SUCCESSFUL OPENING AND DEDICATION OF THE CENTENARY CENTRE | FRIDAY 29TH JANUARY

Thunder, lightning and a tropical downpour did not deter us from going ahead with our opening as planned. Although the radar on my iPhone indicated that the clouds were almost ready to pass at 2.30pm, I am going to give the credit to our Archbishop for ensuring that the rain stopped on time, for as soon as he drove through the front gates at 2.35pm, the rain stopped and we were able to go ahead with our 2.45pm al fresco opening, albeit in an abbreviated form.

The new facility and its many features have already proven their worth in a very short space of time, not the least of which being, able to help accommodate a crowd of some 1,000 mourners this morning at our funeral service for Mr West. The demands on key staff to help ensure the opening could go ahead and the good grace with which the boys responded to last-minute changes is worthy of acknowledgement – congratulations to one and all, and thank you.

I would like to thank all those who assisted the School in hosting what was a very memorable and fitting farewell for our former Head Master. The Senior Staff, Prefects, Middle School Monitors, Support, Grounds and Catering, of course, the choir, conducted by Mr Pratt, rose to the challenge superbly and provided a great service to the broader and extended Trinity Family in honouring our former Head Master and in supporting his family. We anticipate establishing a link on the School’s website next week for those who were unable to be present, to access a recording of the service.

ACADEMIC FOCUS

YEAR 10 ACADEMIC CONFERENCE

During this past week, all Year 10 boys participated in the School’s Year 10 Academic Conference. This conference forms part of our overall “Year 10 plus” focus, and addressed the following themes:

> Motivation and engagement
> Leadership
> Study skills
> Subject-based learning strategies – Mathematics, English, Science and History
> Academic mindset
> Adolescent brain development
> Research skills
> Success/service outside of the classroom
> Career assessment

The next phase in the programme involves the boys sitting the Trinity Scholastic Achievement Test (TSAT) in early Term 2, followed by one on one interviews with Housemasters to review and plan for their future studies. This programme is in keeping with our commitment to nurturing and challenging our boys during this critical period in their education.

ASSESSMENT

Assessment at Trinity plays an integral role in curriculum development, teaching and learning. The School is committed to an extensive emphasis on formative processes that improve student learning and achievement. This reflects a belief that the principles of quality assessment are the principles of quality teaching.

Evidence obtained about student learning is primarily used to adjust instruction to best meet boys’ needs and improve academic achievement. Our key aims associated with this include the following:

1. Learning goals are academically challenging, and criteria for success are clearly articulated and understood.
2. Classroom discussions, activities and learning tasks are designed to elicit evidence of learning.
3. Students receive feedback which is timely, clear and designed to move learning forward.

Essential to this learning cycle are Assessment Tasks which are conducted at strategic points throughout the year for teachers to make valid and reliable judgments of student achievement. Boys are provided with a range of authentic ways whereby they may demonstrate their achievement and progress. In Years 10 to 12, a comprehensive Assessment Programme is issued which details individual assessment plans for each subject area. In the Middle School, Assessment Overview documents are provided to support boys in their planning for upcoming tasks.

These documents are also available to parents on the School’s website, and can be accessed via the links below.

HOUSE SWIMMING CHAMPIONSHIPS
YEARS 3 -12

Thursday 11th February 2016
Sydney Olympic Park Aquatic Centre
9:00 am to 2:30 pm

All Trinity boys from Year 3 to Year 12 will be at the Sydney Olympic Park Aquatic Centre for the Preparatory School, Junior School, Middle School and Senior School House Swimming Meetings.

Dress for the day will be House sports uniform (i.e. House T-shirt and white or green shorts). Boys will NOT be allowed to paint their faces or hair as the boys will be representing the School to the public when travelling to and from the Pool.

Even though boys will have an opportunity to buy food and drink from the Canteen at the Aquatic Centre it is advisable for boys to take their lunch and a drink. (The café at the northern end of the pool will be out of bounds to all students.)

Buses will leave from the Summer Hill Campus at 8:30am to take boys to Sydney Olympic Park Aquatic Centre. It is anticipated that the Swimming events will finish at 2:30pm and buses will take boys back to School or to Strathfield Station. Parents who wish to, can make independent transport arrangements to get their sons to and/or from the venue. Parents wishing to do so must write a note to Student Services, well before the event, notifying the School of your sons proposed transport arrangements.

