This week I have had the privilege and opportunity to travel to Hyderabad to lead an IB PYP professional development workshop for administrators new to the PYP from around the Asia Pacific region. The IB has four different programmes, however, the PYP is by far the fastest growing of the programmes, particularly in the Asia Pacific region. This growth and interest in the PYP highlights the strength of the learning framework and is a reminder that Trinity continues to be an educational leader, striving for ongoing development of the learning offerings for our boys.

This week Year 5 have visited Bathurst and Hill End as part of their Sharing the Planet unit of inquiry. The boys had the opportunity to learn about the earth’s resources, including panning for one of the more highly sought after ones. Whilst none of the boys found enough gold to retire just yet, a great time was had by all. The teachers received a number of very positive and complimentary comments from members of the public while they were away. Well done boys!

Next week our Year 6 boys head to Canberra as part of their How We Organise Ourselves unit of inquiry. We wish the boys and teachers all the best for this exciting learning adventure.

Next Monday the Preparatory School will be celebrating Harmony Day. This is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it. The boys have been encouraged to wear orange, the colour of Harmony day and there will be a variety of house activities planned to celebrate our diversity.

As a matter of course, the School attempts to provide opportunities for boys to pursue interests in a number of creative and expressive fields. As part of the commitment to the development of skills in these domains, a number of competitions are held within the school. In Term 1, two competitions for Years 3 – 6 are held; the Writing Competition and the Public Speaking Competition. These competitions provide the opportunity for boys to develop their skills in these important areas. In addition to these competitions, every boy in Years 3 – 6 participates in the Poetry Recitation Competition at the beginning of Term 2.

This week the Preparatory School Speech Competition continued with heats for Year 6. From all reports the speeches have been of a very high standard. The finalists will be announced soon at the conclusion of the heats in Week 9.

Next Tuesday 22nd March, seven individual swimmers and the Junior Relay team will compete at the CIS Championships. We wish the boys well as they represent both Trinity and IPSHA at this carnival.

This week Mrs Sandwell and I met with the Traffic Engineer from Strathfield Council to discuss further ways to ensure our Kiss and Ride area continues to be safe and efficient for our boys and parents. Whilst no decisions were made, the Council are committed to working with the School to develop plans to ensure the Kiss and Ride continues to operate safely and efficiently, as well as looking after our neighbours. As part of this process, I would ask that parents remain mindful of our neighbours by not queuing or parking across driveways in the afternoon as they wait in the Kiss and Ride line. Parents and guardians are respectfully reminded that the School back driveway/goods entrance on Llandilo Avenue is not a pedestrian thoroughfare. It is not safe to walk along this driveway, often used by delivery and maintenance trucks. I also want to make parents aware that the Council Parking Ranger is likely to be more present in the coming weeks.

Congratulations to the School Swimming Team who were victorious in the CAS Swimming Championships last Thursday night with a narrow victory over Knox Grammar School. This is the 13th consecutive year that Trinity has won the swimming, a remarkable achievement. As has become the custom, the Head Master has announced an early finish to school on the final day of term.
All Prep School boys will be dismissed prior to lunchtime. Pre-K – Year 2 students will conclude the term at 12.30pm and Years 3-6 will conclude at 12.45pm. The Kiss and Ride will operate as usual on this day for pick-up. Please refrain from parking (leaving your vehicle) in the Kiss and Ride zone from 12 noon to 1.30pm on Friday April 8th as a courtesy to other Prep parents. The connecting bus to Summer Hill will depart at 12:15pm in order to link up with the connecting services listed below. Please be assured that the necessary buses will be held to wait for any Prep boys. Minimal supervision will be provided for boys who are unable to go home between dismissal time and the commencement of OSH Club at 3.00pm. Please note the special bus departure times on this day for boys who utilise public transport:

This week, Year Five kick-started our Sharing The Planet Unit of Inquiry with an action packed three day trip to Bathurst. We started with a wonderful lesson on sustainability and responsible ownership of land presented by an indigenous guide at Katoomba. We then visited the majestic Jenolan Caves before spending the following day at Hill End where the boys took part in a range of activities including gold panning and entering an old mine! A visit to the Australian Fossil and Mineral Museum in Bathurst capped off the trip. In between these valuable learning experiences, the boys also had a lot of fun! We are looking forward to seeing them demonstrate, and extend, their understandings as we progress through the Unit.

