The highlight of this week was the amazing Water Expo conducted by our Kindergarten students. Each of the boys prepared and presented a science experiment involving water. I was amazed! As I wandered around with a great number of parents and guests I was informed about a number of scientific principles including explanations of the water cycle, air pressure, floating and sinking and many more. It is so encouraging to know we are in the safe hands of these budding young scientists. It is also wonderful to see the sheer enthusiasm for learning that these young men possess. Long may it continue!

This is a further reminder that the NAPLAN assessments will be held on Tuesday, Wednesday and Thursday next week for boys in Years 3 and 5. Please ensure that your son is at school on time on these days so that he is able to enter into the tasks in a relaxed manner. NAPLAN is not a competition, nor is it a university entrance requirement. NAPLAN is a national assessment that all children in Years 3, 5, 7 and 9 are expected to participate. The assessments provide feedback to schools that will be used to support teaching and learning programmes. They also provide parents and schools with an understanding of how individual students are performing at the time of the tests. NAPLAN assessments are one aspect of the school’s assessment and reporting process, and do not replace the extensive, ongoing assessments made by teachers about each student’s performance.

The Auxiliary Mothers’ Day stall on Wednesday was once again very successful. Thank you to all of the parents who assisted on the day.
After the disappointment of last week’s wash-out across the fixtures’ list, I know our boys have trained particularly hard this week in preparation for the first matches of the Winter season. Good luck to all of our teams as they represent the mighty green and white. We look forward to hearing tales of great sportsmanship, effort and teamwork.

Congratulations to the boys in the Taekwondo co-curricular group who completed grading this week. Whilst I didn’t see the entire grading, I was impressed with the determination and discipline of the boys as they went about completing the skills for their respective belts. Taekwondo has been a great success over the last few years and I thank Mr Ricketts and Master Kang for their continued support of the boys and the programme.

It was a great morning in Pre-Kindergarten on Friday celebrating Mothers’ Day. Thank you to the staff and all Mothers and Grandmothers who came along.

I would like to wish all our mums a wonderful Mothers’ Day on Sunday.

(PYP CO-ORDINATOR)

JOB-ALIKE DAY FOR TRINITY PREP ADMINISTRATION STAFF

On Friday 1st May the New South Wales Primary Years Programme (PYP) Network ran an introductory workshop for school Administration staff focusing on the elements of the PYP. Theresa Carmichael and Joanne Gabbe from the front office attended the one day workshop. As a PYP school it is imperative that all staff (students and parents) see themselves as a community of learners and have an understanding of the PYP framework. Joanne wrote a poem that captures the essence of one of the 5 PYP Essential Elements - Attitudes.

ATTITUDES

Attitudes are essential elements of PYP,
What we want our students to demonstrate, feel, value and be.
Part of classroom discussions, they must be;
Support and promote them so the students feel free
To be confident risk takers, respectful and true,
Independent, but co-operative with many and few.
Don’t fear failure, there’s no such thing.
Integrity and confidence shall good things bring.
Don’t disrespect, let others speak.
Enthusiasm and appreciation will not make you “weak”!
Don’t mimic, be yourself and the future will be
One more enriched by the attitudes of PYP!

YEAR 3 RUGBY GALA DAY

Date: Saturday 30th May
Time: 7:30am to 8:30am
Location: Bressington Park, Strathfield
Dear Parents,

We currently have a competition going on the windows of the library. We invite you and your sons to create a new name for our learning space! We have lots of changes occurring in the library and we would like you all to be involved. Pop your head in each day, as I am sure you will spot the changes!

We look forward to hearing the names you come up with.

**NSW PREMIER’S READING CHALLENGE**

Registrations for the NSW Premier’s Reading Challenge open early March (apologies for the incorrect month in last week’s newsletter). If you would like to participate in the challenge for the first time please complete the form by clicking here

If you have previously participated in the reading challenge you only need complete this form if you have misplaced or forgotten your user name and/or password. Logins from previous years only need complete this form if you have misplaced or forgotten your user name and/or password. Logins from previous years.