Parking at the venue is a $15 flat rate fee.

Boys must be at the Aquatic Centre and seated in their House areas by 9:00am.

Only boys that have the Schools’ written permission to drive cars will be able to drive to or from the Olympic Pool. Boys are not allowed to take passengers in their cars unless they have the School’s written permission also.

It is compulsory for all boys to attend and no student will be able to leave the Aquatic Centre before 2.30pm without the permission of the Head Master, Deputy Head Master, Senior Master, Master of the Senior School, Master of the Middle School, or Master of the Junior School.

CLICK HERE TO RSVP
written in time  31 January – 21 February

A curator’s pick of some outstanding works from the 2015 graduate exhibitions at Sydney’s three main art schools! Featuring knock-out paintings by Lauren Beasley, Robert Bennett, Camilla Cassidy and William Meadley, melodic ceramics by Trinity Old Boy, Edward Whitelock, explorations of new and frayed relationships through photography and installation by Heath McCalmont-Parkinson and George Shaw, and upcycling writ large in Rebecca Gallo’s shrine-like installation.
Curated by Catherine Benz

The gallery is open Wednesday – Sunday, 12 to 5pm. Selected works are available for sale. Delmar Gallery is now a participating gallery in Art Money, a scheme that provides interest-free loans to buy art, endorsed by City of Sydney.

The gallery is open Wednesday to Sunday, 12 to 5pm.

NEXT CONCERT | Sunday 21st February, 3pm at Delmar Gallery

Three Voices performed by soprano SONYA HOLOWELL

Morton Feldman’s late work Three Voices (1982) is grand scale minimalism at its most sublime. It is also one of the most demanding pieces ever written for voice.

Soprano Sonya Holowell will perform the full work following her presentation of an excerpt at the National Gallery of Australia last year as part of “Sounding Turrell” curated by Roland Peelman. Click here to read more

Tickets from $20 (free for Trinity students). Bookings essential.  www.trybooking.com/JZDR

Concert duration: approx. 50 mins (no interval).

Please note that latecomers cannot be admitted.

DRAFT FIXTURE LISTS ON WEBSITE

A copy of the draft fixture lists for the remainder of the CAS Summer season, for Basketball, Cricket, Tennis, Volleyball and Water Polo can be found by following the Senior and Middle Schools link on the home page of the Trinity Community website. Select your sport from the My Sport drop box under Fast Find on the right and then click on the season draw. Please note that the fixtures act as a guide only and are subject to change. The Weekly Fixture Sheet is the only definitive guide. It can be viewed on the website’s homepage (Sporting Fixtures) and the Sports noticeboard from the Tuesday evening of each week.

SPORT ABSENCES

Students have been reminded of their responsibility to attend sport for all training sessions and each Saturday and the need to communicate in writing if there is an issue regarding attendance. A summary of the process for sport absence is listed below:

In the case of INJURY:
> students are expected to attend Saturday sport and assist the team or training group (attendance at training will be dependent upon the nature of the injury and is to be discussed with the MIC and Sportsmaster)

In the case of DEBILITATING ILLNESS OR AN EXCEPTIONAL CIRCUMSTANCE students must:
> contact the coach directly, or through a team-mate prior to the match or training session (graded/team sport only)
> deliver a medical certificate or letter to the MIC or coach on the day (for training absence) or by the end of the next day the student is at school (for Saturday absence). The letter is to be written and signed by a parent/guardian and should explain the reason for the absence. This letter is the number one priority in explaining absence. Failure to submit a letter renders the absence unexplained, which has implications for our Duty of Care and student accountability. The sanction applied for unexplained absence on Saturday is a 3 hour detention and for weekdays, a 2 hour detention

In the case of exceptional circumstances that are known in advance, such as a FAMILY COMMITMENT:
> parents are required to apply for leave in writing (email or letter) to the Master of the Middle or Senior School prior to the week in question
> students are required to inform their coach well in advance of the commitment so that teams can be adjusted

CODE OF CONDUCT

I would like to encourage all students to continue to be punctual to sport and be well presented in their attire, attitude and behaviour. Boys who are unable to participate in their sport are required to attend their commitment in full school uniform or PE gear and to remove verbal and physical abuse from sporting activities.

