In this final week of Lent Term, there has been no lessening of intensity or activity on the part of staff and students. In the last few days there have been many notable and successful activities and events undertaken – much to the credit of the boys and staff involved, and signifying once again a wonderful example of how our community can work together in promoting the all-round development of our boys in terms of Mind, Body and Spirit.

> Easter Cathedral Service – 3rd April 2016. Our Annual House/Easter Service at St Andrew’s Cathedral, which this year involved Archer, Latham, Wilson Hogg and Wynn Jones Houses. Thank you to our Chaplain, Reverend Greg Webster, and all those who assisted him in the conduct and preparation of the Service and occasional speaker The Very Reverend Kanishka Raffel, The Dean of Sydney. Also, a special acknowledgement to the members of our Choir for their wonderful contributions, under Mr Philip Pratt and Mrs Sally Ortega’s guidance.

> ANZAC Commemoration Service. Acknowledgement and due reflection on the past in no small way makes our present day experiences more intelligible and meaningful to us both as individuals and as members of the community. Our continuing observance of one of the longest standing traditions in the School – our ANZAC Commemoration ceremony – which this year took place on the last day of term, emphasises this very fact. In keeping with the forthcoming focus of ANZAC Day commemoration activities in the general community during the holidays, many of our boys and staff through our Cadet Corps will be heavily engaged in supporting various community services and organisations.

THE SCHOOL COUNCIL RETREAT (Wednesday 30th March – Saturday 2nd April 2016)

Last week’s annual School Council Retreat provided an ideal opportunity to thoroughly review the School’s operations and to confirm plans for the future.

We are indeed fortunate to have volunteer Council members who bring with them their considerable professional and personal skills to bear on the affairs of the School, and who also have a genuine personal commitment to the wellbeing of our boys and staff and identify with the School’s Christian philosophy of education.

Following due consideration at the retreat, I am very pleased to report that the School Council has given approval for necessary steps to be taken that will see the next stage of our Master Plan come into fruition with development planned for the Compass Court area at Summer Hill and the Milverton Undercroft area at Strathfield. These improvements will positively enhance the educational environment for our boys.
TO HOLIDAY OR TO STUDY?

I’ve been pleasantly surprised over the last week or so with the response a number of Senior School boys (typically Year 12 boys) have made when I’ve asked them about the upcoming holidays. I’ve been told, ‘it’s not a holiday sir, it’s a study break’. Hearing this in one sense is music to the ears of a school leader. It encourages him that perhaps the students are getting the message. Of course it is the ‘right answer’ and many well intentioned a boy has had the correct mentality over the years in the lead up to term breaks. At the same time we know that our boys need to have some time off from study.

This leads me to consider what might be the ideal way for senior boys to spend the holidays with exams starting the first day of next term. The temptation over holidays is to procrastinate each day and never get around to studying. At the other end of the scale some boys might not give themselves a break at all and will come back to term time without being refreshed and with no sense of renewed vigour for the new term. There are two things we might consider. The first is whether boys should study every day of the holidays and secondly what might be an effective way to study.

In my view we shouldn’t expect a boy to spend all day of every day of these coming holidays studying. He needs to have time to ‘re-create’, have fun with mates, relax, have a few days away with family, exercise and simply chill out. So, a few days without the books might serve a good purpose. Life is more than study. It might be easier to leave the books at home for a few days or more and worry about catching the waves (or the like). Of course this is only if the rest of the time is spent wisely.

On the days that he intends to study a boy might take a leaf out of the labour movements that forced the creation of the 8-hour workday. Eight hours work, eight hours recreation and eight hours sleep. Perhaps 8 hours might not be the standard but dividing the day into thirds might be helpful. One way of dividing the day is to get out of bed some time around 9 or 10 grab some breakfast cereal only to sit on the couch for some ‘gaming’ or social media waiting for a mate to phone or text to make plans (first third) for the rest of the day and then going to a mates or a movie some time later in the day (second third) and coming home late in the evening (final third) to fall into bed.

The other way is to get up at your normal school-day time and start studying by 8:00. You could fit in four hours before midday, push out until 1:00 and have five hours (less a short break or two for sustenance) done (first third) and then use the afternoon to catch up with mates, exercise etc (second third). You could then use the evening for some more social time or more study (final third). Four or five hours a day over the holidays would be a reasonable goal at this time of the year.

Whatever approach a boy takes to his study over the coming break will more likely be achieved if he plans for it. This link will take you to a study schedule planner developed by Mr Fitch to use with School House boys. There is a tab for term time planning and one for term breaks (study schedule). It’s an excel spread sheet and all you need to do is work out how to divide up your days.

Building in some accountability might help as well. Filling out the planner so that family members know when you’re intending to study and what you’re hoping to study is helpful. They can make plans around your study or ask you about your progress in a particular subject knowing the boy has intended to do work in that area at a given time. Perhaps a phone call home during the day to the boy who is claiming to study, knowing what he should be doing, could be helpful.

In the words of an often quoted cadet phrase, ‘prior planning prevents poor performance’!

I wish all of our senior boys an enjoyable break. I hope that they find a balance between preparing for the exams in Weeks 1 and 2 of next term and recreation.

Dr Heath De Lany | Master of the Senior School

FROM THE ACADEMIC DEAN

Parents will shortly a receive Semester 1 Student Report. The School formally reports on student progress three times each year:

1. a Mid-Semester 1 Report for Years 8 to 12 at the end of Michaelmas Term
2. Semester 1 Report for:
   > Years 8, 9 and 10, issued at the end of Lent Term
   > Year 7, issued early in Whitsun term
   > Years 11 and 12, issued following the Half-yearly examinations in Whitsun term
3. Mid-Semester 2 Report for Year 7 early in Trinity term
4. an End of Year Report for:
   > Year 12: Following the Trial HSC and IB Examinations in Trinity Term, a draft Report is emailed to parents. This Report is complete except for Ranks and the Head Master’s comment. The complete Report is published at the beginning of Michaelmas term (shortly after Speech Day)
   > Years 7 to 11 at the beginning of Michaelmas Term (Speech Day)

Parents are notified via email once Reports are made available. All Reports are published digitally to the Parent Portal in TNet. In addition, the End of Year Report is formally presented in a smart hard copy folder and distributed on Speech Day for Years 7 to 11 and mailed home for Year 12.

