FROM THE MASTER OF THE PREPARATORY SCHOOL

“I PRAY THAT OUT OF HIS GLORIOUS RICHES HE MAY STRENGTHEN YOU WITH POWER THROUGH HIS SPIRIT IN YOUR INNER BEING, SO THAT CHRIST MAY DWELL IN YOUR HEARTS THROUGH FAITH.”

Ephesians 3:16-17

PK boys celebrating Fathers’ Day with their Dads!

The PK boys celebrated Fathers’ Day this morning with a barbeque, fun activities and a wonderful presentation. The morning was brilliantly supported by the proud PK Dads.

Yesterday we had a large audience for our annual Kindergarten play, ‘Just Imagine’. It was wonderful to see our young Trinity men singing and performing after many hours of hard work and diligent practice. The play formed an important part of the Kindergarten ‘How we express ourselves’ unit of inquiry. The play focused on the theme of imagination and the importance of our
young men continuing to explore possibilities and fostering their curiosity and creativity.

Earlier this week I had the great pleasure of hosting an old boy from the Preparatory School from the 1950’s. It was a wonderful opportunity to hear about some of his special memories from his primary school days and the important values that were instilled from his time at the School. We reflected on many things that have evolved and changed as well as many others that have remained constant. Being part of a School that has great tradition is a tremendous strength as it provides a strong foundation from which to build.

This week our Year 3 boys ventured to Galston Gorge for their first camping experience at Trinity. I had the opportunity to visit the camp, arriving just before bedtime and staying until the morning activities. The boys were extremely well behaved and from all reports they had a brilliant time. Many of the boys had their first BMX bike riding experience as well as participating in a variety of other outdoor education activities. Next week Year 4 will be heading to Rathane and Year 5 will be going to Waterslea for their camps.

Language learning is an essential part of the learning programme at the Preparatory School. It provides our boys with the opportunity to develop an appreciation for language learning, diversity and the importance of communication with others around the world. As part of our regular review of all learning programmes we have conducted a comprehensive review of our Languages programme. The outcome of this review is that we will be extending the Mandarin programme to encompass all classes from Kindergarten to Year 6. This will result in the discontinuation of the existing Italian programme that operates in Kindergarten to Year 2. Providing our boys with the opportunity to develop one language from Kindergarten to Year 6 will provide greater continuity and a more comprehensive opportunity to develop their speaking and listening, written and reading skills. I understand that many boys and families have enjoyed the opportunity to learn Italian. As such, we are exploring the possibility of offering an Italian co-curricular club for interested students.

Last Saturday our Track and Field team completed the Athletics season with an invitational event at The King’s School. Overall the season has been a great success with many of our boys setting personal bests. I want to thank Theo Christian for his leadership as the team captain, as well as Mrs Burke (Master in Charge Track and Field), Mr Bremner and Mr Leaper who provided tremendous support and encouragement throughout the season. Congratulations to Theo Kidd, Theo Christian and Larry Curtis on their selection in the IPSHA Athletics team for next week’s CIS Athletics Carnival. Good luck boys!

It is now only a couple of days until our Walkathon that will be held next Monday 7th September. It has been great to hear of the great fundraising the boys have done with the support of parents. Fundraising forms should have been handed in today but it is not too late to do so next Monday. The Walkathon is a great opportunity to raise some valuable funds for our Auxiliary as they continue to support the School with initiatives aimed at enhancing the boys’ learning experience.

Thank you to the Auxiliary for the wonderful organisation of this week’s Fathers’ Day stall. I hope all of the fathers have a great day on Sunday and are spoilt by the boys.

Chris Wyatt | Master of the Preparatory School

The School has a strong commitment to academic excellence and nurturing student growth at all levels of their education. We recently applied, and have now been accepted, to participate in a collaborative Community of Practice, along with 15 other schools from around NSW (12 independent, two government and one catholic school), focussed on lifting learning outcomes for high potential students. The project is titled ‘ELEVATE’ and has been initiated by the Association of Independent Schools of NSW, supported by strategic partnerships with the UK-based Innovation Unit and the Australian Institute for Teaching and School Leadership (AITSL).

ELEVATE is a multi-year programme of work focusing on designing and implementing practices to address the learning needs of high potential learners, including gifted learners. The impetus for ELEVATE stems from growing concerns across the country about the underperformance of the top 40% of Australian learners, substantiated by national and international research and assessment. Utilising robust design thinking, methods and processes, in combination with research evidence, practitioner knowledge and the experience of teachers, ELEVATE provides an exciting opportunity for the growth and refinement of our learning and teaching models at Trinity.

Key focus areas for the ELEVATE project include:

> creating the conditions that enable a shift towards more powerful and effective teaching and learning experiences for high potential learners

> reshaping practices and improving the evidence base to enhance achievement, wellbeing and engagement of high potential learners

> curriculum and pedagogic designs that are responsive to pace, depth and level of complexity for high potential learners, creating challenges and opportunities to achieve excellence and become further motivated

> assessment practices and data literacy informing the design of optimal learning experiences that meet and extend curriculum opportunities and amplify impact with high potential learners

> successfully using a basket of measures to effectively monitor the progress and growth of high potential learners

Our commitment to academic excellence at Trinity is within a holistic educational environment that seeks to nurture and encourage our boys to “…grow in wisdom and stature and in favour with God and man.” An important element of this project is its focus on individual school context, and not a “one-size-fits-all” approach to successful educational outcomes for students.