RUGBY TOUR | JAPAN

On 30th November 2015, forty Trinity Rugby players boarded a plane and travelled to Japan. The Japan Rugby Tour has been a tradition of Trinity Rugby since 2002, with Trinity travelling to Japan every two to three years to build relationships. Currently, Trinity has strong connections with Kwansei Gakuin Senior High School and Higashi Fukuoka High School. This relationship is seen annually through the Japanese Exchange Programme, where students from both Schools come to Trinity to learn English and play Rugby. All players have been preparing with strength and conditioning sessions and field sessions since September, in readiness for the strong Japanese opposition. In addition to the tough Rugby competition the touring group had the opportunity to experience Japanese culture whilst being billeted with Japanese families. The students also visited Hiroshima and the Hiroshima Peace Memorial Museum, Osaka Castle and Dotonbori shopping suburb, the Electric City of Akihabara and famous pedestrian crossing of Shibuya in Tokyo and the Golden Temple in the traditional town of Kyoto.

The 1st XV registered 3 strong wins against Fukuoka High School, Kobe Science Technology High School and top eight ranked Japanese school, Kwansei Gakuin Senior High School and a charter building loss against the top four ranked Japanese school, Higashi Fukuoka High School.

Appreciation must be expressed to the Head Master for his ongoing support of Trinity Rugby, the parents of the Rugby Supporters’ Group and relevant staff associated with the organisation of the Tour. It was certainly a memorable experience for all students. Most importantly, however, the touring group gained valuable Rugby preparation for the forthcoming season, which also will celebrate the One Hundredth Year of Trinity Rugby.

Throughout the tour a blog was kept up-to-date featuring player profiles, match reports and a daily diary with photos. Please feel free to use the link to explore more of the 2015 Japan Rugby Tour: http://trinity2015japanrugbytour.blogspot.com.au/

THE DUKE OF EDINBURGH PROGRAMME
INFORMATION EVENING FOR NEW PARTICIPANTS AND THEIR PARENTS

Want to join the Award? Want to know more about the Award? Want to join a Autumn Holidays Expedition for new participants? Are you in Years 9 to 12? Are you at least 14 years of age or about to turn 14?

If the answer is yes to any of the above questions then you will need to attend an information session on Wednesday 10th February at 6.00pm in Latham Theatre.

We will:
> Discuss the Award and all its changes and expectations.
> Provide you with an opportunity to join the second of two yearly intakes to the Award programme.
> Provide you with information about a potential Spring Holidays Expedition for new participants.
> Provide you with advice on purchasing key wilderness hiking equipment, from outdoor equipment specialists Southern Cross Equipment.

This meeting is a compulsory first step in being eligible to participate in the Award and this proposed Autumn Holidays Expedition. We look forward to seeing you and or your parent/guardian there on the night.

NEWS FROM THE BOARDING HOUSE

The 31st of January was a warm 32 Celsius, perfect conditions for a day out at Wet'n'Wild. We got up early and made sure we arrived just on time for the opening at 10am. All Boarders, both old and new found themselves getting involved to seize the full potential of the day. Most went immediately to the rides while others chose to stay cool in the shade to play card games or read a book. When it got hotter and the lines for the rides became longer, a few of us opted to go to the wave pool which was a lot of fun. The last ride of the day was the “H2go racers” where a handful of Boarders went for a race against Mr. Zhang - he gave us a good run for our money but in the end he just wasn't quick enough. Boarders who had spent money on a bottomless soft drink bottle found themselves getting their money's worth. We would like to thank Mr. Fitch and all the other Boarding staff for all the organisation. All in all, it was definitely an excursion to remember and a great day out for the Boarding House.

YEAR 7 TRIALS

It’s always an exciting time for the Basketball programme and the coaching staff getting their first look at what the future holds for Trinity, as a new crop of young Trinitarians was put through its paces in the Year 7 Trials last week. They will now turn out for their particular team in their first game against St. Aloysius’ College (7A-F) and Newington College (7G/H) on Saturday.

I must stress to all the boys and their parents, if your son didn’t gain selection in the team he desired, to be patient and continue to work on improving his game and have a positive attitude. It is extremely difficult to grade 90+ boys into eight teams in only two short sessions. The boys must continue to work hard at training and make the most of their opportunities in the trial games on the following five Saturday’s. There will be constant movement amongst teams when the coaches feel it is warranted.

