SERVICE WEEK 2016 – A GREAT SUCCESS!

The thorough preparation and attention to detail that took place over many months seems to have been well worthwhile given the initial positive reports we have received thus far from the various groups returning from Service Week. Congratulations to Mr Lachlan White, our Activities Master, for his overall leadership in this regard and to other key staff who were in-charge of the various camps and activities which took place. Thank you also for those of you who were able to uphold our boys and staff in prayer in so far as their safety was concerned. Given the numbers involved, we have had relatively few injuries and illnesses this year. Congratulations to our boys as well, who from my observations, seemed to have responded positively to the ‘value added’ benefits provided through Service Week by serving others and in learning how to live in community.
A CLOSER LOOK AT SERVICE WEEK

The beginnings of a new collaborative relationship began this week between Trinity Grammar and Canterbury Public Schools as part of Service Week 2016. The boys from Trinity Grammar became immersed in the day to day activities of the students within the Special Education Unit of Canterbury Public, assisting the teachers where appropriate and providing the children with one on one assistance and attention.

Canterbury Public School, with 5 special needs classes totalling 35 children ranging from Kindergarten to Year 6, welcomed Year 11 and 12 Trinity students into their classrooms for what proved to be a rewarding and sometimes eye opening experience for all involved.

Participating in this new initiative has been very exciting for the kids as they have received individual attention from the older boys throughout the day whether in an art, PE or cooking class or simply sitting alongside them helping with their numeracy and literacy skills.

As part of the cooking experience, the younger kids shopped at Aldi for the ingredients, learnt a little about how money works and sliced food, all under the watchful eyes of their Trinity mentors and class teachers said Kristy Do Canto, Assistant Principal of the Special Education Unit at Canterbury Public.

For Trinity Grammar teacher, Mrs Jessica Spratt, the experience also proved to be a rewarding one.

It has been wonderful to see our students respond with such kindness and warmth to the children in the Support Unit. The boys have enjoyed helping out in class and in the playground and have come away with a greater appreciation and awareness of some of the challenges the children face in their daily life. As teachers, we have been so impressed by the professional practice of the staff at CPS and we count it a privilege to be involved in developing this inter-school relationship.

On Thursday, it was Trinity’s turn to host the Canterbury students. After a barbeque lunch and short tour of the grounds, a mini sports carnival was held in the gymnasium. The students teamed up with their buddy and participated in a fun and enjoyable round robin of activities which included football, T-ball, athletics, basketball, tunnel ball and a finale relay.

Service Week is an initiative of Trinity Grammar School designed to encourage students to consider the impact they can have as both an individual and as part of the School on the broader outside community. The programme’s activities serve to raise awareness amongst the boys of the inequalities that may exist outside their own immediate sphere and provide practical hands-on experience by working collaboratively alongside a variety of charity groups, community volunteers and now, local schools.

In addition, the Duke of Edinburgh Award Scheme (DEAS) plus a variety of outdoor experiences for the younger boys also form part of Service Week, all designed to help build team work, resilience, leadership and co-operation.

Julie Chapman | Director of Marketing
EARLY DEPARTURE FRIDAY, 8TH APRIL 2016

As part of the School’s celebration of winning the CAS Swimming Championships for the 13th year in a row, and the CAS Diving Championships for the 5th year in a row, an early departure has been approved by the Head Master for the last day of term with the last two periods of the day being cancelled. All boys are expected to attend School on this day and boys should not regard the day as being any less important than other days. Details of the arrangements for each section of the School for the last day of term can be found below. Year 12 IB exams will go ahead as planned.

NEWS FROM
THE ARTHUR HOLT LIBRARY

A funny thing happened on the way to the library...

Well, two funny things, actually. Visitors to the Library next week will notice a few changes. The Shelf Elves have been at it again and our fiction genres have been shuffled and redistributed to give readers a better experience when browsing. Speaking of genres, we have a new one – Humorous Stories! These are stories filled with funny and amusing situations or characters and are meant purely to entertain. In this section you’ll find black humour, farce, parody, satire, slapstick comedy, and romantic comedy. Sometimes all you need to brighten up a dull day is a good laugh, so a browse through Humorous Stories may be just the ticket!

Tabatha Paterson | Teacher Librarian

Academic Focus

NAPLAN TESTS

NAPLAN (National Assessment Programme – Literacy and Numeracy) tests are part of the educational landscape in Australia and all students in Years 3, 5, 7 and 9 are required to present for them.

