Dear Parents and Friends of the Junior School,

It was a pleasure to watch the boys compete with one another and themselves in this morning’s Cross Country Championships and Year 2 Fun Run. Distance running challenges boys to persevere and push themselves when their natural instinct can be to stop. Achievement can take many individual forms in this kind of challenge. Congratulations to our age champions and those who have qualified for IPSHA. Well done also to boys who ran better or further than they ever have before. For many, finishing the race without stopping to walk may be a personal milestone now achieved or a goal to set for next year. Thank you to the Auxiliary for the ice-blocks that helped to ease the pain at the finish line.

Next Monday is Harmony Day, a national day for celebrating Australia’s cultural diversity. It’s about inclusiveness, respect and a sense of belonging for everyone. The central message for Harmony Day is that ‘everyone belongs’. It fits well with our own CoRe value of respecting others through appreciating their differences. All students will participate in class activities during the week based on the theme, “Our diversity is our strength, because we...”. Parents can find out more about Harmony Day by asking their sons about it next week or by visiting http://www.harmony.gov.au/.

Parent-teacher-student conferences continue next week. I trust that parents have appreciated the opportunity to discuss your son’s start to the school year and his progress. Teachers have appreciated the opportunity to share their understanding of each boy and set goals for the rest of the year. I ask parents to be mindful of being on time as teachers with back-to-back appointments rarely have the flexibility to extend meetings if you are late.

A final thank you to all boys and families who have supported OIC Cambodia. On-line donations have reached $11,480, meaning a grand total with cash donations of $13,650, which enables OIC to reach 687 kids who need speech therapy. Special mention goes to Oliver Walker who embraced the idea to the extent of going a full day without speech on the weekend and raising over $7000! Great leadership, Oli!

Next term, all students in Years 3, 5, 7 and 9 will undertake NAPLAN on 10th – 12th May. Information for parents can be found on the ACARA NAPLAN website (http://www.nap.edu.au/naplan/parent-carer-support/parent-carer-support.html) and parents of boys in these year groups will receive more information closer to the time. Parents of boys who may be eligible for special provisions will be contacted by TESS Learning Support or your child’s class teacher well in advance of the assessments.
Congratulations to the School Swimming Team who were victorious in the CAS Swimming Championships last Thursday night with a narrow victory over Knox Grammar School. This is the 13th consecutive year that Trinity has won the swimming, a remarkable achievement. As has become the custom, the Head Master has announced **an early finish to school on the final day of term**. All Junior School boys will be dismissed prior to lunchtime. K-2 students will conclude the term at 12.15pm. Years 3-6 will conclude at 12.30pm. Boys will be walked to the carpark for pick-up as usual. Supervision will be provided for boys who are unable to go home between dismissal time and the commencement of OSH Club at 3pm. Please note the special bus departure times on this day for boys who utilise public transport:

| Ashfield Station | 562 Government Bus | 1:00pm |
| Kingsgrove Station | 566 Government Bus | 1:00pm |
| Liverpool Rd/Holden Street | 418 Government Bus | 1:22pm, 1:43pm |
| Ashfield Station/Five Dock | 406 Government Bus | 1:38pm, 2:39pm |
| Balmain | 445 Government Bus | 1:38pm, 1:58pm |
| Allawah | Telfords Bus | 1:00pm |
| Cronulla | Telfords Bus | 1:00pm |
| Concord | Telfords Bus | 1:05pm |
| Strathfield 1 | Telfords Bus | 1:05pm |
| Putney | Telfords Bus | 1:05pm |
| Miranda | Telfords Bus | 1:05pm |
| Peakhurst | Telfords Bus | 1:05pm |
| Sutherland | Telfords Bus | 1:10pm |
| Eastern Suburbs | Telfords Bus | 1:10pm |
| Strathfield 2 (Boarders/Summer Hill Station) | Telfords Bus | 1:10pm |
| Cronulla/Sutherland | Telfords Bus | 3.40pm |

Have you checked out the dedicated **Junior School Instagram** account yet? Our Instagram account features images, videos and stories submitted by class teachers from K-6. You can catch a daily snapshot of life in the Junior School at [https://www.instagram.com/tgsjuniorschool/](https://www.instagram.com/tgsjuniorschool/).