CAS BLITZ

The Blitz format is an exciting fast paced way for our Firsts, Seconds and A Teams to get ready for the second half of the CAS season. Each school plays four half games against all CAS Schools except the School they meet in round six.

1STS BLITZ @ BARKER

The Barker Blitz began with five possessions of intense aggressive basketball against Knox where our full court defense produced turnovers and our willingness to utilize Riley Smith (12Ke) in the post brought us great success. Knox was on the back foot and down 10 points. Unfortunately we did not “dance with the one that brought us” and quickly Knox steadied and pulled ahead by the final siren. It was a short sharp lesson in how complacency against the better teams will see your lead evaporate. Wins against Waverley and Cranbrook gave us some confidence and provided our bench players with valuable court time. Strong boxing out by Ben Morrissey (He) did an outstanding job of defending the post and staying fatigued.

After a solid mid-season preparation it’s all on the line when Trinity’s quest to retain the A.V. Smith Shield start on Friday night over at the intimidating Aloy’s Gym.

2NDS BLITZ @ KNOX

The Seconds were well rested from the summer break and after a few weeks of eliminating the holiday cobwebs, Trinity showed some of the talent that have them sitting on an unbeaten record during the first half of the CAS season. With one win and three close losses at the Blitz, the greens are determined to kick off the second half of the season where they left off in November. Determination and drive are the two ingredients the Seconds are focusing on during the lead up to their vital round six match-up against St. Aloysius’ who are very hard to beat in their pressure coocker of a gym.

10A BLITZ @ ST. ALOYSIUS’

The 10A boys went into the mid-season Blitz with minimal preparation, which resulted in a 1-3 record over the four games. Despite the rust, Trinity came out firing in the first game against Knox as Cooper Young (He) and Martin Song (Du) lead the team on both ends, however poor outside shooting allowed Knox to take the lead and come out with a narrow win. Turnovers almost cost Trinity in the second game against Cranbrook, however a clutch 3-point buzzer beater from Thomas Corias (Hi) ensured the greens a tense victory. Trinity then backed up against a strong Barker side and put forward their best effort of the day. Savvy play by Justin Jasa (Ho) and relentless defence by Joshua Kerr (We) kept Trinity in the game. Fatigue kicked in late and Barker was able to close out and get the win. In the final game against Waverley a tired Trinity fell short, but heading into Aloy’s this coming Saturday the 10As will be full of confidence with a solid showing in the Blitz.

YEAR 9A BLITZ @ TRINITY

The opening game of the Blitz saw Trinity take on Knox. After a slow start the bottle greens picked up their intensity on both ends of the floor. Alec Mackenzie (WJ) and James Corben (WJ) combined well in order for Trinity to run out five point winners. Next up was an ever-improving Cranbrook. Richard Ziade (Mu) ran the point with precision while Louis Banning-Taylor (La) continued his hot run of form with Trinity getting another win on the board. The boys then took on CAS front-runners Barker. Trinity started off well but a number of three pointers from Barker led to Trinity being down by seven points. However a fast break lay-up to Jorge Parasekopoulos (Fo) and back-to-back baskets from Anthony Mai (WJ) tied up the game. A lapse in concentration on the defensive end led to two free throws and Barker eventually running out two-point winners. The final game against Waverley was a disappointing loss for the greens, despite good performances from Aidan Tharmarajah (WH) and Christian Hayek (Ke).

YEAR 8A BLITZ @ CRANBROOK

Over the four short games the 8As were given specific instructions for each match that covered varying aspects of our team structures. The purpose of the day was to be prepared for CAS round six against St. Aloysius. Trinity did a very good job of focusing on their given tasks in each game. A slow start against a fired up Knox team, quickly taught the boys they are a difficult than expected, but Jack Nichol (He) and Luke Nichol (He) did an outstanding job of defending the post and staying between their man and the basket. Overall, a very pleasing day, and with a couple of good training sessions this week we will be ready for Aloy’s.

Next up was Barker and the boys focused on their “flex” offence and put up a big score line. Joel Passerini (Hi) was very good at scoring within the offence and Ky Willoughby (WH) did a good job of getting the boys in the right positions. The focus for Cranbrook was to work on our half and full court presses. Ethan Bateman (WJ) did a good job of forcing turnovers, while Earvin Dizon (Ta) converted them into quick points. The last game against Waverley focused on man-to-man defense and keeping the ball handler in front of the defender. This proved a little more difficult than expected, but Aidan Tharmarajah (WH) and Christian Hayek (Ke) did an outstanding job of defending the post and staying between their man and the basket.

