It is difficult to believe that we are already a quarter of the way through the year, but what a brilliant start to the year it has been. At the beginning of the year I spoke at our Parent Information Nights about the challenge that lay in front of us which was to take a great school and to make it better. This week at Staff Meeting, the teachers and I stopped to reflect on some of the great growth we have made in only a short time with our goal. Whilst much of the hard work of the teachers goes unnoticed, I want to acknowledge their commitment and dedication to the boys’ learning and their willingness to engage in their own professional learning. The Preparatory School is an exciting place to be at the moment as we explore opportunities and continue to seek ongoing improvement. We look forward to continuing to partner with you on this initiative throughout the year.

It has been wonderful to be part of this week’s Year 5 and 6 Father (or significant male) and Son Breakfasts. In a boys’ school, the influence of male role models is of great significance and an important thing to celebrate and promote. After breakfast, Mr Smith engaged the men and boys in some thinking about priorities before some took the opportunity for a morning game of handball or basketball. We trust that everyone had a great morning!

This week’s Auxiliary Meeting was a great opportunity to discuss the events and successes of Term 1 and to plan for some of the great community activities in store for us throughout the remainder of the term. I want to acknowledge the hard work of Elizabeth McMullen and her team of committed helpers who have given their time to support the school through their organisation and running of a variety of events this term. I know that the boys and teacher appreciated the Hot Cross Buns that were delivered yesterday!

On Wednesday, four Year 6 boys represented the Preparatory School at the Head Master’s Dash at Summer Hill. The race, over 40 metres, was strongly contested and the fastest four runners in the Year 6 category across both campuses eventually competed in the Final on the day. The results were extremely promising for the Preparatory School with Theo Kidd (1st), Theo Christian
(2nd) and Matthew Jerkovic (3rd) claiming the first three places. Unfortunately James Petrakis narrowly missed the final but it was a great effort to be selected.

Over the holidays we will send home (via email) information regarding the Co-Curricular offerings for Term 2. To streamline the registration process, we have collated all of the activities onto one document that contains links for registering and paying. I trust that the wide range of activities on offer provides the boys with the opportunity to pursue areas of interest or simply the chance to try something new.

From the beginning of Term 2 boys will wear their winter uniform. This will include their grey jackets. Boys must ensure that they are appropriately dressed at all times in School uniform. Please endeavour to assist your son in following the requirements in this regard.

William from 3S has misplaced his FM receiver. Please check your son’s school bag to make sure that it has not accidentally been caught up. This was last seen on Harmony Day.

Today, all of the boys and teachers came together for an Easter Chapel. It was a special moment to have all of the Preparatory School together for this occasion (something we might try to do a little more often). It provided the chance for us to celebrate the term together, for our Kindy and Year 6 buddies to sit with one another, and importantly, a chance to reflect on Easter.

I want to wish all members of the Prep community a safe, enjoyable and refreshing Easter holidays. I trust that it will provide you with an opportunity to reflect on the great news of the Easter story.

Chris Wyatt | Master of the Preparatory School
On Friday March 27th the Independent Schools’ Debating Association (ISDA) TGS Primary B (Prep) Team: Nathan Nguyen; Duncan Feng; William Lenard and Euan Germanos competed in their sixth debate of the season at ‘home’ (TGS Summer Hill campus) against Tangara. Ricardo Delgado was sick and Jamie Christopoulos was on leave.

The team debated the topic That Australia should do more to protect Antarctica, arguing the affirmative case. The boys put forward a strong case, attempting to convince the adjudicator that we should indeed do more (than we’re currently doing) to protect Antarctica: mentioning the importance of leading by example, looking after our ‘neighbours’, allocating money in our budget (not ignoring other issues) for vital research into global warming and the alarming consequences of melting ice caps, leaving the world for future generations in better shape and honouring and continuing the explorations and work of scientists through history. The team did not however convince the adjudicator and did not win the debate. In the feedback from the adjudicator the boys were told that global warming is a ‘global’ issue and should be seen as such, there’s little point in attempting to improve this. She agreed with Tangara that we can’t protect Antarctica any more than we currently do and we should be satisfied with the status quo. The TGS boys are still convinced that they should try to make a difference in the future! Each member of the team made outstanding contributions to their case. The supporters in the audience were very proud.

