Last week you will have received notification via email outlining the Head Master’s decision to grant all boys from Pre-Kindergarten to Year 12 a half day on the last day of term, Thursday, 2nd April as a result of the success of the CAS Swimming and Diving team in 2015. This will mean that School will finish at 12:00pm for Pre-Kindergarten and Kindergarten, 12:15pm for Year 1 and Year 2 and 12:30pm for Years 3 to 6 on that day. Please note that minimal supervision will be provided for boys not collected from School at these times. Please inform the School Office (8732 4600) if you’re unable to collect your son at these times. OSHClub will run normal hours in the afternoon – from 3pm.

Over the last few weeks we have hosted a large number of prospective families at three Open Days; the first on Saturday 14th March, the second a specific ‘Pre-K in Action’ Open Morning on Tuesday 17th March and the third was on Wednesday 25th March. It has been wonderful to show our School off and to share the wonderful things that are happening in our School. The Open Morning this week was a unique experience as we had the opportunity to give people a glimpse into what a normal school day looks like. There has been overwhelming enthusiasm people have their first opportunity to experience the Trinity difference. The two big messages we have been trying to communicate about our School are that Trinity Prep is a place where ‘little boys can be big boys’ and it is where ‘learning begins but never ends’. These two messages capture the uniqueness of our School as it is offers a separate campus just for Prep boys but it has the connection to the High School and all of its resources. Secondly, and perhaps most importantly we have a focus on learning in all areas of a boy’s life as we combine mind, body and spirit. These messages have been warmly received and embraced by the prospective families as I know they are by our current families.

Speaking of Pre-K in Action, this Wednesday was brilliant to see our youngest Prep boys experience the joys of a ‘Teddy Bears Picnic’. As I wandered through the boys were reading stories, eating porridge, role-playing and so much more. It was also great to see a number of our Specialist Teachers involved in the fun and games including Mr Bremner who became a big friendly bear for the morning.

Today we had the privilege to listen to some budding young orators as they participated in the finals of the Public Speaking Competition for boys in Years 3 – 6. It is wonderful to see boys have the confidence and poise to stand in front of a group of their peers (both with preparation and impromptu) to share their thoughts and opinions on a given topic. Congratulations to all of the boys who participated in the competition and specifically to the finalists.
I am very much looking forward to next week’s Year 5 and 6 Father and Son Breakfasts (or feel free to send along a big brother, uncle or friend if that is more convenient). These events are a great opportunity to celebrate the important role male role models play in the lives of our young men. If you haven’t RSVP, please contact the School Office as soon as possible to assist with catering.

The Prep School Auxiliary will meet next Wednesday morning (1st April – not an April Fool’s joke) in the Joske Room beginning at 9:30am. All parents are welcome to come along to that meeting.

It has been a busy week for some of our sportsmen. Whilst all of our Year 4 to 6 boys have been eagerly trialling for Winter sports team some of our boys have participated in the Regional Futsal Competition and competed at the PSSA Swimming Championships. From all reports all of these boys represented the School with absolute distinction – well done boys! Further information can be found in the Sportsmasters’ report later in Prep News.

This Saturday our Winter Sports’ trials continue while a number of boys will represent the School at the IPSHA Cross Country Championships at The King’s School. This is an amazing day with boys and girls races of 2km and 3km through the picturesque school grounds. With up to 200 competitors in each race the start is quite a spectacle and the races are hard fought. Good luck to all of the Trinity competitors.

This week we welcome Ms Olivia Hale to our Prep team as a new member of our PE Department, ultimately replacing Mr Bishop. Ms Hale comes to us from Macarthur Anglican School having had previous experience in a range of educational settings. She brings great expertise having completed a PDHPE degree and having Primary teaching experience – a unique combination. Amongst other sporting talents, Ms Hale has competed and medalled in National and International Karate Competitions and she continue to compete. We look forward to the positive influence Ms Hale will have as a key member of our PE Department.