Detailed information about School reporting can be found on pp. 21-23 of the School’s Assessment policy, which is published on the Community website, or can be accessed by clicking here

Jason Cheers | Academic Dean
HEFORSHE CONFERENCE

Last Friday evening, Dr De Lany and three School Officers travelled to the Independent Theatre in North Sydney to attend a function hosted by Wenona Girls’ School. The event was called ‘HeforShe’ and included General David Morrison, the 2016 Australian of the Year, as the guest speaker. The night was aimed at discussing gender equality as a global topic and incorporated a panel of six highly passionate and influential speakers to bring true light to gender equality. Schools from all over Sydney were invited to this great occasion, and after the panel had given us inspiration, everybody was organised into small discussion groups to share ideas about how we can combat gender inequality at our schools. There is no doubt that the Trinity School Officers found the experience very rewarding, personally the event challenged me to think about how we can promote gender equality at an all-boys’ school, and I am much more motivated to help promote gender equality within our community.

John Bechara (12Mu) | School Captain

TRINITY GRAMMAR SCHOOL
SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8,)

Term 2: May 3, 17, 31, June 14
Term 3: July 26, August 9, 23, Sept 6
Term 4: Oct 18, Nov 1, 15, 29

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

INTRODUCING OUR BALMAIN BUS SERVICE...

We are pleased to advise that we are introducing a Balmain bus service, for your convenience, commencing Term 2.

The route is pictured above and times, along with stops, are detailed below.

Should you wish to use this service the cost for each trip is $4.50 which is charged directly to your son’s account.

Craig Sandwell | Senior Master Summer Hill Campus

A first time event this week was the use of the large room upstairs in the new block facing Prospect Road. This are will be invaluable in providing space for examinations, thus freeing up other areas of the School for their normal use. We hope, too, that this year’s HSC and IB candidates the first ones to use the new area will do well in their exams.

Ron Ogier
2016 HEAD MASTER’S DASH

In its 14th year, the 2016 Head Master’s Dash Finals Day was again a big occasion for the School. There were some incredible performances in the near perfect conditions as all finalists strove to achieve their personal best with a big crowd cheering on the runners. All boys are to be commended for the preparation they put into the event and, for many, their continued commitment to year-round training.

A breakdown of the medal performances for each race appears below. Most notable is the performance of Sebastien Moir (11Hi) who was crowned the fastest boy in the School. A special mention is also given to Byron Hollingworth-Dessent (11Sc), Josiah Romeo (11Sc) and Calvin Li (10Ar) for making the Top Gun Final.

I wish all athletes well during their winter season of sports, remembering that pre-season Track and Field training has already begun. Term 2 will be the crucial time for all potential Track and Field team members to put in the hard yards. The CAS season is just around the corner. The EAP programme has over 18 structured training sessions available per week, from Middle Distance through to the Super Wednesday Sprint showdown. So please come along and improve your overall athletic development.

Mr Andrew Murphy | Director of Athletic Development

Junior School
Fourth Place – Dylan Guler (6Yo) (6.22s)
Bronze Medal – William Maistry (6Ta) (6.08s)
Silver Medal – James Hawkins (6Ta) (5.92s)

1st Place – Sebastien Moir (11Hi) (4.89s)
Trinity Grammar School
Parents’ and Friends’ Association is affiliated with the NSW Parents Council

What does this mean for us?
The NSW Parents Council was established in 1962 by parents who campaigned for public funding of their small non-government school. Today NSWPC is the state-wide organisation of non-government school parents and their local school parent associations. NSWPC is a non-party political and multi-denominational organisation.

Mission of the NSWPC:
To effectively advocate, represent and support parents with children at independent schools on educational and related issues.

Aims of the NSWPC:
> To promote the right of all parents to choose schools for their children
> To foster quality in schooling for all students.
> To achieve equity for independent school parents and their children in the distribution of Government funds allocated to schooling.

The Benefits to us are:
> Availability of parenting skills courses and resources online
> Access to education experts for the P&F and school community
> Parent support online, including webinars, podcasts and scheduled events conducted as webcasts
> A voice on a range of high profile education committees
> A means by which parent views and needs are presented to government
> Advice on P&F operations

Take a look for yourself at the NSW Parents Council website – www.parents council.nsw.edu.au

Parents’ and Friends’ Association

NEWS FROM
THE ARTHUR HOLT LIBRARY

The Arthur Holt Library will be open to Years 11 and 12 students every Tuesday and Thursday over the April holidays, from 10.00am to 4.00pm. This is an excellent opportunity for students to partake in collaborative study or for quiet revision.

Students will need to sign in and out, and must therefore bring their student ID cards.

Paula Herlinger | Library Services Specialist

EXTENDED RSVP DATE

TRINITY GRAMMAR SCHOOL
The Summer Hill Auxiliary invites you to its 2016 Mothers’ Day Dinner
Trinity Ladies Night Out
All welcome – come and catch up with your Trinity Friends and make some new ones too.

