As we draw closer to the end of the school year it seems that we fit more and more into each week. This week was no exception. Today, we welcomed our Kindergarten 2016 boys for the first of their orientation sessions. Starting ‘big school’ can be a daunting experience for these young men but it is also a time of great excitement as the boys have the chance to explore their new classrooms, play areas and to make contact with their future classmates. It is also a significant time for parents. As the boys became familiar with the classroom, we took the opportunity to provide a Trinity induction to the parents by exploring ‘Learning… the Trinity way’. There are many practices that are unique to Trinity Prep and it was also an opportunity to outline our teaching and learning approaches.

Yesterday’s Year 1 Play ‘Let’s Celebrate’ was a lovely event that truly captured the essence of Trinity. The boys were fantastic, singing with gusto, delivering their lines with poise and loving every minute of their moment on stage. The play explored celebrations across the world and provided a great reflection on the importance of diversity. We are blessed at Prep to have an extremely diverse, multicultural community which is something that is celebrated and respected by our boys and parents alike.

In other activities this week our Year 6 boys and parents took part in a seminar called ‘Amazing Me’ that explored puberty and sex education in a very open, honest and, at times, humorous manner. From all reports it was extremely well received and the style of the presentation made it really easy for the boys (and parents) to engage with. Earlier this week our Year 5 boys ventured off to explore the ‘Sculptures by the Sea’ exhibition and our Year 6 boys took part in a Chinese cultural excursion that included a Yum Cha lunch.

In another sign of the boys’ creative and performing skills, many of them have performed this week in the Semester Two Music concerts. The concerts have showcased the commitment, perseverance and talent of many of our budding young musicians. Special thanks must go to our very dedicated Music Department.
that consists of a huge number of tutors under the guidance and direction of our Director of Music, Ms Kimbali Harding.

At this week’s Auxiliary Meeting I provided an outline of some of the initiatives that we are considering in preparation for 2016. One of the particular areas that is being explored is the co-curricular opportunities that are available to our boys. We are hoping to broaden the scope of these co-curricular opportunities to provide greater diversity and to provide further opportunities for our boys to develop in Body, Mind and Spirit. Increasing the number of co-curricular activities will inevitably mean that clashes of activities become more likely. We trust that this will create a problem of choice rather than disappointment for boys and parents. The scope and schedule of activities will be published in the new year.

Earlier this term we launched a new trial bus service to the Preparatory School beginning at Putney before heading through Top Ryde, West Ryde, Newington, Lidcombe, Homebush and Strathfield. At this stage the use of the service has been limited, however, we are aware that the use of a bus may take some adjustment for families. We have made the decision, in light of current use, to discontinue the afternoon service from the end of this week. I encourage families in relevant areas to consider the use of the service in the morning and to provide feedback about the afternoon service as we consider 2016. We hope that the service might be an option for future families to the Prep School too.

After 41 years of dedicated service to the Trinity community, Ms Christine Brown has decided that it is the right time for her retire. Over her time at the Preparatory School, Ms Brown has touched the lives of hundreds of young men through her caring, committed and uncompromising nature. Towards the end of the year there will be an opportunity for the current boys and some of her former students to farewell her appropriately.

In other staffing news, Mrs Carolyn Spork has advised the Head Master that she will be moving on to other adventures at the end of the year, however, she has promised to remain in close contact with our community as one of our regular casual teachers. Mrs Spork has been a member of our school for 5 years and has made a strong impact on many learners throughout this time. Ms Helen Posega will also be moving on from the Preparatory School at the end of this year due to the decision to extend the Mandarin programme into the Infants grades. Ms Posega has provided tremendous enthusiasm and commitment to our language programme over many years and her Italian accent (and Gelato incursions) will be missed. Mrs Madeleine Walsh and Ms Olivia Hale are also drawing to the end of their one-year contracts with us. We are tremendously grateful for their diligence and care for the boys in their roles as Year 1 Teacher and PE Teacher respectively. Finally, after only a short time with us, Ms Michaela Hashim will be moving to Tangara School for Girls as the K-12 Teacher Librarian.

We wish all of these departing staff members God’s blessing in their future endeavours.

Next Wednesday we will stop to commemorate Remembrance Day. The ceremony will be supported by a Catafalque Party made up of boys from the Trinity Cadet Unit.

