FROM THE MASTER OF THE PREPARATORY SCHOOL

“And we know that in all things God works for the good of those who love him, who have been called according to his purpose.” Romans 8:28

At this afternoon’s Pre-Kindergarten to Year 6 Chapel we stopped to reflect on the term. It was a great opportunity to celebrate the many successes the boys have experienced throughout the term, and there have been many. It is amazing how much can be achieved in one term!

Yesterday the boys’ Portfolios were sent home and today you will have been notified about your son’s Report being available via the Parent Portal. I trust that the Report will paint a comprehensive picture of your son’s progress throughout the semester and highlight his achievements. It is my hope that you might have time to sit with your son to discuss the work samples contained in his Portfolio and also the digital work samples and reflections in his ‘2015 Shared Folder’ which resides in his Google Drive.

The Llandilo building has been a little quiet this week as many of our boys have been off-site on either the North Coast Sports Tour or the Art Camp. These two opportunities highlight the rich and balanced nature of the learning programme at Trinity Preparatory School. All reports from the boys and teachers on the North Coast Tour have been extremely positive. The boys have had the chance to play a number of games against Bishop Druitt, St Columba and Hunter Valley Grammar.

A number of our boys have ventured down to Bundanon to participate in a range of different art experiences with the artists in residence at the site and our very own artist in residence, Mrs Gaby Shatter. From initial conversations, it sounds as though all of the boys have had a wonderful time and enjoyed the opportunity to explore their creative talents.

I want to take the opportunity to thank Ms Claire Hexton who has filled in this term as our Teacher Librarian. She has done an amazing job and has been instrumental in revamping the learning space. This has involved moving the shelves to create a number of student-centred learning zones to make the Library even more attractive and appealing to our boys. Our goal has always been to make the Library a place where it is easy to promote literature, inquiry and other more creative endeavours. An indication of the impact was the fact that there were over 40 boys in the Library at lunchtime this Monday simply enjoying the space. Ms Hexton will remain with us for the remainder of the year but will return to her other teaching roles across the school. Next term we welcome Ms Michaela Hashim, our new Teacher Librarian. I encourage you to drop in on the Library at some stage early next term to see the changes and to welcome Ms Hashim.

Earlier today the Preparatory School hosted its first PowToon Festival. What is a PowToon Festival you say? PowToon is an online tool that allows users to create animated videos and presentations. Connected to their class learning and with the support of Ms Belinda Martins, our eLearning Integrator, Year 4 students have each submitted a short film across a number of genres. Prior to today’s festival the students had watched and voted to select the films that would feature. It was a brilliant event and showcased the boys’ creativity and the deep learning that has occurred in their most recent Unit of Inquiry, ‘Tell us a story’.

I hope that all members of the School community have a wonderfully refreshing break over the holidays and have a chance to spend quality time with family and friends. We look forward to the boys returning with enthusiasm for another busy term of learning.

Chris Wyatt | Master of the Preparatory School

FROM THE MUSIC DEPARTMENT

PREPARATORY SCHOOL CHAMBER ENSEMBLE welcomes sixty new Australian citizens.

Our senior musicians (Duncan Feng 6E, Brendan Chew 6C, Matthew Chen 6H, Andrew Tanous 5M, Enoch Chan 4B and Julian Chin 4O) performed last Thursday night at the Strathfield Council Citizenship Ceremony. It is a great honour to have been invited to perform for this event, with special dignitaries including Councillor Gulian Vaccari (Mayor of Strathfield) and Jodi McKay MP (State representative). It was very moving to hear the different personal stories of many of the attendees who had suffered many hardships and travails. To be part of an event that for many would be one of the most important of their lives was a great honour. There was a real sense of connection and pride as the Chamber Ensemble’s performed the Australian National Anthem. Congratulations boys for your exemplary community service and a special thank you to the parents of the Chamber Ensemble who are tireless in their support!

YEAR 2 AND YEAR 3 INSTRUMENTAL CLASS

Year 2 and Year 3 instrumental groups performed for each other during their music lesson this week.

All the teachers were very proud of the students who had practised and prepared diligently over the last few weeks. The result was excellent. Each group announced their items and followed their student leader in bowing, moving from resting position to playing position, starting and stopping together (and everything in between). All of the boys showed courage and confidence in front of their peers with some exceptionally musical results. Bravo!

TRINITY’S SUPER SEVENS SUCCESSFUL STATE SQUAD

On Saturday, the Trinity Grammar School Primary Sevens team played in the NSW State 7s finals. This was the first time a Trinity team had qualified. They had qualified to compete in the finals by winning the Sydney Southern Zone Tournament earlier in the year. The State wide tournament had 300 schools competing in regional and zonal competitions in the lead-up to the finals tournament on the weekend. In the pool stages of the tournament, the team played a variety of schools, scoring comfortable wins. The semi-final was played against Scone Grammar, with the team starving the opposition of ball through terrific work at the breakdown. The final score was 5 – 2 to Trinity and as a result, they advanced to the State final played later in the evening at the Sydney Football Stadium as the curtain raiser to Waratahs and Reds game.

Prior to the game, the team managed to contain their excitement and, after a rousing haka from Mr Niulala in the tunnel, were primed to perform. The next fifteen minutes were magical. Trinity played a dominant match, once again limiting the opposition of ball and passing selflessly to record a 6 -1 win over Orange Public School.

As State champions, they received a tournament trophy and individual medallions. More importantly, they now have memories that they will cherish for the rest of their lives, this amazing shared experience forming a bond between the players that will last well beyond their school years.

