FROM THE MASTER OF THE PREPARATORY SCHOOL

“DO NOTHING OUT OF SELFISH AMBITION OR VAN CONCEIT. RATHER, IN HUMILITY VALUE OTHERS ABOVE YOURSELVES, NOT LOOKING TO YOUR OWN INTERESTS BUT EACH OF YOU TO THE INTERESTS OF THE OTHERS.” PHILIPPIANS 2:3-4

I would like to welcome everyone back to Term 2 and trust that the break was an enjoyable time for your family. I had the privilege of spending the first week of the holidays on the China Tour.

This term we welcome a few new boys to the Preparatory School. Beginning at a new school mid-year is quite a daunting process. I am confident that these boys will settle into their classrooms quickly and will be well looked after by our existing students as they transition into their new environment.

We welcome Ms Eleanor Pleffer who has taken over from Ms Pavlakis on 4P. Ms Pavlakis finished up at the end of last term for personal reasons. We are thrilled to welcome Ms Pleffer to the Prep team in a full time capacity having previously taught casually across a number of grades. She brings with her a diverse range of classroom experiences as well as skills gained from other areas of life and her educational training.

Next Monday (Year 5 and 6 boys and parents) and Tuesday (Kindergarten to Year 4 parents only) evenings, beginning at 6:00pm in the Mozart Room, we will be conducting two extremely important parent sessions focusing on Digital Citizenship and Life Skills. I urge parents to prioritise attendance at the relevant session. They have been designed to keep parents informed about the boys’ learning at school in these critical areas but also to highlight the importance of common understandings and expectations at home and school. As previously mentioned, if you have boys in K-4 and Years 5-6 I recommend coming to the Year 5-6 session along with you son. Please refer to the email correspondence and attached notes for further information or call the School Office.

On Wednesday 6th April, 32 boys from the Preparatory School (13) and the Junior School (19), along with six teachers (Mr Wyatt, Mr Dunn, Mrs Bookluck, Mrs Sandwell, Ms Cook and Ms Martin) set off on what was to be an amazing adventure throughout China.
Beginning in Shanghai we explored the Bund River, looked down from on high, approximately 230 metres up the Pearl Tower and enjoyed some early bargaining at the markets outside the Yu Gardens. The next stop on the tour was Xi’an where we visited the incredible Terracotta Warriors as well as having the chance to create our very own miniature warriors using moulds. Souvenirs proved to be very popular! While in Xi’an the boys took great delight in riding bikes along the top of The City Wall and enjoying the fantastic water fountain.

After boarding a high speed train, we made our way to Beijing for the final stop on our tour. While in Beijing the boys had the opportunity to visit our sister school and to see what primary school looks like for their Chinese counterparts. Whilst very impressed and amazed, I think they were very pleased to be heading back to Trinity! The following day we visited The Great Wall, and despite being rained on, the boys were amazed at the views and the incredible architecture. Before heading home we visited Tiananmen Square, the Forbidden City and the Temple of Heaven. Having saved their money throughout the tour the boys loved the opportunity to practice their developing bargaining skills at the Silk Markets where they bought gifts and souvenirs to remember the trip.

The tour was a very worthwhile and eye-opening experience for all of the boys as they tried new foods, experienced a completely different culture, and saw many unique and ancient landmarks. It was also a great learning experience as they developed new levels of independence and got to know some new boys.

At the beginning of this year we made some slight adjustments to leadership roles for teachers at the Preparatory School. Having had the chance to consolidate these in Term 1, I wanted to take the opportunity to share the new structure with parents so that they are aware of whom to speak with about matters arising within the school. Generally speaking, it is my expectation that the Classroom Teacher is the first point of contact on all matters, whether it is related to learning or behaviour. Classroom Teachers are best equipped to comment on these areas as they best understand the boys and their needs. If you require additional clarification, the following people should be the next point of contact.