As with all ‘home’ debates we were due to provide a Chairman and Timekeeper for the debate. Finding ourselves with neither, due to leave and illness, these roles were filled admirably (at the last minute) by Hamish Davidson McLeod SO (Chairman), fresh from his Prep Public Speaking Competition win (and a basketball grand final match) and Dimitri, a Middle School debater (Timekeeper). Thank you Hamish, Dimitri and Mr McLeod (transport and support).

The next round of ISDA debating will be next term, on Friday April 24th, ‘at home’, against MLC. Good luck to the team. Two boys from the team will be ‘rested.’ This is the last debate before the finals rounds start.

Thank you to the parents for providing lovely treats for supper after the debate.

We won’t have training on Wednesday April 1st due to the Year 6 Father/Son Breakfast on 1/4/15. The next training session will be 7.30am in the Old Library on Wednesday April 22nd.

ISDA TGS Primary Team B (Prep) and Mrs Sandwell

Dear Parents,

There have been problems with the PRC website. This means uploading the new users and requests for new passwords has been delayed. Once the issues have been resolved we will upload the information. For the moment keep a hardcopy of your son’s reading and afterwards you can then enter the book lists into the PRC site. It is probable that usernames and passwords will be issued next term.

Thank you for your understanding.

Regards,

The Prep Library

Registrations for the NSW Premier’s Reading Challenge open early March. If you would like to participate in the challenge for the first time please complete the form by clicking here.

If you have previously participated in the reading challenge you only need complete this form if you have misplaced or forgotten your user name and/or password. Logins from previous years will become active again on March 2. Further information about the challenge can be found at https://online.det.nsw.edu.au/prc/home.html. If you have any questions please contact Mr Munnoch in the Library.

We moved to a new Library Management System at the beginning of this year and are still working through some teething problems. One of these is that there’s no way to print hardcopy overdue notices, it has been designed so that they are emailed. We have set this functionality up and will be emailing overdue notices directly to parents/guardians so they are aware of any books that need to be returned to the library. A current limitation is that only one email address can be entered per student file. I do apologise in advance to those people that normally receive school correspondence to two different email addresses. The software update scheduled for over the holidays is supposed to allow multiple email addresses to be added, so some time at the beginning of term two we will add both parent/guardian email addresses where appropriate, in addition to the student email address for boys in Years 3-6.

A reminder to parents that the Library is open for after school borrowing at 3:15pm. Before this time, classes are being held and so the Library needs to remain an important learning space for students. Thank you for your assistance.

TRINITY QUILTERS

The next meeting of the Trinity Quilters will occur on Friday the 24th April in the Bosch Room at Summer Hill. We are a group of mothers and past mothers from the Preparatory School, Junior School and the Senior School, and meet usually on the fourth Friday of the month. We have beginners and experienced quilters who gladly share their knowledge, in classes held during the year.

We also make quilts for members of the Trinity School family who may be suffering from serious illness.

If you are keen to join the group, please ring Helena at reception (9581 6000) and leave your details we will contact you with more information.

Susie Cujes
Dear Parents,

‘Junior Rugby Clinic’ will be running again this term; the clinic is open to Preparatory and Junior school boys in Years 3 to 6. The clinic will be held on Friday afternoons from 3:45pm to 4:55pm on Oval 3 of the Summer Hill campus. It will commence on Friday 1st May 2015 and run for the remainder of the term.

The clinic will develop handling skills, evasive footwork, spatial awareness and game sense. The training is designed to be fun and fast with the emphasis on non-contact skills and games. The program will be delivered by Josh Clark, an ARU Level 2 coach. Josh has worked with the senior and junior school rugby teams for the past 4 seasons, prior to this he played professional rugby in the UK and was involved with England schoolboys.

The cost of the Rugby Clinic is only $100 for the term. If you would like your son to join please fill out the registration form. This can be accessed by visiting the home page of the Junior and Preparatory school websites and clicking on the ‘Rugby clinic’ link.