MELBOURNE TENNIS TOUR

A select and fortunate crew of Trinity tennis players were lucky enough to attend the Melbourne tennis tour conducted over the recent summer holiday period. As usual, the tour was planned to coincide with the Australian Open tennis tournament held at Melbourne Park. The squad enjoyed the weeklong tour in which they attended the Australian Open tournament on a daily basis. As well as watching professional tennis up close, the team also played invitational matches against The Scott’s College (Sydney), Camberwell Grammar School (Melbourne), Scotch College (Melbourne) and Boroondara Tennis Club. Despite the level of play being very competitive, our younger players fought hard with a resilience that was admirable. I am sure that this experience of tough match play paid positive tennis dividends for all participants involved. Another positive of the Tour was the great coaching sessions that took place, including those at the National Tennis Centre (Melbourne Park) which was conducted on the Italian clay courts, and the grinding session at the Boroondara Tennis Club. Overall it was a very enjoyable and memorable tour with the touring squad being one of the best ever in terms of unity and spirit. All participants were great representatives for the Trinity Grammar School in all circumstances. I would like to thank Messrs Kenson Low and Michael Leadbeatter for their time and dedication, without which, the Tour would not have gone ahead.

2016 NSW STATE 13 – 18 YEARS AGE SWIMMING REPORT, 18TH TO 22ND JANUARY: SOPAC

At the recent NSW Swimming Championships Trinity was well represented with 36 swimmers competing. In the 13 years to 18 years age group Trinity competitors won a total of 8 gold, 4 silver and 3 bronze medals. The most successful swimmer was 16 year old Nathan Zhu (11Ke) who totally dominated the 16 years Breaststroke events with superb wins in the 100m (1:04.43) and 200m (2:19.28) events. Also in the 16 years 200m Breaststroke Jason Yu (11Fo) picked up his first state level medal with a good performance to claim the bronze. Christopher Hoare (12St) who has won a state gold medal every year since he was 10 years old continued this tradition with another win in the 16 years 100m Butterfly in an impressive time of 55.92. Christopher was also 2nd in the 100m Freestyle (53.09) and 3rd in the 50m Freestyle (24.13). Angus McDonald (9Sc) was one of the big improvers, winning the 14 years 50m Freestyle in a great time of 24.95. Dominic Lopez (8Ke) won the 13 years 200m Butterfly (2.15.41) and narrowly missed the double, placing 2nd in the 100m Butterfly (1:02.31).

The biggest improver was a toss up between Ryan Hansen (9We) and Matthew Moore (9Ke). Ryan took massive chunks off every swim. His best result was in the 100m Butterfly where he placed 3rd in 59.67, which is a great time for a 14 year old. In his other events Ryan took up to 10 seconds off his personal best times. Matthew is also a rapid improver, taking 8 seconds off his 100m Breaststroke to place 6th with a 1:15.09.

Other notable performers included Derek Leung (11Fo) who placed 4th in the 16 years 50m Freestyle (24.47), Patrick Jiang (10St) who placed 4th in both the 14 years 100m Breaststroke (1:10.08) and 200m Breaststroke (2:35.16) and Logan Kaye (8Ho) who placed 4th in both the 13 years 800m Freestyle (9:11.60) and 400m Individual Medley (5:06.13).

In the relays Trinity won both the 14 years 4 x 50m Medley and 4 x 50m Freestyle relay and the 16 years 4 x 100m Medley relay.

The Trinity Grammar School Swimming Club finished 4th in the combined boys and girls points score.

2016 NSW STATE 12 – 10 YEARS AGE SWIMMING REPORT, 15TH & 16TH JANUARY: SOPAC

Trinity was represented with 9 individual swimmers competing in 45 individual events. The outstanding swimmer of the meet was Andy Lee (7Fo) who individually won 7 events in the 12 years age group including the 200m (2:09.98), 400m (4:31.00) Freestyles, 100m Breaststroke (1:14.04), 100m (1:05.83), 200m (2:30.92) Butterfly, 200m (2:24.63) and 400m (5:05.53) Individual Medley. In this extraordinary effort he was also placed 2nd in the 100m Freestyle and 2nd in the 200m Breaststroke. It took another Trinity Swimmer to topple Andy in the 200m Breaststroke with Samuel Xu (8WH) winning the event in a great time of 2:39.74 and placing 2nd in the 100m (1:14.61) Breaststroke.

