Dear Parents and Friends of the Junior School,

It was a great pleasure to attend the Middle and Senior School Speech Day presentations last week. It was wonderful to see so many young men being acknowledged for their efforts and commitment to their studies, co-curricular activities and the School. A particular highlight was the announcement of School leaders for the upcoming year and it is a pleasure to report that two former Junior School students, Nicholas Bishop and Victor Wu, were named as School Vice-Captains. Victor was Captain and Dux of the Junior School in his final year and Nick was a School Officer and Captain of the Junior School First XI Football team. Congratulations to both young men and we will look forward to seeing them exercise leadership across our school.

Another highlight of this week was a surprise visit from the Head Master who was keen for the youngest members of the campus to be some of the first to see the new Aquatic Centre. All of the Junior School boys and teachers were very excited to be led by the Head Master on a lap around the new pool deck and we can confirm that this new facility is big, wet and looks spectacular. I have no doubt that our boys will benefit enormously from this facility in years to come as well as the other learning and recreational spaces that are still being built above it.

I have previously mentioned that the Junior and Preparatory Schools have been reviewing our approach to sport with the goal of ensuring a better experience of sport for all boys. As a result, boys and parents will begin to notice some changes. One area highlighted in the review has been preparation of our boys for their introduction to inter-school competitive games in Year 4. From 2016, Saturday participation in teams will be an expectation of all Year 4 students from the beginning of the year, rather than the Term 2 start that has been our practice. Participation in sport for Trinity will be expected to take priority over club commitments when these clash, although individual exemptions based on special circumstances can be discussed as they arise. Current Year 2 parents should also note a change aimed at giving our boys greater exposure to specific skills coaching and modified game opportunities during Year 3, in preparation for competitive games when they reach Year 4. In 2016, Year 3 boys will be expected to participate in sport sessions on Friday afternoons for four weeks per term in football, basketball, cricket and rugby as an introduction to the games programme at Trinity. These internal sessions will run from 3pm until 4.30pm and will replace the one-off gala days that parents may be familiar with. Dates will be available in next year’s Record Book and further details of arrangements will be communicated to Year 3 in the new year.
Next Wednesday morning, the K-2 boys and staff will enjoy the opportunity to have fun and compete at the K-2 Track & Field Carnival. Year 2 students are to wear PE uniform and younger students may wear sporty casual attire. Parents and grandparents are welcome to join us on the day which commences at 9.15am and should conclude by 11am.

Our Year 6 students are almost in the home straight and have been busy (not yet frantic...that will come!) finalising their presentations for Year 6 Exhibition next Thursday evening. The PYP Exhibition is an opportunity for the boys to share the culmination of their inquiries and exhibit their own development as learners. Attendance by other students, especially those in Year 5 who will undertake Exhibition next year, is encouraged. Exhibition Evening will commence at 6pm in the gymnasium and then continue in the Junior School building. Year 6 boys will need to attend from 4.45pm to take care of final preparations.

I wish our debaters a wonderful experience at the IPSHA Debating Gala Day next Wednesday and all Years 4-6 boys the best for tomorrow’s round of summer sport.

ELEVATE UPDATE

Last Friday, members of our ELEVATE core team (Mrs Bryce, Mr Dunn, Mrs Gossling, Mr Wyatt and myself) participated in the first of six workshops over the course of the next 12 months, as part of our three year commitment to this exciting project (for background information on the ELEVATE project, please refer to the article on the 2nd September).

We formed part of a ‘community of practice’, along with twelve of our fellow independent schools, one Catholic school and two government schools. The workshop was led by Valerie Hannon who is a co-founder of the Innovation Unit (a UK-based organisation and strategic partner of AISNSW) and an established global leader in the field of education innovation. As a unique group of developers we investigated future opportunities our students face and the world they need to thrive in. We also engaged in innovation and design methods to further understand the needs of high potential learners.

Over the course of the next four weeks, and with the support from AISNSW Academic Performance consultants, the core team and other staff will engage in activities which will help us to further understand the needs of a high potential learners. The process will also draw out promising practices at the School that help high-potential learners optimise their performance, as well as generating new opportunities for growth and refinement of our learning and teaching models at Trinity.

The School continues to be excited about the opportunities that lie ahead with our involvement in ELEVATE and the broader implications that go beyond our focus not only on just our most able learners, but also regarding the enhancing of all boys’ achievement across the School.

TRINITY CHRISTMAS PARTY 20th November

Let’s take a stroll down memory lane! I know several families from the Junior School were fortunate to start their time at Trinity in the Infants School at Lewisham. Well, we have been successful in securing the venue for our Christmas Party this year. Why not come along and reminisce about the wonders of this beautiful campus. It’s going to be a great night. The party will be catered by a Trinity Community business, Victoria and Hobbs Cafe, at Lewisham. Keep a look out for the invitation in upcoming newsletters.

Please do not hesitate to contact me if you have any questions about the Auxiliary.

Encouraging our boys to take responsibility for sun safety is an important part of the role of parents and coaches. It is our collective responsibility to help educate them about it. The following is an excerpt from the Trinity Sport Coach/Co-curricular Staff Information Handbook. I would ask that Parents assist in delivering this message also:

Regularly remind boys about, and continue to facilitate time dedicated specifically to:

- hydration (drink fluids, especially water; regularly, prior to, during and after training/matches)
- wearing hats and applying sunscreen
- spending plenty of time in the shade, especially in warmer weather

Boys should continue to bring and apply their own sunscreen regularly and wear their Trinity hat. For those who require it, sunscreen is made available in the School’s Front Office and at outdoor PE lessons.

