FROM THE HEAD MASTER

THE CREATIVE ARTS TO THE FORE

Co-curricular involvement and engagement of our boys in the creative and expressive arts is a longstanding tradition at Trinity. It is very much part of the School’s DNA and it features prominently, not only in our curriculum but across a very broad range of co-curricular offerings. The 2015 Trinity Arts Festival which we are currently savouring is a tangible manifestation of this School tradition, as it highlights the expression and celebration of our boys’ God-given talents in this field of human endeavour.

This year’s Festival programme has catered for everyone’s taste, with the high quality production of *Run Rabbit Run*, the enormously enjoyable Kindy Proms Annual Concert for our Infant boys and a series of lunchtime concerts in Compass Court being obvious examples. The aforementioned activities paved the way for our Annual Gala Concert, held in the City Recital Hall on Thursday. This year’s Concert, to a full house, once again testified to the outstanding quality of musical talent within our School community, ranging as it did across all Year levels, from Primary right through to our most senior students. It also reflected on the superb calibre of our Music staff, led by the Director of Music, Mr Philip Pratt, and the Director of Preparatory School Music, Ms Kimbali Harding. This year’s Concert highlighted the strength of Trinity’s music programme across the genres, with wonderful performances from the Symphony Orchestra, the Symphonic Wind Band, Sinfonietta, the Academy Orchestra, the Big Band, Chapel Choir and of course, for the first time, the combined Primary choir conducted by Ms Sally Ortega.

Those present at the Concert would attest to how enjoyable and memorable the night was.

LEAGUE TABLES – ALAS, A CONTINUING SAGA!

This week an article in Business Insider entitled “Cheat Sheet – the Top 10 Private Schools for Boys in Sydney” was brought to my attention. As a rule, I try to avoid giving “oxygen” to league table type debates for they generally give more “heat” rather than shed light on what a quality, holistic Christian education represents. However, having said this, I am certainly not troubled by any comparison one may wish to make regarding the calibre of our boys’ academic performances over time – for they are quite simply outstanding.

This latest article, whilst interesting, paints an incomplete picture and hence is misleading and “inaccurate” in what it purports to represent, with no accounting for students doing the globally recognised IB Diploma instead of the HSC. For example, in 2014 Trinity Grammar School recorded the best IB results in Australia. When combined with our HSC results, this saw 10% of our boys receiving an ATAR equivalent to 99+, equal to the top 1% of the State, along with four of our IB students achieving the maximum ATAR score of 99.95 (certainly, a little more than “highly commendable”). Also, more recently, Trinity has been accredited as a World Academy of Sport Athlete-Friendly Education Centre – the only Australasian School to be so accredited.
FROM THE MASTER OF THE JUNIOR SCHOOL

THE WORDS OF THE RECKLESS PIERCE LIKE SWORDS, 
BUT THE TONGUE OF THE WISE BRINGS HEALING. 1 JOHN 4:11

Dear Parents and Friends of the Junior School,

I am sure that the many parents in attendance at last night’s Gala Music Concert at the City Recital Hall will agree that the performance of the Choir was outstanding. The combined Junior School and Preparatory School item was spectacular and the boys also added their voices to the massed choir for a further two items. Congratulations to all the boys whose talent and hard work at countless early morning rehearsals, under the leadership of Mrs Sally Ortega and accompanied by Mr Trevor Adams, brought about such a fine performance.

Next Thursday evening, 11th June, the School will be hosting a presentation from Dr Philip Tam targeted at parents of primary aged students on ‘Problem Internet Usage and Gaming in Australian Schoolchildren’. Dr Tam is a child psychiatrist, researcher and clinical lecturer, so he is well qualified to address parents on this emerging mental health and social issue. As a parent and educator, I am looking forward to Dr Tam’s presentation as I have no doubt it will enable me to better care for the children in my life. Weekday evenings are busy for all families, but I urge all Junior School families to take advantage of this opportunity by having at least one parent attend. The presentation will commence at 6.30pm in the JWH Assembly Hall.

Whilst the occasional late arrival to school is sometimes unavoidable, these instances should be rare. It is important that the boys are in attendance at Chapel or morning assembly to hear announcements. It is also important that boys are present for the start of the first lesson of the day as these first minutes often set the tone for a smooth day at school. In addition, the late arrival of students can be disruptive to a class already at work. I am hoping to see less instances of late arrivals over the final weeks of term. However, on occasions when a student is late to school, it would be appreciated if parents would direct their sons to go to class via the Office, to ensure that their arrival is noted and they do not remain marked as absent.