CLICK HERE TO RSVP AND PAY ONLINE

VENUE: El Phoenician Restaurant
ADDRESS: 7 Towns Place, Millers Point (Walsh Bay)
DATE: Friday 29 April 2016
TIME: 7pm
PRICE: $70pp for a delicious Middle Eastern Banquet including a selection of traditional and modern foods: entrées & dips, salads, lamb, chicken and vegetarian mains, fruit platter, Lebanese sweets & soft drinks (alcoholic beverages to be purchased individually)
RSVP DATE: Now Friday 22 April 2016
Online via the Trinity Community Website
PARKING: Hickson Road
SEATING: Tables are of varying size (10-14). Please tell us who you would like to sit with when you book on-line or we can seat you with mums from your son’s year/house
Congratulations to all the boys who won places in the Gary Catalano Creative Writing Competition. There will be an opportunity to hear their works (and others) being read out at the “Fireside Readings” in the Arthur Holt library on Tuesday June 7th. A special guest author will also be speaking on the night, Christopher Richardson, a Trinity Old Boy who has just published his first novel, Empire of the Waves: Voyage of the Moon Child. Put the date in your diary. All welcome!

Tania Mason | Head of English
ONLINE ORDERING FOR THE CANTENE AND CAFETERIA

Trinity Grammar School is always seeking to make your interactions with the School more convenient and secure and that’s why the School is using Flexischools to provide a cashless way to pay for purchases from the Cafeteria/Canteens and Clothing Shop. From the beginning of Term 2, all students from Years 7-12 will require a Flexischools Account to purchase food or beverages at School from Monday to Friday.

This system allows parents or students to place online orders for the Cafeteria or Canteens at any time via the internet. Middle and Senior School Students (Years 7-12) may also use their Student ID Card to purchase items over the Cafeteria/Canteen counter or from the Clothing Shop.

From the beginning of Term 2 (2nd May) it is expected that all Cafeteria, Canteen and Clothing Shop purchases by boys in the Middle and Senior Schools will be made using the Student ID Card. Cash will still be able to be used on the weekend.

If boys forget, lose or damage their cards, they should go to Student Services to obtain a temporary or replacement card so that they can purchase food.

An account for either online ordering or Student ID Card payments can be set up online. Simply follow the instructions below.

If you have any questions, Flexischools provide a help desk on 1300 361 769, or you may contact them via the Flexischools website.

Bradley Wirth | Director of Campus Administration
UPCOMING SOCIETY OF THE ARTS EVENTS

Opening at Delmar Gallery on Saturday 30 April, 3-5pm is an exhibition presenting renowned New Zealand photographer, Laurence Aberhart. Part of the Sydney-wide Head On Photo Festival, the exhibition is a chance to see a wide selection of Aberhart’s prints from the 1980s to the present. Aberhart shoots exclusively on an 8” x 10” flatbed camera and produces contact silver gelatin prints, in a process originating from the early days of film photography. Literally imbued with time (the exposures can be up to 5 hours), his extraordinary photographs are reflections on transience and endurance. The exhibition will continue until 22 May and the gallery is open Wednesday to Sunday, 12-5pm.

On Tuesday 17 May, 7.30pm, Sydney’s newest baroque ensemble will be performing at Delmar Gallery. Members of The Muffat Collective have recently returned to Sydney after further study and engagements as soloists, concertmasters and in early music ensembles in Europe. The acoustics in the gallery are particularly well-suited to early chamber music, so don’t miss this opportunity to hear superb musicians in a great setting!

Programme: Sonate da Chiesa Op.3 - No.1 in F Major by Corelli; Le Parnasse, ou l'apothéose de Corelli - Grande Sonade en Trio by Couperin; Overture & Trio Sonata, No. 2 in D Major, Opus 13 by Leclair.

Tickets from $20, free for Trinity students and Society of the Arts members. Book online: https://www.trybooking.com/KZYD
The trial fixture against Shore and St. Stanislaus’ College last Saturday provided more than the opportunity for a pre-season contest; the day also presented the opportunity for a revitalised playing structure, involving three schools; the chance for many new faces to Rugby to experience their first game; and for parents new to the School, who hadn’t before experienced a carnival event, also to be embraced by the wider Rugby community.

First time experiences are often daunting when shaped by presumption and assumption, but once the reality dawns, the anxieties dissipate. Days like last Saturday provide our boys and families new to the sport the opportunity to experience the enjoyment and gratification provided through participation in a contact sport.

It’s not only newcomers to the ‘game played in heaven’ who are challenged. Boys who have been playing Rugby since their primary years are also challenged, and sometimes confronted, by new coaches who either change systems or even boys’ positions. Learning to adapt to these unexpected circumstances is an invaluable life skill that is transferable and relevant in life beyond school. These situations present two options: fight or flight; adapt or submit. The educational value inherent within the sport of Rugby transcends situations and circumstances that are perceived as limiting.

Albert Einstein summed up the value of experience in the context of education when he insightfully observed ‘the only source of knowledge is experience’.

Andrea Folli | MIC Rugby

**P&F PRESENTATION**

Tuesday 3 May in the Terrace Room, at 7.30pm
with guest speaker, Mr Ivan Neville, Commonwealth Department of Employment speaking on:

Ivan Neville works in the Federal Department of Employment. He is currently the Branch Manager, Labour Market Research and Analysis Branch and has responsibility for the analysis of the contemporary Australian labour market and the identification of the current and future demand for skills.

Ivan has also had extensive international experience, particularly in Vietnam and Indonesia working on the development of labour market information systems in those countries. Prior to joining the Department of Employment, Ivan worked in the ABS for many years in a number of economic and labour market areas. Ivan holds a Bachelor of Arts degree and a Graduate Diploma in Demography from the Australian National University.