Finally, as this will be the final edition of Prep News for this term, I want to wish all members of the Prep community a safe, enjoyable and refreshing Easter holidays. I trust that it will provide you an opportunity to reflect on the great news of the Easter story.

What is the TEC?

Trinity English Centre (TEC) offers specialist, professional English lessons in a small group environment for 8-Weeks of each Term. TEC classes are capped at 12 students per class to ensure an interactive and intensive learning environment. The TEC is intended to compliment the Primary Years Programme (PYP – International Baccalaureate Organisation) by providing skills-based, English language lessons for students requiring additional Literacy support.

Who is the TEC for?

The TEC is primarily for ESL (English as a Second Language) and NESB (Non-English Speaking Background) students, who need additional support with English to help reach their potential in the classroom. Non-ESL/NESB applicants will be reviewed for suitability on a case-by-case basis prior to confirmation of enrolment.

Where is the TEC located?

The TEC is located at Trinity Grammar School Preparatory School in the Old Library area. The School is located at 115-125 The Boulevarde Strathfield NSW 2135. Students from the Junior School (Summer Hill Campus) are also welcome to enrol. In order to attend TEC classes at the Preparatory School, these students will need to arrange their own transport to the Strathfield campus prior to commencement of classes.

How much does it cost?

Fees: $35 per week per student for 8-Weeks each Term (Fee includes all materials)

ENROLLING FOR TERM 2 | 2015

FROM THE DEPUTY MASTER

The Recitation Competition is an annual competition where each student recites a memorised poem. Miss Cheryl Clifton, an exchange teacher from England in the late 1980s, introduced the Recitation Competition to Trinity Grammar School Preparatory School as a parting gift to the Prep School.

The first round of the Recitation Competition for 2015 will commence in Week One of Term 2. Each boy, in Years 3 - 6, will have the opportunity to recite an own choice poem. This selected poem must be recited at each round.

Once selected, the poem does not change. Books have been carefully picked in the library, from which the boys may choose a poem. The library staff are very happy to help. The boys may of course, and are encouraged to find a poem from a favourite book at home. We would like boys in Years 3 and 4 to select poems which have at least eight lines. Should a longer poem be chosen, the poem must not take more than one and a half to two minutes.

May I please ask that a copy of the poem - with your son’s name at the top – is received by your son’s class teacher before the First Round? Thank you. For boys in Years 5 and 6, the time is most important, with four minutes being the limit for the poem.

1. The First Round takes place within the class, adjudicated by the class teacher.
2. In Round Two, boys chosen from their class will compete against boys from the two other classes.
3. Third Round: Semi-finalists are chosen by a panel of adjudicators - class teachers and sometimes a specialist.
4. Finals Round: Three finalists from each of the years will then be given a COMPULSORY poem to be memorized for the finals. There are two sections in the finals:

Own Choice Poem - the own choice must still be the one chosen for the first round.

Compulsory Poem - Each boy will be judged on the degree of difficulty of the poem, his voice projection and clarity, his vocal, and where appropriate, facial expression and overall presentation. Poetry recitation is all about voice and face. Movement off the spot or around the stage does not form part of recitation. Gestures are not part of a Recitation Competition – it is all about the voice. One winner from each Year 3 - 6 will be chosen for the Finals.

The finals will be held after Chapel in Week 5 on Monday 18th May 2015 in the School Hall, Strathfield, with guest adjudicators. Each finalist will receive a certificate and each winner will be presented with a book prize on this day. An overall winner will be chosen at the discretion of the adjudicators. This award will be presented at our Annual Prize Giving at the end of the year.

The Pre-Kindergarten (PK) Programme

The Pre-Kindergarten (PK) Programme will commence in Term 2 and will be held on Tuesday afternoons between 3pm - 4pm. The programme is a multi-sensory approach to literacy development that focuses on developing oral language skills through a variety of speaking and listening activities. Boys will be immersed in a rich environment of communicative English language designed to assist them reach their potential in the classroom. Parents of PK boys are invited to enrol their son in this exciting programme.
Congratulations to all the participants in the 2015 Public Speaking Competition. The finals of the competition took place this morning – Friday March 27th.