Kell Daniels | Assistant to the Head Master | Director of Creative Arts
Integral to our ongoing commitment to enhance the quality of a Trinity education is our annual Practice of Teaching at Trinity (POTT) Conference. This was held last Thursday at our Lewisham Campus. There were a number of stimulating presentations which addressed significant “forward-focused” issues for both staff and students. These include:

- Data informed improvement
- “ELEVATE – Agile Design for High Potential Learners” project
- Explicit learning and inquiry
- Literacy development
- Formative assessment
- Field Studies Centre
- Learning in the Middle Years
- Student motivation and engagement
- Classroom observations
- Innovative learning environments

With the Head Master’s oversight the Conference also helped to form a teaching and learning road map for the year ahead with clear and explicit school-wide priorities for growth and improvement, grounded in the promotion of high expectations and a commitment to academic excellence.

The following whole-school goals form the core of the 2016 POTT Annual Plan, and come under the domains of “CPR”:

- **C** – Curriculum, pedagogy and assessment
- **P** – Professional practice
- **R** – Relationships

**DOMAIN 1: CURRICULUM, PEDAGOGY AND ASSESSMENT**

- **A.** Exhibit leading practice in innovative curriculum design, pedagogy and assessment to ensure every student maximises his academic potential.

- **B.** Implement evidence-based strategies which enhance literacy and numeracy achievement from Pre-K to 12.

**DOMAIN 2: PROFESSIONAL PRACTICE**

- **A.** Professional learning opportunities that develop expert teachers and facilitate sharing of exemplary practice.

- **B.** A culture where all teachers are “evaluators of their practice” with a commitment to the continuous improvement of their own teaching and student learning.

**DOMAIN 3: RELATIONSHIPS**

- **A.** Teacher-student relationships that enhance boys’ motivation, engagement and achievement.

- **B.** Utilisation of student data to inform responsive practice that enhances growth and achievement.

It is such a pleasure to work closely with so many talented educators, who have a firm commitment to providing the very best learning environment to enable our boys to realise their unique potential, passions and purpose in life.

**VALE JUDY CASSAB | 1920 -2015**

We note the passing this week of one of Australia’s great portraitists and much-loved artists, Judy Cassab.

Under Max Taylor’s directorship, Cassab became a regular exhibitor with Delmar Gallery and was a keen supporter of the activities of the Society of the Arts. Her pensive portrait of former Head Master Mr Roderick West hangs in the Dining Hall. A plaque in Delmar Gallery bears her name, commemorating when she opened the building in 1988. When Max Taylor retired, she spoke warmly at his final assembly. As you walk around Trinity, you will often encounter one of her remarkable paintings, watercolours or drawings, which are part of Trinity’s art collection and a testament to her enduring creative spirit and vision.

Judy Cassab was born in Hungary and sought refuge in Australia after having lost her entire family at Auschwitz. She arrived in Sydney in 1951, with a letter of recommendation that secured her first portrait commission with Charles Lloyd Jones. Her painting career was meteoric, and only 18 years after settling here, her contribution to Australian art was recognized with being awarded a Commander of the British Empire. She won the Archibald Prize twice and was given an honorary doctorate by the University of Sydney. Drawing was like breathing to her. In her eighties and still painting, she was asked by a journalist when she would retire – to which she emphatically replied, not in this lifetime!

She is survived by her sons John and Peter Seed, and their children and grandchildren.

BANDANNA DAY – 2015

Trinity celebrated Bandanna Day 2015 in grand style! It is amazing to see the broader Trinity family support this wonderful cause in such a generous manner. Through the sale of goods, and the gold coin mufti donation, we were able to raise a staggering $2760 on the day. Thank you to all for your support of Canteen and Bandana Day!

As the main fundraiser for Henderson House, it was great to see not only Henderson boys but also our School and House Officers, and the fantastic boys in Year 5, work so hard at selling bandannas before school and during recess. A big thank you also to Theo Christian and Adam Pascale (Henderson House Captain and Vice-Captain) for helping to organise and promote the day.

It is a sad reality of life that cancer directly, and indirectly, touches the majority of our population but through purchasing bandannas we all played a part in assisting young people and their families as they battle this disease. Colourful bandannas provide a symbol of positive outlook for cancer sufferers and there was certainly a lot of colour on show at the Prep School!

On behalf of Canteen and the many people they support, thank you.

Trevor O’Neill | Henderson House Master

SCULPTURES BY THE SEA

Year 5 Prep boys enjoyed a fantastic day out at Sculptures by the Sea! The boys were able to enjoy the two kilometre coastal walk from Bondi to Tamarama, as they observed and interacted with a large number of amazing artworks produced by local and international artists. The highlight of the day was having guides discuss some of the sculptures as they explained to the boys what the works were about, as well as the types of materials that were used. The boys were very much engaged and inspired by the creativity and talent that was on display.