In the 11 years, Jason Yeou (7We) (2:19.09) Freestyles and 200m Individual Medley (2:32.72). Jason also placed 3rd in the 100m Backstroke, 100m Breaststroke and 100m Butterfly.

Other notable swims came from Adrian Barrett (7Fo) who placed 4th in the 12 years 200m Breaststroke (2:47.62) and 6th in both the 200m Freestyle (2:17.20) and the 200m (2:35.50) Individual Medley.

In the relays Trinity won the 12 years 4 x 50m Medley relay and placed 2nd in the 4 x 50m Freestyle and 10 x 50m Freestyle relays. The Trinity boys placed 2nd in the overall point score and combined with the 13 to 18 years point score to place 3rd in the combined age groups point score.

2016 NSW OPEN WATER AGE SWIMMING CHAMPIONSHIPS, 19-20TH DECEMBER: PENRITH

At the NSW Open Water Swimming Championships Trinity had 4 swimmers finish the event with Logan Kaye (9Ho) winning the 13 years 5KM event with Dominic Lopez (8Ke) placing 2nd. Matthew Innes (11Ta) was 3rd in the 16 years 10KM event.

Matthew Brown | High Performance Swimming Coach

DAVID ROBERTS

David Roberts, after more than eight years of dedicated service to swimming at Trinity (four years as an external coach, four plus years as permanent part-time), has recently been offered a job as a full-time Radiographer in Geelong, starting on 8th February, 2016. His last morning with us will be Saturday 6th February, 2016. In true Dave fashion, he will coach that morning, before driving to Victoria at the last possible moment, as usual putting the boys first, ahead of his own needs.

David is one of those rare people who goes above and beyond his job description to give his all to the boys. He is highly valued for his coaching ability, his reliability, his work ethic and, most importantly, his cheerful disposition no matter what the circumstances. He has always been ready to step in to support staff whenever there was a need – the recent Swimathon and Thredbo Camp being two recent examples that come to mind. In short, Dave is a professional worker who will be sorely missed. He has been a dedicated member of the coaching staff and is much loved by the boys and staff alike.

We wish him all the very best in his chosen profession as a Radiographer. We would like to take this opportunity to thank him for his outstanding contributions to swimming and the genuine care he has shown the boys.

below: Mr Dave Roberts presenting Angus McDonald (9Sc) with his gold medal.
The intention of this Co-curricular, the Mathematics Club is to provide enjoyment and training in advanced thinking for recreation. The Mathematics Club will establish to foster and encourage boy's greater understanding of mathematics, encouraging activities, discussion opportunities in Mathematics research and related mathematical experiences, and providing a social and intellectual forum to all boys interested in experiencing mathematics. The Mathematics Club will provide various opportunities for students (with a range of mathematical abilities) to take part in mathematical activities and events and to interact on a more informal basis with other teachers.

The Mathematics club can help to cater for boys to further develop:

- An increase knowledge through the transmission of information by building self-confidence and self-esteem in Mathematics;
- To help boys acquire concepts of the discipline;
- Student conceptions, (introduce various learning resources and hence broaden student knowledge and understanding) i.e. an atmosphere of intellectual excitement, a vibrant and embracing social context, an adaptive curriculum to produce deep learning;
- To create a co-curricular learning environment to which boys relate in a positive way;
- To directly engage boys in mathematical materials and give them opportunities to achieve a level of mastery;
- To increase curiosity and to stimulate independent learning and the development of critical thought in Mathematics and
- Members of the Middle School Mathematics Club will participate in the Australian Mathematics Challenge programme and in other external Mathematics contests held throughout the year.

NEW MATHEMATICS CLUB ENRICHMENT FORMAT FOR YEARS 7-9

The Club this term will provide an optional and additional co-curricular format to its current program to further ‘excite, enrich and challenge’ Years 7-9 boys through a variety of learning experiences. This will occur on a weekly basis each Monday and Wednesday 1:10pm-1:45pm (lunch-time) in N1.17. This activity will aim to instil the necessary knowledge and skills required to succeed in external Mathematics Competitions and Activities. All boys participating in this programme will be required to participate in the Mathematics Challenge for Young Australians programme. A selection of the following topics will be explored in this activity.