**Presentation Summary:**

Mr Ivan Neville will provide an overview of the key sources of labour market information and the past, present and future trends in the Australian labour market. Drawing on data from the Australian Bureau of Statistics and wide range of research conducted by the Department of Employment, this presentation will also provide information about future job opportunities and what employers are looking for in job seekers. He will provide a practical demonstration of how to use and sources the wealth of available labour market information to help shape career decisions.
Trinity opposed The Shore School, a GPS rival last Saturday with strong results in our final football trials for term one. Trinity were undefeated across the 14 matches in Years 8, 9 and 10, winning 11 of these and drawing the other 3, scoring 51 goals whilst conceding just 11. The Year 9s won all four matches contested. Overall Trinity were winners in n 17 matches, they drew 4 and lost just 6 on the day. The Green and Whites scored 75 goals, 22 coming from the Year 8 teams against Shore’s 43. A fine start as the CAS season looms large early next term commencing after our annual Black and Green shield fixtures against St. Patricks’ College on April 30th.

1ST XI vs SHORE - LOST 2-4

The last time these two teams met was in the 2015 St Andrews Cup Plate Final where the Football was of a high standard and plenty of goals were scored. On Saturday, this trend continued. At the end of the first half, Trinity found themselves 0-4 following individual errors that Shore made the Green pay dearly for. Regrouping at half time, the big question was, how would Trinity respond in the second half?

Trinity responded by locking up defence, winning more contests, controlling more possession and taking the game to Shore. Trinity’s new found momentum led to several corners and six minutes into the second half, a Felix Kerameas corner found a Shore hand in the box and a penalty was awarded. William Todd (11Ar) stepped up and notched up Trinity’s first goal through a clinical finish. Pleasing too was how Lachlan Gregory (12Ke) and Reece Sekulovski (12Ar) followed up the penalty with purpose. Six minutes later the slippery Dean Bozonelos (11Ta) in his first game for the 1st XI, whipped a cross in behind the Shore defence to Sekulovski, who was denied by the opposition Goal Keeper. Bozonelos would do this again, however Trinity did not convert their chance. Several minutes later, Sekulovski controlled a high ball first time with the outside of his foot into the path of Felix Kerameas (11Fo). Felix switched play to midfielder Jordan Kougias (11Ke) who took a touch and then cannoned a shot into the top corner of the goal from outside the box. Equally impressive to the goal was how Kougias did not celebrate, but rather chased up the ball to get the game going as quickly as possible.

A response was required in the second half. While Trinity did not win the game, the second half may just be the pivotal moment in the season, as Trinity revealed their character, played with a ‘never say die’ attitude, created chances to win the game and revealed just who they were in the face of adversity.

2ND XI vs SHORE WON 4-3

Trinity played with a much more secure structure than in our first trial against Barker and after a strong first 10 minutes a goal came. Trinity were awarded a free kick just into Shore’s in centre field. The Greens went left before switching to the right where Daniel Gabriel (11Hi) threaded through a killer pass to Dean Bozonelos (11Ta) who finished superbly. Trinity then lost their centre back, James Saab to a head gash and a shuffled back four for the rest of the match resulted. Soon after the collision Shore capitalised on a defensive error to clinically equalise and the teams went to oranges with Trinity appearing the more technically efficient but nevertheless all square at 1-1.

The introduction of Julian Dimas (12Ta), making his return to Trinity football after a 12 month layoff due to a severe injury and playing at Number 10 was able to score a brace inside 20 minutes before being replaced again as his re-entry to the game is managed. The first of the goals was a sizzling strike from outside the box and the second a predatory pounce to head in at the far post off a pinpoint Soroush Zand (12Ar) free kick. However after both these goals Trinity continued to concede sloppy goals at the other end. This left the match at 3-3 with time ticking away. Fortunately, Bozonelos, now playing in central midfield, capped off a fine performance with a second to complete his brace also assisted ably again by Zand and Trinity thus triumphed 4-3 in a see-sawing seven goal spectator fest.

Chris Robinson | 2nd XI Coach

3RD XI vs SHORE DREW 2-2

Trinity dominated this match from start to finish but walked away with a 2-all draw. The first half was all Trinity, with six corners without success followed by Cristian Lorenzato (11Fo) scoring from within the penalty box to open the striking in the 17th minute to break the deadlock. The second half was only a minute old when Shore bounced back into the game with a quick counter attack down the left hand side of the field to level the score. Ten minutes later, Lorenzato was back at it again with another goal to put Trinity in front only to have Shore score again on the counter attack catching the defence napping with five minutes to go. The player of the match was Nicholas Bishop (12Hi) in defence who was well supported by Callum Arnold (11St) and Mohamed Zogheib (11Ke).

Mark Mikulandra | 3rd XI Coach
4TH XI vs SHORE WON 3-0

The 4th XI started the game in an energetic fashion, creating many chances and eventually taking the lead through a composed finish from Riley Wanless (11Hi). Trinity continued to fight throughout the afternoon heat and a cracking strike from Sanjan Naganathan (11Ta) beat the keeper from outside the box! The boys held out the game well and eventually took out the match with a decisive 3-0 score line. Well done, boys!

Ryan Parry | 4th XI Coach

5TH XI vs SHORE LOST 0-2

The 5ths had a tough game against Shore and were unlucky not to get ahead before half time, with a through ball from Edward Khoury (11He) putting Mitchell Moschatos (12Yo) one-on-one with the goal keeper, of which the keeper made an excellent save to keep the scores level. Some crafty play from the opposition in the final third proved to be the difference between the two sides in the end, with Shore taking their chances as they came and ended up with a well-earned 2-0 victory over Trinity. Despite the result, there were plenty of positive signs looking ahead for the rest of the season.

Ryan Parry | 5th XI Coach

6THS vs SHORE - WON 1-0

Trinity got off to a flying start with constructive passing from our half through the midfield triangle. However, as we pressed forward the lack of space made it hard for the team to penetrate the Shore defence. Trinity continued to dominate, but found it hard to deliver the killer blow. The game flowed in our favour with Shore having a few opportunities which, if converted, would have been significantly against the flow of the game. We regrouped at half time and made some changes. The added power up front with the extra striker gave us the extra venom to deliver the goal. 20 minutes in and Noah Kim (12WH) chipped an advanced keeper to be the first goal scorer of the season.

