This time last week I was writing about the launch of parent access to the boys’ 2015 Learning Folder that resides in Google Drive. The feedback to date has been extremely positive. I have heard from a number of parents who have commented on how easy it is to access their son’s work and how nice it is to have a window into the classroom to see what the boys have been working on. It is important to note that the work contained in this folder is a mix of work in progress, work focused on process and some published pieces of work.

If you have had any issues with accessing your son’s folder or would like some further guidance on Google Drive (and the way it is being used in the classroom for storing files) we will be holding two Google Drive Parent Support Sessions on Monday 25th May and Monday 1st June from 8:00 – 9:00 am in the Library. There won’t be a formal presentation, however, please feel free to drop in to ask questions or be shown some of the basics with Google Drive.

Monday’s Poetry Recital Competition was a tremendous celebration of the boys’ developing confidence and presence when speaking in front of their peers and a wider audience. The adjudicators were extremely complimentary about the boys’ performances. Whilst it was brilliant to be able to celebrate the abilities of our finalists and the eventual winners, all of our boys rose to the occasion as they delivered their recitals in class. Well done to this year’s winners; Stefano Furlan – Year 3, Andrew Liu – Year 4, Jordan Liu – Year 5 and Duncan Feng – Year 6 and Overall Winner.

Over the last few weeks our Year 5 boys have been engaging in a unit of inquiry focusing on the idea of fair trade. This week’s Trade Fair was a brilliant hands on learning experience for our boys to contextualise their learning and to highlight many of the issues and concepts they have been learning about. It was also very much enjoyed by our younger boys who took great delight in wandering through the different stalls and buying some little hand-made treasures. It is fantastic that Year 5 can now take responsibility for how best to use the money raised to support others in need by donating to a selection of charities. Well done Year 5!

The Director of Community Relations, Mr Stephen Heanly has been tasked with drafting a code of conduct for parents.
group of parents have been working with him to assist formulate this draft. If any parents are interested in helping in this process, please contact Mr Heanly by email: sheanly@trinity.nsw.edu.au.

The School has a Staff Code of Conduct that staff are expected to abide by. There are also guidelines for our students that are in the School Handbook and the Student Record book to ensure that students are aware of the School’s expectations regarding their behaviour and in particular their interaction with other members of the School community. The School has deemed it necessary to produce the code of conduct for parents to ensure that there is no misunderstanding regarding what is expected relating to the respectful interaction between members of the School community.

Photo Day is always a strange day in the school calendar as boys line up in height order and practice their smiles in preparation for the flash. Having said that, it was lovely to watch the boys line up for the photos and take great pride in their appearance and uniform. Trinity Grammar School prides itself on developing young men that understand the importance of maintaining high standards in all areas of life, including their appearance.

2015 PREPARATORY SCHOOL POETRY RECITATION COMPETITION

Preparation, memorisation, physical presence, pausing and pacing, clarity and expression…….The finalists in the 2015 Poetry Recitation Competition demonstrated these skills in abundance.

Jamie Christopoulos (Prep School Captain), Ricardo Delgado (Vice Captain) and Euan Germanos (Vice Captain) were once again capable ‘masters of ceremony,’ ensuring the event ran seamlessly.

Congratulations and thank you to all the finalists: William Chang; Stefano Furlan; Imran Parker; Brandon Lieu; Andrew Liu; Louis McCrohon; Archer Jeremy; Jordan Liu; Andrew Tanous; Juno Ananda; Jack Fahd and Duncan Feng.

The finalists’ own choice poems, written by a wide range of poets, were magnificently presented. The confidence and style in which the compulsory poems were recited, made learning a complex poem in just a week, appear easy. We know this not to be true!

The adjudicators, Mr James Stancliffe (TGS Class of 2011), instrumental in the success of debating at TGS, now at Loyola University Chicago USA and adjudicating debates in the States; Ms Elizabeth Jackson (ABC Radio) and Mrs Alison Boyd-Boland (Head of English, TGS) commented on the extremely high standard of the finalists in the Poetry Recitation Competition and the exciting futures in public speaking they have. Mr Stancliffe, Ms Jackson and Mrs Boyd-Boland all spoke about the difficulty

they had in choosing Grade Winners and an Overall Winner but were unanimous in selecting:

Year Three Grade Winner – Stefano Furlan 3E
Year Four Grade Winner – Andrew Liu 4O
Year Five Grade Winner – Jordan Liu 5O
Year Six Grade Winner and Overall Winner – Duncan Feng 6E

Thank you to the boys in Years 3 – 6, the audience who displayed exemplary manners as they enjoyed a wonderful morning’s entertainment.

