015
CAS ROUND 2 vs Waverley

1ST V
“TRINITY PUT UP ANOTHER 90+ POINT GAME IN A BLISTERING START TO THE CAS SEASON.”

Trinity’s great start to the season continued with another solid victory (96-56). Jayden Tanevski (12La) was at his explosive best in the opening quarter as he poured in a quick 13 points to have the Greens in control at the first break (26-16). In the second period Trinityamped up its defence, holding Waverley to just 10 points, as Jarryd Fernandes (12La) and Jed Keogh (11Ar) reaped the benefits, collecting some easy steals off Trinity’s relentless pressure. Heading into the main break Trinity, really in the groove, was leading by 21 points (47-26).

The second half saw the young Waverley team come fighting back with a couple of quick baskets, before Trinity settled through some strong play by Riley Smith (12Ke), who has been a veritable beast on the boards in the opening two CAS games. John Bechara (12Mu) rounded out the third period with a tough basket in the key as the side sounded to see Trinity with a comfortable 23-point lead (66-43).

Sebastian Diaz (10Ta), Ryan Maranik (11Ar) and Davo Hickey (11Ke) injected some extra spark in the TGS defence in the final quarter, while point guard Jake Kerry’s (11Ho) early season form continued with some great passing. But the final quarter belonged to new kid on the block Tom Mackenzie (11WJ). Tom finished with a burst of four baskets and a perfect shooting game (8/8, 17 pts.) and a big smile on his face as Trinity’s hot form continued in the opening two rounds of the CAS season.

2ND V
A solid performance from James Spanos (12Ho) attacking the ring from all corners and Liam Rasch’s (12WJ) work on both ends on the boards enabled Trinity to forge a convincing lead at the break. A gritty performance off the bench from Harry Dunn (11Mu) saw Trinity bring home its second straight victory and thus carrying a strong momentum into this week’s big clash with Knox at Summer Hill.

4TH V
Right from the start Ken Zhang (11We) was dominant at both ends and combined well with Lachlan Boys (12WJ) and Nils Thompson (11WH) to keep the Fourths’ perfect start to the season intact with a solid 18-point victory.

5TH V
A solid performance by Trinity saw them overcome an unpredictable Waverley outfit by 14 points. Ben Li (12La) at the point guard position provided plenty of flair and penetration in offence and was ably supported by Angus Davies (12Ho) and Nicholas Lee (12WH).

6TH V
Michael Lipman (12Du) (12 pts.) and Joseph Chamoun (12Sc) had very strong games in the 6ths’ dominant performance (65-8). James Li (11Sc) was simply outstanding on the offensive end, incorporating clever passes into his skill set. Ben Stark (11Fo) staked a claim for the shooting guard spot with a powerful second half effort.
8TH V
In Saturday’s heat-fuelled match, Jaxon Chong (11Sc) was the leading point scorer, with Nicholas Acosta (11Sc) and Jason Hong (11We) close on his heels. Trinity never released the pressure throughout the match and the Green’s spirit and intensity was the catalyst of a promising 32-point win.

9TH V
Trinity delivered a convincing win against Joey’s with Allen Gong (12WJ) and Jay Russell (11Ho) dominating the point scoring.

YEAR 10A
The Greens produced a determined and resilient performance to achieve a hard-fought and though scrappy three-point victory. Lachlan Zeng (Yo) provided great physicality in the paint whilst Cooper Young (He) tormented his opponents with a superb offensive display, combining excellent outside shooting with executing difficult post-moves.

YEAR 10B
Trinity struggled to maintain their typical offensive fluidity and cohesiveness in the face of Waverley’s stifling defence. Fortunately, a purposeful and aggressive offensive display from Luke Gabriel (Hi) kept the Bs’ great run of wins alive.

YEAR 10C
The opening minutes provided some dynamic basketball from the boys in Green as they led 20-0. Jacob Taylor-Tighe (Ta) was unstoppable, scoring 33 points and William Bonaccorso (St) was solid in defence.

YEAR 10D
Another dominant performance saw the 10Ds with a comfortable lead by halftime. Marcus Buvac (WJ) was too strong at both ends and Jerry Ren (Ke) blocked numerous shots, and finished strongly, scoring the last eight points of the match.

YEAR 9E
Trinity showed good teamwork to record a well-deserved 13-point win. Vincent Buda (Ho) was strong in defence, while Jack Watson (He) top scored.

YEAR 9AS
The 9As came out firing, jumping out to a five-point lead after five minutes. Louis Banning-Taylor (La) was exceptional in the opening stages, making steal after steal, which led to numerous fast break points. Waverley hit back, however, with Trinity only taking a one-point lead into the main break. In his return, Marcus Kartsounis (He) set the tone with his physical play in the second half, while Richard Ziade (Mu) controlled the game leading to Trinity’s running out six point winners.

YEAR 8A
From a coach’s perspective this was by the far the most pleasing result (60-18) so far this season. All the team members bought into what we were trying to achieve as a team in order to improve for tougher games later in the season. Ethan Bateman (WJ) again was very dominant and it was also great to see Asher Linkous (Yo) directing the team from the point position.

