Student leadership at the Preparatory School is a significant opportunity provided to boys in Year 6. It is a responsibility and boys are chosen on their readiness as well as their willingness to support the work of the School. This week we embarked on the significant challenge of selecting boys who will fill key leadership positions at the Preparatory School for 2016. I began the process by speaking with all of the boys in Years 3 to 6 about the type of leadership we are looking for in these positions. I discussed the notion of servant-hearted leadership as reflected by the person of Jesus – leadership that puts the needs of others before oneself and who has integrity.

Prior to the meeting the Year 5 boys had the opportunity to express interest in one of the following leadership positions; School Captain, School Vice Captains, School Officers, House Captains and House Vice Captains. The next step in the process was for these candidates to stand in front of their Year 3 to 6 peers and introduce themselves including their name, House and a word that best describes them. Each of the boys have been given the opportunity to vote for five candidates that they believe reflect the qualities of leadership. The teachers will do likewise to provide additional insight into the boys’ suitability for the different roles.

Successful applicants are announced at Speech Day. It is important to note that it is an expectation that all boys in Year 6 take on the responsibility of being leaders within our School. As such, many additional opportunities exist for boys to serve and all Year 6 boys take on a position of responsibility as a buddy for a Kindergarten boy.

Today’s Pre-K to Year 2 Sports Carnival was a tremendous occasion. It was brilliant to see our budding young sportsmen showcasing their quickness and agility across a number of modified events. As always, it was fantastic to have such strong community support for this event. These opportunities form the basis for our boys’ future involvement in House and sporting events in the coming years. Some of our Year 5 boys attended to provide support and encouragement to the boys as they participated in the different events.

As previously mentioned in Prep News, the Junior and Preparatory Schools have been reviewing our approach to sport with the goal of ensuring a better experience of sport for all boys. As a result, boys and parents will begin to notice some changes. One area highlighted in the review has been preparation of our boys for their
introduction to inter-school competitive games in Year 4. From 2016, Saturday participation in teams will be an expectation of all Year 4 students from the beginning of the year, rather than the Term 2 start that has been our practice. Participation in sport for Trinity will be expected to take priority over club commitments when these clash, although individual exemptions based on special circumstances can be discussed as they arise.

Current Year 2 parents should also note a change aimed at giving our boys greater exposure to specific skills coaching and modified game opportunities during Year 3, in preparation for competitive games when they reach Year 4. In 2016, Year 3 boys will be expected to participate in sport sessions on Friday afternoons for four weeks per term in football, basketball, cricket and rugby as an introduction to the games programme at Trinity. These internal sessions will run

Congratulations to Theo Kidd who this week competed at the NSW PSSA Athletics in the High Jump, Long Jump and 100m. He placed 2nd in the High Jump equalling his personal best of 1.65m. Theo will now compete at the School Sport Australia Championships that will be held in Canberra in December. Congratulations Theo!

Next Tuesday morning we will welcome a large number of grandparents to Strathfield for the Pre-Kindergarten and Kindergarten Grandparents’ Day. This day provides an opportunity for the boys to show off their classrooms to their grandparents. The morning will start with a brief Chapel Service followed by visits to the classrooms. Grandparents are then invited to come together for morning tea in the small pavilion.

The Year 6 classrooms are an absolute hive of activity as the boys (with the strong support of their teachers and mentors) busily prepare for their upcoming PYP Exhibition. It is so encouraging to see the level of insight and independence that the boys are gaining from this valuable learning experience. The Exhibition takes place at the Preparatory School on Tuesday 27th October beginning at 6:00pm. I am certain that the boys would love as many members of the School Community to be in attendance to share in their learning and the journey that has led them there.

Earlier this week the Primary Academic Committee (across Prep and Junior School) met to begin a review of our reporting system to parents as part of our commitment to ensuring we provide timely and informative communication to parents about their son’s learning and growth. In addition to the semester reports, we are keen to consider the many other reporting tools that can effectively be used to achieve this goal.

On Thursday and Friday, four of our teachers attended a professional development conference featuring Dylan Wiliam focused on formative assessment. Dylan Wiliam is a world-renowned educator and researcher who has examined the impact of using regular formal and informal assessment data to drive learning. This has been professional learning goal that the Prep School team have been working on throughout the year and hope to continue to develop our practices moving forwards so that we are better able to meet the needs of all of our learners.

Chris Wyatt | Master of the Preparatory School
ELEVATE UPDATE

Last Friday, members of our ELEVATE core team (Mrs Bryce, Mr Dunn, Mrs Gossling, Mr Wyatt and myself) participated in the first of six workshops over the course of the next 12 months, as part of our three year commitment to this exciting project (for background information on the ELEVATE project, please refer to the article on the 2nd September).

