The internet and digital devices are an integral part of everyday life. For our boys this is very normal and expected. As parents and teachers this presents us with the challenge of supporting our boys as they engage with and take control of the many digital resources and the access that is available to them. Last night Dr Philip Tam presented to a good number of parents from the Preparatory School and the Junior School at Summer Hill. His presentation was titled, “Problem internet usage and gaming in Australian schoolchildren: a practical guide for parents and families.” He provided insights into current research as well as unpacking the context that our boys operate within. The overwhelming messages of his presentation were balance and partnership.

Dr Tam suggested that one of the most effective ways to support our boys was to help them to create balance in their lives. Rather than avoid technology, he suggested it was important to embrace the power and possibilities of the internet, games and digital devices, whilst also engaging in a wide range of other activities. Our boys at Prep are very fortunate to have weekly opportunities to play Sport and develop physical fitness, experience Music and Art, engage in spiritual reflection and learn another language. This balance is an essential aspect of the Trinity Mission to develop boys in Body, Mind and Spirit.

The second big theme of his presentation was the importance of partnership between home and school. Developing our boys into responsible digital citizens is not something that can be achieved on our own – we need a unified message and approach to ensure the messages the boys are hearing is consistent and they are held accountable. He emphasised the importance of developing agreements with our children and then sticking to them.

Digital citizenship and the responsible use of technology and the internet is a regular theme within our classrooms. This is addressed in lessons involving technology as well as being specifically focused on in our annual Life Skills programme.

To support the ideas of partnership and personal responsibility we will be sending home a revised Acceptable Use Policy early next term. This document outlines our expectations at school and includes an Essential Agreement developed by our TAG Committee. When it comes home we hope that parents will read it with their son and co-sign it before returning it to school.

Learning is our core business and ensuring we use every minute of the school day to support our boys is a priority. With this in mind, earlier this week the Head Master announced that from the beginning of Term 3 we will be slightly increasing the school day for Kindergarten and Year 1. This trial, for the remainder of the year, will mean that all students in K-6 will start at 8:30am, with K-2 finishing at 3:00pm and Years 3-6 continuing to finish at the regular 3:15pm.

We understand that drop-off in the morning can be challenging as parents are often in a rush to get to work or to drop off other children. To support this process we are going to trial a new initiative at the Kiss & Ride area particularly aimed at our Kindergarten and Year 1 boys. Each morning from 8:10-8:25am a few of our Year 5 boys will be rostered to act as Arrival Buddies. Parents will be invited to pull up at the Kiss & Ride area, your son will be helped out of the car by a teacher on duty and then one of the Arrival Buddies will walk the Kindergarten and Year 1 boys to their classrooms. Of course, parents will still be welcome to park and walk their sons to the classroom if this is preferable. Whilst this offers a service to families, it also provides a very tangible leadership opportunity for our Year 5 boys.

Over the last few weeks it has been wonderful to celebrate the emerging talents of many of our young musicians as they performed at the many Studio Concerts. This concluded last night when over 200 parents gathered to hear approximately 45 pianists. Congratulations to all of the boys who performed at these recent concerts!

Next week we have a number of boys heading off on the North Coast Sports Tour and the Art Camp. We wish them well as they represent the School and enjoy these co-curricular opportunities.

Tomorrow morning we have an Open Day for prospective families. If you have friends who are interested in the wonderful things that are happening at Trinity, please encourage them to drop in. The Open Day begins at 9:00am at the Preparatory School followed by an opportunity to see the High School at approximately 10:40am.

**SHARP SHORT PLAYS**

On Wednesday I was involved in a competition called Sharp Short plays at Riverside Theatre, Parramatta. This has been developed to encourage young actors to sharpen their skills in writing, directing and performing in plays.

It was Heat Three of the competition. Sharp Short Theatre is where groups of students involved in Drama, write and perform plays no longer than ten minutes. The children have to write the script, develop their own props and figure out exactly what will happen. There were 14 groups in the competition. It was an exciting experience for an actor to have. My group’s performance was called “A Sweet Trip” where I was the villain called a “broccivillain”. I learnt about how to catch the judges attention.

I saw some very inspiring plays. Many captured and hauled me into the idea being expressed through the play. There was comedies, dramas, parody documentaries and plenty more. We had to do two rehearsals and a technical run to check sound effects and lighting and then a dress rehearsal. Then the night came with over one hundred people watching me into the idea being expressed through the play. There was comedies, dramas, parody documentaries and plenty more. I felt nervous but excited by the experience.

