Dear Parents and Friends of the Junior School,

It is the School’s aim to engage in ongoing communication between home and school, and to provide parents with timely, regular and meaningful feedback regarding their son’s achievement, growth, future goals and application to their learning. Hence, we are embarking on a new reporting format in 2016. Today, you will have received notification about how to access your son’s first Interim Report, identifying specific areas of achievement and an area for future growth in English and Mathematics. You are encouraged to read this in conjunction with work samples and student self-reflections that serve as evidence of learning made available mostly via Seesaw. Please contact your class teacher or the Junior School Office if you are having any difficulty accessing any of these services.

From next Wednesday until the end of Week 9, teachers will be hosting conferences for all year groups. These are a terrific opportunity to discuss your son’s start to the school year, his first Interim Report and progress throughout Term 1, and establish goals for the rest of the year. Constructive feedback and open dialogue have the potential to improve motivation, address difficulties, inform goal setting and enhance learning. Parents should have received an email with information about booking online. I encourage all parents to make this meeting a priority and to book in a time to meet with the teacher. Conferences will be held in classrooms. Whilst it is not mandatory, students in Years 1-6 are encouraged to attend and participate. In Kindergarten, there is no expectation for students to attend. All boys who attend are expected to wear School uniform.

This week in Assembly, I spoke to the boys about social skills, particularly the need to attend to the feedback they receive from the words, tone and body language of others. Being mindful of these messages can help us better understand the impact we have on others and avoid conflicts that can arise when we pursue conversations, games or other actions oblivious to the discomfort or displeasure caused to those around us. It was a message far more creatively and entertainingly delivered by Year 5 in their Social Skills Musical on Thursday afternoon. The play was a culmination of the Social Skills lessons that have been the focus for this term’s Life Skills programme. The boys and staff of Year 5 entertained and educated a packed audience of parents, teachers and Years 3-4 boys with songs and the story of four super heroes with not-so-super social skills. The play contained powerful and practical lessons for all who presented or watched it. Well done, Year 5!

Some tired Year 6 boys will spill off the bus this evening after three very full days and nights in Canberra which have included visits to the various museums, memorials, institutes and houses that are the educational destinations of our nation’s capital. We look forward to hearing about the highlights next week. Despite their tiredness, it is the expectation that all boys are present for sport in the morning.

I wish to thank the Junior School Auxiliary for extending some of the funds raised in 2015 to purchase items for the Junior School. We will soon have a flagpole in the Junior School courtyard (as 2015 Year 6’s gift to the school), portable football goals at Bressington and portable play equipment for the K-2 playground due to the hard work of the Auxiliary. Next week, the Auxiliary will be providing an ice-block for all Cross Country runners and are organising a Gelato Day to coincide with Easter Hat Parade (more details to follow) and a Mothers’ Day stall early next term. The next meeting is Thursday April 7th with all keen parents invited to attend and contribute.
It is timely to remind your son to check the lost property box (located outside Year 3) for any missing items. Parents are also reminded of the importance of clearly labelling all their son’s clothing. Whilst we encourage the boys to develop responsibility in this area, it is inevitable that enthusiastic boys who are regularly required to move around the school will eventually leave something behind. Lost items have a greater chance of being returned to their owner if they are clearly labelled.

We continue to explore avenues through which we can engage with the wider Trinity community and beyond. We have recently created a dedicated Junior School Instagram account through which we look forward to sharing with parents (the boys are too young for Instagram!) a variety of our learning adventures. Our Instagram account features images, videos and stories submitted by class teachers from K-6. For example, if you follow us, you will have already seen some of the fun Year 6 has been having in Canberra! We hope you will enjoy receiving a daily snapshot of life in the Junior School at https://www.instagram.com/tgsjuniorschool/.

Thank you to all boys and families who have supported OIC Cambodia. At school, we have received over $2100 to support the provision of speech therapists in underprivileged communities. There have also been many donations on-line which will significantly boost this amount…the count continues!

Tomorrow morning we hold the first of this year’s Open Days in the School as well as our final round of summer sport. Thank you to all parents who have transported, encouraged and supported the boys during the first half of our summer sport season. Special thanks to those parents who assisted in scoring, umpiring, coaching and warming up the boys. I also thank Mr Allum and the staff whose commitment to coaching the boys has helped make this part of our season most enjoyable. I wish you all a restful weekend, although advise the boys to try and fit in at least one run/jog/ lap-around-the-park in preparation for next Friday morning’s Cross Country Championships.

