It has been a fantastic first week back at school. It is always so refreshing to have the boys arrive back at school, particularly after having a slightly longer break. They have certainly hit the ground running and are already thoroughly engaged in the next Unit of Inquiry.

Over the holidays I had the privilege of traveling to Brisbane along with other members of the Head Master’s Executive for our annual retreat. During our stay we visited a number of other independent schools that provided a valuable opportunity for reflection about what we do at Trinity. This process proved to be extremely affirming. Trinity Grammar School continues to be a leader in boys’ education, driven by our commitment to developing our boys in Mind, Body and Spirit. The time away also provided the opportunity to plan for the year ahead and to consider how we can continue to develop the tremendous educational offerings available to our boys.

It seems timely to remind parents of the importance of working together to ensure the Kiss and Ride area is as safe as possible for our boys. I understand the challenge associated with efficiently picking up and dropping off the boys but urge parents to follow the local road rules and make wise decisions to ensure the safety of our boys. In the mornings our Year 5 ‘Arrival Buddies’ are on hand to support teachers in getting our younger boys to their classrooms safe and sound. Please also be aware that the Police have been patrolling the area in the last week.

I trust that you have had a chance to spend some time reading your son’s Semester Report over the holidays. Over the last year we have worked to develop a more comprehensive suite of reporting tools to ensure that parents are more informed about their son’s achievement as well as being aware of some realistic short term learning goals. To complement the Semester Report, we also provide Interim Reports and evidence of learning via Seesaw and the Unit of Inquiry books. An additional piece of the reporting pie that is still to be added is Student-Led Conferences that will take place on Thursday 1st September. If you have any questions about your son’s learning please do not hesitate to contact his class teacher.

As mentioned above, this term we embark on an exciting new learning initiative, the introduction of Student-Led Conferences. These conferences promise to be an exciting opportunity for boys to share their learning with parents within the context of their classrooms. Over the last 12 months we have been working with the boys to develop a strong sense of ownership of their learning and to deepen their reflection about their learning. During the conference the boys will highlight their areas of growth and development as well as sharing their future learning goals. From my personal experience, Student-Led Conferences are often very special moments for boys and parents as they have the rare opportunity to sit and talk about learning without interruption.

Next Wednesday, 27th July we will be conducting a Parent Information session focusing on Student-Led Conferences. The goal of the session is to provide some context for parents prior to the conferences that will occur on the afternoon / evening of Thursday 1st September, so that parents understand the role they can play to enhance the quality of the conference. We would appreciate parents indicating their intention to attend by completing the RSVP that can be found at this link. Please be aware that the information session is only for parents.

At the information session we will also provide an update on the extremely important Life Skills programme. We will share the boys’ reflection from the Term 2 programme that focused on ‘Boundaries’ (otherwise known as Child Protection) and look ahead to the upcoming programme for Term 3 that focuses on ‘No Bullying’. The purpose of these updates is to equip parents with...
knowledge of what the boys have been (and will be) learning so that this can be consolidated and supported at home.

This term we have a few minor staffing changes. Miss Jessica Li has joined the Prep team to cover the absence of Mrs Angela Kuo who is taking two terms of well deserved long service leave. We also welcome Mr Max Subba Row, our new Resident Junior Master (Gap Student). Finally, Mrs Cassandra Katic has joined our Pre-Kindergarten team as an additional Teacher Aide.

Congratulations to the Combined Rugby and Football teams who completed another successful North Coast Tour at the end of last term. This tour is quite an experience for the boys as they are involved in several matches across the week as well as being billeted by a host family from one of the participating schools and sleeping in shared accommodation at the schools. The boys took part in a number of fun and enjoyable activities in each town and were fine representatives of the School. Particular thanks go to Mr Bremner and Mr Gannon, along with Mr Allum and Mr Borger from the Junior School, who accompanied and coached the boys on tour.

It has also been extremely encouraging to receive updates from parents about the wonderful individual achievements of our boys over the holidays. We certainly have a very talented and diverse student population!