We look forward to seeing many parents join us for the spectacle that will be the **K-2 Easter Hat Parade** commencing at 9am on Wednesday morning.

**Mark Dunn | Master of the Junior School**

### DATES FOR THE DIARY

#### TERM 1

**Week 9**

| Monday, 21st March | Harmony Day |
| Tuesday, 22nd March | Parent/Student/Teacher Conferences |
| Wednesday, 23rd March | Parent/Student/Teacher Conferences |
| Thursday, 24th March | Parent/Student/Teacher Conferences |
| Friday, 25th March | Good Friday |
| Saturday, 26th March | No Sport |

**Week 10**

| Monday, 28th March | Easter Monday |
| Wednesday, 30th March | Year 1 Easter Show Excursion |
| Thursday, 31st March | Head Master’s Dash – Junior School Heats (No 2 Oval Sport Complex) |
| Saturday, 2nd April | Years 4 to 6 Winter Sport Trials |
| Saturday, 2nd April | Years 4 to 6 Cross Country – IPSHA (The King’s School) |

**Week 11**

| Monday, 4th April | Last week for co-curricular activities (Tennis and Rugby conclude in week 10) |
| Tuesday, 5th April | Gelato Day Fundraiser |
| Wednesday, 6th April | China Tour departs |
| Thursday, 7th April | Junior School Auxiliary meeting |
| Friday, 8th April | 12.15pm Years K to 2 conclude lessons; 12.30pm Years 3 to 6 conclude lessons |

**School Holidays – 9th April – 25th April**
ACADEMIC FOCUS

NAPLAN TESTS

NAPLAN (National Assessment Program – Literacy and Numeracy) tests are part of the educational landscape in Australia and all students in Years 3, 5, 7 and 9 are required to present for them.

Dates for this year’s NAPLAN tests are as follows:

> Tuesday 10 May – Language Conventions and Writing
> Wednesday 11 May – Reading
> Thursday 12 May – Numeracy
> Friday 13 May – “catch-up” day for students who may have missed a particular test or tests.

In the coming week I will be writing by email to all parents of boys in the affected years, advising them of their rights and obligations regarding NAPLAN. Closer to the actual dates of the tests, detailed information will be given to boys about the precise arrangements for the various tests in the Preparatory School, Junior School and Middle School.

It is important to put these tests in perspective. While they are deemed to be very important by government agencies, and all schools must participate in them, they are not “high stakes” tests for any individual student. At Trinity, boys receive a wide range of feedback from teachers about their learning, and while the NAPLAN results may complement this to some extent, they are by definition “one-off” tests which may give an aberrant result. Parents should certainly discourage boys from being nervous about the tests; and they should note that these are not tests for which the boys can specifically prepare, beyond the particular preparation which is organised by their teachers in the period leading up to the tests. Ideally NAPLAN tests will provide a snapshot of the learning achieved by each boy over his time at school, and a snapshot of how well the School as a whole is achieving with its students.

Our core business at Trinity is boys’ learning. A Trinity education seeks to engage the Mind, Body and Spiritual development of all our boys. Our commitment to academic excellence is within a holistic educational environment that seeks to nurture and encourage our boys to “…grow in wisdom and stature and in favour with God and man.”

Jason Cheers | Academic Dean

The Trinity app

The Trinity app is available from the App Store and from Google play for you to download. The app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the Trinity app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au

VENUE: El Phoenician Restaurant
ADDRESS: 7 Towns Place, Millers Point (Walsh Bay)
DATE: Friday 29 April 2016
TIME: 7pm
PRICE: $70pp for a delicious Middle Eastern Banquet including a selection of traditional and modern foods: entrées & dips, salads, lamb, chicken and vegetarian mains, fruit platter, Lebanese sweets & soft drinks (alcoholic beverages to be purchased individually)
RSVP DATE: Friday 15 April 2016
Online via the Trinity Community Website
PARKING: Hickson Road

The Summer Hill Auxiliary invites you to its 2016 Mothers’ Day Dinner

Trinity Ladies Night Out

All welcome – come and catch up with your Trinity Friends and make some new ones too.
YEAR 6 CANBERRA CAMP

On the 9th of March, Year Six along with Mrs Duke, Mr O’Young, Mr Gaudiosi, Mr Hassall and Ms Gratton went to Canberra.

