Dear Parents and Friends of the Junior School,

This morning was the funeral for Mr Roderick West, the former Head Master of Trinity Grammar School from 1975 until 1996. I am sure that all members of the Junior School community join with me in extending our sympathies to his family and our gratitude for Mr West's many years of service to the School. We are greatly indebted to him for the wonderful school we enjoy today.

It has been a pleasure to see the boys and staff productively engaged in many contexts this week: engaged in the classroom; training for sport; practising cheers in House meetings; exploring new play spaces; demonstrating respect for others in their listening, manners and cheerful greetings; and learning with and from one other. A special mention goes to Ethan Yiu and Zeke Gourlas who did a terrific job as K-2 Assembly leaders on Wednesday.

Class and individual photos were taken by Melba Studios on Wednesday and it was appreciated that boys had attended to uniform, hair and shoes in preparation. I apologise that details of purchase are not yet available. We are working with Melba to simplify the process and reduce the cost of typical packages purchased by parents and I hope to finalise and communicate these details to all parents next week.

Thirteen Year 6 students selected for positions of responsibility as School and House Officers will be commissioned at a service attended by their families and the Year 3-6 students and staff on Monday at 8.45am in the Chapel. The House leaders have already assisted in leading a House meeting and will be very active during next week’s swimming carnivals. The rest of Year 6 will be advised of their individual leadership roles next week.

Next week will be a big week in swimming. On Tuesday, our primary students will attend and participate in our Junior School Swimming Championships in the new Aquatic Centre. Some boys will then qualify to compete in championship races at the School Swimming Championships on Thursday. All Trinity boys attend this carnival and are bussed to and from school to Sydney Olympic Park. Please ensure that your son is at school on time on Thursday as busses will depart promptly. All boys will return to school in time for usual dismissal. Please refer to the note distributed by Mr Allum for full details. Following a number of enquiries this week, parents are asked to note that no morning or afternoon ‘recreational swimming’ will be held in 2016 at Trinity.

There are a number of upcoming parent evening events:

- **Year 2 Parent Gathering** (Monday) and **Year 1 Parent Gathering** (Tuesday) – these evenings will commence at 7pm in the Junior School Library providing an opportunity for parents to meet with myself, Mr Paull Mayne and the Head Master to address any continuing concerns around the incidents reported in the media. These evenings are not compulsory but are available to any parents who feel it may be beneficial. There is no need to reply in advance.

- **Years 3-6 Information Evening** (Wednesday) – will commence at 7pm in the James Wilson Hogg Assembly Hall (staff will be on hand to direct parents from the carpark) with a general presentation to parents. At 7.30pm we will move to classrooms where teachers will brief parents on routines, class procedures and programmes. The evening will conclude by 8.15pm. Parents are reminded that this is not an opportunity for individual parent-teacher meetings. If necessary, parents can arrange another time with staff to meet and address specific concerns. These sessions are for parents, not boys. OSH Club will provide child-minding at no charge for parents who are keen to attend but unable to make other arrangements.

- **K-2 Parent Information Evening** (Monday 15th February) – details are as above for the Years 3-6 evening with the exception that the initial session will be held in the Junior School Library commencing at 7pm. Again, OSH Club child-minding will be available.
I neglected last week to mention a further change to staffing. Mrs Ronnie Pratt remains as Junior School Visual Arts teacher but has opted to work part-time. We welcome Mrs Finella Clark as a Visual Arts teacher who will take lessons on Thursdays and Fridays.

After School Clubs commence next week and include offerings in art, chess, cricket, swimming, rugby, tennis, athletics, drama, engineering, coding and Mini-mites. Details and bookings can be made through the Trinity Community Directory (http://community.trinity.nsw.edu.au/).

From next week (commencing 11th February), Vivaldi Strings will take place on Thursday mornings commencing at 7.15am and concluding at 8.20am, in time for the boys to be in the Junior School for morning announcements and the commencement of lessons. This will avoid a clash with “A team” Sport Practice sessions on Tuesday mornings. Parents of boys in Vivaldi should have received notification of this change earlier today.

