OLD BOY WINTER FIXTURE – RECORD TURN OUT

Somewhat unexpectedly, last Saturday’s foul weather, which saw all football and tennis fixtures cancelled and only the 1st and 2nd XV Rugby matches played, coincided with a record turn out of Old Boys for our Annual Old Boys’ Winter Fixture – with some 170 Old Boys present during the course of the day. Having spent some time with the Old Boys on Saturday (including my former classmates of the Class of ’68) I know how appreciative the Old Boys were of the opportunity to gather at School to reminisce and catch up with one another and former staff. They were also pleased (as I was indeed relieved!) that the 1st and 2nd XV games were not cancelled. Both matches were played in fine spirit with players from both Schools giving their all in atrocious conditions. From a Rugby perspective, the matches may not have been “pretty to watch” but they were none the less most enthralling and from many older Old Boys’ perspective, a welcome throwback to the good old days when no quarter was asked or given.

Here I should acknowledge the continuing excellent work and dedication of our grounds staff, led by Scott Muller, with assistance from Jamie Hillen, in the way they look after our ovals throughout the year, especially when one considers the intense use we make of them.

Gala Music Concert

Over the years we have become somewhat accustomed to the very high standard of musical performance that our musicians achieve, whether that be in the modern genre of the “Battle of the Bands” or with our annual Gala Concert – just two highlights which showcase the School’s rich and diverse musical talent. This week’s Thursday night Gala Concert more than matched these high level expectations and reminded all of us that we do indeed have something special in our Music Department, both at Primary and Secondary levels, that we do well to reflect upon and savour.

Personally, to reflect upon not only the standard achieved but also to drill deeper into the variety and breadth of commitment of the boys on stage who not only achieve musical excellence but contribute so positively in so many other diverse aspects of School life is a personal pleasure and joy. All aspects of this week’s concert are worthy of the highest commendation; from the actual production of the programme, the myriad of details that needed to be attended to in terms of staging, transporting and welcoming guests, the overall composition of the repertoire and, of course, the actual performances themselves. Congratulations to all concerned – staff, students and parents who supported their boys in being able to give us all such a memorable highlight for the year.
IN INVITATION TO HEAD MASTER’S INFORMAL MORNING TEA/COFFEE CATCH UP AND CHAT.

Although the School facilitates many prescribed occasions and means for parents to keep in touch regarding their son’s progress and development at School such as through Parent/Teacher interview evenings, regular Head Master’s Bulletins, our website, Parents & Friends and Auxiliary meetings, as well as Housemaster interviews, etc. I often find that the informal contact we have with parents is just as important in keeping people “in the loop” so to speak. For example, I find the many en passant informal chats I have with boys and their parents on Saturday mornings as being a very useful means of keeping our community informed of developments on several fronts, not to mention also being a useful means of getting a quick insight into how well (or not so well) matters are, on a day to day basis within the School. With these thoughts in mind I have, from time to time, invited parents to call in for an informal chat when I can also bring them up to date with various School initiatives and plans to further enhance the educational environment of our boys and their overall wellbeing such as our new Environmental Field Studies Centre. Details of these proposed morning teas for this Term are set out below.

FROM THE DEPUTY HEAD MASTER

PARENT GUIDELINES

Trinity Grammar School is committed to providing all members of the Trinity community with a learning and working environment which is safe, supportive and caring, and which is free of harassment and discrimination of any kind. Accordingly, harassment and discrimination will not be tolerated under any circumstances. The School expects everyone who is part of the School community - boys, parents, friends and staff - to honour the School’s commitment in this regard and to work with the School in achieving a safe learning and working environment.

The School recognises that parents have the primary role as educators of their children and collaboration between parents and the School is necessary for effective learning within the School community. The School acknowledges the variety of gifts parents bring to the School community including active participation in the School community.

The Parent Guidelines are intended to provide School community members with guidelines for the development of positive, respectful relationships within the School community.

For more information on Parents Responsibilities, Serious and Unacceptable Behaviours and Breach of these Guidelines please refer to page 70 of the School Handbook. Click here to view now.

Complaints, suggestions or other matters may be raised by contacting the School on 9581 6000 or by email using info@trinity.nsw.edu.au. If parents express their concerns to the School, parents can expect to be treated with courtesy and respect in order to try to resolve any matters. Peter Green | Deputy Head Master
ACADEMIC CITATIONS

Congratulations to Jayann Chen (10Ta) who was presented with an Academic Citation by the Deputy Head Master this week.

An Academic Citation is awarded as a consequence of a boy receiving five Departmental Awards, from at least three different Departments, and presenting these to the Curriculum Office. Every Head of Department has Departmental Awards, which they are encouraged to give to boys who do work of high merit. Boys should ensure that, if awarded Departmental Awards for meritorious academic achievement, that they keep these and, if five are accumulated, present them to the Curriculum Office to exchange for an Academic Citation.

Jason Cheers | Academic Dean

TRINITY SCHOLASTIC ACHIEVEMENT TEST (TSAT)

During Week 1 of this term, all Year 10 boys sat the Trinity Scholastic Achievement Test (TSAT). The TSAT is a common test designed to be accessible to all Year 10 boys regardless of their subject selections. It is in keeping with our commitment to setting academic standards of the highest order, nurturing and challenging our boys during this critical period in their education.