**LIBRARY NEWS**

There have been plenty of new changes happening in our library over the term. We would love for you to come and pop your head in each week, as we are sure you will notice a dramatic change in many of the areas of the library. It is very exciting to be changing! If you cannot find what you are looking for because it has moved, please do not hesitate to ask one of the friendly library staff, as we are so excited to help!

FROM THE MUSIC DEPARTMENT

234 PERFORMANCES – A REMARKABLE SHOWCASE OF MUSICALITY!

Congratulations to all of the boys who performed over the past two weeks at the Preparatory School. Two hundred and thirty-four instrumental solos made for a marathon of musicianship in a series of ‘Studio Concerts’. Every boy at the Preparatory School who learns an instrument through the co-curricular instrumental programme performed a solo in front of audiences of peers, teachers and family. To perform requires an immense amount of discipline and courage for which we applaud our Preparatory School musicians. Whether they have been learning the drum-kit for four weeks or studying the violin for six years, the confidence, assurance and expressivity demonstrated by our boys was astounding. Bravo to our young musicians, the teachers who work so hard alongside our boys and the families who support and encourage at home.

AMEB OCTOBER EXAMINATION SESSION

Following the Preparatory School’s excellent track record at the May AMEB Examination session we look forward to working with students towards the second 2015 session, which will be held in October.

Taking a music examination is only one measure of success so please discuss with your son whether this option is the right one for your family. They can be useful milestones in a student’s development and many children revel in the sense of accomplishment achieved when successfully attaining a Grade level. Despite this, examinations can be quite confronting and require high levels of discipline and consistent practice in preparation. Please feel free to discuss this with your instrumental teacher or Ms. K. Harding (Director of Preparatory School Music) if you have any concerns.

Trinity Grammar School hosts the examinations and is an official AMEB examination centre. The scheduling, fees and examiners are mandated by the AMEB and are outside of our control. Trinity Grammar School administration enrolls all of our students and charges the fees to the relevant student account.

If you would like your son to sit an examination in the October Sessions, please complete and submit the attached form. Please refer to your instrumental teacher regarding the correct examination fee, as these differ according to instrument and grade level. These forms are due to the School administration by the end of Week 1, Term 3.

Kimball Harding | Director of Music, Preparatory School

’We would like to congratulate our very own Mrs. Jennifer Trynes – piano teacher, composer and eco-warrior extraordinaire. Mrs. Trynes has taught thousands of Trinity Preparatory School boys over her twenty-seven year tenure. The stunning results of the piano studio in the recent AMEB exams and this week’s fifty-five plus student studio concert is testament to a perfect combination of knowledge, passion and experience.

Jennifer will be celebrated by the broader community during the school holidays. Her compositions form part of the anticipated Australian Women Composers’ Piano Anthology which will be launched by Wirripang Press during the Australasian Piano Pedagogy Conference in early July. Despite the gender equality that is accepted by contemporary Australian society, women composers still struggle to have their works heard or published. It is a travesty that female Australian composers (such as Mary Mageau and Betty Beath) receive more recognition internationally than they do at home. So it is with great pride that we celebrate and congratulate the talented and dedicated Mrs. Trynes, and we look forward to the first performance of these pieces at Trinity Preparatory School.’

ARCHER HOUSE
RED NOSE DAY 2015

On Friday the boys from Archer House supported Red Nose Day by selling a variety of items to the Preparatory boys. From PK to Year 6 all the boys showed great support for Red Nose Day through purchasing items such as soft toys, pens and red noses. Archer House raised over $800.00 for Sids and Kids foundation through their hard work on the day. I would like to personally thank all of the Archer and Year 6 boys who assisted in the selling of Red Nose products and the staff and students who purchased items.

AUXILIARY NEWS

Hi everyone,

Look, it’s not that there’s nothing happening here at Auxiliary HQ. It’s ALL happening, don’t you worry about that! It’s just that there’s actually nothing to report. We had our meeting last week - excellent turn out by the way - and put a lot of things in train for next term.

So that’s where we’re at - things are in train. We’re talking about the Fathers’ Day Stall, we’re talking about our super duper fundraising event coming up, we’re even talking about the Fiesta (the Auxiliary never sleeps!) but as for concrete plans and news you’ll have to just hold on till next term.