YEAR 8D
After a slow start, Trinity fought hard on the defensive end with Malachi Hawkes (WJ) dominating the boards, paving way for Jason Rudd (WH) to finish well on the break to secure a six-point win.

YEAR 8H
Trinity played a strong defensive game in the hard-fought five point win at Shore, with Dimitri Armenis (WJ) and Matthew Boyce (WJ) creating a number of turn overs. Fast break options for the Greens allowed Andy Nguyen (8St) easy baskets, thus top scoring with 10 points.
CAS 2 DAY CRICKET vs WAVERLEY

1ST XI
Waverley 125 and 131 defeated Trinity 102 and 1-32

Day 2 of Trinity’s fixture saw the side 7/89 needing 37 more runs to claim first innings points. To Waverley’s credit, they bowled well to begin the morning session which led to our First XI being dismissed for 102. With first innings points secured for Waverley, Trinity was out to seek revenge and claim an outright victory. With plenty of cricket to be played, the match was bound to be an exciting contest beyond the first innings. With the side back in the field, Mark Dedes (10St) 5-20 shone with the ball claiming a 5 wicket haul thanks to his well-executed off spinners. Travis Fleming (12WJ) and Liam Scott (10We) claimed two wickets each and a runout courtesy of Matthew Turner (10Ho) saw Waverley all out for 131 just after the tea break. The situation meant Trinity were left with a run chase of 155 to win with just over an hour left of play. The top order maturely closed out the day and finished 1/32. The loss delivered plenty of positives which Trinity will take confidence in heading into the clash against premiership leaders Knox next week.

Julian Dimas (12Ta) | Captain of Cricket.

The 1st XI had a T20 fixture on Tuesday afternoon against Cranbrook in the first round of the CAS T20 competition. Cranbrook batted first and at one point were reeling at 6-34. Unfortunately some sloppy bowling and fielding saw the hosts post a score of 104.

The run chase began slowly for Trinity and after 10 overs the side was only on 34 runs for the loss of 1 wicket. This meant that the required run rate had moved to 7 runs per over. Once Austin Waugh (10St) was run out the run rate continued to climb. Despite some lusty late hitting from Raghavan Selvaratnam (11La) 19, the side could only manage a total of 7-80 off 20 overs.

2ND XI
Chasing Trinity’s total of 207, Waverley found the going difficult for most of their innings and were eventually dismissed for a total of 140. The bowling was consistent for Trinity, with Harrison Page (12Yo) and Lachlan Fitch (11Hi) taking 3 wickets each. They were well supported by Sanjan Naganathan (11Ta) and Patrick Barlow (12Ar) who both took 2 wickets. The side now sits on 2 wins from as many games and are full of confidence going into next round.

10As
Trinity went down by only one run in what was an action packed game on TGS 1. Defending 106 is always difficult, but Brad Uglow (10He) put in a herculean performance to claim 8-28. This is a remarkable return and Brad should be very proud of his efforts. Waverley were dismissed for 107 and then it was Trinity’s turn to bat again. Neelish Fernandes (10We) scored 56 and was supported by 26 runs from Tim Ledden (10Yo) but unfortunately there was not much else from the other batsmen as Trinity were again dismissed for 106. With time running out, Waverley finished their second innings at 2-45.

9As
With first innings points secured last week Trinity was in search of an outright victory on day 2. Declaring with a lead of 30 runs, Trinity dismissed Waverley for a total of 93. Luke Powell (9Ho) continued his dominant form with the ball claiming 3 wickets and Jordan Gupta (9WJ) also picked up 3 wickets with his crafty off spin. The target of 60 for outright points was chased down with minimal fuss. Braise McKee (9Ar) was the mainstay and finished with 33 not out.

CAS 1 DAY GAMES vs WAVERLEY

It was a very solid round of 1 day games for Trinity with the majority of teams recording fine victories.

The 3rd XI opened their account for the season with a 5 wicket victory. They managed to restrict Waverley to a total of 107 and chased this down thanks largely to George Varvaressos (11La) scoring 30 not out and Dinesh Sritharan (12We) with 23 not out.

The 9B side also recorded their first win of the season by chasing down Waverley’s target of 5-174 on the small TGS 2 oval. Alec Silins (9Sc) bowled 5 very miserly overs and finished with 2 wickets for only 7 runs. These overs proved crucial to the team’s victory. In chasing down the target Ronan Maddox (9Hi) led the way with a hard hitting 57 and he was well supported by Callum Clayton (8Fo) and Timothy Bradfield (9Ar) who scored 38 and 37 respectively. Trinity passed the score with 4 wickets in hand.