Dates for this year’s NAPLAN tests are as follows:
> Tuesday 10 May – Language Conventions and Writing
> Wednesday 11 May – Reading
> Thursday 12 May – Numeracy
> Friday 13 May – “catch-up” day for students who may have missed a particular test or tests.

In the coming week I will be writing by email to all parents of boys in the affected years, advising them of their rights and obligations regarding NAPLAN. Closer to the actual dates of the tests, detailed information will be given to boys about the precise arrangements for the various tests in the Preparatory School, Junior School and Middle School.

It is important to put these tests in perspective. While they are deemed to be very important by government agencies, and all schools must participate in them, they are not “high stakes” tests for any individual student. At Trinity, boys receive a wide range of feedback from teachers about their learning, and while the NAPLAN results may complement this to some extent, they are by definition “one-off” tests which may give an aberrant result. Parents should certainly discourage boys from being nervous about the tests; and they should note that these are not tests for which the boys can specifically prepare, beyond the particular preparation which is organised by their teachers in the period leading up to the tests. Ideally NAPLAN tests will provide a snapshot of the learning achieved by each boy over his time at school, and a snapshot of how well the School as a whole is achieving with its students.

Our core business at Trinity is boys’ learning. A Trinity education seeks to engage the Mind, Body and Spiritual development of all our boys. Our commitment to academic excellence is within a holistic educational environment that seeks to nurture and encourage our boys to “…grow in wisdom and stature and in favour with God and man.”

Jason Cheers | Academic Dean

TRINITY GRAMMAR SCHOOL SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill
– meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8.)

Term 1: March 15, 29
Term 2: May 3, 17, 31, June 14
Term 3: July 26, August 9, 23, Sept 6
Term 4: Oct 18, Nov 1, 15, 29

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

FROM THE DEPUTY HEAD MASTER

CONGRATULATIONS MRS SALLY ORTEGA AND MISS MARIAN DUNBAR – OUTSTANDING SUPERVISING TEACHERS

Congratulations to Miss Marian Dunbar and Mrs Sally Ortega on being recognised by the University of New South Wales as ‘Outstanding Supervising Teachers’ of practicum students. The ladies were given their awards on Tuesday 8 March at the University’s School of Education Awards Night. The students who nominated our teachers spoke very highly of both of our staff members and emphasised their professionalism, caring natures, good organisational skills, willingness to help, knowledgeable and supportive and caring natures.

These are the men all shaven and shorn
Closer than any bowling green lawn;
But nary a one his lost locks does mourn:
They took part in the World's Greatest Shave!

Over the past week, seven prefects and I prepared mentally and physically for the pledge we had made earlier this term. The boys, Carl Coorey-Ewings (12WJ), Luke Borgnolo (12Mu), Michael Amin (12WH), Christopher Elias (12Mu), James Li (12Sc), Lachlan Rickards-Tang (12Ho), Antony Bonnacarso (12St) and I stepped up to fulfil our pledge to shave off all our beautiful hair for the World’s Greatest Shave. Included in the shave were Mr Pearce, Mr Nguyen, Mr Scott and Mr Yarad. In total, the Prefect/Staff teams have raised $8,241 for the Leukaemia Foundation and we would like to encourage everyone to keep on donating right up until the 30th of March.

Samuel Trevena (12We)
Timely Reflections... By Mr Ron Ogier (1966 – 1994) and (1997 – present)

It was an occasion of real fellowship and family feeling last Saturday as the Swimming Squad boys, the coaching staff, and, particularly, the lads’ parents gathered for the customary dinner to celebrate the end of the swimming season. Made much more so, of course, by success at the CAS carnival, the atmosphere was relaxed and appreciative of the efforts of all concerned with the achievement of that success. Many awards were presented and heartfelt tributes given to those who were outstanding in a veritable cavalcade of outstanding effort. Particularly too, it was absorbing to hear from Mr and Mrs Robert Miller, who spoke most feelingly of their sons’ time at Trinity – Stuart, Hugo and Angus – revealing the family’s unwavering dedication to their swimming for the School. The Miller family is typical of the many families who give their all to the School, and whose resolute devotion is most highly appreciated. It is hard enough being a parent without the extra tasks of becoming a chauffeur to various sporting venues, not to mention having to get their boys to training at an hour which most sparrows would view with horror, while any associated nervousness also needs to be dealt with sympathetically and helpfully.

So, mums and dads, not only of our swimmers and divers, but of the many lads who so willingly and enthusiastically give of their talents whether sporting or musical or thespian or whatever to the School, we salute you and thank you for your continued unstinting support.

