Parents and Friends of the Junior School

Despite the inclement weather on Saturday, the Year 3 Cricket gala day was a great spectacle. It was excellent to see the participation levels of the boys and the way that they encouraged one another. As Term One draws to a close I would like to congratulate Year 3 not only for the gala day but also the manner in which they have begun their time as a Primary School student. In the short space of nine weeks, they have participated in swimming assessments, managed new learning experiences in Mandarin, Christian Studies, Art, Music and P.E., and also settled into their classes with each other and their teachers. Well done Year 3!

May I take this opportunity to remind us all of the importance of safe and careful driving in the carpark. Whilst the carpark does get busy at times, it provides excellent assistance to parents, as the boys can be dropped off and picked up under the direct supervision of staff. Please continue to work with us as we put the boys into the cars, and remember to stay in your car at all times whilst in the pickup line.

Congratulations to the Choir who performed two items at our Latham and Founder’s House service last Sunday. The items were a perfect mix of contemporary and traditional songs. The Choir always add depth and meaning to our times of worship. I had an overwhelming feeling of pride for our boys at the high standard to which they performed. Singing is such a wonderful gift and the Junior School Choir continues to produce fine singers, who work together and, as was heard on Sunday, sing in a joyous and heart-warming manner.

Tomorrow, a selection of Junior School boys will compete at the IPSHA Cross Country Championship at the King’s School. There are several hundred competitors from both Boys’ and Girls’ Independent Schools and this Championship event is a highlight in the IPSHA Calendar. The grounds of The King’s School provides a challenging course and I am sure our boys will give a good account of themselves.

Tomorrow, Years 4-6 will have Winter Sport trials at Bressington Park. Please refer to the Sports master’s section of the newsletter for further details. There has been an air of excitement in the last two weeks as the boys have pulled on the Football or Rugby boots. I would like to wish all boys well as the trial for Football, Rugby or AFL.

Finally, I would like to remind the Junior School Community that Term Two commences on Monday 20th April. All boys K-6 will need to be in Winter Uniform. Please remember that the Panama Hat is part of the School uniform and continues to be worn to and from School all year round.

DEBATING NEWS

After a great win last week against Villa Maria at St Joseph’s Hunters Hill, Trinity hosted the fifth round of the ISDA Debating Competition on Friday 20th March 2015. The primary teams competed against boys from Sydney Grammar in a challenging debate on the topic – That all primary school children should watch the news.

Juno Yim, William Martin, Joshua Perera and Ahmad Hijazi were arguing the affirmative side. With only an hour of preparation, they developed a very convincing case based on the relevance and importance of the news to children’s development. In particular they argued that watching the news helps children gain conversation skills, would set children up to be informed high school students and would open children’s eyes up to the world.

The Grammar team countered with the fact that the news is often inappropriate for young children and that they would be better off gaining this information from parents or teachers; and that the increasing sensationalism and bias in major news programs diminishes their value as pieces of information.

In a very close decision the adjudicator awarded the debate to Sydney Grammar due to the fact that their arguments were more detailed and thus more convincing than Trinity’s. The Trinity boys were gracious in defeat, but should be proud of their tremendous effort. All speakers are improving every time they debate. Their ability to specifically target the opposition’s main points in their rebuttals was outstanding this week. Adding further examples to our own points will be an area we continue to focus on in training and future debates, and I look forward to watching the boys’ continued progress throughout the season.

A special thanks to all the parents for their wonderful support on Friday night and to this week’s reserves Gabriel Booth and Christian Becvarovsky who filled in the Chairperson and Timekeeper roles with professionalism and style.

This week, we host Tangara for round 6 of this challenging and rewarding debating competition.

CYBER SAFETY @ TRINITY

Being a Good Bystander Webinar

On Thursday 19th of March, students in Years 4-6 interacted in a real time webinar entitled Being a Good Bystander. The presenter, Mrs Kellie Brinell, facilitated an online forum where students around Australia could discuss the scenarios presented and post their questions and responses. The session predominantly focused on the role of the bystander and encouraged students to consider the impact of their actions when posting photos and comments online.

Year 6 Cybersmart Presentation

On Friday 20th March, Year 6 participated in their first of many cybersmart sessions which focused on the school’s duty of care when using technology. Students were introduced to various IT systems including tools at Trinity to monitor network access and the volume of data collected. The boys then discussed the controversial metadata retention laws currently being considered by the Federal Government. Overall this was a very productive and informative session that raised a lot of debate afterwards!