The competition was capably and admirably ‘compered’ by Jamie Christopoulos (Prep School Captain), Ricardo Delgado (Prep School Vice-Captain) and Euan Germanos (Prep School Vice-Captain). This was another opportunity for these boys to demonstrate their outstanding servant leadership within the Prep School community. The adjudicator for the competition was Mr David Magro (TGS class 2013) a distinguished former Prep School boy.

The finalists presented their prepared speech clearly and confidently, impressing the students, parents and teachers in the audience. The one minute impromptu speeches selected from the topics: Get started!; If I were an animal; My hero, were thoughtfully and humorously presented – definitely representing the boy’s individual personalities, bringing smiles to faces!

Positive mentors can play an important role to support learners. They can model effective learning behaviours as well as act as guides when challenges arise. One of the large benefits of an older mentor for younger students is that they can demonstrate how learning stays relevant into the future. The common cry, ‘why do we need to learn this?’ can be answered by the more experienced mentor. A mentor was organised for a Year 3 and 5 Literacy group. The mentor for Year 3 boys was a Year 6 Trinity student, Jamie Christopoulos, our School Captain. Jamie shared with the boys how reading is an important part of his life and the enjoyment he gains from reading fiction and non-fiction books. He took the time to share his favourite novels and even gave suggestions on some books to read such as the Harry Potter series.

Similarly Year 5 met with their reading mentor this term. This was a senior Year 12 student from the Summer Hill campus, Jonathon Dimopoulos. Due to Jonathon’s busy schedule we utilised the technology at Trinity by skypeing with him. The Year 5 boys were keen to know how a Year 12 student could have any interest or time to read for pleasure. Jonathon was able to share with the boys how reading plays an important role both personally and academically. He explained how reading also supported his sporting interests, in particular, following soccer and his favourite team, Chelsea. He also made the links between personal reading and learning, and that reading widely, including non-fiction and fiction texts, has supported his academic learning as well as his keen interest in soccer. He went on to say that reading widely about soccer has improved his skills and knowledge of the game. Jonathon did address the query of time and suggested that you can always make time for things that are important to you.

The Preparatory boys were very lucky to have chatted with two inspiring mentors.

HARMONY DAY WRITING COMPETITION

The boys in Years 3-6 participated in the annual Harmony Day Writing Competition that was completed in class. The students were asked to write an introduction to a story that fits the theme – ‘The celebration of cultures’. The winning and highly commended entries are currently on display in the Library Foyer. I would like to thank all the Mrs Davidson, Mrs Bryce, Mr Munnoch and Mrs Parker for judging the competition and all the students for participating in the competition. I would strongly encourage you to visit the Library Foyer to read the highly commended and winning entries.

THRASS PARENT INFORMATION SESSION

On Thursday 26th March Mrs Margaret Rees TESS Infants Learning Support (Master Teacher) held a parent information session to introduce THRASS. Parents that attended the session discovered that THRASS is a phonetics teaching-tool that makes reading and spelling acquisition much simpler, faster and more sustainable than conventional ‘phonetic’ approaches. As a classroom strategy THRASS is fun, promotes inquiry, systematic and explicit. Thank you to all the parents who attended the session and Margaret Rees for sharing her extensive knowledge of THRASS.

DEBATING NEWS

On Friday March 20th the Independent Schools’ Debating Association (ISDA) TGS Primary B (Prep) Team: Euan Germanos; Jamie Christopoulos; William Lenard and Duncan Feng had their fifth debate of the season against Sydney Grammar School, at ‘home’ (TGS Summer Hill campus). The team debated the topic ‘That all Primary School should watch the news’, arguing the affirmative case. The boys did not convince the adjudicator that they should watch the news and therefore they did not win the debate. Important lessons were learnt from this debate which will stand the boys in good stead in future debates. William Lenard was commended as third speaker (and was encouraged to make this position in the team, his speciality) - with his long list of rebuttals.

