Dear Parents and Friends of the Junior School,

It was an exciting time for our K-2 students and teachers as they hosted some very special guests this morning. Thank you to all the Mums (and Nanas and aunts) who helped celebrate Mothers’ Day by joining us in our assembly singing, visiting our classrooms and sharing morning tea. The boys love and benefit so much from family involvement in their schooling and this morning was a wonderful gathering in the life of our school community.

There was also great excitement on Thursday afternoon as we were joined by another set of visitors, all notable explorers, many who had travelled from faraway places and times long ago, to entertain and educate Year 4 parents and friends. Characters such as Marco Polo, Shackleton, Hillary, Cousteau, Da Gama and many others enlightened us on their sea, space and ground-breaking adventures, their achievements and their struggles. Congratulations to 4A and 4M for bringing us sights, sounds and smells from around the world as a culmination of your enquiries.

On Thursday evening another important, although somewhat smaller gathering occurred in the form of the Junior School Auxiliary Meeting. It was wonderful to have the chance to meet with those in attendance and I commend and thank all members of the Auxiliary, under the leadership of Carolyn Tran, whose commitment to our School provides many opportunities for the boys and the community. I encourage all parents, even if you are unable to make the meetings, to support the initiatives of the Auxiliary in their efforts to raise funds for and develop community within the Junior School. Even if you can only offer a couple of hours on the Bressington BBQ, your contribution will be greatly appreciated.
After the disappointing cancellation of all games last Saturday, fingers are crossed for tomorrow which now marks the beginning of Saturday inter-school winter sport competition. If you did not take up the encouragement to re-familiarise yourself with the responsibilities of spectators outlined in the Trinity Sport Code of Conduct, please do so before tomorrow’s games (http://www.trinity.nsw.edu.au/global_docs/sp_code_of_conduct.pdf).

Class, individual, family and some co-curricular photos will be taken by Melba Studios on Monday throughout the morning. Boys are encouraged to ensure that their uniform, hair, shoes and smiles are perfect on the day. Parents who wish to purchase photos can do so directly from Melba – details have been provided by class teachers and are included in this edition.

The availability of Chromebooks and other technologies has been an important development in the way students can access the curriculum, investigate and approach learning opportunities. It also gives students the opportunity to practice communication skills in electronic formats and develop and demonstrate responsibility in doing so. Our older boys have access to email for the purpose of submitting work, sharing documents and developing these communication skills. It is an expectation that the boys use email solely for work purposes when at school and not to contact other people outside of school, including parents. Please support this by refraining from emailing your sons during the day.

Happy Mothers’ Day to all the Trinity Mums on Sunday – I hope your sons, daughters and husbands seize the opportunity to spoil you as a small thank you for the way you regularly spoil them!

Mark Dunn | Master of the Junior School

### ABSENTEE INSTRUCTIONS

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone APP and follow the prompts (From the APP home page select Junior School the select Absentee Form to open the absentee form). Instructions for installing the APP on your phone can be found by [click here](http://www.trinity.nsw.edu.au/global_docs/sp_code_of_conduct.pdf).

2. Using the Absentee email address jsabsentee@trinity.nsw.edu.au

   Also, if you wish, you can ‘CC’ the class teacher on this email.

3. Lastly, you can phone 9581 6144 and leave a message with your son’s name and class

The Trinity Ball is happening again in 2015!

You are warmly invited to join us for a memorable evening enjoying fine food, drinks, live entertainment and dancing by the water at Lilyfield.

Gather your friends together and come along to what promises to be a social highlight for the school community.

Date | Saturday 13th June 2015
Time | 7:00pm for 7:30pm
Venue | Le Montage | 38 Frazer Street Lilyfield NSW 2040
Tickets | $150.00 per person
Tables | 10 people per table
RSVP | By Friday 29th May 2015 | Click here to RSVP now
Dress | Black Tie or Lounge Suit

We look forward to seeing you there!

Trinity Parents & Friends Association
COMIC ILLUSTRATOR MARCELO BAEZ AT ARTHUR HOLT LIBRARY

On Wednesday, a group of Year 6 boys had the privilege of attending a presentation at the Arthur Holt Library by Marcelo Baez, a graphic designer and comic book illustrator who has created work for clients including Marvel, Time Inc. and Scholastic. The boys began by enthusiastically exploring the spaces and collections in the newly renovated Senior School Library, commenting ‘I can’t wait to be in high school!’ Following this, Marcelo gave a half hour presentation incorporating process and design tips, publishing tips and images of some of his most well-known characters in different states of design. Marcelo generally uses the computer and a Wacom pen for his original workups, and then finishes the colouring by hand with watercolour paints. The boys were excited to be given a sneak peek of some of Marcelo’s unpublished works in progress, including a movie-tie in comic book titled ‘Gish’ and a Greek mythology inspired comic series. Thanks to Arthur Holt Library staff for hosting us, and to Miss Caitlin for organising Marcelo to present as part of Trinity’s celebrations of free Comic Book Day.