A number of boys have been awarded Head Master Citations for their performance in this year’s TSAT. These awards were presented by the Head Master at Quad Assembly on Friday. Thirteen Citations were awarded for Writing, and twenty Citations for overall achievement. Congratulations to the following boys.

Writing:
Jayden Duong (He)
Darren He (La)
Lelland Hui (Fo)
Nicholas Hui (Fo)
Ben Liu (Sc)
Sam Rittenbaum (Mu)
Saachin Simpson (WH)
Cameron Strauss (We)
Sunny Tang (Hi)
Matthew Turner (Ho)
David Yacoub (Fo)
Shane Zhang (Mu)
Stanley Zhang (Mu)

Overall achievement:
Oliver Arkell (WJ)
Sanath Bala (Ta)
Jonno Batson (WH)
Tallis Coman (Yo)
Jayden Duong (He)
Charlie Griffith (Yo)
Darren He (La)
Lelland Hui (Fo)
Nicholas Hui (Fo)
Eliot Kern (WJ)
Ben Liu (Sc)
Jack Maher (Yo)
Nicholas Perera (La)
Steven Serb (Ar)
Saachin Simpson (WH)
Cameron Strauss (We)
Nicholas Testa (Mu)
Matthew Turner (Ho)
Jonathan Zheng (WH)

Jason Cheers | Academic Dean
TRINITY GRAMMAR SCHOOL
SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8,)

Term 2: June 14
Term 3: July 26, August 9, 23, Sept 6
Term 4: Oct 18, Nov 1, 15, 29

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

TRINITY FIRST XV AND FIRST XI
vs BARKER AT TRINITY
Saturday 18th June 2016

Compulsory Attendance for boys in Years 9, 10 and 11 to attend the First XI Football game starting at 10:00am OR the First XV Rugby game starting at 3:00pm.

Students will be informed in the week prior as to which home games they are expected to attend. This will be dependant upon the students own sporting fixture.

School Officers and House Captains are to attend EITHER the First XI Football game OR the First XV Rugby game. Rolls will be marked at each game. Boys MUST wear their full winter uniform. If it is raining on the day please ring the wet weather number (1300 788 477) for details regarding these fixtures. This message is updated throughout the day.

Parent/Visitors seating arrangements: During the 1st XI football game parents and visitors are encouraged to bring their own seating and sit on the Eastern side of No 2 Oval. During the 1st XV Rugby game parents and visitors are expected to sit on the Western side of No 1 Oval. There will be NO access to the Eastern side of the field. This area is reserved for teams warming up.

At the conclusion of the games parents are encouraged to meet their sons in the School car park, entry via Victoria St.

Advanced Notice: The final Compulsory Home game is on Saturday 30th July, 2016. (See the school record book for more details.)

Brad Wirth | Director of Campus Administration

WELCOME TO OUR 2016 ANNUAL GIVING APPEAL

NEWS FROM THE ARTHUR HOLT LIBRARY

CELEBRATE MEN’S HEALTH WEEK WITH US!

Next week is Men’s Health Week and the Library has some fantastic events planned to promote the health and wellbeing of a large majority of the Trinity community! View an informative TED talk on why men’s health is so important. Attend mindfulness sessions with Mr Barnes to help you learn ways to overcome the symptoms of stress. Discover your personal strengths and learn how to use them, or put your core muscles to the test with our plank challenge. There’ll be something for everyone during Men’s Health Week. We look forward to seeing you in the Library next week.

WHAT’S HAPPENING?

The Library is a great place to do work, study and research; but on any given day there are happenings that may have little to do with those things. Consider Tuesday this week, for example: at lunch we had some students desperate for an impromptu viewing of a very important Copa América match; our regular Movie Afternoon, run by the Library Monitors, was held after school; and then for the first time ever the Trinity Arts Festival’s Fireside Readings was held in the Library. These happenings – impromptu get-togethers, regular clubs and large events – showcase the multitude of interesting “outside-the-box” uses of the Library space. Students who have an idea for something they’d like to do in the Library, be it a spur-of-the-moment urgent sports broadcast or a regular gaming club, are encouraged to talk to the AHL Monitors or come and see the Librarians.

Tabatha Paterson | Teacher Librarian

BOYS MUST BE AT THE ATHLETICS TRACK AND SEATED IN THEIR HOUSE AREAS BY 9:00AM.

Only boys who have the School’s written permission to drive cars will be able to drive to or from SOPAC. Boys are not allowed to take passengers in their cars unless they have the School’s written permission to do so.

BOYS MAY WEAR THEIR TRACK SUIT OVER THEIR HOUSE SPORTS UNIFORM (HOUSE T-SHIRT AND GREEN SHORTS) TO AND FROM SCHOOL ON THIS DAY WHEN TRAVELLING BY PUBLIC TRANSPORT. THE ‘GREG CHAPPELL’ (GREEN OR WHITE) HAT SHOULD BE WORN. BOYS MUST BRING SUNSCREEN CREAM. BOYS WILL NOT BE ALLOWED TO PAINT THEIR FACES OR HAIR AS THEY WILL BE REPRESENTING THE SCHOOL TO THE PUBLIC WHEN TRAVELLING TO AND FROM THE VENUE.