The School is excited about the opportunities that lie ahead with our involvement in ELEVATE, further helping our boys realise their potential in academic attainment, wellbeing and life outcomes.

The Trinity app

The new Trinity app is now available from the App Store and from Google play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au

NOTICE TO PARENTS Before + After School Care and Vacation Care.

Please register your son with our outside of school hours care provider, OSHClub. Registration is free and helps in the smooth running of the programme. For more information and to register your son visit www.oshclub.com.au

Tim Harris, the author of the book 'Exploding Endings', visited Trinity Grammar Prep School. He read some of the funniest and most interesting chapters from his book, including 'Not So Smartphone', 'Murphy’s Chocolate Cake' and '79 Excuses'. He shared his ideas book, particularly the story about a young boy who lives in a basement and creates a washing machine with holes and blood stains on the clothes. The boy accidentally puts his sister’s doll in the washing machine, resulting in a headless toy. Tim also showed the students where he writes his books, transforming an old garage into an office.

After lunch, some boys attended a writing workshop with Tim Harris. He taught them about being a good writer, sharing examples and leading them through various writing activities. Jeffrey Huang, 3P, shared his excitement about this experience.

Last Thursday, the author, Tim Harris, arrived at Trinity Grammar Prep School. Tim is the author of the book 'Exploding Endings'. He read some of the funniest and most interesting chapters in his book including: 'Not So Smartphone', 'Murphy’s Chocolate Cake' and '79 Excuses'. We even got to see Tim's own 'not for sale' ideas book. One of his ideas was called “The Washing Machine From Hell”. It's about a little boy who lives in a basement with his mother and she tells the boy to put clothes and other things inside. The kid tosses the clothes into the washing machine and out comes a shirt with holes and blood stains on it. The part that girls hate is when the boy puts his sister’s doll in the washing machine and it ends up headless! Tim Harris showed us where he writes his books. It was originally a garage so Tim decided to turn it into an office.

After lunch some boys went to a writing workshop with Tim. He taught us how to be a good writer, showed us examples and led us in various writing activities.

It was a fantastic day and I can't wait to read his entire book.

On Thursday morning, some of the Preparatory School’s littlest boys were at their absolute cutest performing in this year’s Kindergarten musical production – ‘Just Imagine’. As the culmination of our unit of inquiry under the transdisciplinary theme How We Express Ourselves, the boys presented to some very proud teachers and parents. The singing, dancing and acting skills were truly impressive. Well done boys!

Hi everyone,

Hang on while I catch my breath...what a busy two weeks for the Auxiliary. I forgot to even mention the Book Parade in last week’s column. Of course, the parade was fantastic, but what about the coffee and banana bread?! Thank you Bubic and Galettis families for your continued support/delicious items.

And this week we’ve had the Fathers’ Day Stall! A tsunami of boys broke upon the shore of our stall and bought up big. We did around $5000 in sales (final figures not in yet) and had such a wonderful group of helpers without whom none of it would have been as successful as it was. Katherine Galetties and Heidi Trinh of your very own Auxiliary organised the whole thing so efficiently. Clara Furfaro, Jennifer Nguyen, Maryam Tanous, Edgar Pau, Rhonda Kaye, Michelle Wyatt, Gretta Chahine, Lara Nicholas, Janet Hunter, Jane Frewen, Tanya Toomalatali and Aliya Parker gave their time and energy and I couldn’t thank them more. Ok, I’ll try: thanks again, Ladies and Gent!

Next! Our first Walkathon is on Monday, September 7. That’s this Monday coming, my friends. I hope your boy has done his best to volunteer.

See you on the Boulevarde!

Thanks also to Rosanna Nunez for organising a roster that got the boys through the stall quick sticks and the ladies home for morning tea.

FROM THE SPORTSMASTER

Last week concluded our Athletics season with The King’s School Invitational. The day was enjoyable for all with beautiful weather and some excellent performances.

The King’s School Invitational includes the additional events of the 400m and 1500m. Both events are quite challenging, especially for those competing in them for the first time. Well done to those boys who competed. You challenged yourselves and that is all that we can ask for. For more information regarding the IPSHA and The King’s School Carnival you can read Mrs Burke’s MIC of Athletics report.

I would like to thank all staff involved in the Athletics season particularly Mrs Burke for all her administration skills and her encouragement of the team. Also thanks to Mr Leaper who has imparted his experience and knowledge onto our distance athletes.

In PE we have started our assessments for all Years’ F.A.S.T. Skills. F.A.S.T. stands for Fundamental and Active Skills at Trinity. It is a programme developed by the Director of Sport and Co-Curricular, Mr John Allen. Boys from Pre K to Year 2 will be assessed solely by teachers whilst boys in Years 3 to 6 will conduct peer assessments and will also be assessed by their teacher. These assessment documents will be available to all boys so that it can form part of their portfolio. It has been quite pleasing to see an improvement in the boys Fundamental Movement Skills. This is a credit to the boys and the staff who took the time to implement the programme.

