There was a definite celebratory air at Wednesday’s annual Scholars’ Assembly, when we welcomed back and celebrated with our recent graduates and their families the outstanding academic achievements recorded by last year’s Seniors in their public examinations. Over the years, our graduating seniors have consistently responded positively to the challenges of giving of their best in their final public examinations and last year’s cohort was no exception.

The statistics reveal that 20 students of the Class of 2015 received an ATAR over 99, equal to the top 1% of the State, with Blake Artemi, Tom Dickinson, James Douglas, Jordan Martenstyn and John Stapleton all achieving the maximum ATAR score of 99.95, coming equal first in the State and also coming equal first in the world for the IB Diploma course. Some 22.6% from the Class of 2015 gained either an HSC All Round Achievers’ Award or qualified for an IB Distinction Award by achieving 40 points or more in gaining their IB Diploma.

Impressively, 31% of last year’s Seniors finished in the top 5% of the State and overall, more than 41% achieved an ATAR score of 90 or better – a truly fine achievement for a non-selective School.

The 2015 HSC/IB results saw 39 boys qualify for our Scholars’ Assembly. These former students, who achieved such outstanding results, did so through sustained, dedicated effort and application to their studies. They provided us with a very worthy example to emulate in the year ahead. Further, it is worth recording that the 2015 Scholars were by no means one-dimensional in relation to their involvement and commitment to School, as their Valete statements would attest. Amongst the Scholars we had our former School Captain, two Vice Captains, 29 Prefects and five House Captains represented.

Another highlight of the Assembly was the opportunity to welcome back our guest presenter and speaker, Professor Tyrone Carlin (Class of 1990), Deputy Vice Chancellor (Registrar) of the University of Sydney. Professor Carlin’s current responsibilities include managing key elements of the University’s relationship with students from recruitment through to graduation, including a range of initiatives directed towards the enhancement of the student experience. Prior to taking up his current post, Professor Carlin held senior positions at the University of Sydney including Pro Vice Chancellor (education operations) and Co-Dean of
the Business School. He was Dean of Law at Macquarie University immediately prior to his appointment at Sydney. He is a Fellow of the Australian Academy of Law and the recipient of the Law Graduates Association Medal in Law.

In introducing Professor Carlin, I also made reference to the fact that whilst at Trinity, he was very passionate about Debating, being a member of the 1st Debating team and very committed to Cadets where he was CUO of 1 Platoon and recipient of the Joseph Sword of Honour. Professor Carlin’s words were indeed most apposite. His three-point address dealing with never giving up on your goals, acknowledging that success is very much a shared endeavour and that life is not a sprint event, captivated the attention and interest of all those present. In this regard, his references to his personal interaction with two long-serving and revered staff members, Mr David Dixon and Mr Ian Moore, were a wonderful acknowledgement of the efforts of our staff who commit to supporting our boys well beyond the call of duty.

**2016 HOUSE SWIMMING CHAMPIONSHIPS**

Sydney Olympic Park Aquatic Centre hosted the House Swimming Championships, Thursday 11th February. Each House was well represented. There were some wonderful performances and tremendous House-spirit was displayed throughout the day. I wish to extend my gratitude to the staff and students for their effort in ensuring the success of the day.

The final points score was as follows:

<table>

Mr Green presented the House Swimming Shield to Hilliard House Captain, Dimitri Valiotis (12Hi) at Quad this morning.
RECOGNISING OUR HIGH ACHIEVING STUDENTS OF 2015

This week saw the annual Scholars’ Assembly on Wednesday morning, which was a wonderful celebration for the high-achieving students of the Class of 2015. Trinity sets very high criteria for selection for Scholars’ Assembly. Combining measures representing the HSC and the IB, the criteria are:

1. An ATAR greater than or equal to 99
2. A reported HSC mark of 100 in any 2 unit Board Developed Subject, or 50 in any 1 unit Board Developed Subject, or being named first in the State in any subject.
3. Being named as an HSC All-Round Achiever.
4. An IB mark of 40 or higher.
5. Selection of an HSC work for inclusion in ARTEXPRESS, DesignTECH, ENCORE, InTech, OnSTAGE (or equivalent avenues of public recognition which may be developed).
6. Winning a major University scholarship.
7. Winning a highly competitive cadetship, grant or similar award based substantially on academic performance.

With such high benchmarks, it was pleasing indeed that 39 of our boys qualified for inclusion, some on several criteria. The boys who were honoured were:

Such recognition is one of the highest accolades the School can bestow. The Guest of Honour at Scholars’ Assembly was Professor Tyrone Carlin, Deputy Vice-Chancellor (Registrar) at The University of Sydney. Professor Carlin is an Old Boy of Trinity (class of 90’). He shared a very powerful message of perseverance (playing the long game not the short game), the importance of a shared experience in learning, and to always follow your passions. The combined example of both our Guest of Honour and our 2015 Trinity Scholars set a very high standard for current students to emulate.

Congratulations Class of 2015.

Jason Cheers | Academic Dean
YEAR 7 VACCINATIONS

The NSW Health Department will be offering the Diphtheria, Tetanus and Pertussis (dTpa) vaccine and Human Papillomavirus (HPV) vaccine as part of the Adolescent School-based Vaccination Programme.

The vaccination schedule is as follows:

- **26th February 2016, Term 1, Week 5**
  - Diphtheria, Tetanus and Pertussis (dTpa) – (1 dose only)
  - Human Papillomavirus Vaccination (HPV) – dose 1

- **27th May 2016, Term 2, Week 5**
  - Varicella (Chickenpox Vaccine) – (1 dose only)
  - Human Papillomavirus Vaccination (HPV) – dose 2

- **19th September 2016, Term 3, Week 10**
  - Human Papillomavirus Vaccination (HPV) – dose 3

A team of specially trained registered nurses will be visiting our School to administer the vaccine to boys in Year 7 only. After the boys have been vaccinated they will be given a Record of Vaccination to take home so that immunisation records can be together and the family doctor can be notified.

Please contact Sr Katie Brooks in the Health Centre on 9581 6023 if you have any questions.

*Bradley Wirth | Director of Campus Administration*

TRINITY GRAMMAR SCHOOL
SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on **Tuesdays, between 8.30am and 9.30am**. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

**Preparatory School Strathfield**
- meet in the Joske Room Strathfield, on odd weeks of term (Weeks 3, 5, 7, 9)
- Term 1: Feb 23, March 8, 22
- Term 2: May 10, 24, June 7, 21
- Term 3: Aug 2, 16, 30, Sept 13
- Term 4: Oct 25, Nov 8, 22

**Junior, Middle and Senior Schools Summer Hill**
- meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8)
- Term 1: (start week 4) Feb 16, March 1, 15, 29
- Term 2: May 3, 17, 31, June 14
- Term 3: July 26, August 9, 23, Sept 6
- Term 4: Oct 18, Nov 1, 15, 29

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

NEWS FROM
THE ARTHUR HOLT LIBRARY

**HAPPY LIBRARY LOVERS’ DAY!**

We’ve been celebrating the library this week as we approach Library Lovers’ Day on February 14. What is there to love about libraries, and this one in particular? We provide information services for students, teachers and parents that meet the curriculum and support lifelong learning. We offer a variety of spaces to meet the broad range of teaching and learning needs in the school. And we promote a love of literature, reading and storytelling!

To this end, students and teachers this week had the chance to go on a “Blind Date with a Book”. Brown paper packages tied up with string urged everyone to take a chance and read something different. There was no need to worry about outward appearances - no famous authors, no catchy titles, no intriguing blurbs and no attention-grabbing cover designs. Borrowers showed a great deal of excitement about the contents of their chosen package and the potential adventures therein. There will be lots happening in libraries this weekend - why not visit your local public branch and share the library love?

