Now Christ Jesus has come to show us the kindness of God. Christ our Saviour defeated death and brought us the good news. It shines like a light and offers life that never ends.

2 Timothy 1:10

Dear Parents and Friends of the Junior School,

A wonderful feature of primary schools is the opportunity for student interaction across varying ages. On Thursday, our Year 6 students spent time with boys in Kindergarten and Year 1 discussing goals, taking photos and using technology to create animations. These were great learning activities but are actually less significant than the broader social learning that occurs. Our younger boys get the chance to form friendships and interact with older students on a one-to-one basis. This serves to develop their confidence in handling play activities, classroom work, and social development. For the older boys, the contact provides the opportunity to develop their leadership and personal skills as they interact with their buddies and guide them. Buddies activities will continue on Thursdays for many students in the Junior School and will no doubt provide enriching experiences for all the children involved. Our Kindergarten students are already asking when the big boys are coming back!
Debating is a wonderful activity for young people. It fosters teamwork, the ability to construct and communicate an argument, as well as respond to and counter the arguments of others in a controlled and coherent manner. What wonderful skills to master at a young age! We wish our debaters all the best for their quarter-final of the ISDA competition this evening. It is a terrific achievement to make the final eight and affords our boys the opportunity to hone their skills against other young sharp minds.

The Clothing Shop provides a temptation for some students to access replacement items for forgotten or temporarily lost pieces of uniform. Parents should be aware that Junior School boys are expected to have parental consent to purchase items unless they have cash. Even then, they are asked to check with their teacher before going to the shop. Parents can facilitate student purchases by providing a note, giving consent in the Record Book or contacting the Clothing Shop prior to their son coming for the item. During the week, all boys were made aware of the need for parent consent.

Many of you would be amazed, as I am, at the amount of property that is picked up around the school that is unnamed! Parents are reminded of the importance of clearly labelling all their son’s clothing. Whilst we encourage the boys to develop responsibility in this area, it is inevitable that enthusiastic boys who are regularly required to move around the school will eventually leave something behind. Lost items have a greater chance of being returned to their owner if they are clearly labelled.

TERM 1-2 MOSAIC ART CLUB

On Thursdays starting in week 8 this term the mosaic art club will commence and these boys will create mosaic elements for the mural. If any parents would like to help you would be very welcome.

DONATIONS PLEASE

We need donations of old crockery to smash and use on the mural. We have plenty of white and only need bright colours or strong patterns. Old style patterns can also be used. To keep in budget we need lots of this so please check all your cupboards to see if there is anything you would like to throw out. An outing to an op shop with your son might turn up some interesting colours and he will be able to see his contribution of colour the wall for years to come.
ART CLUBS

The art room is buzzing with activity this term. The infants’ art club is fully booked again and this term they have learned how to create a wire creature and get really messy covering their sculptures with plaster bandage strips. Once painted, the creatures will be adorned with mini mosaic tiles; tiny pieces of fur; google eyes and other interesting embellishments. Fibre Art club is also well underway and the boys embellished felt cushions are nearly finished. They will also learn the art of batik and use dyes to create an original silk scarf. On Thursdays the boys continue to be inspired by Anton Pulvirentini who is working on their graphic novel skills with them.

Last week Krisytn Taylor continued working with the boys on the large ceramic pieces for the wall mural. This gets bigger and more exciting each week. This week we completed the fish for the wall with Kindergarten. Jonathan Sedrak in 2L and Michael Metlege in 2R were the models for the two Trinity boys who will sit in the boat amongst the reeds and water creatures. Year 1 chose the name ‘The Sharing Caring Boat’ and rolled coils to make the letters. They also created slab mini-beasts to install in the wetlands and also in the bushland area under the paperbark tree. Once all the work is fired we will be painting each item.

The mural is the result of the Year 1 transdisciplinary unit of inquiry. In Visual Art the boys addressed several areas of the Unit of Inquiry and looked at living things found in the wetlands and bushland areas of Centennial Park. In class and in the art room boys talked about the needs of the creatures they created and considered the differences and similarities in their sculptures.

FREE fun program to help kids become fitter, healthier and happier!

Do you have children 7-13 years old? Are you worried about their weight?

The Go4Fun Program is a free healthy lifestyle program to improve health, fitness, self-esteem and confidence in children above their ideal weight.

What happens in the Go4Fun program?

The program runs over one school term. There are 10 sessions (1 sessions/week, 2hrs/session). Sessions include: games, activities and swimming for kids (depends on location); easy, effective ways to improve your child’s self-esteem and confidence; demonstrations, games and tips on healthy foods, label reading and portion sizes; and a fun supermarket tour!

Sydney Local Health District has 15 places on the program in your local area, completely free of charge. Places are offered on a first come, first served basis. Children need to be 7-13 years old and above their ideal weight to attend. A parent or carer must accompany each child to every session.

To find out more contact 1800 780 900 Or go to go4fun.com.au
ROUND 4 WINTER SPORT

It was a sunny and warm weekend that greeted us last week for Round 4 of the IPSHA sporting program. I was fortunate to be able to watch for the second week in a row, the 11 Year’s Football teams. I must congratulate Mrs Mitrokas, Mr Richie, Mr Thakur and Mr Cameron for the way that they are managing and encouraging the boys each weekend.

