Over the first two weeks of Term 2 there has been a tremendous buzz coming from the classrooms as boys have been engaging in their learning. It is wonderful to walk past a room and see the boys so focused and enthusiastic towards their learning. A number of classes have also had the opportunity to venture outside the school gates on learning excursions.

Some of the great noises this week have come from three amazing concerts featuring some of our extremely talented musicians performing solos. On Tuesday afternoon it was our 'Junior Maestros' followed by our 'Rising Stars' on Wednesday afternoon and finally our 'Virtuosi' at lunchtime on Thursday. It was wonderful to see the development from one group to the next and to see the value of discipline and hard work by the boys (and no doubt their parents). Credit for this development also goes to Mrs Harding, our Director of Music, and her very talented support staff.

An area of focus for the Preparatory School this year is the development of Literacy Learning and Teaching. This will be an area of ongoing professional development throughout the year as we strive for continuous improvement and learning as teachers. It has been exciting to reflect on the great learning opportunities our boys have in the classroom, whilst looking at ways we can continue to motivate, inspire and equip our boys in the essential skills of Literacy. Each week our boys are grouped (and regrouped as appropriate according to their developing needs) in our Literature Group times. This allows the class teacher to meet the needs of the boys in their class. During this time the boys typically participate in a variety of reading-based activities to develop their comprehension and fluency. As appropriate, and based on pre-assessment, a number of our boys receive targeted intervention or extension with the support of additional teachers.

As mentioned in last week’s Prep News, our Library continues to undergo a little bit of a face-lift. Whilst the changes are small and incremental it has been extremely exciting to see the way boys have responded. We would love you to visit to read with your son in the morning or afternoon or simply to pop in to see how things are changing.

The Record Book is an important document for each family in the Preparatory School. As a tool for your son, it helps him to organise himself with his homework and provides information on school events and expectations. It is also an effective communication tool for parents and teachers. Additionally, parents are able to see upcoming Preparatory and whole school events. Please note the colour scheme for diary entries in the Record Book is; Black – Whole School, Dark Green – Middle and Senior School, Light Green

### ABSENTEE INSTRUCTIONS

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone APP and follow the prompts (From the APP home page select Preparatory School the select Absentee Form to open the absentee form). Instructions for installing the APP on your phone can be found by clicking here

2. Using the Absentee email address prepabsentee@trinity.nsw.edu.au
   - Also, if you wish, you can ‘CC’ the class teacher on this email.

3. Lastly, you can phone 8732 4658 and leave a message with your son’s name and class any reason. All Trinity teams are to be immaculately turned out in the correct playing strip and non-Trinity items of clothing are not to be worn.

Team lists have been created for the first round this weekend. Please be aware that the coaches have the final say in terms of team selections. This is quite often a difficult process and sometimes selectors do get it wrong. Some boys may feel they have been misplaced. I encourage any boy who feels this way to do his best on Saturday to play an outstanding game. Consistently strong performance is the way to show your talent and give the coach the message that you have been placed incorrectly.

It is great to see the boys wearing their winter uniform so proudly. They look particularly smart of a morning and afternoon in their blazers. I encourage families to remind their son to clean his school shoes regularly. Polished school shoes add the finishing touches to a great look.

DEBATING NEWS

On Friday April 24th the Independent Schools’ Debating Association (ISDA) TGS Primary B (Prep) Team: Jamie Christopoulos; Euan Germanos; William Lenard and Duncan Feng competed in their seventh debate of the season at ‘home’ (TGS Summer Hill campus) against MLC.

The team debated the topic that Electronic devices (such as laptops, mobiles, and iPads) should be banned from Primary School classrooms, arguing the affirmative case. The boys initially defined their understanding of classrooms carefully, attempting to demonstrate to the adjudicator that there are many learning areas in schools, other than classrooms, where electronic devices should be used, instead of ‘classrooms’ (for the purpose of the debate!). They spoke about the importance of handwriting, social interaction, reading books, the cost of computers, the distraction of computers, health implications of over-using computers in the classroom. Despite valiant efforts to rebut the girls’ points and summarising their case, the boys found it tricky to adapt their argument from their initial plan and probably weren’t explicit enough in their continued definition and understanding of the topic. Electronic devices as a learning tool are woven into students’ psyche now, and ‘netiquette’ guidelines so thorough, that the possible negative impact of computers in the classroom, is minimal. The team did not convince the adjudicator and did not win the debate. Each member of the team made an outstanding contribution towards their case. Despite the loss, the boys readily congratulated the girls on their win, shaking hands and wishing the girls well, in true Trinity fashion!

As with all ‘home’ debates we provided a Chairman and Timekeeper for the debate. Nathan Nguyen (Chairman) ran a very orderly debate. Hamish Davidson-McLeod stepped in, once again, as Timer to cover for an absent team member. Thank you Nathan and Hamish.

This was the last debate in the first round of the 2015 ISDA debating season. The boys have performed admirably for the past seven school weeks, winning more than half of their debates. This has been excellent preparation for the IPSHA Debating competition and House debates later in the year.

Thank you to the parents for your wonderful support in attending the debates and providing lovely treats for supper after the home debates.

Thank you Mr Sheiban for being a fabulous coach and to Ms Davidson for wise advice.

ISDA TGS Primary Team B (Prep) and Mrs Sandwell

As a link to our unit of inquiry – Where We Are in Place and Time, the Year 6 boys watched the acclaimed film Between the Devil and the Deep Blue Sea (Jessie Taylor and Ali Reza Sadiqi). The documentary looked at the circumstances and decisions that lead someone to become a refugee and the consequences of arriving in Australia as such. Following the viewing, the boys participated in a number of related activities, including de-brief sessions, group question stations and personal reflections.