*Tabatha Paterson | Teacher Librarian*
written in time  
31 January – 21 February

A curator’s pick of some outstanding works from the 2015 graduate exhibitions at Sydney’s three main art schools! Featuring knock-out paintings by Lauren Beasley, Robert Bennett, Camilla Cassidy and William Meadley, melodic ceramics by Trinity Old Boy, Edward Whitelock, explorations of new and frayed relationships through photography and installation by Heath McCalmont-Parkinson and George Shaw, and upcycling writ large in Rebecca Gallo’s shrine-like installation.

Curated by Catherine Benz

The gallery is open Wednesday – Sunday, 12 to 5pm. Selected works are available for sale. Delmar Gallery is now a participating gallery in Art Money, a scheme that provides interest-free loans to buy art, endorsed by City of Sydney.

The gallery is open Wednesday to Sunday, 12 to 5pm.

NEXT CONCERT | Sunday 21st February, 3pm at Delmar Gallery

Three Voices performed by soprano SONYA HOLOWELL

Morton Feldman’s late work Three Voices (1982) is grand scale minimalism at its most sublime. It is also one of the most demanding pieces ever written for voice.

Soprano Sonya Holowell will perform the full work following her presentation of an excerpt at the National Gallery of Australia last year as part of “Sounding Turrell” curated by Roland Peelman. Click here to read more

Tickets from $20 (free for Trinity students).
Bookings essential. www.trybooking.com/JZDR
Concert duration: approx. 50 mins (no interval).

Please note that latecomers cannot be admitted.
Timely Reflections... By Mr Ron Ogier (1966 – 1994) and (1997 – present)

This week has been a maze of memories for me. The passing of Mr West coincided with the fiftieth anniversary of my time at Trinity. Mr West filled forty of those years, twenty as an inspirational and encouraging Head Master and twenty as a friend in our respective retirements. With Mr Robert Parker and Mr Brian Millett, we formed a group – all the same age within the span of a few months – which he called “The Golden Oldies” and, as will so many of those who knew him, have cherished memories, and give thanks for having known him.

As for other memories inspired by this week’s House Swimming Sports, again they are many. The House Sports held in the original pool – built in the 40s – the obstacle race over and under wooden barriers, across the pool, and through inflated inner tubes for example, provided much entertainment, while the commonly described annual washing of the boarding house cutlery, where the cutlery was thrown into the pool with House representatives diving in to retrieve as many pieces as they could was also a popular event. The original pool was enlarged and covered and heated in the eighties, complete with an elegantly chipped out section at the diving end to make it the correct dimensions, all serving us handsomely for many years until its refurbishing last year, as its big brother, the full sized pool in the Aquatic Centre made its appearance, having been constructed over the last two years.

How interesting it is to observe that the lads who have joined us this year probably have no idea of the turmoil that the Centre’s building site was over the construction period. To them it has always been there! And yet they in turn may witness the demolition of old matériel and the building of new, so joining with those of the past to continue making the School an ongoing, growing concern, with the over-arching principle to which we subscribe that it is God who is our architect, and God to whom the glory is given.

Ron Ogier
Summer Track and Field

The State Junior Track and Field Championships were held at Sydney Olympic Park Athletics Centre from Friday 5th February to Sunday 7th February, 2016.

Trinity Grammar School had a very successful campaign with a total of 25 medal winning performances - 7 gold medals, 11 silver medals and 7 bronze medals in total.

Gold Medal winners

Byron Hollingworth-Dessent (11Sc) - U17 110m Hurdles (15.45s)
Alexander Kolesnikoff (10Ho) - U17 Hammer Throw (55.11m)
Sebastien Moir (11Hi) - U17 400m Hurdles (55.79s)
Blake Toohey (8Ke) - U15 Pole Vault (2.80m)
Jordan Maze (9Hi) - U15 Long Jump (5.54m)
James Park (8Yo) - U14 200m Hurdles (30.84s)
Patrick Cantlon (7Du) - U14 1500m (4.39.54s)

Silver Medal winners

Byron Hollingworth-Dessent (11Sc) - 100m (11.19s) & 200m (22.84s)
Alexander Kolesnikoff (10Ho) - U17 Discus (44.53m) & Shot Put (15.99m)
Sebastien Moir (11Hi) - U17 400m (50.07s)
Connor Murphy (9Ta) - U16 Triple Jump (12.24m)
Ethan Bateman (8WJ) - U15 400m (56.00s) & 100m Hurdles (15.59s)
Finn Murphy (8Ta) - U14 Triple Jump (11.23m)
James Park (8Yo) - U14 90m Hurdles (13.71s)
Theo Christian (7He) - U14 800m (2.23.76s)

Bronze Medal winners

Kash Powell (10Ar) - U17 2000m Steeplechase (6.44.37s)
Ben Bishop (9Hi) - U16 2000m Steeplechase (6.42.31s) & 3000m (9.30.28s)
Jono Titmarsh (8Du) - U15 100m Hurdles (16.09s) & High Jump (1.65m)
Ethan Bateman (8WJ) - U15 Shot Put (11.09m)
Finn Murphy (8Ta) - U14 High Jump (1.45m)

Finalists

Albert Swann (11Ar) - U17 110m Hurdles 4th place (16.95s)
Elijah Hooper (9Ar) - U15 400m 4th place (57.67s)
Ethan Bateman (8WJ) - U15 High Jump 4th place (1.65m)
James Park (8Yo) - U14 Long Jump 4th place (4.96m)
James Park (8Yo) - U14 100m 5th place (12.98s)
Finn Murphy (8Ta) - U14 Long Jump 5th place (4.63m)
Finn Murphy (8Ta) - U14 90m Hurdles 5th place (16.19s)
Albert Swann (11Ar) - U17 Long Jump 6th place (6.00m)
Nathaniel Davies (10Ke) - U17 2000m Steeplechase 6th place (6.54.17s)
Logan Kaye (9Ho) - U15 3000m 6th place (10.00.69s)
Josiah Romeo (11Sc) - U18 400m 7th place (51.88s)
Dean Kalliris (10Ke) - U17 100m 7th place (11.64s)
Justin McNamara (9Sc) - U16 Discus 7th place (44.60m)
Benjamin Bishop (9Hi) - U16 1500m 7th place (4.29.49s)
Jordan Maze (9Hi) - U15 100m 7th place (12.81s)
Logan Kaye (9Ho) - U15 1500m 7th place (4.55.83s)
William Cooper (7Hi) - U14 800m 7th place (2.28.68s)
Connor Murphy (9Ta) - U16 Long Jump 8th place (5.50m)
Logan Kaye (9Ho) - U15 800m 8th place (2.19.92s)
Justin McNamara (9Sc) - U16 100m 9th place (12.36s)
Justin McNamara (9Sc) - U16 200m 12th place (25.19s)
William Cooper (7Hi) - U14 1500m 12th place (5.14.71s)
Isaac Wilkins (9Mu) - U16 200m 13th place (25.26s)
Connor Murphy (9Ta) - U16 100m Hurdles 13th place (16.19s)
Carl Coorey-Ewings (12WJ) - U20 100m 1st in heat (10.98s)

An amazing weekend and another record break result for the Trinity Athletics Club, go the Green and White!

Andrew Murphy | Director of Athletic Development
PRE-SEASON REPORT

As a university student in South Africa, I remember the saying that when the Jacaranda trees began to shed their flowers, it was time to start studying for the exams.

The cue for our Rugby community that Rugby is about to embark on the 2016 season is that the Super Rugby trials have commenced (thankfully, the Waratahs won their game against the Brumbies, and Cameron Orr, a recent Trinity Grammar School graduate, earned a place in the team, playing off the bench for the ‘Tahs’.)