PREMIER’S READING CHALLENGE 2015

A letter has been sent home this week with information for all parents regarding the Premier’s Reading Challenge this year. All boys are invited to register and participate in the PRC, by reading books from the PRC booklist and completing an online reading log. The Challenge encourages students to read more and read more widely, and closes on 21 August. The boys who successfully complete the Challenge will receive a certificate. Some boys have already registered and are well on their way to completing the Challenge ahead of schedule! If you have any questions about the Challenge or would like your son to be registered, please contact Miss Gratton in the library (jslibrary@trinity.nsw.edu.au) to request a login and password.

Gillian Gratton | Teaching and Learning Librarian
YEAR 1 CENTENNIAL PARK EXCURSION

In their unit of inquiry, Year 1 students are investigating flora and fauna. Our Visual Arts excursion to Centennial Park gave the boys a fantastic opportunity to explore the characteristics of living things in the wetlands and bushland. We also had the opportunity to see an injured young bat rescued that day in the park. She was due to go to the animal shelter for recovery and will later be returned to the place where she was found.

The park education organised a number of exciting exploratory activities. Luckily the rain was light and our safari sessions in different parts of the park were successful. The boys loved using nets to gather and investigate the form of creatures found in the water on the banks of the river. The trek into the rainforest to see the bats was quite an adventure with some large puddles of water to negotiate on the trail. The bug collecting activity in the bushland area was a huge hit with the boys. They found slugs, woodlice, centipedes, worms, millipedes, spiders and, surprisingly for this time of year, one boy found a ladybird. This in particular was just the sort of activity that boys love!

After lunch the really messy art session provided the boys with an opportunity to use clay combined with natural objects found in the environments to create creatures. They decided which habitat would be best for their creations and left them in the park for others to find and enjoy.

Ronnie Pratt | Visual Arts Teacher

INFANTS ART CLUB TERM 2

Together with one Year 3 big brother our Year 1 and 2 boys have created a wire animal form and spent a fun time using plaster bandage to cover their sculptures. Infants Art club has been a big success and there will be more opportunities later in the year for our boys to spend time immersed in artmaking at an after school club.

Ronnie Pratt | Visual Arts Teacher
BRESSINGTON BBQ

The BBQ will be up and running this term during winter sport games at Bressington Oval. It would be appreciated if every parent could donate their time at least twice during the season. As the saying goes, many hands make light work! The BBQ is one of the Auxiliary’s main fundraisers for the year and it can only be a success with your support. Please email Carolyn with your availability. carolynjtran@hotmail.com

AUXILIARY MEETING

Thank you to everyone who attended the Auxiliary meeting. It was a great opportunity to meet Mr Dunn in a relaxed and informal setting.

MOTHERS’ DAY STALL

Thank you to our wonderful mums who gave up their time to help on the Stall. Your support is greatly appreciated. My special thanks to Renee Jomaa and Bibi Kaleel who sourced the gifts and oversaw the running of the stall. The boys put a lot of time and effort in selecting their gift. I wish you all a Happy Mother’s Day for Sunday.

Please do not hesitate to contact me if you have any questions about the Auxiliary.

Carolyn Tran
President – Junior School Auxiliary

CHESS NEWS

Last Friday the boys participating in Round One of the Primary Schools Chess Teams Competition did themselves and their school proud. They demonstrated good sportsmanship and perseverance during the games. This week the teams will compete at the following schools:

- Division IW1 – Abbotsford Public School (330 Great North Road Abbotsford)
- Division IW2 - Abbotsford Public School (330 Great North Road Abbotsford)
- Division IW3 – Wilkins Public School (115 Cambridge Street Stanmore)

Wishing all the teams the best for Round Two!

Marilyn Ormes
MIC Chess

DEBATING NEWS

It is a big week for debating in the Junior School this week, with the ISDA team advancing to the finals!

This evening, they are travelling to Redlands to compete in the first round of the ISDA Finals. As I mentioned in previous articles, the ISDA competition is extremely challenging and it is such a wonderful achievement to have made the finals. The boys’ enthusiasm, dedication and talent have enabled them to have this success.