Term 3 promises to be a busy, exciting and rewarding term for all members of the School community. I look forward to interacting with you at various upcoming events.

Chris Wyatt | Master of the Preparatory School

**WELCOME TO OUR 2016 ANNUAL GIVING APPEAL**

Our Annual Giving Appeal provides an opportunity for all members of the Trinity community to invest in the school and all gifts are greatly appreciated. There are a number of ways you may choose to give towards the ongoing development of the School. Please click on the icon to the right for more information about our Annual Giving Appeal.  

Stephen Heanly | Director of Community Relations
Dear Parents,

Please note TEC classes commence Monday 25th July.

The Trinity English Centre (TEC) offers specialist, skills based English lessons in a small group environment at the Preparatory School. The TEC is primarily for students who have English as an additional language or dialect, who need additional support with their language acquisition.

If you wish to enrol your son in the TEC, please complete the online enrolment form using the following link: https://www.trinity.nsw.edu.au/trinity-english-centre/

You will then be sent a payment link. All payments are to be made using credit card only.

Please note that classes will commence at the beginning of week 2 – Monday 25th July. The schedule for groups is included below:

Fabienne Arora | Director of TESS
The Year 6 boys will be participating in a very special celebratory event in Term Four - the Primary Years Programme (PYP) Exhibition. We would like to encourage the School community to attend our 6th PYP Exhibition on the evening of Wednesday 19th October, so please add the date to your diary.

As a PYP school, the International Baccalaureate requires us to put on an exhibition of the students’ work in the final year of the PYP. Exhibition is a collaborative experience between students, teachers, parents and the school community that incorporates the essential elements of the PYP and is designed to celebrate the transition of learners from their Primary school into Middle and Secondary school.

The PYP Exhibition is an opportunity for each Year 6 boy to demonstrate the concepts, skills, knowledge and attitudes he has gained throughout his participation in the PYP. During the lead-up process, each student, in consultation with his teachers, will design and develop an inquiry project based on local real world issues. This investigation will be related to a common Central Idea, written and shared by all Year 6 students. The boys will then be required to formulate their own questions, conduct research, collect data, analyse and develop their own solutions/responses to their chosen issue. Their findings and the action the boys have taken will be presented in the Exhibition itself. The PYP Exhibition incorporates a variety of disciplines and may include written and oral presentations, aspects of technology, artistic interpretations and performances.

We would like to remind Year 6 parents that there will be an information evening at 6:00pm on Wednesday 10th August in the Mozart Room.

Please click on the following link to RSVP

http://goo.gl/forms/dsKECD4XKOJlzGHA3

We encourage all parents of Year 6 students to attend this event in order to support your child in this important process.

Richard Lever | Director of Curriculum
WINTER SPORTS

Over the holidays I have been participating in the inter-schools races for skiing. I want to thank the boys in the Trinity race team for all of the hard work and training they have put into while they have been racing this season. We need to thank the teachers for all of their support in preparing the boys. Mr Yarad and Mr Waters made a significant difference to the winter season.

This season I have trained from race gates in the morning to tips for my technique in the afternoon. The training has paid off because I was fortunate enough to qualify for the State Championships in 4 events – Boarder Cross, Boarder Alpine, Ski Cross and Alpine.

Louis McCrohon

TRINITY GRAMMAR SCHOOL
SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Preparatory School Strathfield - meet in the Joske Room Strathfield, on odd weeks of term (Weeks 3, 5, 7, 9)

Term 3: August 2, 16, 30, September 13
Term 4: Oct 25, Nov 8, 22

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

CREDIT CARD SURCHARGE

For many years now, the School has accepted credit card payment for tuition and other fees and borne the amounts of the processing charges imposed by the banks and credit card companies on those transactions.

As the use of credit cards has increased, these charges have now become prohibitively expensive for the School.

