The highlight of this week was Tuesday night’s PYP Exhibition. The Exhibition began with a spectacular performance of ‘Man in the Mirror’. Throughout the evening it was fantastic to see the passion, insight and maturity demonstrated by the boys as they shared their knowledge with members of the School community and many external visitors. The boys truly have become experts on their local issues and we look forward to them taking action as a result of their learning. The Exhibition is a really rewarding experience for the whole community as it is the culminating event of the boys’ primary school learning. It provides a really tangible demonstration of the boys’ growth as learners and their readiness to move onto the challenges of high school.

This week was Pastoral Care Week throughout the School. Pastoral Care week is an important week on the School’s calendar and provides an opportunity to focus on the importance of working alongside parents in supporting our boys’ in their pastoral development. A number of activities were organised across the campuses. The week began with the Triple P Parenting Programme on Monday night titled, Parenting Style and Teen Development’. From the reports I heard, it was a very positive session and well received by parents.

On Wednesday all boys in Years 2, 4 and 6 completed the Primary Wellbeing Survey on Wednesday during class time. This is a 53 statement anonymous survey focussing on indicators of social-emotional wellbeing, emotional skills (i.e. resilience and coping skills), social skills and learning skills. It has been developed by the Australian Council of Education Research and takes the boys around 30 minutes to complete. Classroom teachers guide the boys through the process. This survey has been undertaken for the last few years and the School uses the information to track...
the wellbeing of cohorts in general throughout their time at the School. The information obtained helps to guide welfare and life skills programmes.

On Thursday the Year 5 and 6 boys attended the Brainstorm Productions performance of ‘Sticks and Stones’. This show is a humorous and entertaining look at negative patterns of behaviour through inappropriate modelling from peers, family members, TV and computer games.

On Friday we also celebrated pastoral care week with a mufti day. We combined this with our annual support of CanTeen Australia National Bandanna Day that raises money for the support of young people with cancer.

The first of the 2015 Kindergarten Orientation sessions will be held next Friday. On this day all of the existing PK boys and all new K2015 enrolments will move into the Kindergarten classrooms for a number of activities to assist in their transition to formal education and also to assist in class placement in 2015. There are two Orientation sessions over the next two weeks leading into Orientation Day on Friday 20th November. During each of the Orientation sessions parent information sessions are held in the Pavilion. We encourage all of the current PK parents to attend these sessions if they are available. The focus of these sessions is on preparing for school and how you can assist your son.

The Semester Two Music concerts are being held this coming week. These concerts provide the opportunity for the boys learning an instrument to demonstrate their progress in front of an audience. They are always well attended by families and it is great to see the joy (and sometimes relief) on the boys’ faces as the finish their piece and take their bow.

The Strathfield Auxiliary will have its last meeting of the year on Wednesday morning in the Joske room beginning at 9:00am. I encourage interested parents to come along and participate. The meeting will only last about an hour. It is a great way to connect with other parents in the school and support the work of this organisation as it seeks to provide for the School community.

We would like to remind you of several changes that have occurred with the new website launch and a different pathway to your existing online information. The previous website has moved to a new location, and importantly for you to note, a new URL address **community.trinity.nsw.edu.au**. This new location **community.trinity.nsw.edu.au** is your new default ‘Go to’ page for all things Trinity to obtain the latest bulletin/newsletter, sports fixtures, paying school fees, book physio appointments and ordering your son’s lunch plus much more.

This site also contains all the other in-house information that you require with some changes made to make the user experience enjoyable. It is important that you **save this new community URL** to your bookmarks or favourites list. A new look brochure style website is now live with a very fresh look and feel with this week’s sporting fixtures, news, and upcoming events for both current parents and students and the general public. This site has taken over the trinity.nsw.edu.au URL address.

To assist you with the changeover, a link to TNet for parents has been placed in the top right corner on the home page of the new brochure website. Within the ‘Menu’ tab located in the top left hand corner, you can also find links to this week’s sporting fixtures directly under the Sport at Trinity tab. Additionally, you can access the new community.trinity.nsw.edu.au site by clicking on the ‘Current Families’ link under the Contact Us tab. Students and staff can access TNet by clicking on ‘TNET for Staff and Students’ also located under the Contact Us tab.