Next Thursday, all students will enjoy ‘Mufti Day’, an opportunity to come to school in sporting apparel. For the privilege, the students are asked to contribute a gold coin. The boys will be made aware of the cause we are supporting in Chapel services next week. Ask your son about Blue Dragon Children’s Foundation, the international aid organisation that we are supporting who are particularly focused on assisting children in Vietnam.

I trust that you enjoy the long weekend, an extra day to rest, recreate and relax with family and friends. We will look forward to seeing the boys on Tuesday.

Mark Dunn | Master of the Junior School

ABSENTEE INSTRUCTIONS

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone APP and follow the prompts
   (From the APP home page select Junior School the select Absentee Form to open the absentee form). Instructions for installing the APP on your phone can be found by click here.

2. Using the Absentee email address jsabsentee@trinity.nsw.edu.au
   Also, if you wish, you can ‘CC’ the class teacher on this email.

3. Lastly, you can phone 9581 6144 and leave a message with your son’s name and class

TRINITY GRAMMAR SCHOOL

School Prayer

Parents and friends are most welcome to come and pray for our boys and the School, on Tuesdays between 8.30am and 9.30am.

The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus (see the Preparatory School News for further details) and the Summer Hill School campus.

JUNIOR SCHOOL AUXILIARY

AUSTRALIA’S BIGGEST MORNING TEA
Thursday June 4

On Thursday, the Junior School Auxiliary hosted Australia’s Biggest Morning Tea. Thank you to all who attended and showed their support for the work of the Cancer Council.

JUNIOR SCHOOL PIZZA DAY Thursday June 18

On Thursday 18th June, the Junior School Auxiliary will be holding a Pizza Day Fundraiser for all boys in the Junior School. During the week, your son would have brought home an order form for Pizza Day. You can assist by returning your order and money by June 12. No late orders will be accepted.

BRESSINGTON BBQ

Thank you to everyone for your assistance on the BBQ last week. Your support is greatly appreciated.

Please do not hesitate to contact me if you have any questions about the Auxiliary.

Please book early as places are limited
Year 5 and 6 boys took part in the da Vinci Decathlon. This recognised competition attracts students from all over NSW. It is a demanding and rigorous one day competition where students are challenged across ten academic fields: Science, Creative Producers, English, Philosophy, Art and Poetry, Mathematics, Engineering, Cartography, Code Breaking and General Knowledge.

The following students represented Trinity Grammar Junior School:

YEAR 5: 1st place – SCIENCE
YEAR 6: 3rd place – ENGLISH

At Trinity Grammar School, learning traits such as perseverance, initiative and independence are highly valued. The da Vinci teams demonstrated these characteristics with confidence. Under demanding conditions the teams negotiated, collaborated and persisted to successfully complete the ten tasks. This was only made possible due to the respect and regard each boy had for their team members.

The da Vinci competition is a wonderful opportunity for students to apply their thinking skills and the Trinity boys displayed these successfully throughout the day. At various times and with varying degrees of intensity, the boys were asked to problem-solve, think critically and creatively and employ complex knowledge and skills. They were further challenged by the strict time constraints placed on the teams. Our boys needed to be organised and diligent to enable the team to complete all the tasks on time. The boys should be congratulated for representing Trinity in such a positive manner.

Lisa Gossling | Head of Gifted and Talented Education
In this highly topical and interactive presentation, Dr. Philip Tam will be outlining how the phenomenon of problem internet use (PIU) – commonly dubbed ‘internet addiction’ or ‘video game addiction’ – has emerged as a major mental health and social problem around the globe and in Australia over the past decade or so.

He will then summarise the key research findings on how to appraise and address this phenomenon, and offer practical, and evidence-based solutions and resources for concerned parents and families. Also covered will be important developments in the field of ‘integrated education’, which utilises the huge potential of internet-based technologies to enhance educational outcomes and ‘draw away’ students from gaming and social media distractions in the class setting.

The seminar will also be highly relevant to school counsellors and teachers, who are also often ‘at the coalface’ of emerging internet use difficulties in schoolchildren, both in the primary and secondary settings.