Til next week (where I’ll really be scraping the bottom of the barrel for news)

Till next week,

Elizabeth McMullen | President Strathfield Auxiliary

Enrolments for TEC Term 3 have now commenced. If you would like to know more about TEC or if your son would benefit by doing the programme go to;

This term we are asking that all enrolments start by completing the online form at;

Your son will be assessed for suitability to the TEC programme and then you will be invited to complete the registration form and make payment to Mrs Gabbe in the Prep office.

If you have any questions contact me by:

email at dmunnoch@trinity.nsw.edu.au or phone 9581 6035

David Munnoch | TEC Co-ordinator
FROM THE SPORTSMASTER

Having had a well-earned break last weekend, tomorrow is our final round of sporting fixtures for the term. With one week remaining, the matches tomorrow will be a great way to end what has been a good term of sporting challenges.

Our Rugby boys have been developing very well with pleasing results this year. A pleasing aspect has been the way in which the boys have shown that with dedication and commitment results will follow. A highlight of the last round of fixtures was our U12B team who, having struggled previously, displayed great skill and teamwork to win the match. Well done to Mr Munnoch (Coach) for his training and encouragement.

Tomorrow a number of boys will compete in the 7s Rugby knockout finals. Boys are to arrive at Wakehurst at 8.00am for a 9.00am kick-off. Preparatory boys involved in the 7s competition include, Theo Christian, Theo Kidd and Jordan Itaoui, along with boys from the Junior School. We wish them all the best for the competition.

Last week Mr Luke Gray (MIC of Football) and Mr Lachlan White (Director of Rugby Coaching) held coaching clinics for our staff at the Summer Hill campus. These clinics are a great way to up-skill our coaching staff for the benefit of our boys. Another clinic will be held at the Preparatory School for our Football coaches next Thursday morning. We would like to thank Mr. White and Mr. Gray for their time and expertise.

With many matches at different locations tomorrow, I urge all parents and boys to make sure that they arrive at their ground at least 30min prior to their match beginning. There are still many boys arriving at the start of games or after, which is not fair on our teams, or the opposition. Please check the fixtures schedule on the Trinity Grammar School website because some matches have time and or venue changes.

Have a wonderful day tomorrow; play hard play fair and play with good sportsmanship. We are starting to see real improvement in all our sporting teams, which is very pleasing indeed.

George Ayoub | Sportmaster

YEAR 6 FUNDRAISER
REVIVE THREADS

We are pleased to announce that the school has organised a textile collection with Revive Threads in order to raise fund for the Year 6 Fundraiser.

As well as raising vitally needed funds for our school, it also helps the environment by helping to divert unwanted textiles away from landfill.

By getting involved in our Revive Threads collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted clothing in the bag provided. This can include adults and children’s clothes, sheets, blankets, shoes (in pairs and tied together), belts and handbags. This will also raise awareness amongst the children of the benefits of recycling and reuse.

Please note: Revive Threads cannot accept dirty or wet clothing, single shoes, off cuts of material, mats, carpets, pillows, duvets/quilts and bric A brac.

Revive Threads will pay us for every kilo collected.

Use any bag to donate your items and don’t forget to ask grandparents, friends and neighbours to have a sort out as well!

Boys can bring the bags to their classroom from Monday 20th July until Friday 24th July and parents can drop off bags at Kiss and Ride on the mornings of Tuesday 21st July and Thursday 23rd July.

Many thanks indeed for helping us with this unique fundraising opportunity.

During Kindergarten’s Unit of Inquiry, ‘Our Wider World’, we have been learning about different people and jobs in the community and how they help us. One of our learning experiences was to have some fire fighters come and visit us, they even brought their truck. We learnt all about fire safety at home and school. We also learnt how to get down low and go,go,go when there is a fire nearby. We all looked inside the firetruck and turned on the giant hose. We had a fantastic time.

The Kindergarten Team
Last weekend the Trinity Scouts had a fantastic at the South Met Region Gathering at Camp Coutts near Waterfall. The weather was perfect, though a little cold overnight, for a weekend of fun and activities.

This year the scouts caught the train to and from camp. Meeting after school at Summer Hill station, Adrian, Aiden, Dan, Harrison, Rohan and Ryan were joined by James, Huon, Mr Snowsill and Mr Brown to catch the train to Waterfall and then hike in to the camp. This was a great experience and the scouts were able to see how easy it is to get to camp so that when they plan another camp they can repeat the same path. Earlier in the day Mr McManus and Mr Snowsill assisted Chil in taking the trailer and heavier gear to the camp, and to set up the kitchen and leader’s tents.

