Then I saw “a new heaven and a new earth, “for the first heaven and the first earth had passed away, and there was no longer any sea. I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband. And I heard a loud voice from the throne saying, “Look! God’s dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. ‘He will wipe every tear from their eyes. There will be no more death or mourning or crying or pain, for the old order of things has passed away.” Revelation 21:1-4

Today marks a week since Jordan Liu (6B) passed away after a six week battle with an unexplained illness. Over the last week the Prep School community has come together to begin to grieve the loss of a special young man and one of our Vice Captains.

Trinity focuses on the development of Mind, Body and Spirit. This was absolutely typified in Jordan. His ability to excel in every area of School life was incredible. Whether it was playing the piano or the oboe, competing on the basketball court, his involvement during the lunchtime Christian group or his absolute commitment to his studies…Jordan was involved in everything.

This week the boys and teachers have taken the chance to share stories about Jordan that have made us laugh and cry. We have been supported by one another and comforted by the knowledge that he has gone to a better place as expressed in the words of Revelation 21. Yesterday, the Year 5 and 6 boys, along with the School Leaders from 2015, gathered to take part in a Chapel Service at the Prep School to honour and remember Jordan. Today, many of the Year 6 boys and teachers, gather with Jordan’s family and friends to celebrate his life and to farewell a friend, classmate and student. Our thoughts and prayers are with his family and friends.

Earlier this week we held two parent sessions (one for Years 5 and 6 and the other for Kindergarten to Year 4) focusing on Digital Citizenship and Life Skills. Both sessions were very well attended and provided a great opportunity to strengthen the partnership shared between home and school in the education of our boys. Supporting our boys to become responsible users of digital technologies is becoming increasingly important. It is our hope that together we can provide the structure, support and appropriate opportunities, to allow the boys to be wise and discerning in the way they make use of the resources available to them.

Part of the session was to discuss the Prep School ICT Acceptable Usage Agreement. This is an annual document so that the boys, and parents, are completely aware of their responsibilities when using digital technologies at School. We request that parents complete the form with their son and return it to School by no later than Wednesday 11th May. A hard copy of the agreement has been sent home with every boy but if you haven’t received it you can access it at the following location:

The other focus of the session was our Life Skills programme. We provided some feedback about the boys’ learning from Term 1 about Social Skills. We invite parents to continue to build on the boys’ learning and to take advantage of everyday situations to help the boys to become solution-focused, resilient and skilful in their relationships.

In Term 2, the Life Skills programme focuses on Boundaries and addresses content related to the Child Protection curriculum. To access the Life Skills handout for each year please use the following link and look for the dropdown menu on the right-hand side of the site: http://community.trinity.nsw.edu.au/navbar/student_support/tess.html

If you were unable to attend the parent session, the slides and a video of the presentation can be accessed using the following links:

The Record Book is an important document for each family in the Preparatory School. As a tool for your son, it helps him to organise himself with his homework and provides information on School events and expectations. It is also an effective communication tool.

ABSENTEE INSTRUCTIONS

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone APP and follow the prompts
   (From the APP home page select Preparatory School the select Absentee Form to open the absentee form). Instructions for installing the APP on your phone can be found by clicking here
2. Using the Absentee email address prepabsentee@trinity.nsw.edu.au
   Also, if you wish, you can ‘CC’ the class teacher on this email.
3. Lastly, you can phone 8732 4658 and leave a message with your son’s name and class

from an opposition team should be acknowledged in an appropriate manner.
No player should criticise any teammate and there is to be no swearing
or fighting on the playing field for any reason. All Trinity teams are to be
immaculately turned out in the correct playing strip and non-Trinity items of
clothing are not to be worn.

Team lists are published each week. Please be aware that the coaches have
the final say in terms of team selections. This is quite often a difficult process
and sometimes selectors do get it wrong. Some boys may feel they have
been misplaced. I encourage any boy who feels this way to do his best on
Saturday to play an outstanding game. Consistently strong performance is
the way to show your talent and give the coach the message that you have
been placed incorrectly.