Mark Dunn | Master of the Junior School

### ABSENTEE INSTRUCTIONS

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone APP and follow the prompts
   (From the APP home page select Junior School the select Absentee Form to open the absentee form). Instructions for installing the APP on your phone can be found by click here.

2. Using the Absentee email address jsabsentee@trinity.nsw.edu.au
   Also, if you wish, you can ‘CC’ the class teacher on this email.

3. Lastly, you can phone 9581 6144 and leave a message with your son’s name and class.
MY SCHOOL MEDIA REPORTING

Data from the NAPLAN tests in May, 2015, became publicly available this week on the MySchool website. This data has been accessible to schools and individual families since August last year, with an overview of our School’s results appearing in the Bulletin on Friday 28th August last year. Whilst again acknowledging the continued outstanding academic standards being displayed by our boys in these tests, and the very significant growth achieved, it is also important to note the excellent work that has been undertaken since these results were released to target further growth opportunities to continue extending the learning gains for our boys.

It is disappointing that certain sections of the media still report on the MySchool website in ways that reduce the value of schooling to a single measure of NAPLAN test results. In relation to Trinity, unfortunate statements were used to compare the average of our boys’ Year 5 data with the data from a local primary school, without acknowledging that this school has a Year 5 intake of 60 new “gifted” students from the broader Sydney area as part of their Opportunity Class Programme. You would expect this school’s average results in Year 5 to shine with such a substantial “selective” intake.

Such one-dimensional views of school effectiveness, along with misleading comparisons, unfortunately create a melancholy view of current education reporting in the media. We are proud to be an open-entry, non-selective boys’ school. We seek to engage the Mind, Body and Spiritual development of all our boys, encouraging them to “…grow in wisdom and stature and in favour with God and man.” Our commitment to academic excellence, within this holistic educational framework, remains central to our core mission.

The last two years have been excellent for the Junior School Choir! The Choir have been lucky to work with Professor Matthew Hindson AM over the last two years, who is Chair of Composition at the University of Sydney. He is one of the most-performed and most-commissioned composers of his generation. Through Professor Hindson we have had four composers write new works especially for our Choir. Professor Hindson is now an acting Associate Dean, so we will be working with Dr. Damien Ricketson in 2016. Dr Ricketson co-founded the Ensemble Offspring and is now acting Chair of Composition at the University of Sydney. By the end of today, Dr Ricketson’s composition students will have submitted their applications to work with the Choir for 2016. We hope to introduce the two successful emerging composers in our next column.

Recently at Trinity, we have held the soloist competition where many people all over our school have come to compete in brass, string, piano and voice competitions. All of the boys who participated in this competition played well and with great bravery and enthusiasm. The following boys from the Junior School were selected to play in the finals concert to a packed audience on Monday night in the Orchestra Room.

Thank you for all the boys who participated and most of all thank you parents for your support.

This term the Choir performed in both Family Services led by Mrs Ortega and James Watson 12We, Senior School Co-Captain of Music. The Junior School Concert Band also played at the Monday assembly on 7 March to an appreciative audience. Congratulations also go the following boys, who have performed in our weekly assembly this term:

> Timothy Woodyatt on piano
> George Dedousis on viola
> John Dedousis on cello
> Ari Guan on piano
> James Hardiman on french horn, and
> Oscar Hindle on piano
> George Dedousis JS Music Captain
> John Dedousis JS Donald Holder Scholar

Trevor Adams | Junior School Music Director
INTRODUCING OUR 2016 LIBRARY CHAMPIONS

We are excited to have six Year 6 boys undertaking a leadership role as our Library Champions for 2016 (pictured opposite from left to right): Nathan Wu, Sam Darling, Alexander Berg, Timothy Woodyatt, Nicholas Papadopoulos and Joshua Chu. These boys will be involved in different events and activities including National Simultaneous Storytime, Book Week, purchasing items for our library collection, running lunchtime activities and planning a display each term. Over the next few weeks I will introduce the boys, beginning this week with Joshua Chu and Nicholas Papadopoulos. Library Champions are ambassadors for our library services, space and collections and will be happy to chat to you about new initiatives and new books throughout the year.