Many of our boys are most likely beginning to dream and hope for high representative honours and successes in the season ahead. However, hope is not a strategy, but planning is.

I would like to encourage our boys, no matter their level of participation, to have goals that are supported by clear steps to assist them in fulfilling their ambitions. This includes a fitness and nutrition guide that may require the assistance of coaches and Sport staff.

As the Winter Sports Trials are five weeks away, being forewarned is forearmed.

Andrea Folli | MIC Rugby

Congratulations to the players who have been selected in NSW Junior Gold Cup Rugby teams that are playing in a national development competition. The players have been training hard over the summer, being selected ahead of the 600 trialists for the u15 and u17 sides. Best wishes for your upcoming games.

from left to right:
1. Luke Hennessy (8St)
2. Malachi Hawkes (8WJ)
3. Michael Eid (8Ke)
4. Matthew Brooks (10Hi)
5. Matthew Langham (11We)
7. Cooper Chambers (11WJ)
8. Kordell Payne (11Yo)

RUGBY ANNOUNCEMENT

FRIENDS OF RUGBY – AGM

The Friends of Rugby Committee is convening its Annual General Meeting on Thursday 25th February.

The venue for the meeting will be in the Braga Room (Music Department), opposite the Terrace Room (above the Cafeteria), and will commence at 6:30pm.

The Committee would like to extend an invitation to all interested parents whose sons attend the School’s respective campuses.

Please feel free to contact me at afolli@trinity.nsw.edu.au

Andrea Folli | MIC Rugby
John Corias | Friends of Rugby President
CAS RND. 6 VERSUS ST. ALOYSIUS’

1ST V
The Greens came out firing in the second round of the CAS, as they dominated Aloy’s in the first quarter to take a defining lead (27-5) on the back of their trade mark pressure defence. Riley Smith (12Ke) dominated both ends with ten points and five boards in the opening period, while Jarryd Fernandes (12La) seemed to be everywhere, also picking up seven points. Trinity didn’t let up when Tom Mackenzie (11WJ) and Sebastian Diaz (10Ta) entered the game, keeping the intensity high as the Firsts went to the break with a overwhelming thirty point lead (51-21).

The second half provided Trinity with a chance to share the minutes amongst the playing group and experiment with some different combinations. Ryan Maranik (11Ar) worked tirelessly, harassing the Aloysius’ backcourt while John Bechara (12Mu) banged hard in the paint. A barrage of long bombs from Jake Kerry (11Ho) and Davo Hickey (11Ke) in the final quarter saw the boys from Summer Hill dominate the period (20-12) and keep their undefeated season alive with a commanding thirty-six point victory (85-49).

</tbody>
</table>

2ND V
A substandard performance from Trinity resulted in a disappointing loss to start the second round of the CAS. Throughout the contest Trinity showed glimpses of what had them at the top of the table heading into the summer break, with James Spanos (12Ho) connecting on some sharp offensive moves and Liam Rasch (12WJ) proving an intimidating presence in the paint. Andrew Jamieson-Grigg (11Ho) and Ollie Davis (11Ke) found a little rhythm in the second half that saw the Greens come storming back at Aloy’s, but poor decisions at both ends of the floor ultimately stifled any Trinity momentum, resulting in a tough defeat by 12 points (25-37). Fortunately, a surprise loss to co-leader Barker keeps Trinity at the top of the table with their Hornsby rival with four important games to go.

<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ollie Davis</td>
<td>8</td>
</tr>
<tr>
<td>James Spanos</td>
<td>7</td>
</tr>
</tbody>
</table>

3RD V
A slow start had Trinity down six points at the break. A determined effort and better defence led to many steals and as usual, the Thirds came home strongly in the second half. The pairing of Paul Orphanides (12Sc) and Joseph Latif (12WJ) stepped up the pressure and secured the game. Paul Orphanides also managed a game high score of 14 points.

4TH V
Another good win from the Fourths with some solid intensity at both ends of the court. Game high ten points went to Ken Zhang (11We), while Antony Bonaccorso (12St) was strong under the basket, providing plenty of possession which gave Trinity the confidence to control the game.

10As
Trinity was determined to defend their home court, which was evident right from the tip as the boys imposed their will on the game. Outstanding defence by David Carreon (St) resulted in

www.trinity.nsw.edu.au
great offence; whilst Cooper Young’s (He) hot hand extended the lead late in the game. However, the day belonged to Justin Jasa (Ho), as he shredded the Aloy’s defence time and time again, leading his team to a comfortable win.

10Bs
Trinity was looking to start round two on a positive note, but got off to a slow start due to foul trouble and careless turnovers. Strong play on both ends by Darcy Edwards (WJ) and Jonathon Roseworn (WJ) sparked Trinity late in the half to take the lead at the main break. Outstanding team defence and numerous made free throws by Andrew Jin (WJ) ensured the Greens would get their first win in 2016.

10Cs
The 10Cs were a bit rusty after the long holiday break and took a little while to find their stride. In the end, Trinity won the match comfortably, but by no means were playing their best. William Bonaccorso (St) showed a big improvement, leading the scoring with 8 points and backed up by a good performance by Harrison Haritos (Ta).

10Ds
The mighty 10Ds continued their brilliant form with a dominant performance. They were selfless in attack, often giving up a good shot for a teammate to get a better one. Andrew Kim (We) was on fire in attack and Jerry Ren (Ke) was strong and relentless in defence.

10Es
Trinity played a much tougher match than the 35-14 score line indicated. Joshua Ward (Sc) made a major contribution with 13 points and William Xie (Fo) and Benny Ouyang (Ke) were dominant under the basket.

10Fs
The Greens dominated in their 41 point victory, with Joshua Roberts (We) and Ned Hatton-Ward (Sc) showing some excellent finishing to contribute 26 points between them. Defence was again the cornerstone of a great result, with players doing their job brilliantly.

9Fs
Trinity came from behind to record an eleven-point win. Alexander Williams (St) guided the team with excellent drives into the paint and hard-nose defence, while Julian Toomey (Ta) punished the opposition with his mid-range jumpers.

7As
Trinity came out a little slow, but once they adjusted to the pace of the game got it through sets of hands for easy baskets in transition. All boys contributed, with constant changes to share the minutes in a solid first up twenty-four point victory. Special mention must go to Haydon Johnson (WH), Bertie Alcock (WJ) and Jack Casimir (WH), who worked tirelessly at both end of the floor.

8As
Trinity came out firing and shot to an early lead through pushing the ball offensively, which led to easy baskets. The 8As did a good job of running their full court pressure, which had Aloy’s on the back foot for the majority of the game. Both Jack Nichol (He) and Luke Nichol (He) led the way on both ends of the floor. While there is still work to be done, the boys have begun 2016 the same way they finished 2015-- with a big win!

Ben Morrissey | MIC Basketball

**ANNUAL PDHPE LIFE SAVING EXCURSION**

Last Tuesday all of Year 8 ventured to beautiful Manly Beach for the annual PDHPE Life Saving excursion. For some students this was their first visit to Manly.

On the day, the boys were split into three groups and rotated around the following activities:

1) Ocean Survival Skills where they learnt how to: float on their back, wade water and perform sculling skills, while learning how to get out of a potentially dangerous rip.

2) Surf negotiation Skills, where they learnt how to dolphin dive (dive under the waves) and body surfing.

3) Board Paddling, where they learnt how to escape a potentially dangerous rip on a paddle board.

An important component of the Stage 4 syllabus is “demonstrating movement skills through a range of experiences including aquatics activities such as water safety skills, water games and sports”. Living in Australia it is absolutely vital to acquire and develop skills that will ensure our safety and enjoyment of our beautiful beaches and the water sports we all enjoy.