The Year 8 age group was very dominant. The 8As bowled first and dismissed Waverley for only 17 runs. Luca Dimeglio (8La) was the chief destroyer with his leg spinners. He returned the remarkable figures of 5 wickets for only 5 runs. The score was chased down with the all ten wickets remaining. The 8B side recorded their second straight win by accounting for Waverley...
with 7 wickets in hand. Waverley batted first and were held to 9-96 and Trinity chased this down for the loss of 3 wickets and 8 overs to spare. It was fantastic to see the 8Cs record their first victory of the season. They chased Waverley’s total of 7-61 with minimal fuss. **Lachlan Lee (8WH)** scored 35 runs as his side passed the total with 9 overs remaining.

During the week two of Trinity’s 1st XI players in Liam Scott and **Vasi Macmillan (10Ho)** were selected to represent the Combined Independent Schools (CIS) Under 15 side to play against the Combined High Schools and Combined Catholic Colleges in a 2 day tournament in late November. From this tournament the NSW All Schools team is selected so we wish the two boys the best of luck as they pursue higher honours.

Head Master’s Bulletin | 30 October 2015 < 13
SUMMER TRACK AND FIELD | TRELAR SHIELD #2
Saturday 24th October 2015

Round two of the Treloar Shield was held at Narrabeen Athletics Track. Trinity Athletics Club entered the competition in 2nd place in the junior rankings and with more outstanding results this round, we should hold this position going into Round 3.

Unfortunately the wind conditions were detrimental to a number of the sprint results with head winds up to -5m/s! Please find the below performances;

Men Open

100m (-3.2 to -1.0)
Luke Houssarini (14/12St) (19yrs) - 11.52s

200m
Luke Houssarini (14/12St) (19yrs) - 23.48s

Triple Jump
Luke Houssarini (14/12St) (19yrs) - 11.53m

Men U20

800m
Rory Ding (12Sc) (18yrs) - 2.17.63s

3000m
Rory Ding (12Sc) (18yrs) - 11.28.95s

U18 Men

100m (-3.0 to -2.2)
Sebastien Moir (11Hi) (15yrs) - 11.81s
Kordell Payne (11Yo) (16yrs) - 12.02s
Brian O'Neil (11Sc) (16yrs) - 12.24s
Monty Hannahford (11Du) (16yrs) - 12.26s
Matthew Stead (11Hi) (16yrs) - 12.32s
Josiah Romeo (11Sc) (16yrs) - 12.56s
Remo Pascale (12Mu) (17yrs) - 12.60s
Jordan Kery (11WJ) (16 yrs) - 13.16s
Mitchell Moschatos (12Yo) (17yrs) - 13.51s

Finn Murphy (8Ta) (12 Yrs) - 1.35m

Andrew Murphy
MIC Track and Field and Director of Athletic Development
Last week’s second round fixture against Waverley College was played in fine conditions in venues across Sydney. As usual, the Waverley students provided good competition across the board, but it was the students in Green and White who were able to get the upper hand in the majority of matches contested. By day’s end we had managed 13 wins and only 3 losses, for a weekly winning rate of 82%.

The 1st IV led by example, registering a solid 7 sets to 1 win in the away fixture at Kingsford. This was a very pleasing result for the team, as we were missing our number 1 ranked player Dario Kmet (9Ke) who was out injured. This absence resulted in a reshuffle of teams across the Opens grade with the newly appointed Captain of Tennis Kevin Batliwala (12Ho) once again finding his way into the top team. Matthew Nedanovski (9Fo) was given the honours of filling the number 1 spot and grabbed the opportunity with both hands.

As is often the case, the doubles component of the encounter would determine who would emerge victorious and with this in mind the newly formed Trinity combinations looked to capitalise early. The first pairing was unable to win their first set but bounced back strongly in the second to level the tally. The second pairing of Alex Ibrahim (10Ho) and James McCabe (8St), playing on the adjacent court was too strong for their less able opponents and took both sets with ease.

The singles component of the match was once again pleasing, with all team members winning through with some close and exciting matches. Matthew Nednanovski relished his opportunity in the number one singles and played at a new level, illustrating that he is a worthy candidate for the top position. His movement, volleying and tactical play made the match entertaining viewing as he took the win 6-2.

Our new recruit for the day Kevin Batliwala played a marathon match, eventually triumphing by out-lasting his opponent 7-5 in another compelling encounter. Our remaining team members of Alex Ibrahim and James McCabe backed up their solid doubles performances with dominating play in the remaining singles matches, winning easily. Alex’s aggressive level of play prevented his opponent having any chance of gaining a foothold in the match, whilst James’ high percentage game resulted in the early capitulation of his adversary.

Credit must be given to the injured player Dario Kmet who, resembling Davis Cup coach Wally Masur, watched ever point court side and fired up his team mates. The team remains at the top of the table ahead of tomorrow’s important match against Knox College, who will bring everything in an attempt to break the Trinity winning streak.

The 2nd IV once again combined well to register another decisive win placing them at the top of their respective table. Brendon Sleiman (11Ta) filling the gap created Kevin Batliwala was a worthy replacement who combined well with his team mates. The final score line was 8 sets to love in Trinity’s favour. All other team players, comprising Joshua Olpindo (11Ar), Luca Kmet (11Ke) and Anthony Tsoungranis (10Ke) registered easy wins in both their Singles and Doubles matches.