Even though boys will have an opportunity to buy food and drink, it is advisable for boys to take their lunch and a drink with them. Boys must ensure that they drink plenty of water while at the Championships if it is hot. It is advisable that boys do not take valuable possessions to this event. I-pads and personal stereos of any sort are not permitted.

Bradley Wirth | Director of Campus Administration
The Summer Hill Auxiliary warmly invites parents, teachers and friends of the School to attend

**Australia’s Biggest Morning Tea - In support of the Cancer Council**

Date: Friday 24 June 2016 - drop in between 8:30am and 11:30am  
Venue: Upstairs in the Terrace Room above the Cafeteria  
Menu: Tea, coffee and delicious baked treats. Gluten-free options available  
Cost: $10 donation per person – All proceeds to the Cancer Council  
RSVP: Monday 20 June 2016 for catering

Donations of baked goods or ingredients for our bakers would be gladly received  
- please contact Patricia Miller on miller.patricia@y7mail.com

RUGBY REPORT | FROM THE MIC

The motto of the US Marines, *Semper Fidelis* (Always Faithful), has currency in a wide range of contexts, including the attitude displayed by Trinity First XV players to one another in their hard-fought win against Cranbrook on Saturday. Without drawing a combat analogy with Rugby, the Marines’ maxim, in the context of our sport, captures the importance of trust and respect between fellow players to be relied upon to do their jobs defensively and without questions.

The score line on Saturday is a testament to the team dynamic and the degree of synergy required to hold off a determined opposition. Their intensity never waned during the game, which made it even more satisfying as a spectator to witness an escalation in the desire both teams displayed in the final five minutes. While Trinity was hammering Cranbrook’s try line, the opposition was desperately looking for any avenue to counter attack, despite the enormous pressure generated by the Trinity First XV.

The final whistle determined that the boys in Green were the victors; however, the character of the players from both teams emerged as the winner from a game of Rugby in which no quarter was asked or given.

1STS

The game last Saturday against Cranbrook was a display of the proverbial arm-wrestle, intensified by the inclement weather. The Trinity First XV adopted a game plan to suit the weather, keeping the ball among the forwards, and unleashing the backs when a substantial attacking platform had been established by the forwards, incrementally inching forward.

Despite the low scores, the Firsts’ desire to win by a higher margin was sustained throughout the match, making it an exciting spectacle to behold. Cranbrook held firm in their defence until sustained pressure in their ‘22’ translated into a well-timed run by Matthew Langham (11We) off a short ball to score. Jordan Morris (12St) followed through with a neatly converted kick to add the extra two. Jordan’s contribution didn’t stop there: he was used effectively as a penetrative ball-carrier to regularly test the defence, often providing the platform for further attacks into Cranbrook’s half.

Ryan Longville (12Mu), playing at fly-half, carried the ball close to the Cranbrook line, before offloading to forward pods or cleverly releasing inside balls to backs running narrow channels close to the forwards to disrupt the opposition’s defence. Liam Rasch (12WJ), using his footwork, often found gaps around the rucks or when picking up from the back of rucks. James Wayland (12He) again made his presence felt until he was forced to leave the field, ably replaced by Matthew Doyle (11Hi) in the front row. Kristian Souvaliotis (12Du) and Sipu Tuitavake (12Ho) were busy throughout the forward dominated match with strong defensive efforts in both halves.

Although the difference in the score remained only one point, the Trinity First XV maintained their composure and ground out the win.

Andrea Folli | MIC Rugby

BILL TURNER CUP ROUND 3: 2-0 WIN

On Monday the 6th of June, the Bill Turner Cup squad were prepared and excited for their first game (Trinity received a bye in first two rounds) of the Cup against Homebush Boys High School, a squad that most of us didn’t know much about when going into the game. This didn’t mean that we could underestimate them at all. After a warm up during lunch with the support of all the Trinity boys watching, the team was in the right mindset and spirit before the game. Both teams came out of the gates hard with constant back and forth gameplay where both defensive lines managed to hold strongly. Though the Homebush Boys were physically bigger than most of us, this didn’t whatsoever affect the team’s efforts and determination to win. This showed when Samuel Harb (9Sc) managed to slot a goal in pass the Goal Keeper from just inside the box 15 minutes into the game. After this, Homebush were slightly discouraged and began arguing with each other. This allowed us to catch them off guard with another goal, five minutes later, from Dimitri Gremos (8Fo). We went into the halftime break with a 2-0 lead, but this did not mean we could let our guard down. Throughout the second half, the defence was top notch from both sides and no further goals were scored from either teams. Special mention must go to the Captain, Elijah Hooper (9Ar), at centre back, who was impossible to get past! It was a great overall game, where both teams fought hard. However, Trinity managed to comfortably go through to next round, where we will be facing Greystanes High School.

