Dear Parents and Friends of the Junior School,

The School marked **ANZAC Day** with a number of services today. The Junior School service provided an opportunity for boys and staff to reflect upon the sacrifices of men and women in years gone by, and to deepen their understanding of the significance of this annual commemoration. We thank the Reverend Andrew Lewis, a Navy Chaplain, for HMAS Penguin joining us and helping to lead the commemoration. I trust that many families will also participate in community events on 25th April, which this year falls in the school holidays.

Well done to all the boys who ran at last Saturday’s **IPSHA Cross Country Championships**. The Junior School boys put in a wonderful effort and congratulations to Joshua Falato, Clark Foley and Hussein Naji, whose performance qualifies them for the next stage. It was a beautiful morning for sport and it was also terrific to see many other boys complete their **Winter Sports Trials** with games at Bressington. Boys, keep up your fitness and skills training across the holiday break, and try to have a ball in your hands or at your feet as much as possible. Winter sport rounds commence on the first Saturday of term, 30th April.

Thank you to the many parents who helped with the Auxiliary’s **Gelato Day** on Tuesday. As luck would have it, Tuesday turned out to be another un-seasonally warm day and the cool treat was greatly appreciated by many boys. The next **Junior School Auxiliary meeting** is on Thursday, 5th May and is our annual evening meeting, commencing at 7pm to accommodate working parents who are otherwise unable to attend morning meetings.
As you read this, 32 boys and six teachers from the Preparatory and Junior Schools are travelling between Shanghai and Xian in China enjoying great food, local hospitality and extraordinary sights such as the Great Wall and Terracotta Warriors, on their 9-day **cultural tour of China**. Our international travellers return next Friday morning.

All K-2 mothers and grandmothers are asked to set aside the morning of Friday 6th May for our **K-2 Mothers’ Day Morning**, when they will have the chance to visit classrooms, see some items from the boys and then enjoy morning tea together. Invitations will follow.

Based on recent conversations at the School’s e-Smart, Child Protection and Primary Academic Committees, the Junior School will be offering **Parent Information Sessions** early in Term 2 focusing on the areas of **Digital Citizenship, Parenting in the Digital World and Life Skills**. The evenings will aim to ensure a common understanding of digital citizenship, highlight the importance of supporting young men to develop healthy on-line habits and provide some ‘tips and tricks’ to make parents’ lives easier at home. We will also feedback insights about the boys’ social skills learnings from this term and provide an overview of Term 2’s Well-being focus area, which is Boundaries. Final dates will be confirmed at the beginning of term but parents may like to ‘pencil in’ an evening for Years 5-6 boys and parents (Monday 9th May) and another for K-4 parents only (Tuesday 10th May).

**Co-curricular activities** before, during and after school commence again in the first week of next term. In all cases it is necessary to re-enrol if continuing from this term and new enrolments are also welcome. Details and bookings can be made through the Trinity Community Directory (http://community.trinity.nsw.edu.au).

**Term 2 begins for students on Tuesday 26th April** and boys should be dressed in **winter uniform**. I wish all our Trinity Junior School students and families a safe and refreshing holiday break.

Mark Dunn | Master of the Junior School

INTRODUCING OUR 2016 LIBRARY CHAMPIONS

A couple of weeks ago we heard from Joshua Chu, Nicholas Papadopoulos and Timothy Woodyatt and this week I’m pleased to introduce Sam Darling, of our Library Champions for 2016. Library Champions are ambassadors for our library services, space and collections and will be happy to chat to students and parents about new initiatives and new books throughout the year.

About Me | Sam Darling

Hi, I’m Sam. I am 11 years old and in 6D.

Currently reading: My favourite book is Percy Jackson and the Sea of Monsters. I really like the Percy Jackson books because they are funny and entertaining. My Pop gave all these books to me.

Favourite reads: My favourite book was Our Don Bradman by Peter Allen. Other good books that I have read this year are Hatchet by Gary Paulsen and Percy Jackson and the Lightning Thief by Rick Riordan. The How to Train your Dragon series is a really fun read because Hiccup (the main character in the story) and his dragon Toothless are really funny together.