PYP EXHIBITION | QR CODES
Here in the Junior School we embrace ‘connected devices’. Our Year 6 boys have been busy this week finalising their exhibition spaces to include interactive content which can be accessed by scanning QR codes.

Do you have a smart device (iPhone, iPad, Android, etc.)?
Be ready to scan before the night and download any free QR Code Scanner app from your device’s App Store! WiFi access will be available on the night.

ROUND 7 SUMMER SPORT
It was great to be back at Bressington on the weekend with the field set up for Cricket and Softball. We were fortunate to be welcomed with sensational weather to start the season and the performances by the Trinity boys didn’t disappoint. We welcomed TACAPS from Toowoomba who we hosted in our annual fixture that has been going for well over 40 years. For the first time in over 10 years our 1st XI Cricket team took the trophy home in a brilliant team performance. In other games our 1st V Basketball had a solid win against Kings and in their first match the Year 4 Tee-ball team had a draw.

This weekend we have another full round of fixtures at Bressington and I encourage parents to allow extra time as parking at the venue can be difficult.

INFANTS TRACK AND FIELD CARNIVAL
This Wednesday 21st of October, the Junior School Infants will be running the annual Track & Field Carnival. Boys in Kindergarten and Year 1 will need to be dressed in their sports gear of any kind with their green hat. Boys in Year 2 who have a PE Uniform are required to wear this uniform. The morning will be a fun, low key event, enabling all the boys’ exposure to the sport of track and field. Parents are welcome to join us for the morning.

1ST XI LOXTON CUP 2015
Last Saturday the 1st XI played their annual match against Toowoomba Preparatory School. At stake was the Loxton Cup a tradition that dates back to 1955 and something that Trinity hasn’t held since 2008.

After losing the toss, Trinity fielded first and knew that good line and length bowling was imperative. After tens overs Toowoomba had 50 runs on the board without loss. The Trinity bowlers of Theo Christian and Hunter Hannaford and Darcy Mooney bowled beautifully without luck. After a short drinks break, Trinity came out looking for quick wickets. After 25 overs, Trinity had managed to restrict Toowoomba Preparatory to only 82 runs with the loss of seven wickets. Nicholas Enno took 3/7, ably supported by Ben Robinson taking 2/11 with Darcy Mooney and Isaac Cunningham both picking up one wicket each.

Although feeling the game was in Trinity’s grasp, the boys knew that good shot selection and sensible batting were required. After losing Emmanuel Grogan early to a good ball, Nikhil Kapoor and Darcy Mooney steadied the innings batting confidently, eventually scoring 24 and 36 respectively. Trinity eventually reached the target in the 17th over with the loss of 4 wickets.

An excellent effort from the whole team and a well deserved win, finally reclaiming the Loxton Cup for Trinity after 7 years.

**JANUSZ WAWROWSKI**

(Poland) Solo Violin

Thursday 26 November, 7.30pm – Orchestra Room

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

WHAT ARE THE QUALITIES OF A SCOUT?

The original Scout Handbook from 1911 has this to say,

“And then the final and chief test of the scout is the doing of a good turn to somebody every day, quietly and without boasting. This is the proof of the scout. It is practical religion, and a boy honors God best when he helps others most.

A Youth may wear all the scout uniforms made, all the scout badges ever manufactured, know all the woodcraft, campcraft, scoutcraft and other activities of scouts, and yet never be a real scout.

To be a real Scout means the doing of a good turn every day with the proper motive and if this be done, the Youth has a right to be classed with the great scouts that have been of such service to their country.”

Phil Smith, a scout leader from Adelaide, wrote recently that there is something more than just what you see on the outside. He used a watermelon as an example - What makes you say it is a good watermelon? Is it what it looks like on the outside? Or is it what it tastes like on the inside? I know you will agree that it is what is on the inside of the watermelon that counts—unless you eat the outside, of course! This is also true of many other things. Sometimes we say, “You can’t judge a book by the cover” which is another way of stating this same idea.

Phil also said that while the outside is important, it is not the most important consideration. A real scout has to be “baked” from the inside out and not the other way around. The real scout has to have something happening in his heart not just in his appearance because that can be phony.

The word “hypocrite” comes from the times of the Roman Empire. The hypocrite was the actor of the day. He would put on a mask and become someone he was not. He would pretend, for the sake of the spectators, to be someone totally different. His inside did not match his outside. He claimed to be what he was not.

The outside of the scout should be a reflection of his heart not just a costume to make him look good to others. A REAL scout has a heart that moves in step with the Scout Law and Promise.

This term the Scout Association is looking at the Scout Law and Promise as part of its Youth Program Review. All youth members, parents and leaders are asked to contribute. The Trinity Cubs and Scouts will be looking at what it means to be a scout in relation to the Scout Law and Promise over this term so we can contribute to the review.

Congratulations this week to Harrison Brown and Aiden Murphy for completing their Pioneer level Campcraft award. Aiden also completed his Pioneer Citizenship award. William Brown was awarded level 1 Cooking and Swimming while Kelvin Kong received level 1 Gardening. Well done Scouts and Cubs!

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.
