Parents and Friends of the Junior School,

As I reflect on the term, I am pleased with the way the boys have stepped up and met the demands, challenges and indeed joys of being a successful student. I am impressed as I observe how the boys have made a determined effort in these past few weeks, on the sporting field, as well as the various specialist lessons they undertake each week.

We have now completed several weeks of winter sport trials, and I would like to thank the parents for having the boys ready and well turned out at Bressington Park. I encourage the boys to continue with their own personal fitness levels over the holidays and to make the most of any opportunity to be active. We will need to field competitive sides during the winter season.

The Junior School boys have achieved some outstanding sporting results this week.

Last Saturday, the IPSHA Cross Country was held at The King’s School. Congratulations to William Cooper and William Martin for proceeding to the next level of the CIS Cross Country. Well done boys!

On Wednesday, the youngest members of the Junior School enjoyed an Easter Hat Parade held in the Junior School. My thanks to parents and staff who always ensure that the boys enjoy themselves. This was a special time for all, especially the boys.

Yesterday, the finals of the 2014 Head Master’s Dash were held on the Athletic track on number 2 oval. Congratulations to Riley Janjis (5Yo) for his success.

On the last weekend of the holidays, a combined Rugby squad from both campuses will leave for Armidale. They will be participating in a round robin tournament at The Armidale School. With over 40 Schools competing this year, the competition is certain to be fierce and we wish them every success in their games.
A reminder that from the beginning of Term Two all Junior School boys will wear their winter uniform. Please ensure that both the shorts and blazer are clearly labelled. The Winter Uniform is a very smart look, and it will be good to see the boys looking the young gentlemen that they are as they move around the campus. I would also like to remind all boys that the Panama Hat is part of the School uniform and should be worn to and from School every day of the school year. Whitsun Term commences on Monday, 20th April.

I would like to record my thanks to the Auxiliary for the farewell afternoon tea that I was honored to attend on Tuesday afternoon. It was a wonderful chance to interact with parents and my deepest thanks for all those who were able to attend. As this is my final newsletter article as Master of the Junior School, I would like to wish the boys, staff and parents all the very best for the future. It has been a pleasure being a servant of the School here in the Junior School in these past years.

I would like to acknowledge the fine man that Mr Dunn is and I am sure that the Junior School Community will flourish under his Godly leadership. I would like to conclude with one of my favourite passages from the Bible.

“May the Lord bless you and keep you;
May the Lord make his face shine upon you and be gracious with you;
May the Lord turn his face toward you and give you peace.”

Numbers 6:24-26

MAKING CONNECTIONS!

Junior School teachers and some budding scientists from Grades 5 and 6 joined the Senior School at a very special guest lecture by Dr. Phil Boughton from the University of Sydney. He is a cross between a scientist and an engineer and is a rising star in the field of artificial medical implants. He showed a moving video of a teenager with Dystonia, a neurological disorder that severely impedes body movement. Dr Phil and his team developed a deep brain electrical stimulation device that helped the young man go from hardly being able to walk to taking a driving test in just over one year (and he passed). Junior School students lead the way with lots of excellent questions after the talk. Dr Phil said he was very impressed by the School and would love to come back again.

The Junior School After School Swimming Programme will be closed in Term 2 due to refurbishment of the Swimming pool. The swimming programme will reopen in Term 3, 2015.

CHESS NEWS

The boys in the Junior School Chess Club have dedicated each Tuesday lunchtime this term to developing their skills at cleverly commanding the army of sixteen pieces, on a board divided into sixty-four squares.

Did you know the number of possible ways of playing the first four moves for both sides in a game of chess is 318,979,564,000? Through some wonderful coaching the boys have learnt many things about; The King, Check and Checkmate, The Queen, The Rook, The Bishop, The Knight, The Pawn, Promotion En Passant and Castling to name a few.

Next term the following boys will be playing each Friday in the Primary School Chess Teams Competition, commencing Friday Term 2 Week 2. As soon as the draw becomes available I will send it out to parents. Chess coaching will continue each Tuesday lunch throughout Term 2.

Wishing all of these boys the very best for the Competition.

ART CAMP 2015

TUESDAY 16TH - WEDNESDAY 17TH JUNE

Only 32 places are available on this camp for years 5 and 6 boys. Book early to secure a place.

This is an amazing experience, and one the boys who attend this camp will never forget. Every year the boys tell us that it is the best camp they have ever been on. They even love the food! The Bundanon Trust specialises in Visual Arts and innovative environmental education. Students will explore a range of media in workshops inspired by the landscape.