The scouts arrived just after 7pm and set about putting up their tent and organising their stretchers while a welcome supper and hot chocolate was prepared.

Saturday morning the Trinity Scouts hosted a parade with Burwood and Enfield Scouts to celebrate the investing of Aiden Murphy into the troop. Special guests to our parade was the Regional Commissioner and the Regional Commissioner (Scouts). They brought with them the Australian Scout Medallion to present to James Hull. The ASM is the highest award in the Scout Section with only 4% of scouts achieving this award. It is Scout section’s equivalent to the Venturer’s Queen Scout and Rover’s Baden-Powell Awards. James is the first Trinity Scout to achieve this award since its inception in 2003. A formal Presentation of the award will be made in August by the NSW Scout Commissioner upon James’ return from the World Jamboree in Japan. After parade, Adrian McManus attended his Australian Jamboree troop meeting before the activities of camp began.

As a patrol, the six Trinity Scouts undertook challenges and activities. Some of the activities were a challenge for individuals or as a team, while others covered parts of the Scout award scheme. Some of the activities included milk-crate stacking, a camp version of quidditch, making billy cans and cooking over an improvised stove using a home-made fire starter, or conquering an obstacle course over the natural pool in the centre of camp.

On Sunday Mrs Brown brought the cubs, Christian, Kelvin and William to camp for visitor’s day. The camp was filled with excitement as over 1460 scouts from all scouting sections undertook or ran activities. The cubs were also able to undertake most of the same activities as the scouts. Crate stacking was a great success with the Cubs able to stack the milk crates 11 high while William remained balanced on the top. The obstacle course and “attack the Minions” activities was a lot of fun also.

We had a great weekend with three nights camping at our bush camp and activities during the day. The scouts returned as they arrived by walking back up to Waterfall and catching the train to Summer Hill on Monday afternoon, then returning to scouts on Tuesday night to unpack the trailer.

Dan also led some games after unpacking the trailer and at closing parade we awarded proficiency badges to Harrison Brown for Fire Awareness; Ryan Snowsill for Musician; and Rohan Shetty for Individual Sport, Team Sport, Information Technology and Entertainer. William Brown was also awarded a level 1 Collector achievement badge.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the old gymnasium during School term at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

WINTER BASKETBALL SKILLS AND DRILLS 2015

TERM 3 ENROLMENTS CO-CURRICULAR PROGRAMME YEARS 4-6

Once again in Term 2 Trinity Basketball will be offering a Winter Basketball Programme, which is open to Junior and Preparatory School boys from Years 4 - 6 who currently play Basketball for the School or Year 4 boys who will be choosing Basketball as Sport in Term 4.

The “Skills and Drills” will be held on Monday mornings from 7.00am – 8.00am in the Trinity Sports Centre during Terms 2 and 3.

The programme will develop shooting, ball handling and passing skills, along with team concepts and game awareness. It is designed for boys who are passionate about Basketball and taking their game to the next level.

Cost

The cost will be $105 for Term 3 (7 sessions) and the Programme will commence on Monday 20th July and all boys must be registered before the first session.

Transport for Preparatory School Students

Preparatory boys who register for the programme have the option of catching the Trinity bus (to the Strathfield campus). Following training, a member of staff will accompany those catching the bus from the Sports Centre courts to the Trinity bus.

Coaching

Trinity’s Assistant Coaching Director of the last three years Mr Mark Handel will deliver the programme. Mr Handel is Assistant Coach for the 2nds V and Head Coach of the Year 8A/B Teams in the Senior School and also works with our Junior School Basketball Teams during summer season.

YEARS K TO 9 FOOTBALL CLINIC
JULY SCHOOL HOLIDAYS 29TH JUNE - 2ND JULY

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the July Holidays. **Benefits** of participating at this camp include:

- 24 hours of football tuition over four days.
- Participants train as per the Football Federation Australia National Curriculum.
- **5-8 year old** participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
- **9-13 year old** participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
- **14-15 year old** participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
- Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
- Training facilities include a synthetic all weather football field and three indoor basketball courts.
- Participants play in mini tournaments that replicate the ‘A-League/Champions League/World Cup’.
- Participants are tiered according to their playing level.
- All participants receive BBQ on Monday and Thursday.
- Drinks and fruit provided each day.
- **Coaching Staff** are fully qualified coaches who were former distinguished Football players. Leading coaches will be **David Barrett** and **Luke Gray**, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
