It has been another busy week in the Junior School and the boys are continuing to meet the many learning opportunities, sporting commitments and specialist lessons with positive attitudes. It continues to be a wonderful part of my day greeting and observing the boys as they come through the front door every morning. A particular high point is the happy faces of our K – 2 boys. Their boundless energy and happy dispositions are infectious. Well done boys!

Today, the Junior School Cross Country Championships were held here at School. The weather was magnificent and the boys displayed excellent house spirit. Congratulations to the following Age Champions; 8/9 Years – Hussein Naji, 10 Years – Thomas Ferguson, 11 Years – Will Cooper , 12 Years – Thomas Buvac.

It is a busy Trinity weekend, with the Year 3 Cricket Gala morning to be held at Bressington Park between 8:00am – 11:00am tomorrow. Boys should wear their green PDHPE shorts and their house T-shirt. The boys have been working hard, and it should be an excellent start to the weekend. On Sunday at 10:00am in the War Memorial Chapel, we have the Family Service for Latham and Founder’s Houses. The Choir have been working hard and will bring us two anthems, which always adds a very dignified depth to our worship.

Due to the success of the CAS Swimming and Diving teams the Head Master has once again arranged for a half day on the last day of this term, Thursday, 2nd April. Mr Hassall will send home details next week, however, please see the adjusted bus times further in this newsletter.

Next week there is an opportunity for those who have booked a time to come and be part of the Parent/Student/Teacher Conferences. This is a great chance to spend time with your son, listening to his learning, his general progress here at School and his goals as we move ahead with the year. I trust that parents will find this time informative and another chance to act in partnership in the education of your sons.

Congratulations to Year 5 on an excellent play performed in the recently renovated Latham Theatre on Tuesday afternoon. The play, “Social Skills”, was the culmination of the work the boys have done during their Unit of Inquiry, “How We Express Ourselves”. I have received lots of positive feedback from boys, staff and parents. At Trinity, as we continue to refine not only our pedagogy, but also the depth of inquiry learning that takes place, the boys of Year 5 are to be congratulated for their application during this first unit of inquiry.

I am looking forward to spending time with our boys and families from Latham and Founder’s Houses on Sunday morning at our Family Service. These services are always a time of encouragement and reflection.

YEAR 3 EXPLORING THE DIGESTIVE SYSTEM

Throughout Term 1, Year 3 have been investigating and researching the Human Body with a particular focus on the Digestive System. As part of the Unit of Inquiry, Who We Are, the boys were asked to draw, design and construct a model of the Digestive System using an array of materials collected from their own home environments and beyond. The boys constructed a replica model of the digestive system incorporating as many technical components as possible and labelling each part. This project provided an excellent opportunity for the boys to be inventive and creative. Many boys also provided an explanation for each section. The quality of models was exceptional and the boys proved to be organised and responsible in the construction of their models. The boys should be congratulated on their efforts.

AUSTRALIAN GOVERNMENT ASSISTANCE FOR NATIONAL CAPITAL EXCURSION

Students from our school have recently undertaken an educational tour of the national capital. While on this tour they participated in a variety of educational democracy.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To assist you (the parent) in meeting the cost of the excursion the Australian Government is contributing funding of $20.00 per eligible student under the Parliament and Civics Education Rebate programme toward the travel expenses incurred. The contribution will be paid directly to the School upon completion of the excursion.

We would like to thank the Australian Government for their support of this programme.

The excursion was a rewarding experience for all students.

Mrs Carolyn Tran
President of the Junior School Auxiliary

A huge thank you to the anonymous parent who handed in my wallet on Friday morning (which had fallen out of my overfilled bag)! It made my day and saved me an enormous amount of stress and worry. It is good to know that there are still honest people around. I have left a small token of appreciation at the Junior School reception. Thanks again,
Annette Smith

PYP INFORMATION SESSION

The Primary Years Programme prepares students to become active, caring, lifelong learners who demonstrate respect for themselves and others and have the capacity to participate in the world around them. It focuses on the development of the whole child as an inquirer, both within and beyond the classroom.