Chris Wyatt | Master of the Preparatory School

Last week was the first week of winter sport and there were some very promising results. Please
ensure that you are aware of your son’s commitment. It is imperative that he is on time to the game, arriving
30 minutes before the scheduled starting time so that an adequate warm up can be undertaken and
instructions can be given by the coach. Please keep in mind that requests for leave for family events
need to be directed to me with sufficient notice so that replacements can be made if required.

I refer all parents and players to the Trinity Grammar School Sport Code of Conduct,
which can be viewed by clicking here. I ask that you reinforce these principles with your son and
uphold them yourselves of a Saturday. At Trinity, we encourage boys to be gracious in winning as well as
in defeat. The shaking of an opponent’s hand at the completion of any game is expected and good play

tool for parents and teachers. Additionally, parents are able to see upcoming Preparatory and whole
School events. Please note the colour scheme for diary entries in the Record Book is; Black – Whole
School, Dark Green – Middle and Senior School, Light Green – Preparatory School, and Blue –
Junior School. I encourage all parents to monitor their son’s Record Book on a regular basis.
HEAD INJURY GUIDELINES

Trinity has clear procedures governing the prevention and management of injuries that occur in sport, co-curricular activities and around school. Managing head injury is an important and often challenging task. Staff members are informed of the procedures pertaining to head injury management via the Coach Handbook, head injury advice cards and in-servicing. The purpose of this piece is to remind you, the members of our community, of the importance of managing head injury appropriately and to inform you about Trinity’s procedures. These procedures are underpinned by a conservative approach.

Below is a truncated adaptation of the Guidelines for Coaches section from our Sport Coach Handbook. The head injury protocol is designed to identify players who sustain possible brain injury, concussion or loss of consciousness and prevent them from exacerbating their acute injury or developing chronic related issues.

Concussion Symptoms

A brain injury is suspected to have occurred if the following signs are present in an individual who has received a trauma:

- unconsciousness
- disorientated
- unsteady on feet
- vague, not focussing, unable to follow conversation
- has a vacant stare
- is complaining of a headache or dizziness/blurred vision
- complains of neck pain or spasm
- complains of weakness in upper or lower limbs
- has unequal pupils (late sign)

If a person is unconscious it should be assumed they have a neck injury. They must not be moved and a call for medical assistance, or for an ambulance, is to be made. This person should be transferred to hospital with a hard cervical collar (only applied by those trained in its application) and spine board. The School has these resources and the School Nurse and Physiotherapists are trained in their use.

Even if conscious, an individual playing sport who complains of neck pain or symptoms of serious neck injury should always be treated with caution and be medically assessed. A call for an ambulance and use of a spine board and cervical collar is required in serious cases.

If an individual playing sport exhibits other concussion symptoms outlined above they need to be assisted to the sideline for medical assistance. If there is any doubt over the symptoms, the management should always be cautious and conservative, medical advice should be gained or, if no medical personnel are present, an ambulance should be called.

Return to play (sport and vigorous activity)

Players should never return to the field of play on the same day if they have had a loss of consciousness or a suspected concussion. Such players need to be assessed for ongoing symptoms of concussion. An assessment should be performed by a suitably qualified medical doctor on the day and again before a decision is made to return to cognitive and physical activity in the subsequent days. The player should report to the School Nurse and coach on the next school day with a copy of the report from the doctor.

Any player who has had a concussion cannot return to high intensity activity, contact sport training or match play unless written medical clearance has been obtained. This clearance is to be shown to the School Nurse, MIC, Director of Coaching and Sportsmaster.

Head Injury Advice Card

Trinity’s Possible Head Injury card lists advice that should be adhered to in the event of head injury in addition to the Graded Return to Play (GRTP) procedure. It can be issued by staff members, coaches, the School Nurse and Trinity physiotherapists in the event of a head injury. However, and most importantly, guidance from a suitably qualified medical doctor is a vital aspect influencing the timing of the return to activity post head injury.