About Me | JOSHUA CHU
Age: 11
I enjoy reading but it really depends on the book that I am reading. I am more than happy to promote the library and choose the books for the library. I’m very excited for this term!
> Favourite book: The Power of One
> Favourite series: Killer Species

About Me | NICHOLAS PAPADOPOULOS
Age: 10
I’m one of the Library Champions. My favourite book series was when I was 5 was Zac Power. Now, I like reading Harry Potter, Star Wars and David Walliams books including Gangster Granny, Billionaire Boy and Awful Auntie. Those are my favourite books. I’m excited to be a Library Champion because the other champions and I are going to make the library a better place.

PREMIER’S READING CHALLENGE IS NOW OPEN

The Premier’s Reading Challenge for 2016 is now open. PRC provides an opportunity for all boys in the school to select books to read over the next few months from an age-appropriate challenge list. If your son is new to Trinity or has not previously participated in the Premier’s Reading Challenge, he has automatically been assigned a login and password. Keep an eye out in his Record Book next week for these details, which you can use to login to the website should he wish to participate. If your son participated previously and has forgotten his password, please email Miss Gratton ggratton@trinity.nsw.edu.au and we will generate another one.

Boys in K-2 need to read 30 books (at least 25 of which need to be from the list) and students in Years 3-6 need to read 20 books (with at least 15 being on the list). Students in K-2 may read the books themselves, have help or have the books read to them. We will be reading some of the books during Library sessions for K-2. The Library will have a range of books from the list, clearly marked as PRC books, and you can also borrow books from your local library or buy them from bookshops. Each student who wishes to participate needs to enter the books they have read in their online reading log, before the challenge closes on 19 August.

Please visit the PRC website for more details: https://online.det.nsw.edu.au/prc/home.html

Please be aware that boys entering their books on a reading log (and thus participating in the challenge) may receive a PRC certificate and their name may appear on the PRC Gold and Platinum Honour Roll. Their certificate will have their name and school printed on it, and the Honour Roll had names listed by alphabetical order but does not mention the school name.

YEAR 4 STATE LIBRARY AND AUSTRALIAN MUSEUM EXCURSION

Last Friday, Year 4 enjoyed a visit organised by Miss Gratton to the State Library of NSW and the Australian Museum. The boys are beginning their next UOI centred on the transdisciplinary theme ‘Where we are in place and time’, with a focus on exploration and its impacts – personal, local and global.

At the State Library the boys got into character, learning about British Colonisation and dressing up in the ‘Costumes of the Australasians’, based on a State Library painting. They enjoyed a tour of the library, stopping to view the Mitchell Reading Room and the marble replica of the Tasman Map, before participating in a source analysis activity with historical artefacts in the Amaze Gallery.

After a quick walk down Macquarie Street and a bite to eat in Hyde Park, the boys visited ‘Trailblazers: Australia’s Top 50 explorers’ at the Australian Museum, working in small groups to identify different motivations for exploration, with each group focusing on a particular explorer. For more images from the day follow us on Instagram: @tgsjuniorlibrary or check out the next issue of Trinity News.

Gillian Gratton | Teaching and Learning Librarian
Year 3K had an exciting time in the art room taking prints from real fish. The octopus was a great hit with the boys. At the end of the session the boys came up with words to describe the experience.

Fun; Squishy; Wet; Smelly; Dramatic; Arty; Awsome; Wet; Ink everywhere; Messy; Weird and funny. Next week 3N will have an opportunity to have a direct encounter with the slippery, smelly fish when they do their printmaking session with Mrs Clark.

FROM THE SPORTSMASTER

ROUND 5 WINTER SPORT

Saturday saw us greeted with sensational weather for our Round 5 fixtures. I was fortunate to be at Bressington Park for the morning and watched our 1st, 2nd and Super 8 cricket teams come away with good wins against Newington Wyvern. I must make special mention to Riley Janjis who hit a scintillating 27 runs from 7 balls in a thrilling innings. This performance was followed by Jude Robinson who displayed great patience in his 27 runs setting the team up for victory.

I continue to be impressed with the effort our boys put in week in and week out. This was particularly evident in the 7th and 8th Basketball teams who continue to improve and are displaying fine individual and team attributes as they compete together each week. With only one round of sport to go I encourage all our boys to give their best both on and off the sporting field.