I would like to thank all of Year 8 for their enthusiasm and, for many boys, their willingness to try something new.

Andrew Simos | Head of PDHPE
CAS 1 DAY VS ST ALOYSIUS
Saturday saw the first of the CAS One day matches take place for a number of Trinity teams. It was a day of mixed fortunes, with some excellent results being recorded, as well as some efforts that will need to be improved upon! In an extremely rare occurrence the 3rd XI and the 10Bs both had their matches finishing as ties.

1ST XI
TGS 2-106 def St Aloysius 102
In the opening fixture of the one day matches for the CAS premiership, the Trinity 1st XI desperately needed a win in order to stay in the race for the CAS title. The day started off well with Trinity’s Austin Waugh (11St) claiming a wicket in the first over. After grabbing the early wicket, St Aloysius steadied themselves after a few dropped chances to reach 1-60. From this point on some very tight bowling by both Liam Scott (10We) and Anuj Aloysius (12SC) who claimed 4 wickets and 3 wickets respectively, allowed Trinity to gain the ascendancy. In a good display by all our bowlers, St Aloysius were dismissed for 102.

The job was not done yet for Trinity as they still needed to chase the runs down against a strong bowling side. A few scares early in the first over were to be the only ones throughout the comprehensive win by Trinity in which our Captain of Cricket, Julian Dimas (12Ta), compiled a very aggressive 87 not out from a mere 52 balls, which was described by the opposition captain as one of the best innings he has ever seen. Julian demonstrated a vast array of powerful, yet elegant, shots. His ability to pick the right ball to hit was superb. His timing and placement were also precise. Although Julian was able to score easily, he was well supported at the other end to take the pressure off him, well with Trinity’s order to stay in the race for the CAS title. The day started off well with Trinity’s Austin Waugh (11St) claiming a wicket in the first over. Julian Dimas (12Ta)

Raghavan Selvaratnam (11La)

2ND XI
TGS 8-150 def St Aloysius 9-100
The 2nd XI side entered the second half of the season full of confidence, after having been undefeated during the two-day matches. The side batted first at TGS and were able to post a respectable total of 8-150. The runs were shared around the batsmen, with Sanjan Naganathan (11Ta), Jason Quach (11Ke), and Ameer Dimeglio (11La) all making contributions to the total. In reply, St Aloysius could only manage to score 9-100. Some excellent bowling by Lachlan Fitch (11Hi) 4-16 put a real dent in the run chase. A well-deserved victory and the 2nd XI juggernaut keeps rolling on.

10A
TGS 7-111 def St Aloysius 110
A thrilling encounter took place in the 10A match. Bowling first, Trinity was able to keep St Aloysius to a modest total of 110. Blake Byrne (10WH) and James Hart (10Sc) bowled well to claim 3 wickets apiece. The run chase was not one completed without minor heart palpitations. The equation got down to Trinity requiring 6 runs to win with 3 balls in hand. Jonathan Hooper (10Ar) was at the crease and tried to send the ball into orbit. It was a big swing and a miss! Luckily the ball missed the stumps as well. After some “encouragement” from the St Aloysius’ bowler, Jonathan faced up for the next ball and sent it flying over the point boundary for 6 and earned Trinity a fantastic victory with one ball to spare.

8A
Trinity 103 def St Aloysius 87
Batting first, Trinity found themselves in unfamiliar hot water with 4 wickets down and the score only in the 30s. It was pleasing to see the fighting spirit shown by the lower order in an attempt to get the score towards a defendable total. William Barlow (8Ar), Patrick Fouracre (8WH), and Pierce Foley (8Fo) all put a high price on their wicket and edged Trinity up to a score of 103. Trinity’s bowlers were able to apply constant pressure, and eventually dismiss St Aloysius for 87, earning the side a 16 run victory and keeping them undefeated for this season.

This coming CAS round Trinity faces Waverley, and I would like to wish all teams the best of luck as they look to improve on last week’s performances.

Ian Moran | MIC Cricket

CRICKET

CRICKET

SUN SAFETY AT SPORT

Encouraging our boys to take responsibility for sun safety is an important part of the role of parents and coaches. It is our collective responsibility to help educate them about it. The following is an excerpt from the Trinity Sport Coach/Co-curricular Staff Information Handbook. I would ask that Parents assist in delivering this message also:

Regularly remind boys about, and continue to facilitate time dedicated specifically to:

> hydration (drink fluids, especially water, regularly, prior to, during and after training/matches/activities)
> wearing hats and applying sunscreen
> spending plenty of time in the shade, especially in warmer weather

Boys should continue to bring and apply their own sunscreen regularly and wear their Trinity hat. For those who require it, sunscreen is made available in the Sports and Co-curricular Office (Q0.1), Special Duties Master’s Office and at training sessions for sports such as cricket and tennis.

John Allen | Director of Sport and Co-curricular Activities

---

**TENNIS**

The resumption of the CAS Tennis competition occurred last weekend with the round 6 clash against St Aloysius’ College. The 1st IV travelled to Tennis Cove with aspirations of keeping their undefeated run intact. This was always going to be a challenge against a strong opposition who have the number one ranked CAS player in their midst. The St Aloysius’ Captain and number one player did in fact dominate proceedings, winning all of the sets that he contested giving the opposition 3 of the 8 points on offer. It was however the depth of talent within the Trinity team which allowed them to dictate terms and win the remaining 5 sets and the overall match by 5 sets to 3.

Our first doubles pairing of **Dario Kmet (9Ke)** and **Alex Ibrahim (10Ho)** were thoroughly outplayed in their rain-affected first set losing 1-6. However, much to their credit they staged a good comeback in their 2nd set only to go down 5-7. The high number of unforced errors from the base line and net area was the telling weakness for the pairing who will have to rectify this aspect of their game if they want to be competitive against the better opposition pairings. The 2nd pairing of **Mathew Nedanovski (9Fo)** and **James McCabe (8St)** kept the team in contention with a decisive 6-0, 6-1 victory squaring the sets on completion of the Doubles component of the match.

---

Dario Kmet (9Ke) in action for the 1st IV
The only singles loss in the encounter was that of Dario Kmet, who lost a hard-fought match 4-6 to the number one ranked CAS player. Despite losing, he must be commended on his quality of play and tenaciousness on the court which allowed him to vastly improve upon his 0-6 loss to the same opponent in the first round of the competition. All other Trinity players registered solid singles wins against less able opponents on the day. The team sits on top of the competition ladder on 56 points with a 5.5 point lead ahead of nearest rivals Knox College with 4 remaining fixtures yet to be contested.

Like their First team counterparts, the 2nd IV won by the same margin 5-3. Congratulations must be given to our boys for their perseverance and mental toughness in a match that had 3 tie break sets. Trinity was able to convert 2 of the 3 tiebreakers which allowed them to set up the win. In particular Kevin Batliwala (12Yo) and Anthony Tsougrinis (10Ke) must be mentioned for their tenacious singles match play and subsequent victories.

Best of luck to all teams in what promises to be an engaging fixture against Waverley College tomorrow!

Jeremy Dykgraaff | MIC Tennis

9As
Unfortunately, due to heavy morning rain, courts were only available for the 9As and hence 9Bs were cancelled. The 9As fought hard to maintain their winning streak from Term 4 and they were rewarded with 6 winning sets. The doubles partnerships were Edward Lai (9St) and Jason Wu (9Ho) and Alexander Valiozis (9Yo) and Thomas Spratt (9Ta). Both Doubles teams played well before taking out 4 sets in a row in the singles component of the match. Overall it was a great start for the term.