Please take the time to familiarise yourself with the new presentation and locations. Most importantly, once you become familiar with the site, we hope you will be able much more easily to locate and share all the information you require!

PRIMARY WELLBEING SURVEY

On Wednesday 28th October, as part of Pastoral Care Week, all Year 2, 4 and 6 boys completed a Primary Wellbeing Survey with their classroom teacher. For many years, the School has conducted surveys across different Year levels in the Middle and Senior Schools. The results of these surveys have helped us to better understand the social and emotional needs of our boys, establishing an evidence-based process for planning and evaluating our approaches to pastoral care, and teaching and learning. This is our third year conducting the Primary Wellbeing Survey. It has been developed by the Australian Council of Education Research. It is an anonymous survey which focuses on indicators of social-emotional wellbeing, emotional skills (ie. resilience & coping skills), social skills and learning skills. Our pastoral care focus, which promotes a shift away from emotional first aid to one which takes a holistic approach to learning and well-being, is well aided by the ongoing information we receive and respond to from these surveys.

FROM THE DIRECTOR OF PRIMARY CURRICULUM (PYP CO-ORDINATOR)

The Year 6 PYP Exhibition has been and gone for another year and the Year 6 students were exceptional in the way they communicated their local issues to the visitors on the night. They shared their Central Idea very effectively:

‘Interactions within communities can impact our local environment and well-being.’

The PYP Exhibition is a celebration of the boys' primary schooling and a culminating learning experience of their involvement in the Primary Years Programme. It provides an opportunity for them to showcase their achievements and demonstrate the Transdisciplinary Skills, Learner Profile attributes, and their conceptual understanding of the Central Idea.

The evening began with the opening performance where several boys shared provocative statements about their particular issue, this was followed by the students performing ‘Man on the Moon’ by Michael Jackson. After the official welcoming the guests were given the opportunity to visit the boys' exhibits.

The way the boys communicated their issues, solutions and actions to the guests on the night was simply outstanding. The boys’ confidence was due to their hard work and preparations in the lead up to the evening.

Boys in Pre-Kindergarten to Year 5 had an opportunity to view the Exhibition on the days prior to Exhibition evening. During this time there was a real buzz in the School as the older students shared their learning experiences with the younger students.

Well done to all the Year 6 students and Year 6 staff for showcasing an evening that really highlighted extraordinary student learning in our School.

Richard Lever | Director of Curriculum (PYP Coordinator)

What does this mean for my child? What will he learn? What opportunities will this lead to? What can I do to help? Will there be any extra costs or time commitments?

All of these questions will be answered on this afternoon. You will even get some hands-on experience with the string instruments and hear the Junior Orchestra, mainly consisting of Year 1 – 3 students, perform.

Date November 20th (Week 7, Friday)

TRINITY SINGERS – AUDITIONS FOR 2016

Dear Parents,

The ‘Trinity Singers’ has a reputation of being one of the finest treble choirs in the country. We are excited to offer your son the opportunity to join this ensemble in 2016. Having a fine voice is only one criterion for being part of the Trinity Singers. These choristers must also be prepared to work hard, attend all rehearsals and performances, be punctual, be self-controlled and be willing to continually strive for excellence and beyond!

Over weeks 5 and 6 of Term 4 I will be holding formal auditions for boys during Grade Singing classes. The available positions are:

> Year 3 – 16 positions
> Year 4 – 2 positions
> Year 5 – 2 positions

NB/ Year groups are 2015. The number of positions are indicative only and will be flexed in exceptional circumstances.

I have discussed with the students what the audition process will involve and what I will be looking for. It is not expected that polished choristers suddenly appear, that is our job as music educators to nurture. What I will be looking for is skills in pitch matching, the ability to adjust vocal tone and technique according to instructions, a basic level of music literacy and importantly – a love of singing and music.