We formed part of a ‘community of practice’, along with twelve of our fellow independent schools, one catholic school and two government schools. The workshop was led by Valerie Hannon who is a co-founder of the Innovation Unit (a UK-based organisation and strategic partner of AISNSW) and an established global leader in the field of education innovation. As a unique group of developers we investigated future opportunities our students face and the world they need to thrive in. We also engaged in innovation and design methods to further understand the needs of high potential learners.

Over the course of the next four weeks, and with the support from AISNSW Academic Performance consultants, the core team and other staff will engage in activities which will help us to further understand the needs of a high potential learners. The process will also draw out promising practices at the School that help high-potential learners optimise their performance, as well as generating new opportunities for growth and refinement of our learning and teaching models at Trinity.

The School continues to be excited about the opportunities that lie ahead with our involvement in ELEVATE and the broader implications that go beyond our focus not only on just our most able learners, but also regarding the enhancing of all boys’ achievement across the School.

Jason Cheers | Academic Dean

EVENING Prayer Meeting

WEDNESDAY 28TH OCTOBER

As part of Pastoral Care Week you are warmly invited to the Parents’ and Supporters’ Prayer Meeting at the Head Master’s Residence. Come and join in an evening where we pray for the many needs of our School community and hear something of the Christian Ministry within our School. Supper is provided.

FROM 8.00PM - 9.30PM

AT THE HEAD MASTER’S RESIDENCE

RSVP (essential)

Please call Sue Trunk at the Summer Hill Reception on 9581 6000 or email strunk@trinity.nsw.edu.au

The next meeting of the Trinity Quilters will occur on Friday the 23rd October in the Bosch Room at Summer Hill. We are a group of mothers and past mothers from the Preparatory School, Junior School and the Senior School, and meet usually on the fourth Friday of the month. We have beginners and experienced quilters who gladly share their knowledge, in classes held during the year.

We also make quilts for members of the Trinity School family who may be suffering from serious illness.

If you are keen to join the group, please ring Helena at reception (9581 6000) and leave your details we will contact you with more information.

Susie Cujes

The School continues to be excited about the opportunities that lie ahead with our involvement in ELEVATE and the broader implications that go beyond our focus not only on just our most able learners, but also regarding the enhancing of all boys’ achievement across the School.

Sun Safety at Sport

Encouraging our boys to take responsibility for sun safety is an important part of the role of parents and coaches. It is our collective responsibility to help educate them about it. The following is an excerpt from the Trinity Sport Coach/Co-curricular Staff Information Handbook. I would ask that Parents assist in delivering this message also:

Regularly remind boys about, and continue to facilitate time dedicated specifically to:

> hydration (drink fluids, especially water; regularly, prior to, during and after training/matches)
> wearing hats and applying sunscreen
> spending plenty of time in the shade, especially in warmer weather

Boys should continue to bring and apply their own sunscreen regularly and wear their Trinity hat. For those who require it, sunscreen is made available in the School’s Front Office and at outdoor PE lessons.

John Allen | Director of Sport and Co-curricular Activities

SUN SAFETY AT SPORT

A drink and hat and some shade
Will make sure that your prowess won’t fade:
Be wise in the sun
Thus prolonging your fun,
Whatever your sporting grade!

Ron Ogier

Library News

The library has been very busy lately as we host a range of activities for International Dinosaur Month. The boys have been coming in and reading about some of their favourite dinosaurs, finding out fun facts and learning how to draw them.

We have started a ‘Book Review’ wall at the front of the library. This is a space for the boys to recommend a book they have read and enjoyed. The boys are being encouraged to read the reviews to help them choose a new title. Each week we will share one of the reviews.

This week our review is for ‘The Maze Runner’ by James Dashner, and it was submitted by one of our library monitors, Euan Germans. Euan wrote ‘The Maze Runner is the first book of an adventurous trilogy. It is a great book about a boys trapped in a maze with no memory at all. Then everything changes and he runs for his life.’

Michaela Hashim | Librarian

Auxiliary News

Hi everyone,

You know, there comes a time, maybe only twice a year, when I, Elizabeth McMullen, actually run out of things to say. And this is that time. Look, Fiesta planning is in train - just wait till next week for some actual info. Our Festive Puds Christmas fundraiser is coming, Start putting aside your pudding money. And, honestly, now I’m just stretching this out so I don’t look too slack.

Til next week when the interesting stuff starts!