MORE CHINA TOUR REPORTS FROM OUR PREPARATORY SCHOOL TRAVEL CORRESPONDENTS:

I think I have become a thinker and a risk-taker after my trip to China because I have tried different foods that smell weird and taste weird and I have also tried to understand the Chinese culture and their history. This would be a trip never to forget. I also made some new friends from Summer Hill. My favourite experiences were the Terracotta Warriors because it was amazing how many they recovered from under the ground. My other best experience was the Oriental Pearl Tower because I got to overcome my fear of heights. If I could rate this tour from 1 to 10 it would be a definite 10!!!!

When I returned home I said to my parents ‘can our next family holiday be to China?’

So if you are in Year 3 or Year 4 please consider going on the China Trip in 2 years’ time. It will be something you have never experienced and it will be unforgettable.

Louie McCrohon

I think I have become more responsible on the tour. My trip to China taught me a lot about how different China is from Australia in terms of the food and their different lifestyles. My main highlight was at the markets when we were bargaining for different items. We also went to the Great Wall which was so fun even though it rained when we went on the chair lift.

Zethan Zaiter

I think this trip was an amazing experience as it put many of our characteristics and traits to the test and in the end it improved many of our traits especially independence. As it was 10 days with school mates instead of family which felt weird but in the end you got used to it and also it improved communication and social skills as I believe many of us on the China tour made some great new friends and our bonds became closer as friends. Many activities were conducted during this trip such as the Shanghai Oriental Pearl Tower, Terra-cotta Warriors, the Great Wall, our sister school which was so amazing. It is hard to even put into words and much more that I simply can’t put down and explain. But I will admit that the food wasn’t the best but it was ok to eat. It was a great experience and it will always be remembered as a great school holiday. I will definitely recommend this amazing experience to the Years 3 and 4 plus maybe the boys in lower years will want to come but I will have to say it was an amazing trip overall with many exciting and wonderful experiences.

KINDERGARTEN EXCURSION | WARRAGAMBA DAY

Yesterday, Kindergarten travelled out to Warragamba Dam as part of our unit of inquiry into Sharing the Planet. We have been learning about the ways in which we store and share water, and about how we can be responsible about how we use it. The boys were amazed by the immense size of the dam and had lots of fun investigating the vital role that various animals play in keeping our water clean. The day proved very tiring for some, making the bus ride home much quieter than the excited chatter on the way out!
NEW BOOKS

This week we have had a lot of new books join the collection. Three series we hope will be very popular are, the Goosebumps series by R.L Stine, Elephant & Piggie by Mo Willems and The Henderson Boys.

Goosebumps was the recommendation of one of our year six students, Farhan Tamboli. He has been working hard to recommend the series to his friends and the books are proving very popular. If their popularity continues we might have to look at expanding our collection to include the Goosebumps: Most Wanted series. Well done to Farhan for taking action and promoting reading to others.

Our other new series is the Elephant & Piggie books by Mo Willems, the author of Don’t Let the Pigeon Drive the Bus and The Duckling Gets a Cookie. This series features two friends who always seem to get into a pickle one way or another. We are hoping they will prove very popular with our younger readers.

The Henderson Boys, is a new addition to our senior fiction section. This series is set during WWII and features children working undercover to help win the war. These books are action packed and exciting reads. This series is a spin-off of the CHERUB series which has also been added to the collection.

DISPLAYS AND EVENTS

This week we celebrated and promoted two events in the library.

The first was May 4th, otherwise known as Star Wars Day. The boys were very excited to see all the Star Wars books out and ready to borrow. They were also lucky enough to have a lightsaber and figurines to look at. Thank you to Mr. Dunphy for kindly loaning us his Star Wars memorabilia. There were a lot of books checked out and as usual our library monitors had a little fun.

We also celebrated comic books and graphic novels as part of Free Comic Book Day. The boys were also able to create their own comic, colour in comic book characters and make character masks. Library lunch time was a hive of activity with some very enthusiastic boys.

If you have any further questions please contact Miss Claire Elliott (celliott@trinity.nsw.edu.au).

