“Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles, and let us run with perseverance the race marked out for us. Let us fix our eyes on Jesus, the author and perfecter of our faith, who for the joy set before him endured the cross, scorning its shame, and sat down at the right hand of the throne of God.” Hebrews 12:1-2

On Wednesday the School paused at 11:00am to observe Remembrance Day. A service was held at the front of the Llandilo building adjacent to the flagpoles. A Catafalque Party of Senior School Cadets paraded before the School and Jamie Christopoulos read the honour roll of Old Boys' killed in service of their country. As each name was read, a boy from Pre-Kindergarten placed a hand-made poppy into the ground in front of the flagpoles in a moving tribute to former Trinitarians. John Varvaris (former Prep boy) played the Last Post and Reveille superbly to complement the service. It is important that this generation of students understands the significance of these National days of commemoration and the School ensures that we facilitate this process.

Orientation Day will be held next Friday (20th November). On this day all boys will move into their 2016 class groupings and have the opportunity to get to know their new teacher and their new classmates. To facilitate this there will be some slight changes to normal routines on that morning.

The key groups where there is a change are: PreKindergarten 2015 (report to Milverton undercroft), Kindergarten 2015 (classes start at 8:30am and boys report to Milverton undercroft. Classes finish at 3pm), Year 1 2015 (boys report to the Joske Playground), Year 2 2015 (boys report to the Llandilo and classes finish for the day at 3:15pm), Year 6 2015 (boys go to Summer Hill for the Year 7 Orientation programme).

As part of the Year 6 boys’ transition to Summer Hill, Mr Cujes spent Friday morning with the boys in a Q&A style session. He brought with him a number of the Middle School Monitors to share their experiences and to answers any questions from our boys. The next few weeks are significant for the Year 6 boys as they
experience the mixed emotions of leaving the safety and comfort of the Preparatory School and look forward to the possibilities that lie ahead of them at Summer Hill and other High Schools.

As I mentioned earlier this term, **Annual Prize Giving** will be held at Summer Hill during the afternoon on Thursday 4th December beginning at 2:30pm. All boys in Years 3 – 6 report to Summer Hill at 1:30pm. This event is compulsory for all boys in Years 3 – 6. OSHClub will not be open on this day but will open for Vacation Care on Friday 4th December.

This Saturday is the last day of **summer sport** and I wish all of our teams all the best for their matches. On the following Saturday (21st November) **Year 3** will play their **Football Gala Day** at Bressington Park.

The Year 6 boys will participate in the annual **Year 6 Social** on Tuesday evening at Summer Hill. Year 6 girls and boys from MLC, PLC, Meriden and Newington will come together for an enjoyable night of dancing in the Gymnasium. I know that the boys will have a great night.

On Wednesday some of the Year 6 boys will back up again for the annual combined **Cricket and Basketball matches against the Year 7** teams at Summer Hill. Good luck to the boys for these encounters.

Dear Parents,

We would like to remind you of several changes that have occurred creating a different pathway to your existing online information for current members of our community.

Importantly for you to note is the new URL address community.trinity.nsw.edu.au. This new location should be your new default ‘Go to’ page for all things Trinity!

Here you may confidently obtain the latest Bulletin/Newsletter and sports fixtures. You will also be able to pay school fees, book physio appointments, order your son’s lunch and much more.

This site also contains all the other in-house information that you require with some changes made to make the user experience enjoyable. It is important that you save this new community URL to your bookmarks or favourites list.

To save this link for example, in Google Chrome, click the star icon at the top right hand side of your address bar; if you use Safari, click the bookmarks button at the top right hand side of your address bar and click favourites from the drop down list; or in Internet Explorer, select Favourites from the menu and click “add to favourites...”.

Please take the time to familiarise yourself with the new presentation and locations. Most importantly, once familiar with the site, we hope you will be able to locate and share all the information you require much more easily.

A recent report published by the Foundation for Young Australians titled “The New Work Order” focuses on the importance of young Australians having the skills and experience for the jobs of the future, not the past. This report plays a key role in our work as part of the ELEVATE project, “Agile Design for High Potential Learners,” as we explore the future opportunities our students face and the world they need to thrive in.

The report suggests that, looking forward, the revolution in work for young Australians will be driven by three economic forces:

> **Automation**: Ever-smarter machines are performing ever-more human tasks – taking, replacing or eliminating the need for whole categories of employment.

> **Globalisation**: Our workforce is going global and the global workforce is coming to us.

> **Collaboration**: Technology is increasing the potential for cooperation and collaboration across multiple platforms.

These three trends shaping the future of work - automation, globalisation and collaboration - present opportunities as well as risks for young people today. In particular, they offer the opportunity not only for higher productivity jobs, but also more creative, independent and meaningful employment.