Commitment to the Trinity Singers is from time of opting to audition for this ensemble. These include:

> Punctual attendance at a minimum of 2 rehearsals each week
> Attendance at extraordinary rehearsals before major events
> Exceptional rehearsal etiquette and work ethic
> Attendance at mandatory performances (two Sunday family services, Preparatory School Evening of Music, TGS Gala Music Evening, Festival of Nine Lessons and Carols, Preparatory School Speech Day)

It is important that boys and their families understand the commitment required of a Trinity Singer, before opting to audition for this ensemble. These include:

> Attendance at mandatory performances (two Sunday family services, Preparatory School Evening of Music, TGS Gala Music Evening, Festival of Nine Lessons and Carols, Preparatory School Speech Day)

We are very proud of our Singers and your son has the opportunity to join some hundreds of boys who have gained this honour since our formation in 1980.

Should your son be successful, weekly rehearsals for 2016 are as follows:

> Combined rehearsal: Wednesday afternoon 3:15 – 4:15
> Treble 1: Thursday morning 8:00 – 8:30
> Treble 2: Friday morning 8:00 – 8:30

TRINITY GRAMMAR SCHOOL PREPARATORY SCHOOL SUPPORTING ANGLICARE THIS CHRISTMAS 2015

ANGLICARE’s Toys ‘n’ Tucker programme is a way in which the community can actively provide gifts of toys and food to ANGLICARE’s Emergency Relief programme to be distributed to the families who come to the service for support. This year ANGLICARE is aiming to individually pack and deliver more than 5,000 Christmas hampers and toy parcels to families in Sydney and Wollongong who would otherwise go without.
William Lenard and Adam Pascale inquired into the effects of bullying and depression in young people for their Exhibition issue. On Exhibition evening they asked people to donate a small amount of money in exchange for a wristband. The boys raised $130 for the organisation Headspace, which is the National Youth Mental Health Foundation providing early intervention mental health services to 12-25 year olds. What a great example of action!

If you have a passion for preserves - even if it's just on toast – WE NEED YOU! Come join the jam, help the sweet team that's Leckie’s Larder. Whether you can make, label, or help sell on the day.

Donations of produce such as lemons, green apples, tomatoes, onions, white and brown sugar or eggs greatly appreciated. Or if you have a tree in your backyard that's overflowing with fruit (lemon, cumquat) – our Leckie’s Larder ladies will happily work some magic and whip up a delightful preserve, just send them in.

Used clean jars are especially welcome in all shapes and sizes.

LIBRARY NEWS

Have you checked out Prep Library on Instagram? Follow us @tgspreplibrary or instagram.com/tgspreplibrary to see all the wonderful happenings in our library space.

We are starting our process of selecting library monitors for 2016. If there are any interested boys who are currently in Years 4 or 5, they should visit the Library Prep page, look at the information in ‘Announcements’ and follow the link to complete the form.

This week’s book review of ‘The Maze Runner’ by James Dashner was written by Euan Germanos. If you have seen the movie, then how about reading the book? Euan writes: ‘The Maze Runner’ is the first book of an adventure trilogy. It is about a boy trapped in a maze with no memory at all. Then everything changes and he runs for his life.

The Trinity app

The new Trinity app is now available from the App Store and from Google play for you to download. The new app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the new app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au
Hi everyone,

Well, I promised you a bit more excitement this week so here goes:

**PREP SCHOOL CHRISTMAS PUDDING FUNDRAISER**

‘Our Festive Puds’ do a wonderful selection of Christmas Cakes and Puddings, including gluten free options, with prices ranging from $12 – $42. This year Our Festive Puds will once again be offering delicious Christmas puddings and cakes to the Prep School community to purchase. They make wonderful gifts for family, friends and work colleagues. And we get a cut - nice!

Please order and pay online by Friday 20th November (week 7) via the school’s website, or follow the link [http://trinitycommunity.com.au/#puds](http://trinitycommunity.com.au/#puds). Collection of purchases will be at Fiesta from the ‘Our Festive Puds’ Stall. If you can’t pick your puds up at the Fiesta contact me (lizmcmullen@yahoo.com) and I’ll pick them up for you and bring them back to the Prep.