IMPORTANT NOTICE ABOUT OSHCLUB AT THE PREP SCHOOL.

The OSHClub staff report that there’s been a significant increase in the number of Prep boys registered for OSHClub. This registration ensures OSHClub has necessary information for your son to attend the service. Thank you for registering your son even if he only attends occasionally – or just in case!

We strongly encourage you to specifically ‘book’ (www.oshclub.com.au) your son into OSHClub if he attends regularly e.g. certain day(s) each week. This guarantees your son a place in the service and ensures adequate provision can be made for staffing, catering and programming. OSHClub is bound by national laws and regulations. We don’t want to find ourselves in the situation where we are unable to provide Out of Hours Care for any of our families due to over subscription. Pre-booking will help to avoid this.

You are respectfully reminded that TGS Prep playground supervision begins at 8.00am (K-6 on the Llandilo Verandah) each day. Students arriving at School before this time will be directed to OSHClub.

Please ensure that you collect your son from any afternoon co-curricular activities promptly, at the conclusion of the session. If your son is not collected, he will be taken to OSHClub for his safety and well-being.

CREDIT CARD SURCHARGE

For many years now, the School has accepted credit card payment for tuition and other fees and borne the amounts of the processing charges imposed by the banks and credit card companies on those transactions.

As the use of credit cards has increased, these charges have now become prohibitively expensive for the School.

As a service to our community, we will continue to accept credit card payment. However from the 1st August 2016, the following surcharges will be applied:

- 0.75% for Visa and MasterCard payments; and
- 1.25% for American Express and other accepted card payments.

There are no changes to the other payment methods offered by the School. For information on all payment options, please visit the School’s website https://www.trinity.nsw.edu.au/enrol/#fees-payment-options

The savings achieved by the surcharges will be used to support the academic and pastoral mission of the School and contribute to the continued quality of the educational experience for our students.

If you have any questions about this change or any of the payment options available, please email me at cdungan@trinity.nsw.edu.au or phone 9581 6027.

Yours sincerely,

Campbell Dungan | Bursar/Ximenicit, novemiam

YEAR 2 EXCURSION

On Wednesday April 27th, Year Two boys visited Susannah Place Museum. The boys explored a row of terraces in Sydney’s Rocks area. They learned how residents shopped, lived and played in the 19th and early 20th centuries. They put on aprons and pretended to be shopkeepers as they learned about household goods and technologies of the day. Inside the conserved 1844 interiors of the house, the boys discovered the Cunningham family’s household arrangements and imagined how they relaxed and had fun. Finally, they visited the tiny backyard and played a game of quoits.

Thank you to all the Year two boys who displayed outstanding behaviour.

The first round of Winter Sport produced some mixed, but promising results.

In Football, we had a thrilling 4-4 draw in the 1sts against St Pius. After being 2-0 down, the team fought back to 2-2 after two fine goals from Harris Katsianos. After half-time St Pius scored quickly but another Harris goal evened the score. With 5 minutes to go St Pius scored to make it 4-3. The boys weren’t to be beaten with Sebastian Portolesi putting a spectacular strike into the top corner. It was an outstanding team effort with passion and courage, especially given the tough previous 24 hours our Year 6 boys endured. The 2nds showed similar passion when their game was locked at 2-2. Unfortunately when playing for a winning goal, they left themselves exposed and St Pius ran away with a 4-2 victory. Both games made all spectators very proud of our boys. Congratulations to the 11A’s who recorded a strong 5-3 victory, with stand-out performances from Zeithan Zaiter and Louis McCrohon.

In Rugby, it was the first experience of the Rugby 7’s concept. From all accounts it was a positive start to a different form of the game. Congratulations to Harrison Ryan in the Under 11’s team who scored 5 tries over the two games he played. The 11A’s went down to Tudor House 29-22 in what was a tightly fought contest. Well done to the Under 10A’s team who had a tough game against Tudor House finishing 15-15. It is pleasing to see some positive, and the potential for stronger, results in Rugby.

