“So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal.” 2 Corinthians 4:16-18

After the busyness of last week’s Primary Arts Festival it has been a refreshing change to have a slightly more settled week for the boys. Having said that, I have quickly learnt that the Prep School does not stand still for long. In the background there have been all manner of things happening including AMEB Theory exams for many of our musicians, rehearsals for the upcoming Kindergarten, Year 1 and Year 2 plays, as well the ongoing training for our Athletics team in preparation for the South Harbour Invitational Carnival this Saturday and the IPSHA Carnival next Tuesday.

This week, results of the NAPLAN tests undertaken by boys in Years 3 and 5 earlier in the year arrived at the School. Parents are alerted to the fact that these results were given to boys on Friday 21st August to take home to their parents. Please ensure that you obtain the results from your son. Students absent on Friday will have their results mailed home. Duplicate copies will also be posted out to non-custodial parents where this is indicated in the School’s database.

NAPLAN (National Assessment Plan for Literacy and Numeracy) is an annual assessment for Years 3, 5, 7 and 9 designed to provide information to schools and parents about student achievement and growth. It is important to note that whilst this data is extremely valuable and is used widely within the school to track student learning and to review teaching and learning programmes, it is just one form of a great variety of learning data that is considered in this process. This data includes all pre assessments, post assessments, teacher observations, self-assessments and reflection, portfolios, evidence of learning in each boy’s Shared Folder on Google Drive, as well as the essential information gained from each and every learning experience. With this in mind, I encourage parents to view their son’s results in the same light – as one piece of the ‘reporting’ pie, alongside all other information you receive about your son’s learning. From our initial, limited analysis of the overall results, we are very pleased with the way our boys have achieved, but this isn’t a surprise given our confidence in our ever-evolving learning programmes and the high standard of our learners. If you wish to discuss your son’s NAPLAN’s results, please don’t hesitate to contact his class teacher in the first instance.

A highlight of every year is Book Week as we celebrate the important role that literature plays in the lives of young (and old) people. Next week is that week and Ms Hashim has planned a number of exciting events as part of the celebration. Two of the great highlights of the week are the annual Book Parade that will take place on Wednesday 26th August from 9.15am and the author visit. It is always great to see boys dressing up in their favourite book characters and this year parents have been invited to join in on the fun. On Thursday we have the privilege of hosting Tim Harris, a budding young author (and primary school teacher) who will be launching a series called ‘Exploding Endings’: a collection of short stories in the mould of Paul Jennings. The opening launch will take place on the day when Tim visits Trinity.

I wish to make Year 3 parents aware that as part of the review of sport in the Preparatory School (along with the Junior School), it is the School’s intention that interschool competition for boys in Year 4 will be an expectation from the beginning of the year in 2016. Parents considering summer sport options via sporting clubs are still encouraged to do so but should note that participation in sport for Trinity will be expected to take priority over club commitments when these clash. Individual exemptions based on special circumstances can be discussed as they arise.

From all reports, last week’s Year 3 Basketball Gala Day was a tremendous success. The boys had the opportunity to enjoy some healthy competition against their class mates as they put into practice the skills they have been developing and working hard on over the last number of weeks in sport training.

Once again I want to wish our Athletics Team the best of luck for tomorrow’s South Harbour Invitational Carnival and next Tuesday’s IPSHA Carnival. It is tremendous that we have such
a strong contingent of athletes striving for personal bests and supporting one another along the way. Congratulations to Theo Christian who was this week named the Athletics Captain for 2016.

The safety of our boys is of the highest priority. With this in mind we urge all parents to abide by the road rules outside the school and make use of the Kiss and Ride area provided for drop off in the morning and pick up in the afternoon. Our Kiss and Ride Buddies are doing a fine job of looking after our younger boys by walking them to their classrooms. Under no circumstances is it appropriate for a boy to cross the road on his own from the other side of Llandilo Avenue. Performing U-turns in Llandilo Avenue is a very dangerous practice and places the safety of our boys and other driver in jeopardy. Thank you for your partnership in ensuring the safety of our boys as they are entering and leaving the school ground.