Kindergarten Pastoral Leader – Ms Natalie Hird
Kindergarten Curriculum Leader – Mrs Andrea Otton
Stage 1 (Years 1 and 2) Pastoral and Curriculum Leader – Mrs Fiona Evans
Stage 2 (Years 3 and 4) Pastoral Leader – Ms Michelle Sommerfield
Stage 2 (Years 3 and 4) Curriculum Leader – Mrs Danielle Collins
Stage 3 (Year 5 and 6) Pastoral Leader – Mr Trevor O’Neill
Stage 3 (Years 5 and 6) Curriculum Leader – Mrs Amber Burke

If your concern relates to classroom learning the contact person should be the relevant Curriculum Leader and if the matter is related to behaviour, the relevant Pastoral Leader. Mrs Anni Sandwell (Deputy Master) and Mr Richard Lever are also available as required but it is always best to have already followed the process described above. It is wonderful to have such a strong group of leaders within the school to support the boys and teachers.

Chris Wyatt | Master of the Preparatory School
Thirteen fine ambassadors from the Preparatory School, along with nineteen Junior School friends and six teachers, set off for a Cultural Tour of China during the School holidays (Wednesday April 6th to Friday April 15th). The boys travelled by plane, train, bus and rickshaw to many amazing historic sites. Some general highlights: In Shanghai - the Oriental Pearl Tower and the waxworks exhibition, Yu Garden, the Bund area along the Huangpu River, Shanghai Museum and an amazing acrobatics show combining traditional Chinese arts and modern technologies. From Xi’an we explored the City Walls, visited a workshop to make a Terracotta Warrior, went to see the famous Terracotta Warriors and Horses, saw a Tang Dynasty cultural show and ate a dumpling dinner! We went to the Wild Goose Pagoda and enjoyed the musical fountains. In and around Beijing, we walked around the Summer Palace, and delighted in a leisurely boat ride there. We visited the Ming Tomb and Sacred Way. The pandas at the zoo kept us amused! At the Temple of Heaven we joined in local dancing and watched Tai Chi. Walking through Tiananmen Square was an experience! From there we went to the Forbidden City. We loved the rickshaw ride to a ‘real’ Chinese home (hutong) in which the hostess cooked us all lunch! We also went to a Kung Fu Show. We bargained crazily at the markets! The boys were asked to reflect on their experience. This is their story…..

I have become more responsible and mature on the China tour because I now can look after myself without having help. I enjoyed the tour learning about the traditional culture and how China and Australia are different. Also, how common Chinese people live everyday, learning about their ancient history such as the Terracotta Warriors and the Great Wall. Also, the daily living style for people such as markets and bargaining. Bargaining at the markets was a great experience. This will be a memory I will never forget.

Alexander Ko

I think I have become more mature and responsible while I was on the tour especially in terms of keeping my belongings safe. This tour has also taught me all about the Chinese culture as well as all it’s history. This tour is something I will never forget and it was an AMAZING experience. I think everyone else who went would agree with me in saying how different Australia is to China. My favourite bit of the tour was the Great Wall because it is one bit of China that can never be repeated again in the world. If I had to rate the tour out of ten I would give it a 10!!!! One thing that was also very fun was bargaining for my watch. I am saying this one more time, this was a tour I will never forget.

James Moore

I have become more independent since the trip to China because I was given permission to be on my own at the busy markets and we slept in the hotel rooms without any adults. I became more of a risk taker in China trying new and different foods that looked and smelled interesting. The experiences in China helped me understand the Chinese culture and history. The visits to the historical sights like the Great Wall Of China were incredible. My parents said I would come back from this trip a young man and I think they were right.

Adam Gill

I think I have become a more responsible young child because of how I had to keep my belongings safe without my parents being there to help me with the belongings. I have also learnt more about the language and history that I have not learnt in class yet. I was scared that I lost my camera when we came out of the molding place for Terracotta Warriors, because it was not in my case or my hands. Then I found it in my jumper pocket and someone had to pay 10 Yuan to get their camera back. I liked it when a small (4-7) group of us made it to the end of the first section, but then we had to walk back again. If I had to rate the tour it will be 9.5 because of the food (I didn’t like a lot but I still ate vegetables). I liked the markets the most when Zethan was bargaining and said best price, 50 okay, 10 only I will go to another shop and the man says, 10 okay okay. Then he gets it for 10. I will always remember the China tour.