Training for A teams in both Rugby and Football will begin on Tuesday morning. At this stage it will be for boys in the A teams and any other boys who have been asked to attend by the A’s coaches. The training will begin at 7am and conclude by 7:55 so that boys have sufficient time to catch the bus back to the Preparatory School.

All the best to all players and teams for this weekend’s fixtures.

James Bremner | Sportsmaster

Hi everyone,

I want to thank everyone profusely who helped on Monday for the packing day and Wednesday for the Mothers’ Day Stall. Such a helpful, efficient and lovely group of ladies we had on both days. We really can’t manage without such helpers. Having everyone pitch in like that not only gets all the work done quicksmart but is also an opportunity to catch up and have a chat/complain about going to the dentist (or is that just me?).

I’m sure everybody already knows this but let me tell you something about our school. We have a beautiful sense of community and friendship across all years. I feel very appreciative of everyone’s hard work for our boys and support for the Auxiliary. Good on you all, you’re TOPS!

Til next week,

Elizabeth McMullen | President Strathfield Auxiliary
Cubs and Scouts returned to the hall this week after a very active term break. On Saturday 23 April, Ryan Snowsill (7Ho) led six scouts, two cubs and five dads on a successful hike from Wombarra to Thirroul. It was a blustery day with wild seas – fortunately there was no rain but this was made up by the sand and sea spray as the boys hiked into a strong headwind for 8½ kilometers. The seas closed out three headlands requiring Ryan to activate escape routes around the unsafe escarpments. The day was a great success and the milkshake at the end of the hike was a great treat.

ON ANZAC Day this year we had 11 members handing out sprigs of rosemary and collecting donations for Legacy. Over 50,000 sprigs were handed out on the day at the Dawn Service and March. The Cubs and Scouts caught the 6:00am train into Legacy House and over three hours collected $1,580.25 for Legacy. Sarah Hallab from Sydney Legacy said “The volunteers were fine ambassadors for 3rd Summer Hill (Trinity Grammar), and a credit to themselves and their families. Their behaviour and demeanour was exemplary. The enthusiasm of the members of your group was remarkable and the undeniable effort of all volunteers ensured that over 50,000 sprigs of rosemary were provided to those participating in, and those watching the Dawn Service and ANZAC Day March”

This week the Venturers challenged the Scouts to find them in “Sardines” and as patrols the Scouts worked on their menu for Region Camp which is coming up on the June long-weekend.

At Closing Parade this week the following badges were awarded:

> Jakob Anjoul (6Ar) – Pioneer level Patrol Activity, Emergencies and Air Activities
> James Kaye (6Hi) – Pioneer level Patrol Activity, Citizenship, and proficiency in Arts and Collector
> Nathan Anjoul (5Ar) – Pioneer level Patrol Activity and Emergencies
> Nick Magoulas (7Sc) – Pioneer level Patrol Activity and proficiency in Collector
> Ryan Snowsill (7Ho) – Pioneer level Patrol Activity
> Aiden Murphy (7Du) – Proficiency in Animal Keeper
> Cub-Scouts William Brown (4Ta) and Oliver Kreis (4Yo) were both awarded 10km hike badges for their completion of Ryan’s hike.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

SOCIETY OF THE ARTS

ABERHART

Three Decades

In this age where photographs quickly disappear into the oblivion of an image-saturated world, Laurence Aberhart’s photographs quietly endure. Peering through the window into the worlds he records is a process of discovery. With their extraordinary depth of field bringing sharp focus to even the smallest details, they reward slow and intent looking. Writing about Henri Cartier Bresson, John Berger paraphrased him as saying that what counts in a photograph is plenitude and simplicity. In Aberhart’s photography, we encounter this often.

Aberhart: Three Decades is an introduction to Aberhart’s singular artistic vision, comprising over 75 contact prints from 1980 to 2010. Aberhart is one of the few photographers working today using techniques and processes dating from the early years of film photography. The incredible clarity and luminosity of his prints come from using a century-old, 8” x 10” view camera, accommodating long exposure times and creating prints where the large format negatives are placed directly on the silver gelatin or printing out paper, eschewing an enlarger. Added to this is his extraordinary technical prowess.