Do you want to learn more about the Primary Years Programme at Trinity? Do you wish to understand how your son learns through the PYP framework? How does the School still meet NSW Board of Studies (BOSTES) outcomes? How does the PYP differ from more traditional curriculum models? What does a transdisciplinary programme cover? What is the Learner Profile and the 5 Essential Elements of the PYP? What is conceptual learning? These are just some of the questions that will be answered as part of our ongoing commitment to our community of learners. We are planning a PYP information session for new parents to the school and any other interested parents who would like to learn more about the PYP. It will be an opportunity for you to ask any questions that you may have about the PYP and curriculum at Trinity. We would like to encourage as many parents as possible to attend this session. The session will be held on the following date: Thursday March 26th 2015 in the Junior School Library from 4:30 – 6:00pm.

Please email Merilyn Ormes email mormes@trinity.nsw.edu.au if you intend on attending.

SUMMER SPORT WRAP UP

It has been a wonderful term of summer sport commitments over the past 6 weekends. Trinity’s Basketball teams have been very successful and the cricket teams are continuing to build in strength and accuracy across batting and bowling. As mentioned numerous times the softball team has had a fantastic term with only one defeat in round 4. Thank you to the internal and external coaches for their professionalism and support throughout the season. In Week 10 we will present our best and fairest and encouragement award winners for this team.

CIS SWIMMING AND DIVING

Yesterday I had the pleasure of convening the CIS Swimming Championships at SOPAC Aquatic Centre. In next week’s newsletter I look forward to listing full results for the Diving team from the carnival as I know that our boys had a fantastic term with Zachary Nguyen finished a brilliant 3rd in the 9 Years 50m Freestyle qualifying him for the PSSA Championships next week.

YEAR 3 GALA DAY

A reminder to parents that tomorrow (21st March) is the Year 3 Cricket Gala Day. It starts at 7:45am and should conclude by 10am. Attendance is compulsory for all students.

CUB AND SCOUT NEWS

Trinity Cubs and Scouts have been busy having fun and learning new skills in the last two weeks. Last week we honed our skills in knots by constructing a flag pole that floats in the air! Using ropes and small poles we practised the round lashing, clove hitch and rolling hitch.

A great app on knots and lashings is “Knots 3D” which has animations of how to tie the knot and you can change the speed as well as rotate the knot around as you would in your hand.

This week was a small group with most of the Scouts on Service Week. We had a special guest Spencer McDonald from Southern Cross Equipment and Trek and Travel to show the Cubs and Scouts, and some parents, the equipment that should be taken on a hike and how to pack and wear your backpack so you are most comfortable. Spencer was a Cub, Scout and Venturer and outdoor education teacher. The skills he learnt in Scouting have helped him in his career and he has led four trips on the Kokoda Track and five trips to the base camp of Mt Everest along with many other adventures. The expert knowledge that Spencer has was appreciated by all who were present. Some of the things the Cubs and Scouts learnt were:

- the importance of layering, including wearing two pairs of socks, to keep moisture away from your skin
- wearing sturdy shoes that have solid ankle support – at least two lace holes above the ankle
- using the waist belt to carry the load of your backpack so the centre of weight of your backpack is close and mostly above your hips
- that by not having the right gear your hike will not only be uncomfortable but could also be dangerous.

Trek and Travel supply equipment to the School for the Duke of Edinburgh Award Scheme and have a generous in-store discount to current Trinity families – just have your son bring his student ID when shopping.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those inter meet in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

YEARS K TO 12 FOOTBALL CLINIC
APRIL SCHOOL HOLIDAYS

The School will be promoting a Technical Brain Centred Approach with our young players allowing for ball mastery and the awareness and vision to formulate the visions of what they are going to do next. These qualities must be prioritised in our coaching work with young players as the latest literature is highlighting. The level of instruction will be appropriate for the age of the boys so that they gain the knowledge, confidence and experience to ensure success and enjoyment. Notably, all boys will have a wonderful opportunity to play on our synthetic surface and Indoor Football surfaces.

Our coaching staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 NSL games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