Payment for this activity is required prior to attendance. Please note Preparatory school boys may have to make their own travel arrangements, as spaces on the bus to the Summer Hill campus are limited. Boys should wear any school sports clothing and bring mouth guards and boots.

If you require any additional information, please contact Lachlan White lwhite@trinity.nsw.edu.au or Josh Clark on coaching@nolimitssports.com.au.

Kind Regards,

Lachlan White | MIC of Rugby

**PRIMARY REGIONAL SEVEN’S**

On Thursday 19 March, Trinity boys competed in the Regional Rugby sevens. The were two teams which competed, an Under 10 team and an Under 12 team. There was tough competition for both teams. The Under 10s side enjoyed playing, in what for many boys, was one of their first rugby matches. The Under 12s did exceptionally well, winning the overall competition with a win over Newington in the final, 28-0. The under 12s will be competing in the next round which is the NSW finals, against other schools across NSW. This day wouldn’t have been able to happen without the help of coaches Mr. O’Young and Mr. Alagna, and the parents who came to support the team.

The following boys competed in the Regional seven’s:

**Under 10s:**

**Under 12s:**
Sebastian Boffa, Thomas Buvac, Jack Casimir, Tomas De Szoeko, Harrison Evans, Hunter Hannaford, Antonio Lazzaro, Darcy Mooney, Joshua Perera, Max Ryan, Jacob Stark, Thomas Yarrow and Juno Yim

AUXILIARY NEWS

Hi everyone,

Phew, that was one busy term!

Because of the short week my deadline is before anything actually happened. So I’m going to make it up!

The packing for the Hot Cross Buns went very well (I’m sure it did, it always does). Another PB (we just get quicker each year)! Thanks so much to Louise Robertson from the Summer Hill Auxiliary for the hot cross bun generosity. Did you know that they buy 2500 for the WHOLE school?! And thanks to all the wonderful volunteers who turn up and throw buns in a box like nobody’s business. There’s never even any time to write down who was there. Flashes of lightning, all of them.

And the Auxiliary meeting - what a turnout! Actually I’ve give you the real details from the Auxiliary meeting next term.

Don’t forget the Mothers’ Day order form is now available. Order early and order much!

Enjoy your Easter break,

Til next term,

Elizabeth McMullen | President Strathfield Auxiliary

REGIONAL SCHOOLS FUTSAL CHAMPIONSHIPS

On Thursday 26th March, Trinity competed at the Regional Schools Futsal Championships in Marrickville. Four teams of eight players were entered from Year 3, 4, 5 and 6. These were combined teams from the Preparatory and Junior Schools. Boys were selected from the Year 3-6 Co-curricular Football programme which occurs each Monday and Friday morning. Selections for this programme were at the start of term IV last year. The next trial selection for this programme will be in Term IV of this year. Dates and times for this will be communicated through the School newsletter.

U13 DIVISION - TRINITY WHITE TEAM

The boys got off to a great start with a 1-0 win in game one after some passionate defence and a nice goal from Alexander Page (5Sc) which found the bottom corner. The second game marked an improvement in structure and positional play from the boys. Some terrific shots at goal were taken by Anton Borodin (5Fo) and James Kaye (5Hi), but they were unable to beat the keeper. Our goalkeeper, Omkar Pednekar (5La) also made some excellent saves of his own to keep us in the match, which finished at 0-0. Determined to get back on the winner’s list in game 3, the boys displayed resilience after going down 1-0. Some exciting attacking play from Rhys Williams (5Yo) and a great goal to Sami Hatoum (5Hi) levelled the scores at 1-1 another draw for the team.

There was a real buzz in the air approaching the final two matches of the day as all teams were still in with a chance of making the finals. Game 4 brought us another fine goal from Sami Hatoum and fantastic solo efforts in defence from Anton Borodin. Our structure and whole-team defence fell away as the boys chased the victory. A flurry of late goals from the opposition resulted in a lopsided score line of 5-1. With a finals spot looking out of reach, the boys of Trinity White were determined to go out on a high regardless and improve on the result from game 4. Some neat passing play from Phillip Manuli (6Ta) enlivened our attack, while some wonderful solo runs and team leadership from Kurtis Castorina (6He) kept us in the contest right to the end. A couple of late goals to the opposition led to a 2-0 loss for our team, although our improved performance was recognised by all.