**TRINITY CHRISTMAS COCKTAIL PARTY**

*Friday November 20*

You will have received your invitation by email and therefore you will have booked yourself in for a fantastic night, yes? If you were planning a party for your year, don’t bother! We’ve already planned one for you. There will be (delicious) food, there will be dancing, there will be BYO drinks because of the Australian dollar. Actually, we decided to go with BYO drinks to keep the price down and still have the best quality food. So at $50 a head you are going to have a top and not too spensy night. [Click here to see the invitation and to RSVP.](http://trinitycommunity.com.au/#puds) You’re welcome! See you there!

**FIESTA STALLS AND SILENT AUCTION BASKETS**

Here are the Stalls for this year’s Fiesta:

<td>Beverage and Treat Station</td>

</tr>
<tr>
<td>Year 6</td>
<td>Rides</td>

</tbody>
</table>

The Prep School is also responsible for providing the ATM - we are all over this thing!

At Wednesday’s meeting we also decided on the Silent Auction Basket themes but my deadline prevents me from revealing them just yet. Got to save something for next week anyway.

Please keep a look out in your inbox for all Fiesta information. This year we are doing everything online. An email will be coming out soon outlining the responsibilities of each year. We are asking for a very small donation towards your Stall and Silent Auction Basket. We will also be sending out a very special, brand new and super fancy spreadsheet (thank you Mel Willis!) which will replace the paper stall volunteer forms. Remember how we used to send out 500 roster sheets? NO MORE! It will be so easy! Just open the spreadsheet, put your name in the box at the time that you can volunteer on the stall and Bob’s your uncle. We will not only be saving the trees but my very precarious sanity.

Til next week,

Elizabeth McMullen | President Strathfield Auxiliary

**FROM THE SPORTSMASTER**

How wonderful to see improved results and performances from all of our teams. This is due to several things. One being comradery, something that is evident not only between teams but between the boys. On the weekend I had the pleasure of coaching the 4C and 4D Basketball teams in Mr Kelly’s absence. My assistant for the day was Thomas Calabro (Year 6). Thomas broke his arm at training last week and will unfortunately miss the rest of the season. He has tried to not let this get him down too much and decided to try his hand at coaching. It was great to see Thomas have such a positive influence over the younger boys, who showed Thomas respect and listened attentively. These attitudes and school comradery will no doubt help to bring continued strong results.

Last week Trinity launched its new website and the fixtures are now in a different location. Please continue to refer to Prep News and to my email that confirms fixtures for the upcoming Saturday. I would like to remind parents that my email will come once the Sportsmasters of the opposing schools confirm fixtures with me.

By now Kindergarten to Year 2 parents should have received a letter from me regarding the upcoming Learn-to-Swim Programme. As stated in the letter, the programme is a requirement of the Early Stage 1 and Stage 1 PDHPE courses. It is also an important stepping stone for student development both physically and mentally and sets a basis for future endeavours they undertake at the school. If there are any questions regarding the programme please contact me.

Dear Parents

On Tuesday, 24 November School House will be running Good Sports Day in conjunction with the Anglicare Toys and Tucker appeal. This is an important initiative and one that School House takes very seriously in our endeavour to assist those who are in need during the upcoming festive season.

Therefore on this day it would be appreciated if each child could bring a donation to wear mufti (minimum gold coin donation) to assist children with cancer. In addition to this, the mufti day has been organised so that children can wear the colours of their favourite team or dress in the favourite sport outfit to show their support, whilst highlighting the need for an active lifestyle.

The Trineatery Canteen has organised a Sports Pack for the day and proceeds will also go to this worthy cause. Perhaps parents might allow their children to have this special treat on the day and order their lunch. The order form was sent home this week. The cost of this pack is $7.50 and the order form must be returned by Tuesday, 17 November. Please ensure you send payment with the order. Unfortunately late orders cannot be accepted.

It should be a great day and we hope to assist the Anglicare Toys and Tucker Appeal through your participation and generosity.

Kind regards

Brent Hinson
School Housemaster