When I was younger: I liked Geronimo Stilton books. There are so many of them and each of them have weird and wonderful pictures and stories. I also liked Captain Underpants because the characters all had unusual names like Wedgie Woman and Sir Stinks-a-lot.

Favourite non-fiction: Guinness World Records is my favourite because people do death-defying stunts to amaze us and freak us out.

I am really excited to be on the Trinity Library Champions Team and to help promote how much fun you can have in the library.

PREMIER’S READING CHALLENGE WEEK 5 UPDATE

We continue to encourage all boys to participate in the PRC this year. If your son still does not have a login, please ask them to see me for one or email ggratton@trinity.nsw.edu.au – with school holidays coming up now is a good time for the boys to borrow some books for the Challenge.

Congratulations to the following boys who have amazingly already completed the Challenge!! We have some very avid readers here in the Junior School, and Miss Kelly is clearly championing the cause!

Christian Beke – 3K
Christian Ciarroni – 3K
Riley Coneliano – 3K
Austin Daher – 3K
Finlay Hanning – 3K
Christopher Lowe – 3K
Adrian Ong – 5C

Please assist your son in entering the books he has read in his online reading log, before the challenge closes on 19 August. If you need assistance please email Miss Gratton (ggratton@trinity.nsw.edu.au) or pop into the library anytime.

2016 40M ‘Head Master’s Dash’

On Wednesday the four fastest boys from the Junior and Prep School competed in the Head Master’s Dash. The first race consisted of the four Prep boys and was one of the many photo finish races. Andrew Tanous stole the victory in a fast time of 6.20 which gave him a fighting chance of getting into the top gun final.

Next was the Junior School race, of Riley Janjis, James Hawkins, William Maistry and Dylan Guler. This was another photo finish but Riley Janjis (5.88s) narrowly won ahead of James (5.94) who claimed second with Will third and Dylan fourth. Unfortunately, Dylan did not make it to the final as his time of 6.22 was just beaten by Andrew Tanous from the Prep School.

Then the Primary Top Gun was held, which was a combined race with the four fastest Primary boys. William, Riley, James and Andrew Tanous from the Prep ran a close race, but Riley won with James in second, William third and Andrew finished fourth. Riley Janjis
FROM THE SPORTSMASTER

FIXTURES AND TEAM SHEETS
Fixtures have been sent home for the winter sport season. At this stage IPSHA are yet to finalise times and venues for the Rugby 7’s competition. As these become available I will update the community webpage.

Parents are reminded that Saturday sport is compulsory for boys in the Junior School. Should your son be absent on a Saturday due to illness, a phone call to the Sportsmaster’s mobile (0438 980 602) and an email addressed to callum@trinity.nsw.edu.au needs to be sent. Requests for leave should be given to Mr Dunn at least two weeks prior to the date.

CROSS COUNTRY
Last Saturday we had 37 boys compete in the IPSHA Cross Country Championships. In each race there are well over 200 runners and the Junior School boys competed well. I echo the comments made by Mr Dunn by congratulating Joshua Falato, Hussein Naji and Clark Foley on their selection in the IPSHA Team.

PSSA DIVING
Congratulations to Max Fricker who represented CIS at the PSSA Championships. Max dived wonderfully to place second in the 11 Years boys springboard and open platform. This means he will dive as part of the CIS team at the School Sport Australia National Diving Championships to be held in August at Lightening Ridge. Well done Max!

Scouting prepares you for life. The goal of scouting is to prepare young people to succeed in life. But is it working? What if we could understand just how effective scouting is in affecting young minds? The Boy Scouts of America undertook research with Dr Richard Lerner in a university study to follow nearly 1,800 cub scouts for three years and compare them to nearly 400 boys of similar backgrounds who were not in scouts. What they found was remarkable. Cub scouts showed a significant positive development in being cheerful, helpful, kind, obedient, trustworthy and hopeful, yet there were no significant increases in these attributes for non-scouts. Scouts were more likely to choose helping others and doing the right thing over being smart, being the best, or playing sports. Youth who participated in sports and scouting were more likely to choose these same values than those who only played sports. Finally, boys who spent more time in scouting demonstrated higher positive character attributes.