We have set this functionality up and will be emailing overdue notices directly to parents/guardians so they are aware of any books that need to be returned to the library. A current limitation is that only one email address can be entered per student file.

We moved to a new Library Management System at the beginning of this year and are still working through some teething problems. One of these is that there’s no way to print hardcopy overdue notices, it has been designed so that they are emailed. We have set this functionality up and will be emailing overdue notices directly to parents/guardians so they are aware of any books that need to be returned to the library. A current limitation is that only one email address can be entered per student file.

I do apologise in advance to those people that normally receive school correspondence to two different email addresses. The software update scheduled for over the holidays is supposed to allow multiple email addresses to be added, so some time at the beginning of term two we will add both parent/guardian email addresses where appropriate, in addition to the student email address for boys in Years 3-6.

Claire Hexton | Librarian

**REMINDER TO ALL PARENTS**

We are a NUT FREE school. Please do not pack any food containing nuts or nut products in your son’s lunchbox, including NUTELLA.

**LIBRARY NEWS**

**OVERDUE NOTICES – NOW TO BE EMAILED**

We look forward to hearing the names you come up with.
Hi everyone,

Big day on Sunday! I hope everyone enjoys the lovely presents that your boy has ordered/bought for you from the Mothers’ Day Stall. We had a lot of lovely stuff, I think you’ll all agree. A lot, I tell you! We order more each year and we still sell out. Like I always say, victims of our own success. If your son wasn’t able to get what he wanted for you I can only say, sorry and pre-order next year. Pre-ordering is the answer! Everyone who pre-ordered got exactly what they wanted.

A huge thank you goes to all the wonderful volunteers who helped with packing the pre-orders on Monday and at the Stall on Wednesday. We couldn’t have done it without you. As soon as the Stall opened at 8am we were swamped with boys waving their money in their little fists and we sure needed all hands on deck. Luckily we had those hands. In fact, so many hands that in all the excitement I couldn’t make a note of who was there. But, ladies, please accept the extremely grateful appreciation of the Auxiliary. We needed you and you were there. As always. Thank you. Mrs Sandwell and Mrs Nunez were indispensable in behind the scenes organisation and helped the Stall run as smoothly as it did. Tip of the hat, ladies!

Thanks also to Katherine Galettis, Secretary of the Auxiliary and Chief of the Mothers’ Day Stall. Mrs Galettis does all the buying for the Stall and that is a nerve-wracking undertaking. But she excelled herself with her choices once again. Good job, KG!

Til next week,

Elizabeth McMullen | President Strathfield Auxiliary
With fine weather all week as well as sunny days predicted for the weekend I am sure you will all be pleased to see our boys competing tomorrow. All teams have had a good week preparing and training hard with their teams so we look forward to watching them display their skills.

A number of our Rugby players competed in the IPSHA rugby trials last Monday at the Shore School. We had 5 students from the Junior school and Preparatory School selected to participate in the CIS trials set down for the 1st and 2nd of June at Bressington Park. From the Preparatory School, Theo Kidd should be congratulated for his selection and we wish him and the other Junior School boys all the best at those trials.

I would like to make parents and boys aware of events that are planned for this term.

The Junior School Year 3 boys will join our Year 3 boys for a Rugby Gala day to be held on the 30th May at Bressington Park. We will start early 7:15am and finish by 8:30am. The boys will have the opportunity to play three games demonstrating the skills they have learnt over this term. It is a compulsory sporting event for the Year 3 boys and we look forward to seeing you all there. Please make sure you have this marked in your diaries.

During the last week of term, some Year 6 rugby and football players will be heading off to the North Coast and the Hunter Valley to play against three schools. Boys will be selected and then invited to attend this tour between the 15th – 19th June 2015. Information about this tour will be sent to those selected in the next week.

Once again I want to remind all parents and students of the Code of Conduct for sporting fixtures. We strive to be good sportsmen.

Please make sure we welcome students and parents from other schools. Shake the hands of our opposition players, three cheers to the team you played as well as thanking the referees.

I look forward to watching you all compete tomorrow. Remember please arrive at least 30 minutes before your scheduled start time.