Refugee Week is an annual event which promotes positive images of refugees and celebrates the valuable contribution refugees make to Australian society. This year it will held from 14th- 20th June.

Year 6 Teachers
Dear Parents,

We currently have a competition going on the windows of the library. We invite you and your sons to create a new name for our learning space! We have lots of changes occurring in the library and we would like you all to be involved. Pop your head in each day, as I am sure you will spot the changes!

We look forward to hearing the names you come up with.

NSW PREMIER’S READING CHALLENGE

Registrations for the NSW Premier’s Reading Challenge open early March. If you would like to participate in the challenge for the first time please complete the form by clicking here.

If you have previously participated in the reading challenge you only need complete this form if you have misplaced or forgotten your user name and/or password. Logins from previous years will become active again on March 2. Further information about the challenge can be found at https://online.det.nsw.edu.au/prc/home.html. If you have any questions please contact the Library Team.

OVERDUE NOTICES – NOW TO BE EMAILED

We moved to a new Library Management System at the beginning of this year and are still working through some teething problems. One of these is that there’s no way to print hardcopy overdue notices, it has been designed so that they are emailed. We have set this functionality up and will be emailing overdue notices directly to parents/guardians so they are aware of any books that need to be returned to the library. A current limitation is that only one email address can be entered per student file.

I do apologise in advance to those people that normally receive school correspondence to two different email addresses. The software update scheduled for over the holidays is supposed to allow multiple email addresses to be added, so some time at the beginning of term two we will add both parent/guardian email addresses where appropriate, in addition to the student email address for boys in Years 3-6.

The past two weeks have been disrupted by inclement weather that has affected training schedules as well as our ability to develop in our respective teams. Having said that, it is great to see our boys willing to participate wherever and whenever they are required.

We have a big day of sport lined up tomorrow at Bressington and elsewhere for our first round of winter sporting fixtures. I spoke to the boys today about the need to get to the ground early and be prepared to warm up as a team. I also informed them that they should call the wet weather number after 7:15am to check if matches are still scheduled as per programme.

As our Open Rugby players had an opportunity to play in the Armidale carnival a couple of weekends ago I am sure they are well positioned to put in good performances and start the season off on a positive note. Our footballers have not had the same opportunity to work together in a camp situation though we hope that it will not take them long to work well together. All the coaches are confident that our boys will perform to the best of their ability and play their games in the right spirit that we expect and know.

While we have not been able to continue with the rugby skills programme with Year 3 these past couple of weeks we hope that we can resume this next Thursday in preparation for our Gala Day to be held on the 30th May. More information will be forthcoming in the next couple of weeks.

There are many parents who have become acquainted with Mr James Bremner our PE teacher. We are fortunate to also have on staff Miss Olivia Hale who recently started with us at the Preparatory School in the PE department. Miss Hale comes to us after working at Macarthur Anglican School and has made a very positive impression on our boys and the staff. Both James and Olivia are developing programmes that your boys are finding exciting and challenging.

Good luck to all our sporting teams for the first round of winter sports. Play to the best of your ability, work hard for each other and always show good sportsmanship.

Regards

George Ayoub | Sportsmaster

**RUGBY CLINIC | FRIDAY AFTERNOONS**

‘Junior Rugby Clinic’ will be running again this term; the clinic is open to Preparatory and Junior school boys in Years 3 to 6. The clinic will be held on Friday afternoons from 3:45pm to 4:55pm on Oval 3 of the Summer Hill campus. It will commence on Friday 1st May 2015 and run for the remainder of the term.

The clinic will develop handling skills, evasive footwork, spatial awareness and game sense. The training is designed to be fun and fast with the emphasis on non-contact skills and games. The program will be delivered by Josh Clark, an ARU Level 2 coach. Josh has worked with the senior and junior school rugby teams for the past 4 seasons, prior to this he played professional rugby in the UK and was involved with England schoolboys.

The cost of the Rugby Clinic is only $100 for the term. If you would like your son to join please fill out the registration form. This can be accessed by visiting the home page of the Junior and Preparatory school websites and clicking on the ‘Rugby clinic’ link. Payment for this activity is required prior to attendance. On ANZAC Day, Scouts Adrian McManus, Adam Kasanczuk, Ryan Shiller and James Hull, accompanied by Scout Leaders Chil and Huon, along with Mr Shiller and Mr Kasanczuk, met at Legacy House to assist Legacy in distributing rosemary sprigs to the public attending the ANZAC March along George St in the city. Legacy is dedicated to caring for the families of deceased and incapacitated veterans. Today Legacy’s caring and compassionate service assists over 90,000 widows and 1,900 children and dependants with a disability. It was a rewarding time with many conversations with those watching and participating in the march. The Scouts were honoured to hand over to Legacy the large number of donations received from people as they handed them their rosemary sprig. Scouts Australia has made a special badge to celebrate the 100th anniversary of the landing at Gallipoli and these badges were presented to the Scouts on Tuesday for their service to Legacy and the ANZAC March.

Trinity Cubs and Scouts returned from a long break this week to a great night of games in the hall. A new game of chariots was a lot of fun along with a challenge to cross the hall using only a few chairs for the scouts. Both Games involved a lot of team work.

At the end of the night we were pleased to invest Harrison Brown into Scouts and William Brown into Cubs. Both boys proudly made their Scout and Cub promise respectively and have been welcomed enthusiastically into the Group. Jake Paraskevopoulos also successfully linked into Scouts restating his promise and becoming a member of the Scout Troop. BRAVOOO to Harrison and Jake, 1-2-3 WOOF to William.

This term is going to be busy with the Region Camp and the World Scouting JOTT Hike along with other fun activities.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.