Our first visit was the National Art Gallery. We were divided into different groups and enjoyed lots of different paintings and sculptures. We were exposed to different styles of art like pop art and collages. After the tour, we had lunch then we got onto our buses to go to the National Museum of Australia.

At the National Museum, there were lots of Aboriginal artefacts. We played a game where we made our own robot to go back in time to collect artefacts to bring back to the museum, as well as other fun activities.

Following the museum, we went to the Mount Ainslie lookout where we could see the whole of Canberra including the lake and the new and old Parliament Houses. We then headed to the hotel where we would stay for the next couple of nights in our cabins.

A highlight was the evening activity which was Zone 3, a laser skirmish game. We were in three groups, and each group had at least one teacher so everyone aimed for them and worked together to get the teachers.

After waking and eating a hearty breakfast we boarded the bus to the National Capital Exhibition Centre (NECE). The NECE tells the story of how Canberra was designed. It is located on Regatta Point, at Commonwealth Park with spectacular views of the parliamentary triangle. The exhibition illustrates the vital role of Canberra as our federal capital. We learned about the people, events and history which has contributed to the development of Canberra’s unique and modern design.

Then we went to our nation’s most important place, Parliament House. We roleplayed a debate about whether kids should do three hours of sport on the weekend with boys representing both sides of the government and the independents.

We also enjoyed a visit the Electoral Education Centre to learn about voting for representatives and leaders. We conducted an election on our favourite fruit according to the rules that govern real elections...apple won! Afterwards, we drove by all of the national embassies.

After dinner, we went to the Australian Institute of Sport (AIS). Firstly, we saw the swimming pool, then the gym and then the volleyball court. After the tour we went to Sportex, where there were lots of interactive activities. It was really fun.

When we woke on our final day, we went to the Australian War Memorial where we learned how young men and women had died in wars such as World War 1 and World War 2 as a sacrifice for Australia. We placed poppies next to the names of the dead Australian soldiers and went to the Discovery Zone where we could experience the clothing, equipment and transportation from wars.

Our last stop before heading home was Questacon. We saw the spider exhibit where we played a game with machines in the shape of spider fangs and we had to trap massive foam balls. A highlight was the massive slide. Sadly, we had to leave Questacon and come back to Sydney.

Overall, going to Canberra was great fun and will help us with our learning about how we organise ourselves and how the world works.

Omkar Pednekar and Daniel Ghaly
ROUND 6 SUMMER SPORT
It has been a wonderful term of summer sport commitments over the past 6 weekends. All our teams have shown improvement over the course of the season and they should be congratulated on their efforts at training. Thank you to the internal and external coaches for their professionalism and support throughout the season.

CROSS COUNTRY
Congratulations to all boys who ran hard in the Cross Country Championships today. I was particularly impressed with the effort shown by those who came in towards the middle of the pack that didn’t stop and walk during their runs. I am pleased to announce the following boys below in the 2016 Junior School Cross Country Team.

Isaac Cunningham    Hussein Najj
Harrison Evans      Lokel Demark
James Osse          Oscar Fryer
Tom de Szoeke       Reece Mihas    Joshua Otto
Oscar Martin        Sam Avery
Joshua Marcos       Alex Nero
Riley Janjis        Jack Martin    Luka Cukeric
Biaggio Signorelli  Joshua Falato
Joshua Alba         Myles Buvac
Alexander Saba      Luke Gergis
Clark Foley         Thomas Bishop
Christian Falato    Riley Coneliano
Dylan Guler         Michael Sotiropolos
Marcus Lorenzo      Aidan Wong
Joel Maher          Lachlan Reese
Thomas Ferguson     Peter Galanos
Harry Groth         Marcus Koutosogiannis
Nicholas Stojkovic  Louis Agosti
Alex Leckie

TRINITY GRAMMAR SCHOOL SCHOOL PRAYER
Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Junior, Middle and Senior Schools Summer Hill – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8.). Our next meeting is Tuesday March 29.

**CURRENT EXHIBITIONS**

If you haven't had a chance to see the two brilliant exhibitions on display at Delmar Gallery, don't delay! The gallery is open this Saturday and Sunday 12-5pm for the final weekend of the shows.

Yogyakarta artist Bagus 'Gonk' Prabowo is currently international artist-in-residence at Ashfield Council's Thirning Villa. He will be in Sydney for three months, and as part of his residency we invited him to present an exhibition of his batik work, soft sculpture and installation centred on the theme of “Gunungan”. In Javanese tradition, Gunungan symbolises peaceful living, guided by sharing, contemplation and appreciation. On the last day of the exhibition (20 March), you can see a performance version of “Gunungan” at Ashfield Council's Carnival of Cultures, in which Bagus is participating. He will also be holding FREE batik workshops every Saturday from 9am – 1pm at Thirning Villa, until 23 April. Works in the exhibition are for sale.

"Miao Textiles" is a small focus exhibition featuring the exquisite silk embroidery of the Miao People of southern China. The pieces on exhibition are primarily panels from traditional costumes – festival jackets, baby carriers, back aprons and embellishments. The textiles are sourced from a private collector in Sydney.

**DIARY DATES**

> **Saturday 30 April, 3pm**  
Laurence Aberhart: Three Decades, survey exhibition of one of New Zealand’s most renowned photographers, part of Head On Photo Festival

> **Tuesday 17 May, 7.30pm**  
Concert by The Muffat Collective, Sydney’s newest baroque music ensemble

**CONCERT REVIEW**

**BREE VAN REYK AND VÉRONIQUE SERRET | VIBRAPHONE AND VIOLIN**  
Delmar Gallery, March 15, 7:30pm

Resounding in the live acoustic of the Delmar Gallery on Tuesday night was the strange and wonderful combination of an acoustic/electric 6-string violin and the vibraphone (for those who have not had the pleasure, it is like a xylophone with resonator pipes). An eclectic programme was presented by the acclaimed musicians Véronique Serret (violin) and Bree van Reyk (percussion). This programme featured re-workings of Bach, original compositions by van Reyk herself and a piece written especially for Serret’s unique violin by young Croatian composer Ivana Radovanovic.

Some of the more innovative and unexpected techniques explored by Serret included tapping with the bow on her chin rest, bowing the string in a circular motion to produce grainy harmonics, and making the most of the varied aural effects available via the amplifier and loop and effects pedals. Meanwhile van Reyk also explored the limits of her instrument, "dead stroking" the vibraphone bars, playing with the reverse ends of the mallets and even producing ringing, ethereal tones with a double bass bow. Serret's electronics experienced some teething problems, but she overcame them to prove to us that a classically-trained violinist can magically transform into a rock guitar star with the help of a distortion pedal and some attitude!

This was a concert of unusual, yet accessible and beautiful music that eluded any pedantic constraints of genre. It delighted its equally varied audience of Trinitarians, Sydney artists and local music-lovers. I, for one, hope that this very interesting duo soon brings out an album.

GO HEAD TO HEAD

FEATURING 7 TRINITY PLAYERS!

THIS WEDNESDAY (23 MARCH)
2NDS – 6PM AND 1STs – 7.15PM
IN THE TRINITY SPORTS CENTRE
It was a much focussed night at Cubs and Scouts this week with the majority of Scouts on Service Week. Regardless the cubs and scouts present got stuck into completing some first aid requirements and using a cartographic map we plotted grid references. Cubsc particularly focussed on completing parts of their boomerang badges.

Did you know a cartographic map has three norths? Grid-north which follows the 1km grid lines on the map and then true-north and magnetic-north. What's the difference you may ask? Magnetic-north is what your compass shows and on the east coast of NSW this is about 11 degrees to the east of grid-north on the isographic maps. The cubs and scouts learnt that as the correction from grid-north to magnetic-north is east, then as you sight your bearing and then place your compass on your map you need to add the correction to your bearing. Similarly as you make a bearing on your map and take your compass off the map to sight your bearing, you also need to take off the correction from your map bearing to create a magnetic bearing. Confused? Ask a Trinity Cub Scout to explain it and show it to you!

The third north is true-north and this is about 3 degrees to the west of grid-north in eastern NSW. True-north is used for celestial navigation and the correction, because it is to the west of grid-north, works in the opposite to magnetic-north.

This year is the centenary of Cub Scouts and tonight the cubs were presented with a special badge to mark this special year. There will be special activities through the year including a field day, an afternoon at Government House, and culminating in Cuboree from 3 to 7 January 2017 where well over a thousand cubs from across the state will be camping at Cataract for four nights much like the scouts did this year at Jamboree. Cuboree is five days of fun filled activities led by adult leaders and assisted by experienced scouts, venturers and rovers. Applications for Cuboree close 31 July 2016.

Congratulations to James Kaye (6Hi) for completing his Pioneer Emergencies badge with a successful assistance in carrying a stretcher and treating a mock emergency as well as completing his Team Sport proficiency badge in basketball.

Trinity Scouts caters for boys 7-10 ½ (Cub Scouts), 10 ½ to 14 (Scouts) 15 to 17 (Venturers). The group also works in partnership with surrounding Scout Groups to support all sections.

TRINITY GRAMMAR SCHOOL MATHEMATICS CLUB

Young Archimedes Enrichment Forum
– A Framework for Gifted and Talented Learners

Date: Monday 18th July 2016
Time: 8:00am - 4:00pm
Where: Centenary Centre
Trinity Grammar School Summer Hill,
119 Prospect Road, Summer Hill NSW 2130
Cost: $60 per person

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop extra-curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

Workshop topics to be covered

Workshop 1
Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP).

Workshop 2
A famous Mathematician by the name of George Polya once said, “It's better to solve one problem five different ways than to solve five different problems.”

Registration Process
To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

Payment of registration entitles students to: Attendance at both workshops, Recess, Lunch and Forum Satchel and Stationery.

Proudly supported by
Gifted Families Support Group Inc.
Inquisitive Minds

For all enquiries please contact Dr Fred Osman | Enrichment Coordinator on 9581 6040 or fosman@trinity.nsw.edu.au

TRINITY GRAMMAR MULTI-SKILLS CAMP
APRIL SCHOOL HOLIDAYS 2016

YEARS K-6

Improve your sports skills and fitness with 4 days of intensive multi-skills coaching. Learn skills at appropriate learning levels, so that you gain the knowledge, confidence and experience to ensure success and long-term development.

Mr Ian Moran, PDHPE teacher at Trinity Grammar School will be conducting the clinic.

Participants will have the opportunity to improve skills in the following areas:

- Basketball
- T-Ball
- Cricket
- Fitness
- Soccer
- AFL
- Touch Football
- Athletics
- Swimming
- Hockey

THE DETAILS

WHERE  Trinity Grammar School. Summer Hill Gym.
WHEN  Monday 18th April to Thursday 21st April
TIME  9:00am - 3:00pm
BRING  > Hat
       > Lunch
       > Towel
       > Suncream
       > Swimmers
       > Goggles
       > Drink bottle

COST  $290 for 4 days
      All participants will receive drinks and fruit daily

Trophies are awarded each day to boys who show commitment, co-operation and determination.

A BBQ lunch will be provided on the Thursday of the clinic.

CLICK HERE TO BOOK ONLINE NOW

Any questions please contact Mr Moran via email: imoran@trinity.nsw.edu.au

All payments are non-refundable.