Elizabeth McMullen | President Strathfield Auxiliary

ABSENTEE INSTRUCTIONS

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone APP and follow the prompts
   (From the APP home page select Preparatory School the select Absentee Form to open the absentee form). Instructions for installing the APP on your phone can be found by clicking here

2. Using the Absentee email address prepabsentee@trinity.nsw.edu.au
   Also, if you wish, you can ‘CC’ the class teacher on this email.

3. Lastly, you can phone 8732 4658 and leave a message with your son’s name and class

www.trinity.nsw.edu.au
FROM THE SPORTSMASTER

Last weekend we were blessed with gorgeous weather to begin our Term of Sport and the results were fantastic. As was the manner in which we conducted ourselves in the sporting arena. In one of our fixtures the opposition team was unfortunately short on numbers. Evangelos Papadopoulos (5B) and Eric Tsai (6C) noticed this and volunteered themselves to play for the other team. This was an outstanding show of sportsmanship, and I was very proud of them. A special mention must go to the determination of the Year 4D Basketball team coached by Mr Kelly. After a tough first half the score was 0-0 which was no reflection of the effort or skills demonstrated by the boys. It was an intense, skilful and exciting game to watch. Straight after the restart the boys went down 2-0, but this only made the team more determined to win. The 4D’s eventually won the game 6-2. Their persistence and determination is to be admired and I hope it inspires other teams. Well done!

On Saturday we hosted Toowoomba Preparatory School for cricket, in what has become an annual fixture for both schools. In the 1st XI game, Toowoomba batted first setting a score of 82 and losing 7 wickets. Our side were able to chase down that total with ease with a strong batting performance and only a loss of 4 wickets. In the 2nd XI Toowoomba again batted first and set a target of 108, which unfortunately our 2nd XI couldn't chase down as a strong bowling performance was displayed by the visitors.

Finally I would like to briefly mention safety at sport. With Summer approaching, it is important that all boys are well protected from the sun by covering themselves with sunscreen before arriving at sport and making sure that they have their hats. No hat means no participation at sport. It is also important that boys stay well hydrated both before, during and after sport. While at school during the week the rule is ‘no hat, no play’. If boys need sunscreen then they can go to the front office or Health Centre.

James Bremner | Sportsmaster

1ST XI LOXTON CUP 2015

Last Saturday the 1st XI played their annual match against Toowoomba Preparatory School. At stake was the Loxton Cup a tradition that dates back to 1955 and something that Trinity hasn’t held since 2008.

After losing the toss, Trinity fielded first and knew that good line and length bowling was imperative. After tens overs Toowoomba had 50 runs on the board without loss. The Trinity bowlers of Theo Christian and Hunter Hannaford and Darcy Mooney bowled beautifully without luck. After a short drinks break, Trinity came out looking for quick wickets. After 25 overs, Trinity had managed to restrict Toowoomba Preparatory to only 82 runs with the loss of seven wickets. Nicholas Enno took 3/7, ably supported by Ben Robinson taking 2/11 with Darcy Mooney and Isaac Cunningham both picking up one wicket each.

Although feeling the game was in Trinity’s grasp, the boys knew that good shot selection and sensible batting were required. After losing Emmanuel Grogan early to a good ball, Nikhil Kapoor and Darcy Mooney steadied the innings batting confidently, eventually scoring 24 and 36 respectively. Trinity eventually reached the target in the 17th over with the loss of 4 wickets.

An excellent effort from the whole team and a well deserved win, finally reclaiming the Loxton Cup for Trinity after 7 years.

Matthew Asplin | 1st XI Coach and MIC Cricket

WHAT ARE THE QUALITIES OF A SCOUT?

The original Scout Handbook from 1911 has this to say,

“And then the final and chief test of the scout is the doing of a good turn to somebody every day, quietly and without boasting. This is the proof of the scout. It is practical religion, and a boy honors God best when he helps others most.

A Youth may wear all the scout uniforms made, all the scout badges ever manufactured, know all the woodcraft, campcraft, scoutcraft and other activities of scouts, and yet never be a real scout.

To be a real Scout means the doing of a good turn every day with the proper motive and if this be done, the Youth has a right to be classed with the great scouts that have been of such service to their country.”

Phil Smith, a scout leader from Adelaide, wrote recently that there is something more than just what you see on the outside. He used a watermelon as an example - What makes you say it is a good watermelon? Is it what it looks like on the outside? Or is it what it tastes like on the inside? I know you will agree that it is what is on the inside of the watermelon that counts—unless you eat the outside, of course! This is also true of many other things. Sometimes we say, “You can’t judge a book by the cover” which is another way of stating this same idea.

