Dear Parents and Friends of the Junior School,

Welcome back to a new semester! The boys are already in the swing of learning, with a slightly adjusted timetable, and have started the semester very well. Kindergarten and Year 1 have already ventured off-site with excursions to the Old School House for a taste of “old-fashioned education” and a theatre viewing of the classic ‘Snugglepot & Cuddlepie’.

There is no such thing as a quiet term at Trinity Grammar Junior School and this term will be no exception. Highlights will include Book Week, our own Primary Arts Festival, musical performances at the IPSHA Performing Arts Concert, the conclusion of the winter sport season, Track and Field season, Year 5 Camp and the Year 6 Father and Son Breakfast. I encourage all families to note key dates contained in the Record Book and continue to read this weekly bulletin for information about these and other special events.

I thank parents for their efforts in adjusting routines to ensure that our Kindergarten and Year 1 students have been at school for the earlier start time this week. The boys have coped with the longer day with remarkable ease and teachers have noted the benefits afforded by the longer day and more opportunities for learning. I trust that all the boys enjoyed their first ‘proper’ Visual Arts lesson.

Thank you to parents for your cooperation with carpark changes. This has helped to minimise the impact of the greater volume of cars using the carpark around start and finish times. The School is aware that the left turn onto Victoria Road inconveniences some parents but it has also allowed for a continuous flow of traffic out of the School. In the interests of safety, please continue to ensure that you drop students in the correct places which were indicated in the traffic guide distributed at the beginning of the week. For Junior School parents, the most congestion occurs around 3.15pm and the beginning of Years 3-6 pick-up. The re-commencement of after-school activities will ease this somewhat and teachers will be endeavouring to have all students in the carpark within five minutes of the bell. For this reason, it is advisable that Year 3-6 parents delay their arrival until 3.20pm or soon afterwards. We will continue to get better at this process. My observation from being in the carpark each morning and afternoon this week is that a little patience from everyone goes a long way towards ensuring the steady movement of the traffic lines. For afternoon pick-up, we are asking boys to be attentive to the arrival of their own vehicle and will distribute dashboard posters with student surnames printed. Please keep these in the vehicle and display them on the dash at pick-up which assists the duty teachers to alert boys when their vehicle is getting close.

On Monday, the teaching staff were engaged in professional development activities including working with staff across the sections of the School to consider effective assessment techniques. All staff completed their annual CPR accreditation and the Junior School staff engaged in some cooperative sessions relating to positive culture in our school community and guided reading. Class and literacy teachers are excited about the opportunities presented by guided reading sessions and will begin to implement these across all grades as one of the features of our approach to literacy teaching and learning. Guided reading allows for greater differentiation of literacy activities within the classroom and whilst withdrawal for targeted extension and remediation will continue, some boys will now have the opportunity to work in differentiated groups within their own class with their own teacher.

I mentioned last term that boys in the Choir, Vivaldi String Orchestra and selected band members are asked to note the night of 19 August where you will be performing at the IPSHA Performing Arts Concert. It will be expected that all boys in these groups attend rehearsals and the evening performance. Rehearsals will occur in school time and details and permission forms will be distributed in the next few days. Parents will be required to organise transport to and from Sydney Town Hall for their sons on the night. Parents can already purchase tickets on-line via the Trinity Online Community Directory, and many already have. The School is given a fixed allocation of tickets, so at this stage a maximum of 2 tickets per performer can be purchased. Requests for additional tickets can also be lodged and will be processed closer to the time when we ascertain whether we have or can obtain more tickets. It should be a fantastic night with high quality performances from musicians from a variety of IPSHA schools.

Next week will mark the first of our new weekly assemblies, the leadership of which will be shared by our Year 6 student leaders. This will be a forum for awards, student sport reports, class items and musical performances. Assembly will be held in the Junior School building at 10.20am each Monday and parents are welcome to attend, especially if your son is performing.

Traffic Management SUMMER HILL CAMPUS

FOR THE SAFETY OF OUR BOYS AND THE BROADER TRINITY COMMUNITY

Traffic Management key changes are;

1. Left Turn only at the top of Jubilee Drive in peak times. (8.00-9.00 AM and 3.00-5.30 PM). A number of exit routes for parents are provided in the enclosed maps.

2. Delmar Gate will now be closed on School Days and NO ACCESS will be available through this gate on Monday to Friday at any time. Pedestrian Access to the School will be only via the Southern side of Jubilee Drive, Chapel Way and Prospect Road main gates. The Maps below indicate pedestrian routes to and from the School including access to public Transport.