In coming weeks, we will host two Family Services:

- Latham and Founders – Sunday 14th February at 10am in the School Chapel
- Taubman and Young – Sunday 6th March at 10am in the School Chapel

Attendance is compulsory for boys in Years 3-6 and families are encouraged to attend as well, as we meet to build our community and be encouraged by a message from God’s word. Boys will need to have their names marked off by their House Master. If an exemption is being sought, please request this in writing to me prior to the day, explaining the reason. Wherever possible, boys who are granted leave from their House service are encouraged to attend the other Houses’ service instead. Morning tea will be served after both services.

Prior to the commencement of school, teachers across both campuses participated in a number of professional development sessions to ensure that we continue and model our own learning. Of particular note was a one-day workshop focussing on the conceptual nature of learning. Teachers are committed to pursuing individual and corporate professional development opportunities throughout the year and look forward to applying their learning to deepen and enrich the curriculum for our boys.

Boys in Years 4-6 are wished all the best with their first round of inter-school sports competition tomorrow morning. Details can be found on the sports page of this newsletter as well as through the Community Directory. Please ensure that your son is at his venue, in correct uniform and ready to warm-up 30 minutes prior to his game.

We have the stated goal of lifting the quality of the Sports programme this year. This includes the introduction of the compulsory Year 3 Sport programme which commences next Friday afternoon and runs for four weeks this term. The sessions will complement the PDHPE programme and Thursday sport sessions, to provide the boys with the necessary skills and games experience to prepare them for competitive IPSHA games from the beginning of Year 4. All sessions commence at 3pm and conclude at 4.30pm. Term 1 sessions are at the Summer Hill campus and we will be joined by the Year 3 classes from the Preparatory School. Parents are welcome to attend or are asked to be punctual for pick-up. Boys booked into OSH Club can still go to OSH at the conclusion of the session. Full details of the programme will be issued to parents via a letter from Mr Allum.

I look forward to seeing many of you during at least one event in the following week.

LIBRARY NEWS

JUNIOR SCHOOL LIBRARY

WELCOME TO TERM 1 2016

The Junior School Library is open before school, second half of lunch and after school for boys (and parents) to borrow books, return books and enjoy time in the Library space. We would like to particularly encourage parents of boys in K-2 who drop their sons at school in the morning to come down from 8am and spend some time reading or browsing the Library collections. For all those who are new to the Junior School, library opening hours (in addition to regular school hours) are outlined below:

> Monday – Friday: 8am - 8.30am and 12.50pm - 1.10pm
> Monday-Thursday: 3.15pm - 4pm

We plan to have regular library lunchtime activities, as trialled in Term 4 last year, starting soon. Further information on library opening hours, borrowing criteria and collection access can be found by following the Library course link in your son’s Canvas course, or by emailing ggratton@trinity.nsw.edu.au.

We encourage boys to suggest titles to be added to the Library collection, and this can be done through the discussion board on the Library Canvas page or by speaking to Miss Gratton or Miss Anagnostopoulos.

1H MEETS FLAT STANLEY

Last week, 1H had a special visitor during their library time. Mrs Klein visited from the Arthur Holt Library in the Senior School to share a letter she had received from America with the boys in 1H. Dylan, a year 1 student in a school in America, had been reading Flat Stanley in class and the students in his class had made their own Flat Stanleys to send around the world. The boys in 1H were very excited to read Dylan’s letter, and have their photo taken with Flat Stanley and a toy koala to show Dylan that his friend had made it to the other side of the world!

As a follow up this week we have been reading Flat Stanley, and the boys in 1H had a fantastic time creating their own, unique Flat Stanleys (or Flat George, Flat Harry and Flat Cyril!!) which we will fold up and send to classes around the world with letters that the boys will write. This has provided an authentic opportunity for students in Year 1 to create global connections, and leads nicely into discussions about other countries and learning environments around the world. Many thanks to Miss Hexton for her enthusiasm and willingness to include her class in this impromptu but valuable learning opportunity.
Dear Parents, especially those who have boys starting this year,

We would like to remind you of several changes that have occurred creating a different pathway to your existing online information for current members of our community.

Importantly for you to note is the new URL address community.trinity.nsw.edu.au.

This new location community.trinity.nsw.edu.au should be your new default ‘Go to’ page for all things Trinity!

Here you may confidently obtain the latest Bulletin/Newsletter and sports fixtures. You will also be able to pay school fees, book physio appointments, order your son’s lunch and much more.

This site also contains all the other in-house information that you require with some changes made to make the user experience enjoyable. It is important that you save this new community URL to your bookmarks or favourites list.