Ron Ogier
SUMMER TRACK AND FIELD
National Junior Track and Field Championships held in Perth on the 8th to 13th March, 2016.

Wow! What fantastic results for all of our Trinity Athletics Club athletes at Australian Track and Field Juniors at Perth! We are so proud of your efforts and it is so wonderful to see our School and Club be so successful, thanks to the amazing coaches we have and, of course, the support from their parents!

In total 2 Golds, 5 silver and 3 bronze medals (10 medals from the West) a fantastic achievement from Trinity Grammar School athletes.

That completes the LONG - 5 day Programme at Perth

A summary of our magnificent results from the week are:

> 11 more athletes in the Top 8
> Many PBs and 13 happy and tired competitors!

Congratulations to all of you!

Andrew Murphy
Director of Track and Field
CURRENT EXHIBITIONS

If you haven’t had a chance to see the two brilliant exhibitions on display at Delmar Gallery, don’t delay! The gallery is open this Saturday and Sunday 12-5pm for the final weekend of the shows.

Yogyakarta artist Bagus ‘Gonk’ Prabowo is currently international artist-in-residence at Ashfield Council’s Thirning Villa. He will be in Sydney for three months, and as part of his residency we invited him to present an exhibition of his batik work, soft sculpture and installation centred on the theme of “Gunungan”. In Javanese tradition, Gunungan symbolises peaceful living, guided by sharing, contemplation and appreciation. On the last day of the exhibition (20 March), you can see a performance version of “Gunungan” at Ashfield Council’s Carnival of Cultures, in which Bagus is participating. He will also be holding FREE batik workshops every Saturday from 9am – 1pm at Thirning Villa, until 23 April. Works in the exhibition are for sale.

“Miao Textiles” is a small focus exhibition featuring the exquisite silk embroidery of the Miao People of southern China. The pieces on exhibition are primarily panels from traditional costumes – festival jackets, baby carriers, back aprons and embellishments. The textiles are sourced from a private collector in Sydney.

DIARY DATES

> Saturday 30 April, 3pm
Laurence Aberhart: Three Decades, survey exhibition of one of New Zealand’s most renowned photographers, part of Head On Photo Festival

> Tuesday 17 May, 7.30pm
Concert by The Muffat Collective, Sydney’s newest baroque music ensemble

CONCERT REVIEW

BREE VAN REYK AND VÉRONIQUE SERRET | VIBRAPHONE AND VIOLIN
Delmar Gallery, March 15, 7.30pm

Resounding in the live acoustic of the Delmar Gallery on Tuesday night was the strange and wonderful combination of an acoustic/electric 6-string violin and the vibraphone (for those who have not had the pleasure, it is like a xylophone with resonator pipes). An eclectic programme was presented by the acclaimed musicians Véronique Serret (violin) and Bree van Reyk (percussion). This programme featured re-workings of Bach, original compositions by van Reyk herself and a piece written especially for Serret’s unique violin by young Croatian composer Ivana Radovanovic.

Some of the more innovative and unexpected techniques explored by Serret included tapping with the bow on her chin rest, bowing the string in a circular motion to produce grainy harmonics, and making the most of the varied aural effects available via the amplifier and loop and effects pedals. Meanwhile van Reyk also explored the limits of her instrument, “dead stroking” the vibraphone bars, playing with the reverse ends of the mallets and even producing ringing, ethereal tones with a double bass bow. Serret’s electronics experienced some teething problems, but she overcame them to prove to us that a classically-trained violinist can magically transform into a rock guitar star with the help of a distortion pedal and some attitude!

This was a concert of unusual, yet accessible and beautiful music that eluded any pedantic constraints of genre. It delighted its equally varied audience of Trinitarians, Sydney artists and local music-lovers. I, for one, hope that this very interesting duo soon brings out an album.

Holly Champion | Music Administration Assistant
SWIMMING

TRINITY WINS THE THYNE SHIELD FOR THE 13TH CONSECUTIVE YEAR

What a season and what a night of swimming at the 85th CAS Swimming Championships! There were many highs for the swimmers and drama in the pool when Knox were disqualified in one race, thus suddenly opening up a window of opportunity for us to win. However, as one Housemaster said afterwards, the Trinity boys showed incredible maturity and focus throughout the night to keep racing, even if it was for second, to place themselves in that position should an opportunity arise, which is exactly what happened.