Laszlo Bock, the senior vice president of people operations for Google, was reported in the New York Times, 22 February 2014, whilst acknowledging the critical importance of a quality education for future success, offering this advice to young people:

“Beware. Your degree is not a proxy for your ability to do any job. The world only cares about — and pays off on — what you can do with what you know (and it doesn’t care how you learned it). And in an age when innovation is increasingly a group endeavour, it also cares about a lot of soft skills — leadership, humility, collaboration, adaptability and loving to learn and re-learn. This will be true no matter where you go to work.”

Jennifer Westacott, the CEO of the Business Council of Australia, has also recently stated that:

“We are moving to a world where innovation and creativity will be the difference between success and failure - for companies, for governments, for individuals and for educational institutions. For all these reasons, human capital development – that is, developing people to their full potential – is going to be the absolute game changer in keeping countries, and the people within them, productive, competitive and prosperous.”

Trinity has a strong commitment to academic excellence and nurturing student growth at all levels of their education. We are also committed to helping our boys explore these new frontiers in ways that fire their imagination and ignite their passions. For our boys to flourish we want them to move beyond just focusing on how much content they know, to the importance of developing the capabilities and mindset to design their own futures and develop the higher order skills that will be critical.

ACTIVE TRANSPORT, ACTIVE PLAY
Meeting the physical activity recommendations for good health and wellbeing

The 2014 Active Healthy Kids Australia Report Card on Physical Activity For Children and Young People revealed that while involvement in organised sport in Australia is strong, overall physical activity levels in our children and young people are declining. The main reasons for this include a decrease in active transportation and active play and an increase in sedentary behaviours (including screen time).

The benefits of meeting the recommended levels of physical activity, outlined in the table below, include enhancing a range of health outcomes, optimising cognitive function and developing autonomy. While many of our students would regularly meet the threshold levels, many would not.

Consideration continues to be given to strengthening the School’s formal offerings in sport, co-curricular, PDHPE and the Fundamental and Active Skills at Trinity (FAST) programme. The latter being a new part of the Prep and Junior Schools’ PDHPE programme.

Positive family and peer behaviour is also vital in encouraging optimal physical activity rates and the development of a life-long, habitual adherence to physical activity in our young men. Some options for parents to consider or continue to promote include:

- Encouraging your son to walk or cycle to and from school
- Arranging for drop off and pick up a few blocks from school, thus facilitating a walk while you beat the traffic in the carpark or around school
- Walking or cycling with your son to school, or part of the journey
- Encouraging your son to combine active transport with public transport
- Facilitating engagement in incidental, active play and physical activity at recess, lunch and at home between stints of academic work and family time
- Managing screen time

Good nutritional practices are also vital to promoting good health. Further, age appropriateness should be carefully considered by parents when encouraging their children to commit to these initiatives. In addition, all active transport options should be combined with thorough parental guidance on road and general safety rules.

Recommendations for Children (5-12 years) and young people (13-17 years)

- Accumulate at least 60 minutes of moderate to vigorous physical activity each day
- Undertake a variety of aerobic activities including some that are vigorous
- Undertake physical activities that strengthen muscles and bones on at least three days each week
- Minimise the time being sedentary each day and break up long periods of sitting as much as possible
- Limit screen time to no more than two hours per day

INSTRUMENTAL LESSONS AT TRINITY PREPARATORY

Important Information For 2016

The enrolment process for 2016 has changed slightly to make it easier and more efficient for Trinity families.

> If your son is currently enrolled in instrumental lessons and wishes to continue in 2016 your enrolment will be automatically rolled over. You do not need to do anything.

> If your son is currently enrolled in instrumental lessons and you wish to discontinue in 2016 please fill in this short form | click here.

> If your son is moving to Year 7 at Summer Hill in 2016 you will need to fill in a new enrolment | click here to download the handbook and enrolment form and return to the music administrator at the senior campus (bfox@trinity.nsw.edu.au or hchampion@trinity.nsw.edu.au )

> If your son is a new enrolment for the instrumental programme an enrolment form can be obtained from the Preparatory School Administration.

CONGRATULATIONS TO BRENDAN CHEW OF 6C

On Wednesday 4th November Brendan performed and competed in the annual Trinity Grammar School Concerto Competition. Brendan was the only primary school student who was chosen as a finalist in the TGS 2015 Concerto Competition. He was awarded The Junior Prize in this highly distinguished competition which was adjudicated by Mr Michael O’Dea.

PARENTS OF YEAR 1 STUDENTS (2015)
INVITATION TO YEAR 2 (2016) STRING PROGRAMME

The Trinity Grammar Preparatory School music team would like to invite you to an informative and fun afternoon where you will learn about the Year 2 String Programme.

Every child in Year 2 is given the opportunity to learn a violin and/or a cello as part of the curriculum class programme.