George Ayoub | Sportsmaster

**TAEKWONDO GRADING**

Congratulations to all the Taekwondo boys who participated in yesterday’s Grading and have been promoted to the next level.

The nervous energy was palpable as the boys lined up and prepared to demonstrate their skills in front of Grand Master Kang. The highlight for us as instructors is always how the practitioner takes themselves to the next level and knocks on the door of their potential. Everyone responds to the intensity of Grading in their own way and yesterday was no exception! A brilliant display of poomsae (patterns) and breaking!

Grading is never about producing a ‘perfect’ performance, as there is no such thing, but rather mind, body and spirit coming together to execute movements and techniques in examination conditions. It takes enormous courage and mental focus to perform in front of an audience. We reminded the boys at the outset that in life; be it martial arts, sport, school, work and so forth, whenever we step outside our comfort zones, the fear will come and importantly, that without fear, there is no need for courage. Fear teaches us to develop courage and an indomitable spirit! Both were on display yesterday.

Special thanks to Mr Wyatt for taking time to drop in and to all the parents who attended. Thanks also to students Jason Cho and Elias Chahine, two of our senior belts, who assisted during Grading. Finally, thank you to all the boys for showing respect and self-control while they waited quietly for their turn.

CONGRATULATIONS TO THE FOLLOWING BOYS.

CUB AND SCOUT NEWS

This week was both an ending and a new beginning at the Cubs and Scouts, with one Scout completing his final badge and four Scouts and a Cub obtaining their first badge.

Badgework was a key focus after some great games of poison ball. William Brown brought in a code grid he had made and, working with Jake, he was able to complete his first Cub Achievement badge of Level 1 Codes and Signals.

Meanwhile, the older Scouts set about coaching the younger Scouts through their Scoutcraft Badge. The Scoutcraft Badge is the first badge completed by every Scout and includes some knots, hoisting and looking after the Australian Flag, first aid, safety with camping tools, and the Patrol System. It was great to be able to present Jake Paraskevopoulos, Harrison Brown, Adam Kasanczuk, and Ryan Snowsill with their Scoutcraft badges. Jake Paraskevopoulos also completed his first Proficiency Badge in Information Technology.

Last weekend James Hull (9WH) completed his final badge which is the Australian Scout Medallion. This is the highest award of the scouting section. With the heavy rain of Saturday afternoon, James led scouts from Trinity along with Scouts from 1st Haberfield and 1st Dulwich Hill through the Pioneer Water Safety Badge at Leichhardt Aquatic Centre. This was James’ final badge-work before moving to Venturers and the first big step in achieving the Queen Scout Award in Venturers. Trinity Scouts. Congratulations to Harrison Brown, Adam Kasanczuk, and Ryan Snowsill who were presented with their water safety badges.

Ryan Snowsill and James Hull will also be joining Scouts from Drummoyne and Dulwich Hill this weekend as part of the International Jamboree On The Trail (JOTT). This is part of a world-wide Scout activity to recognise and understand the value of the outdoors. On this weekend, Scouts from around the world undertake hikes or Landcare activities. This will be Ryan’s first hike as part of his Pioneer Award while James will be undertaking the hike as part of his linking up to Venturers.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

TAG (TRINITY ACTION GROUP)

TAG (Trinity Action Group) meetings have become an integral part of the Trinity Prep School calendar, since the inception of TAG in 2014.

On Thursday May 7th at 12.55pm the third TAG meeting this semester took place in the Old Library.

As usual the meeting was chaired by Jamie Christopoulos (School Captain) and Euan Germanos (Vice Captain). The meeting opened with the School Prayer.

Each class in Years 2 – 6 has a class representative who presents a Commendation or Recommendation to the meeting.

The minutes from the last TAG meeting, on Thursday March 26th were shared and ensuing action discussed. Recommendations included: there should be more structured games at lunchtime (Mr Smith has rostered Peer Support boys to organise a wide range of outdoor and indoor games at lunch time); bubblers nearer to the basketball court (to be suggested to the Year 6 fundraising committee); more hand ball courts (to explore possible space for these); Long pants in winter (wear longer shorts and pull up your socks!).