We are as always grateful to parents for helping to select, recite and listen to the poems (often many times!) from the beginning of the Poetry Recitation Competition. We’re delighted so many parents attended the finals of the competition.

Looking forward to next year’s competition already!

Anni Sandwell | Deputy Head Master of the Preparatory School

YEAR 6 FUNDRAISER: REVIVE THREADS

We are pleased to announce that a textile collection with Revive Threads has been organised by the Year 6 Committee.

It’s a great opportunity to sort through your cupboards and wardrobes and donate unwanted clothing. This can include clothes, sheets, blankets, shoes, belts and handbags. It is a fantastic way to raise awareness amongst the children of the benefits of recycling and reuse.

Stay tuned for the collection dates!

Dear Parents,

We currently have a competition going on the windows of the library. We invite you and your sons to create a new name for our learning space! We have lots of changes occurring in the library and we would like you all to be involved. Pop your head in each day, as I am sure you will spot the changes!

We look forward to hearing the names you come up with.

The Prep Library

OVERDUE NOTICES – NOW TO BE EMAILED

We moved to a new Library Management System at the beginning of this year and are still working through some teething problems. One of these is that there’s no way to print hardcopy overdue notices, it has been designed so that they are emailed. We have set this functionality up and will be emailing overdue notices directly to parents/guardians so they are aware of any books that need to be returned to the library. A current limitation is that only one email address can be entered per student file. I do apologise in advance to those people that normally receive school correspondence to two different email addresses. The software update scheduled for over the holidays is supposed to allow multiple email addresses to be added, so some time at the beginning of term two we will add both parent/guardian email addresses where appropriate, in addition to the student email address for boys in Years 3-6.

NSW PREMIER’S READING CHALLENGE

Dear Parents,

We would like your patience with regard to the Premier’s Reading challenge. We are in the process of enabling staff to access students’ login details. We apologise for any inconvenience and we are working as quickly as possible to solve the issue. You will be informed of login details and passwords as soon as possible. Thank you for your patience!

HOME New Photography from Greece.
ON EXHIBITION NOW!

“Home is a place of memories. It is where we have our roots. It is a place we keep returning to. If we want to learn more about ourselves and the world we live in, this is where we look.” – Jacob Aue Sobol.

Co-curated by Jacob Aue Sobol of Magnum Photos and Sun Hee Engelstoft for the Photography Centre of Thessaloniki, the exhibition features over 70 photographs delving deep into the question of what defines “home”.

Twenty-one emerging Greek photographers were invited to participate in a five-day workshop with Sobol in the summer of 2013. At the workshop, the artists were tasked with photographing the idea of “home” in an unfamiliar environment – the small village of Lafkos, a place where none of them had been before. The extraordinary photographs in this exhibition are the result. By exploring in a profound way what “home” meant to them, the photographers offer a moving, complex and personal insight into Greek culture today.

Following its exhibition at the Photography Centre of Thessaloniki in February, Delmar Gallery and Head On Photo Festival 2015 are delighted to present this compelling collection of contemporary Greek photography in Australia.

Exhibition runs to 7 June. Gallery opening hours: Wed-Sun, 12-5pm. Free admission. Prints in the Exhibition are available for purchase.

A CELEBRATION OF MUSIC AT THE PREPARATORY SCHOOL.

The Preparatory School has experienced a wonderful series of musical celebrations over the last few weeks. All of which culminated on 13th May with a series of exciting performances by Musica Viva’s Zeeko ensemble and a selection of student solo performances in the afternoon.

Musica Viva’s Zeeko performed three exciting and interactive concerts for all boys from Pre-K to Year 6. The performances used instruments from all over the world, ranging from electric guitars, to cajons, to waterphones and conch shells. The programme was developed by Australian composer Dave Hewitt and had a strong environmental message. Students were invited to explore exotic landscapes through wonderful aural ‘soundscapes’ created by the performers using extended techniques on the instruments. Students’ eyes boggled when the call of the blue whale emerged from the icy arctic waters, masterfully produced by a performer using an electric guitar, double bass bow and distortion pedal. Whilst laughter and energy pulsed through the room when Zeeko performed ripping rhythms on south American cajons, there was also the more serious reflection on the plight of the almost extinct ‘Golden Waving Frog’.

When it was time for the childrens’ voices to join those of the performers, it was music to teachers’ ears to hear the Musica Viva performers state “they had never heard such beautiful singing from a school”. From a not-for-profit arts organisation that performs to over 300,000 children each year this was not a comment to be lightly given or taken.

The Festival of Solos culminated in a wonderful Celebration Concert in the afternoon of May 13th. With a selection of boys from each year group Kindergarten to Year who demonstrated excellence in their respective developmental level. It was wonderful to see the progression from absolute beginner instrumentalist to stunning virtuosi. When one considers the short time span that we have the privilege of teaching our students, it is a marvel that they make such a huge musical journey.