Trinity was once again blessed with excellent Year 12 leadership and this was never more evident than at the CAS Championships, where our successful charge was led by our Captain of Swimming, Keegan Street (12WJ). He was ably supported by his Vice-Captains, Paul Raptis (12Ta), Kaden Tsoi (12Ar) and Christopher Hoare (12St). These young men were very supportive of the younger swimmers and gracious in victory.

The following 4 CAS records broken – one individual and three relay – an amazing achievement for these boys.

Samuel Xu (8WH) broke the record for the 13 years 50m Breaststroke (33.45sec)

The 13 years and under 200m Medley Relay was won by Euan Germanos (7He), Samuel Xu, Andy Lee (7Fo) and Matthew Roberston (7Du) in 2:04.20

The 15 years had a great night of swimming, winning both relays in record time.

The 15 years 200m Medley Relay was won by Angus McDonald (9Sc), Patrick Jiang (10St), Ryan Hansen (9We) and Danny Huang (9Sc) in 1:53.08.

And the 15 years 200m Freestyle Relay was won by Angus McDonald, Ryan Hansen, Ethan Hansford (10He) and Danny Huang in 1:42.92.

Special mention must be given to Lucas Baita (10Sc) in the 200m Freestyle – he had already raced the Opens 400m Freestyle and the 16 years 50m Fly and the 200m Medley relay. He entered the 16 years 200m Freestyle and the hopeful expectation was for a 3rd placing, but he won it, showing great heart. Phar Lap comes to mind!

I would like to thank the reserves for their support. The depth we have at Trinity in each year group brings out the best in everyone. While it means reserves may not swim on the night, they are such an integral part of the preparation, the team would not be as good without them.

At the Championships our spectators were, once again, the loudest and most vigorous supporters. Their active involvement throughout the entire evening made possible the performances in the pool. In this way, our victory at the 2016 CAS Swimming Championships was another remarkable achievement for the entire Trinity Community. Overall, it was an incredible night with Trinity winning the Thyne Challenge Shield by 4 points. Fantastic results – congratulations to everyone involved!

Janet Wonders | MIC CAS Swimming
OUTSTANDING ACHIEVEMENT FOR TRINITY, WINNING THE CAS DIVING CHAMPIONSHIPS FOR 2016

What a night this was! If you have ever been to a CAS Championship, you know what a fantastic event it is! From the beginning it was going to be a challenge for our divers, due to both the level of competition and the level of noise! It was deafening, with a crowd to lift the roof off the stadium. The support from the stands for all schools was incredible and certainly added to the spirit of the event. With such a roar from the crowd all divers had to be completely focused to the task ahead. It was such a buzz and the quality of diving was superb, and was enjoyed by all spectators.

From the beginning, we knew that Knox had a fairly strong Junior division and we needed to gain as many points as possible. We couldn’t afford to give them too much of a head start.

The Junior division started the night well with Sam Fricker (8Fo) finishing in 2nd place from Barker. Sam had an outstanding performance giving the crowd a taste of what was to come throughout the competition. He scored high on all his dives, performing some exceptional high DD dives for his age. This was sensational to watch. Our other three junior divers, Aiden Murphy (7Du), Zachariah Gindy (7Ke) and Aston Forster (8Yo), finished in 6th, 10th and in 11th positions. Aiden dived consistently throughout his event to score well throughout the competition. Zachariah and Aston had some tough completion against them and was a little overwhelmed by the whole event; however a great experience and will be better for it. The results at this point were:

Knox 12, Barker 11, Trinity 10, St Aloysius 4 and Waverley 0

Our Intermediate division knew they were also up for some tough competitors in this event and they had to maintain their composure and give it their all if they were going to do well. Ben On (10Ta) dived superbly with some outstanding dives to finish in 1st place. Sam Fricker step up again, outperforming the remainder of the competitors also displaying some outstanding dives. Cooper Chambers (11WJ) finished in 6th place, a great effort from him showing good form throughout the event to score well. Ben Fricker also performed very well, consistent diving throughout the event to keep him in the top 8. Your great effort, boys, put us back in front.

Trinity 21, Knox 15, Barker 1, St Aloysius 0 and Waverley 0

With a 4 point lead our Senior division had to dive consistently to hold the lead.