Jonathon Borger | Coach

U13 DIVISION – TRINITY GREEN TEAM

Throughout the day the team set a goal to keep possession for longer than any opposition we came up against. Short passes, movement off the ball, playing the ball to feet, and using the keeper as another outfield player helped the team achieve this. This in turn lead to the best football at the tournament and to the team not losing a game in the pool stages. After comfortably topping the group, Trinity were unlucky to lose 2-1 in the semi-final after going down 1-0 up against Laguna School. Two direct long passes from defence on two separate occasions (something we had tried to avoid all day), resulted in the Laguna target player intercepting the ball and finishing a one on one against our keeper. Although the team lost in the semi-final against an older team, they should be more than proud of their overall footballing
performance throughout the day. It was obvious to see that if they continue to work on team possession and individual skills, they will return next year and have a great opportunity to do well at the tournament.

Daniel Creasy | Coach

U10 DIVISION - TRINITY WHITE TEAM

After a disappointing forfeit in the first game, the boys were determined to make the most of the day’s remaining games. In the first game we took the lead early but ended up going down 2-1 after 2 brief lapses to a disciplined Laguna Street PS team. In our next 2 games we had dominant wins against two teams from Claremont school 3-0 and 4-0, where some excellent Futsal was played to expose the other teams’ weaknesses. In our final game we took the lead again but went down convincingly 3-1 to Clovelly PS, again after some lapses. Overall it was an enjoyable day had by all. Good Futsal was played at times and it was nice to see us take the lead in every match we played. Unfortunately we were unable to maintain our consistency and composure throughout the whole game against tough opponents. Mentions go to Hussein Naji (4Fo) for consistency and outstanding reading of play, Nicholas Stojkovic (4Fo) and Isaac Wyatt (4Hi) for joint top goal scorers with 3 each and Christian Falato (4Yo) for most improved.

James Bremner | Coach

U10 DIVISION - TRINITY GREEN TEAM

The Trinity Green team showed a lot of enthusiasm and determination to get some great results over a hectic morning. This enthusiasm showed what a group of young boys can do when working together as a team, this was shown in their second game with a thumping 5-0 win, as well as a come from behind draw in their first game. Notable performers included Marcus Smith (3Hi) in goals, as well as Lochlan Demark (3Ta), Stefano Furlan (3Hi) and Indiana Murphy (3Ta) although all boys should be commended on their efforts.

Chris Shelston | Coach

Well done to all players for the way they represented Trinity on the day and thank you to the coaching staff for their effort on the day.

Luke Gray | MIC Football

As we head into the Easter Break I would like to thank everyone for a wonderful Term 1. Boys, parents, staff and old boys have pitched in this term to make sure that sport at the Preparatory School is an important aspect of our boys’ education. It has been a very steep learning curve for the staff in the Sports Department though with a few hiccups we have managed to ensure that our students are receiving the best possible opportunity to develop skills both during the PE lessons and on weekends.

Last weekend was full of boys working hard to either win races or be selected onto a team. The Annual IPSHA Cross Country Championships were held at The Kings School with an excellent turn out from many schools. The Preparatory School provided 10 runners for each age group and though few made it into the top 15, our students didn’t stop competing right through to the finish line. The arduous 2km and 3km courses provided a challenge for our boys. Thank you to the boys for trying so hard. We congratulate Theo Christian for coming in 5th overall for the U11 3km run, which was a fine achievement. Other notable runners were Lewis Potter who just missed out on a place coming in at 18th, Isaac Wyatt who was placed 32nd and Jaden Leung placed at 44th.

Over at Bressington our Rugby, Football and AFL teams were playing for positions and teams for the winter sports competitions. Under the watchful eyes of the coaches the boys were given an opportunity to demonstrate their skills in order to be selected into a team relevant to their ability. We return in term 2 with our first fixtures scheduled for the 2nd May. We look forward to watching our boys match up against the other schools in their competitions.