Jeremy Dykgraaff | MIC Tennis

10As AND 10Bs

After the disappointing start to the summer season, the 10As significantly improved their performance in Round Two with a win of 4 sets to 2 against Waverley. After comprehensive successes in both the As’ double sets, Alex Scott (10St) led from the top of the team and dominated his singles opponent...
through his commanding groundstrokes and volleying. Alex’s 6-1 performance was mirrored by Maxen Williams (10We) whose 6-0 win gave the 10As their first winning fixture this year. The 10Bs were less fortunate. With illness affecting the side, the team went down 0-6 to a strong Waverley team.

William Henry | 10As and 10Bs Coach

9As AND 9Bs

Round 2 proved to be another successful round for the 9As players, with a 5 sets to 1 victory against Waverley. Edward Lai (9St) and Jason Wu (9Sc) won both their doubles and singles matches. Alexander Valiozis (9Yo) and Justin Sleiman (9Ta) were able to defeat Waverley in their singles matches, but despite their fighting spirit were both defeated 6-1 in their singles.

The 9Bs found Waverley too tough to beat on their home ground and were not able to secure any doubles wins and only one singles by Gregory Aravanis (9We). Gregory dug deep and was rewarded with a 7-5 win in what proved to be a 1½ hour long set. Overall, all the team members played with finesse and showed support to each other despite of their disappointment with the team’s results.

Margaret Hanna | 9As and 9Bs Coach

8As AND 8Bs

The 8As faced a tough Waverley outfit last weekend as the boys returned to the Trinity Tennis Centre. Andrew Peng (8He) and Tom Jin (8Yo) combined well in their doubles after a slow start, displaying great fight and mental toughness losing 7-6 after being 4-2 down. The second doubles featuring David Kim (8WH) and Daniel Skarzynski (8We) produced a similar result as Waverley were once again too strong as they recorded their second win of the day. Only his second match in the As, David produced a stellar performance recording a 6-0 win that featured blistering court coverage and crushing forehands. This provided a glimmer of hope for a comeback, but Waverley proved too strong in all the other singles matches, winning 5 set to 1.

The 8Bs turned around a disappointing start to the season, recording their first win against Waverley. After dropping their doubles sets early, the boys were able to bounce back and record a narrow win by 2 games after scores were level at 3 sets all. Special mention must go to Alex Mallis (8Sc) as he recorded his first singles win (7-6) of the season, overcoming a consistent opponent in a long and tight encounter. Best of luck to all the boys this weekend against Knox!

Joseph Fung | 8As and 8Bs Coach

8Cs AND 8Ds

After a tough loss last week, both the 8Cs and 8Ds bounced back in remarkable fashion to dominate their Waverley opponents. In the 8Cs, special mention must be made to Alessio Razza (8Mu) and Dev Jaidka (8La), who were both able to skillfully outclass their opponents in their respective singles fixtures, winning comfortably 6-0. Overall, the 8Cs were able to record an excellent 5 sets to 1 victory. Similarly, the 8Ds should be commended for their efforts. In the opening doubles fixture, Massimo Ianni (8Ke) and Nicholas Bakopolous (8Mu) combined extremely well to outplay their opponents, winning 6-3. Notable mention must also be made to William Beretov-Millar (8Ho) and Daniel Hayes (8He), who won their singles matches 6-0 and 6-1 respectively. It was most satisfying to see the boys register their first win of the season, and I wish them luck against a tough Knox opposition this weekend.

Arnanth Srikanth | 8Cs and 8Ds Coach

TRINITY DEFEATED BARKER 3-0 (25-19, 25-18, 25-17)

Week Two of the CAS season saw the 1st VI against Barker in a trial game, with Waverley pulling out of the summer season. This was going to be a good game as the two schools that are considered to be the most dominant in the summer competition get to face off in an unofficial match.

Barker started strongly, gaining an early lead of the team, but the Trinity side calmed down and allowed us to gain the lead back with some effective serving and strong defence. The first set was well fought by both teams, and credit must go to Barker for their “never give up” attitude. However, Trinity communicated well, allowing our team to take the first set.

The second set changed for Trinity as we came out ready to take on the opposing team from the start of the set. Very good all-round defence and service reception allowed us to dominate in all aspects of the game.

In the third set Trinity worked hard to gain an early lead, holding it all the way through the set. Special mention for the weekend must go to Ben Wheen (10Fo) for playing great defence and moving quickly around the court to provide accurate sets to our attacking players and Peter Braga (10Du), who throughout the game continually dominated from the outside position, making life very difficult for Barker! Last mention goes to Will O’Brien (12WJ) for his strong serving, defines and attacking.