What does this mean for my child? What will he learn? What opportunities will this lead to? What can I do to help? Will there be any extra costs or time commitments?

All of these questions will be answered on this afternoon. You will even get some hands-on experience with the string instruments and hear the Junior Orchestra, mainly consisting of Year 1 – 3 students, perform.

Date November 20th (Week 7, Friday)
Time 4:00pm – 4:30pm
Venue Mozart Room, Preparatory School Music Centre

Timely Reflections...

By Mr Ron Ogier (1966 – 1994) and (1997 – present)

Two red cupcake patty pans, some black and green paper. Some Kinder lads took these and made them into a poignant symbol of Remembrance Day – the poppies from the fields of Flanders in the First World War. Other poppies were on display too, all made by the boys, and all reminding us to remember the soldiers who went away to the wars of the last century and who never returned, having given their lives in foreign fields. Our three campuses Preparatory, Junior, and Middle and Senior Schools all held reverent and solemn ceremonies on Remembrance Day, November 11. At each the Ode to the Fallen was read, the last Post and Reveille played, and a Catafalque Party of Senior Cadets paraded at each ceremony. For my part, the services took me back to the day I heard Mr Menzies, Prime Minister of Australia, as his “melancholy duty” tell the nation that since England was at war with Germany, so was Australia. My main recollection is that of mum bursting into tears, as there was the grim and dreaded prospect of my brother ten years my senior having to go to war, which in due course he did. The dark days of anxious worry for my parents and the community at large I remember as an ever-present cloud, but, being only a lad, I used to look forward to my brother coming home on leave, for when he went back, he always gave me two shillings, (20 cents today) but then a princely sum indeed! No doubt in all the ceremonies this week I guess a lot of the younger lads may have had a similar attitude to what was being said, all unaware of the true horrors of war, and though as they mature in years they will come to more fully understand what is said at such occasions about service and sacrifice, I found myself praying profoundly that none of them – from the littlest kindergarteners with their home made poppies, to the older boys and the Cadets in the flag and catafalque parties – will ever be dragged into war.

Ron Ogier

TRINITY GRAMMAR SCHOOL PREPARATORY SCHOOL SUPPORTING ANGLICARE THIS CHRISTMAS 2015

ANGLICARE’s Toys ‘n’ Tucker programme is a way in which the community can actively provide gifts of toys and food to ANGLICARE’s Emergency Relief programme to be distributed to the families who come to the service for support. This year ANGLICARE is aiming to individually pack and deliver more than 5,000 Christmas hampers and toy packs to families in Sydney and Wollongong who would otherwise go without.

Toys | The toys are specifically for Christmas. The toys need to be brand new, in unopened boxes or packaging. Please do not purchase any items with glass or sharp objects inside. The items are to be left unwrapped, as this allows for each item to be checked by Anglicare staff. Toys can range from new born babies to teenagers.

Toys ‘n’ Tucker | Two varieties can be brought in. Food especially to eat for Christmas or basic daily food items such as pasta, biscuits, cereals, tinned food etc. Please consider whether you would eat the food item yourself before purchasing.

When do I bring items in? Throughout the month of November 2015
What do I do with the items? After purchasing the items, please bring them into school and place them in your classroom designated area.
Thank you for caring for others!

JANUSZ WAWROWSKI
(Poland) Solo Violin

Thursday 26 November, 7.30pm – Orchestra Room

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

LIBRARY NEWS

In order to make sure that we have all books back before the end of term, there will be no more borrowing. Please have a look on bookshelves, in drawers and under beds for any books you might have at home.

Thank you to the boys in Years 4 and 5 who have expressed an interest in becoming 2016 Library Monitors. Forms need to be returned as soon as possible so that we can organise training sessions with our current monitors.

November is Picture Book month. Picture books are important for many reasons. They encourage conversations between older and younger readers, strengthen visual thinking skills and build vocabulary. Above all they show children that reading is important and enjoyable. These picture books are classic Australian ones. What is your favourite Australian picture book?

Hi everyone,

It’s not too late to book for the Christmas party, Friday, November 20. We already have heaps of people coming but there’s no restriction on numbers so the more the merrier! But get in soon because we do have to give final numbers to the caterers soon. Click here for a top night, I WILL be wearing my party frock.

Puds - you know it’s all about the puds, ‘bout the puds etc. Click here for the best puddings ever. Remember if you can’t pick your puds up from the Fiesta I will bring them back to the school for you - I promise not to eat them.

Speaking of the Fiesta - how about that roster, eh? Oh, you haven’t put your name down yet? Get on it! Click here for the roster.

And please, if you would be so kind and generous, feel free to drop your stall/silent auction basket donation (suggested amount $20, but up to you) in to Miss Jo in the office. No clicking for this one just old school envelope with son’s name and year on the front.