- Googol and Googolplex (large numbers – research topic) & Scientific Notation
- Alphametics
- Past AMC problems & Math’s Challenge and Enrichment Problems
- Various Number Patterns (including palindromes: research topic)
- History of Number; Mathematics; Men and Women of Mathematics (research topic)
- Continued and Unit Fractions
- Basic Problem Solving Strategies, Puzzles and Mathematical Diversions
- Optical Illusions; Simple Network Problems (e.g. 7 Bridges of Koningsburg) – research topic and The Four Colour Map Problem or the Mobius Strip

REFLECTIONS FROM THE ENRICHMENT SESSION ON PRIMES

The Mathematics Club at the School was pleased to organize a special enrichment session by Mr. Shane Scott on an interesting phenomena of Primes.

A prime number is a number greater than 1 that has no positive divisor other than 1 and itself while a composite number has more than two different factors. The presentation identified and described the characteristics of prime and composite numbers and the characteristics of even and odd numbers. There is no known simple formula that sets apart all of the prime numbers from composites and many questions regarding prime numbers remain open. Mr Scott concluded by providing the following questions for students to try:

1. The sum of an odd and an even number is ……
2. The sum of an odd number of even numbers is ……
3. Exactly one in every three numbers is divisible by ……
4. Prove that the product of any 3 consecutive numbers is divisible by 6.
5. Prove that the product of any 3 consecutive numbers with a middle term that is odd is divisible by 24.
6. Prove the sum of the first thousand primes is odd.
7. Prove the product of the first thousand primes is even.

The Club is looking forward in having future enrichment opportunities for students with a range of mathematical abilities to access new ideas in promoting best practices in Mathematics. The Club would like to thank Mr Scott for his excellent presentation!
MATHEMATICS CLUB MATTERS

COMPETITION FOR ALL BOYS

The Mathematics Club at the School is pleased to continue this term with “Mathematics Club Matters” for all boys interested in experiencing Mathematics. This has been a popular competition for all boys in the school.

The boys will have an opportunity to enter either a Middle School Maths Problem or Senior School Maths Problem each week. The boys will attempt on their own paper one problem each week within their year group of either Middle School or Senior School and will have until Monday lunchtime (1.15pm) to enter their submission at the Mathematics Department office. All boys will need to place their name and House group with their submission.

Every correct solution will go into the draw to win a major prize at the end of each term. Solutions for each problem will appear in the Mathematics Club Matters section of the Head Master’s Bulletin.

There is a permanent box placed outside in the Mathematics Department for each problem. The first correct solution drawn from each box on Monday at 1.30pm will be the winner, with the names published weekly in the Mathematics Club Matters section of the Head Master’s Bulletin.

Every correct solution will go into the draw to win a major prize at the end of each term. Solutions for each problem will appear in the Head Master’s Bulletin. So get your entries in this week for a chance to win.

THIS WEEK’S PROBLEM FOR BULLETIN II:

1. Years 7-9: Middle School Problem
due on Monday 8 February 2016

Molly can build a fence in two days. Alex can build the same fence in three days. Their younger brother, Steve, can build the fence in six days. If all three worked together, how long would it take to build the fence? Please show working to justify your answer!

2. Years 10-12: Senior School Problem
due on Monday 8 February 2016

When Shirley went to the polling station to vote, the polling officer asked her age. She told him “Eighteen.” He looked at her, surprised, and said, “Are you sure that’s right?” Shirley laughed and replied, “No, I gave myself the benefit of a year less than a quarter of my real age.” The polling officer couldn’t calculate how old she actually was, though he did allow her to register her vote. What was Shirley’s age? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.10PM) at the Mathematics Department Office.

Dr Frederick Osman
MIC Mathematics Club
Dear Parents, especially those who have boys starting this year,

We would like to remind you of several changes that have occurred creating a different pathway to your existing online information for current members of our community.

Importantly for you to note is the new URL address community.trinity.nsw.edu.au.

This new location community.trinity.nsw.edu.au should be your new default ‘Go to’ page for all things Trinity!

Here you may confidently obtain the latest Bulletin/Newsletter and sports fixtures. You will also be able to pay school fees, book physio appointments, order your son’s lunch and much more.

This site also contains all the other in-house information that you require with some changes made to make the user experience enjoyable. It is important that you save this new community URL to your bookmarks or favourites list.