Phil also said that while the outside is important, it is not the most important consideration. A real scout has to be “baked” from the inside out and not the other way around. The real scout has to have something happening in his heart not just in his appearance because that can be phony.

The word “hypocrite” comes from the times of the Roman Empire. The hypocrite was the actor of the day. He would put on a mask and become someone he was not. He would pretend, for the sake of the spectators, to be someone totally different. His inside did not match his outside. He claimed to be what he was not.

The outside of the scout should be a reflection of his heart not just a costume to make him look good to others. A REAL scout has a heart that moves in step with the Scout Law and Promise.

This term the Scout Association is looking at the Scout Law and Promise as part of its Youth Program Review. All youth members, parents and leaders are asked to contribute. The Trinity Cubs and Scouts will be looking at what it means to be a scout in relation to the Scout Law and Promise over this term so we can contribute to the review.

Congratulations this week to Harrison Brown and Aiden Murphy for completing their Pioneer level Campcraft award. Aiden also completed his Pioneer Citizenship award. William Brown was awarded level 1 Cooking and Swimming while Kelvin Kong received level 1 Gardening. Well done Scouts and Cubs!

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

Emerging Athlete Programme (EAP) Years K - 6

Welcome back to Term 4 EAP both Infants and 3 -6! If you are currently registered in EAP for Term 4 we start back next week – that is Week 2. The first training session will be Monday 12th October. This is a Middle Distance session (for Years 3-6) that commences at 7.00am – 8.00am. Boys need to meet Bronwyn Poole (Coach) at the Fitness Centre by 6.55am. If you are new to Trinity and / or are interested in registering your son, it is not too late. You can register online by the end of Week 3, 2015. Registration is via the Community Directory or by clicking here.

Boys MUST be registered first in EAP in order to train. We look forward to a wonderful term of Athletics

Twilight Track and Field Years 3-6

The annual Twilight Track and Field Carnival for ALL boys in Years 3 - 6 is back. Like each year, it will run for a period of 4 weeks on a Friday afternoon from 4.00pm - 6.00pm on Oval No. 2 commencing on October 23rd to November 15th. All boys will be given the opportunity to compete in a number of athletic events with Age Champions and Runners Up decided at the completion of the series. The cost is $70 and at every session there will be a BBQ set-up for anyone to purchase a sausage and drink at a reduced cost. Students who enrol in Term 4 will also have the option to purchase a personalised singlet at a reduced cost. Please click here to register.

Minimates is back this term with the ever-popular Twilight Track and Field meet. Commencing in Week 3 and running for 4 weeks from Friday 23rd October to November 14th. At every session there will be a BBQ set-up for anyone to purchase a sausage and drink at a reduced cost. Students who enrol in Term 4 will also have the option to purchase a personalised singlet at a reduced cost. All boys currently registered in Term 4 will receive an email from me early Week 3 with all the details you need to know. If you are interested in registering this Term, we will except enrolments until Monday 19th October.

REGISTRATIONS WILL NOT BE EXCEPTED AFTER THIS DATE. Please click here to register.

Elizabeth Murphy | Track and Field and Minimates

SESSION FOCUS
This presentation will focus on:
> Research into parenting styles
> The culture of performance
> The Renaissance teen & over scheduling
> Where to: the do’s & don’ts

This session will review parenting styles and the corresponding impact on child and adolescent mental health in the context of learning and performance. Peter will highlight some strategies and helpful evidence based take home messages for parents.

WHAT IS TRIPLE P?
The Triple P-Positive Parenting Programme is a multi-level, parenting and family support strategy. Triple P aims to prevent behavioural, emotional and developmental problems in children by enhancing the knowledge, skills and confidence of parents.

TRIPLE P PRESENTER?
Mr Peter Tryon is a former School counsellor at Trinity and is currently one of the leading Triple P presenters in Australia.

IS THE SEMINAR APPROPRIATE FOR ALL PARENTS?
Yes. Even though the focus is on adolescent boys, all parents of boys in Primary through to Year 12 are invited.

HOW DO I RSVP
RSVP by 10am Monday 26th October to TESS EA (Mrs Margy Murphy) on 9581 6035 or email mmurphy@trinity.nsw.edu.au to advise your attendance.

HOW DO I FIND OUT MORE ABOUT THE TRIPLE P PROGRAMME?
Please refer to the Triple P website at http://www.triplep.net You can also contact our TESS Department on 9581 6035 for more information.

FINALLY …
As one of the only evidence-based parenting programs available, with over 30 years of proven clinical research to back it up, we are sure this Triple P session can be of valuable assistance to many Trinity parents and families. We hope you consider taking up this opportunity as part of Pastoral Care Week.