AMAZING ME’ INFORMATION NIGHT

On Monday night, 57 Year 6 families participated in an information night on human sexuality and the changes associated with puberty. The session acted as a provocation for the final Unit of Inquiry – Who We Are. It was an important part of the inquiry process, as well as a fundamental part of the next stage in our lives.

Rowena Thomas from ‘Amazing Me’, delivered a presentation that at times was honest, confronting, awkward and hilarious. Mrs Thomas was engaging and presented the facts in an informative manner. She used models, diagrams and cartoon images to educate and enlighten us in a weird, wonderful and entertaining way.

I have no doubt that all the students and parents found the experience valuable, not only for our Unit of Inquiry, but for life.

PREP MUSICIANS ARE CHAMPIONS!

Two Trinity Preparatory musicians showed their musical talent at the Inner West Eisteddfod on Sunday night in the 12 years and Under Open Championships. They played 2 contrasting pieces and displayed fine musicianship. Young Stefano who is just 9 years old (Year 3) played the viola “with great spirit and with excellent dynamic contrast articulated” according to judge Kathryn Lambert. He also played “a very musical approach with lovely phrasing and tonal colour. Well done.”

Stefano is one of two viola students at the Preparatory School studying with Ms. Kimbali Harding. He started the viola with the Preparatory String programme in Year 2 and was recently awarded High Distinction in the Grade 1 AMEB examination. Brendan Chew is one of the Preparatory School Denham Court Scholars studying with Mrs. Ludmila Palmer. He was also the only primary school student to make the finals of the TGS Concerto Competition and was also recently awarded a High Distinction in the Grade 5 AMEB examination. What outstanding musicians!

PARENTS OF YEAR 1 STUDENTS (2015)  
INVITATION TO YEAR 2 (2016) STRING PROGRAMME

The Trinity Grammar Preparatory School music team would like to invite you to an informative and fun afternoon where you will learn about the Year 2 String Programme.

Every child in Year 2 is given the opportunity to learn a violin and/or a cello as part of the curriculum class programme.

What does this mean for my child? What will he learn? What opportunities will this lead to? What can I do to help? Will there be any extra costs or time commitments?

All of these questions will be answered on this afternoon. You will even get some hands-on experience with the string instruments and hear the Junior Orchestra, mainly consisting of Year 1 – 3 students, perform.

Date November 20th (Week 7, Friday)

JANUSZ WAWROWSKI
(POLAND) SOLO VIOLIN

Thursday 26 November, 7.30pm – Orchestra Room

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

FROM THE SPORTSMASTER

Last Friday was the Trinity Invitational Swimming Carnival which was held in the 25m pool at the Summer Hill Campus. As always, our boys performed brilliantly and represented the school well. All boys who competed finished with strong results and there were some exceptional performances where a number of school records were broken. These were Jonathan Nam (3E) breaking the Under 8 25m Backstroke and Butterfly records, Hayden Hoang (3P) who broke the Under 9 25m Backstroke and Butterfly records, and Andy Lee (6H) who broke his own Open 50m Freestyle and Breaststroke records. Next week we travel to St Patrick’s College Strathfield for their Invitational carnival where we hope to deliver similar results!

There were several outstanding performances during last Saturday’s sport. I had the opportunity of watching both the 1st Cricket and 1st Basketball teams. Both teams dominated Scots and Kings respectively. Honourable mention goes to Captain Emmanuel Grogan, who fought through injury to fall just short of a half century on 47.

Please remember to check the Wet Weather line for cancellations of sporting fixtures. The Wet Weather line is 9657 6110.

A reminder that our school has an obligation to compete against other schools. Unfortunately teams are being let down by absenteeism. If your son cannot compete on a Saturday, please let me know as soon as possible so that I can inform the coaches.

The Summer Hill Scout Group is entering a new stage with the recent investiture of James Field as a Venturer Scout. The Trinity Scout Group had the largest Venturer Group in the Region many years ago and it is great to see the Group re-commence its Venturer Unit with James Field and James Hull. Already after only a few weeks James Field is applying skills learnt in Cadets and acquiring new skills to help in his leadership role with his Cadet Company.

Last weekend Adrian joined 24 other Scouts from across the South Met Region along with their leaders at the Region’s Basic Scout Leadership course. The Scouts learnt experimentally, “ready, fire, aim” is an apt description of the process.

Like a lot of 12-14 year olds, Scout can be “occasionally” unreceptive to formal instruction because they have that jumpy “beginner energy”, assumptions about their own skill, and they were excited to try things out.

