FROM THE HEAD MASTER

PASTORAL CARE WEEK
Pastoral Care concerns and interests in School life are at the core of everything that we do at Trinity, and in many respects every day, let alone every week, is “pastoral care week”. However, over and above this daily focus we have found over the years that it is most beneficial to have a particular focus week on Pastoral Care issues, hence the background to what is now our annual Pastoral Care Week which occurs in Week 4 of Term IV every year. This year’s programme is cited on page two for your information and I trust that where possible parents will avail themselves of some of the particular sessions geared for them, or at the very least, be able to inquire of their son as to what he was able to gain from the specialist pastoral care session he attended. A reminder that Wednesday’s programme includes an opportunity for parents from all campuses to gather together at the Head Master’s Residence to uphold our boys and the School in prayer. Parents, old and new, as well as extended friends of the School community are most welcome – it would be great if we could have standing room only in the Residence on this occasion.

FROM THE MASTER OF THE JUNIOR SCHOOL

PYP EXHIBITION | OPENING NIGHT!

Dear Parents and Friends of the Junior School,

It has been another wonderful week in the Junior School. The focal point was final preparation and then the presentation of the Year 6 Exhibition Evening. Hundreds of visitors, including families, mentors, staff from all sections of the School and School Council, graced the hallways of the Junior School on Thursday evening and Friday morning. The boys of Year 6 presented through dance, display, dialogue and a range of other media, their learning journeys and some compelling calls to action based on their investigations and discovery. The displays were brilliant and the result of great endeavour and ingenuity. However, the highlight was the engagement between boys and our many guests as students enthusiastically shared their passion and expertise in particular areas of focus. The boys of Year 6 are to be congratulated on their outstanding and mature interaction with the issues and audience. The mentors and teachers, especially Mrs Duke, Mr Gaudiosi, Mr O’Young, Mrs Ormes and Mr Karagiannis are especially thanked for their encouragement, guidance and assistance as the boys worked hard to be ready for Thursday. I am sure that all who attended would agree that our Year 6 boys have undertaken a powerful learning experience and can approach the challenges that soon await them in high school with great confidence.

Wednesday was also a special morning for the K-2 boys, staff and many parents who joined us for the running, jumping, kicking and
throwing events that were a feature of the K-2 Track & Field Carnival. These opportunities form the basis for our boys’ future involvement in House and sporting events in the coming years. I think we broke a record for the most number of ribbons and smiles at an athletics event! Thank you, Mr Allum, for organising so many fun activities and to all the parents who joined in the fun and supported their sons. It was great to see some Year 3 and Year 9 boys providing support and encouragement to the boys as they participated in the different events.

Many boys have undertaken the challenge of AMEB Music examinations this week at various levels across many instruments. Preparations for these exams are always rigorous, relying on many hours of additional practice and the overcoming of sometimes considerable nerves to perform for examiners. Well done, boys, and we look forward to great news soon as your results become available.

I wish to flag a change to the way Orientation Day (November 20) will operate in the Junior School this year. In previous years, all students have ‘moved up’ for a brief taster of life in the grade that awaits them and classes for the following year have been announced on that day. This year, we will be trialling Orientation Day events that will only involve students who will be new to Trinity. Current students will continue with regular programmes and lessons on the day. Parents and boys can look forward to being advised of their 2016 class placement by letter closer to the end of the academic year.

Student leadership was addressed at Monday’s Assembly. The model of servant-hearted leadership as reflected by Jesus in placing the needs of others before self will be further discussed with Year 5 in coming weeks as they consider the various opportunities for leadership in the Junior School and as they nominate themselves for consideration in a variety of roles for 2016. Year 5 will also be asked to nominate peers who they feel are ready to embrace some of the particularly demanding captaincy and house leadership roles. The teachers will do likewise and then boys will be chosen on their readiness and willingness to support the work of the School. Next year’s captains and house leaders are announced at Speech Day. It is important to note that all boys in Year 6 take on the responsibility of being leaders within our School and will have a role in which they will serve next year.

Next week is Pastoral Care Week at Trinity, and our students in Years 2, 4 & 6 will be undertaking the annual Primary Wellbeing Survey. Years 5 and 6 will attend a performance of Sticks & Stones which has a powerful anti-bullying message. Friday also sees the finals for Years 3 and 4 in the Speech Competition after the classroom heats of recent weeks. Parents are welcome to attend from 9.15am in the Senior School Library.

INFANTS TRACK AND FIELD
On Friday October 11 at the Junior School Choir rehearsal we were very excited, because we had a special visitor. Her name was Ella Macens and she composed At the Zoo especially for the Junior School Choir. Miss Macens is studying composition at the University of Sydney.

We performed the song Ms Macens wrote to her and she was amazed by our singing. She was happy and we felt the same. Miss Macens worked hard as she workshopped the piece with us. It has a nice tune and great lyrics. The piece starts calmly, then goes into a faster tempo.

We were proud to have Ella Macens attend our rehearsal. And we were fortunate enough to sing yet another song that is written only for only us. She thought our singing was so good, especially when we pull the animal faces that we are singing about! We could tell she was very dedicated and wrote the piece to make people really feel like they are at the zoo.

We are going to Premiere the work in front of the Infants boys soon. We hope they will enjoy it.

 – Wednesday 4th November

On Wednesday 4th November we will be holding a book fair. Paul McDonald from The Children’s Bookshop in Beecroft will be our special guest. Paul will give a short presentation to the boys and then they will have an opportunity to purchase a book. Prices start from $15.