Lewis Jupp (12WH) | 1st VI Captain

TRINITY DEFEATED BARKER 2-1 (28-30, 25-21, 15-13)

Just the second game of the season, and our toughest battle was already at our doorstep when in an away game, Barker proved to be a serious opponent. In the first set of the game, a score of 9-1 against was discouraging to say the least, downing team members and morale. It seemed hopeless. However, after a time out by the coach, the squad was ready to give Barker a run for their money, catching up and pushing the set from the normal goal of 25 to an incredible score of 28-30, thanks to the consistent net defence by the talented Jacob Elmasry (12He) and the speedy hits by the monumental Hugh Sixsmith (11Sc). Despite the loss of the first set, we were raring to steal the game back.

A strong second set for the team was snatched with dedicated defence by our outstanding Libero Matthew West (12Du) and readiness from the dynamic duo of Oliver Arkell (10WJ) and Jonah Newman (11WJ), who were both constantly switched on and ready to break through the opponents’ defence. None the less, this brought us to a game-deciding final set, and with only 15 points in the making, it was tight. Serves from Joshua Gereis (12Ar) and our setter Jonah Newman (11WJ), partnered with amazing communication from Matthew West (12Du), gave us a final win of 15-13. It was a victory given gladly to trinity.

James Watson (12We) | 2nd VI Captain

TRINITY DEFEATED BARKER 3-0 (25-13, 25-16, 15-11)

The second match of the season for the 3rds was against Barker. Hoping to carry on with another win since last week, we began the first set strongly and thanks to a series of strong serves from Dean Bozionelos (11Ta) we were able to take out the first set 25-13. The second set began and Ben Holzwart (11WJ) produced many powerful hits as well as great sets from Nathanial Davies (10Ke). From this we were able to secure the win 25-16, continuing to play a third set. Thanks to great back court defence by Zac Papachatgis (12Mu), we were able to secure the overall win of the game 3-0.

Isaac Barden (12Yo) | 3rd VI Captain

1ST VI

The last two seasons have provided close matches between Waverley and Trinity and our game last Saturday was no exception. Trinity started the stronger side through tight press defence and led into the 1st Quarter with a respectable lead. Unfortunately, the momentum shifted and Waverley took control of the 2nd quarter and closed the gap to be within only 1 behind at half time. Waverley continued to push hard in attack to take the lead going into the final quarter. Waverley stretched their lead out to 2 before Trinity managed to gain momentum in the final minutes to run down Waverley. The final 2 minutes saw both schools locked 11-11 apiece as the game flowed back and forth with desperate defence and shots narrowly missing or bouncing of the cross bars. John Dunn (11La) was unfortunate in the last 30 seconds with his 1 v 1, with the goal beating the keeper but also bopping over the cross bar instead of going under. Final score 11-11. Congratulations to our goal scorers: Chris Artemi (12Hi), Sam Yip (10La), James Artemi (11Hi), George Fournaris (10Hi) and John Dunn (11La).

2NDs

What a difference a week can make! Playing with only eight players (only two on the bench) the boys played out of their skins, showing great belief in all team members as they all toughened up in response. The communication, passing and shots on goal were excellent. Goals were scored by Luke Asnicar (11Yo), Hugo Miller (12Yo), Patrick Newall (12Yo), Noah Thomas (12He) and Dimitri Koutoulas (12WH). The following also had their best game so far this season: Goalie Ryan Page (12Mu), Declan Heim (11We) and Lucas Mundy (11Ke). Congratulations, gentleman!

16As

16As were determined to make amends for last week’s narrow loss in this week’s game against Waverley. They started strongly, dominating in defence and preventing any easy passing. Waverley struggled and turned the ball over quickly, enabling the boys to counter attack. The team raced to a 5 nil lead in the 1st quarter. The boys continued to work well as a unit through the whole game and were rewarded with a convincing win for their efforts. A standout performer was Thomas Lambert (10Fo) for his assists in front of goals to enable fellow teammates easy goal scoring opportunities. Congratulations to our goal scorers: Matthew Yazbek (10Yo), Lachlan Ilias (10Sc), Charlie Griffith (10Yo), Ethan Hansford (10He), Thomas Lambert (10Fo), Haydon Johnson (10Ke), Nathan Nakhle (10Ke) and Logan Kaye (9Ho).

15s

The boys began the game with confidence, gaining a quick lead against Waverley. Unfortunately, the team had just 7 players and in the end of the third quarter, we ran out of stamina and missed some key goal scoring opportunities through shooting at the keeper. In the last quarter, the boys fought with all their strength to the final whistle, yet were unfortunate not to grab a win as Waverley scored in the final 20 seconds of the game. Special mention goes to our leading goal scorer, Jack Opperman (9Ta).

14AS

The 14As delivered a stellar performance and fought hard for their win. Solid defensive work by Ben Blades (8We) initiated a number of counter attacks which produced good team goals. Kai Young (8We) was prominent in attack, scoring 4 goals and was ably supported by Zac Brown (8Ho). Great work, boys!