Jean-Paul El Tom | 6th XI Coach

7TH XI vs SHORE LOST 0-2

The trial game against Shore was always going to be a tough one from the commencement, as this is a new team that is forming, with students not knowing each other because of the different Year groups and students playing out of their normal or desired positions. Nevertheless, the positive attitude the boys exemplified prior to the kick-off was great to see. There were periods throughout the game where fatigue was setting in and the blistering heat did not make it any easier, yet the determination, especially from the defensive line was excellent, Mackenzie Brown (12Ke) being a great leader throughout.

Even though Trinity could not come out of this game with the victory, I have a great feeling that this team will be successful in achieving their individual and team goals throughout the duration of the season.

James Biviano | 7th XI Coach

TRINITY FOOTBALL – TEAM OF THE WEEK

1. James Hart 10Bs (10Sc)
2. Callum Arnold 3rd XI (11St)
3. Nicholas Bishop 2nd/3rd XI (12Hi)
4. Mackenzie Brown 7ths (12Ke)
5. Tim Semsarian 2nd XI (11St)
6. Elliot Ho 6ths (11He)
7. Dean Bozionelos 2nd XI (11Ta)
8. Cristian Lorenzato 3rd XI (11Fo)
9. Jacob Alha 8Ds (8Ho)
10. Oliver Robinson 9Bs (9Ta)
11. Daniel Skarzynski 8Bs (8We)
AUSTRALIAN AGE SWIMMING CHAMPIONSHIP 2016

Last week 18 boys attended the Australian Age Swimming Championships in Adelaide. The meet ran for five days and saw the next generation of swimmers diving into the water, producing some amazing results.

The Trinity boys did us proud, winning not only medals but many shaved seconds off their PB’s. (See results table on the following page).

Thank you to Mr Tuxford and Mr Brown for preparing us so well for the meet and for making the trek interstate to coach and support us. We appreciate the sacrifices you make, especially being away from your families for such a long time.

A HUGE thank you to our parents: Without you none of us would have the opportunities we have to achieve our best. Thank you for the lift to the pool at 5.30am each morning, thank you for the huge lunch box filled with healthy foods to get us through the long day, thank you for cheering, thank you for believing in us and thank you for giving us the opportunity to swim with such amazing swimmers!

Finally, good luck to the boys who are swimming at the Australian Swimming Championships in Adelaide at the moment. We will be cheering you on. As this is the qualifying meet for the Olympics in Rio Channel 7 is televising all heats and finals so keep an eye out for the “Green and White” boys.

Nicholas Capovilla (11Ho)

CAS RECORD BREAKERS

At this years’ CAS Swimming Championships our team produced some amazing results including the breaking of three relay records and one individual swim.

The following 4 CAS records broken – a fantastic achievement for these boys.

> Samuel Xu (8WH) broke the record for the 13 years 50m Breaststroke (33.45sec)
> 13 years and under 200m Medley Relay was won by Euan Germanos (7He), Samuel Xu (8WH), Andy Lee (7Fo), Matthew Robertson (7Du) in 2:04.20
> The 15 years 200m Medley Relay was won by Angus McDonald (9Sc), Patrick Jiang (10St), Ryan Hansen (9We) and Danny Huang (9Sc) in 1:53.08
> And the 15 years 200m Freestyle Relay was won by Angus McDonald, Ryan Hansen, Ethan Hansford (10He) and Danny Huang in 1:42.92.

Congratulations to these fine young men on their contributions to the team.

Janet Wonders | MIC

CANINE COMFORTER

Many students, especially Boarders, and staff will remember with great affection Violet, the “seeing eye” dog whom we helped train for Guide Dogs NSW (We deliberately disobey here the grammatical rule who for people and which for animals and things, because Violet truly seems like a person to us all!).

The latest report we have of Violet’s activity is that she is now walking ‘on harness’ and learning to navigate obstacles and traffic in the community. It transpires, too, that she has a remarkable ability to calm other dogs with which she is associated, helping them to settle into their new training routines. This may well be the result of the time she spent with us, which enabled her to develop such a quality herself. We are truly pleased that she is starting out on her full training as a Guide Dog – we learn from Guide Dogs NSW that 64 dogs are needed this year alone – and we are sure that she will bring great assistance and joy to someone in the near future.

Ron Ogier and Belinda Reid

Those of us in the know have been looking forward with much anticipation to the 2016 season of CAS Cross Country. This was euphorically and emphatically emphasised last Saturday at the Waverley Cross Country Invitation in Centennial Park. Our GPS brothers have decided to change their winter season arrangements so that both associations once again now ‘line up’ which is to the benefit of the weekly Cross Country competition. However, as the first race got underway, eyes were looking enviously at the depth of talent in the Trinity Cross Country fraternity who annihilated any semblance of competition in the 14 years event. Patrick Cantlon (7Du) ‘cantered’ home in first place, looking in complete command of the race. Not far adrift was William Cooper (7Hi) who was a superb 3rd. Five places further back was Zac Brown (8Ho) in 8th. I have it on good authority - none better than his mum - that he was a little nervous in the car on the way to the Park, and would have been happy with a top 30 result in his first outing in the ‘Green and White’, so to see him over the moon with 8th! William Martin (7WH) completed a stellar team result as he shrugged off the burden of having the not-so athletic Mr Leckie as an uncle as he placed a tenacious 11th! This team was an incredible 40pts ahead of their nearest rivals, Sydney Grammar. Others who impressed were Oscar Ballantine-Jones (7Hi) who was 38th and many of us were buoyed to see some of the boys who finished further down the field enjoying their run and camaraderie on course, this was certainly evident as Matthew Chan (7Ar) was encouraged and accompanied by Cross Country stalwart Jason Tung (8Hi).