Isaac Wyatt

I think I have become more of a thinker after my trip to China because I saw different things and thought about the history of them eg. the Terracotta Warriors have a lot of history about the Emperor. I also think that I have learnt a lot about the Chinese culture. Now in Mandarin I will recognise some things. Before I went to China I had learnt things at school about China but now I have seen them for myself!

Lewis Potter
I truly believe I have become more responsible and appreciative. More responsible because I didn’t lose anything and I was very neat and tidy. I was more appreciative of the culture and others while being on the tour. It was a very enjoyable and fun experience.

What I liked about the tour was the Terracotta Warriors workshop as my friend and I are into weapons, I also was amazed into the Great Wall of China. Finally I liked the gardens as they represented friendship. I also liked the design of it. My favourite thing was bargaining and buying. I bought a jade family ball which tells a lovely story, ‘Beats’ by Dr Dre, a nice necklace for my mum and also a magic teacup that changes pattern when hot water is exposed to it, a mirror cube and a non breakable phone charger for my brother. Finally I bought a golden dragon and a box of three Terracotta Warriors. This is a tour I will never forget, I felt like it was home for the 10 days we were there!

Matthew Nicolas

I think I have become more responsible as I had to keep all of my belongings safe and tidy without my parents there to help me.I have also learnt to be more appreciative of what my family has because I experienced seeing lots of poverty and people less fortunate.What I loved the most was the Terracotta Warriors Workshop as I got to experience making my very own Terracotta Warrior by myself. I also loved the Great Wall of China because I got to view lots of pretty mountains and trees which was beautiful. Finally I liked the Shopping Centre in Beijing where we got to be responsible and go shopping in groups of 4 and buy cool things.I loved buying and bargaining as it was a brand new experience for me which I benefitted from. My favourite item that I bought was my Dr Dre Beats and my Mirror cube which are still not broken. Overall I have benefitted a lot from this experience and I will never forget it. I felt like home for the whole 10 days we were there!

Cristian Farr

China tour, a great trip to gain confidence in life and also to become a more mature and independent Trinitarian. This trip was a great experience for us to learn to look after all of our things without our parents or teachers. It taught us a lesson to be more careful when you are touring in another country or walking around by yourself. We were with a teacher all the time but it didn’t feel like we were with our parents. When we were walking around and shopping it was really great to bargain because it taught us to never buy anything it’s not worth buying, it taught us to be more smart when shopping. When we were on the Great Wall I was inspired to soak in all of this amazing architecture because of how high we were and the view we got to see. When I go overseas with my family we go sight seeing and when we’re at a place or a wonder of the world my Dad always says soak it in, you won’t come back for a long time. I wouldn’t listen to him and wouldn’t care but this trip has taught me to do what my Dad always says. Overall this trip will be something I will never forget.

Zachary Pliatsikas.

I think I have become a more mature and responsible person during this trip. I have to say that the main highlight for me was the Great Wall of China. We had set ourselves a target of getting to the top of the mountain. It was really tough but we eventually got there. The scenery was beautiful and we could see for a very long way into the distance. I especially liked when we went up to the top of a building and we carved our names into the wall. I carved the names of each member of my family and put a circle around it. I looked into the distance and saw a sensational sunset along the horizon. It was a mass of oranges and red. The whole experience of climbing the wall was like an adventure. In my opinion the food wasn’t that great. I am a fussy eater and the only thing that I liked was honey chicken. I think I may have lost a few kilos while I was there. I really enjoyed the whole experience and I am really thankful to my parents who sent me on the trip.

Spyridon Konidaris

This was an amazing trip! I have learnt so much like being more independent and looking after my belongings. The highlights of the trip for me were the Ancient Terracotta Warriors and The Great Wall. We got to go to a Terracotta Warrior place that made Warriors out of clay and we even got to make our own mini Warrior. The type of Warrior I made was a General. After we went to see the Ancient Warriors and I found out that there were 8000 of them, and there are still more to find. Some even had real weapons buried with them. Walking on the Great Wall was a great experience. One of my favourite bits was when it hailed while going on the chairlift. When we got to the wall we walked and saw beautiful views of the mountains. It was really tiring but was worth it. At the end of the Great Wall we got to bargain for stuff that was expensive. I got to bargain for a snow globe from 150 yuan to 30 yuan. I have made many new friends on this trip from Summer Hill. I will never forget this memorable holiday.