Dr. Philip Tam is a Sydney-based child psychiatrist, researcher and clinical lecturer. He has a long-standing clinical, teaching and advocacy interest in the emerging and complex domain of internet and video game-related psychological problems, and regularly comments on this topic across the Australian and international media. He is also a co-founder of niira, the Network for Internet Investigation and Research in Australia, a pioneering research and advocacy group aimed at assisting school counsellors, psychologists and concerned parents in the domain of PIU.
HIGH QUALITY SCIENCE IS ALIVE IN GRADE 5

Grade 5 boys commenced their most recent unit of inquiry, 'Where We Are in Place and Time' with great expectations and excitement of things to come. The central idea, ‘Observation of space has allowed for a greater understanding of the universe and the material world’, was unpacked and the boys eagerly shared their incredible prior knowledge. The Grade 5 staff spent some time collaborating with Doctor Adam Cole the ‘Academic in Residence’ and Mrs Maryellen Ottaway both from the Senior School Science Department, planning relevant, engaging and challenging learning experiences. To date the boys have been exploring interactive google apps, conducting experiments and inquiring into, the planets, satellites, the international space station, the seasons, day and night and rockets. They have really only just begun their learning journey but the excitement in their faces and passion to find out more is the greatest sight to see. I can’t wait to watch them continue to strive to make meaning of the world around us.

Merilyn Ormes | Director of Primary Curriculum and PYP Coordinator

The Science Department is happy to announce the

INTERESTING FACTS COMPETITION

> Did you know there’s a parasite that takes over the brains of rats and turns them into zombies?
> Or that transplanting poo from one person to another can cure tummy problems?
> Or that Russian cosmonauts wee on the back tyre of a bus before take-off for good luck?

There are heaps of interesting science facts out there. What do you think is the World’s most interesting science fact? Go to the website at http://bit.ly/TGSinterestingfacts and enter your suggestion in 43 words or less for a chance to win an LED TV! (Kindly donated by Arvind Naidu at Stax Electrical, Croydon).

Open to students of any age at the Junior, Senior and Preparatory Schools. You can enter as many times as you like. Include your name, year level, interesting fact entry and a reference (place where you got the fact from i.e. what book, website, TV show, etc!). Entries close Friday June 19. Good luck!

Science Department
ROUND 5 SPORT

There were some very positive results out of the Round 5 sporting fixtures with solid wins to both the 1st XV and 1st XI teams. This is a credit to the coaching staff who continue to give the boys expertise in their chosen sporting fields. I was also very impressed with the outstanding results our Under 10 Football players are producing. The 10A team continue to impress with team work and skill each Saturday.

CIS RUGBY TRIALS

Jack Casimir, Jacob Stark and Hunter Hannaford trailed for the CIS Rugby team on Monday and Tuesday this week. Jack in particular performed very well and narrowly missed selection in the highly competitive selection process. Thanks are given to our MIC of Rugby Mr Alagna for his role as a selector, a role that recognises his standing in IPSHA Rugby.

YEAR 3 RUGBY GALA DAY

Saturday saw our Year 3 students compete in the annual Gala Day at Bressington Park. It was a crisp morning and the competition from the boys was intense. Over the past six weeks they have been practising the core Rugby Skills of catch, pass, tackle, ruck and maul under the direction of Mr Josh Clark and Mr Lachlan White who have seen significant progression from the boys. I encourage many of them to look at Rugby as a sport selection for next year as the ability of many of the players was high.

STAFF DEVELOPMENT

It was great to see our Junior and Preparatory School staff involved in both Football and Rugby Coach development sessions during the week. As a staff we aim to increase our coaching expertise to assist our students. Thank you to Mr Luke Gray and Mr Lachlan White for their guidance and staff for their support of the programme.

Chris Allum | Sportsmaster

Lost to Waverley
CONCERT REVIEW

ORAVA QUARTET

Last Thursday 28th May, the Brisbane-based Orava Quartet entertained a sold-out audience with moving strains of Dvořák and Shostakovich. From the moment they began rehearsing before the concert, Ms Catherine Benz and I felt the hairs on the backs of our necks tingle. The sounds these four young men coaxed from their fine instruments were even more impressive in full performance. They ranged from sweetly bright in the upper registers of the violins, through warm and mellow countermelodies in the viola and the upper cello range, to satisfyingly rich and beefy cello bass.

With the talented brothers Daniel and Karol Kowalik on first violin and cello, the family origins of the quartet still shine through in Orava’s tightly synchronised rubato and dynamics. The Kowaliks, joined by friends David Dalseno (violin II) and Thomas Chawner (viola, on a new and lovely instrument) beautifully communicated the contrasting passions in Dvořák’s String Quartet No. 12 in F Major. They gave the audience a personal insight by telling us that they felt a particular affinity for this piece and its association with America, as they had only recently completed their postgraduate performance studies there. The finale was particularly exciting – and one can always tell it’s been a good finale when a violinist loses a bowhair!

Next, Orava encapsulated Shostakovich’s characteristic tension between angular, percussive dissonance and consonant, Romantic melodic writing in his powerful String Quartet No. 6. Unfortunately the final pianissimo chord was slightly marred with a stray touch of the bow, but this was forgotten with a brilliant, exciting encore. As Ms Benz said, we can expect much more of this excellent young ensemble in the future, and “we heard it here at the Delmar Gallery first!”