The Trinity app

The Trinity app is available from the App Store and from Google play for you to download. The app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son's absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the Trinity app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au

TRINITY GRAMMAR SCHOOL

SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Preparatory School Strathfield - meet in the Joske Room Strathfield, on odd weeks of term (Weeks 3, 5, 7, 9)

Term 1: March 22
Term 2: May 10, 24, June 7, 21
Term 3: Aug 2, 16, 30, Sept 13
Term 4: Oct 25, Nov 8, 22

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

ACADEMIC FOCUS

NAPLAN TESTS

NAPLAN (National Assessment Program – Literacy and Numeracy) tests are part of the educational landscape in Australia and all students in Years 3, 5, 7 and 9 are required to present for them.

Dates for this year’s NAPLAN tests are as follows:

> Tuesday 10 May – Language Conventions and Writing
> Wednesday 11 May – Reading
> Thursday 12 May – Numeracy
> Friday 13 May – “catch-up” day for students who may have missed a particular test or tests.

In the coming week I will be writing by email to all parents of boys in the affected years, advising them of their rights and obligations regarding NAPLAN. Closer to the actual dates of the tests, detailed information will be given to boys about the precise arrangements for the various tests in the Preparatory School, Junior School and Middle School.

It is important to put these tests in perspective. While they are deemed to be very important by government agencies, and all schools must participate in them, they are not “high stakes” tests for any individual student. At Trinity, boys receive a wide range of feedback from teachers about their learning, and while the NAPLAN results may complement this to some extent, they are by definition “one-off” tests which may give an aberrant result. Parents should certainly discourage boys from being nervous about the tests; and they should note that these are not tests for which the boys can specifically prepare, beyond the particular preparation which is organised by their teachers in the period leading up to the tests. Ideally NAPLAN tests will provide a snapshot of the learning achieved by each boy over his time at school, and a snapshot of how well the School as a whole is achieving with its students.

Our core business at Trinity is boys’ learning. A Trinity education seeks to engage the Mind, Body and Spiritual development of all our boys. Our commitment to academic excellence is within a holistic educational environment that seeks to nurture and encourage our boys to “…grow in wisdom and stature and in favour with God and man.”

Dear Parents,

Due to the Easter Long weekend, the Acting and Communication Academy will not be holding classes at Trinity Grammar School on Monday 28th and Tuesday 29th of March. Please organize alternative pick up arrangements for that week if your child is enrolled in:

**Year 1 and 2 Speech and Drama**
(Monday 3.00pm - 3.30pm)

**Performance Ensemble**
(Monday 3.30pm - 5.00pm)

**Kindy Speech and Drama**
(Tuesday 3.00pm - 3.30pm)

or undertakes individual lessons.

The final classes for the term will instead be held on Monday 4th April and Tuesday 5th April.

Regards,

Kayte, Lily and Anooshka

KINDERGARTEN INQUIRY

This week the Kindergarten classes were very enthusiastic to come to library. As part of their unit, Sharing the Planet, they are inquiring into how water supports life and they were lucky enough to plant their very own bean to be grown in the library. We will be observing the beans progress over the next few weeks and hope to see if blossom. We have also created a water cycle bag so we can see the water cycle in action.

PARENT AND STAFF LIBRARY

The library is in the process of developing a parent and staff library. We have a number of new books that have arrived and they will be ready for borrowing soon. Make sure you come by next week to see our new collection and to borrow. Parents are welcome to set up a library account and can borrow up to five books.

FROM THE MUSIC DEPARTMENT

2016 Festival of Solos

Please be advised that we’ve revised the dates for the 2016 Festival of Solos – the dates will be different from those advertised in Prep News last week.

It has been decided that this festival will be more beneficial for the boys after the Term Two Studio Concerts and in preparation for the AMEB exams, for which many of the boys have been entered. There will also be Studio Concerts in Term Four. Our musicians are given lots of opportunity to perform.

Hi everyone,

It’s that time of year again: Hot Cross Bun Day is next Wednesday, March 23 - oh, the excitement! But the buns will not pack themselves, you know. Whoever is free is most welcome to come and pack some buns in the Small Pavilion at 8.30 next Wednesday. We are always going for the bun-packing PB, so come along and make the dream a reality.

The Easter Bunny and I will see you there.