PRE-KINDERGARTENS’ FIRST EXCURSION

On Wednesday our PK boys went on their very first excursion, travelling by bus to the Riverside Centre at Parramatta to see ‘The Very Hungry Caterpillar’. The boys had a wonderful time and were great ambassadors for the School. Their behaviour was exemplary and as their teachers, we were very proud. The bus trip was of course the highlight and the boys would have been happy with a couple of laps around the block as their first excursion. For some of our blossoms the excursion proved to be quite exhausting and the bus trip home was extremely quiet with lots of us fast asleep!

HOLIDAY FOOTBALL CLINIC

K TO YEAR 9

50 Trinity boys enjoyed a four day Football clinic during the first week of the holidays. This was held at Trinity and it was terrific to utilise the new space of the Centenary Centre as well as the Sports centre and TGS No. 2. Boys worked on their ball control, dribbling, passing, shooting and 1v1 skills throughout the week and were involved in numerous mini World Cups, Champions League and A-League tournaments. Thank you to all boys for attending and thank you also to ex NSL player Mr David Barrett for his coaching and organisation during the week.

The next holiday clinic is in the 3rd week of the July Holidays between Monday 11th to Thursday 14th July. The camp is conducted between 9am-3pm each day.
PARENT ACCOUNTS

We have had a number of parents set up accounts with the library and it is always a pleasure to see parents come to the library before and after school to choose some extra literature for their sons. Parents with a parent account are able to borrow five books in addition to those borrowed by their son during their library borrowing time. We also have a growing collection of literature for adults.

Please come to library and we are happy to set up a parent account for you.

STUDENT BORROWING

Just a quick reminder that the students are encouraged to be balanced and reflective in their book choices. Students are able to borrow resources as listed below and although the students visit the library weekly the boys can keep books for up to two weeks. They are also more than welcome to renew their books if needed.

PREMIERS READING CHALLENGE 2016

All boys K-6 have been registered to participate in the PRC. Log-ins should be located in the boys Record Book and they will need to use this to register the books they have read. Participation is optional but it is an excellent opportunity to help encourage boys to read diversely. So far we have 64 boys participating and 5 boys who have completed the challenge. Congratulations to those who have already completed the challenge.

PRC books are located on a display at the front of the library and the books are regularly updated. If you have any questions please email or stop by the library.

CHESS NEWS

Chess is open for enrolments for term two. If your son would like to participate in chess this term please enrol via the Trinity Online Community Directory. Places are limited and allocated to those who sign-up first. If your son participated in chess in term one this does not guarantee your son will be able to do chess in term two. Places are filling up very quickly so try not to leave it too late.

Chess will be run on Wednesday and Thursday. Wednesday chess will begin on 4th of May 2016 and will conclude on the 22nd of June 2016. Thursday chess will begin on the 5th of May 2016 and conclude on the 23rd of June 2016.

Boys will be collected from the co-curricular meeting area in the Llandilo playground and taken to the library for chess. They will then be escorted back to the Llandilo playground where they are to be collected. Boys should be collected by 430pm. Boys who are not collected by this time will be taken to OOSH. If you have any further questions please contact Miss Claire Elliott (celliott@trinity.nsw.edu.au).

CREDIT CARD SURCHARGE

For many years now, the School has accepted credit card payment for tuition and other fees and borne the amounts of the processing charges imposed by the banks and credit card companies on those transactions.

As the use of credit cards has increased, these charges have now become prohibitively expensive for the School.

As a service to our community, we will continue to accept credit card payment, however from the 1st August 2016, the following surcharges will be applied:

- > 0.75% for Visa and MasterCard payments; and
- > 1.25% for American Express and other accepted card payments.

There are no changes to the other payment methods offered by the School. For information on all payment options, please visit the School’s website https://www.trinity.nsw.edu.au/enrol/#fees-payment-options

The savings achieved by the surcharges will be used to support the academic and pastoral mission of the School and contribute to the continued quality of the educational experience for our students.