As a service to our community, we will continue to accept credit card payment. However, from the 1st August 2016, the following surcharges will be applied:

- 0.75% for Visa and MasterCard payments; and
- 1.25% for American Express and other accepted card payments.

There are no changes to the other payment methods offered by the School. For information on all payment options, please visit the School’s website https://www.trinity.nsw.edu.au/enrol/#fees-payment-options

The savings achieved by the surcharges will be used to support the academic and pastoral mission of the School and contribute to the continued quality of the educational experience for our students.

If you have any questions about this change or any of the payment options available, please email me at cdungan@trinity.nsw.edu.au or phone 9581 6027.

Yours sincerely,
Campbell Dungan | Bursar

AUTHOR VISIT

On Wednesday the 29th of July, Trinity Preparatory School will be welcoming the author Nick Falk and the illustrator Tony Flowers to the school.

Nick Falk has four series of books available for children aged 6 to 10 Saurus Street, which is about time travelling dinosaurs; Billy is a Dragon, about shape-shifting were-beasts; Samurai vs Ninja, full of shuriken-filled battles; and the How To series, which is about kids getting horribly lost in history.

Tony Flowers loves to draw and is an internationally acclaimed illustrator and artist. His drawings are loved in Japan for their detail and humour and he has won an award in the USA for his street chalk-art. His most highly valued prize to date has been from the Oshima Picture Book Museum in Toyama, Japan, for his handmade pop-up book Gaijin Holiday.

Our guests will be presenting for an hour to boys in years 2, 3, 5, and 6. Boys will have the opportunity to meet the authors and ask questions. If boys would like to purchase any of the books they will need to return the order form that will be sent home this week.

LIBRARY CLOSURE

The library will be closed on Tuesday 26th July. Year 6 is participating in Write a Book in a Day for the duration. We apologise for the inconvenience caused.

PREMIER’S READING CHALLENGE

The PRC closes on the 19th August, 2016. If your son is participating in the challenge, his reading log needs to be completed by this date. We currently have 29 students who have completed the challenge and 63 who are working towards completing the challenge. We hope this last group will be able to finish in time.

BOOK WEEK

As part of Book Week the library will be hosting the Scholastic Book Fair. We are currently searching for parent volunteers for the any day (800am-910am and 230pm-400pm) during the week beginning the 22nd August, 2016. If you are available to help during any of these times please contact the library either via email (celliott@trinity.nsw.edu.au) or in person.

Claire Elliott | Teaching Librarian

CHESS NEWS

Chess (Years 3 – 6) is now open for Term 3 enrolments. Chess as a co-curricular is run on Wednesday and Thursday from 3:15pm-4:30pm. If you would like your son to participate please register using the Trinity Online Community Directory. Chess enrolments will close on Monday the 25th July 2016.

For those boys who have enrolled, chess begins in Week 2.

If you have any questions or queries please contact Claire Elliott (celliott@trinity.nsw.edu.au).

Claire Elliott | MIC Chess

CHESS COMP:
Trinity Preparatory School Primary Chess Challenge.
Date: Friday 5th August
Time: 3:30pm – 6:30pm

Our first Primary Chess Competition will be held in Term 3. This will provide all Primary boys the opportunity to test their Chess skills in a competitive format.

Eligibility: players must be able to play Chess and be in Years 3 – 6.
Venue: Prep Library

Prizes:
> Every participant will receive a certificate.
> A Trophy for both the Junior (Years 3-4) and Senior (Years 5-6) Individual winners
> Chess Junior Division (3-4) House Trophy
> Chess Senior Division (5-6) House Trophy

NB: all trophies will be presented at the Preparatory School Annual Prize Giving

The deadline for entries will be Wednesday 3rd of August at 3pm. Please click here to register your son.

If you have any questions please email Mrs Margaret Rees, MIC Chess Competitions email mrees@trinity.nsw.edu.au.

Margaret Rees | MIC Chess Competitions

NOTICE TO PARENTS Before + After School Care and Vacation Care.