Bookings will open shortly on the On-line Community Directory page The cost for this camp is $280 and covers the bus, overnight accommodation, meals on Tuesday evening; breakfast and lunch on Wednesday and the workshops run by artists and educators.

On the first morning students will experience the story of Arthur Boyd and his family through a visit to Bundanon Homestead and Arthur Boyd’s Studio. This is followed by a drawing workshop led by the Education officers. In the afternoon students will transfer by coach to the magnificent Riversdale Education Centre on the Shoalhaven River, where the evening art activities will be run by our staff. On day two the artists and education officers will conduct sculpture and environmental art sessions before we depart after lunch for the return journey.
CELEBRATORY AFTERNOON TEA FOR MR SIMON KELLY

On Tuesday we held a celebratory afternoon tea for Mr Kelly to show our appreciation for his service and commitment to the Junior School during the past seven years. Under Mr Kelly’s faithful leadership, the school has continued to grow and prosper.

I’m sure you all have fond recollections of Mr Kelly in the many faceted role of Master of the Junior School, from supporting the boys at Bressington Oval, during Saturday Sport, and even flipping a few eggs and pieces of bacon on the BBQ to playing the French Horn with the Band at the Junior School Evening of Music. My particular favourite, which will be my lasting memory of Mr Kelly, is of the Book Week celebrations when he dressed as Max from ‘Where the Wild Things Are’, completely decked out in his own onesy.

On behalf of the Junior School Community I would like to wish Mr Kelly well as he returns to the Secondary School to take up his new responsibilities. He has lead our boys well, showing by example the fine qualities we hope for in our sons.

MOTHERS’ DAY DINNER – FRIDAY 1ST MAY

This year, the Mothers’ Dinner will be held East Phoenix Chinese Restaurant on Friday 1st May. Treat yourself to a great ladies night out! Come and catch up with your Trinity friends, and make some new ones too. All Trinity ladies welcome – mums, aunties, grandmothers and other friends of the school. Tickets are available for $55 via the School’s website.

Please do not hesitate to contact me if you have any questions about the Auxiliary.

FROM THE SPORTSMASTER

FAREWELL MR KELLY

Mr Simon Kelly has been a wonderful ambassador, coach and supporter of all aspects of the Trinity Junior School sports programme and will be greatly missed. He has regularly put time aside to attend weekend games and support our students as they represent the School in many different arenas both at Bressington Park and other venues. This year along with the Deputy Master Mr. Hassall, he has been out in the field with Years 5 and 6 teaching them fundamental movement skills and offering outstanding encouragement to our boys. On behalf of the Junior School Sporting fraternity including staff both internal and external, and along with all the boys, we thank Mr Kelly and wish him all the very best in the future.

IPSHA CROSS COUNTRY

Last weekend the 2015 IPSHA Cross County Championships was held at The Kings School in Parramatta. This course often provides many challenges due to the undulating nature of the course and the difficult terrain the boys run over. I am very pleased to announce that Will Cooper and William Martin both in Year 6 have qualified through to the CIS Championships at Eastern Creek. His is a tremendous achievement as there are up to 200 boys in each age category at the IPSHA Championships.

WINTER SPORT TRIALS AND FIXTURES

It was a great turn out to Bressington Park on the weekend for the winter sport trials. I had the pleasure of assisting in the coaching of the 10 Years football group and was very pleased with their ball skills and team work. Mr Alagna (MIC Rugby) and Mr Borger (MIC Football) have been working very hard with the respective coaches to formalise teams. We will endeavour to have these locked into place by Wednesday of Week 1, Term 2. All boys in the 1sts, 2nds and ‘A’ teams will be required to commence compulsory Tuesday morning training in Week 2. All boys this week have received the fixture sheets for Terms 2 and 3 sport. May I encourage you all to plan the weekends in advance as many games are in other areas of Sydney.

REGIONAL SCHOOLS FUTSAL CHAMPIONSHIPS

On Thursday 26th March, Trinity competed at the Regional Schools Futsal Championships in Marrickville. Four teams of eight players were entered from Year 3, 4, 5 and 6. These were combined teams from the Preparatory and Junior Schools. Boys were selected from the Year 3-6 Co-curricular Football programme which occurs each Monday and Friday morning. Selections for this programme were at the start of term IV last year. The next trial selection for this programme will be in Term IV of this year. Dates and times for this will be communicated through the School newsletter.