Isaac Wilkins (9Mu)

WEEKEND WASH-OUT

The wild weather last weekend meant games on grass home and away had slim chance of being played. It was hoped that games on Trinity No. 2 would still go ahead as the field was fit for play at 730am. The East Coast Low had other ideas. By 8am the field was unable to keep up with downpour that continued until the early hours of Monday morning. With a break from the rain though, Trinity No. 2 had a chance to catch its breath and was fit for training on Monday morning before school.

Luke Gray | MIC Football
This week was absolutely amazing. With Trinity defending the house and playing host to the undefeated Sydney Grammar School, the boys knew this would be a tough game. The last time these two teams faced off last year resulted in a victory to the Green and White in a nail-biting 5th set with the score reading 19-17. The first set was intense from the very first point, as the boys who came down to support the team lined the balcony and screamed their chants in support of Trinity! The team came out somewhat nervous and shaky and this showed in their performance as Grammar quickly capitalised and took out the set 25-9. The boys started to lose some of those first set jitters, but the second set was much the same, with Grammar serving aggressively and making virtually no unforced errors. However, it was in his team talk that our coach David Zhang said to the team that he could “change the rotation and the tactics all day long, but at the end of the day it’s what you do on the court and how badly you want this game, how badly you want to win”. From this moment the team changed their demeanour and started to believe they could do it. In the third set, to the roar of the home crowd, Trinity came out ready to play with determination. They fought hard for every point and were willing to put their bodies on the line for the team. Trinity ended up taking the set 25-14 and the momentum was starting to shift in Trinity’s favour. This brought on the fourth set. Trinity came out and the Green and White army spurred them on to take the fourth set 25-17. This brought it all down to the fifth set, the final set, the desperate race to 15. Trinity won the toss and decided to serve. Trinity took an early lead 8-4, but the Grammar boys closed that gap to 8-8. Trinity dug deep and managed to win the final set 15-11. It was a truly amazing effort to come back from 2 sets to nil and win 3-2.

On behalf of the 1st VI Volleyball and all of the Trinity Volleyball community, we would like to thank all of those people (parents and students) who came to support us, for we could not have done it without them. This was an amazing performance from both teams. Volleyball was our true winner on the day. Thanks to the Grammar boys for making the trip out and showing such great sportsmanship all game. Special mentions this week go to the Vice-Captain Angus Webster (12WJ), for showing true leadership in the crucial moments of the game. He had some of the best attacks all season in this game and showed truly why he is such a threat in a hitting position. Trinity will cherish this game, but celebrations will soon be cut short as they have the rest of the season to train and focus on if they intend to go through undefeated.

Lewis Jupp (12WH) | 1st VI Captain

Unfortunately this week the team went up against their hardest opponent, Sydney Grammar. With Grammar’s gap between their Firsts and Seconds being narrower than ours, the boys were really demanded to step up and play this powerhouse opponent. With a fairly even start, the opposition quickly drew ahead, taking the first set. The boys’ spirits were down, so using the energy from the next door crowd they fought harder, but this effort was diminished when Grammar brought out their big hitters, taking the second more convincingly. Spirits were low going into the third; heads were down and the boys began to become frustrated and angry, the start leaving them at the first few points but, turning their fury into focus, the team began to find their rhythm again and fought hard till they drew the last set to a deciding two points.

Josh Gereis (12Ar) | 2nd VI Captain

In game 6 of this winter season we played Sydney Grammar, a notoriously good Volleyball school. We started off strongly, with a good series of serves from Alec Mackenzie (9WJ). We played well in the first set, maintaining the lead for the first half of the game. Their serves, though, proved too strong and allowed them to catch up and surpass us, going on to win the set. We dropped the first set 11 points to 21, though we were playing well and were not disheartened. We went into the second set warm and ready for the challenge. It was neck and neck for most of the set. We were kept in the competition by the determination and accuracy of setter Calvin Li (10Ar), as well as some incredibly powerful jump serves from Ken Zhang (11WJ). Unfortunately, we dropped off at the end and again succumbed to their well-placed float serves, losing the set 17 points to 21. We went into the third set disheartened but not unhappy with how we were playing. We pushed them right until the end, though eventually dropped the third set 16 points to 21. We played very well as a team, but Sydney Grammar was simply too strong.

Ben Holzwarth (11WJ) | 3rd VI Captain
CROSS COUNTRY

GRAMMAR INVITATION,
Saturday 4th June 2016, Mutch Park

I was nervous heading to Mutch Park on Saturday for the Grammar Invitation. Not because I was concerned that any of the Trinity Cross Country runners may have dissolved in the rain, I had that possibility covered in a Risk Assessment before the season commenced! I was more concerned by the animals, in pairs I noted heading east, passing two giraffes, two emus and two aardvarks enroute. Then on arrival there was an old bloke with a long grey beard banging planks together. Anyway, my fears were allayed as we witnessed some sensational Cross Country action, as Noah packed up his boards and sent the animals home, obviously he was, surprisingly, not quite able to get things afloat! To say the boys had fun is an understatement, as it has been many years since we have witnessed such 'old school' fun and action in the Muddy Waters - wasn't he a folk singer?