Please register your son with our outside of school hours care provider, OSHClub. Registration is free and helps in the smooth running of the programme. For more information and to register your son visit www.oshclub.com.au

Margaret Rees | MIC Chess Competitions
Welcome back to an exciting Term of Music-making here at the Preparatory School.

AMEB

If your son has been given an application form to sit an AMEB in October, please return the completed form to Mrs Trynes by Friday 29th July so that all entries can be submitted together.

SYDNEY EISTEDDFOD

Congratulations to Edison Alamsyah 4P who was awarded the following results at the Sydney Eisteddfod playing piano held over the holidays and we look forward to hearing Edison perform in the coming weeks at Chapel.

First prize

Second Prize
Event 233-19th Century Piano playing Chopin’s Nocturne in C Sharp Minor.
Event 234-20th Century Piano, playing Debussy’s Reverie.

TRINITY SINGERS

A reminder that Wednesday rehearsals begin at 7:30am for the remainder for this year. Thursday and Friday rehearsals times remain at 8am. Please can all students be on time for these rehearsals.

Geraldine Campbell | Director of Preparatory School Music

Welcome back to Term 3. The Term begins with the final 3 rounds of Winter Sport fixtures for boys in Years 4 to 6. Please be sure to check Prep News each Friday for confirmation of the fixtures for the Saturday morning.

Tuesday the 2nd of August is the annual Prep and Junior School Combined Athletics Carnival for boys in Years 3 to 6. You will have received a note via your son or in an email from me. Please return the slip at the bottom of the note to your son’s teacher by Friday the 29th of July. The carnival is a fun day for all. It is a great chance for all boys to participate and earn house points. In the 800m event, boys will be selected and asked to participate based on their efforts and results during PE. Parents are welcome to attend the carnival but are asked to remain off the track at all times. Boys who are successful at this carnival will be selected for the school team to compete at the IPSHA carnival.

This week boys were asked to choose their sport for Term 4. As we are a member of IPSHA and compete against other IPSHA schools, we enter teams based on numbers. It is difficult to change the choice of sport once we are entered in a competition. Changes will only be made in extenuating circumstances with approval from Mr Wyatt and myself. I thank you in advance for your understanding.

Finally, the Year 3 Sport Cricket program will begin in week 5 as per the record book. The program will run for four consecutive Fridays from the 19th of August until Friday the 9th of September. As with the last two terms, the program will be held at the Summer Hill campus and run from 3:00-4:30pm. A note with these details will come home shortly.

Wishing all boys and teams a successful Term of sport.

James Bremner | Sportsmaster

What an exciting morning we had in Year 3 on Wednesday morning! As a provocation for our unit of inquiry- ‘Who We Are’, the boys had the opportunity to identify, handle and dissect some offal. We had a few brains, a heart, some lungs and a liver.

The Central Idea for this unit is ‘Informed choices and effective interactions between body systems contributes to health and survival’. We will be inquiring into the function of our body systems, the connection between them and the causes of certain illnesses. It was certainly a memorable start to the day!

Mr Bacon, Mrs Collins and Miss Perdikos | Year 3 Teachers

images: Who We Are Provocation 1: Mitchell Bowden, Ryan Nguyen, Hugh Darlow, Rehaan Tamboli, Atul Kolla. Who We Are Provocation 2: Nikhil Akula, Lachlan Hovilai, Nathan Lam, James Cicuta
Hi everyone,

I hope everyone enjoyed their holidays, because they are but a distant memory for us here at the Auxiliary and we are right back into it!

This term we have a whole heap of stuff going on. Here are the highlights:

**WALKATHON MEETING**

The Walkathon is back on! What a time we had last year! It’s not till Wednesday, September 9 but we have to get ready starting from...NOW. So, we are having a Walkathon meeting next Wednesday, July 27, straight after drop off, venue TBA. If you are interested in helping out please email me (lizmcmullen@yahoo.com) so I can get back to you with the venue. Or just hang around outside the office next Wednesday and I will scoop you up for the meeting.