James Martin | MIC Water Polo
GOLF

INTERSCHOOLS GOLF SERIES
Round 2, Saturday 24th October, 2015

Any golfer who ever complains about spending time at Avondale Golf Club, just doesn’t get it, it really is golfing heaven and our boys are soooo privileged to be able to play there so regularly! Last Saturday was no exception as Avondale hosted a collection of CAS and GPS Schoolboy golfers for the second round of the latest instalment of the InterSchools Golf Series.

The boys in the ‘Green and White’ found our opponents from Barker too tough on the day as Barker took the victory 3 matches to 1. Nathan Finn (11Ar), however, played superbly and placed unrelenting pressure on his opponent to take his match in dominating fashion 5 and 4.

Ejun Choi (10Ho) was sensational for 16 holes, but unfortunately finished with a ‘wet sail’, to lose on the last, 1 down. He was up against a fine young man and golfer Chris Fan from Barker who happens to be off a Handicap of +2, so Ejun battled superbly for the duration of his round.

Both Peter Kostoglou (11Sc) and Sam Yang (8Fo), who are both new to the game, found the course and the second week of match play in a row too much and took a beating at the hands of their opponents from Barker. To their credit they hung on in their matches and didn’t give up! They will improve with their high level of enthusiasm and hours ‘on the range’!

Off to Avondale tomorrow – what a shame, not!

Good golfing,

Michael Spratt | MIC
MATHEMATICS CLUB MATTERS

MATHEMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin III from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Arvind Kumaraguru (8Mu) and Oshin Vats (10Du) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was the two numbers are 40 and 50. The answer for the Senior School Problem was Jill will reach the destination first. Complete worked solutions for the Middle School and Senior School problems have been posted outside the Mathematics Department office.

THIS WEEK’S PROBLEM FOR BULLETIN IV:

1. Years 7-9: Middle School Problem due on Monday 2 November 2015

The starting lineup of a baseball team wants a photograph taken with all nine of the players sitting in a row on a bench. One of the ball players wonders how many different arrangements can be made of the order in which they sit. Do you know? Please show working to justify your answer!

2. Years 10-12: Senior School Problem due on Monday 2 November 2015

Below is a list of numbers with accompanying codes. Can you decipher the code and determine the number on the last line? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1:15pm) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

The Trinity app

The new Trinity app is now available from the App Store and from Google play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au
The Mathematics Club has initiated a new and unique *Journal and Proceedings of Young Archimedes* which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit_maths.html as a formal publication.

**Aims Of This New Initiative:**

1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

**Outcomes:**

1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquires to Dr Frederick Osman on fosman@trinity.nsw.edu.au

**University of Wollongong (UOW)**

University of Wollongong (UOW) have launched an exciting new degree in 2016 – Bachelor of Pre-Medicine, Science and Health.

Pre- Medical studies build a foundation for entry into a medical school to undertake further study in preparation for a career as a doctor, surgeon, or for further postgraduate study enabling you to pursue a career in dentistry, pharmacy, physiotherapy, occupational therapy and radiology.

What students will study:

In your first year you will study foundational anatomy, biology, chemistry, exercise physiology, nutrition and effective communication in healthcare settings. In year two, under the guidance of the course coordinator, students can tailor their interests by selecting one of nine study areas:

- Biomedical Research
- Exercise Science
- Health Informatics
- Health Practice
- Medical Radiation Physics
- Medical Science
- Molecular Medicine
- Nutrition
- Medical Geosciences (under development)

In Year 3, a capstone subject examines case studies across six topics. The case studies are explored via scientific summaries, clinical trial critiques, media reporting, essays and debates. For further details, please see Dr Osman.

**Western Sydney University**

**New Bachelor of Business in 2016**

The course seeks to equip all students with a good understanding of basic business issues, complemented by a high level of knowledge relevant to specific business disciplines. http://www.westsydney.edu.au/future/future_students_home/ug/business/bachelor_of_business

**Western Sydney University Scholarships**

Vice Chancellor’s Leadership Scholarship and Aspire (Group A) applications close: January 2015. UWS Sports Scholarship (Group A) applications close: January 2015. Donor Funded Scholarship (Group B) applications close: January 2015. Western Sydney University awards a number of scholarships to recognize attributes including leadership, academic excellence, sporting achievement and community involvement, as well as a number of equity scholarships to support students. http://www.uws.edu.au/informationforcareersadvisers/welcome/why_recommend_uws/scholarships

**Department of Defence**

**Undergraduate Sponsorship Opportunities:** The Department of Defence would like to advise you of civilian undergraduate sponsorships available in 2016 in the following degree disciplines:

- Engineering: Mechanical, Electrical, Aeronautical and Civil (Min ATAR 85);
> Business (Min ATAR 80);
> Arts (Min ATAR 75); and
> Science (Min ATAR 75).