CLASS PARENTS

Thank you to all the eager beavers who have volunteered to be class parents. Much appreciated and why don’t you come along to bun-packing day as a class parent duties warm up? But 4D and 6L, where you at? Don’t be shy - you’re only missing out on the fun. Email Mel (Group Captain, Class Parents) on melanie.willis@outlook.com or Mrs Carmichael on tcarmichael@trinity.nsw.edu.au

Til next week,

Elizabeth McMullen | President Strathfield Auxiliary
It has been an eventful Term of Sport at the Preparatory School. Although not all results went our way, our teams made vast improvements over the course of the season. A particular mention should go to the 4C Basketball. They finished the season with a 12-10 win against Arden. Previously when these two teams played, Arden won 18-14. Congratulations to Miss Pavlakis and her team for an impressive turnaround.

It is important to acknowledge the hard work and improvement that our boys are showing leading to impressive results. Well done boys!

It gives me great pleasure to announce the Cross Country Age Champions for 2016.

Under 8  Michael Nasr
Under 9  Roy Ma
Under 10  Jaden Leung
Under 11  Lewis Potter
Open  Spyridon Konidaris

Congratulations to Mrs Burke and Hilliard House for being crowned House Cross Country Champions for 2016. Good luck to the boys in IPSHA Team who will be representing the school at the IPSHA Championships on April 2. If your son has been chosen to represent the school at the Championships and cannot attend, please inform me as soon as possible so I can organise a replacement.

Until the end of term, Thursday sport will be used to trial and grade boys for Winter Sport teams. Please ensure that your son/s have the appropriate attire and equipment for their chosen sport.

There is no sport this weekend or the following due to Easter. There will be a Saturday morning trial on April 2 with more information provided next week.

CUB AND SCOUT NEWS

It was a much focussed night at Cubs and Scouts this week with the majority of Scouts on Service Week. Regardless the cubs and scouts present got stuck into completing some first aid requirements and using a cartographic map we plotted grid references. Cubs particularly focussed on completing parts of their boomerang badges.

Did you know a cartographic map has three norths? Grid-north which follows the 1km grid lines on the map and then true-north and magnetic-north. What's the difference you may ask? Magnetic-north is what your compass shows and on the east coast of NSW this is about 11 degrees to the east of grid-north on the isographic maps. The cubs and scouts learnt that as the correction from grid-north to magnetic-north is east, then as you sight your bearing and then place your compass on your map you need to add the correction to your bearing. Similarly as you make a bearing on your map and take your compass off the map to sight your bearing, you also need to take off the correction value from your map bearing to create a magnetic bearing. Confused? Ask a Trinity Cub Scout to explain it and show it to you!

The third north is true-north and this is about 3 degrees to the west of grid-north in eastern NSW. True-north is used for celestial navigation and the correction, because it is to the west of grid-north, works in the opposite to magnetic-north.

This year is the centenary of Cub Scouts and tonight the cubs were presented with a special badge to mark this special year. There will be special activities through the year including a field day, an afternoon at Government House, and culminating in Cuboree from 3 to 7 January 2017 where well over a thousand cubs from across the state will be camping at Cataract for four nights much like the scouts did this year at Jamboree. Cuboree is five days of fun filled activities led by adult leaders and assisted by experienced scouts, venturers and rovers. Applications for Cuboree close 31 July 2016.

Congratulations to James Kaye (6Hi) for completing his Pioneer Emergencies badge with a successful assistance in carrying a stretcher and treating a mock emergency as well as completing his Team Sport proficiency badge in basketball.

Trinity Scouts caters for boys 7-10 ½ (Cub Scouts), 10 ½ to 14 (Scouts) 15 to 17 (Venturers). The group also works in partnership with surrounding Scout Groups to support all sections.

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop extra-curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

Workshop topics to be covered

**Workshop 1**
Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP).

**Workshop 2**
A famous Mathematician by the name of George Polya once said, “It's better to solve one problem five different ways than to solve five different problems.”

Registration Process
To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

Payment of registration entitles students to: Attendance at both workshops, Recess, Lunch and Forum Satchel and Stationery.

Proudly supported by

SOCIETY OF THE ARTS

CURRENT EXHIBITIONS

If you haven’t had a chance to see the two brilliant exhibitions on display at Delmar Gallery, don’t delay! The gallery is open this Saturday and Sunday 12-5pm for the final weekend of the shows.