I look forward to the Hilliard House and School House Family Service on Sunday in the School’s War Memorial Chapel at Summer Hill. The service begins at 10:00am. It is expected that boys in Years 3 – 6 from these Houses are in attendance as we worship together as a community. Boys in Trinity Singers need to arrive at 8:30am for final preparations before the service.

Award for Excellence For A Primary Teacher In Their Early Years of Teaching – Congratulations to Ms Holly Caddy, teacher of 1C on being announced as the winner of the Teachers’ Guild of NSW Award for Excellence For A Primary Teacher In Their Early Years of Teaching. Holly is in her third year of teaching at Trinity and is an inspirational teacher.

IPSHA
Social Action Expo

Last Thursday a group of 6 students from Year 5 and 6 visited The King’s School for the biannual IPSHA Social Action Expo. We were fortunate to listen to several organisations speak about social action in the community.

A representative from JDRF spoke to everyone about how they are attempting to cure Type 1 Diabetes in kids and help them live their lives. We learnt a lot about how we can help people with diabetes when they have low and high blood sugar.

The next group that spoke to all the students was from OzHarvest. OzHarvest visits restaurants to collect food scraps. Once they collect the scraps they then distribute the food to charities that help feed the homeless.

The next people to present were from Kids Give. Kids Give is Australia’s only crowd funding website run by kids for kids. Kids Give is all about kids having a voice and allowing them to assist in the community. If children think of an idea that they are really passionate about they can visit the Kids Give website and create a persuasive video. Through this video people can donate to the cause.

At the end of the day there was a student expo where students from other schools had the opportunity to share social action that they had demonstrated in their local community. There were many charities represented like the World’s Greatest Shave, Westmead Children’s Hospital and many more.

Overall, it was a fantastic day filled with many great experiences. The following day we were all given the opportunity to share our experiences from the day with our class and discuss how we can implement social action to make a difference to the lives of others.

Liam Ling, Ricardo Delgado and William Lenard.

PRIMARY YEARS ARTS FESTIVAL – PREPARATORY SCHOOL

Last week was a joyous celebration of all things musical at the Preparatory School. The festivities started with a wonderful concert, the annual Evening of Music which featured all of the Preparatory School music ensembles: Chamber Orchestra, String Orchestra, Concert Band, Chamber Ensemble, Cello Ensemble and Trinity Singers. All in all, over 100 performers serenaded a packed audience with works ranging from famous movie themes, to favourites from the British Proms (Pomp and Circumstance by Elgar), to traditional folksongs from Ireland and contemporary Australian works about outback NSW.

What a triumph! I am particularly proud of the String Orchestra, which is the training string ensemble, and the Concert Band for whom the 2015 Evening of the Music was the first time that they performed as part of the Trinity Grammar School Arts Festival. A special congratulations is due to Damien Vimalaratnam, Jack Fresta and Jon-Luc Shalala who had only joined their respective ensemble a few weeks prior to this concert. What an achievement!

From students in Year 1 who are beginning their musical journey to our two Denham Court Scholars, Duncan Feng and Brendan Chew, the audience could hear the story of commitment, dedication and pursuit excellence that our students, teachers and parents.

SONGS OF IMAGINATION

The story continued on Friday morning, with a spectacular performance from all of the students in Years 3, 4, 5 and 6. The students, led by Euan Germanos, Jamie Christopoulos and Ricardo Delgado, wove a story about the spark of imagination and the importance of exploring our creativity throughout our lives. Students performed predominantly Australian contemporary works from composers Michelle Leonard, Dan Walker, Paul Jarman and Luke Byrne. The boys were very fortunate to have the opportunity to work with and be conducted by Luke Byrne. What a wonderful experience to learn directly from the creator – understanding the intent and processed first hand.

An article in the UK independent* this week highlighted current issues in English schools, where despite research showing the emotional, social and intellectual benefits of singing for boys, there is a huge gender gap. Issues of identity, peer pressure and role modelling play into a culture where male singing is perceived negatively. The UK government is launching a 40 million pound campaign to promote singing as part of the primary curriculum because they feel so strongly about this issue and many could say that the issue resonates with Australian society and schools.

Trinity Preparatory School definitely stands out as an exception to the rule. Approximately 250 boys proudly and spectacularly lifted the Sports Centre roof with music that was filled with energy, pride and spirit. Parents and staff also joined the music making, with Master Wyatt and Deputy Master Sandwell leading the way on percussion instruments in an improvised spur of the moment Brazilian Maracatu. If you are unfamiliar with this style of music, you will have to join us next year!

A special thank you to students from the Senior School; James Verykios, Adam Zhu, Jonathan Kim, Jason Kong and Keith Chan. These senior students gave up their Tuesday afternoons to mentor our Prep School Chamber Esemble, and accompanied the massed choir during the performance. To see 9 year old Enoch Chan perform with a 15 year old was a particular highlight and reminds us all of the special community that we have at Trinity Grammar School.

Hi everyone,

We had our first **Fiesta** meeting for 2015 today and it was a beauty! Thanks to those who attended we are on top of everything. Fiesta info will start to dribble out closer to next term but just make sure you pop Saturday, November 28 in your diary – be there or be square. Or in the case of years 3 to 6 be there or be in trouble. It’s compulsory, y’all.

Of course you saw the **Fathers’ Day Pre-order Form** in last week’s Prep News and here it is again (see link below). Get in early and get what you want. Order early, order much. Rhythm is a dancer, pre-order is the answer. If I’ve said it once, I’ve said it many times.

Now that you have the **Walkathon** forms and are escorting your children around the neighbourhood squeezing money out of friends and strangers alike, I thought you’d like to see what you’re playing for. Show them, Delvene:

That is the real deal! And only one of the many prizes to be won. I could take a picture of the $100 vouchers from Sanity, Target and other lovely stores but I think you know what they look like. The iPad mini goes to the boy who raises the most money overall and the vouchers are for the boy who raises the most money in his year. The class that raises the most money will receive a special pizza lunch. I’m faint with the excitement.

Speaking of excitement don’t forget to bring your coffee money to the Book Parade next Wednesday - the KavaVan will be there!

I’m off to get my costume ready for next Wednesday – see you then!

Til next week

**HOUSE SERVICE (YEAR 3 TO 6)**

**HILLIARD HOUSE & SCHOOL HOUSE**

The Trinity Grammar School War Memorial Chapel | Summer Hill on **Sunday 23rd August at 10.00am**
Last Saturday the Preparatory Track and Field Athletes competed at the Newington Preparatory Schools Invitational Carnival at the Sydney Olympic Park Athletics Centre Warm Up Track. I would like to echo what Mrs Burke has stated in her report, and congratulate all of our boys on their performances and how well they represented the Preparatory School. From the beginning of the day our boys were united as a team, and I was so proud to see them warm up together as they jogged around in a tight bunch. It turned out to be quite a successful day for the school. Congratulations to the boys who achieved places in their events. I have no doubt that the success you achieved last weekend will inspire others in the team to be the best athlete that they can be. This Saturday Trinity Preparatory and Junior School will be hosting the South Harbour Invitational Carnival at the same facility. If you are near Homebush between 8am and 11am this weekend I encourage you to come down and support the boys in their events. Good luck to all competing this weekend.

Last weekend was also the Year 3 Basketball Gala Day, held at Summer Hill. From all reports, the day was a success and it was great to hear how well the boys played and how strong the sportsmanship and competitive spirit was. The Year 3 boys had been training for the past 6 weeks, so the Gala Day was a culmination of all the ball skills and team tactics that had been practiced during Thursday sport. A big thank you to Mrs Collins, Mrs Evans, Mrs Spork, Ms Hale, Mr Bacon, Mr Dunphy, Mr O’Neill and Mr Smith for all their coaching and support on and leading up to the day, as well as to Mr Ben Morrissey (MIC of Basketball) for help in organising the day. Well done to all!