Margaret Hanna | 9As Coach

8As AND 8Bs
The first round of the 2016 calendar was delayed when rain began to fall over Haberfield on Saturday. As the skies began to clear the tennis started, with David Kim (8WH) and Daniel Skarzynski (8We) giving Trinity the early lead with a dominant 6-4 victory as both boys shook off the cobwebs after our extended break. After a slow start, Andrew Peng (8He) and Tom Jin (8Yo) were able to mimic the success of their teammates with an entertaining 6-4 win with superb serving from both boys. Andrew and Daniel were both able to continue Trinity’s winning ways in the A1 and A4 singles as they out rallied their opponents for 6-2 wins. Special mention must go to Tom for providing the match of the day as he and his opponent frequently presented the crowd with extended rallies featuring up to 25 shots!

St Aloysius’ College were too strong in the B division as they outmuscled Trinity 5 sets to 1. Having lost both doubles 6-4, Trinity were on the back foot and failed to recover despite strong singles performances. As the clock approached 10:30, Scott Lee (8St) was able to increase his aggression and close off a well-deserved 7-6 win as his consistent serving and much improved backhand kept him in the longer point of the breaker. I would like to commend all the boys for staying back and supporting both Tom and Scott, even though the matches went slightly over time. I wish all the boys the best of luck this weekend.

Joseph Fung | 8As and 8Bs Coach

7As AND 7Bs
The day was filled with excitement as the Year 7A and B tennis teams arrived for their first fixture at the Trinity Tennis Centre. In the 7A match Cameron Ong (7St) and Justin Yang (7Wh) came out of the blocks well and were up 2-1 early before being outgunned in the consistency stakes to go down 6 games to 2. In the other doubles Lachlan Dock (7Th) and Liam Ling (7La) showed promise and fight before narrowly going down 6 games to 4. In the singles St Aloysius proved too strong, winning each set, but Liam fought very hard before going down 6 games to 3. In the 7Bs Nathan Xie (7St) and Harry Protopsaltis (7Yo) were the top pairing, but encountered a strong opposition team going down 6 games to 1. A highlight of the day was the pairing of Elias Chahine (7Ke) and Deon Kontonis (7Fo), who managed to out-power and out-scramble their opposite numbers, winning 6 games to 2. Dion backed this up with a singles win without dropping a game, having an undefeated day on his Senior School tennis debut. Benjamin Prska (7La) subbed in for Elias in the singles to make his debut, but unfortunately went down 6-2. It was a good learning experience for the boys on the day. Consistency of shot, more rally balls and possibly not trying to hit the ball so hard combined with good training court time will see them well prepared to meet Waverley College in Round 2.

Chris Knight | 7As and 7Bs Coach

Overall winning rate: 48%. 10 Wins 11 Losses
TRINITY DEFEATED ST ALOYSIUS’ 3-0 (25-11, 25-20, 25-19)

Last Saturday, the Trinity 1st VI made a fiery resurgence in their second round against the ever-improving St Aloysius. Despite the months since an official fixture, we were in great form and played with intensity and purpose. Due to the absence of Captain Lewis Jupp (12WH), the team as a whole could do nothing but rise to the occasion. This was achieved, however, though we could not have done so without the outstanding on and off court support from Will Obrien (12WJ) and Michael Amin (12WH), bringing an outstanding attitude that gets the team over the line weekly. Libero Jared Attia (12Yo) performed marvellously in backcourt, offering accurate and controlled passing off difficult serving and deceptive attack. This allowed the two setters, Daniel Gabriel (11Hi) and Ben Wheen (11Fo) to perform at a very high level by delivering consistently dexterous, refined and deceitful sets that allowed the powerhouse outside hitters such as Jared Phillips (12Mu), Peter Braga (11Du), and Jarryd Fernandes (12La) and middle blockers Thomas Mackenzie (11WJ), and Matthew Rorie (11Fo) to aggressively spike the ball, often over the St Aloysius’ block and with significant power, wherever they pleased. The team should be congratulated for their success, and their work both over the holidays and in recent weeks. As the summer season begins to slow down, and the winter season looms, Trinity Volleyball will be preparing for its biggest season yet. It will undoubtedly be a spectacle to behold, and all are encouraged to get behind the Volleyball programme.

Angus Webster (12WJ) | 1st VI Vice-Captain

TRINITY DEFEATED ST ALOYSIUS’ 3-0 (25-6, 25-14, 15-6)

The Trinity seconds were glad to take the home ground advantage against St Aloysius after previously playing them away last term. The advantage appeared to be crucial as our captain was injured and both another player and the coach were unable to make it. However, the boys didn’t let anything distract them and seemed to be unfazed by the fact that we were down to just 7 team members. In the first set, great serving from our libero-turned-setter Jonah Newman (11WJ) gave us a great lead starting us off at 11-0. Some good hitting from the front court and great defence by Matthew West (12Du) took us to our 25-6 victory in the first set. In the second set some unforced errors began to creep in on the Trinity side leading to the set starting off as neck and neck. However, some good communication from Joshua Gerels (12Ar) and some tactical tipping by Philip Davies (12Ke) helped us achieve our 25-14 victory in our second set. Seeing as we play best of three sets, we had already won the match by the time we started the third set which allowed the boys to be relaxed but not complacent. To prove this, Hugh Sixsmith (11Sc) and Oliver Arkell (10WJ) hit confidently giving us victory in three straight sets. Good work everyone!

Jacob Elmasry (12He) | 2nd VI Captain

TRINITY DEFEATED ST ALOYSIUS’ 3-0 (25-16, 25-18)

For the first game back the 3rd VI faced up against St. Aloysius who were strong opponents, thanks however to a great effort by the team we were able to emerge victorious. The first set began and we set off to a great start winning many quick points thanks to a series of powerful serve by Nicholas Tsiakos (10We) we were able to win the set 16-25. The second set began soon after and Dean Bozionelos (11Ta) managed to produce many great hits and sets securing us a second set win of 18-25.

Isaac Barden (12Yo) | 3rd VI Captain

1STs

Our 1sts VI came out firing holding Scots’ to a 5-3 deficit at the end of the 1st quarter. Unfortunately mistakes crept into our game as Scots’ continued to capitalise on their counter attacks. Easy turnovers enabled Scots’ to build a large lead at half time which we were unable to reduce. Chris Artemi (13Hi) managed to find the back of the net on 5 occasions along with Sam Yip (10La), James Artemi (11Hi), and Keegan Street (12WJ).

2NDs

What a game! 1-1 after the first quarter, 4-4 at halftime and 6-6 at three quarter time! With one and a half minutes to go we missed an opportunity to score and Scots’ got a quick break. The defence from both teams was fierce and Scots’ got the ball back with 30 seconds on the clock. The Trinity defence was again so passionate that two players were given major fouls and sent to the corner. Five against three and Scots’ scored. The entire game was an emotional rollercoaster. Congratulations to our goal scorers: Noah Thomas (12He), Kean McCaw (11Ke), Matthew Innes (11Ta) and Matthew Moon (11We) while Ryan Paget (12Mu) was again outstanding in the goals.

16As

This game was a battle between two schools nudging for top spot on the leader board. Both teams battled hard in a low scoring and minimal mistakes game. Scots’ managed to score two in the first quarter to Trinity’s one which ended up being the only difference between these two sides at the final whistle. Although unfortunate to grab the win, all boys played above themselves and gained invaluable close game experience. Jacob Gadiel (10Mu) managed to bag four goals for his team along with Ethan Hantsford’s (10He) two goals. Well done on an excellent team performance!

16Bs

The 16Bs dominated this game from the first swim off. They moved the ball around quickly, finding key players as well as assisting with good off the play movement to help create goal scoring opportunities. The pressure applied to Scots’ while defending was too strong for Scots’, forcing easy turn overs and loose passes. This win was due to a good team effort on the day.