The 14s race started promptly at ten in a deluge! The Trinity contingent surged to the fore, not surprisingly, seeing how well our Cross Country runners who are also swimmers did! Ethan Brouw (8Ta) looked at home – saturated, but wrested a fine win from the clutches of our own Patrick Cantlon (7Du) in a well-timed surge to the line as Trinity placed one two. William Cooper (7Hi) relished the damp conditions coming 8th and Theo Christian (7He) was 14th, completing another emphatic victory in the Teams’ event. We had a very pleasing 6 runners in the top twenty as William Martin (7WH) was 16th and Zac Brown (8Ho) 20th.

The 16s also ran in torrential rain for much of the race and did well to place 3rd in the ‘Teams’ event. Jonno Batson (10WH) chose to run in his own age group as he was feeling a bit crook before the race. However, any malaise didn’t show, as he was a superb 2nd to be our first athlete home. Tyeson Street (10WJ) started conservatively, but kicked away from his fellow Trinitarians to be a fine 14th. Joshua Roberts (10We), possibly our muddiest (is that a word?) runner at race’s end, also ran a fine race, slowly grinding his way through the field to be 19th. Thomas Spratt (9Mu), despite grumbling lots pre-race, ran well to be 28th and completed our 16s team. Two places further back was Kash Powell (10Ar) in 30th and I was pleased to see some tenacity from Matthew Turner (10Ho) as he was 62nd.

Our Opens cohort, once again, was 10th in the Teams’ event. However, the highlight was the run of Benjamin Bishop (9Hi) who swam up, oops, I meant ran up, in a bid to make the CAS Open Team to take on the GPS next term. This he secured with a fine 16th place to be the 6th CAS runner home. It was also great to see debutante Phillip Davies (12Ke) being able to have a run, and coming a good 58th, Paul Raptis (12Ta) was 64th and el capitan William Jeffree (12Ho) was 66th.

Occasions such as these will stay with these young men for many years. No doubt the banter at a reunion some twenty years down the track may well include reminiscences such as, Remember how wet it was at Cross Country at Mutch Park back in 2016? and I swear I saw a dolphin at one stage on my second lap!

Mr Woods’ Harriers of the Week: Ethan Brouw, Jonno Batson and Benjamin Bishop.

Good running,

Michael Spratt | MIC

*Superlative degree of muddy
**DEBATING**

On Friday 3rd June, the Debating Society once again demonstrated its vast array of talent in public speaking by contributing to the Festival of the Arts. Three elite senior debaters performed ‘The Great Debate’, endeavouring to determine which is the superior art form, with Joshua Seet-Lee (12Ke) representing the musical arts, Sidharth Parulekar (12Dj) the spoken arts and Yu Fan Zheng (12Mu) the visual arts (and most ably compared/umpired by Michael Pahos (12Hi)). Attempting to mirror the popular television programme ‘Q&A’, our three panelists provided a light-hearted and amusing debate that had the full capacity audience in the Latham Theatre in constant laughter. Some issues raised during the debate included questions such as, *What is art? Which is the most accessible art form? Should we even be debating what is the highest art form?* The Great Debate proved a hit with many returning for the second edition later in the evening. Overall, the debate was thoroughly entertaining and thought-provoking, showcasing the best of debating at Trinity.

In other news, the Society’s most successful debating team, the Year 10 FED team competed against Newington College in the Grand Final of the FED Debating Competition. The team, consisting of Nicholas Pavic (10La), Alex Ciarroni (10Wh), Jonno Batson (10Wh) and Calvin Li (10Ar) debated the topic on the night that *Voting should be voluntary*. Trinity were the negative team, advocating Australia’s current voting system and how it provides an accurate representation of Australia, including a comparison between the Australian and American voting systems and how compulsory voting focuses on both the policies and people of a nation. Trinity debated with flair and illustrated their extensive general knowledge of politics, providing a strong and coherent argument throughout the debate. The debate could have gone either way with even the audience split on who should win. However, after adjudication it was not to be, with Trinity finishing second. Although an unfortunate loss, it should not take anything away from the boys who ended the season with an incredible record of 9 wins and 2 losses after finishing top of their group and defeating St Joseph’s in a memorable semi-final victory. I would like to congratulate not only the boys who debated in the grand final, but all debaters who contributed to the FED team throughout the season. Equally, I would like to extend my thanks to the FED coaches for their supreme support and guidance throughout the season. The Year 10 FED team are an excellent example of what can be achieved in the debating society and I hope all debaters can take inspiration from their performances this season into what will be a hotly contested CAS competition beginning in Term 3.

Michael Pahos (12Hi) | Debating and Oratory Captain

**SCOUTS**

**REGION CAMP THIS WEEKEND!**

This week it was great seeing the Cubs and Scouts getting the gear out to be packed, with those who have done so previously teaching the newer scouts what is needed. Region Camp is challenging, adventurous and full of possibility. Camp is an opportunity for parents to let our children go a little – let them stand on their own two feet, it’s an expression of confidence, of trust in their abilities and a test of your parenting. For these very reasons the boys are catching the train and carrying their gear to camp. Packing lists have been issued: it will be cold at night but hopefully warm and dry by day. Regardless, the Scouts will have fun, learn new skills, as well as strengthen and make new friends. The theme for the activities on this year’s camp is *Indiana Jones*.