ABSENTEES

Should your son be unavailable to play on a Saturday, due to illness, injury or personal reasons it is important for parents to let the School know as soon as possible. When this becomes apparent after Friday afternoon (eg. your son is sick during the night), it is appreciated if every effort is made to get a message to the team coach so that they can try to make arrangements. If a student is absent with sickness on Friday, it is also helpful if parents, when notifying the Office of the absence, are able to give an indication as to the likelihood of participation in Saturday sport. Whilst we are aware that at times there are extenuating circumstances, we are required to keep a record of all absences.

In all instances of absence from Saturday sport other than approved leave, parents are asked to provide an explanatory note upon the student’s return to school, as with any absence from school attendance.

Please continue to call the School’s wet weather number on 1300 788 477 and press 3 for the Junior School for Saturday sport information.

SATURDAY SPORT - TERM 2 INFORMATION

Please note that there will be no sport on Saturday June 6 due to the Queen’s Birthday Holiday. Round 6 on the 13th of June will be the final fixtures for Term 2.

CHARITY BASKETBALL SHOOT-A-THON

At the end of last year Trinity Basketball Players had the opportunity to be involved in the Charity Basketball Shoot-a-thon and as they did previously in 2011, the Trinity Basketball community did a fantastic job.

Once again the school will hand over a cheque for $3000 to The Children’s Hospital at Westmead. The funds raised will go to the Hunter Ballie Ward to help them purchase another ‘Highflow O2 Unit’. These units help sick young infants with respiratory illnesses (usually bronchiolitis) and a very high oxygen requirement.

Prizes given to the boys who raise the most funds included four Tickets to a Corporate Box at a Sydney Kings Game, Rebel Sport Vouchers and Hoyts Movie Vouchers. I would like to thank The Hoyts Corporation for their generosity donating the four ‘Box’ tickets for the Sydney Kings Game and Movie Vouchers.

All boys should be commended for being involved, and special mention must go to Tom Buvac $103.00, Leo Byfield $110.00 and Aiden Murphy $90.00 all from Year 6 who did an outstanding job raising funds.

CUB AND SCOUT NEWS

This week at Cubs and Scouts we had a mini construction night. We were lucky enough to borrow a model made by a Dulwich Hill Scout in 1962. This model shows the knots and lashings for a scout signal tower.

Trinity Scouts continued preparing for our annual Region Camp at Waterfall with a working bee last weekend. Thanks to Mr Snowsill, Mr McManus, Adrian McManus, and Mr Bilac for coming and helping on the day. We levelled out the tent sites, created some swales, and reconstructed our fire place. The camp site is looking fantastic and ready for the June long-weekend. We will have a patrol of Scouts and two parent helpers attending. Cubs will be visiting on the Sunday.

The Region Camp will be a special event as we plan the investiture of new scout Aiden Murphy and attend formal presentation of James Hull’s Adventurer Cord and Australian Scout Medallion by the Regional Commissioner. There will be over 750 scouts plus leaders and helpers camping on bush sites, and another 300 odd cub scouts visiting the camp on the Sunday. The activities and all the reasons above make this a fantastic experience for the scouts.

Congratulations this week to Dan Bellero for achieving proficiency badges in Animal Keeping.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). Older students, including those interested in service projects for IB and Duke of Edinburgh, are also welcome. The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

FROM THE MUSIC DEPARTMENT

NEWS FROM THE MUSIC DEPARTMENT

The week beginning May the 18th is AMEB exam week which many of our boys have worked really hard to prepare for. It is a big challenge, with boys working on a minimum of 3 pieces but often up to 6 as well as many scales and technical exercises which they have to learn by memory. The examiner then gives an assessment of their performance on the day. What is more important than one person’s opinion on the day of the exam is the benefit that the boys get from all that hard work in the lead up to their exam. Many boys make great leaps with their playing due to the regular but intense practice required to sit for an exam. Ultimately the result of this improvement and the rewards reaped from it are more important than the final mark. We teachers are also extremely grateful to the parents who help oversee the practice, ensuring that their son is adequately prepared and able to just enjoy his exam on the day.

I have included a photo of 3 clever cello boys from the first day of exams. 2 boys have finished their exam and one is waiting, can you guess who’s finished?

HOME
New Photography from Greece. ON EXHIBITION NOW!

“Home is a place of memories. It is where we have our roots. It is a place we keep returning to. If we want to learn more about ourselves and the world we live in, this is where we look.” – Jacob Aue Sobol.

Co-curated by Jacob Aue Sobol of Magnum Photos and Sun Hee Engelstoft for the Photography Centre of Thessaloniki, the exhibition features over 70 photographs delving deep into the question of what defines “home”.

Twenty-one emerging Greek photographers were invited to participate in a five-day workshop with Sobol in the summer of 2013. At the workshop, the artists were tasked with photographing the idea of “home” in an unfamiliar environment – the small village of Lafkos, a place where none of them had been before. The extraordinary photographs in this exhibition are the result. By exploring in a profound way what “home” meant to them, the photographers offer a moving, complex and personal insight into Greek culture today.

Following its exhibition at the Photography Centre of Thessaloniki in February, Delmar Gallery and Head On Photo Festival 2015 are delighted to present this compelling collection of contemporary Greek photography in Australia.

Exhibition runs to 7 June. Gallery opening hours: Wed-Sun, 12-5pm. Free admission. Prints in the Exhibition are available for purchase.