U13 DIVISION - TRINITY WHITE TEAM

The boys got off to a great start with a 1-0 win in game one after some passionate defence and a nice goal from Alexander Page (5Sc) which found the bottom corner. The second game marked an improvement in structure and positional play from the boys. Some terrific shots at goal were taken by Anton Borodin (5Fo) and James Kaye (5Hi), but they were unable to beat the keeper. Our goalkeeper, Omkar Pednekar (5La) also made some excellent saves of his own to keep us in the match, which finished at 0-0. Determined to get back on the winner’s list in game 3, the boys displayed resilience after going down 1-0. Some exciting attacking play from Rhys Williams (5Yo) and a great goal to Sami Hatoum (5Hi) levelled the scores at 1-1 another draw for the team.

There was a real buzz in the air approaching the final two matches of the day as all teams were still in with a chance of making the finals. Game 4 brought us another fine goal from Sami Hatoum and fantastic solo efforts in defence from Anton Borodin. Our structure and whole-team defence fell away as the boys chased the victory. A flurry of late goals from the opposition resulted in a lopsided score line of 5-1. With a finals spot looking out of reach, the boys of Trinity White were determined to go out on a high regardless and improve on the result from game 4. Some neat passing play from Phillip Manuli (6Ta) enlivened our attack, while some wonderful solo runs and team leadership from Kurtis Castorina (6He) kept us in the contest right to the end. A couple of late goals to the opposition led to a 2-0 loss for our team, although our improved performance was recognised by all.

Jonathon Borger | Coach

U13 DIVISION – TRINITY GREEN TEAM

Throughout the day the team set a goal to keep possession for longer than any opposition we came up against. Short passes, movement off the ball, playing the ball to feet, and using the keeper as another outfield player helped the team achieve this. This in turn lead to the best football at the tournament and to the team not losing a game in the pool stages. After comfortably topping the group, Trinity were unlucky to lose 2-1 in the semi-final after going down 1-0 up against Laguna School. Two direct long passes from defence on two separate occasions (something we had tried to avoid all day), resulted in the Laguna target player intercepting the ball and finishing a one on one against our keeper. Although the team lost in the semi-final against an older team, they should be more than proud of their overall footballing performance.
performance throughout the day. It was obvious to see that if they continue to work on team possession and individual skills, they will return next year and have a great opportunity to do well at the tournament.

Daniel Creasy | Coach

U10 DIVISION - TRINITY WHITE TEAM

After a disappointing forfeit in the first game, the boys were determined to make the most of the day’s remaining games. In the first game we took the lead early but ended up going down 2-1 after 2 brief lapses to a disciplined Laguna Street PS team. In our next 2 games we had dominant wins against two teams from Claremont school 3-0 and 4-0, where some excellent Futsal was played to expose the other teams’ weaknesses. In our final game we took the lead again but went down convincingly 3-1 to Clovelly PS, again after some lapses. Overall it was an enjoyable day had by all. Good Futsal was played at times and it was nice to see us take the lead in every match we played. Unfortunately we were unable to maintain our consistency and composure throughout the whole game against tough opponents. Mentions go to Hussein Naji (4Fo) for consistency and outstanding reading of play, Nicholas Stojkovic (4Fo) and Isaac Wyatt (4Hi) for joint top goal scorers with 3 each and Christian Falato (4Yo) for most improved.

James Bremner | Coach

U10 DIVISION - TRINITY GREEN TEAM

The Trinity Green team showed a lot of enthusiasm and determination to get some great results over a hectic morning. This enthusiasm showed what a group of young boys can do when working together as a team, this was shown in their second game with a thumping 5-0 win, as well as a come from behind draw in their first game. Notable performers included Marcus Smith (3Hi) in goals, as well as Lochlan Demark (3Ta), Stefano Furlan (3Hi) and Indiana Murphy (3Ta) although all boys should be commended on their efforts.

Chris Shelston | Coach

Well done to all players for the way they represented Trinity on the day and thank you to the coaching staff for their effort on the day.

Luke Gray | MIC Football

2015 HEAD MASTER’S DASH

RUGBY CLINIC | FRIDAY AFTERNOONS

Dear Parents,

‘Junior Rugby Clinic’ will be running again this term; the clinic is open to Preparatory and Junior school boys in Years 3 to 6. The clinic will be held on Friday afternoons from 3:45pm to 4:55pm on Oval 3 of the Summer Hill campus. It will commence on Friday 1st May 2015 and run for the remainder of the term.

The clinic will develop handling skills, evasive footwork, spatial awareness and game sense. The training is designed to be fun and fast with the emphasis on non-contact skills and games. The program will be delivered by Josh Clark, an ARU Level 2 coach. Josh has worked with the senior and junior school rugby teams for the past 4 seasons, prior to this he played professional rugby in the UK and was involved with England schoolboys.