3. Parents will not be able to use Victoria Street to Drop Off/Pick Up students anywhere along the school frontage, north of Jubilee Drive.

4. A new Drop Off and Pick Up line including a split lane in the Jubilee Carpark at the Northern end. (See map) This will enable the Junior School Infants Drop Off not to interfere with the Junior School Primary, Middle and Senior School Drop Off in the Morning.

5. Parents parking in peak times will need to enter parking lanes via the Northern end of lanes once inside the Carpark.

Welcome back to another fun filled term. A few decisions were made at our last Auxiliary meeting, just before the end of term. Firstly, we will not be holding a Father’s Day Stall this year and secondly, the Bressington BBQ that is scheduled for 25 July will not be running as there are not enough teams playing at Bressington that week. There are, however, plenty of other ways in which you can show your support this term, either on the BBQ at Bressington, attending Mums v Sons laser skirmish and ten pin bowling day and participating in this term’s fundraiser, the Year 6 Sausage Sizzle to name a few.

BRESSINGTON BBQ

The BBQ will be up and running again this term at Bressington. Thankyou to everyone who has shown their support by helping out on the roster. As you can see, there are still some vacancies. Please contact me ASAP with your availability.

Welcome back to Term 3 sport at the Junior School. I trust that the boys are well rested and looking forward to resuming training and competition. This week all boys in Years 4-6 have selected their sports for Term 4. Please note that not all boys will receive their first preference as we need to fill each of our teams evenly. With this in mind, parents are encouraged to hold off buying uniforms until team lists are published towards the end of Term 3.

**FUNDAMENTAL AND ACTIVE SKILLS AT TRINITY (FAST)**

This term as part of our FAST programme, our boys will be engaged in a number of new skills. I have used the table below for you to identify which skills your son will be involved in. May I encourage parents to discuss these with their sons and continue to build on these skills outside of school hours.

**RUGBY AND FOOTBALL NORTH COAST TOUR**

In the last week of Term two, boys from the 1st XV Rugby team and 1st XI Football team, embarked on a long bus drive up to Bishop Druitt College to fulfil a long lasting tradition of playing rugby and football against rival schools from Coffs Harbour, Port Macquarie and the Hunter Valley. First arriving at the Big Banana in Coffs Harbour, the boys played a game of laser tag to stretch their legs after a long bus trip. Receiving their touring shirts and jerseys, the boys settled into the theatre of Bishop Druitt College with a big day ahead of them, not knowing what kind of competition they were going to have the next day.

The day began with a visit to the porpoise petting pool, with both teams feeling very confident going into the games. The first game of football was a great success. The Trinity team led by Sebastian Boffa, dominated the rival school winning 4-1. The football team had never played together before as it consisted of both Prep and Junior School boys. Their success won back the Simon Kelly Football Shield for Trinity. The rugby game was no different. The Trinity team led by Leo Byfield didn’t start so well in the first half, but made up for it in the second half, winning 35-10. Great performances all round from the rugby team, winning the Victor Branson Shield for the first time. The day was ended by a celebration in the form of a sausage sizzle between the two teams.

It was an early start the next day, with the presentation of the awards and farewelling Bishop Druitt to leave for St Columba Anglican School in Port Macquarie. The football game was a different story to their first game. St Columba were very strong and it was a credit to the Trinity team that they never gave up and believed they could win until the end. The rugby team were ready to play in wet conditions after the football game. St Columba were never in the game as the rugby team bombarded them with ruthless and well-executed attack. Trinity ended up winning 45-5, winning back the Martin Lubrano cup, Jacob Stark had an outstanding game as he was awarded Man of the Match by St Columba. The tour farewelled St Columba leaving for Hunter Valley Grammar, where boys were billeted out to welcoming families from the school.

The teams and coaches rested the next day by going to the shark and ray centre in Hunter Valley. It was a great experience for everyone, something to add to the long line of memories that will already be cherished.

Coming to the last day of the tour, the weather conditions were not in favour of playing sport, but the games still went on. The football team picked themselves up from the loss and played very well, winning 3-1 ending the tour on a high. The rugby team continued their winning streak ending the fairytale run of games. At first, some boys felt intimidated by the 6’2 Goliath in the other team, but that didn’t stop them from again being the dominant team. The wins were celebrated with a sausage sizzle. This brought the end to an awesome tour.

I would like to thank Mr Allum, Mr Ayoub, Mr Bremner and Mr Alagna for organising and coaching a great tour for everyone.