CANBERRA EXCURSION - YEAR 6
Year 6 went to Canberra from Tuesday 10th of March until Thursday 12th of March last week, in preparation for our next UOI based on Australian Government. We bunked down at the Eaglehawk motel.

We went to Zone 3 (laser tag), in which we all enjoyed targeting the teachers. We also had a great time going to Questacon, interactive science museum where the highlights were freefall and the Earthquake room. Of course there was some educational experiences too, like Parliament House, the War memorial, The National Education Centre and the National Museum as well.

At parliament house we had a mock passing of a bill regarding free wifi on public transport, and had a mini election at the electoral office, in which the candidates were orange, apple, peach and banana. The oranges were juiced, the peaches squashed, the bananas were mashed and the apples were victorious.

Overall, this trip was extremely enjoyable for all. It was a great way to spend time with friends, get to know everyone a little better and learn about our Nation’s Capital, Canberra.

Joshua Perera and Ahmad Hijazi

AUSTRALIAN GOVERNMENT ASSISTANCE FOR NATIONAL CAPITAL EXCURSION

Students from our School have recently undertaken an educational tour of the national capital. While on this tour they participated in a variety of educational democracy. The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To assist you (the parent) in meeting the cost of the excursion the Australian Government is contributing funding of $20.00 per eligible student under the Parliament and Civics Education Rebate programme toward the travel expenses incurred. The contribution will be paid directly to the School upon completion of the excursion. We would like to thank the Australian Government for their support of this programme. The excursion was a rewarding experience for all students.

YEAR 3 CRICKET

It was a very successful day for the Year 3 Cricket gala day last Saturday. Aiden Murphy finished 8th in both springboard and platform for the 12 Years and Ben Cameron in the 11 Years, came a very pleasing fifth. Thanks and praise must also be given to Mr Martin Lang for his coaching and management of the boys.

THE LONDON KLEZMER QUARTET:
Delmar Gallery, Tuesday 24th March, 2015.

The London Klezmer Quartet, consisting of Ilana Cravitz, (violin), Indra Buraczewska, (bass), Carol Isaacs, (accordion) and Susi Evans (clarinet), gave a wonderfully spirited recital at Delmar Gallery last Tuesday evening. Despite the inclement weather, the Gallery was packed, and the very receptive audience was not disappointed.

The change of orientation of the performers and audience in the gallery worked marvelously, allowing a much fuller sound to be directed towards the listeners, and making one think that there were more than four musicians on stage.

The music was a mixture of traditional and more modern Klezmer styles. Separated from, but not entirely divorced from traditional Jewish liturgical music, Klezmer is characterised by its expressive melodies, with reference to the flourishes of the human voice. There is a high Eastern European influence, especially from Romania, but the music has no definite geographical restriction. Much of the Klezmer archive disappeared during WWII, but painstaking work by its devotees has now rediscovered many of the lost works.

The concert was made of both traditional and more recent pieces including a joyous rendition of a Klezmer Waltzing Matilda! All the performers were able to showcase their particular talents, and it was evident that a truly collaborative rapport exists between them. Some of the pieces played were Ahavorabo, a call to prayer, Bosphorus, a 1920s piece, a reworking of Louis Armstrong’s Let My People Go, and some Romanian/Bulgarian pieces such as S’iz Nito, and Norge-Bulgaria, the latter played in the very obscure 10-11 time signature.

While generally an instrumental evening, in keeping with the roots of Klezmer, there were also some vocal pieces, utilizing the incredible voice of Indra Buraczewska, which included the haunting Yiddishe Soldataz du Forst, a lament for a lost love from the eve of WWI.

All in all, it was a most enjoyable evening, with the audience unable to contain themselves from joining in with clapping and foot tapping whenever possible. A most polished group in a lovely setting: what more pleasant way could one while away the time on a Sydney evening.

YEARS K TO 12 FOOTBALL CLINIC
APRIL SCHOOL HOLIDAYS

The School will be promoting a Technical Brain Centred Approach with our young players allowing for ball mastery and the awareness and vision to formulate the visions of what they are going to do next. These qualities must be prioritised in our coaching work with young players as the latest literature is highlighting. The level of instruction will be appropriate for the age of the boys so that they gain the knowledge, confidence and experience to ensure success and enjoyment. Notably, all boys will have a wonderful opportunity to play on our synthetic surface and Indoor Football surfaces.

Our coaching staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively.