The colouring competition is on again! Your son can win a fiesta ride band just for expressing himself creatively. That is money saved right there. Please see the flyers at the end of the newsletter or check for a crumpled piece of paper in the bottom of his bag next to that banana from week two. Good luck!

Tomorrow, Saturday, November 14 from 7am till noon is a massive basketball explosion of games all morning at the Prep. There will be a sausage sizzle and I think that sells itself. Except that if you are a basketball parent and you are around Mr Bremner would appreciate it greatly if you could lend a hand. Don’t be shy, just go up any time and lend a hand. In fact, to make it easier for you I recommend these exact words: ‘Mr Bremner, I am here to lend a hand!’ Couldn’t be simpler, couldn’t be more appreciated.

Til next week

Elizabeth McMullen | President Strathfield Auxiliary

FROM THE SPORTSMASTER

It has been pleasing to hear so many positive reports from Saturday Sport coaches over the last few weeks. From last weekend I heard a wonderful story from Coach Mr Smith regarding the Softball A team and their fight from behind to ultimate victory. In the bottom of the third innings, 6 runs behind, and 2 batters out, they managed to equal the score at 10-10. With a runner on 2nd, John Lynch stepped up and hit a Homerun to left field to win the game 12-10. Mr Smith recalled that it was a fantastic team effort, and it was exciting to see all boys rush to the home plate cheering the final runner home.

The A team was not the only Softball team that enjoyed success. The B team had a solid 14-10 win, where they were able to score 9 runs in the second innings and enforce the side away rule. The team is coached by Mr Leaper, who has done well considering he knew little about softball when he arrived earlier in the year. He reported that the team’s base running and stealing was superb, while Anthony Le pulled off an absolute screamer of a catch. Well done to all Softball boys, it has been satisfying to see such an improvement this term.

This weekend is the final round of sport for Years 4-6. For the Year 6 boys it is the final opportunity to represent the Preparatory School. Thank you so much for all the effort that you’ve put into representing the School in Sport during your time here. I hope that you are able to finish your Prep Sporting experience with a win this weekend.

On Saturday we have 12 games of Basketball here at the Prep School with all teams in Year 4-6 at home. If you are able to arrive a bit earlier or stay for a bit after your game so that you can support other teams, it would be greatly appreciated.

I wish all boys the best of luck for their final game of Sport for 2015.

James Bremner | Sportmaster

Another great week for the Cubs and Scouts. This week we had a fun challenge with cubs and scouts working in small teams to light a candle. Only thing was they could not reach the candle to light it. Instead they were issued a match each, 1 long pole per team and a small piece of tape. Several attempts and methods were used by the teams as they worked through how the candle could be lit. During the activity they learnt how to strike a match safely and the three essential ingredients for a fire known as the fire triangle. After the challenge and some games we returned to the gym to complete some badge work.

Dan Bellero and Aiden Murphy competed their proficiency badge in fire awareness, while Dane Feeney was awarded his proficiency badge in Music after a great recital on his euphonium.

The big presentation this week was in the Cubs to William Brown. William completed his Bronze Boomerang. This is a major badge in the Cub Scout section requiring many hours of dedication to gain proficiency and knowledge in Health and First Aid, Safety, Ropes, Outdoor Scouting, Cub Scout Traditions, Symbols of Australia, Promise and Law as well as four electives from a choice of Fitness, People and Cultures, Scientific Discovery, The Natural Environment, Self Expression, Handcraft and Your Community. 1-2-3-WOOF to William.

This weekend Harrison Brown is coordinating a Patrol Activity with four other scouts to assist the Inner West Environment Group as they work on the Greenway near the Waratah Mills light rail station.

Scouts will be meeting next week and will be gathering in the amphitheatre between the pool and the Latham Theatre as the year 6 social is being hosted in the gymnasium.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

2 November, 2015

Dear Parents

On Tuesday, 24 November School House will be running Good Sports Day in conjunction with the Anglicare Toys and Tucker appeal. This is an important initiative and one that School House takes very seriously in our endeavour to assist those who are in need during the upcoming festive season.

Therefore on this day it would be appreciated if each child could bring a donation to wear mufti (minimum gold coin donation) to assist children with cancer. In addition to this, the mufti day has been organised so that children can wear the colours of their favourite team or dress in the favourite sport outfit to show their support, whilst highlighting the need for an active lifestyle.

The Trineatery Canteen has organised a Sports Pack for the day and proceeds will also go to this worthy cause. Perhaps parents might allow their children to have this special treat on the day and order their lunch. The order form was sent home this week. The cost of this pack is $7.50 and the order form must be returned by Tuesday, 17 November. Please ensure you send payment with the order. Unfortunately late orders cannot be accepted.

It should be a great day and we hope to assist the Anglicare Toys and Tucker Appeal through your participation and generosity.

Kind regards

Brent Hinson
School Housemaster
