Welcome back to Term 4 after what I trust has been a relaxing and enjoyable holiday break. The term ahead promises to be a very rewarding and extremely busy period with many interesting learning experiences planned and a number of significant Preparatory School events organised.

One particular event that I would like to draw your attention to is the upcoming Year 6 PYP Exhibition to be held on Tuesday 27th October from 5:30pm. The Exhibition is an opportunity for Year 6 to showcase what they have learnt and how they have grown as learners throughout their time in Primary School. I warmly invite all members of the School community to join us for the evening to celebrate the Year 6 boys’ learning. They have been exploring the transdisciplinary theme, ‘How we organise ourselves’. This has involved them exploring a number of local issues that they feel could be inquired into with a view to posing possible solutions and taking personal action.

I would also like to draw your attention to the end of year dates. The Years 3 – 6 Annual Prize Giving and Speech Day Ceremony will be held on Thursday 3rd December at 2:30pm at Summer Hill. Boys do not come to Strathfield on this day. All boys in Years 3 – 6 report to Summer Hill at 1:30pm. This event is compulsory for all boys in Years 3 – 6. Boys in K – Year 2 finish their year with the Final Assembly and Chapel Service on Wednesday 2nd December. Boys arrive at School at the appointed time and leave at the end of their assembly with their parents. There is no school for the boys after the assemblies and morning tea, which finish at approximately 11:00am.

This week we welcomed back Mrs Kuo from long service leave. We hope that she enjoyed some relaxing and refreshing time travelling and spending time with family and friends.

On Tuesday this week we had the opportunity to spend a day focusing on professional development activities prior to the boys returning. Throughout the day we explored two main themes; reporting learning and reviewing our NAPLAN data. The first session allowed us to take the first steps of a formal review of our reporting practices. The goal is to have this review completed in readiness for the new calendar year. In the second session, the entire teaching staff explored the trends of our recent NAPLAN results. This is an extremely important process as it sheds light on the effectiveness of our teaching and learning programmes. Generally the findings were very positive but some questions were raised that we will continue to explore as we seek to continually improve our practice for the sake of the boys’ learning.

Today we welcomed the PYP Coordinators from Tara Anglican School for Girls and Canberra Girls Grammar School. It is always good to share our learning journeys with others within the PYP network. These experiences provide valuable opportunities to reflect on the great things we are doing at Prep as well hearing of the positive things other schools are doing.

Earlier this week we handed out the prizes for the highest fundraiser from last term’s Walkathon. So far we have raised a staggering $20000 which is an enormous effort from all members of the Preparatory School community. This money will provide significant support as the School continues to develop the facilities and learning environment at the Preparatory School. The winners from each year are Michael Whiting (PKS), Yousef Bakir (KR), Jackson Deng (1O), Andy Lin (2B), Chris Chin (3S), Zethan Zaiter (4C), Justin Karam (5O) and Elias Chahine (6E).

On Thursday, I represented the Preparatory School at the Middle and Senior School Speech Days at the Town Hall. It was most pleasing to note the number of former Preparatory School boys...
who received recognition for their achievements in 2015. It was wonderful to see Duncan Feng and Brendan Chew (both in Year 6) playing as part of the Summer Hill strings ensemble and orchestra.

**Summer Sport** begins this Saturday and this will be the first opportunity for the Year 4 boys to be involved in the summer programmes. I remind all boys that they need to ensure that they are in the correct sports uniform for their games to represent the School. Non Trinity items of clothing are not to be worn at any time. It is also essential that boys turn up to their games at the required time to ensure they are appropriately warmed up and prepared for the games.

Please ensure that all **portfolios have been returned** so that staff can start preparation for the final portfolio which comes home at the end of term. I encourage any parent who would like to discuss the progress of their son to make contact with the classroom teacher to set up an appointment.

