Dear Parents and Friends of the Junior School,

The **Year 6 Camp** has been greatly enjoyed by all this week. I had the pleasure of visiting Broken Bay on Wednesday and can report that the boys and staff had a wonderful time together, made the most of the spectacular weather early in the week and handled the challenges of occasional rain over the final days very well. The boys remaining at school also enjoyed the extra space to run around in the playground and move around the Junior School. Thank you to the Year 6 teachers and support staff who spent the week away from their families and other commitments. It was a wonderful way to finish a busy and productive term.

In Year 6’s absence, it has been terrific to see our **Year 5 boys** filling some of the leadership and service void. Joshua Hanna and Antony Borodin did a fine job leading Assembly and many other Year 5 students have helped with various tasks across the week. It was a great chance to see who is keen to step into leadership of the Junior School. Leadership will be a theme for the Year 5 boys next term as they consider the opportunities and responsibilities that await them next year.

**Interim Reports and portfolios** have been distributed this week (Year 6 will take home their portfolios at the beginning of next term). In our cycle of reporting, the end of Term 3 report gives only a brief appraisal of student achievement and effort in three key areas, English, Mathematics and the most recently completed Unit of Enquiry. A far more detailed account is provided in the Semester Report issued at the end of next term. If there are any points of clarification, feel free to address these to your son’s teacher in the coming days or at the commencement of next term.

Special mention was made of **Max Fricker (4A)** at this week’s Assembly. Max won his U11 Springboard Diving event held at SOPAC last Sunday. Not only did he achieve a personal best total score for his six dives, he has qualified for the National Diving Championships next April. Congratulations, Max, and all the best for your training and competition over this summer.
Along with, Hussein Naji’s victory in the CIS Track & Field 100m event last week, it has been a spectacular week of success for our Year 4 sportsmen competing at a very high level.

Co-curricular activities for next term can be booked online via the community directory. As these have a variety of start and finishing dates, I encourage parents to keep a record of these at the time of booking. Please note that we will not be offering Art clubs next term.

I am amazed that we have reached the end of another term. It seems that this term has gone particularly quickly and no doubt, the next term with its array of end-of-year events will also be fast-paced. Parents and boys are reminded that Term 4 begins with a shorter week for students commencing on Wednesday 7 October after the long weekend and a Staff Development Day on Tuesday.

All boys will return to summer uniform from the commencement of term.

I wish all our Trinity Junior School students and families a safe and refreshing holiday break.

WHAT DOES THE AUXILIARY DO?

The Junior School Auxiliary is an association of parents and carers who meet at the school on the first Thursday of every month during term time. The Junior School Auxiliary (in addition to the Strathfield Auxiliary and the Summer Hill Auxiliary) is a sub-group of the Parents and Friends Association (P&F) of Trinity Grammar School.

The objective of the Junior School Auxiliary is to enrich the experience of school life for Trinity families by:

- Providing a forum through meetings and other events by which parents and carers can interact positively with the school in support of their son’s education;
- Building friendships and links between Trinity families and the school though the organisation of various social activities throughout the year eg Welcome Party, Christmas Party, Mother and Son Bowling and Laser Skirmish.
- Providing other services to the school community such as the Mothers’ Day Stall, Gelato Day, Pizza Day

Fundraising is not a primary role of the Junior School Auxiliary, although it does run fundraising events. Any excess funds at the end of each year are used to subsidise social events or are donated back to the School to enhance school facilities.

Our current Auxiliary comprises of the following executive positions

- President – Carolyn Tran (Yr 6 parent)
- Vice President (Student Events) – Paula Tierney (Yr 5 parent)
- Vice President (Social Events) – Renee Jomaa (Yr 1 parent)
- Treasurer – Suria Moodley (Yr 3 parent)
- Secretary – Bibi Kaleel (Yr 6 parent)

At our AGM in November all positions will become vacant. If you are interested in becoming involved in the Auxiliary by standing for one of the above positions and would like some further information about what the role involves, please feel free to contact either myself or one of the current members of the Executive Committee.

Central Idea – Family histories provide an insight into cultural and personal identity.

On Wednesday the 16th of September the boys in Year 2 celebrated cultures from all around the world. Thank you to all the parents and grandparents that created delicious dishes for the boys to try and share. The boys were required to talk about their special dish and why they selected it.

There was pizza, tabouli, Vietnamese rolls, Greek sweets, Egyptian delights, fried rice, buttered chicken and pasta bake to name a few. We played games from the past and the boys specially enjoyed pass the parcel and playing freeze dancing to a selection of international music.

It was wonderful to watch the boy’s enthusiasm and outstanding table manners!!!!!

YEARS 3-6 CO-CURRICULAR FOOTBALL PRIMARY PROGRAMME

Boys interested in training in football once per week as a Co-curricular are invited to trial in the following times listed in the table below.

Boys selected will be following the Football Federation Australia (FFA) National Curriculum and working on skill acquisition, with focus on improving their striking of the ball, first touch, 1v1 skills and running with the ball.

The goal of the programme is for each boy to improve the above skills and for them to develop these within small sided games (in futsal and outside football environments). This programme will complement their school team training/games and their club training where applicable.

A maximum of 16 boys will be selected in each year group and the year group will be a combined Prep/Junior School squad.

Boys will be selected from these training squads to participate at the Regional Schools Futsal Championship. Eight boys will be selected from each squad to compete at these Championships. The Year 3 and Year 4 Championships are FFA directed non-competitive Championships and if the year 5-6 teams are successful they can qualify for State.