Benjamin On continued to impress the crowd with some great form and superb dives. Matthew Lang (11La) had a fantastic event showing control and composure throughout the event to score well, finishing in 3rd position. Thomas York (11Hi) was on a mission to do well with an excellent performance, displaying solid form on all dives to finish in 4th position. Thomas has consistently improved and is an asset to the team. William Jeffree (12Ho) as captain, was very determined to again bring home the Steven Barnett Shield. William performed well although was a little nervous with the added pressure. He displayed some good form throughout the event to finish in 5th position. These exceptional performances from our senior boys gave us a substantial lead from the other schools.

Trinity 24, Barker 7, Knox 3, St Aloysius 0 and Waverley 0

The final point score for the competition was as follows:

Trinity 55 Points
Knox 31 Points
Barker 18 Points
St Aloysius 7 points
Waverley 0 Points

CIS CHAMPIONSHIPS

10 Members from Trinity’s CAS Team have been selected to represent CAS at the CIS Championships to be held at Sydney Olympic Park Aquatic Centre on the 28th April 2016.

They are as follows: William Jeffree, Matthew Lang, Thomas York, Benjamin On, Ben Fricker, Sam Fricker, Sam York, Aiden Murphy, Louis White, and Zachariah Gindy.

Congratulation to all those divers, and WELL DONE to our Trinity Divers for winning the Steven Barnett Shield for another year.

Martin Lang | MIC
TRINITY 1STTS GET AN INCREDIBLE SEVEN BOYS IN CAS TEAMS

Trinity outstanding Premiership season was rewarded with seven boys making the CAS Representative teams and one boy named as a CAS reserve.

CAS Firsts
Jarryd Fernandes (12La)
Riley Smith (12Ke)
Jayden Tanevski (12La)

CAS Seconds
Jake Kerry (11Ho)
Jed Keogh (11Ar)
Tom Mackenzie (11WJ)
Davo Hickey (11Ke)

CAS Seconds Reserve
Sebastian Diaz (10Ta)

The boys will play three games next week, starting with ISA at St. Paul’s Grammar, Penrith on Monday 21st March and then AICES at St. Aloysius’ on Tuesday 22nd March. The most anticipated fixture will be hosted at Trinity on the evening of Wednesday 23rd March when the CAS take on the might of the GPS in the Trinity Sports Centre with the CAS 2nds game tipping off at 6.00pm followed by CAS 1sts commencing at 7.20pm.

2016 RUGBY SEASON LAUNCH BREAKFAST

Dear Supporters of Trinity Rugby,

We would like to invite you to a breakfast to launch the 2016 Rugby Season.

Date Tuesday, 22nd March 2016 at 7am to 8.15am
Venue The Latham Theatre
RSVP via the Trinity Online Community Directory by Thursday, 17th March, 2016
Enquiries Mr Andrea Folli | MIC Rugby phone 9581 6000

TO RSVP ONLINE

1. Go to the Trinity Grammar School Community home page (community.trinity.nsw.edu.au) and click on Community Directory icon (under the TRINITY COMMUNITY heading)
2. Click on Event Bookings and select Middle & Senior School from the drop-down menu
3. Scroll down the list of events and click on 2016 Rugby Season Launch Breakfast to start the RSVP process.
NEW INTERNATIONAL JOURNAL AND PROCEEDINGS OF YOUNG ARCHIMEDES CALL FOR STUDENT PAPERS

The Mathematics Club has initiated a new and unique Journal and Proceedings of Young Archimedes which publishes academic online papers of secondary students in the fields of Mathematics Applications and provides a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.

Manuscripts will be reviewed by the Editor, in consultation with the Associate Editors, to decide whether the paper will be considered for publication in the Journal. Issues are scheduled to be published in June and December. An electronic version of each issue is posted to the Trinity Grammar School Mathematics Club web site http://www.trinity.nsw.edu.au/1_senior/spirit_maths.html as a formal publication.

Aims Of This New Initiative:
1. The Journal and Proceedings of Young Archimedes publishes academic online papers of secondary students in the fields of Mathematics Applications.
2. To provide a forum to exchange mathematical ideas, activities, and/or sharing and interpreting high school research.
3. To pioneer a new field of educational endeavour to be the first Mathematics International Journal publication for High Schoolers.
4. All Trinity students who are interested in unique mathematical ideas, activities, and/or sharing interpreting high school research are encouraged to submit a paper. All students completing HSC and/or IB essays or projects with relevance to the fields of Mathematics Applications are highly encouraged to submit a paper for refereeing within the Journal and Proceedings of Young Archimedes.

Outcomes:
1. Issues are scheduled to be published in June and December of each Year.
2. A Maximum of 6 long papers (max 6 pages) or 12 short papers (max 3 pages) for each issue.
3. An electronic version of each issue is posted on the Trinity Grammar School Mathematics Club web site publication.