As with all ‘home’ debates we provided the Chairman and Timekeeper for the debate. These roles were filled admirably last week by Ricardo Delgado (Chairman) and Nathan Nguyen (Timekeeper). Ricardo and Nathan ran a well organised debate - good work boys.

The next round of ISDA debating will be on Friday March 27th, ‘at home’, against Tangara. Good luck to the team. Two boys from the team will be ‘rested’ each week.

Thank you to the parents for providing lovely treats for supper after the debate and bringing the boys after a long trip to Canberra.

Training will be as usual next week on Wednesday at 7.30am in the Old Library.

ISDA TGS Primary Team B (Prep) and Mrs Sandwell
On Monday 23rd of March, Jamie Christopoulos, Euan Germanos and Ricardo Delgado caught the Light Rail into the city to attend the National Young Leaders Day event hosted by Megan Dredge. The first speaker for the day was Mike Martin (TGS School Captain 1994) the Director of the Halogen foundation who organised the event. After graduating as an Army officer from the Royal Military College Duntroon and working as an Electorate Officer for a federal MP, Mike took over leadership of the Halogen foundation back in 2004. As a member of the founding group of volunteers that launched the National Young Leaders Day in 1997, Mike considers this to be his most challenging and rewarding roll ever. During his speech, he really emphasised the point of ‘Leadership isn’t about having a badge. It’s about influence.’

The second speaker was the very busy NSW Premier, Mike Baird. His speech was short but sweet. He expressed the three qualities of leadership. “1. You can achieve much more than you think you can. 2. Realise that every single person is special in some way shape or form. 3. LEADERSHIP STARTS NOW!!!” He left us with this quote from Hamilton Holt ‘Nothing worthwhile in life comes easy’. Mr Baird’s speech was very inspirational and I’m sure that it will stay with us forever.

After a short break for Recess, The Little Miss dance crew performed for everyone which started off the second session on a good note.

Our 3rd speaker was Bindi Irwin. Her idea of leadership focused on some key principles which she has used throughout her busy life. She told us she always has tried to do everything for the good of others, to follow your heart, and work together to make a difference. She gave us her 3 tips to being a good leader Firstly to be passionate, secondly to learn and thirdly to take in as much as you can and to volunteer your time. She spoke about leaving a legacy for her dad (Steve Irwin), who had passed away in 2006. Bindi left us with 3 quotes. The 1st from John F Kennedy, ‘Leadership and learning are indispensable in life’. The 2nd from Franklin Roosevelt ‘Knowing what is right doesn’t mean much unless you do what is right’. The final one is from her about her dad saying, ‘My dad was one man who changed the world. And if he could, anyone can’.

The 4th speaker for the day was Rachael Leahcar who was a contestant on the 1st Australian series of the Voice and came 3rd, despite being 90% vision impaired. Rachel has been performing since she was 8 and is definitely an inspiration to pretty much everyone. Rachel really focused on the powerful message that having a disability doesn’t mean you can’t follow your dreams.

After lunch, we were treated to a performance from LA Talent and Abigail Adriano. Abigail was a contestant on the Voice kids pilot mentored by Mel B.

The final speakers were Dylan Parker and James Norton, paper plane pilots who inspired the movie ‘Paper Planes’ (2015). They met each other at a paper plane competition at The University of Canberra where they both attended. From there on, they teamed up and conquered the world. Dylan went through some tough times as he had a brain tumour. He fought through this extremely tough time and went on to win the best Australian paper plane maker along with James. This was a very inspiring speech from two great guys.

The theme of the day was to ‘Get Started’. It was an enjoyable day that we all learnt a lot from. A big thank you to Mrs Sandwell for taking us on the day and thanks to the Halogen foundation for putting on such a great event, that we were honoured to attend.