Whilst there were some noticeable individual tries throughout the tournament, it was the less obvious skills of passing selflessly and competing for the ball at every breakdown which were the team’s point of difference from their opposition.

The playing group has been training since the beginning of Term 1 and all the players demonstrated great commitment and dedication to improving their skills. In the Easter holidays, they were also undefeated at the Armidale Primary Rugby Carnival. As a coach, it has been a pleasure working with such a talented, committed and coachable group of players.

The squad comprised Tom Buvac, Jack Casimir(Capt), Seb Boffa, Theo Kidd, Hunter Hannaford, Jacob Stark, Jordan Itaoui, Theo Christian, Darcey Mooney, Antonio Lazzaro, Juno Yim and Tom Yarrow. Josh Perera, Max Ryan, Harrison Evans and Tom De Szeoke also played in the earlier tournament. Water boy was Tyson Jackson.

David Alagna | Year 4 Teacher

Hi everyone,

So what did you do last Saturday night? Were you at the ball? Actually I know that a whole lot of you were. I saw you! And what were we all doing at the ball? RULING THE DANCEFLOOR, THAT’S WHAT!!! What a top night. I want to thank the P&F for organising the Ball and to apologise on behalf of the Prep school for crowding everybody else out of the fun.

And speaking of fun and the dancefloor - here are some pictures:

Check out this handsome couple!

I think we impressed Mr Wyatt with our enthusiasm (PS what’s that man in the background doing?)

Well done party people! And on that note I shall wish you all a very lovely and relaxing holiday.

Til next term,

Elizabeth McMullen | President Strathfield Auxiliary
It has been a wonderful week of Football and Rugby for the 34 Junior and Preparatory boys this week. It was a privilege to join them as they toured Northern NSW. After two nights at Bishop Druitt College in Coffs Harbour and two nights billeting at Hunter Valley Grammar School, the boys deserve to rest up over the holidays in preparation for the start of Semester two.

Today saw the boys play Hunter Valley Grammar School for their final tour matches.

A full tour report will be included in our first Newsletter of Term three.

It is important to take this opportunity to thank Mr Alagna, Mr Allum and Mr Bremner who supported both myself and the boys throughout the tour.

The athletics carnival is scheduled for Monday of Week 3, Term three. As with previous years this is a combined Preparatory and Junior School carnival. Further information will be sent home before the event.

Tuesday training will recommence in Week 2, Term 3.

I wish all families a safe and restful Winter break and look forward to seeing you all next term. God Bless.

CUB AND SCOUT NEWS

Where has the term gone? This week the cubs ran the parade and thanks to some great research by William Brown we had some new games to play. It was great seeing William, a new 8 year old cub scout, standing before older cubs and scouts, some of whom are a good four years older than he is, to explain his games.

Leadership is one of the things that is encouraged at Scouts – be confident in yourself to then speak to your peers to guide them in a new activity or skill.

In a partnership with Discovery Channel UK the UK Scouts Association published this list of 14 things for young people to do before they are 14:

1. Navigate using a map
2. Climb a tree
3. Make and fly a kite
4. Cook a meal
5. Repair a bike
6. Camp outdoors with your friends
7. Build a den (survival hut?)
8. Put up a tent
9. Ride a sledge (sled)
10. Use a telescope to look at the stars
11. Light a fire safely
12. Learn basic first aid
13. Go on a nature trail
14. Tie a reef knot

At Trinity Scouts we have opportunities to do all these and more and we call them scouting skills. What are Scouting Skills? Can you throw some things in a pack, step off the road into the woods and live comfortably for a few days without getting lost? Can you build a fire, lash a tripod together, set up a shelter, cook your food, stay warm and dry and leave no trace of your presence when you leave? If the answer is yes then you possess what I would call some basic ‘Scouting Skills’.

Why use this Scouting Skills stuff anyway? Scouting skills are separate from everyday life. They are, in fact, at odds with everyday life. They require us to push ourselves physically and mentally beyond our normal sphere of comfort. Scouting skills connect us to our human origins. It’s generally agreed that the first basic elements of human culture arose shortly after we learned to build fires (about four hundred thousand years ago). When Scouts leave their homes and begin learning their way through how to work together in the bush something happens that is not quantifiable or particularly easy to explain, but anyone who has gathered around a campfire with the night at their backs knows what it is.

Why are Scouting Skills still important? Scouting skills may be practical useful things to know but let’s agree that they have little relevance to modern life, and that’s one of the most important things about them. If you’ll think about it Scouting skills had about as much relevance to ‘modern life’ of a century ago as they do today.

To become skilled at Scouting we have to turn our backs on the technological marvels upon which we have all come to depend, disconnect from i-device, stand in a forest clearing, and start all over again.

Anyone can pick up a basketball or football, play the game, and even become a decent player. But excellence in sports requires aptitude and physical ability that not all of us possess or can develop. The same thing is true of academics, we can rise to a certain point but will probably not surpass to any great extent our natural aptitude for the subject.

Unlike the natural aptitudes required to advance in sports or academics any Scout can gain and master Scouting skills with dedication and practice. That ‘level playing field’ is a key reason we need to emphasize and promote Scouting skills. Practicing and mastering Scouting skills creates a special community with a distinct code of conduct that re-orders the priorities of the everyday world. Practicing Scouting skills requires an unusual combination of self-reliance and cooperation, a level of awareness of one’s self, of others, and of the natural world no other endeavour replicates.

What’s your list for fourteen things to do before you’re fourteen?

Scouts is off for the mid-year break and the Group returns on 21 July (week 2) to meet in the old gymnasium at Summer Hill Campus on from 6pm to 7:30pm.