These sponsorship opportunities are offered through the University of New South Wales (UNSW) at the Australian Defence Force Academy (ADFA) campus in Canberra. The Defence Civilian Undergraduate Sponsorship (DCUS) offers aspiring university students the opportunity to study alongside members of the Australian Defence Force as civilian students. Successful applicants, who meet the required ATAR, will work to complete a three or four year undergraduate degree, awarded by the University of New South Wales. Attached is the link to our DCUS website for your information and dissemination: http://www.defence.gov.au/dmo/Careers/StudentsandGraduates/UndergraduateSponsorship/Default.aspx

The University of Sydney:
Info Day
Tuesday 5th January, Camperdown. An opportunity to chat with current students and staff about study options before finalizing ATAR preferences for the main round offers. http://sydney.edu.au/study/admissions/events-for-future-students.html

The University of Sydney
Discover Architecture Summer School
Applications close Tue 5th January. Summer School runs from Mon 11th January – Thu 21st January, UTS School of Architecture, 702-730 Harris Street, Ultimo.

Students will get to explore the Sydney CBD, make models and drawings using advanced digital equipment, meet and work with architects from various fields of industry, and more. The course costs $599 and does not cover day-to-day costs such as meals, flights or accommodation. Contact: Joanne Kinniburgh on 02 9514 884 or Joanne.Kinniburgh@uts.edu.au http://www.utsarchitecture.net/discoverarchitecture/

The University of Sydney
Bachelor of Science (Advanced) and Doctor of Dental Medicine:
In the new Bachelor of Science (Advanced) and Doctor of Dental Medicine, students spend the first three years studying advanced science courses of their choice, followed by the four year Doctor of Dental Medicine which qualifies graduates to practice as a dentist. http://sydney.edu.au/courses/bachelor-of-science-advanced-and-doctor-of-dental-medicine

University of Technology Sydney (UTS)
Sydney Summer School
The University of Sydney’s intensive Summer School is offered over three sessions from December to February. Students may study as a non-award student and get a taste of the diverse academic offerings and even get a head start on their degree if they’ve just completed Year 12. http://sydney.edu.au/summer/

UTS
Summer School Programme:
The Summer School Programme offers Year 11 students from UTS partner schools the chance to attend intensive two-week summer schools in subject areas like filmmaking, engineering, information technology, design, nursing and midwifery, and science. Contact: 9514 1084 or cassie.willis@uts.edu.au http://www.uts.edu.au/future-students/teachers/essential-information/uni-school-programs/summer-school-program

UTS
HSC Tutorial Scheme: The HSC Tutorial Scheme provides school-based tutorial sessions at UTS targeted schools in South Western Sydney. This tutorial support assists Year 11 and 12 students to improve their academic performance and broaden their educational aspirations. Contact: 9514 7821 or Michael. Ormsby@uts.edu.au http://www.uts.edu.au/future-students/teachers/essential-information/uni-school-programs/hsc-tutorial-scheme

UTS
Info Days:
> Fri 18th December, 10.00am – 3.00pm, UTS City Campus, Broadway
> Tue 5th January, 10.00am – 3.00pm, UTS City Campus, Broadway

UTS Sydney
Year 11 Law Discovery Day
> Thu 19th November and Thu 26th November, 9.00am – 2.00pm, UTS Faculty of Law, Cnr of Quay St and Ultimo Rd, Haymarket
> The day will include workshops and hands-on practical activities, as well as an opportunity to listen to professionals, academics and current students speak about all facets of law.

UTS
Engineering Bonus Points Questionnaire:
Questionnaire closes Fri 11th December Students applying to a UTS engineering degree could be eligible for up to 5 bonus points by completing the UTS Engineering Year 12 Bonus Points Questionnaire. Early round offers will also be made on the basis of this questionnaire. http://www.uts.edu.au/future-students/engineering/essential-information/year-12-bonus-scheme-questionnaire

New Bachelor of Arts/Bachelor of Education and New Primary, Secondary Teaching Majors:
The new Bachelor of Arts/Bachelor of Education degree will now feature a choice of three education majors – Primary Education, Secondary Education, and K-12 Education. As with all teaching degrees offered from 2016, a minimum of three Band 5 HSC results, including one in English is a prequisite for entry into the course. Students who do not meet these requirements may be able to gain entry into the course via a UTS approved pathway. http://www.uts.edu.au/future-students/education/study-areas/teacher-education-undergraduate

UTS INSEARCH

University of New South Wales (UNSW)
Entrepreneur Challenge – The Peter Farrell Cup
Mon 23rd November, 6.00pm – 9.00pm, John Niland Scientia Building, UNSW Kensington. University students will be showcasing real-life entrepreneurial skills and bringing innovation to the market with the support of industry mentors. Recently graduated HSC students are welcome to attend the event and watch university students pitch their ideas. https://www.futurestudents.unsw.edu.au/unsw-entrepreneur-challenge-peter-farrell-cup

UNSW
Engineering High School Information Day
An opportunity for senior high school students to sample several fields of engineering through interesting and stimulating hands-on activities. By attending, students will gain a better understanding of the extensive range of opportunities that a career in engineering would open to them.
UNSW