What is even more astounding is that over 120 boys performed in the Festival of Solos, representing every instrument taught at the school and including boys who are studying externally to the school music programme. This was an impressive display of talent, courage and passion. The last few weeks have made it abundantly clear that Music is an integral part of a very vibrant learning community, with every child participating and contributing to Trinity Grammar School’s diverse cultural life.

Kimbali Harding
FROM THE SPORTSMASTER

Last Saturday we witnessed a full round of sport at many venues around Sydney. Our senior footballers were lucky to play close to home at Mason Park against a very good and well skilled St Patrick’s teams. Our U11 A team unfortunately had to play a team with only five players. Players from Trinity filled in and they were able to play a match and work on skills albeit without the opposition they were expecting. Whilst our U11 B team scored two goals to notch up a good win against Tudor House. Some notable performances by our boys include:

- Ryan Tamerji Best & Fairest (2nd X1)
- Joseph Coorey Best & Fairest (3rd X1)
- Sami Hatoum Best & Fairest (11A)
- James Huang Best & Fairest (11B)

Well done boys on fine performances last weekend and I encourage others to try their best in the coming weeks.

Our Rugby teams also had mixed results last weekend though it was very pleasing to hear and watch how much each of the teams have improved. Led by our 1st XV who had a outstanding match against good opposition, the boys have demonstrated that they are starting to work as a team and develop some excellent skills. A few outstanding performances include:

- Theo Kidd (1st XV)
- Kurtis Castorina (2nd XV)
- Ari Nikolakopoulos (11B)

Last Monday 18th May Andy Lee competed in the All Schools Swimming Championships at SOPAC. Swimming in 8 events against boys older than him, Andy was able to bring home 4 gold, 3 silver and a bronze from the meet. An outstanding performance from Andy, which I am sure you will acknowledge.

Tomorrow we have another opportunity to compete against many schools in Football, Rugby, AFL and Swimming. I urge the boys to continue to strive for excellence, work hard as a team and play to the best of their ability. It is only by working together that we can achieve great things.

I look forward to watching and hearing about how well the boys play tomorrow. Please arrive early and all the best to our boys in their matches.

SPORT RESULTS FROM SATURDAY, 16TH MAY
CUB AND SCOUT NEWS

This week at Cubs and Scouts we had a mini construction night. We were lucky enough to borrow a model made by a Dulwich Hill Scout in 1962. This model shows the knots and lashings for a scout signal tower.

Trinity Scouts continued preparing for our annual Region Camp at Waterfall with a working bee last weekend. Thanks to Mr Snowsill, Mr McManus, Adrian McManus, and Mr Bilac for coming and helping on the day. We levelled out the tent sites, created some swales, and reconstructed our fire place. The camp site is looking fantastic and ready for the June long-weekend. We will have a patrol of Scouts and two parent helpers attending. Cubs will be visiting on the Sunday.

The Region Camp will be a special event as we plan the investiture of new scout Aiden Murphy and attend formal presentation of James Hull’s Adventurer Cord and Australian Scout Medallion by the Regional Commissioner. There will be over 750 scouts plus leaders and helpers camping on bush sites, and another 300-odd cub scouts visiting the camp on the Sunday. The activities and all the reasons above make this a fantastic experience for the scouts.

Congratulations this week to Dan Bellero for achieving proficiency badges in Animal Keeping.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

The Year 4 boys were very fortunate to have a successful Sydney based cartoonist working with them, as part of their unit of inquiry ‘Tell Us A story’. The boys were captivated by Anton Pulvirenti’s highly detailed technical artworks. His works range from concrete chalk drawings exhibited overseas to commissioned projects by well-known companies such as Cadbury. He has also been on television shows for children such as ABC’S Playschool. What I loved most was the boys’ ability to engage with the artist by asking lots of questions about his art practice and background, as well as their ability to observe some of the artist’s demonstrations and then utilise these techniques in their own works. We are looking forward to having Anton working with Year 4 again next week.

Gaby Shatter | Visual Arts Teacher
On Tuesday 19th of June Year 5 Students took part in their annual Trade Fair as part of our Unit – What a Profit. The boys were divided into small groups and were given $50 by the school to purchase materials to make items such as loom bands, play dough and sock puppets to then sell.

There was considerable preparation to ensure the Trade Fair was a success. The boys worked hard and learnt many valuable skills such as handling money wisely (including budgeting) buying, advertising and selling.

The boys thoroughly enjoyed the experience and were pleased to have raised over $1700 in profit! An amazing effort! Each class will select a worthwhile charity to which profits will be donated.