Next week we host MLC for the first round of the IPSHA Debating competition. The boys are preparing two teams (one affirmative and one negative) to debate the topic: That television is the enemy of family life. Throughout this term, I look forward to expanding the debating program to include some additional boys from Year 6, and introduce a selection of Year 5 students to debating as they work towards participation in house and inter-school debates.

I am sure everyone will join me in wishing the team the best of luck for tonight’s debate against St Catherine’s, Waverley, and I look forward to reporting back next week on the result.

Jonathan Borger
MIC Junior School Debating

IMPORTANT DATES

> Australia’s Biggest Morning Tea
Thursday June 4
> Auxiliary Meeting
Thursday June 4

The new 2015/2016 Entertainment Memberships are available now and packed with thousands of up to 50% off and 2-for-1 offers. For just $70, you’ll receive over $20,000 worth of valuable offers! Plus, from every Entertainment Membership we sell, $14 goes towards our fundraising!

Looking for the perfect Mother’s Day gift idea? Entertainment Memberships make great gifts for any Mum!

phone 02 9581 6000 | fax 02 9799 9449
After the wet weather of the last few weeks it has been wonderful to have had a full week of sports training and PDHPE sessions this week. On Tuesday it was wonderful to see all of our ‘A’ teams hard at work in the early hours before school. Mr. Borger and Mr Alagna have planned out these sessions carefully so it is very important that if you are in these teams you are ready to start at 7.00am.

SATURDAY EXPECTATIONS
To ensure that each week our teams are ready to play our opposition it is the School’s policy that boys arrive 30mins prior to the scheduled kick off. At the conclusion of the game the boys are to cheer on the next team and support them for the next fifteen minutes. At times there is a need for families to head off quickly. If this needs to occur please seek permission from the coach of the team or the Sportsmaster. Often boys are called upon to play up in division due to injuries and sickness and as a School it is important that we adhere to these expectations.

CAPTAINS OF WINTER SPORT
It is with pleasure that I had the opportunity to present to the School the captains of winter sport last Friday. These boys are Leo Byfield (Rugby), Sebastian Boffa (Football) and Jasper McCullagh (AFL).

OATLEY FUN RUN RESULTS
It was great to recently hear that Trinity won the school entry in the 2.5km run in the annual Oatley fun run. The boys involved were Thomas Yarrow, Will Martin, Will Cooper, Darcy Mooney, Andrew Cavallaro and Theo Christian (Prep). This is the second year in a row they have won, an outstanding achievement.

TUESDAY SPORT SESSION
I am aware that there have been some questions asked about Tuesday training sessions for players outside the ‘A’ teams. Unfortunately, at this stage as a result of field and space restrictions, we are unable to add additional teams to the morning’s training. The School does offer at a cost, co-curricular Football and Rugby sessions at alternate times. This information can be found on the School’s website. Should you wish to discuss Tuesday training with me, please contact me via email on callum@trinity.nsw.edu.au.

Chris Allum | Sportsmaster

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

JUNIOR, MIDDLE AND SENIOR SCHOOLS SUMMER HILL – meet at reception in the Junior School Building, on even weeks of term (Weeks 4, 6, 8,)
Term 2 May 12th, 26th, June 9th
Term 3 July 21st, August 4th, 18th, September 1st
Term 4 October 13th, 27th, November 10th, 24th

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

SUMMER HILL contacts

CUB AND SCOUT NEWS

This week was both an ending and a new beginning at the Cubs and Scouts, with one Scout completing his final badge and four Scouts and a Cub obtaining their first badge.

Badgework was a key focus after some great games of poison ball. William Brown brought in a code grid he had made and, working with Jake, he was able to complete his first Cub Achievement badge of Level 1 Codes and Signals.

Meanwhile, the older Scouts set about coaching the younger Scouts through their Scoutcraft Badge. The Scoutcraft Badge is the first badge completed by every Scout and includes some knots, hoisting and looking after the Australian Flag, first aid, safety with camping tools, and the Patrol System. It was great to be able to present Jake Paraskevopoulos, Harrison Brown, Adam Kasanczuk, and Ryan Snowsill with their Scoutcraft badges. Jake Paraskevopoulos also completed his first Proficiency Badge in Information Technology.