15s

Our boys began the game with a lot of confidence and established a quick 6 goal lead. The team didn’t stop there and maintained the same pace throughout the entire game, securing a nice 26:0 win.
14AS

A surprisingly good score against a very strong opposition! Our teamwork stood out with an overall forceful defensive display which resulted in many turnovers which enabled us to take advantage of scoring opportunities. A number of players were required to play in positions that they were unaccustomed to and managed well. In such a fine team effort it would be hard to highlight an individual field player but mention should be made of Michael Eid’s (8Ke) goalkeeping. His best game of the season!

13s GREEN AND WHITE

The 13s faced very tough St Aloysius’ opponents over the weekend. In addition, due to external sporting commitments, a number of the boys were unable to play, leading to a combined 13s Green and White team playing two games.

In the first game the boys went down 9-3 in a closer match than the score showed. The team swam up and down the pool well, getting several good steals, although passing is an aspect that could be improved. Notable mention goes to Andy Lee (7Fo) for scoring two and Juno Ananda (7Ar) for his one goal in this match.

The second match was a much more one-sided affair, however, with the boys undoubtedly fatigued after the first match, for they went down 24-1. In future games, the boys will need to work on ensuring they stay between their goal and the player they’re marking, as well as concentrating on holding possession for longer in attack with safer passes.

Despite these losses, credit goes to the boys’ strong positive attitude during the match, even in the face of such a strong team, something that was commented upon by the parents around the pool.

Group Email: 3rd.summer.hill@TrinityScouts.com

Lachlan White | MIC Scouts

A big week at Scouts this week with new cubs and scouts from Prep, Junior and Middle Schools coming along to see what we do! This week it was First Aid. The Venturers, with the assistance of Patrol Leaders, discussed the principles of DRSABCD, what the important items for a first aid kit are, and taught the scouts some safe ways to carry an injured person. Next week we will run some scenarios where the cubs and scouts can learn and demonstrate how they respond to an emergency and apply first-aid. We also had a great game of forcerbacks on the No2 oval.

Part 2

Last week in the Prep and Junior News, we wrote about self-leadership. There are 4 types of leadership that we use in Scouting. This week we will discuss the other three

2. Cooperative Leadership: Being cooperative means supporting each other in working towards a goal.

Examples of cooperative leadership includes Listening attentively to directions, and asking questions when you don’t understand; Being patient and cheerful when things are difficult; and doing your best to contribute to the activity, being active and aware of what is going on around you.

3. Supportive Leadership: Supportive leaders actively assist their leaders and fellow Scouts by being kind, friendly and helpful at every opportunity.

Examples of supportive leadership include: Helping another Scout carry out a task; Sharing your skills and knowledge with other Scouts; Helping a fellow Scout when they are discouraged.

4. Directive Leadership: Scouts can lead themselves, follow cooperatively and help their fellow Scouts they are ready to guide their patrol and troop. Such scouts will help direct their patrol and troop during activities and make plans to help their troop and patrol.

Examples of directive leadership include: Planning a camping trip, patrol meeting, or other activity; Directing fellow Scouts so they have fun and get the most out of what has been planned; and Work with each kind of leadership in every Scout.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.
MATHEMATICS CLUB MATTERS COMPETITION
It was pleasing to see there were many submissions to and much interest in the problems in Bulletin II from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Christian Becvarovski (7Ar) and Flynn Innes (10Mu) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was 1 day. The answer for the Senior School Problem was Shirley’s age was 22 years and 8 months. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

NEW SENIOR MATHEMATICS CLUB INITIATIVE ON THINKING MATHEMATICALLY
This term, the Mathematics Club has introduced a new initiative in its programme on Thinking Mathematically. The new Australian curriculum has four proficiency strands viz. Understanding, Fluency, Problem solving and Reasoning. This will radically change the way that students are taught and assessed. The workshops that will be delivered to our boys have been developed under the auspices of CSIRO’s Mathematicians in Schools project in an attempt to do the following:

• motivate, interest and excite students studying mathematics,
• enable them to attack problems with confidence,
• put arithmetic and algebra on a sound mathematical basis.

It has been given in about 15 schools to date to students from Years 4 – 12 with great success. These workshops will be particularly relevant to Years 10, 11 and 12 students.

Workshop Content:
> Why we study Mathematics
> Origins of Mathematics and counting
> Thinking Skills: Based on Feuerstein’s Instrumental Enrichment Organisation of Dots and Analytic Perception
> Natural numbers, the number line and place value
> Why arithmetical operations work
> Even and odd numbers
> Fractions and Decimals: Construction, properties and operations
> Basic Logic
> Strategies in problem solving
> River crossing problems
> Fermi problems
> Algebra: Symbols and symbol manipulation
> Linking algebra and geometry in proofs
> PISA and TIMSS problems

THIS WEEK’S PROBLEM FOR BULLETIN III:
1. Years 7-9: Middle School Problem
due on Monday 15 February 2016
Alex, Ryan and Steven are sports fans. Each has a different favourite sport among football, baseball and basketball. Alex does not like basketball; Steven does not like basketball or baseball. Name each person’s favourite sport? Please show working to justify your answer!

2. Years 10-12: Senior School Problem
due on Monday 15 February 2016
The perimeter of a square has a value that is two-thirds of the number representing its square footage. What is the size of the square? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.10PM) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

---

In today’s fast faced and digital world, students face more educational challenges than ever before. The Readak Advanced Learning Skills Course offers a path to a successful academic future with its unique program of:

⇒ Time management & organisation
⇒ Study techniques
⇒ Note-taking
⇒ Whole brain learning and memory
⇒ Critical reading
⇒ Reading comprehension
⇒ Essay planning
⇒ Examination preparation and techniques

Over 3,000 schools have experienced the positive results of our program.

Course cost of $595 includes 12 hours of instruction, access to supplemental blog, parent seminar, unlimited free refresher options, Readak workbook and Cornell Notepad and more.

Various schedules to choose from, including before and after school during the week and on Saturdays. Classes commence on Saturday, 13th February and Monday, 15th February.

Inquiries contact Mrs Annette O’Bree on 9581 6135.

Please visit readak.com.au for more information.
CHESS

Last Friday marked the beginning of the Combined Associated School Chess Competition. The Trinity boys set off to face St. Aloysius’ College. Leading up towards the competition, it was hard to differentiate between players in order to create the strongest team possible for the competition. The stakes were high. The long sought after chant “Who won the Chess?” was on the line. Under the supervision of Mr. Nguyen, we set out to retain the CJS Purdy Cup. With the integration of chess coaching from previous terms plus the constant support from other teachers, the boys were able to go in confident.

The Trinity Grammar Junior team started the afternoon with a clean sweep against St. Aloysius’ College with Joshua Yeoh (8Sc) beating his opponent in a flash with Tom Jin (8Yo) following suit, soon after. Selwyn Chang (8Ar) along with Anton Demark (8Sc) defeated their opponents with ease. Our Junior team’s matches were all finished in under ten minutes, giving Trinity Grammar School a 4-0 start. Many players from this team are returning for their second year in this age level. All goes well for the Trinity Grammar School Junior (Year 7 and 8) team and it looks as though they are going to be a difficult combination to defeat for the rest of the upcoming CAS Chess season.

The Intermediates were formidable, however, still a bit rusty from the holiday break. The Intermediate team ended up in second place on the afternoon proceedings. Lead by Kevin Cloke (9Du), they played an intense set of matches, but Kevin was unable to defend against his opponents checkmate. Dylan Lin (10Du) and Calvin Li (10Ar) also fell short, getting checkmated in quick succession. However, when all hope seemed lost, Jordan Gupta (8WJ) managed to out manoeuvre his opponent, bringing the Intermediates to a 1-3 score line.