Recommendations were reviewed: thank you for Harmony Day; thanks for Year 6 basketball referees at lunchtime; thanks to Year 6 boys for helping at lunchtime.

Recommendations presented on Thursday May 7th included: add to the play equipment in the Pirate Ship playground; add more healthy food to the Canteen menu; a homework club at the Prep School; students shouldn’t bring precious stuff to School; each classroom should have a simple First Aid Kit; mirrors in the bathrooms; tennis as a Sports option; special AFL socks; a vending machine at the Prep School; a Prep School Talent Show; more shade cloth and more grass. Commendations included: thanks for the new desks in the classrooms and thanks for Chess at lunchtime.

Thank you to all Semester One TAG class reps: Hugh Darlow; Daniel Lok; Isaac Latt; Roy Ma; Lachlan Dang; Jack Fresta; Aaron Ha; Simon Bukunowicz; Jordan Ho; Isaac Wyatt; Dean Paraskevopoulos; Michael Alam; Matthew Nicolas; John Sakoutis; William Lenard; Anthony Jeroncic, as well as Jamie Christopoulos and Euan Germanos.

Next meeting: Thursday June 11th at 12.55pm in the Old Library.
KINDERGARTEN

This Term, the Kindergarten boys having been learning all about water in our current Unit of Inquiry, ‘Stir, Boil & Splash’. Yesterday morning, they hosted a Water Expo to demonstrate some of their learning. The boys have all been undertaking independent investigations and there was an amazing variety of inquiries on display – How does the water cycle work? What does and doesn’t mix with water? How do plants use water? How can we use water to make music? We are very proud of the way the boys presented to their parents, the Year 6 Buddies and to many other visitors from around the School. Well done Kindergarten! A big thank you to all the Mums and Dads for helping the boys to prepare for this morning and also to our Buddies, who helped us to set up beforehand and then pack up afterwards.

YEAR 6: ART GALLERY OF NEW SOUTH WALES

Last Friday all of Year 6 and the class teachers visited the Art Gallery of New South Wales. During their art lessons, Year 6 have been learning about traditional and contemporary landscapes as part of their Stand Alone Visual Arts unit of inquiry ‘Landscape Studies’. In particular we have been focusing on different perspectives and how an artist might create distance and a sense of atmosphere in their work. We have also been looking at different techniques and materials that artists use to create visual effects. The boys were divided into small groups and were led through the gallery by voluntary guides looking at a large range of different landscape artworks. After the guided tour, the boys were given an art appreciation assessment whereby they had to critique as a written and visual response, two artworks of their choice from a contemporary collection. I was very impressed with the boys’ knowledge and their ability to share some thought-provoking ideas with the guides. We received wonderful feedback about their behaviour and I am sure the boys had a great day.

Gaby Shatter | Visual Art Teacher
Home is a place of memories. It is where we have our roots. It is a place we keep returning to. If we want to learn more about ourselves and the world we live in, this is where we look.

- Jacob Aue Sobol

Featuring over 100 photographs by some of Greece’s most talented up-and-coming photographers, Home will be officially opened by the Greek Ambassador to Australia, Mr Haris Dafaranos on Saturday 9 May, 3.30pm. All are welcome to attend.

In the summer of 2013, the small mountain village of Lafkos was home for five days to twenty-one aspiring photographers. They travelled from all corners of Greece for an intensive workshop with Danish photographer and member of Magnum Photos, Jacob Aue Sobol. Working within this language of humanistic photography, Sobol challenged them to photograph what ‘home’ meant to them. Over subsequent months, they continued developing this theme.

Delving deep into emotions, memories, associations and identity, the extraordinary photographs in this exhibition are the result. Honest and intimate, they weave together textures of life, humanity and Greek culture.

The Photography Centre of Thessaloniki organised the initial workshop and presented a curated selection of the photographs in an exhibition at Thessaloniki’s Casa Bianca in February, 2015. The tour of the exhibition to Sydney has been made possible with the co-operation of Head On Photo Festival.

Prints from the exhibition will be for sale. The exhibition continues to 7 June.