WINTER SPORT TRIALS – BEGINNING WEEK 8

Trials can be a source of stress for some players, especially if they feel they have to ‘live up to expectations’. Players’ levels of performance change as they change in age, maturity, sporting experience, knowledge and fitness. As with other areas of development, sporting skills improve in different players at different rates. Parents and selectors need to be mindful of this and need to reassure players that doing their best and being a participant are the most important aspects of sport. Coaches and I are happy to discuss boys’ needs to enhance their progress and enjoyment. At the conclusion of the trials, coaches announce their squad. Selections reflect the current best players for specific positions. The team selections remain the prerogative of the School and are fluid.

CROSS COUNTRY

It was great to see over 25 keen runners each Friday for our Cross Country sessions. Well done to the parents who joined in and showed their sons the importance of a healthy lifestyle regardless of age or ability. Don’t forget that next Friday the 18th of March we have our annual House Cross Country Championships. Boys are to wear their House Shirt and PE Shorts. Races begin at 9:00am with our inaugural Year 2 fun run!

www.trinity.nsw.edu.au
Scouting adventures including hikes and expeditions is not all about physical fitness, most of the effort is in the mind - it is about remaining focussed within yourself and regulated as a part of the group you are with. Being mentally alert requires being aware of your surroundings through noting how the vegetation is, what are the landmarks you see, the evidence of animals, how has this changed and, just in case you have walked in a big circle, have you seen this before? Meanwhile you are also counting your paces to work out how far you have travelled and checking your compass to make sure you are still travelling in the right direction.

In this week’s episode of the current SBS tv survival series Bear Grylls’ Mission Survive the British celebrities are entering the final stages of their expedition in a South American jungle. The challenges of survival are mental challenges such as remembering not to leave items behind when you stop for breaks, eating high protein insects for survival and overcoming fears as you work out how to safely traverse natural obstacles such as deep ravines and water falls. There are tensions within the team and failings that are picked up as mental fatigue sets in, yet they remain physically fit. These are all extreme examples but they highlight the importance of being mentally awake.

To help keep our minds awake for adventures we need to give our brains as much exercise as our other muscles. This week at Scouts the Venturers led some simple mental challenges and quizzes. This involved careful listening, lateral thinking and acute observation. These were harder for some than others, yet with practice we all became better and more agile with our minds.

Fortunately the level of thinking can be shared in many ways amongst the group of you that are hiking by using the mental strengths of those in your group, but this is only successful if you are working as a team. So to balance the evening we also played some games that showed how being an effective team will improve your results and make the activity you are doing far more enjoyable.

We also had a special closing parade this week with the investiture of Nick Magoulas (7Sc) into the Scout Troop, the presentation of the Sixer badge to William Brown (4Ta) in the Cub Pack, and the awarding of the Venturer Service Award to James Field (10Yo) for his dedicated weekly service over the last two terms in assisting with the running of the Cubs and Scouts. Meanwhile James Hull (10WH) successfully attained his Venturer Unit Management badge and the practical activities of the Venturer Initiative badge at a training course held at Heathcote over the weekend.

Cubs and Scouts will continue to meet next week for Junior School and Prep School students while the Middle and Senior School students are on Service Week.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programs for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the old gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm.

**Young Archimedes Enrichment Forum – A Framework for Gifted and Talented Learners**

**Date**  Monday 18th July 2016

**Time** 8:00am - 4:00pm

**Where** Centenary Centre

Trinity Grammar School Summer Hill,

119 Prospect Road, Summer Hill NSW 2130

**Cost:** $60 per person

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop extra-curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

---

**Workshop topics to be covered**

**Workshop 1**

Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPp)

**Workshop 2**

A famous Mathematician by the name of George Polya once said, “It’s better to solve one problem five different ways than to solve five different problems.”

**Registration Process**

To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

**Payment of registration entitles students to:** Attendance at both workshops, Recess, Lunch and Forum Satchel and Stationery.

**Proudly supported by**

Gifted Families Support Group Inc.

Inquisitive Minds

For all enquiries please contact Dr Fred Osman | Enrichment Coordinator on 9581 6040 or fosman@trinity.nsw.edu.au
TRINITY GRAMMAR MULTI-SKILLS CAMP
APRIL SCHOOL HOLIDAYS 2016
YEARS K-6

Improve your sports skills and fitness with 4 days of intensive multi-skills coaching. Learn skills at appropriate learning levels, so that you gain the knowledge, confidence and experience to ensure success and long-term development.