The study concluded that Scouting demonstrably builds positive character and provides young people with a foundation they can stand on to embrace opportunity and overcome obstacles.

In 2015 there were 54,420 youth members in Scouts Australia across 1,458 groups. It is estimated for every 100 youth members that join scouts world-wide that at least:

- 18 will develop a hobby that will last through their adult life
- 17 will become future scout volunteers
- 8 will have a vocation that was learnt through the merit badge system
- 1 will use Scouting skills to save their own life
- 1 will use scouting skills to save the life of another person

With the end the term upon us, the Trinity Scout tradition of having the cubs take charge of the games and the parade. It was great to see William and Oliver leading boys much older than they are and in turn the respect being afforded to the cubs from all the scouts. Some favourite games came out like the monkey fist for a game of helicopter rope.

At closing parade this week James Kaye (6Hi) was presented his technology proficiency award and Nick Magoulos (7Sc) his information technology proficiency badge. Nathan Anjoul (5Ar) completed his Link Badge to scouts and was also awarded his Scoutcraft Badge, while Oliver Kreis (4Yo) was presented the Level 1 Achievement award for fishing. BRAVO James and Nick and Nathan, and 1-2-3-WOOF to Oliver.

Importantly we also formally welcomed Paul Audi (7Ar) into the Scout Troop with his investiture. Paul made the Scout Promise to do his best, do his duty to God and the Queen of Australia, to help other people and to keep the Scout Law in front of the troop and was accepted into the Hawk/Albatross patrol. BRAVO and welcome, Paul.

Trinity Cubs and Scouts will be in action over the school holidays with a day hike along the coast north of Wollongong prepared by Ryan Snowsill (7Ho); and the Cubs, Scouts and Venturers participating in OPERATION ROSEMARY 2016 with Legacy at the Sydney ANZAC Day March.

All students interested in Scouts are welcome at 3rd Summer Hill (Trinity Grammar) – the Group is currently running programmes for all Trinity boys from 7.5 years up to 10.5 years (Cubs); 10 years up to 15 years (Scouts); and 15 years up to 18 years (Venturers). The Group meets in the Old Gymnasium at Summer Hill Campus on Tuesday evenings from 6pm to 7:30pm. We are on break and will be returning in Term 2.

UPCOMING SOCIETY OF THE ARTS EVENTS

Opening at Delmar Gallery on Saturday 30 April, 3-5pm is an exhibition presenting renowned New Zealand photographer, Laurence Aberhart. Part of the Sydney-wide Head On Photo Festival, the exhibition is a chance to see a wide selection of Aberhart’s prints from the 1980s to the present. Aberhart shoots exclusively on an 8” x 10” flatbed camera and produces contact silver gelatin prints, in a process originating from the early days of film photography. Literally imbued with time (the exposures can be up to 5 hours), his extraordinary photographs are reflections on transience and endurance. The exhibition will continue until 22 May and the gallery is open Wednesday to Sunday, 12-5pm.

On Tuesday 17 May, 7.30pm, Sydney’s newest baroque ensemble will be performing at Delmar Gallery. Members of The Muffat Collective have recently returned to Sydney after further study and engagements as soloists, concertmasters and in early music ensembles in Europe. The acoustics in the gallery are particularly well-suited to early chamber music, so don’t miss this opportunity to hear superb musicians in a great setting!

Programme: Sonate da Chiesa Op.3 - No.1 in F Major by Corelli; Le Parnasse, ou l’apothéose de Corelli - Grande Sonade en Trio by Couperin; Overture & Trio Sonata, No. 2 in D Major, Opus 13 by Leclair.

Tickets from $20, free for Trinity students and Society of the Arts members. Book online: https://www.trybooking.com/KZYD