Rather than sitting in the scout hall with lectures and notes, the Scout Leadership course is run with a quick briefing to explain the leadership skill, then straight into an activity that requires that skill. As each Scout takes a turn over the weekend to be the Patrol Leader, they are able to both exercise the skill and observe the skill. Activities covered included managing different characters, time management, planning and activity development, and assessing risk.

The structure of learning applies the Ready, Fire, Aim principle where:

> READY
A brief (that means minutes) overview and (when appropriate) demonstration modelling the skill.

> FIRE
Apply the skill immediately.

> AIM
Step back, analyse the result, coach and instruct towards an incremental improvement.

The Scouts also learnt about preparing for the Adventurer level hike (which is 14 ½ year old scout leading a patrol of 5 scouts on a 30+ km hike over 3 consecutive days with no direct adult supervision), as well as project ideas for the Australian Scout Medallion. Courses are run three times a year with Scouts attending having achieved the Pioneer level badge demonstrating they have a sound base skill level in scouting.

This week it as a pleasure to present Kelvin Kong with his level 1 collector Badge, as it was to present William Brown his Level 1 First Aid badge. Well done Cubs – 1-2-3-WOOF!

The Scouts have also been busy with Ryan Snowsill being awarded his Pioneer level Citizenship and Emergencies badges, and Aiden Murphy and Harrison Brown their Explorer level Emergencies badge. Well done Scouts – B-R-A-V-O-O-O!

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

CONCERTO COMPETITION FINALS

Ages ago some shepherd on a hillside may have blown into a hollow reed producing a pleasant sound and thus music may have been created! Whatever its origin, Wednesday November 5 in the Orchestra Room heard from the descendants of that supposed shepherd the most magnificent performances by students who were the finalists in the 2015 Concerto Competition. The audience was surrounded by music which soared to the heights in a most accomplished cascade of brilliant talent, for these performers were the crème de la crème of our music students. I have been privileged to write a report of this event for many years, but am pleased here for our Musical Administration assistant Ms Holly Champion, to give her excellent review of the pieces played.

Brendan Chew (6Hi) from the Preparatory School opened the concert, delighting us with his rich and mellow timbre on cello, playing the ‘Vivace’ from a Baroque-era Concertino. Though Brendan was the only Junior/Prep finalist, the adjudicator, master violinist Mr Michael O’Dea, was happy to say that despite this, Brendon was definitely worthy of the trophy. The Middle School section featured three diverse but very fine performances. Samuel Gorman (9Hi) sang a lovely rendition of the aria from the opera Orfeo Ed Euridice, where Orpheus mourns the loss of his beloved. Violinist John Choi (8He) played a brilliant ‘Winter’ from Vivaldi’s The Four Seasons. Trumpeter Alec Silins (9Sc) achieved a strong yet smooth timbre. John was awarded the prize, Mr O’Dea noting that singing and trumpet playing take time to develop, and that exciting futures await these performers. Though many of the performers in the Senior Section are barely out of Middle School, they were frankly dazzling. High-lights were Andrew Kim’s (10We) glittering clarinet arpeggios, Monty Guo’s (10Ke) violin pyrotechnics and Calvin Li’s (10Ar) moving rendition of the First Movement of Elgar’s Cello Concerto. The two stand-out performances of the evening were David Carreon’s (10Sc) captivating First Movement of the Mendelssohn Violin Concerto in E Minor, and Brian Kim’s (11WH) incredible Third Movement from the little-known Concierto Pastoral by Rodrigo. Brian’s superior stagecraft won him the prize, but both young men undoubtedly have brilliant musical futures! Mr O’Dea summed up the evening by saying: “Wonderful musicians. I heard some amazing, frankly dazzling. Dear Parents

On Tuesday, 24 November School House will be running Good Sports Day in conjunction with the Anglicare Toys and Tucker appeal. This is an important initiative and one that School House takes very seriously in our endeavour to assist those who are in need during the upcoming festive season.

Therefore on this day it would be appreciated if each child could bring a donation to wear mufti (minimum gold coin donation) to assist children with cancer. In addition to this, the mufti day has been organised so that children can wear the colours of their favourite team or dress in the favourite sport outfit to show their support, whilst highlighting the need for an active lifestyle.

The Trineatery Canteen has organised a Sports Pack for the day and proceeds will also go to this worthy cause. Perhaps parents might allow their children to have this special treat on the day and order their lunch. The order form was sent home this week. The cost of this pack is $7.50 and the order form must be returned by Tuesday, 17 November. Please ensure you send payment with the order. Unfortunately late orders cannot be accepted.

It should be a great day and we hope to assist the Anglicare Toys and Tucker Appeal through your participation and generosity.

Kind regards

Brent Hinson
School Housemaster