Mr Ian Moran, PDHPE teacher at Trinity Grammar School will be conducting the clinic.

Participants will have the opportunity to improve skills in the following areas:

- Basketball
- Cricket
- Soccer
- Touch Football
- Swimming
- Hat
- Towel
- Swimmers
- Drink bottle
- T-Ball
- Fitness
- AFL
- Athletics
- Hockey

COST $290 for 4 days
All participants will receive drinks and fruit daily

Trophies are awarded each day to boys who show commitment, co-operation and determination.

A BBQ lunch will be provided on the Thursday of the clinic.

CLICK HERE TO BOOK ONLINE NOW

Any questions please contact Mr Moran via email: imoran@trinity.nsw.edu.au
All payments are non-refundable.
CURRENT EXHIBITIONS

Stop by Delmar Gallery over the next week and enjoy two brilliant exhibitions! “Miao Textiles” and “Gunungan” by Bagus ‘Gonk’ Prabowo were opened last Saturday by the Mayor of Ashfield, Councillor Lucille McKenna. They will remain on display until Sunday 20 March. The gallery is open Wednesday through to Sunday from 12-5pm.

Yogyakarta artist Bagus ‘Gonk’ Prabowo is currently international artist-in-residence at Ashfield Council’s Thirning Villa. He will be in Sydney for three months, and as part of his residency we invited him to present an exhibition of his batik work, soft sculpture and installation centred on the theme of “Gunungan”. In Javanese tradition, Gunungan symbolises peaceful living, guided by sharing, contemplation and appreciation.

During the exhibition, Bagus will be running a workshop with Years 1 & 2 Trinity students. And on the last day of the exhibition (20 March), you can see a performance version of “Gunungan” at Ashfield Council’s Carnival of Cultures, in which Bagus is participating. He will also be holding FREE batik workshops every Saturday from 9am – 1pm at Thirning Villa, until 23 April. Works in the exhibition are for sale.

“Miao Textiles” is a small focus exhibition featuring the exquisite silk embroidery of the Miao People of southern China. The pieces on exhibition are primarily panels from traditional costumes — festival jackets, baby carriers, back aprons and embellishments. The textiles are sourced from a private collector in Sydney.

Images: 1. At the exhibition opening: Peter Green, Deputy Head Master; Councillor Lucille McKenna, Mayor of Ashfield; artist Bagus ‘Gonk’ Prabowo and his partner, Yohana Roharjo; Catherine Benz, Curator, Delmar Gallery and Convenor, Society of the Arts 2. Anthia Hart, Arts and Cultural Development, Ashfield Council with Bagus ‘Gonk’ Prabowo 3. Efendi Jaenudin performing beautiful Indonesian traditional music during the opening 4. Gallery visitors participating in Bagus’s art exchange!

NEXT CONCERT | VERONIQUE SERRET & BREE VAN REYK Violin & Vibes
Tuesday 15 March, 7.30pm, Delmar Gallery

“Serret's playing is flawless” - Time Out Sydney. “Astoundingly impressive” - Limelight.

Two phenomenally creative and multi-talented musicians come together in a new duo project you simply can’t afford to miss!

Violinist Véronique Serret and percussionist Bree van Reyk discovered they shared very catholic musical interests while playing together in outfits as diverse as CODA, Australian Chamber Orchestra and Sarah Blasko’s band.

With little existing repertoire to draw on for vibraphone and violin, van Reyk and Serret have risen to the challenge and for Tuesday’s concert will present a highly original, wide-ranging program: think re-imagined Bach inventions meet Appalachian-influenced folk songs, Finnish reels, deep Congolese grooves and add in newly commissioned Australian works plus self-styled improvisation, for a wild musical ride!

Serret is currently Concertmaster with the Darwin Symphony Orchestra. Her 2016 international engagements include tours with Sydney Dance Company and Joanna Newsom's band.

Van Reyk is a core member of Ensemble Offspring and Synergy. 2016 will see van Reyk appear at MOFO and Sydney Festival, tour with the ACO and compose a soundscape for the Venice Architecture Biennale.

Tickets from $20, free for Trinity students and Society of the Arts members.

Book online at trybooking.com/JZDT

Concert duration: approx. 60 minutes (no interval)
Light refreshments will be provided after the concert
Doors open 7.20pm. Unreserved seating.