If you have any questions about this change or any of the payment options available, please email me at cdungan@trinity.nsw.edu.au or phone 9581 6027.

Yours sincerely,

Campbell Dungan | Bursar

DEBATING NEWS

IPSHA DEBATING COMPETITION

Dear Year 5 Boys and Parents,

Thank you for your expression of interest in this year’s IPSHA Debating Competition. Due to the significant number of students wishing to participate, auditions will be held for Year 6 students only.

The House Debating Competition, will be open to both Year 5 & 6 students so that there are opportunities for all to debate.

It is fantastic to see the high level of interest amongst the boys.

Welcome back to Term 2. The Term begins with Round 1 of Winter Sport fixtures for boys in Years 4 to 6. Hopefully you will have received a copy of the fixtures for the term. If not then please let me know and I will send you one, or alternatively, you can pick one up from the school’s office. Please make sure that you check Prep News every week for any changes to fixtures and to confirm your son’s place in a team. All the best to teams this weekend for their first games.

In week 5, the Year 3 Basketball program will begin and run for four weeks. As the program draws closer I will send out more information to parents. The basic details of time and location will be the same as the Football Program from Term 1, Friday afternoons from 3-4:30pm.

In PE, boys in Kindergarten to Year 2 will begin units on Bouncing Skills, while boys in Years 3 to 6 will participating in units relating to Basketball called ‘Nothing but Net’ (Years 3 and 4) and ‘Slam Dunk’ (Years 5 and 6).

The FAST Skills for Term 2 are listed below. Fundamental Movement Skills are critical in your son’s physical development. Please take the time to discuss with him the FAST skills and activities we are doing in class so that you can assist him in any way possible. Spending 15 minutes a day practising these skills with your son will be highly beneficial. Resources for these skills can be found online and if you require further information please feel free to contact me.

Hi everyone,

I can’t even bear to complain about the lunch boxes like I usually do, so let’s just get straight to it.

Mothers, look away now! This is secret father and son business:

> Mothers’ Day Pre-order Packing Day,
  Monday, May 2 from 8am
> Mothers’ Day Stall,
  Wednesday, May 5 from 7.30am

I hope everyone got their pre-orders in? Pre-ordering is the best way to get what you want. PK can only pre-order, so get on that, PK purchasers. (See form at the end of the Prep News). K-6, The stall is on Wednesday, so if you haven’t pre-ordered (if not, why not?) send your pippets along with money. Because not only can you purchase before school, but each class will be visiting the stall throughout the morning.

Another way to get what you want is to come and help out on pre-order packing day. Not only can you cast your eyes over our excellent products, you can help us pack the pre-orders. You: so helpful. Us: so grateful.

We desperately need people to come and help out on the stall on Wednesday. Please contact Class Parent Henchwoman, Mel Willis, on melanie.willis@outlook.com

As the stall is on Wednesday and that is the first Wednesday of the month, we are not having a formal Auxiliary meeting. Rather, what we do is in between serving the boys at the stall we have an informal meeting. So, if the idea of coming to the regular meetings seems too formal for you, come and hang loose at the stall.

See you there,

Elizabeth McMullen | President Strathfield Auxiliary)

TRINITY GRAMMAR SCHOOL SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Preparatory School Strathfield - meet in the Joske Room Strathfield, on odd weeks of term (Weeks 3, 5, 7, 9)

Term 2: May 10, 24, June 7, 21
Term 3: Aug 2, 16, 30, Sept 13
Term 4: Oct 25, Nov 8, 22

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

ABERHART

Three Decades

Former Senior Curator at the Museum of Contemporary Art, Glenn Barkley, will be launching our latest exhibition at Delmar Gallery. All are welcome to join us for the exhibition opening of Aberhart: Three Decades tomorrow afternoon (Sat 30 April) from 3-5pm.

Part of the Sydney-wide Head On Photo Festival, the exhibition is a chance to see a wide selection of Aberhart’s prints from the 1980s to the present. Shot exclusively on a century-old 8” x 10” view camera, Aberhart creates luminous, finely detailed contact silver gelatin prints in a process dating from the early days of film photography. Literally imbued with time, his extraordinary photographs are reflections on transience and endurance.