Next week we will begin our Summer Sport trials, so boys will need to remember to wear the appropriate uniform for their chosen sport. For the previous two Thursday mornings, boys in Year 3 to 6 have been participating in what we are now calling ‘F.A.S.T Thursdays’. F.A.S.T stands for Fundamental and Active Skills at Trinity and it’s the schools Fundamental Movement Skills (FMS) Program. These sessions have been conducted at Bressington on the back of lessons that boys have been participating in during PE classes. The boys participate in a number of exercises that vary in difficulty. I encourage you to assist your sons in learning about FMS as it is vital for physical development.

TRACK & FIELD
Newington Invitation

Congratulations to the Track and Field team who competed in their first competition at the Newington Invitational on Saturday. The boys did an outstanding job in their events and were supportive of each other. It was an absolute pleasure to see the each boy not only competed with enthusiasm but also of their support for fellow Trinity teammates.

Congratulations to the boys who received a placing in the track and field events. Results for the Newington and South Harbour Carnivals will be in next week’s Prep News.

This Saturday the team competes in the South Harbour Track and Field Invitational at the Sydney Olympic Warm Up track. Each boy involved would have received a note earlier in the week. I look forward to seeing the team this Saturday (22nd August) at 7.30am for the warm up.

Next Tuesday 25th August the IPSHA Track and Field Team will compete at the IPSHA Track and Field Championships. Letters have been given to the boys in this team. The Track and Field Uniform must be worn for this day. If you have not already purchased one, you will need to do so before next Tuesday. Permission notes are due back to Mrs Burke this Friday 21nd August.

Congratulations to Theo Christian who has been selected as the Captain for Track and Field.

CUB AND SCOUT NEWS

This week the Cubs and Scouts learnt the safe use and handling of power tools as we started to construct trolley boards so we can play the Scout version of “Hungry Hippos”. Using a circular saw and drill the scouts have cut and fixed wheels to wood planks which are used to slide across the floor to grab the balls with buckets. Keep an eye out in the weeks ahead for photos and hopefully videos of the game.

One of the ten Scout Laws is “A Scout cares for the environment”. This weekend Ryan, Harrison and Adrian are attending the Region Environment Camp at Camp Coutts where they will learn about bush conservation from National Parks and bush tucker from local Aboriginal elders as part of a comprehensive weekend camp. Activities will include identifying degraded areas in the bush and the causes of that degradation, then plan how to address the degradation and commence restoring the habitat. The Scouts will also look at how we can recycle and reuse “waste” to limit rubbish and land-fill with a number of activities putting what they have learnt into practice. As part of the camp the scout will also become aware of one of the outdoor activity principles of scouting which is to “leave no trace” as they respect the environment they are in.

Congratulations to Nathan Anjoul in being awarded his first Cub Achievement Badges in Level 1 Athletics and Music. 1-2-3 WOOF Nathan.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm – except next week as we are going fishing!

SIBO BANGOURA & FRIENDS

Wednesday 2 September, 7.30pm
Orchestra Room, Roderick West School of Music

Australia has a new West African band capable of holding its own on the world stage.... THE AUSTRALIAN

Music courses deep in the veins of Sibo Bangoura, one of the most renowned African kora and djembe players in Australia today. Born into a music family (Griot) in Guinea, he is tasked with ensuring that traditional storytelling and music are passed on to the next generation.

For this concert, he will be joined by members of his band Keyim Ba, including celebrated Senegalese percussionist Yacou MBaye on doun doun, sabar and congas; Jon Pease on lead guitar accompanied by the funky bass lines of Tina Harris; and dancer Rachel Bangoura completing the picture.

Expect an evening brimming with rich melody, traditional song and dance and high-energy percussion – a true musical journey through West Africa!