The Trinity Grammar School Senior team were just as fortunate as the Junior’s. Remo Pascale (12Mu) and Neil Lu (11Yo) outclassed their opponents, finishing early due to their prime form and unmatched experience. Nam Phu (12Fo), our Chess Captain, handled his opponent with ease. He gave no signs of losing as he carefully calculated his next move while formulating a way to swiftly checkmate his opponent. Calvin Fong (12Ta), played a long match lasting one and a half hours, however a lapse in concentration during a complex problem, lead to an unfortunate blunder eventually leading to his opponent winning. Overall the Senior team finished on top with a score of 3-1.

In conclusion, Trinity defeated St. Aloysius with a score of 8-4. The first victory over St. Aloysius is comforting, however it is still too early to relax. With many tougher games against Knox and Barker coming up. The boys must get back into prime form in order to retain the CJS Purdy Cup.

I wish all our Chess players’ good luck as they play off against Waverley next week.

Calvin Fong | Chess Vice-Captain
ONLINE CASHLESS SYSTEM IS HERE!

Trinity Grammar School is always seeking to make your interactions with the School more convenient and secure and that's why we have engaged Flexischools to provide a new cashless way to pay for school services.

This system allows parents or students to place Online Orders for the Cafeteria/Canteen from home, work or school at any time via the internet and your mobile device. Senior School Students (Years 7-12) can also use their Student ID Card to purchase items over the Cafeteria/Canteen counter.

Online Ordering

Parents and students can order from the Cafeteria/Canteen online up to the 9am cut-off time. The payment for this is also done online, so you no longer need to send cash or a paper order to school. As well as being convenient for parents, the online orders are more accurate and much faster for the Cafeteria/Canteen to operate.

Student Card Payments (Senior School only)

Students (Senior School only) can now use their Student ID Card to purchase goods at the Cafeteria/Canteen. Parents set up a Flexischools account online and pre-load their account with funds. Students can make purchases at the Cafeteria/Canteen by swiping their card at the cash register. Parents can view their son's purchases online and can set a daily spending limit on their son's card.

Set Up Your Account

Setting up an account for either Online Ordering or Card Payments is done online and only takes a minute. Simply go to www.flexischools.com.au and click Register. You will be sent an email with further instructions on how to complete the registration. Once registered, you can start placing orders. You can activate the card payments during the online registration by entering your Student ID Card number indicated below:

What does it cost?

> Walk up Cafeteria/Canteen purchases and Student ID Card payments do not incur a fee.
> The fees are:
  • Online orders for the Cafeteria/Canteen incur a 25c fee per order.
  • Bank Transfers are free but funds may take up to two days to appear in your son’s Student ID Card.
  • Credit Card payments are online and immediate, and incur a 29c fee.
  • PayPal payments are also online and immediate, and incur an additional 35c fee.

If you have any questions, Flexischools provide a great help desk on 1300 361 769, or you can contact them via their website.

Bradley Wirth | Director of Campus Administration

The system operates via a pre-paid account, so you don't need to scrounge for coins in the morning and can easily budget for your spending throughout the term. There are a variety of payment options supported, including Visa, Mastercard (credit and debit), PayPal and Bank Transfer. Some top-up methods have fees or restrictions – please check online for details.

The current Summer Hill Cafeteria/Canteen Price List is available online under the FAST FIND heading on the Senior School home page.
CAREERS

Mathematics to become a prerequisite for University of Sydney admission from 2019

The University of Sydney will lead the charge to address the national crisis in science, technology, engineering and mathematics (STEM) by introducing mathematic prerequisites for a number of its courses from 2019. Amid growing concerns over falling standards in subjects requiring mathematics, the University of Sydney will become the first university in NSW to require year 12 students to have completed at least two-unit mathematics for 61 of its courses in order to meet requirements for admission. The changes, which apply from 2019 in order to allow sufficient time for current year 10 students to select senior subjects which fulfill the new entry requirements, will impact a range of courses, including economics, commerce, engineering and IT, psychology, pharmacy, vet science and science.

The changes were passed by the University of Sydney’s Academic Board in December 2015. The full list of courses affected by the new prerequisites is available online. The new prerequisites will be listed in the 2016 University Admissions Centre (UAC) Year 10 guide, distributed to schools in May 2016, and are set to apply to admissions for 2019.

Expos and Forums:

The HSC and Careers Expo at Moore Park brings together exhibitors including tertiary institutions, training organisations, employers, providers of HSC, career and gap year resources and information. Now in its 8th year The Expo attracts highly motivated visitors to an event clearly targeted to their needs.

Expo Times
Thursday 2 June, 9am-3pm, Friday 3 June, 9am-3pm
Saturday 4 June, 10am-3pm, Sunday 5 June, 10am-3pm

The Western Sydney Careers Expo at Sydney Olympic Park will provide information on universities, TAFE colleges and training providers; employers and employment services; career counsellors and advisers; organisations with apprenticeship information and opportunities; providers of work and study skills programmes; providers of HSC resources, lecture programmes and information services; student support services; providers of tutoring services and providers of international exchange and gap year programmes.

Expo Times
Thursday 16 June, 9am-3pm, Friday 17 June, 9am-3pm, Saturday 18 June, 10am-3pm and Sunday 19 June, 10am-3pm

Head Master’s Bulletin | 12 February 2016 < 19
OTU/RTO Careers and Industry Expo:

On Thursday 19th May, the School will host a joint OTU/RTO Careers and Industry Expo at Summer Hill Campus from 3PM in the Centenary Centre. The event is dedicated to all career areas and vocational education training both traditional and non-traditional trades will be show-cased along with the opportunity to speak with Old Boys, individually, about a wide range of opportunities.

Trinity Grammar School Life Skills Careers Programme:

There are 4 Sessions in the Latham Theatre which are compulsory for all Year 10 students:

Session 1: Career Foundations and Vocational Opportunities
Session 2: Personal Profiling and Resume Building Programme
Session 3: Work Readiness Programme
Session 4: Apprenticeships, Traineeships and University Study Programme

The optional lunch sessions in the Latham Theatre for students in (Years 10-12) will provide an academic and vocational focus to help with career advice, interaction education and training options.

Upcoming Trinity Lunch Career Education Sessions:

Monday 15 February 2016
Time: 1:10PM Venue: Latham Theatre
TSFX – Presentation on Study Skills and Management - Helping Young Minds Absorb

Tuesday 16 February 2016
Time: 1:10PM Venue: Latham Theatre
UTS – Presentation on Tertiary Courses
Be inspired - discover why The University of Technology Sydney is the place for you!

Thursday 18 February 2016
Time: 1:10PM Venue: Latham Theatre
UOW – Presentation on Tertiary Courses
Be inspired - discover why The University of Wollongong is the place for you!

All Career Education details, timelines and events for students will be advertised on the Library Career Notice Boards and in this online Careers Section or alternatively come and see me in Q0.2.

My High Schools Careers Website:

Trinity subscribes to a careers service which allows students and parents to be kept up to date with Careers News and Events. To access this information go to the website www.mhs-careers.com and then login with: Trinity and the Password: mhs2016

Careersworks Website:

Is an organised grouping of careers resources and sources for secondary students parents teachers and careers advisers. To access this information go to the website www.careersworks.com/ and then Password: next

JobJump Website:

To access this information go to the website www.jobjump.com.au and then type the first couple of letters of Trinity in the first white box on the right hand side and when the name of your school appears in blue on the screen, simply click on it and it will enter into the first box. Then enter your email address (preferably your home email address for students, as your school email is lost at the end of Year 12) and click Login. Enter the Password: trinity and then answer a couple of brief questions to register.