Amongst the many exhibitions that Barkley curated during his six year stint at the MCA was South of No North: Laurence Aberhart, William Eggleston and Noel McKenna. His research for the exhibition involved travelling to Laurence Aberhart’s studio at the northern tip of New Zealand’s North Island, and sifting through 1800 photographs in Aberhart’s archives. So he is especially well qualified to speak on Aberhart’s photographic practice of the last thirty years, and this will be a great opportunity to hear his insights.

The exhibition will continue until 22 May and the gallery is open Wednesday to Sunday, 12-5pm.

SOCIETY OF THE ARTS | CONCERT

On Tuesday 17 May, 7.30pm, Sydney’s newest baroque ensemble will be performing at Delmar Gallery. Members of The Muffat Collective have recently returned to Sydney after further study and engagements as soloists, concertmasters and in early music ensembles in Europe. The acoustics in the gallery are particularly well-suited to early chamber music, so don’t miss this opportunity to hear superb musicians in a great setting!

Programme: Sonate da Chiesa Op.3 - No.1 in F Major by Corelli; Le Parnasse, ou l’apothéose de Corelli - Grande Sonade en Trio by Couperin; Overture & Trio Sonata, No. 2 in D Major, Opus 13 by Leclair.

Tickets from $20, free for Trinity students and Society of the Arts members.

Ivan Neville works in the Federal Department of Employment. He is currently the Branch Manager, Labour Market Research and Analysis Branch and has responsibility for the analysis of the contemporary Australian labour market and the identification of the current and future demand for skills.

Ivan has also had extensive international experience, particularly in Vietnam and Indonesia working on the development of labour market information systems in those countries. Prior to joining the Department of Employment, Ivan worked in the ABS for many years in a number of economic and labour market areas. Ivan holds a Bachelor of Arts degree and a Graduate Diploma in Demography from the Australian National University

Presentation Summary: Mr Ivan Neville will provide an overview of the key sources of labour market information and the past, present and future trends in the Australian labour market. Drawing on data from the Australian Bureau of Statistics and wide range of research conducted by the Department of Employment, this presentation will also provide information about future job opportunities and what employers are looking for in job seekers. He will provide a practical demonstration of how to use and sources the wealth of available labour market information to help shape career decisions.

Young Archimedes Enrichment Forum
– A Framework for Gifted and Talented Learners

Date: Monday 18th July 2016
Time: 8:00am - 4:00pm
Where: Centenary Centre, Trinity Grammar School Summer Hill, 119 Prospect Road, Summer Hill NSW 2130
Cost: $60 per person

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop extra-curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

Workshop topics to be covered

Workshop 1
Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP).

Workshop 2
A famous Mathematician by the name of George Polya once said, “It’s better to solve one problem five different ways than to solve five different problems.”

Registration Process
To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

Payment of registration entitles students to: Attendance at both workshops, Recess, Lunch and Forum Satchel and Stationery.

TRINITY GRAMMAR SCHOOL
MATHS CLUB
Once again Trinity Basketball will be offering a Winter Basketball Programme, which is open to Junior and Preparatory School boys from Years 4 - 6 who currently play Basketball.

The “Skills and Drills” will be held on Monday mornings from 7.00am – 8.00am in the Trinity Sports Centre during Terms 2 and 3.

The programme will develop shooting, ball handling and passing skills, along with team concepts and game awareness. It is designed for boys who are passionate about Basketball and taking their game to the next level.

Cost

The cost will be $105 for Term 2 (7 sessions) and the Programme will commence on Monday 2nd May and all boys must be registered before the first session.

Transport for Preparatory School Students

Preparatory boys who register for the programme have the option of catching the Trinity bus (to the Strathfield campus). Following training, a member of staff will accompany those catching the bus from the Sports Centre courts to the Trinity bus.

Coaching

Dane Ristovski who was part of the Coaching Staff last year will once again be involved and the very experienced Sam Christodoulides will join him. Both Coaches have been part of Trinity Basketball firstly as a player in the 1st V for multiple seasons and then coaching our A/B Teams from Year 7-10 for the past 3 and 5 years respectively.