Yogyakarta artist Bagus ‘Gonk’ Prabowo is currently international artist-in-residence at Ashfield Council’s Thirning Villa. He will be in Sydney for three months, and as part of his residency we invited him to present an exhibition of his batik work, soft sculpture and installation centred on the theme of “Gunungan”. In Javanese tradition, Gunungan symbolises peaceful living, guided by sharing, contemplation and appreciation. On the last day of the exhibition (20 March), you can see a performance version of “Gunungan” at Ashfield Council’s Carnival of Cultures, in which Bagus is participating. He will also be holding FREE batik workshops every Saturday from 9am – 1pm at Thirning Villa, until 23 April. Works in the exhibition are for sale.

“Miao Textiles” is a small focus exhibition featuring the exquisite silk embroidery of the Miao People of southern China. The pieces on exhibition are primarily panels from traditional costumes – festival jackets, baby carriers, back aprons and embellishments. The textiles are sourced from a private collector in Sydney.

DIARY DATES

> Saturday 30 April, 3pm
Laurence Aberhart: Three Decades, survey exhibition of one of New Zealand’s most renowned photographers, part of Head On Photo Festival

> Tuesday 17 May, 7.30pm

BREE VAN REYK AND VÉRONIQUE SERRET | VIBRAPHONE AND VIOLIN
Delmar Gallery, March 15, 7:30pm

Resounding in the live acoustic of the Delmar Gallery on Tuesday night was the strange and wonderful combination of an acoustic/electric 6-string violin and the vibraphone (for those who have not had the pleasure, it is like a xylophone with resonator pipes). An eclectic programme was presented by the acclaimed musicians Véronique Serret (violin) and Bree van Reyk (percussion). This programme featured re-workings of Bach, original compositions by van Reyk herself and a piece written especially for Serret’s unique violin by young Croatian composer Ivana Radovanovic.

Some of the more innovative and unexpected techniques explored by Serret included tapping with the bow on her chin rest, bowing the string in a circular motion to produce grainy harmonics, and making the most of the varied aural effects available via the amplifier and loop and effects pedals. Meanwhile van Reyk also explored the limits of her instrument. “dead stroking” the vibraphone bars, playing with the reverse ends of the mallets and even producing ringing, ethereal tones with a double bass bow. Serret’s electronics experienced some teething problems, but she overcame them to prove to us that a classically-trained violinist can magically transform into a rock guitar star with the help of a distortion pedal and some attitude!

This was a concert of unusual, yet accessible and beautiful music that eluded any pedantic constraints of genre. It delighted its equally varied audience of Trinitarians, Sydney artists and local music-lovers. I, for one, hope that this very interesting duo soon brings out an album.

OSHClub Holiday Program

Our School Holiday Programs are jam packed with exciting activities and awesome excursions in a safe and friendly environment for primary school children aged 5 – 12 years of age. (Some programs cater for 3+ years olds)

All our Team are fun and friendly and have relevant qualifications and background checks (WWC). Bookings are now open. Log on to www.oshclub.com.au and complete the online enrolment form, but be quick as places are limited!

For more information please contact OSHClub on 03 8564 9000 or 1800 460 870

Children with additional needs
OSHClub supports all children including children with additional needs. Please contact the Holiday Program Manager on 03 8564 9000 at least 4 weeks before the program is due to commence. Each case will be looked at individually and in some cases we will need to apply for funding for extra staff to support your child’s participation in the program.

Behaviour
If a child’s behaviour seriously affects the safety and/or enjoyment of others, parents will be contacted and asked to make alternative arrangements for their child/ren.

What does my child bring?
Please bring morning and afternoon tea, lunch and a refillable drink bottle. Make sure you don’t bring any food that needs to be heated or cooked, and remember not to bring anything containing nuts.

Don’t forget your hat, sunscreen and comfortable clothes and shoes. Sorry but no Crocs or Thongs! Remember: no hat means no outdoor play!

We’d hate you to lose something valuable, so please leave your money and electronic toys (including iPods, iPads, iPhones, smartphones and DSIs).

Cancellations
Unfortunately, for planning and staffing reasons we are unable to accept cancellations or give any refunds once a booking has been placed.

Payments
Payment for holiday program will be debited from your nominated bank account or credit card weekly.

What choices are there everyday:
