Dear Parents and Friends of the Junior School,

We reach the end of a short but busy week in the Junior School, highlighted by the K-2 Easter Hat Parade on Wednesday morning. An extraordinary amount of effort and creativity went into the vast array of hats on display that captured many aspects of Easter and pop culture. Well done to all of the boys and teachers on a wonderful parade. Thank you to Mrs Tredinnick for her leadership of this event, including securing the services of the Easter Bunny to lead the parade. We are appreciative that so many parents and grandparents made the time to enjoy the morning’s fun with the boys. Thank you!

On Wednesday, the Junior School hosted a large number of teachers from other Sydney schools who use the Primary Years Programme (PYP) as a learning framework. The visit was part of an ongoing programme of PYP Open Days whereby teachers of PYP schools share features of their own practice with other colleagues. Our teachers benefitted from the chance to showcase
their expertise and the boys’ learning and will also benefit from opportunities to visit other PYP schools throughout the year. The feedback from visiting teachers about the learning environment, experiences, professionalism of our staff and hospitality from boys has been very affirming.

Our week of scheduled parent-teacher-student conferences has now concluded and I trust that parents have appreciated the opportunity to meet with teachers. Parents should feel free to contact teachers with any concerns or to arrange follow-up discussion as needs arise and you are encouraged to remain connected to your son’s learning through ongoing opportunities such as Seesaw.

I remind parents that the Head Master has announced an early finish to school on the final day of term. All Junior School boys will be dismissed prior to lunchtime. K-2 students will conclude the term at 12.15pm. Years 3-6 will conclude at 12.30pm. Boys will be walked to the carpark for pick-up as usual. Supervision will be provided for boys who are unable to go home between dismissal time and the commencement of OSH Club at 3pm. Special bus departure times have been arranged on this day for boys who utilise public transport.

Congratulations to the large team of boys who have qualified for the IPSHA Cross Country Championships to be held in the expansive grounds of The King’s School next Saturday 2nd April. The boys are encouraged to try to squeeze a couple of training runs in over the Easter weekend to maintain and sharpen fitness. All other boys in Years 4-6 are reminded of the expectation to attend Winter Sports Trials on that morning at Bressington.

I wish all families a wonderful long weekend, a respite from the busy-ness of term life and a chance to reflect on God’s many blessings to us, most significantly in the death and resurrection of his Son, Jesus. We look forward to seeing all boys back on Tuesday morning for a sharp two week sprint to the end of term.

LIBRARY NEWS

INTRODUCING OUR 2016 LIBRARY CHAMPIONS

A couple of weeks ago we heard from Joshua Chu and Nicholas Papadopoulos, and this week I’m pleased to introduce Timothy Woodyatt, another of our Library Champions for 2016. Library Champions are ambassadors for our library services, space and collections and will be happy to chat to students and parents about new initiatives and new books throughout the year.

About Me | Timothy Woodyatt

Hi, I’m Timothy! I am 11 years old, turning 12 this April.

Currently reading: I love to read books and some websites, and am currently reading The Tomorrow Series by John Marsden.

Favourite reads: My favourite book series is Chaos Walking by Patrick Ness. Other favourites include Ship Kings by Andrew McGahan, The Hunting by Steve Cole, Harry Potter (everyone’s favourite) and The Phoenix Files. In terms of graphic novels, a little bit of Calvin and Hobbes will more than satisfy me. I also enjoy Enid Blyton’s books, especially the following series: The Secret Seven, The Famous Five (not because of Timmy!) and The Mysteries Series.

When I was younger: I liked Roald Dahl’s books, and even younger than that, the Little Golden Books.

Favourite non-fiction: Some of my favorite nonfiction books are about dinosaurs. One of my absolute favourites is “Ancient Earth Journal: The Early Cretaceous”. It has absolutely stunning illustrations.

I am very excited to be on board the team and hope to make the library a more fun and enjoyable place (not that it isn’t!).

PREMIER’S READING CHALLENGE IS NOW OPEN

We are encouraging all boys to participate in the PRC this year, as it provides a great motivator to increase their reading, and to read more widely. Some teachers are encouraging the boys by organising rewards if every boy in the class participates, and other teachers are even participating in their own reading challenge. All boys who are new to the PRC now have a login/password stuck in their record book, and all classes discussed the PRC in library last week. I know several boys are off to a great start, with many already adding books to their online reading records. Boys who have participated previously can use their password from last year, or may come and see Miss Gratton if they need a new password generated.

Please assist your son in entering the books he has read in his online reading log, before the **challenge closes on 19 August.** If you need assistance please email Miss Gratton (ggratton@trinity.nsw.edu.au) or pop into the library anytime.

Please visit the PRC website for more details: [https://online.det.nsw.edu.au/prc/home.html](https://online.det.nsw.edu.au/prc/home.html)

Please be aware that boys entering their books on a reading log (and thus participating in the challenge) may receive a PRC certificate and their name may appear on the PRC Gold and Platinum Honour Roll. Their certificate will have their name and school printed on it, and the Honour Roll had names listed by alphabetical order but does not mention the school name.

YEAR 1 VISIT TGS - THE TRINITY GROCERY STORE

Last Tuesday Year 1 were excited to come down to the Library, only to find a section of the space transformed into the Trinity Grocery Store! As an engaging provocation for their current inquiry into ‘How we organise ourselves’, the boys had the opportunity to select an item from the shelves of the grocery store to purchase from our checkout operator, Miss A. Taking the (empty) items upstairs the boys got into the spirit of imagining, with some pretending to drink their imaginary Coca-Cola or tip olive oil on the stairs! The boys completed a document with a drawing of their item, and videoed themselves on Seesaw discussing the experience, including why they chose that item and how they thought the item got to the grocery store.

This collaboration between the Year 1 teachers and the library provided a thought provoking introduction to their central idea, that ‘the processing of food is a human made system which impacts our lives’, and also enabled class teachers to determine existing knowledge and understandings that the boys have. We are looking forward to exploring the Easter Show with Year 1 next week, to continue learning about where our food comes from, the systems that are used and the impact this has on our lives.

Students will work with an exciting range of media to increase their skills.
AUSTRALIAN GOVERNMENT ASSISTANCE FOR NATIONAL CAPITAL EXCURSION

Students from our School have recently undertaken an educational tour of the national capital. While on this tour they participated in a variety of educational democracy.

The Australian Government recognises the importance of all young Australians being able to visit their National Capital as part of their civics and citizenship education. To assist you (the parent) in meeting the cost of the excursion the Australian Government is contributing funding of $20.00 per eligible student under the Parliament and Civics Education Rebate programme toward the travel expenses incurred. The contribution will be paid directly to the School upon completion of the excursion.

We would like to thank the Australian Government for their support of this programme.

The excursion was a rewarding experience for all students.

**CIS SWIMMING AND DIVING**

On Tuesday I had the pleasure of convening the CIS Swimming Championships at SOPAC. Max Fricker performed brilliantly, winning both the Open Boy’s Platform and 11 Years Boy’s Springboard events. Max will now represent NSW CIS at the PSSA Championships. He continues to develop as a diver and these results followed on from a very successful NSW Championships last weekend where Max won the 11 Years Springboard and Platform championships! Well done, Max!

The Trinity app is available from the App Store and from Google Play for you to download. The app has been designed to provide up to date information for our on the go community. Information such as sporting fixtures, wet weather updates, calendar dates and even the latest newsletters.

It will also allow you to notify the School of your son’s absence and provides an avenue to contact certain staff and leaders of our community groups. We hope the Trinity app makes life just that little bit easier. Please email any feedback you may have to info@trinity.nsw.edu.au

**IPSHA FOOTBALL TRIALS**

Last Monday, 92 boys from all over the Sydney basin under the banner of ‘IPSHA’ trialled for just 14 spots to progress to the CIS trials in two weeks at Football NSW headquarters at Valentine Park. It was a wet morning at Knox’s Curagul fields but the 7 representatives from Trinity’s two campuses; Louis Agosti (6Ta), Isaac Cunningham (6La), Harris Katsianos (6Sc), Spyridon Konidaris (6Sc), Sebastien Portolesi (6Ar), Ben Robinson (6Yo) and Nicholas Stojkovic (5Fo) were all unmistakable in their green and white football uniforms. After various skills sessions and mini matches the numbers were culled to just 27 with an impressive 6 of the Trinity septet making the initial cut. A Possibles vs Probables match was then held from which the final squad was selected. Louis Agosti (6Ta) and Ben Robinson (6Yo) were successful in gaining IPSHA selection.

Congratulations to all the boys and we wish Louis and Ben all the best at the CIS trials on April 4th.

Sometimes I am amazed at the skill and expertise that is being learnt and applied by the young men of the Trinity Scout Group. This week Ryan Snowsill (7Ho) presented to the Scouts a hike he has mapped out and planned for 24 April. The hike is along the coast walk from Wombarra Station to Thirroul. In preparing for the hike Ryan has not only researched and provided transport information for youth and adult helpers from Wolli Creek, but also scheduled the hike to meet optimum tides as they beach-hop along the coast. He has also identified safety exit points for this 8km day hike. He has prepared a packing list and a target backpack weight has been set at 10% body weight for the day hike. Could you have done that when you were 12 years old?

Meanwhile James Hull (10WH) is organising a mixed group of Venturers to participate in a competition hike/camp over the full Easter Weekend in the Belanglo State Forest called DragonSkin. He and four other venturers are participating as a team requiring them to be fully self-sufficient over the four days and three nights as they navigate the 50 square kilometre course and undertake challenges set by Leaders and Rovers along the way. Weather is always a challenge at DragonSkin where it can be baking sun in the morning and sleeting rain in the evening which adds to the challenge of packing for and camping on this light-weight hiking weekend.

This weekend there will also be a small working bee on the Trinity Scouts Campsite at Coutts on Saturday with a bigger working bee to be scheduled early next term as we expand the site to accommodate more tents in the lead-up to Region Camp. This annual camp is held on the June long-weekend where the camp activities this year are based on the theme “Indiana Jones”.

This week the Leaders were pleased to present Nicholas Magoulas (7Sc) his Scout Craft Badge as well as proficiency badges in animal care and team sports. BRAVO Nick!

Trinity Scouts caters for boys 7½ to 10 ½ (Cub Scouts), 10 ½ to 14 (Scouts) 15 to 17 (Venturers). The group also works in partnership with surrounding Scout Groups to support all sections. The Group meets in the old gymnasium from 6:00pm to 7:30pm on Tuesday evenings during term as well as some weekend camps working around school sporting commitments where possible.