Reminder: the Auxiliary AGM is on Wednesday, August 3. The Auxiliary needs you, the school needs you, the boys need you. I. NEED. YOU! First of all we need a minimum of ten parents to attend the meeting so that we have a quorum. Without ten parents we can’t hold the meeting and if we can’t hold the meeting then... I’m not actually sure what happens but the resulting rift in the time/space continuum cannot be good. We are also still looking for more people to come and fill some of the positions that will become vacant at the AGM. Don’t be scared, leap in and make a very valuable contribution to the school and the boys (if I say so myself!). Contact me if you want me to talk you through it - see email address above. See you at the AGM.

Then, of course, Book Parade is Wednesday, August 26 and the Fathers’ Day Stall is the next Wednesday, August 31. I hope you’ve blocked out all your Wednesdays for the foreseeable future.

Til next week,

Elizabeth McMullen | President Strathfield Auxiliary

---

**RUGBY CLINIC TERM 3 2016**

**Date** Term 3 | Commencing Friday 22nd July

**Time** 15:45 to 17:00

**Location** No 3 Oval | Summer Hill Campus

**Cost** $125

Dear Parents,

‘Primary Rugby Clinic’ will be running again in Term 3. The clinic is open to Preparatory and Junior school boys in Years 3 to 6.

There will be a clinic offered on Friday afternoons (3.45pm-5pm) on Oval 3 of the Summer Hill campus. It will commence in Week 1 of Term 3, Friday 22nd July and run for the Term, concluding Friday 23rd September.

A minimum of 12 boys will be required for each session to run.

The clinic will develop handling skills, evasive footwork, spatial awareness and game sense. The training is designed to be fun and fast with the emphasis on non-contact skills and modified contact games. The program will be delivered by Mr. Jack Farrer, an old boy who has coached at Sydney Premiership First Grade and National Rugby Championship levels.

The cost of the Rugby Clinic is $125 for the term.

Payment for this activity is required prior to attendance. Please note prep school boys may have to make their own travel arrangements, as spaces on the bus to the Summer Hill campus are limited. Boys should wear any school sports clothing and bring mouth guards and boots.

If you require any additional information, please contact Lachlan White at lwhite@trinity.nsw.edu.au or Jack Farrer at jfarrer@trinity.nsw.edu.au

TRINITY GRAMMAR SCHOOL

In 1914, James Fardoulys (1900-1975) boarded a ship from Greece to join his uncle and other Kytherians working in Australia. A century later, Dean Manning (b1964) took this journey in reverse, to immerse himself in the culture of his father’s homeland. The Air is Free connects these two artists’ stories, setting in dialogue a new series of paintings completed in Athens by Manning, and a selection of paintings by James Fardoulys from 1961 to 1971, many never previously exhibited in Sydney.

In a kitchen in Athens in 2016, Dean Manning mixed traditional Greek pigments to etch out fragments of Athenian life: portraits of rembetiko singers from the 1920s, graffiti and street protests, smoke and conversation in cafes, refugees arriving in Onassis’ port, Ariadne’s thread and the Minotaur. His paintings and video animation find their way beneath the surface of Greek culture. Like Fardoulys, Manning is part of the Greek diaspora and a self-taught painter, arriving at painting through his music (by way of album covers for his bands Leonardo’s Bride and Holidays On Ice).

The Air is Free brings together Manning’s imagined Greece with Fardoulys’ imagined Australia.

Dean Manning’s works are for sale, price list available on request –email delmargallery@trinity.nsw.edu.au

The exhibition continues to 31 July (Wednesday – Sunday 12-5pm).

One of Spain’s great classical guitarists, Ricardo Gallén, will be coming to Australia next month for the Adelaide Guitar Festival.

Before he performs as soloist with the Adelaide Symphony Orchestra, he will be giving a special recital in Sydney for Trinity’s Society of the Arts. The program will be focussed on Latin American composers, including a piece written especially for him by Cuban composer Leo Brouwer, plus works by Agustin Barrios, Antonio Lauro and the much-loved “Prelude No. 1” by Heitor Villa-Lobos.