The 16s team was missing a few runners due to other sporting commitments, but that didn’t stop the team from performing commendably. Logan Kaye (9Ho) jumped off a plane and flew straight to Centennial from the airport, ran up an age group, and placed a fine 5th to lead the team. Nathaniel Davies (10Ke) hung towards the middle of the pack before making a very considered run to the finish, improving from about 40th early on, to be 8th at race end. Louis Banning-Taylor (9La) did likewise, moving through the field to finish in a commendable 24th for his first hit out of the season. Philip Chan (9He) 42nd, completed a solid team result of 4th.

Our Opens team had a solid first hit out to finish in 8th in the team’s event. I am certain that will improve as the year progresses. Jonno Batson (10WH) led the boys with a fine run to be 20th. Nakul Kaushik (11Mu), the ‘Champion of Champions’ clarinettist from Adelaide last weekend, put down the liquorice stick on Saturday to place a fine 34th. ‘Renaissance men’ such as Nakul are ‘thick on the ground’ in Cross Country! A nervous Michael Amin (12WH) was not too far adrift in 39th. These two, Nakul and Michael, having been ‘training the house down’ over the last few months, so with some more race experience and confidence I am certain that they will soon be hot on the heels of the leaders! Rory Ding (12Sc) 44th completed the Open team. Sebastian Hahn (11St) and our leader William Jeffree (12Ho) also both ran well and also have much potential to improve.

With the holidays approaching it would be remiss of me not to encourage all boys to go for run over the break. Refer to the School holiday training schedule for session times with Mr Woods or you can join us each Saturday for a Bay Run from 8am, meeting in the Le Montage carpark.

Mr Woods’ Harriers of the Week: Patrick Cantlon, Philip Chan and Nakul Kaushik.

Good running,
Michael Spratt | MIC
Scouting prepares you for life. The goal of scouting is to prepare young people to succeed in life. But is it working? What if we could understand just how effective scouting is in affecting young minds? The Boy Scouts of America undertook research with Dr Richard Lerner in a university study to follow nearly 1,800 cub scouts for three years and compare them to nearly 400 boys of similar backgrounds who were not in scouts. What they found was remarkable. Cub scouts showed a significant positive development in being cheerful, helpful, kind, obedient, trustworthy and hopeful, yet there were no significant increases in these attributes for non-scouts. Scouts were more likely to choose helping others and doing the right thing over being smart, being the best, or playing sports. Youth who participated in sports and scouting were more likely to choose these same values than those who only played sports. Finally, boys who spent more time in scouting demonstrated higher positive character attributes.

The study concluded that Scouting demonstrably builds positive character and provides young people with a foundation they can stand on to embrace opportunity and overcome obstacles.

In 2015 there were 54,420 youth members in Scouts Australia across 1,458 groups. It is estimated for every 100 youth members that join scouts world-wide that at least:

- 18 will develop a hobby that will last through their adult life
- 17 will become future scout volunteers
- 8 will have a vocation that was learnt through the merit badge system
- 1 will use Scouting skills to save their own life
- 1 will use scouting skills to save the life of another person

With the end the term upon us, the Trinity Scout tradition of having the cubs take charge of the games and the parade. It was great to see William and Oliver leading boys much older than they are and in turn the respect being afforded to the cubs from all the scouts. Some favourite games came out like the monkey fist for a game of helicopter rope.

At closing parade this week James Kaye (6Hi) was presented his technology proficiency award and Nick Magoulos (7Sc) his information technology proficiency badge. Nathan Anjoul (5Ar) completed his Link Badge to scouts and was also awarded his Scoutcraft Badge, while Oliver Kreis (4Yo) was presented the Level 1 Achievement award for fishing. BRAVO James and Nick and Nathan, and 1-2-3-WOOF to Oliver.

Importantly we also formally welcomed Paul Audi (7Ar) into the Scout Troop with his investiture. Paul made the Scout Promise to do his best, do his duty to God and the Queen of Australia, to help other people and to keep the Scout Law in front of the troop and was accepted into the Hawk/Albatross patrol. BRAVO and welcome, Paul.

Trinity Cubs and Scouts will be in action over the school holidays with a day hike along the coast north of Wollongong prepared by Ryan Snowsill (7Ho); and the Cubs, Scouts and Venturers participating in OPERATION ROSEMARY 2016 with Legacy at the Sydney ANZAC Day March.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm. We are on break and will be returning in Term 2.

Lachlan White | MIC Scouts
MATHEMATICS CLUB MATTERS COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin X from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Dexter Simington (7Du) and Darren He (10La) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was 50 and 60 is 112. The answer for the Senior School Problem was Adnan’s original number was 40. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

The Mathematics Club Matters competition has been very popular and it was pleasing to see there were many weekly submissions to and interest in the problems from our boys and parents interested in experiencing Mathematics. The Mathematics Club appreciates the generosity of our sponsors and support for this competition. It now gives me great pleasure to announce Christian Becvarovski (7Ar) as the major draw prize winner for the Lent Term. Thank you for all contributions and we will see you all next term!

UPCOMING SPECIAL EVENT: MATHEMATICS CLUB OPEN NIGHT!

Trinity Grammar School Mathematics Club in conjunction with the UNSW Physics Outreach Unit is pleased to present an Open Night:

Bringing the Cosmos down to Earth!
Date  Wednesday 11th May 2016
Time  6:00pm-8:30pm
Where  Trinity Grammar School, Science Block Room 2.3

Come and learn about the night sky!

UNSW Physics will host two interactive sessions:
> Lecture by Matthew Freeman on “Astronomical Adventures in Antarctica”.
> Telescope Workshop and Viewing!

For more information please refer to the flyer in the following link | click here.

Students and parents can bring their own telescopes to this special event!