**IPSHA DEBATING GALA DAY**

On Friday 11th September eight Trinity Prep debaters travelled to Kambala School for the IPSHA Debating Gala Day. The boys prepared for two debates against other schools. The topic of the first debate was 'That fast food should be banned'. The affirmative team from SCEGGS Darlinghurst narrowly won this debate. Well done to the negative team - Jamie Christopoulos, Ricardo Delgado, Brian Tran and Kurtis Castorina on such a wonderful effort.

The second debate was against Mt Sinai with the topic being 'That the future looks better than the past'. The affirmative team, consisting of Euan Germanos, William Lenard, Duncan Feng and Juno Ananda, were successful in convincing the adjudicator that the future does indeed look better. Another fantastic debate.

All of the boys debated extremely well and I am so pleased to see the development of their skills and confidence since Term One.

A big thank you to Mrs Davidson who came with us to assist with adjudicating.

**FROM THE DIRECTOR OF PRIMARY CURRICULUM (PYP CO-ORDINATOR)**

**YEAR 6 PYP EXHIBITION UPDATE**

The Year 6 PYP Exhibition preparations are well under way and the Year 6 boys have spent this week sorting out the data and information they have collected about their particular issue. This process has involved the students in conducting interviews, surveys, observations and accessing other primary and secondary sources. During the next phase, students will be required to write an informative or persuasive piece of writing outlining their issue. Early next week they will commence working on creative and interesting ways to share their findings and actions on Exhibition evening.

The boys have been continually linking their issue back to the Central Idea through reflections in their blog posts, ‘Interactions within communities can impact our local environment and well-being.’

This year’s PYP Exhibition is on the evening of Tuesday 27th October, so please add the date to your diary as it is a significant celebration of student learning. There will be food and refreshments available for purchase on the night.

The new Trinity app is now available from the App Store and from Google Play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au
AUXILIARY NEWS

Hi everyone,

Oh the excitement of term 4! You know what term 4 means, don’t you? Fiesta, of course!

We are already super organised but will be having another Fiesta meeting (we started our Fiesta meetings last term we are so on top of everything) very soon - time to be confirmed. As it is, hold yourself in readiness for a TOP day.

Also prepare yourself for pudding. We are having a Christmas fundraiser this year. A Trinity community company, Our Festive Puds, will be offering some delicious Christmas puddings for sale on the website. The order form is not up yet but I’m telling you now so that you don’t have to start hanging your puds in your basement (do people still do that?). Details following soon.

Speaking of Christmas: lock in Friday, November 20, from 6.30 at the old Lewisham Campus site for our Trinity Christmas Party. All welcome, it’s going to be a great night. The party will be catered by another Trinity Community business (is there nothing Trinity people can’t put their hand to?), Victoria and Hobbs Cafe, and just like everything else the details (ie, the invitation) will be forthcoming.

More info, more details and more everything else next week.

Elizabeth McMullen | President Strathfield Auxiliary

LIBRARY NEWS

This week has been Star Wars week in the library, in honour of Saturday being ‘Star Wars reads day’. The boys are invited to come into the library before school or during lunch to read some Star Wars books or complete one of the activities.

From next week until the end of October we will be celebrating International Dinosaur month. We will be having a range of activities in the library to promote this. The boys can come in to chat with others about their favourite dinosaur, write a story or poem about a dinosaur, make a mask, play interactive dinosaur games or build a dinosaur out of construction materials. They will even have the chance to make a dinosaur fossil!

A little quote to remind us of the importance of reading to and reading with our children...

*children are made readers on the laps of their parents.*

YEAR 2 PLAY

On Friday the 18th of September Year Two performed a musical production called ‘Rocks to Rap – a musical of music through the ages’, adapted from a play written by Matthew Perry. It linked to the Transdisciplinary Theme ‘Where we are in place and time’. The singing, acting and dancing skills were remarkable. They all did a wonderful job.