To save this link for example, in Google Chrome, click the star icon at the top right hand side of your address bar; if you use Safari, click the bookmarks button at the top right hand side of your address bar and click favourites from the drop down list; or in Internet Explorer, select Favourites from the menu and click “add to favourites...”.

Please take the time to familiarise yourself with the new presentation and locations. Most importantly, once familiar with the site, we hope you will be able to locate and share all the information you require much more easily.

FROM THE SPORTSMASTER

It has been a very fast start to the year!

The boys are enjoying getting into their PE lessons, learning new skills and revisiting old ones. The FAST programme has also started well as we endeavour to not only make our boys active, but also active in the correct and right way.

This weekend (6th of February) sees the commencement of IPSHA competition for Years 4 - 6 teams across Cricket, Basketball and Softball. Save the link below to your favourites for easy online access to fixtures each week.

GAME TIME AND LOCATION

Please pay careful attention to the fixtures list, noting time and the venue most importantly. Please be at the venue at least 30 minutes prior to the commencement of the game.

Good luck to all teams. Remember boys, parents and spectators that win, lose or draw, what we want to see is a great, hard game where it is played in the right manner and spirit. Throughout the game it is of absolute importance that sportsmanlike conduct and behaviour is in line of that of a true Trinitarian!

SWIMMING CARNIVALS

Next week is a big week of swimming for the Year 3-6 boys and some selected Year 2 boys. We have two days out. The first is Tuesday at Summer Hill and the second is Thursday at SOPAC (Homebush). You should have received these notes in Week 1 and they should have been returned to class teachers.

To those boys who have been selected in the 1st and 2nd V Basketball teams or the 1st/5A and 4A Cricket teams in 2016 there is a compulsory session each Tuesday morning from 7am commencing next week. The Basketballers will train on the outside courts under the direction of Miss Price. The Cricketers will be training at Summer Hill on Number 3 oval at the same time.

Once again if you have any questions or unsure of the requirements of the boys to attend their Saturday sporting event, please do not hesitate in getting in contact with myself on 9581 6136.

Chris Allum | Sportsmaster

SWIMMING

No morning or afternoon ‘Recreational Swimming’ will be held in 2016 at Trinity.
The Summer Hill Scout Group is back again for another year of fun and adventure. Trinity Grammar proudly maintains the tradition of the school sponsored Scout Group as part of its co-curricular program. The Scout Group was originally attached to the School’s founding church at Holy Trinity Dulwich Hill. The group is run by volunteer parents and this year we are fortunate enough to welcome two new parent leaders so we can fully cover Cubs, Scouts and Venturer Sections.

Over the January break two Scouts, Adrian McManus and Aiden Murphy attended the Australian Scout Jamboree. The first week, with 5 straight days and nights of non-stop rain, was a challenge for all. Fortunately the can-do attitude of scouts meant that the activities continued and a great time was had with over 8,000 scouts from all around Australia and number of other countries also coming to join in the fun. Jambaroo waterpark was a highlight as was the many activities on site including “Challenge Valley”.

This term we are brushing up on first aid and hiking skills while our first big activity is Founders Day on 21 Feb. We look forward to having new members join our group which meet at 6:00pm after School on Tuesday evenings in the Old Gym on the Summer Hill Campus.

Every Scout a Leader

We tend to focus only on directive leadership roles when we are thinking about engaging our Scouts in leadership, but every Scout can (and ought to) be a leader. Here’s some thoughts you can use to encourage all of your Scouts to engage in leadership.

Leadership is much more than standing in front of the group giving directions. Over the next few weeks we’ll be publishing part of an article on how leadership is conducted within Scouts. There are four ways every Scout is a leader – First you lead yourself, second you follow cooperatively, third you help your fellow Scouts, and fourth you shape the directions and plans for your patrol and troop. You may be all four kinds of leader at once, other times you may be focused on a particular way of leading, all four ways are equally important.

Part 1. Self-Leadership - Self-leadership means being prepared in whatever you do, having personal initiative and character, taking care of yourself spiritually, mentally and physically. If you are prepared, you’ll be able to participate actively and help your fellow Scouts. Being prepared means you don’t have to depend on others so that others or can depend on you.

Examples of self-leadership include when you go camping you have the gear you need, and know where to find it; you have practiced the skills required to take care of yourself and help your fellow Scouts; and during any activity you are focused on participating rather than just watching.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.