Paul McDonald has a Master of Education, working almost 20 years as a teacher of Upper Primary and Secondary. He has won numerous awards in teaching such as a Quality Teacher Award, The Premier’s English Scholarship and awards for his co-ordination of Regional Shakespearean Festivals. His interests include the development of literacy with a particular interest in reading for gifted children, Boys’ Literacy and books for adolescents. Paul won the inaugural Maurice Saxby Award in 2012 for his contributions to raising the profile of teen fiction.

Room to Read is a not for profit organization that envisions a world in which all children can pursue a quality education, reach their full potential and contribute to their community and the world. They achieve this by focusing on literacy and gender equality in education. They work in collaboration with communities and local governments across Asia and Africa to develop literacy skills and a habit of reading among primary school children.

The Junior School Auxiliary has decided that all proceeds from the Book Fair will be donated to Room to Read. So please, encourage your son to purchase a book.

TRINITY CHRISTMAS PARTY
– 20th November

Let’s take a stroll down memory lane! I know several families from the Junior School were fortunate to start their time at Trinity in the Infants School at Lewisham. Well, we have been successful in securing the venue for our Christmas Party this year. Why not come along and reminisce about the wonders of this beautiful campus. It’s going to be a great night. The party will be catered by a Trinity Community business, Victoria and Hobbs Cafe, at Lewisham. Keep a look out for the invitation in upcoming newsletters.

Please do not hesitate to contact me if you have any questions about the Auxiliary.

SUMMER SPORT – ROUND 8

Without a doubt the highlight of last weekend’s sporting results was the win by our 4A cricket team. I am told that this is the first time in many years that Trinity has won this fixture against Knox. Congratulations to all our boys across both the 4A and Year 4 T20 teams for training hard and pushing each other forward. The 4A Basketball team also had a good win, with the 4B, 4C and 4D teams showing great determination and teamwork in their games.

This week, I look forward to watching our softball teams battle it out against Trinity Preparatory School at Bressington Park. For students in the 9th and 10th Basketball teams and the 4A and 4B basketball, remember to check the draw carefully as you are playing your games on the Number 2 basketball courts on the Summer Hill Campus.

INFANTS TRACK AND FIELD CARNIVAL

On Wednesday we had our Infants Track and Field Carnival out on Number 2 Oval. We had many enjoyable activities set up for the boys including giant football, egg and spoon races and the traditional sprint and long jump events. Special mention must go to our Year 9 monitors who assisted in the event, as well as our amazing infants staff for their enthusiasm and willingness to get involved in the festivities. We even had a few parents get involved in the activities, with photographic evidence of their exploits! Thank you to the Head Master Mr Cujes for taking our parents on a tour of the new pool at the conclusion of the carnival.

HEALTHY HAROLD – LIFE EDUCATION VISIT

Last week Kindergarten to Year 2 were visited by Healthy Harold from Life Education. Kindergarten focused on health and safety. The boys’ mission was to help Healthy Harold get safely to a picnic venue and choose healthy foods for him to eat. Year 1 were recruited onto Harold’s Super-Hero Team to tackle how to ‘fly to the rescue’ case of an emergency. Year 2 went on a mystery tour with Harold to explore internal body parts such as the heart and lungs. The boys had a fabulous time!

Hailed as “one of Poland’s brightest young talents” (Strings), virtuoso violinist Janusz Wawrowski is held in the highest regard for his “utmost artistry and musical conviction” (The Strad).

As a very young student, he shot to prominence with an extraordinary performance in one evening of all 24 Caprices by Paganini, which he recorded in 2007 as his first CD.

In 2013 he signed a multi-year contract with Warner Music and will be recording next year with the BBC Symphony Orchestra. He has performed in concert halls around the world, from the Berliner Philharmonie to Piotr Tchaikovsky’s Conservatory in Moscow and many more.

He will be coming to Sydney on the invitation of Kambala, and we are thrilled he has agreed to give this recital at the conclusion of his visit.

WHAT ARE THE QUALITIES OF A SCOUT?

And then the final and chief test of the scout is the doing of a good turn to somebody every day, quietly and without boasting. This is the proof of the scout. It is practical religion, and a boy honours God best when he helps others most.

A Youth may wear all the scout uniforms made, all the scout badges ever manufactured, know all the woodcraft, campcraft, scoutcraft and other activities of scouts, and yet never be a real scout.

To be a real Scout means the doing of a good turn every day with the proper motive and if this be done, the Youth has a right to be classed with the great scouts that have been of such service to their country.

This week at Trinity Scouts the cubs and Scouts shared what they thought of some of the values of scouting as written in the Scout Law. Scouts Australia are conducting a national review of the Scout Law and Promise and have proposed two alternate versions. Feedback is being sought on the versions up until the end of the year.

At closing parade this week it was fantastic present Nathan Anjoul his Cubs level 1 Citizenship badge after he and his brother Jakob joined some scouts from 1st Balmain and 2nd Enfield in visiting the Sydney Water Police Headquarters over the weekend. 1-2-3 WOOF to Nathan.

Congratulations also go to this week to Harrison Brown and Aiden Murphy for completing and being awarded their Pioneer Badge. The Pioneer Badge brings together knowledge and understanding in Campcraft, including navigation and safety, survival and camping skills; Citizenship, including community, values, leadership and first aid; as well as one of five elective skills in Air Activities, Construction, Emergencies, Environment, Water Activities and Water Safety. Harrison had already completed the Water Safety and Environment electives, while Aiden completed his emergencies elective. Aiden also completed proficiency badges in collecting and team sports qualifying him for the Pioneer Cord. BRAVOOO to Harrison and Aiden.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs) and 10 years up to 15 years (Scouts). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.