ATAR Bonus Points:

NSW/ACT Undergraduate University Courses: Typically, bonus points are awarded for performance in English and Mathematics and a range of other courses appropriate to particular faculties at university. Usually there is a maximum of 5 subject bonus points available. Each university, and faculties within the universities, allocate bonus points differently so that it is difficult to say exactly what bonus points you might expect to receive. Students are advised to check specific university faculty provisions for each course to see if their UTS or IB course attracts bonus points. This information is for students in Years 10, 11 and 12 as it may impact on the individual student’s subject selection and the level at which these courses are chosen.

28,651 HSC bonus point offers The Graduate Connection has released an updated bonus points reference as a PDF and can be emailed to this year’s Year 12, the day their HSC results come out. With 28651 bonus point offerings, bonus points are now offered on a scale, level of detail and inconsistency across courses that defies ready comprehension. $50.00 plus GST from directory@grad.com.au.

UNIVERSITY:

University of Sydney
Introduction of Mathematics Prerequisite: The University of Sydney will introduce a mathematics prerequisite for some courses in 2016. The courses that will have the prerequisite will be listed in UAC’s 2016 Year 10 guide, http://sydney.edu.au/news-opinion/news/2016/02/01/mathematics-to-become-a-prerequisite-for-university-of-sydney-ad.html

UNSW Engineering
Through engineers’ eyes: engineering mechanics by experiment, analysis and design: 18th April 2016, 12pm. This free online course will provide information on the techniques of engineering mechanics as well as use the theory to interpret experiment and designs. The course consists of four hours per week over a seven week period.  https://www.engineering.unsw.edu.au/all-events/free-online-course-through-engineers-eyes-engineering-mechanics-by-experiment-analysis

UMAT 2016
UMAT is a test that is used specifically to assist with the selection of students into the medicine, dentistry and health science degree programmes at undergraduate level at the universities listed on the website. Registrations for UMAT 2016 are now open and close 5:00pm (AEST) 3rd June 2016. The test takes place nationally on Wed 27th July 2016. https://umat.acер.edu.au

NSW HSC Online
HSC Online provides helpful resources for Year 12 students, with notes sorted by subject and then by syllabus to help students understand where the resources fit within their courses. http://www.hsc.csu.edu.au/

HSC to University Pathways for Talented Students
The University of New England and Macquarie University. Do a first year university course while at school if you are accelerated in at least one HSC course. http://www.boardofstudies.nsw.edu.au/syllabus_hsc/pathways.html

Follow UTS&INSEARCH ambassadors on Twitter
UTS INSEARCH are launching their second Domestic Ambassador Programme. Twelve UTS:INSEARCH and UTS students, across Design, IT, Science, Engineering, Communications and Business will be posting on twitter about their university experiences. This is a great and unique opportunity for prospective students to find out what university life is really like. Follow UTS:INSEARCH on Twitter at UTS_INSEARCH.
UTS New Bachelor of Arts Bachelor of Education

Macquarie University Academic Entry
Early entry programme by matching individual HSC subjects performance against preferred degree. All Year 12s who applied for Macquarie University through UAC are eligible. http://www.mq.edu.au/study/high-school-students/getting-into-university/entry-schemes-and-pathways

COLLEGES:

Macleay College:
2016 Scholarship Applications Close 19th February 2016
Two scholarships are available to students. One for a student enrolled in a Business programme and another for a student enrolled in an Advertising and Media programme. Each individual scholarship is valued at $5000. https://macleay.edu.au/future-students/scholarships-financial-assistance
Bedford College University Pathways
For students who didn’t receive the ATAR they needed to get into University, Bedford College offers an alternative pathway. Offering 12 month Diploma courses in Business, Management, Early Childhood or School Age Education, Bedford College offers our graduates guaranteed entry into university with 1 year of credit with no ATAR required. Find out more at www.bedford.edu.au
Australian Institute of Personal Trainers (AIPT) Traineeships
The Hotel School Tour
Phillip St. Sydney (near Circular Quay). Discover a Career in Business Management by completing a Bachelor of Business in Hotel Management through Southern Cross University in Sydney's CBD. Contact: Anne McCroryan. mccrory@scu.edu.au 02 82493200

GENERAL:

Meet A Keeper Days at Taronga MAK is a one-day programme for students 14 years and over who have expressed a keen interest in a career at the Zoo. The day includes a seminar presented by a panel of Zookeepers and other Zoo staff. Students will learn about aspects of zoo-keeping, including: qualifications, career opportunities, core responsibilities, careers structures and wages. Afterwards students will explore the Zoo and enjoy a mystery behind-the-scenes animal tour. Please note all Meet A Keeper days are being run in the first term in 2016, to assist students with subject choices for 2017. For booking forms and information visit https://taronga.org.au/education/sydney/meet-keeper

Demonstrations and After Hour Tours Le Cordon Bleu Sydney is excited to offer demonstrations and workshops from our Chefs, by appointment, to your school’s classroom. The Sydney Campus will also be holding after hour tours at 6 pm every second Tuesday for interested Students, Parents and Faculty Members. For more information please contact Terry: tpatriarca@cordonbleu.edu Phone:8878 3120. Mobile: 0428546663

Certificate of Registration Course If you’re looking to launch your career in real estate, you can start with the Getting Started Essentials - Certificate of Registration Course. The course will give you the knowledge and skills to be confident and capable in listing, selling, renting and managing property. For more information please visit: http://www.reinsw.com.au

Free Exam Techniques and Strategies course During the course of our “Exam Techniques & Strategies” lectures, students will learn vital skills that will help optimise performance in school-based assessments, as well as strategies that will maximise learning and cut down on study time. This course valued at $300 is FREE with a $10 donation to the Fred Hollows Foundation. Book at http://www.tsfx.com.au/?hsc-program=succeeding-in-the-hsc

UTS Science Outreach Programme Students get a taste of studying science at UTS, learn about cutting edge research and discover new career and study options. The programme is free for all high school students. More Info: http://www.uts.edu.au/about/faculty-science/our-community-engagement/outreach-and-community/school-excursions-and-or-contact christie. mcmongal@uts.edu.au

UOW College VET courses for school leavers UOW College offers a number of vocational courses for students needing an alternative pathway into university, or those that simply want to gain a recognised qualification to start their career. Our courses include Legal Studies | Business | Fitness | Early Childhood | Aged Care | Community Services Work and more. For more information, visit http://www.uowcollege.edu.au/careers/index.html

AIE VET in Schools AIE’s VET in Schools and Certificate courses will be commencing once again in February for students in years 10 to 12. These courses are a great way for students to learn the fundamental skills in Animation, Game Art, Game Design and Game Programming. Courses are run in the evenings or the school holidays. For more information; http://www.aie.edu.au/shortcourses or contact 02 8541 8800

BIG Day In @ UTS Sydney - 1 March 2016 BIG Day In IT Careers Conference for students Yrs 9-12 @ UTS on Tuesday 1 March 2016 – Speakers incl. Animal Logic (the LEGO movie), Microsoft, CSC, IBM, WiseTech Global, CBA, TCS & more talking about their careers & the future of technology. Loads of cool exhibitors including Microsoft, CodeCamp, Westpac, IBM, CBA & more. Tickets $10ph some seats still available www.thebigdayin.com.au

Australian Brain Bee Challenge 2016 Round One open for 14 to 20 March. Year 10 fun challenge to investigate and pursue careers in neuroscience research. Contact: abbc@uq.edu.au http://www.abbc.edu.au/

Apprenticeship and Traineeship Vacancies for 2016 MEGT offer a range of apprenticeships and traineeships right around the country. Careers Advisers receive regular update of vacancies in your area, simply email amy.foltran@megt.com.au or call Amy Foltran on 02 8078 3398