Event supported by the UNSW Physics Outreach Unit:

---

THIS WEEK’S PROBLEMS FOR THE SCHOOL HOLIDAYS:

1. An enclosed rectangular garden is 6 metres by 15 metres. Additional fencing within the garden can divide it into three small plots, two of them square and one rectangular. What is the least number of metres of additional fencing that is needed?

2. The mean, the median, and the mode of the five numbers below are all equal. What number does A represent? 1.8, 1.6, 2.1, 1.7, A

3. List all the counting numbers less than 50 that have exactly three factors.

4. Five years ago, Lucy’s age was three times Max’s age. In two years Lucy’s age will be two times Max’s age. How old is Max now, in years?

5. On line segments ABCDE, D is the midpoint of AE. The length BD is 2/3 the length of AB, and BC=CD. What percent of AE is AC?

6. Two consecutive whole numbers, each less than 20, are multiplied and their product is increased by 17. There are exactly two values of the lesser of the two consecutive numbers for which the result is not a prime number. Find both values of the lesser number.

7. What non-zero two digit number is twice the product of its digits?

8. Suppose 6 days after the day before yesterday is Thursday. What day of the week is the day after tomorrow?

9. A study of 50 high school students showed that exactly 25 of them took Biology, exactly 20 of them took Chemistry and exactly 12 of them took both subjects. How many of the 50 students took neither Biology nor Chemistry?

10. List 3 letters of the English language that have a centre of symmetry.

11. Mr and Mrs Zeta want to name their baby Zeta so that its monogram (first, middle, and last initials) will be in alphabetical order with no letters repeated. How many such monograms are possible?

12. The product of 45 and the counting number N is a perfect cube. Find the least possible value for N.

Dr Frederick Osman | MIC Mathematics Club
Young Archimedes Enrichment Forum
– A Framework for Gifted and Talented Learners

**Date**
Monday 18th July 2016

**Time**
8:00am - 4:00pm

**Where**
Centenary Centre
Trinity Grammar School Summer Hill,
119 Prospect Road, Summer Hill NSW 2130

**Cost:** $60 per person

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop extra-curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

**Workshop topics to be covered**

**Workshop 1**
Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP).

**Workshop 2**
A famous Mathematician by the name of George Polya once said, “It’s better to solve one problem five different ways than to solve five different problems.”

**Registration Process**
To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

Payment of registration entitles students to:
- Attendance at both workshops, Recess, Lunch and Forum Satchel and Stationery.

Proudly supported by
Gifted Families Support Group Inc.
Inquisitive Minds

For all enquiries please contact Dr Fred Osman | Enrichment Coordinator on 9581 6040 or fosman@trinity.nsw.edu.au

---

**CAREERS**

**Career Education Life Skills**
– Learning Lifelong Lessons over Lunch

Through a series of workshops, students at Trinity Grammar School are learning skills to help them with their studies and life after the HSC/IB. The Career Education Life Skills Programme helps students develop practical skills that assist them in building their resume and joining the workforce. Although good grades are important, employers also look for well-rounded individuals who are able to demonstrate their skills outside the classroom. Our Life Skills Careers Programme instils the skills students need for life after high school, whether that be as a tertiary student and as part of the workforce. The programme, which runs throughout the term, also includes lunchtime sessions with universities and pathway providers who offer students in years 10-12 examples of what life is like after Year 12. I view these lunchtime sessions as students’ first career lunches. Often important life lessons are discussed over lunch or during a family meal, so this really makes a difference. Please take advantage of these sessions which will continue to be offered in Term II.

**Trinity Grammar School**
Life Skills Careers Programme in Term II:

There are 4 Sessions in the Latham Theatre which are compulsory for all Year 12 students:

**Session 1:** Career Avenues and Life After Trinity
**Session 2:** Personal Profiling and Resume Building Programme
**Session 3:** Scholarship Opportunities Programme
**Session 4:** University Application and Admission Process

The optional lunch sessions in the Latham Theatre for students in (Years 10-12) will provide an academic and vocational focus to help with career advice, interaction education and training options.

**Upcoming Trinity Lunch Career Education Sessions in Term II:**

**Monday 9 May 2016**
Time: 1:10PM Venue: Latham Theatre
UNSW – Presentation on Tertiary Courses
Be inspired - discover why The University of New South Wales is the place for you!

**Tuesday 10 May 2016**
Time: 1:10PM Venue: Latham Theatre
UTS – Presentation on Tertiary Courses
Be inspired - discover why The University of Technology Sydney is the place for you!

**Thursday 12 May 2016**
Time: 1:10PM Venue: Latham Theatre
USYD – Presentation on Tertiary Courses
Be inspired - discover why The University of Sydney is the place for you!

**Friday 13 May 2016**
Time: 1:10PM Venue: Latham Theatre
Defence Force Careers – Experience the Extraordinary Defence Force Recruiting Process

All Career Education details, timelines and events for students will be advertised on the Library Career Notice Boards and in this online Careers Section or alternatively come and see me.

University of Sydney
New in 2017 Bachelor of Pharmacy and Management
The Faculty of Pharmacy will introduce a new five-year Bachelor of Pharmacy and Management degree. This innovative course provides students with a unique combination of pharmacy as well as business knowledge and skills. More information on http://sydney.edu.au/courses/bachelor-of-pharmacy-and-management/

UNSW
Law Admission Test Information: Admission to Undergraduate Law at UNSW is changing. For entry in 2017 and beyond, we are broadening our assessment of applicants for entry to our Undergraduate Law Dual Degree programmes. We are introducing a new test, the Law Admission Test or ‘LAT’, to give students the opportunity to demonstrate their suitability for the Law programme and allow us to better assess applicants. A student’s LAT result, together with their ATAR (or equivalent), will provide us with a more rounded view of their aptitudes and skills for our Law programme. https://www.futurestudents.unsw.edu.au/law-admission-test-lat-information-evening