A reminder that there is no sport for the rest of the term. The first Saturday of competition will be Saturday October 10 in Term 4. I would like to hear next term from any boys that participated in any form of physical activity during the no sport period. May I again encourage you to assist your sons to develop their fitness and skills.

Fixtures will be emailed shortly for Term 4 so that you can plan your Saturdays for the term and I will also send out weekly fixture confirmations. If you wish your son to be given leave at any time you must apply to Mr Wyatt.

Have a great week.

James Bremner | Sportsmaster

PARENTS PLEASE NOTE

When ordering your child’s lunch, could you please write on a separate bag for drinks and hot food.

REMINDER: Only Year 3 to 6 boys can come to the canteen at lunch time!

Please call Mary Saba on 8732 4654, if you can spare some time to volunteer.

SNOWBOARDER X - NATIONALS

Louie McCrohon (4C) had a very busy schedule leading up to the State Snowsports Competition in Perisher. Louie competed in 4 different snowsport disciplines with his best result being 6th in the State in SnowBoarder X and will represent Trinity in the National SnowSport Championships in Victoria in the 2nd week of September.

Louie would like to thank Mr Treloar and Kristian Dahan and his family for their amazing support.

It was a dark and blustery night two weeks ago when the scouts went fishing at Lillyfield. Unfortunately the fish were not biting but the dozen cubs and scouts had a great time learning how to rig a fishing line, including tying a hook to a line. Congratulations to cubs Nathan and William for completing their level 1 fishing badge while Adrian, Harrison and Ryan were presented their environment badges that they had earnt at the Region Environment Camp the weekend before.

Adrian and Aiden reported back to the troop that they had a great time at the shakedown camp for the 2016 Australian Jamboree to be held in January. They joined with scouts from Drummoyne and Balmain to make troop C502 and they practiced setting up the campsite and getting to know the other scouts.

This week we were back in the warmth of the hall. After finishing off the boards we started making the week before fishing we were able to play “hungry hippos”. It was a great load of fun as the cubs and scouts worked together to try to retrieve the most balls from the centre of the hall. At closing parade we invested Dane Feeney into the troop.

Next week the scouts are meeting at FX-Zone for some trampoline fun.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm – except next week as we are going to FX Zone!

OSHClub Holiday Program

OSHClub School Holiday Program

Our School Holiday Programs are jam packed with exciting activities and awesome excursions in a safe and friendly environment for primary school children aged 5 – 12 years of age. (Some programs cater for 3+4 years olds)

All our Team are fun and friendly and have relevant qualifications and background checks (WWC). Bookings are now open. Log on to www.oshclub.com.au and complete the online enrolment form, but be quick as places are limited!

For more information please contact OSHClub on 03 8564 9000 or 1800 460 870

Children with additional needs
OSHClub supports all children including children with additional needs. Please contact the Holiday Program Manager on 03 8564 7000 at least 4 weeks before the program is due to commence. Each case will be looked at individually and in some cases we will need to apply for funding for extra staff to support your child’s participation in the program.

Behaviour
If a child’s behaviour seriously affects the safety and/or enjoyment of others, parents will be contacted and asked to make alternative arrangements for their child/ren.

What does my child bring?
Please bring morning and afternoon tea, lunch and a refillable drink bottle. Make sure you don’t bring any food that needs to be heated or cooked, and remember not to bring anything containing nuts.

Don’t forget your hat, sunscreen and comfortable clothes and shoes. Sorry but no Crocs or Thongs!

What do I have to provide?

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the July Holidays. Benefits of participating at this camp include:

- 24 hours of football tuition over four days.
- Participants train as per the Football Federation Australia National Curriculum.
- 5-8 year old participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
- 9-13 year old participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
- 14-15 year old participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
- Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
- Training facilities include a synthetic all weather football field and three indoor basketball courts.
- Participants play in mini tournaments that replicate the ‘A-League/Champions League/World Cup’.
- Participants are tiered according to their playing level.
- All participants receive BBQ on Monday and Thursday.
- Drinks and fruit provided each day.
- Coaching Staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.

YEARS 3-6 CO-CURRICULAR FOOTBALL PRIMARY PROGRAMME

Boys interested in training in football once per week as a Co-curricular are invited to trial in the following times listed in the table below.

Boys selected will be following the Football Federation Australia (FFA) National Curriculum and working on skill acquisition, with focus on improving their striking of the ball, first touch, 1v1 skills and running with the ball.

The goal of the programme is for each boy to improve the above skills and for them to develop these within small sided games (in futsal and outside football environments). This programme will complement their school team training/games and their club training where applicable.

A maximum of 16 boys will be selected in each year group and the year group will be a combined Prep/Junior School squad.

Boys will be selected from these training squads to participate at the Regional Schools Futsal Championship. Eight boys will be selected from each squad to compete at these Championships. The Year 3 and Year 4 Championships are FFA directed non-competitive Championships and if the year 5-6 teams are successful they can qualify for State.