There are three simple things as parents we can do to help our Scouts prepare for a camp (and boys prepare for School camps too).

1. **Put your Scout’s name and troop on EVERYTHING!**
2. **Please DON’T pack for your Scout!**
3. **Help your Scout keep track of his gear.**

At Closing Parade this week Ryan Snowsill (7Ho) gave all Scouts a timely reminder that they need to come prepared with appropriate verification of their skills and proficiencies when seeking badges. This may include bringing an item or record, or authorisation from a teacher, parent, coach or other qualified person that they have competently completed the task or acquired the skill.

Another swag of badges was awarded this week. It is great to see the boys learning new skills and receiving recognition for existing skills that have been honed. Awardees this week were:

> **Aiden Murphy (7Du)** – Explorer level Citizenship
> **Paul Audi (7Ar)** – Scoutcraft Badge and proficiency badges in animal keeping and team sport
> **Nick Magoulals (7Sc)** – proficiency badge in literary arts

All students interested in Scouting are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

Lachlan White | MIC Scouts
MATHEMATICS CLUB MATTERS

COMPETITION

It was pleasing to see there were many submissions to and much interest in the problems in Bulletin VI from both Middle School and Senior School boys interested in experiencing Mathematics. Every correct solution will go into the draw for the chance to win a major prize at the end of each term.

Congratulations to last week’s winners, Christian Becvarovski (7Ar) and Darren He (10Ho) for having the first correct solutions drawn from the Middle School and Senior School boxes. Would they please see Dr Osman for their weekly winning prize.

The answer for the Middle School Problem was $\text{HA} - \text{AH} = 18$, then the value of $\text{H} - \text{A} = 2$. The answer for the Senior School Problem was the least total number of tiles is $19$. Complete worked solutions for the Middle School and Senior School problem have been posted outside the Mathematics Department office.

THIS WEEK’S PROBLEM FOR BULLETIN VII:

1. Years 7-9: Middle School Problem
due on Tuesday 14 June 2016
A famous sequence begins $1, 1, 2, 3, 5, 8, 13, 21, 34, 55$, and so on. Each term of the sequence after the second term is the sum of the two terms before it. The eleventh term is $34 + 55$ or $89$. How many of the first thirty terms of this sequence are odd numbers? Please show working to justify your answer!

2. Years 10-12: Senior School Problem
due on Tuesday 14 June 2016
14 can be expressed as the sum of two prime numbers in exactly two different ways: $11 + 3 = 14$ and $7 + 7 = 14$. In how many ways can $40$ be expressed as the sum of two prime numbers? Please show working to justify your answer!

Please place your name and House group with your submission by Monday lunch-time (1.10PM) at the Mathematics Department Office.

Dr Frederick Osman | MIC Mathematics Club

Problem internet use and screen addiction in school children
A practical guide for parents and families | Secondary Focus

Presented by Dr Philip Tam
Child psychiatrist, researcher & clinical lecturer

In this highly topical and interactive presentation, Dr. Philip Tam will be outlining how the phenomenon of problem internet use (PIU) – commonly dubbed ‘internet addiction’ or ‘video game addiction’ – has emerged as a major mental health and social problem around the globe and in Australia over the past decade or so.

He will then summarise the key research findings on how to appraise and address this phenomenon, and offer practical, and evidence-based solutions and resources for concerned parents and families. Also covered will be important developments in the field of ‘integrated education’, which utilises the huge potential of internet-based technologies to enhance educational outcomes and ‘draw away’ students from gaming and social media distractions in the class setting.

The seminar will also be highly relevant to school counsellors and teachers, who are also often ‘at the coalface’ of emerging internet use difficulties in schoolchildren, both in the primary and secondary settings.

Dr. Philip Tam is a Sydney-based child psychiatrist, researcher and clinical lecturer. He has a long-standing clinical, teaching and advocacy interest in the emerging and complex domain of internet- and video game-related psychological problems, and regularly comments on this topic across the Australian and international media. He is also a co-founder of niira, the Network for Internet Investigation and Research in Australia, a pioneering research and advocacy group aimed at assisting school counsellors, psychologists and concerned parents in the domain of PIU.
Upcoming Trinity Lunch Career Education Sessions in Term II:

Monday 20 June 2016
Time: 1:10PM Venue: Latham Theatre
Bedford College – Presentation on Skills for Life. Learn about Industry links and Formal University Pathways that provide graduates with ‘the edge’ in employment and further education success.

Tuesday 21 June 2016
Time: 1:10PM Venue: Latham Theatre
University of Wollongong – Presentation on Tertiary Courses – Be inspired – discover why The University of Wollongong is the place for you!

Thursday 23 June 2016
Time: 1:10PM Venue: Latham Theatre
Western Sydney University – Presentation on Tertiary Courses – Be inspired – discover why The Western Sydney University is the place for you!

Friday 24 June 2016
Time: 1:10PM Venue: Latham Theatre
Building a Resume and Personal Profiling Workshop.

All Career Education details, timelines and events for students will be advertised on the Library Career Notice Boards and in this online Careers Section or alternatively come and see me.