Being disposed to work in such a slow way suggests his approach to photography is one of consideration, sensitivity and observation. The worlds he invites us to dwell in are often of quiet repose, yet charged with the fullness of lives lived there. New Zealand claims him as their most eminent photographer and essential poet of New Zealand’s past, and from this exhibition it is clear to see why.

The exhibition is part of Head On Photo Festival. Aberhart is represented in Sydney by Darren Knight Gallery. Prints in the exhibition are for sale. Exhibition curator: Catherine Benz.

The exhibition continues to 22 May.

Gallery opening hours: Wednesday – Sunday, 12-5pm.

NEXT CONCERT | THE MUFFAT COLLECTIVE Tuesday 17 May, 7.30pm - Delmar Gallery

Was François Couperin displaying his eccentricity when he composed a programmatic work depicting Corelli, Italy’s most celebrated composer from the seventeenth century, ascending the mythical Greek Mount Parnassus? On his way, Corelli celebrates his artistry with muses, and drinks from the fount of inspiration.

Couperin was a quiet, amiable and indeed, eccentric man! He was also an incredibly influential French composer, organist and harpsichordist of the late 17th and early 18th centuries. He believed, much like The Muffat Collective’s namesake, Mr Georg Muffat, and a growing number of his contemporaries in France, that by uniting the French and Italian styles, he could “make perfection in music.”

Considering his music to be some of the most thoughtful, sensitive and satisfying to be experienced from the period, The Muffat Collective will be performing Couperin’s mythical L’Apothéose de Corelli along with trios by two of their favourite composers: Arcangelo Corelli, the “Orpheus” of his age, and the French lace maker and violinist, Jean Marie Leclair.

Members of the ensemble met in the Netherlands where they were based for several years, studying and performing with Europe’s leading period instrument orchestras. While they play together regularly in the Brandenburg Orchestra and Pinchgut Opera, they were keen to share their passion for and scholarship in the Baroque in a more intimate recital format. This will be their second programme as The Muffat Collective. The acoustics in Delmar Gallery are perfectly suited to baroque instruments with gut strings, so if you wish to hear a sublime evening of music, this is your opportunity!

Young Archimedes Enrichment Forum
– A Framework for Gifted and Talented Learners

Date: Monday 18th July 2016
Time: 8:00am - 4:00pm
Where: Centenary Centre
Trinity Grammar School Summer Hill,
119 Prospect Road, Summer Hill NSW 2130
Cost: $60 per person

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop extra-curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

Workshop topics to be covered

Workshop 1
Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP).

Workshop 2
A famous Mathematician by the name of George Polya once said, "It’s better to solve one problem five different ways than to solve five different problems."

Registration Process
To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

Once again Trinity Basketball will be offering a Winter Basketball Programme, which is open to Junior and Preparatory School boys from Years 4 - 6 who currently play Basketball.

The “Skills and Drills” will be held on Monday mornings from 7.00am – 8.00am in the Trinity Sports Centre during Terms 2 and 3.

The programme will develop shooting, ball handling and passing skills, along with team concepts and game awareness. It is designed for boys who are passionate about Basketball and taking their game to the next level.

**Cost**

The cost will be $105 for Term 2 (7 sessions) and the Programme will commence on **Monday 2nd May** and all boys must be registered before the first session.

**Transport for Preparatory School Students**

Preparatory boys who register for the programme have the option of catching the Trinity bus (to the Strathfield campus). Following training, a member of staff will accompany those catching the bus from the Sports Centre courts to the Trinity bus.

**Coaching**

Dane Ristovski who was part of the Coaching Staff last year will once again be involved and the very experienced Sam Christodoulides will join him. Both Coaches have been part of Trinity Basketball firstly as a player in the 1st V for multiple seasons and then coaching our A/B Teams from Year 7-10 for the past 3 and 5 years respectively.