TRINITY GRAMMAR SCHOOL
MULTI-SKILLS CAMP
JUNE SCHOOL HOLIDAYS 2015

YEARS K-6

Improve your sports skills and fitness with 3 days of intensive multi-skills coaching. Learn skills at appropriate learning levels, so that you gain the knowledge, confidence and experience to ensure success and long-term development.

Mr Ian Moran, PDHPE teacher at Trinity Grammar School will be conducting the clinic. Participants will have the opportunity to improve skills in the following areas:

> Basketball  > T-Ball
> Cricket    > Fitness
> Soccer     > AFL
> Touch Football > Athletics
> Swimming

THE DETAILS

WHERE: Trinity Grammar School, Sports Centre - 119 Prospect Rd, Summer Hill, 2130

WHEN: Monday, 22nd June to Wednesday 24th of June 2015

TIME: 9:00am - 3:00pm

BRING:
> Drink bottle
> Hat
> Swimmers
> Goggles

> Lunch
> Suncream
> Towel

COST: $210 for 3 days
All participants will receive drinks and fruit daily

Trophies are awarded each day to boys who show commitment, co-operation and determination.

A BBQ lunch will be provided on the Wednesday of the clinic.

Please book online via the Trinity Grammar website

CLICK HERE TO REGISTER NOW

Any questions please contact Mr Moran at: imoran@trinity.nsw.edu.au

All payments are non refundable
Well do I remember the old swimming pool! It was there that we held the House Swimming sports with the boys arrayed on the lawn between the pool and the buildings on the north side of the Quadrangle, and on the steps of the now old gymnasium. In some ways there was a much more close connection with the swimmers and the supporters which is perhaps lessened a bit since we moved, after a few years at Ashfield Pool, to the huge SOPAC centre, though the greater number of present day students continues the enthusiasm! One of the memorable events was the annual washing (as many boys believed to be the case) of the Boarding House cutlery, which was thrown into the pool, and teams from the Houses vied to see who could retrieve the most! Apparently Health and Safety regulations were unknown in those days! The opening of the present Pool in 1985 was of course a huge occasion and swimming in the School was given a great boost, although it must be said that during the life of the new facility it was several decades before we started winning the CAS once again, 1966 being the last time until our present run of success began in 2004. The present Pool has recently undergone much renovation (see image 3), while the new Aquatic Centre is fast nearing completion. It has been a great privilege for me to have witnessed the growth of the swimming facilities of the School, and it is certainly most exciting as the opening of the new Centre draws near. The accompanying images give a quick view of what the site was like this time last year, and of the great amount of work actively going on at the moment, the last two shots having been taken only yesterday, while the first (taken in 1984) in the sequence is of the construction of Pool Number Two. Trinity has a great heritage in regard to swimming, and this surely is something in which we need to appreciate our School motto: *Detur Gloria Soli Deo.*
YEARS K TO 9 FOOTBALL CLINIC
JULY SCHOOL HOLIDAYS 29TH JUNE - 2ND JULY

Boys from Kindergarten to Year 9 have a magnificent opportunity to attend the Trinity Grammar School Football Clinic in the July Holidays. Benefits of participating at this camp include:

- 24 hours of football tuition over four days.
- Participants train as per the Football Federation Australia National Curriculum.
- 5-8 year old participants focus on natural development (in Striking the Ball, Running with the Ball and 1v1) through fun football exercises and games.
- 9-13 year old participants focus exclusively on improving their technical skills in the areas of first touch, striking the ball, running with the ball and 1v1.
- 14-15 year old participants focus on improving the above technical skills and learning how to apply these core skills in a functional way.
- Middle School participants have opportunity to partake in video analysis using Game Breaker Software. The video analysis viewing facility includes the newly refurbished 110 seat Latham Theatre.
- Training facilities include a synthetic all weather football field and three indoor basketball courts.
- Participants play in mini tournaments that replicate the ‘A-League/Champions League/World Cup’.
- Participants are tiered according to their playing level.
- All participants receive BBQ on Monday and Thursday.
- Drinks and fruit provided each day.
- Coaching Staff are fully qualified coaches who were former distinguished Football players. Leading coaches will be David Barrett and Luke Gray, both current school teachers at Westfield’s Sports High and Trinity Grammar School respectively. David played well over 300 National Soccer League games and Luke is the current Sydney University Assistant 1st Grade coach and the MIC and Director of Football Coaching at Trinity.
- See the following link for footage from the April Holiday Clinic https://youtu.be/5Oj9_gbgiq4