Born in Linares, Spain, Gallén began playing classical guitar at the age of four, performing in public just a year later. At the age of ten he entered the Conservatory of Music in Cordoba, embarking on a career which has taken him to the great concert halls of the world. In 2009 he was the youngest professorial appointment at the Franz Liszt Academy in Weimar.

Proudly presented by Trinity Grammar School’s Society of the Arts in association with the Cervantes Institute and the Adelaide Guitar Festival.

When Tuesday 9 August, 7.30pm
Where Orchestra Room, Roderick West School of Music
Tickets $20 concession / $30 full. Free admission for Trinity students and Society of the Arts Members.
Bookings click here to book now
Concert duration approx 60 mins (no interval)
Listen online: Ricardo Gallén playing Three Spanish Pieces by Emilio Pujol - https://youtu.be/BJB9o480Hts

THE MATHEMATICS CLUB MATTERS - MAJOR PRIZE DRAW

The Mathematics Club Matters competition has been very popular and it was pleasing to see there were many weekly submissions to and interest in the problems from our boys and parents interested in experiencing Mathematics. The Mathematics Club appreciates the generosity of our sponsors and support for this competition. It now gives me great pleasure to announce Joshua Perera (7La) as the major draw prize winner for the Whitsun Term. You too may be a winner this term, so get your entry in this week for a chance to win.

YOUNG ARCHIMEDES MATHEMATICS ENRICHMENT FORUM REFLECTIONS A Framework for Gifted and Talented Learners

Trinity Grammar School hosted an exciting initiative to welcome 150 young students from gifted primary through to Year 9 who are able or interested in mathematics and its applications from across thirteen different schools at its recent “Young Archimedes Mathematics Enrichment Forum – A Framework for Gifted and Talented Learners” on Monday 18 July 2016. This event was supported by Mensa Australia, Inquisitive Minds, Gifted Families Support Group Inc. and Smarter Puzzles.

The Forum provided an opportunity to develop extra-curricular activities for young students and specifically focused on a range of teaching and learning ideas in a workshop format. The Forum also aimed to provide students with worthwhile mathematical tasks to develop skills, concepts and enhance motivation in a number of topics.

The programme content during the day included:

> Learning about learning to think mathematically;
> Learning to work in a team;
> Learning mathematical skills in Problem Based Learning;
> Learning to develop patience and persistence in problem solving;
> Learning to appreciate the consequences arising from technological developments;
> Learning to develop creativity in problem solving;
> Learning to develop peer tutoring relationships between mentors and mentees that can lead to a developmental process of best practices for students working and learning together;
> Learning to directly engage students in mathematical materials and give them opportunities to achieve a level of mastery.

The more specific aims of the enrichment day included:

> to give all Student’s a chance to learn, network and share their learning in the friendly environment of a school setting;
> to give the Students an opportunity to assist in “real life” educational opportunities learned in class;
> to develop outreach and create opportunities in understanding about new ideas, in promoting best practices in Mathematics.

The students from a variety of schools enjoyed working with each other in providing mentoring opportunities with worthwhile mathematical tasks to develop skills, concepts and enhance motivation in the following two workshops on:

> Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP)

Students were immersed in mathematical and logical thinking as they learn and utilise foundational and advanced problem solving strategies. The students participated in an interactive lesson on problem solving strategies including ‘logical reasoning’, ‘look for a pattern’, ‘draw a diagram’ and ‘make a list’. Students learned to consider multiple perspectives on how to solve problems and then practise selecting and applying the best strategies. They worked cooperatively as they attempted challenging and stimulating questions from our diverse range of original hands-on problems in a creative construction competition.

> A famous Mathematician by the name of George Polya once said, “It’s better to solve one problem five different ways than to solve five different problems.”