Enquiries relating to submission and production of articles should refer to the Style Guide (see the link below) or direct any enquires to Dr Frederick Osman on fosman@trinity.nsw.edu.au

Young Archimedes Enrichment Forum
– A Framework for Gifted and Talented Learners

Date Monday 18th July 2016
Time 8:00am - 4:00pm
Where Centenary Centre
Trinity Grammar School Summer Hill,
119 Prospect Road, Summer Hill NSW 2130
Cost: $60 per person

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

Workshop topics to be covered

Workshop 1
Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP).

Workshop 2
A famous Mathematician by the name of George Polya once said, “It’s better to solve one problem five different ways than to solve five different problems.”

Registration Process
To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

Payment of registration entitles students to: Attendance at both workshops, Recess, Lunch and Forum Satchel and Stationery.

Proudly supported by
Gifted Families Support Group Inc.
Inquisitive Minds

For all enquiries please contact Dr Fred Osman | Enrichment Coordinator on 9581 6040 or fosman@trinity.nsw.edu.au

OTU/RTO Careers and Industry Expo:

On **Thursday 19th May**, the School will host a joint OTU/RTO Careers and Industry Expo at Summer Hill Campus from 5PM in the Centenary Centre. The event is dedicated to all career areas and vocational education training both traditional and non-traditional trades will be show-cased along with the opportunity to speak with Old Boys, individually, about a wide range of careers.

**Trinity Grammar School Life Skills Careers Programme:**

There are 4 Sessions in the Latham Theatre which are compulsory for all Year 10 students:

**Session 1:** Career Foundations and Vocational Opportunities
**Session 2:** Personal Profiling and Resume Building Programme
**Session 3:** Work Readiness Programme
**Session 4:** Apprenticeships, Traineeships and University Study Programme

The optional lunch sessions in the Latham Theatre for students in (Years 10-12) will provide an academic and vocational focus to help with career advice, interaction education and training options.

### Upcoming Trinity Lunch Career Education Sessions:

**Monday 21 March 2016**
Time: 1:10PM Venue: Latham Theatre
Crimson Consulting – US and UK University Admissions

**Tuesday 22 March 2016**
Time: 1:10PM Venue: Latham Theatre
Education USA – Information Session and Application Process!

**Thursday 24 March 2016**
Time: 1:10PM Venue: Latham Theatre
Working in Medicine – MedEntry UMAT Preparation

All Career Education details, timelines and events for students will be advertised on the Library Career Notice Boards and in this online Careers Section or alternatively come and see me in Q0.2.

### Cadetships in Business and Technology:

**Business Cadetships Programme**
Opens on 7 March and applications close 11 May. Run by Professional Cadetships Australia. Year 12 students apply online at www.businesscadetships.com.au (Under the Programme,
UBS will continue to offer cadetship opportunities across the firm. Information on the Program is provided on our website.

**Engineering & Technology Cadetships (ETCAD) Programme**

Opens on 26 April and applications close 17 June. Run by Professional Cadetships Australia. The 2016 Programme provides Year 12 students with the opportunity to apply for a Technology Cadetship at Westpac. On completion of their cadetship, Technology Cadets are well-placed to pursue a career in IT and in business. (This year Rolls-Royce will not be offering Engineering Cadetships). Information on the ETCAD Program may be found at www.etcad.com.au

**UNIVERSITY:**

**UNSW**

- **Built Environment Student Workshops:** UNSW Built Environment invites high school students to campus for these special one day workshops.
  - Computation Design – Tuesday, 15 March
  - Industrial Design – Thursday, 17 March
  - Interior Architecture – Thursday, 17 March
  - Architecture – Wednesday, 23 March

Informative and engaging, students will learn from award-winning faculty using the best available facilities. https://www.cqu.edu.au/courses-and-programs/study-areas/health/undergraduate/bachelor-of-science-chiropractic

**UNSW Law Admission Test Information:** Admission to Undergraduate Law at UNSW is changing. For entry in 2017 and beyond, we are broadening our assessment of applicants for entry to our Undergraduate Law Dual Degree programs. We are introducing a new test, the Law Admission Test or ‘LAT’, to give students the opportunity to demonstrate their suitability for the Law program and allow us to better assess applicants. A student’s LAT result, together with their ATAR (or equivalent), will provide us with a more rounded view of their aptitudes and skills for our Law program. If you have students interested in studying Law at UNSW, make sure they attend the first Law Admission Test Information Evening. UNSW Law Admission Test Information Evening. 17th March 2016, 6:30pm to 9:30pm, UNSW Law Theatre. The information evening will provide prospective students with information regarding the test required. https://www.futurestudents.unsw.edu.au/law-admission-test-lat-information-evening