Get yourself familiar with following CAREERS websites:

My High Schools Careers Website:
Trinity subscribes to a careers service which allows students and parents to be kept up to date with Careers News and Events. To access this information go to the website www.mhscareers.com and then login with: Trinity and the Password: mhs2016

Careersworks Website:
CAREERSWORKS is a directory of careers resources and sources for secondary students and those who care for them. Including HSC, ATAR, BOSTES, UAC, bonus points, EAS, SRS, universities, scholarships, fees, subject selection, apprenticeships, the RoSA, USI, TAFE, industry areas, jobs, gap year, resumes, profiles/tests, uni open days, international students, disability, employment and much more.

CAREERSWORKS is a student friendly website based on “back to the source” for all information.

CAREERSWORKS is accessible anywhere, anytime from any online device including mobile phones, iPads, laptops and tablets.

To access this information visit the website at: www.careersworks.com
Password: start

JobJump Website:
To access this information go to the website www.jobjump.com.au and then type the first couple of letters of Trinity in the first white box on the right hand side and when the name of your school appears in blue on the screen, simply click on it and it will enter into the first box. Then enter your email address (preferably your home email address for students, as your school email is lost at the end of Year 12) and click Login. Enter the Password: trinity and then answer a couple of brief questions to register.

CADETSHIPS IN ENGINEERING AND TECHNOLOGY:

The Technology Revolution is here

Engineering & Technology Cadetships (ETCAD) Programme
Opens on 26 April and applications close 17 June. Run by Professional Cadetships Australia. The 2016 Programme provides Year 12 students with the opportunity to apply for a Technology Cadetship at Westpac. On completion of their cadetship, Technology Cadets are well-placed to pursue a career in IT and in business. (This year Rolls-Royce will not be offering Engineering Cadetships). Information on the ETCAD Programme may be found at www.etcad.com.au

UNIVERSITY:
The University of Sydney
Explore Engineering
Register by 10 June | 11 to 13 July. July school holidays for Year 9 and 10 students interested in finding out more about engineering. Students will participate in hands-on activities and meet current engineers and engineering students. sydney.edu.au/engineering/high-school/explore-engineering

UNSW
Industrial Design Workshop
12 July . 9.30am to 3.00pm. UNSW Kensington Campus
Hands on workshop. Apply here: https://www.futurestudents.unsw.edu.au/industrial-design-workshop

Sir John Clancy Auditorium, UNSW Kensington
Years 11 and 12 students and their parents on the application process. Register below at: https://www.futurestudents.unsw.edu.au/scholarships-information-evening-2016

UWS: Parent Information Evening
Penrith Campus: 3rd August
Parramatta Campus: 21st July
Campbelltown Campus: 26th July
Students and their families may attend to learn about how the ATAR works and the range of university entry options available. Attendees will also learn about fees, HECS-HELP loans, and all that UWS has to offer. http://future.uws.edu.au/future_students_home/events_at_uws/parent_information_evening

Fresh Science at UNSW
26 July. Session A: 10:00am to 12:15pm. Session B: 10:15am to 12:30pm. Students and teachers are invited to hear the state’s brightest new researchers talk about their research, results and discoveries. Two free, one hour forums will be held on campus where five researchers will each present for five minutes followed by questions. The forum will be combined with science activities and tours of the campus hosted by UNSW Science. Go to https://www.science.unsw.edu.au/events/fresh-science-unsw-2016 to register. Limited places.

UNSW Elite Athletes and Performers Bonus Point Guide

UTS Law Information Evening
22 June. 6pm to 8pm. Law entry pathways, scholarships, practical learning, student life overseas experience. To register http://www.uts.edu.au/about/faculty-law/events/law-undergraduate-info-evening

UNSW
Law Admission Test Information: Admission to Undergraduate Law at UNSW is changing. For entry in 2017 and beyond, we are broadening our assessment of applicants for entry to our Undergraduate Law Dual Degree programmes. We are introducing a new test, the Law Admission Test or ‘LAT’, to give students the opportunity to demonstrate their suitability for the Law programme and allow us to better assess applicants. A student’s LAT result, together with their ATAR (or equivalent), will provide us with a more rounded view of their aptitudes and skills for our Law programme. https://www.futurestudents.unsw.edu.au/law-admission-test-lat-information-evening

Bond University
Medical Programme: Bond’s Medical Programme comprises two sequential degrees - the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD). All students selected for entry into the Medical Programme will have to complete both the BMedSt and MD to be eligible for registration as a medical practitioner in any state or territory in Australia or New Zealand. Both degrees are awarded at the completion of Year 5. https://bond.edu.edu.au/program/medical-program

Western Sydney University
The Academy Scholarships: Excel in your studies and contribute to your community and you may receive: VC Leadership Scholarship, $10 000 per year. Dean’s Scholarship and Academic Excellence Scholarship, $5 000 per year. http://www.theacademy.edu.au/scholarships

Notre Dame: Business – Law – Arts Symposium
21st June 2016, 10am to 2pm, 104 Broadway, Chippendale. Registrations are now open for the Business – Law – Arts Symposium, the event is for students in Years 11 and 12. The day will provide information on different career opportunities
available through degrees in Business, Law and Arts as well as curriculum support for students and teachers and allow students to hear from academic staff on current issues. http://www.nd.edu.au/events/2016/business-law-arts-symposium