Bond University
Medical Programme: Bond’s Medical Programme comprises of two sequential degrees - the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD). All students selected for entry into the Medical Programme will have to complete both the BMedSt and MD to be eligible for registration as a medical practitioner in any state or territory in Australia or New Zealand. Both degrees are awarded at the completion of Year 5. https://bond.edu.au/program/medical-program

University of Western Sydney
The Academy Scholarships: Excel in your studies and contribute to your community and you may receive: VC Leadership Scholarship, $10 000 per year. Dean’s Scholarship and Academic Excellence Scholarship, $5 000 per year. http://www.theacademy.edu.au/scholarships

University of Western Sydney College
Foundation and Diploma: Foundation Studies allow guaranteed entry to an undergraduate degree at the University of Western Sydney. An ATAR is not required for entry. From Foundation Studies students can enter the first year of an undergraduate degree or complete a Diploma, which allows them entry into the second year of an undergraduate degree. https://www.westernsydney.edu.au/thecollege/courses_and_pathways/foundation_studies

Notre Dame: Business – Law – Arts Symposium
21st June 2016, 10am to 2pm, 104 Broadway, Chippendale.
Registrations are now open for the Business – Law – Arts Symposium, the event is for students in Years 11 and 12. The day will provide information on different career opportunities available through degrees in Business, Law and Arts as well as curriculum support for students and teachers and allow students to hear from academic staff on current issues. http://www.nd.edu.au/events/2016/business-law-arts-symposium

CQUUniversity Sydney: Bachelor of Science (Chiropractic)
There is a great demand for qualified and registered chiropractors. This career delivers work-life balance, travel and self employment opportunities. Students at our CBD campus learn from an award winning faculty using the best available facilities. https://www.cqu.edu.au/courses-and-programs/study-areas/health/undergraduate/bachelor-of-science-chiropractic

Guaranteed pathways into UOW
UOW College offers 28 week courses that can guarantee students entry into the first or second year of a range of UOW undergraduate degrees (subject to meeting UOW entry requirements). For information visit http://www.uowcollege.edu.au/pathway/index.html

UNSW Engineering
Through engineers’ eyes: engineering mechanics by experiment, analysis and design: 18th April 2016, 12pm. This free online course will provide information on the techniques of engineering mechanics as well as using the theory to interpret experiment and designs. The course consists of four hours per week over a seven week period. https://www.engineering.unsw.edu.au/all-events/free-online-course-through-engineers-eyes-engineering-mechanics-by-experiment-analysis

UMAT 2016
UMAT is a test that is used specifically to assist with the selection of students into the medicine, dentistry and health science degree programmes at undergraduate level at the universities listed on the website. Registrations for UMAT 2016 are now open and close 5:00pm (AEST) 3rd June 2016. The test takes place nationally on Wed 27th July 2016. https://umat.acer.edu.au/

GENERAL:
US Standardised Test New Requirements
New requirements for the SAT and ACT for students interested in university in the US. http://www.internationallyeducated.com.au/#/learn/cfpx

Sydney TAFE Degrees
Sydney TAFE offers Bachelor and Associate Degrees in a range of subject areas including accounting, applied finance, applied management and property valuation. These degrees provide the opportunity to gain skills, real world experience, to study on your terms and the opportunity to make connections. http://sydneytafe.edu.au/courses/higher-education

All About UAC for Student Advisers
This resource provides information on how to explain the ATAR, applying through UAC, HSC subject choice and Offers. http://www.uac.edu.au/documents/publications/All-about-UAC-advisers.pdf

National Institute of Education: Simulated UMAT Day Workshop
> 22nd May 2016, UNSW Kensington Campus
> 14th July 2016, UNSW Kensington Campus
> 5th March 2016, Canberra Grammar School
> 16th July 2016, Canberra Grammar School

The workshops cover every section of the UMAT test and also the styles of questions. Registrations are now open. http://nie.edu.au/simulated-umat-day-workshop

Dr Frederick Osman
Director of Vocational Education
and RTO Manager (Careers Education)
OTU CAREERS AND INDUSTRY EXPO

On Thursday 19 May 2016, the School will host a joint OTU/RTO Careers and Industry Expo at Summer Hill Campus from 5PM to 7PM in the Centenary Centre. The event is dedicated to all career areas and vocational education training both traditional and non-traditional trades will be show-cased.

What’s on offer for Students?
This EXPO is an ideal platform to promote apprenticeships, cadetships, jobs and education and training in these areas. Visitors to the Careers Expo will be taken on a unique ‘journey’ of career advice, interaction education and training options. The event is designed to facilitate ALL students (Year 10-12) with both an academic and vocational focus.

For further enquiries please contact Dr Fred Osman 02 9581 6040 or email fosman@trinity.nsw.edu.au or Mr Stephen Heanly 02 9581 6065 or email sheanly@trinity.nsw.edu.au
YEARS K TO 9 FOOTBALL CLINIC
APRIL SCHOOL HOLIDAYS
MONDAY 11TH APRIL TO THURSDAY 14TH APRIL

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the September Holidays. Benefits of participating at this camp include:

- 24 hours of football tuition over four days.
- Participants train as per the Football Federation Australia National Curriculum.
- **5-8 year old** participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
- **9-13 year old** participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
- **14-15 year old** participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
- Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
- Training facilities include a synthetic all weather football field and three indoor basketball courts.
- Participants play in mini tournaments that replicate the 'A-League/Champions League/World Cup'.
- Participants are tiered according to their playing level.
- All participants receive BBQ on Monday and Thursday.
- Drinks and fruit provided each day.
- **Coaching Staff** are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is MIC and Director of Football Coaching at Trinity and is the current 1st XI coach.
- See the following link for footage from the 2015 April Holiday Clinic [https://youtu.be/5Oj9_gbgIq4](https://youtu.be/5Oj9_gbgIq4)

THE DETAILS