Year 2

Year 12 Boys help with the Preparatory School Kindergarten Reading Groups
Welcome back to what will be a very busy but exciting term of sport at the Prep School. This Saturday we will begin our Term 4 Sport for boys in Year 4-6. Hopefully by now you will have received a fixture schedule for the term which outlines times, venues and opposition for the term. Along with this, you will receive an email from me outlining the fixtures for each week. I cannot emphasise enough the importance of checking these emails and Prep news each week, in the case that there are changes to fixtures. If there are any concerns relating to fixtures please feel free to contact me.

There are a number dates on the Prep Sporting Calendar this term. The first is the PK-2 Athletics Carnival, held at the Summer Hill Campus next Friday, October 16th. From what I have been told this is an enjoyable day for everyone who attends. You should have received an email from me, as well as a letter which went home with the boys. Please have these back to the classroom teacher by Monday October 12th. Parents are welcomed and encouraged to attend. The next big date is the Year 3 Football Gala Day which is held on Saturday November 21st. At the end of week 7, Boys in Year 3 will be practicing their skills each Thursday in the lead up to the Gala Day. Boys should be prepared to participate in these sessions with suitable football footwear and shin pads, house t-shirt with PE shorts, Prep football socks, and water bottle. The final date on the Prep Sports Calendar is the Kindergarten to Year 2 Learn to Swim Program. The program is an integral part of the PE program at Trinity and is a requirement of all students. It is differentiated to suit all boys with varied swimming abilities, and specialise learn to swim teachers employed to develop the boys capabilities. This program sets a basis for future participation in school camps and Outdoor Education Program. It is also a fantastic way for boys to break up their school day at this time of year and the Summer heat.

As usual, if there are any other issues relating to sport please feel free to contact me or come and see me in my office. I wish all boys good luck and hope they have an enjoyable term of sport.

Remembering Sculthorpe
{TAMARA-ANNA CISŁOWSKA (PIANO)}

Thursday 15 October, 7.30pm
Orchestra Room, Roderick West School of Music

Tamara-Anna Cisłowska recalls a rather anxious first meeting with Peter Sculthorpe. She was only 14 years old, and about to perform his Piano Concerto with the Tasmanian Symphony Orchestra in her first professional engagement. Playing for him in his studio, she ventured that part of the work reminded her of a coda in a movement of one of Rachmaninov’s concertos. Rather surprised, Sculthorpe agreed that it had been in his mind when he composed it. So began a lifelong friendship. When approached to compile a complete anthology of his piano works, Cisłowska was his pianist of choice for the recording.

This double CD has just won Cisłowska the 2015 ARIA for ‘Best Classical Album’. She will be performing a 75mins selection of these works as part of Trinity’s Society of the Arts Concert Series.

Thursday evening’s recital will open with the first piece Sculthorpe composed, “Falling Leaves” (1945), and conclude with his last work, “Riverina” (2011). Through the program Cisłowska will weave stories of Sculthorpe’s remarkable career.

She writes: “Peter Sculthorpe’s solo piano music spans 66 years. The thousands of notes contained within spell out the story of a life. A man. A heart.

“From the pianist’s perspective it is a substantial body of work. The 33 titles showcase diversity and gravitas. Impressionism, interior-piano, popular music, Indigenous melodies. Experimentation, documentation. And always, true expression without obstruction.

“The first notes of this far-reaching cycle of works were penned by an unknown Launceston schoolboy in 1945. The last, by an octogenarian legend in 2011. Peter Sculthorpe spent most of his life at the piano. It was his instrument and the place where every work began. The piano was his stepping stone to other ways of being and of being heard.”

Come along to hear superb playing and insights into the life and music of Australia’s most illustrious composer!

Tickets: $30 full/ $20 concession & seniors/ $75 family of four / Free for Trinity students in uniform and Society of the Arts Members

Tickets will be available at the door from 7.20pm (cash only), or book online at www.trybooking.com/IKSO

DIARY DATE

JANUSZ WAWROWSKI
(Poland) Solo violin

Thursday 26 November, 7.30pm – Orchestra Room

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

Bookings open now! Book online at www.trybooking.com/IXNU

Tickets from $20.