**Bond University**

- **Medical Programme:** Bond’s Medical Programme is comprised of two sequential degrees - the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD). All students selected for entry into the Medical Programme will have to complete both the BMedSt and MD to be eligible for registration as a medical practitioner in any state or territory in Australia or New Zealand. Both degrees are awarded at the completion of Year 5. https://bond.edu.au/program/medical-program

**ACU**

- **Subject Bonus Points at ACU**
The bonus points scheme provides bonus points for achievement in subjects relevant to university degrees, with up to five bonus points offered. http://www.acu.edu.au/study_at_acu/alternative_entry/accessacu

**Southern Cross University**

- **STAR Entry Scheme:** The scheme allows early admission to the university on the basis of a principal’s recommendation. It matches students to courses based on likelihood of success in their discipline. http://scu.edu.au/futurestudents/index.php/29/

**University of Western Sydney**

- **Foundation and Diploma:** Foundation Studies allow guaranteed entry to an undergraduate degree at the University of Western Sydney. An ATAR is not required for entry. From Foundation Studies students can enter the first year of an undergraduate degree or complete a Diploma, which allows them entry into the second year of an undergraduate degree. https://www.westernsydney.edu.au/thecollege/courses_and_pathways/foundation_studies

**US College**

- **Free Information Sessions on Wednesday 23 March.** 4pm and 7pm. Mansfield Room (located in the Cranbrook Building), Cranbrook School, 5 Victoria Road Bellevue Hill. Please enter via the Victoria Road main gates. 
  RSVP: http://www.trybooking.com/KNVP
  contact: deb@uscollegeconnect.com

- **University of Western Sydney College**
  - **The Academy Scholarships:** Excel in your studies and contribute to your community and you may receive: VC Leadership Scholarship, $10 000 per year. Dean’s Scholarship and Academic Excellence Scholarship, $5 000 per year. http://www.theacademy.edu.au/scholarships

- **UNSW**
  - **Year 12 Medicine Information Evening**
    24 March, 6pm to 8pm. Sir John Clancy Auditorium, UNSW Kensington. Application advice, admissions. Included are tips for the UMAT exam. https://www.futurestudents.unsw.edu.au/ year-12-medicine-information-evening

**Notre Dame:**

- **Business – Law – Arts Symposium**
  21st June 2016, 10am to 2pm, 104 Broadway, Chippendale. Registrations are now open for the Business – Law – Arts Symposium, the event is for students in years 11 and 12. The day will provide information on different career opportunities available through degrees in Business, Law and Arts as well as curriculum support for students and teachers and allow students to hear from academic staff on current issues. http://www.nd.edu.au/events/2016/business-law-arts-symposium

**CQuUniversity Sydney:**

- **Bachelor of Science (Chiropractic)**
  There is a great demand for qualified and registered chiropractors. This career delivers work-life balance, travel and self employment opportunities. Students at our CBD campus learn from an award winning faculty using the best available facilities. https://www.cqu.edu.au/courses-and-programs/study-areas/health/undergraduate/bachelor-of-science-chiropractic

- **University of Sydney:**
  - **Dr Karl Short Back and Science**

- **University of Western Sydney:**
  - **Foundation and Diploma:** Foundation Studies allow guaranteed entry to an undergraduate degree at the University of Western Sydney. An ATAR is not required for entry. From Foundation Studies students can enter the first year of an undergraduate degree or complete a Diploma, which allows them entry into the second year of an undergraduate degree. https://www.westernsydney.edu.au/thecollege/courses_and_pathways/foundation_studies

**Bond University:**

- **Medical Programme:** Comprises two sequential degrees - The Bachelor of Medical Studies (BMedSt) and the Doctor Medicine (MD). It is designed to equip graduates with the knowledge, skills and attributes that a doctor requires to effectively practise medicine in today’s complex health care environment. https://bond.edu.au/program/medical-program

**Guaranteed pathways into UOW**

UOW College offers 28 week courses that can guarantee students entry into the first or second year of a range of UOW undergraduate degrees (subject to meeting UOW entry requirements). For information visit http://www.uowcollege.edu.au/pathway/index.html
QS World University Rankings 2015/16
The QS World University Rankings for 2015/2016 have been released, with the Australian National University, ranked 19th globally, being first in Australia. The top 10 universities in Australia according to these rankings are:

1. Australian National University (19)
2. The University of Melbourne (42)
3. The University of Sydney (45)
4. The University of New South Wales (46)
5. The University of Queensland (46)
6. Monash University (67)
7. The University of Western Australia (98)
8. The University of Adelaide (113)
9. University of Technology, Sydney (218)
10. Macquarie University (229)

UNSW Engineering

Through engineers’ eyes: engineering mechanics by experiment, analysis and design: 18th April 2016, 12pm. This free online course will provide information on the techniques of engineering mechanics as well as using the theory to interpret experiment and designs. The course consists of four hours per week over a seven week period. https://www.engineering.unsw.edu.au/all-events/free-online-course-through-engineers-eyes-engineering-mechanics-by-experiment-analysis

UMAT 2016
UMAT is a test that is used specifically to assist with the selection of students into the medicine, dentistry and health science degree programmes at undergraduate level at the universities listed on the website. Registrations for UMAT 2016 are now open and close 5:00pm (AEST) 3rd June 2016. The test takes place nationally on Wed 27th July 2016. https://umat.acer.edu.au/

GENERAL:

All About UAC for Student Advisers
This resource provides information on how to explain the ATAR, applying through UAC, HSC subject choice and Offers. http://www.uac.edu.au/documents/publications/All-about-UAC-advisers.pdf

College of Event Management Information Session
18th March 2016, Level 9 Foveaux Street, Surry Hills
Staff and lecturers will talk about the Diploma of Events and Certificate III in Events, as well as answer questions and provide information on different career opportunities.

Australian Careers Business College
ACBC offers qualifications in numerous areas of study, these include but are not limited to accounting, child care, legal services, business administration, counselling and marketing.

Defence Jobs Australia Information Sessions
Job opportunities in the Defence Force.

TSFX Free HSC Survival Guide
The School for Excellence (TSFX) have put together a 36 page guide to help Year 12 students achieve the best possible marks in end of school exams. The guide has advice about goal setting, managing stress and procrastination, time management skills, effective learning techniques, planning study timetables and more. Download it here: http://www.tsfx.com.au/hsc-survival-guide-edge-teachers

TSFX Mastering the Exams
June 2016, University of Sydney
The programme is for Year 11 and 12 students with information on skills and strategies that can be used during exam periods.

Dr Frederick Osman
Director of Vocational Education
and RTO Manager (Careers Education)
THIS WEEK...

Friday, 18 March 2016
Cadets - Annual Field Training Rear Party returns
Library Closes at 4:00pm
Service Week - Years 7-12 [compulsory] concludes [call info line 1300 788 477 or go to the Trinity app to confirm arrival time(s)]
Year 12 HSC & IB Drama - Film Shoot
6:00pm Debating - FED Round 5 - Trinity vs Pymble (Supper DH 6.00pm)
6:00pm Debating - ISDA Round 5 - Trinity vs Wenona (DH)

Sunday, 20 March 2016
Palm Sunday
5:00pm Society of the Arts - Exhibition concludes (DG)

Monday, 21 March 2016
Cafeteria open until 7.00pm
Easter Mission commences (AH)
5:30pm Year 7 - Parents and Middle School Housemaster Meetings (Supper 5.50pm CR, MSHM Meeting 6.30 - 7.00pm TR)
7:00pm - 8:00pm Year 7 - Parent Information Evening (AH)

Tuesday, 22 March 2016
Easter Mission continues (AH)
7:00am - 8:15am Rugby Season Launch - Breakfast (LT)
7:45am - 1:50pm Excursion - Year 11 Design Tech Exhibition (Power House Museum)
9:00am - 2:45pm Excursion - Year 12 Design Tech Exhibition (Power House Museum)

Wednesday, 23 March 2016
Easter Mission continues (AH)
8:00am - 11:00am Hot Cross Bun Distribution (8.00am Cafeteria, 10.30am Quad)

Thursday, 24 March 2016
Easter Mission concludes
Years 7-12 - Gary Catalano Creative Writing Competition [entries close]
4:30pm Year 9 - Field Studies Programme - Camp (4) returns (Chapel Drive)
7:00pm EXEAT - Bishop Chambers House - closes for all Boarders

Friday, 25 March 2016
EXEAT - Bishop Chambers House - closed for all Boarders