Art and Design Undergraduate Guide 2016

UNSW

Deloitte and Westpac Workshop
Mon 9th November, 9.30am – 12.30pm, Tower 2, International Towers, Barangaroo South. UNSW Business School invites Year 11 and 12 students to visit the new Barangaroo commercial precinct to join Deloitte and Westpac to explore the options of a technology career. Students will participate in an interactive workshop to discover how cutting edge technology and information systems underpin Deloitte’s and Westpac’s success. Contact: Julie O'Brien on 0411 542 268 https://www.futurestudents.unsw.edu.au/deloitte-and-westpac-workshop

UNSW

HSC Plus: HSC Plus is designed to reward strong performances in HSC subjects relevant to UNSW undergraduate degrees. Domestic students who complete the HSC and perform well in subjects that are relevant to their preferred UNSW degree may be awarded a maximum of 5 bonus points. http://www.unsw.edu.au/domestic-undergraduate/hsc-plus

Aviation Students ‘Qantas link Approved’: UNSW Aviation students can now apply to become ‘QantasLink Approved’ during their degree. As a result, students will be observed and mentored by experienced QantasLink pilots and, if successful, will be considered by QantasLink straight after graduation. http://www.aviation.unsw.edu.au/news/2015/QantasLinkCollaboration.html

Science Information Day: Thu 5th November, 9.00am – 3.00pm, UNSW Kensington Campus. An opportunity for high school students to visit the campus, participate in a range of activities and experience life as a science student. http://www.science.unsw.edu.au/future-students/science-info-day

ACU

New Undergraduate Double Degrees: ACU Health Sciences is introducing a number of new double degrees in 2016:
> Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield)
> Bachelor of Biomedical Science/Bachelor of Business Administration (Brisbane, Melbourne, North Sydney)
> Bachelor of Biomedical Science/Bachelor of Applied Public Health (Brisbane, Melbourne, North Sydney and Strathfield).

These degrees are still subject to final approval. Website: http://www.acu.edu.au/about_acu/faculties_institutes_and_centres/health_sciences/course_updates/new_undergrad_double_degrees_for_2016

ACU Elite Athlete Programme
ACU’s Elite Athlete Programme has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU. http://www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_program#1

Macquarie University

Information Evening for Non-School Applicants
Wed 11th November, 5.00pm – 8.00pm, Macquarie Theatre, Building W2.4A. The information evening will cover the application procedures and entry pathways, recognition of prior learning and work experience, flexible study options, graduate outcomes, and fees. http://www.mq.edu.au/about/events/view/nsa-information-evening-11-november-2015/

Macquarie University

New Pathways into Law: Students who will have been admitted to a non-law degree at Macquarie University in 2016 will be able to apply for admission to the Pre-Law Pathway prior to their first session of studies. To gain entry into the Pre-Law Pathway prospective students are required to have completed the HSC in 2015, achieved an ATAR above 93, and be accepted into an approved degree at Macquarie. http://law.mq.edu.au/future_students/undergraduate_law_programs/new_pathways_into_law/

ANU

Engineering and Computer Science Special Admission Scheme: Applications close: Fri 4th December. Students who are not expecting to achieve the required ATAR for entry into the Bachelor of Engineering, Bachelor of Advanced Computing, or Bachelor of Software Engineering, may apply for entry through the special admission scheme. To qualify for the special admissions scheme, applicants are required to demonstrate excellent academic performance in disciplines relevant to the study of engineering and/or computer science, leadership and community service, as well as strong commitment to engineering and/or computing. Applicants who wish to be considered under the Special Admission Scheme will need to submit an online application. https://cecs.anu.edu.au/future_students/sas

Australian Defence Force Academy (ADFA)
Applications: It is advised that students wishing to study at ADFA apply in Year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process requiring students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC. An offer to study at ADFA is conditional on meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force. http://www.defencejobs.gov.au/education/adfa/howToApply/admissionProcess.aspx

National Skills Needs List

Dr Frederick Osman | Director of Vocational Education and RTO Manager (Careers Education)

Trinity Grammar School
Sports Physiotherapy Clinic

The Trinity Grammar Sports Physiotherapy Clinic, is now operating in the rooms below the Pastoral Care Centre. It is open Wednesday mornings from 7.00am-10.00am and is run by Mr Tom Lombardo (’01), an Old Boy of the School. Having worked extensively with elite and professional athletes at the highest levels, Tom has a particular interest and expertise in the highly specialised area of adolescent sporting injury diagnosis and management.

With established links to an extensive network of quality sports medicine physicians and by placing a strong emphasis on specialist injury prevention, treatment and rehabilitation, the TGS Sports Physiotherapy clinic will ensure reliable and timely assessment and management of your son’s injuries within the confines of the school grounds.

Consultations at the clinic are for Trinity students only and can be booked online (the link can be accessed from the School’s home web page; www.trinity.nsw.edu.au). The clinic will offer competitive rates and allow for private health insurance rebates. The cost of the initial consultation of a new injury is $78 and any subsequent consultations will be charged at $68 per service.