Bond University: Medical Programme: Comprises two sequential degrees - The Bachelor of Medical Studies (BMedSt) and the Doctor Medicine (MD). It is designed to equip graduates with the knowledge, skills and attributes that a doctor requires to effectively practise medicine in today's complex health care environment. https://bond.edu.au/program/medical-program

Guaranteed pathways into UOW
UOW College offers 28 week courses that can guarantee students entry into the first or second year of a range of UOW undergraduate degrees (subject to meeting UOW entry requirements). For information visit http://www.uowcollege.edu.au/pathway/index.html

GENERAL:

Teachers’ Guild of NSW School Programme. Wednesday 22 June 2016, Centenary Centre, Trinity Grammar School, 5pm to 7pm. This programme will provide aspiring students who are considering studying education at university with the opportunity to meet and potentially be mentored by University academics. An opportunity is also offered for students in Year 12 considering teaching as a career to meet and chat about careers in teaching with experienced educators, potential employers, final year pre-service teachers and representatives from the University sector.

HSC Support Workshops
Kickstart in the School Holidays HSC Workshops. 4 to 6 July. Parts of the science syllabus require equipment or expertise in areas that many schools may not be able to provide. Kickstart workshops give HSC students a chance to do experiments and demonstrations of key ideas in the syllabus that are difficult to do in the classroom. Physics 4 July, Biology 5 July, Chemistry 6 July. Registration and info at http://sydney.edu.au/science/outreach/ or 02 9114 08

Free HSC Study Sessions for Year 12s
At Western Sydney University's Parramatta, Campbelltown and Bankstown campuses during July school holidays. Registrations open for English, Maths, the Sciences, Business and Legal Studies, and more. Students must register individually on http://www.westernsydney.edu.au/hscstudysessions

July HSC Lectures at UTS
4 to 15 July
A series of July HSC Trial Preparation Lectures is being held at UTS for Year 12 students. Over 30 subject-specific lectures will be run across 18 of the most popular subjects, all presented by expert HSC teachers/markers. Timetables, further details and registration can be found at https://hscintheholidays.com.au or call 1300 677 336.

HSC Trial Preparation Lectures at Macquarie University
6 to 15 July
Macquarie University will be hosting a series of July HSC Trial Preparation Lectures for Year 12 students. Over 30 subject-specific lectures will be run across 16 of the most popular subjects, all presented by expert HSC teachers/markers. Timetables, further details and registration can be found at https://hscintheholidays.com.au or call 1300 677 336.

HSC Trial Preparation Lectures At UOW
4 to 11 July
UOW (Southern Sydney and Wollongong) will be a hosting series of HSC Trial Preparation Lectures for Year 12 students. These subject-specific lectures will be presented by expert HSC teachers/markers. Timetables, further details and registration can be found at https://hscintheholidays.com.au or call 1300 677 336.

HSC Trial Preparation Lectures At the University of Newcastle
11 to 15 July
UON will be hosting a series of July HSC Trial Preparation Lectures for Year 12 students. Over 15 subject-specific lectures will be run across many of the most popular subjects, all presented by expert HSC teachers/markers. Timetables, further details and registration can be found at https://hscintheholidays.com.au or call 1300 677 336.

Bonus Points Reference
Lists bonus points by HSC subjects across all universities. Available as a PDF with update in November. Enquires: directory@grad.com.au

ATARs by Subject Area
The Graduate Connection has released the 2017 edition of the directoryundergraduate which lists ATARs by area of study rather than by institution. It provides a guide to entry scores by publishing three entry scores - published ATAR, published ATAR less HSC subject bonus points and published ATAR less both subject and regional/disadvantage schools bonus points.

ACU Elite Athlete Programme
ACU’s Elite Athlete Programme has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU. http://www.acu.edu.au/study_at_acu/alternative_entry/elite_athlete_program#1

UOW HSC Study Days
Business Studies. 21 June . 9.45am to 2.15pm http://business.uow.edu.au/hscstudydays/index.html
Economics . 6 September . 9.45am to 2.15pm http://business.uow.edu.au/hscstudydays/index.html

Australian Catholic University HSC Enrichment Day
8 July. North Sydney Campus

YEARS K TO 9 FOOTBALL CLINIC
JULY SCHOOL HOLIDAYS
MONDAY 11TH JULY TO THURSDAY 14TH JULY

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the July Holidays. Benefits of participating at this camp include:

- 24 hours of football tuition over four days.
- Participants train as per the Football Federation Australia National Curriculum.
- 5-8 year old participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
- 9-13 year old participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
- 14-15 year old participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
- Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
- Training facilities include a synthetic all weather football field and three indoor basketball courts.
- Participants play in mini tournaments that replicate the 'A-League/Champions League/World Cup'.
- Participants are tiered according to their playing level.
- All participants receive BBQ on Monday and Thursday.
- Drinks and fruit provided each day.
- Coaching Staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray. Both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is MIC and Director of Football Coaching at Trinity and is the current 1st XI coach.
- See the following link for footage from the 2015 April Holiday Clinic https://youtu.be/5Oj9_gbgiq4