The staff of the PE office and myself wishes you a very happy Easter and a safe and enjoyable break.

God Bless and regards,

George Ayoub | Sportsmaster

This last weekend Adrian McManus (7He) joined James Hull (9WH) and four other scouts in James’ Adventurer Chord Hike from Epping to Circular Quay. Using the skills learnt at scouts, James planned the hike including mapping, organising camp sites, preparing menus, undertaking risk assessment and preparing a route plan for each leg of the hike. Leaving straight after school on Friday the Scouts met at Summer Hill and caught the train to Epping. From Epping it was into the Lane Cove National Park and hike to Pennant Hills. The second day the scouts travelled down the Great North Walk to the Lane Cove Tourist Park, before continuing on Sunday for the remainder of the Great North Walk back to Circular Quay in the city and returning to Summer Hill at 3pm on Sunday. There were challenges along the way with two scouts withdrawing part way though and a new scout being brought into the hike so they could maintain minimum safe numbers as they were walking without direct adult supervision. The scouts also had to cope with navigating in an area that was not familiar to them as well as cook and prepare all their meals. The overall hike distance was 35km.

By completing the journey, James was able to achieve his Adventurer Level Campcraft Badge and on presentation of his report will be eligible for the green Adventurer Level Lanyard, which is the equivalent to the old Class 1 Hike Award for Scouts.

By undertaking the hike with James, Adrian completed his Explorer level hike as well as receiving milestone badges for 50km hiking and 10 nights camping qualifying him to attend the Australian Jamboree in January 2016. Adrian also completed his Explorer Citizenship badge at Scouts thereby being awarded the blue Explorer Level Lanyard.

B-R-A-V-O-O-O to James and Adrian.

Trinity Cubs and Scouts finished the term with a great Easter challenge. Buckets of Easter eggs were placed on the hallowed turf of the Quad. The Cubs and Scouts had to use the resources of the Scout storeroom combined with the skills learnt this term to retrieve the buckets without damaging or touching the grass. Some practised coiling and throwing a weighted rope to drag the bucket, while others lashed poles together to reach and lift the bucket from the Quad. It was a great night with plenty of fun and lots of easter eggs to share at the end.

Scouts will now break for the Easter Holidays returning Tuesday Week Two of Term Two.

Upcoming activities include Operation Rosemary in support of Legacy on ANZAC Day, a water safety afternoon at Leichhardt Pool on 2 May, International Scouting’s Jamboree on the Trail (JOTT) hike including a night-time high-ropes course the following weekend, and the Region Camp on the June long weekend.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

If you break the traffic rules in a school zone you are putting children at risk.

Safety tips for drivers around school zones.

> You must stop for pedestrians at a pedestrian crossing.
> Always drop-off or pick-up your child from suitable and legal parking spots, even if this means walking further away from the school.
> Never double park.
> Never park across a pedestrian crossing.
> Never perform a U-turn in close proximity to the school, or over double lines, or on the pedestrian crossing
> Make sure all children in the car use the footpath-side door (safety door) when getting in and out of a car.
> Always ensure children are secured in their appropriate for age child restraint. Preferably seat children in the back seat of a car for safety. **Penalty**: Unrestrained child $311 & 3 demerit points
> Make sure the hand brake is applied when the vehicle is stationary.
> Make sure everything is organised before coming to school so that the drop off is as fast as safely possible.

YEARS K TO 12 FOOTBALL CLINIC
APRIL SCHOOL HOLIDAYS

The School will be promoting a Technical Brain Centred Approach with our young players allowing for ball mastery and the awareness and vision to formulate the visions of what they are going to do next. These qualities must be prioritised in our coaching work with young players as the latest literature is highlighting. The level of instruction will be appropriate for the age of the boys so that they gain the knowledge, confidence and experience to ensure success and enjoyment. Notably, all boys will have a wonderful opportunity to play on our synthetic surface and Indoor Football surfaces.

Our coaching staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 NSL games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