To save this link for example, in Google Chrome, click the star icon at the top right hand side of your address bar; if you use Safari, click the bookmarks button at the top right hand side of your address bar and click favourites from the drop down list; or in Internet Explorer, select Favourites from the menu and click “add to favourites…”.

Please take the time to familiarise yourself with the new presentation and locations. Most importantly, once familiar with the site, we hope you will be able to locate and share all the information you require much more easily.

CAREERS

Many students are undecided about the career they may wish to pursue and have little idea of the opportunities that are available to them. Students should think about options early this year, plan ahead, review their Career Profile (Year 10), and generally discuss perceptions of different vocations and training pathways.

Avoid leaving decisions to the last moment when examinations and assessment tasks become the most immediate priority. Information on tertiary, TAFE and Private Provider organised courses is available from the Careers Adviser, as is information on most vocations. The School also subscribes to the ‘My High School Careers Website’ which has career news and information on events. NOW is the time to speak with the Careers Advisor about careers, courses and the opportunities that are available.

Expos and Forums:

The HSC and Careers Expo at Moore Park brings together exhibitors including tertiary institutions, training organisations, employers, providers of HSC, career and gap year resources and information. Now in its 8th year The Expo attracts highly motivated visitors to an event clearly targeted to their needs.

Expo Times
Thursday 2 June, 9am-3pm, Friday 3 June, 9am-3pm
Saturday 4 June, 10am-3pm, Sunday 5 June, 10am-3pm

The Western Sydney Careers Expo at Sydney Olympic Park will provide information on universities, TAFE colleges and training providers; employers and employment services; career counsellors and advisers; organisations with apprenticeship information and opportunities; providers of work and study skills programs; providers of HSC resources, lecture programs and information services; student support services; providers of tutoring services and providers of international exchange and gap year programs.

Expo Times
Thursday 16 June, 9am-3pm, Friday 17 June, 9am-3pm, Saturday 18 June, 10am-3pm and Sunday 19 June, 10am-3pm

OTU/RTO Careers and Industry Expo:

On Thursday 19th May, the School will host a joint OTU/RTO Careers and Industry Expo at Summer Hill Campus from 5PM in the Centenary Centre. The event is dedicated to all career areas and vocational education training both traditional and non-traditional trades will be show-cased along with the opportunity to speak with ‘Old Boys,’ individually, about a wide range of careers.

Expo Times
Thursday 2 June, 9am-3pm, Friday 3 June, 9am-3pm
Saturday 4 June, 10am-3pm, Sunday 5 June, 10am-3pm

OTU CAREERS AND INDUSTRY EXPO
THURSDAY 19 MAY 2016 | 5PM TO 7PM
IN THE CENTENARY CENTRE, SUMMER HILL CAMPUS
119 PROSPECT ROAD, SUMMER HILL

What’s on offer for Students?

This EXPO is an ideal platform to promote apprenticeships, cadetships, jobs and education and training in these areas. Visitors to the Careers Expo will be taken on a unique ‘journey’ of career advice, interaction education and training options. The event is designed to facilitate ALL students (Year 10-12) with both an academic and vocational focus.

For further enquiries please contact Dr Fred Osman 02 9581 6040 or email fosman@trinity.nsw.edu.au or Mr Stephen Heanly 02 9581 6065 or email sheanly@trinity.nsw.edu.au

ATAR Bonus Points:

NSW/ACT Undergraduate University Courses: Typically, bonus points are awarded for performance in English and Mathematics and a range of other courses appropriate to particular faculties at university. Usually there is a maximum of 5 subject bonus points available. Each university, and faculties within the universities, allocate bonus points differently so that it is difficult to say exactly what bonus points you might expect to receive. Students are advised to check specific university faculty provisions for each course to see if their HSC or IB course attracts bonus points. This information is for students in Years 10, 11 and 12 as it may impact on the individual student’s subject selection and the level at which these courses are chosen.

28,651 HSC bonus point offers The Graduate Connection has released an updated bonus points reference as a PDF and can be emailed to this year’s Year 12, the day their HSC results come out. With 28651 bonus point offerings, bonus points are now offered on a scale, level of detail and inconsistency across courses that defies ready comprehension. $50.00 plus GST from directory@grad.com.au.

UNIVERSITY:

UMAT 2016