Jamie Christopoulos
CANBERRA 2014 EXCURSION

On Wednesday morning Year 6 boarded our coaches for our trip to Canberra. After about a three and a half hour bus trip including a half hour rest stop we had arrived in Canberra. Our first stop was at the Old Parliament House where we got to go into the original House of Representatives. After this we enjoyed lunch in the park. Our next destination was Parliament House. Here we debated in a staged House of Representatives, that Advertising should be banned during Children’s shows. We then watched the real House of Representatives and Senate during Question Time. We even listened to the Prime Minister speak! We were also fortunate enough to have three members speak to us. They were Craig Laundy, Nick Varvaris and Wyatt Roy.

We then went to our motel for the first time for a delicious dinner and to get ready for the AIS. At the AIS we had a tour of all the facilities and centres including volleyball, swimming and gymnastics. We then went into the Sportex centre. It was a room with virtual and real sports.

On Thursday on the way to the War Memorial we stopped at Mount Ainslie to enjoy the spectacular views of Canberra. At the War Memorial we had a half hour in the discovery zone where we commanded a submarine in the Cold War, flew a helicopter while being attacked as well as other things such as hiding in the bunkers from the enemy. We then went to the Commemorative Area where we heard from a Vietnam Veteran and we laid a wreath.

continued over >
on the tomb of the Unknown Soldier, who represents all Australian soldiers. We also went on a self-guided tour and saw many amazing and informative displays. On the way to the mint we drove past the Embassies. Some of the Embassies such as the Chinese and Papua New Guinean had amazing architecture. At the Mint we learnt about the history of our currency and how our coins are produced. Many of us stamped our own commemorative ANZAC coin. Next was Questacon. The interactive and educational displays where enjoyed by all. The Freefall was a highlight for many of the boys. After a delicious dinner of chicken drumsticks, corn and pasta we made our way to Ten Pin Bowling. Everyone enjoyed their game with many strikes being bowled!

With Friday being our departure day, that meant an early start with bags needing to be packed for the trip home. We visited the Capital Exhibition at Regatta Point. In here we learnt how and why Canberra had to be Australia’s capital. We then went into the Electoral Education Centre where we watched a video with amazing special effects and had a vote between ‘apple, peach, banana and orange’. This demonstrated the electoral process. After a delicious ‘Pizza in the Park’ lunch we boarded the coaches for a long trip home.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital. To assist in meeting the cost of the excursion the Australian Government has contributed funding of $20 per student under the Parliament and Civics Education Rebate (PACER) Programme.

We would like to thank the Australian Government for their support of this programme and their contribution to funding part of our memorable Year 6 excursion to Canberra.

The 6H boys enjoyed helping their Kindy buddies set up their IPADS and Google Drives. The 6H boys then helped the Kindy boys create a document named 'Buddy Journal' and the Kindy boys wrote some comments about buddies this year. This was 'shared' with the 6H boys. The 6H boys wrote their own comments in the document on their Chrome Books when they returned to their classroom for their buddies to read.

This past week has seen Trinity Grammar Preparatory School’s sporting achievements has been remarkable.

Last Saturday we witnessed our Year 3 students showing off their cricketing skills with modified games at Bressington Park. Both the Preparatory School and the Junior School Year 3 boys enjoyed a morning of competition and fun at their Gala day. As I walked around I was impressed with the standard of some of our boys, which we hope will only benefit our sporting programme for many years to come. The day started off cool and cloudy and as the morning progressed there was some ominous clouds that threatened. Finally we had to cut short our morning as the rain came down. The boys and I hope the parents enjoyed the Gala day and we look forward to seeing our Year 3 boys develop further skills for the next Gala day in Term 2.

On Wednesday and Thursday I was also witness to some remarkable swimming by some of our elite swimmers at the PSSA swimming meet at SOPAC. Nine of our boys are representing Trinity & CIS at the meet.

Euan Germanos  Matthew Jerkovic
Hayden Hoang  Lachlan Chung
Jonathan Nam  Michael McPartland
Justin Wang  Andy Lee
Lewis Potter

These boys have been training and competing since the beginning of the year and must be commended for their commitment and dedication to performing at the highest level. Our 4 x 50m senior relay team placed second with a wonderful swim. While our 4 x 50m Junior team was placed third. Andy Lee placed first in the 50m, 100m free. Lachlan Chung has been selected to go to the Nationals along with Andy Lee.