Students in this workshop explored a range of strategies to solve challenging problems related to number, algebra and geometry. Students had an opportunity to extend on the problems presented and challenge their thinking to pose intriguing problems for others to consider. Students were placed in groups to compete against others (sometimes under timed conditions). The workshop provided students with opportunities to share ideas, revelations and discoveries, and be proud to say at the end of their experience that “Mathematics is beautiful”.

It was great to see young students engaged, enthusiastic and full of energy. Special thanks to Edward Habkeuk who presented two, three-hour workshop sessions and was assisted by Janet Wonders, Don Kesby, Shane Scott and Les Rogerson. I would also particularly thank the Year 10 mentors, who included Jonno Batson (10WH), Jayann Chen (10Ta), Darren He (10La), Flynn Inness (10Mu), Justin Kim (10He), Adam Nazha (10Mu), Nicholas Perera (10La), Steven Serb (10Ar), Nicholas Testa (10Mu), Joseph Wang (10WJ) and Jonathan Zheng (10WH) for their outstanding leadership effort in engaging with their groups and helping to run a very successful Mathematics Enrichment Forum.

Some of the beneficial aspects of the Mathematics Forum included:

> Interactive and group centered sessions with other students.
> Ability and opportunity to meet students from other Schools.
> Open discussion opportunities.
> Great information given by presenters.
> Opportunities to network and a focus for future gifted and talented directions.
> The opportunity to meet, share and exchange ideas.
> Round table conversations during the interactive sessions.
> Hands-on things and scenarios for specific learning areas.

Some feedback responses from the Mathematics Enrichment students:

> Well organised and communicated.
> Catering was of extremely high quality. Great variety and quantity.
> Service and facilities were first class.
> Thank you for a great day and excellent concept.
> An inspiring enrichment day.
> I am very lucky to have had the opportunity to attend.
> I could not have suggested a better venue on all grounds.
> I enjoyed the Trinity location experience.
> Enjoyed the day incredibly.
> Can we please have more?
> Thank you so much for a wonderful learning experience.
> Well done and thank you for a great experience and opportunity.
> Location and hospitality were excellent.
> Learned so much and enjoyed myself.
> It was a real pleasure to attend such a well thought out and organised day. I have attended many such days and this was by far the best value day for all that attended.
> Very well organised and worth the effort.
> Hope to see this concept continue next year.
> Looking forward to having more of such valuable opportunities.

I am hoping that in the near future we can all again contribute to the next phase in supporting students through the provision of good induction and mentoring, because a successful mentoring partnership is a career development experience to be enjoyed.

Thank you to our sponsors: Mensa Australia, Inquisitive Minds, Gifted Families Support Group Inc. and Smarter Puzzles.
WINTER BASKETBALL SKILLS AND DRILLS 2016 TERM 3
CO-CURRICULAR PROGRAMME YEARS 4-6

Once again Trinity Basketball will be offering a Winter Basketball Programme, which is open to Junior and Preparatory School boys from Years 4 - 6 who currently play Basketball.

The “Skills and Drills” will be held on Monday mornings from 7.00am – 8.00am in the Trinity Sports Centre during Term 3.

The programme will develop shooting, ball handling and passing skills, along with team concepts and game awareness. It is designed for boys who are passionate about Basketball and of taking their game to the next level.

Cost

The cost will be $120 for Term 3 (8 sessions) and the Programme will commence on Monday 25th July and all boys must be registered before the first session.

Transport for Preparatory School Students

Preparatory boys who register for the programme have the option of catching the Trinity bus (to the Strathfield campus). Following training, a member of staff will accompany those catching the bus from the Sports Centre courts to the Trinity bus.

Coaching

Dane Ristovski who was part of the Coaching Staff last year will once again be involved and the very experienced Sam Christodoulides will join him. Both Coaches have been part of Trinity Basketball firstly as a player in the 1st V for multiple seasons and then coaching our A/B Teams from Year 7-10 for the past 3 and 5 years respectively.