Last weekend James Hull (9WH) completed his final badge which is the Australian Scout Medallion. This is the highest award of the scouting section. With the heavy rain of Saturday afternoon, James led scouts from Trinity along with Scouts from 1st Haberfield and 1st Dulwich Hill through the Pioneer Water Safety Badge at Leichhardt Aquatic Centre. This was James’ final badge-work before moving to Venturers and the first big step in achieving the Queen Scout Award in Venturers. Trinity Scouts. Congratulations to Harrison Brown, Adam Kasanczuk, and Dan Belliero, who were presented with their water safety badges.

Ryan Snowsill and James Hull will also be joining Scouts from Drummoyne and Dulwich Hill this weekend as part of the International Jamboree On The Trail (JOTT). This is part of a world-wide Scout activity to recognise and understand the value of the outdoors. On this weekend, Scouts from around the world undertake hikes or Landcare activities. This will be Ryan’s first hike as part of his Pioneer Award while James will be undertaking the hike as part of his linking up to Venturers.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

Group Leader: David Hull (Chil) mobile 0411 853 798 group email 3rd.summer.hill@TrinityScouts.com

VIRTUAL SCIENCE EXCURSIONS

Last week, Junior School boys in Years 3-6 participated in various interactive STEM themed virtual excursions hosted byFizzics Education. Virtual excursions allow students to engage with experts and organisations all over the world and to give more relevance and understanding to the content they are studying in class - without leaving it. Some student feedback:

TUESDAY | LIQUID NITROGEN SHOW - YEAR 4 & 6
On Tuesday we met with a man from Fizzics Ed through a virtual excursion. He put in perspective how cold liquid nitrogen is and told us that Antarctica is -98 degrees celcius and liquid nitrogen is -210 degrees. He did many experiments to demonstrate how liquid nitrogen boils and turns into a gas and expands 600 times more than its liquid form. I’m glad we got to do this, it was very enjoyable and hope we can do this more often. Jack Braga (6D)

WEDNESDAY | HUMAN BODY WORKSHOP - YEAR 3
On Wednesday after recess, we talked about the human body with a man from Fizzics Ed. He showed us different models about the human body including how and what happens when we breathe and made a model of how the lungs worked using a balloon and drink bottle. He then asked us questions and we got to ask some too. After the virtual excursion we got to do some experiments. It was really fun. Connor Kalis (3K)

THURSDAY | WEATHER PRESSURE WORKSHOP - YEAR 4
The weather workshop was very exciting. We found that it lets us be very interactive with the Smartboard and all of the options we can use. We loved how we could see the amazing experiments that they did. Jack Hartzenberg (4M)

FRIDAY | CREATIVE CHEMISTRY SHOW - YEAR 5
When I found out we were doing the virtual excursion after lunch, I was elated! I really love chemistry! In the webinar, we learnt about chemical and physical changes. The most engaging part was probably the dry ice and my favourite part was the combustion. This was definitely worth the time and I wish I could do another one! Hugo Miller (5C)

Trinity students are very fortunate to have a dedicated high speed internet network. This infrastructure supports our students as they participate in virtual learning activities. Following the success of the virtual excursions last week, we will continue to implement innovative new ways of bringing engaging content into each Unit of Enquiry.

I can’t wait to see where we’ll end up next!
Evan Karagiannis | eLearning Integrator
Home is a place of memories. It is where we have our roots. It is a place we keep returning to. If we want to learn more about ourselves and the world we live in, this is where we look.

- Jacob Aue Sobol

Featuring over 100 photographs by some of Greece’s most talented up-and-coming photographers, Home will be officially opened by the Greek Ambassador to Australia, Mr Haris Dafaranos on Saturday 9 May, 3.30pm. All are welcome to attend.

In the summer of 2013, the small mountain village of Lafkos was home for five days to twenty-one aspiring photographers. They travelled from all corners of Greece for an intensive workshop with Danish photographer and member of Magnum Photos, Jacob Aue Sobol. Working within this language of humanistic photography, Sobol challenged them to photograph what ‘home’ meant to them. Over subsequent months, they continued developing this theme.

Delving deep into emotions, memories, associations and identity, the extraordinary photographs in this exhibition are the result. Honest and intimate, they weave together textures of life, humanity and Greek culture.

The Photography Centre of Thessaloniki organised the initial workshop and presented a curated selection of the photographs in an exhibition at Thessaloniki’s Casa Bianca in February, 2015. The tour of the exhibition to Sydney has been made possible with the co-operation of Head On Photo Festival.

Prints from the exhibition will be for sale.

The exhibition continues to 7 June.

Venue: Delmar Gallery (entry via Victoria Street gate)

Gallery hours: Wednesday to Sunday, 12-5pm. Free admission