The cost of the Rugby Clinic is only $100 for the term. If you would like your son to join please fill out the registration form. This can be accessed by visiting the home page of the Junior and Preparatory school websites and clicking on the ‘Rugby clinic’ link.

Payment for this activity is required prior to attendance. Please note Preparatory school boys may have to make their own travel arrangements, as spaces on the bus to the Summer Hill campus are limited. Boys should wear any school sports clothing and bring mouth guards and boots.

If you require any additional information, please contact Lachlan White lwhite@trinity.nsw.edu.au or Josh Clark on coaching@nolimitssports.com.au.

Kind Regards,

Lachlan White | MIC of Rugby

On Thursday 19 March, Trinity boys competed in the Regional Rugby sevens. The were two teams which competed, an Under 10 team and an Under 12 team. There was tough competition for both teams. The Under 10s side enjoyed playing, in what for many boys, was one of their first rugby matches. The Under 12s did exceptionally well, winning the overall competition with a win over Newington in the final, 28-0. The under 12s will be competing in the next round which is the NSW finals, against other schools across NSW. This day wouldn’t have been able to happen without the help of coaches Mr. O'Young and Mr. Alagna, and the parents who came to support the team.

The following boys competed in the Regional seven’s:

Under 10s:

Under 12s:
Sebastian Boffa, Thomas Buvac, Jack Casimir, Tomas De Szeoke, Harrison Evans, Hunter Hannaford, Antonio Lazzaro, Darcy Mooney, Joshua Perera, Max Ryan, Jacob Stark, Thomas Yarrow and Juno Yim

This last weekend Adrian McManus (7He) joined James Hull (9WH) and four other scouts in James’ Adventurer Chord Hike from Epping to Circular Quay. Using the skills learnt at scouts, James planned the hike including mapping, organising camp sites, preparing menus, undertaking risk assessment and preparing a route plan for each leg of the hike. Leaving straight after school on Friday the Scouts met at Summer Hill and caught the train to Epping. From Epping it was into the Lane Cove National Park and hike to Pennant Hills. The second day the scouts travelled down the Great North Walk to the Lane Cove Tourist Park, before continuing on Sunday for the remainder of the Great North Walk back to Circular Quay in the city and returning to Summer Hill at 3pm on Sunday. There were challenges along the way with two scouts withdrawing part way though and a new scout being brought into the hike so they could maintain minimum safe numbers as they were walking without direct adult supervision. The scouts also had to cope with navigating in an area that was not familiar to them as well as cook and prepare all their meals. The overall hike distance was 35km.

By completing the journey, James was able to achieve his Adventurer Level Campcraft Badge and on presentation of his report will be eligible for the green Adventurer Level Lanyard, which is the equivalent to the old Class 1 Hike Award for Scouts.

By undertaking the hike with James, Adrian completed his Explorer level hike as well as receiving milestone badges for 50km hiking and 10 nights camping qualifying him to attend the Australian Jamboree in January 2016. Adrian also completed his Explorer Citizenship badge at Scouts thereby being awarded the blue Explorer Level Lanyard.

B-R-A-V-O-O-O to James and Adrian.

Trinity Cubs and Scouts finished the term with a great Easter challenge. Buckets of Easter eggs were placed on the hallowed turf of the Quad. The Cubs and Scouts had to use the resources of the Scout storeroom combined with the skills learnt this term to retrieve the buckets without damaging or touching the grass. Some practised coiling and throwing a weighted rope to drag the bucket, while others lashed poles together to reach and lift the bucket from the Quad. It was a great night with plenty of fun and lots of easter eggs to share at the end.

Scouts will now break for the Easter Holidays returning Tuesday Week Two of Term Two.

Upcoming activities include Operation Rosemary in support of Legacy on ANZAC Day, a water safety afternoon at Leichhardt Pool on 2 May, International Scouting’s Jamboree on the Trail (JOTT) hike including a night-time high-ropes course the following weekend, and the Region Camp on the June long weekend.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

YEARS K TO 12 FOOTBALL CLINIC
APRIL SCHOOL HOLIDAYS

The School will be promoting a Technical Brain Centred Approach with our young players allowing for ball mastery and the awareness and vision to formulate the visions of what they are going to do next. These qualities must be prioritised in our coaching work with young players as the latest literature is highlighting. The level of instruction will be appropriate for the age of the boys so that they gain the knowledge, confidence and experience to ensure success and enjoyment. Notably, all boys will have a wonderful opportunity to play on our synthetic surface and Indoor Football surfaces.

Our coaching staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield's Sports High and Trinity Grammar School respectively. David played well over 300 NSL games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