Andy Lee continues to impress at every meet that he has been involved in. Well done to Andy and the rest of our swimmers.

Tomorrow the boys will be tested at the IPSHA Cross Country Championships held at The Kings School, Parramatta. We wish our boys all the best with what will be a testing course and competition. Ten of our students from each year will be running around the King’s campus with the younger boys completing a 2km course while our older boys will run the 3km course. I urge our boys to drink plenty of water today ready to be hydrated for the run. Information has been sent to those parents and I encourage them to be there early to compete.

Also tomorrow, the boys from Years 4 – 6 will be trialing for their winter sport at Bressington Park. Boys need to be there half and hour before the scheduled start of the trials and must have their boots, mouth guards and sporting uniform for their sport. I wish all the boys the best in their trials and hope they enjoy competing for teams and positions.

Please remember to be early to all sporting commitments. If it is raining please call the wet weather number to make sure if there has been any change to the day.

THE LONDON KLEZMER QUARTET:
Delmar Gallery, Tuesday 24th March, 2015.

The London Klezmer Quartet, consisting of Ilana Cravitz, (violin), Indra Buraczewska, (bass), Carol Isaacs, (accordion) and Susi Evans (clarinet), gave a wonderfully spirited recital at Delmar Gallery last Tuesday evening. Despite the inclement weather, the Gallery was packed, and the very receptive audience was not disappointed.

The change of orientation of the performers and audience in the gallery worked marvelously, allowing a much fuller sound to be directed towards the listeners, and making one think that there were more than four musicians on stage.

The music was a mixture of traditional and more modern Klezmer styles. Separated from, but not entirely divorced from traditional Jewish liturgical music, Klezmer is characterised by its expressive melodies, with reference to the flourishes of the human voice. There is a high Eastern European influence, especially from Romania, but the music has no definite geographical restriction. Much of the Klezmer archive disappeared during WWII, but painstaking work by its devotees has now rediscovered many of the lost works.

The concert was made of both traditional and more recent pieces including a joyous rendition of a Klezmer Waltzing Matilda! All the performers were able to showcase their particular talents, and it was evident that a truly collaborative rapport exists between them. Some of the pieces played were Ahavorabo, a call to prayer, Bosphorus, a 1920s piece, a reworking of Louis Armstrong’s Let My People Go, and some Romanian/Bulgarian pieces such as S’iz Nito, and Norge-Bulgaria, the latter played in the very obscure 10-11 time signature.

While generally an instrumental evening, in keeping with the roots of Klezmer, there were also some vocal pieces, utilizing the incredible voice of Indra Buraczewska, which included the haunting Yiddishe Soldatza du Forst, a lament for a lost love from the eve of WWI.

All in all, it was a most enjoyable evening, with the audience unable to contain themselves from joining in with clapping and foot tapping whenever possible. A most polished group in a lovely setting: what more pleasant way could one while away the time on a Sydney evening.

A REMINDER TO PARENTS | SAFETY AROUND SCHOOL ZONES
If you break the traffic rules in a school zone you are putting children at risk.

Safety tips for drivers around school zones.
> You must stop for pedestrians at a pedestrian crossing.
> Always drop-off or pick-up your child from suitable and legal parking spots, even if this means walking further away from the school.
> Never double park.
> Never park across a pedestrian crossing.
> Never perform a U-turn in close proximity to the school, or over double lines, or on the pedestrian crossing.
> Make sure all children in the car use the footpath-side door (safety door) when getting in and out of a car.
> Always ensure children are secured in their appropriate for age child restraint. Preferably seat children in the back seat of a car for safety. Penalty: Unrestrained child $311 & 3 demerit points
> Make sure the hand brake is applied when the vehicle is stationary.
> Make sure everything is organised before coming to school so that the drop off is as fast as safely possible.
> Ensure items in the car are safely in the boot or on the floor.
