In your relationships with one another, have the same mindset as Christ Jesus: Who, being in very nature God, did not consider equality with God something to be used to his own advantage; rather, he made himself nothing by taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself by becoming obedient to death—even death on a cross! Philippians 2:5-8

FROM THE MASTER OF THE JUNIOR SCHOOL

Dear Parents and Friends of the Junior School,

Welcome back to all members of the School community for what will no doubt be a short and busy second term (Whitsun Term). I trust that all had an enjoyable and restful break. Personally, it was a highlight to accompany the students and staff from both primary campuses to China in the first week. The conduct of the 32 Years 5-6 boys was exceptional and they handled the challenges of travel, a packed itinerary and ‘flying the flag’ for their school and country admirably. This was a unique experience for primary school boys to get to spend time with one another, experience a foreign culture, meet and engage with people from another part of the world and see some spectacular sights. Among many highlights were the Great Wall, Terracotta Warriors, kung-fu and acrobatic shows, bartering in markets, eating dumplings and being hosted for the morning by students at Renda Fuxiao School.

Thank you to all the parents who ensured that their sons were appropriately dressed for the first day back in winter uniform. A few boys are sporting ‘holiday hair’ and it would be appreciated if this could be attended to over the weekend so that your son has a haircut that meets the School’s expectations.

After a long wait, the mural in the outdoor area between Year 5 classrooms has now been mounted and looks spectacular. The next time you go through the building, please take a moment to...
stop and admire the artistic efforts of our boys. This outdoor area will be further enhanced by the Years 4-6 boys enrolled in the 3D Street Painting Club who will be using mathematical skills to create three-dimensional illusions with artist Anton Pulverintinis. Parents will also notice the installation of digital signage near the entranceways at both ends of the building and outside Year 6. We look forward to using these displays to communicate information for boys and showcase the activities of our students to one another and visitors.

Mothers – avert your eyes! Next Tuesday and Wednesday, the K-6 boys will have the opportunity to purchase a gift for Mum from the Mothers’ Day Stall. Items will be available ranging from $2-$35. Thank you to the Auxiliary team for making this possible.

You can look again now! We are looking forward to being joined by our K-2 mothers (and some grandmothers) next Friday morning from 9am-10.30am for our K-2 Mothers’ Day Morning. Our special guests will have the chance to visit classrooms, see some items from the boys and then enjoy morning tea together. Please contact the Office if you did not receive an invitation last term.

The Junior School will be running two very important Parent Information Sessions focusing on Digital Citizenship, Parenting in the Digital World and Life Skills. The evenings will aim to ensure a common understanding of digital citizenship, highlight the importance of supporting young men to develop healthy on-line habits and provide some ‘tips and tricks’ to make parents’ lives easier at home. We will also feedback insights about the boys’ social skills learnings from last term and provide an overview of this term’s Well-being focus area, which is ‘Boundaries’. The confirmed dates for these evenings are:

- **K-4 (parents only)** - Tuesday 10th May, 6pm
- **Years 5-6 (boys and parents)** - Tuesday 17th May, 6pm

Each evening will run for approximately an hour and I urge you to prioritise this event as it deals with important matters of shared responsibility between home and school.

Once a year, the Parent Auxiliary holds its monthly meetings in the evening to allow parents to attend who are not usually able to do so due to work or other daytime commitments. The meeting will be next Thursday 5th May, downstairs in the Junior School commencing at 7pm. I encourage all parents, even if you are unable to make the meeting, to support the initiatives of the Auxiliary in their efforts to raise funds for and develop community within the Junior School. Even if you can only offer a couple of hours on the Bressington BBQ, your contribution will be greatly appreciated.

I remind parents of students in Years 3 and 5 that all boys will undertake NAPLAN on 10th – 12th May. These assessments are carried out nation-wide each year for all students in Years 3, 5, 7 and 9 in order to assess the literacy and numeracy learning of students in all Australian schools. Trinity’s approach to preparing students for NAPLAN tests is very much in line with the approach outlined by ACARA, the federal government authority who produces the tests. Teachers ensure that students are made familiar with the format, language, response types and time constraints before they sit the tests. Beyond this, the provision of broad and comprehensive teaching and learning programs is the best preparation the School can provide for students. Information for parents can be found on the ACARA NAPLAN website (www.nap.edu.au/naplan/parent-carer-support/parent-carer-support.html).

Parents are also reminded that leave from any School obligation (including school days, sport and co-curricular activities) should be requested well in advance (at least two weeks is a good guide). Leave should never be assumed. Applications for leave should be made in writing to the Master of the Junior School, not the class teacher although they will of course be informed once the leave is approved.

Co-curricular activities before, during and after school have commenced. Details and bookings can still be made through the Trinity Community Directory (http://community.trinity.nsw.edu.au/). Unfortunately, there was not the numbers required to get at Tae-kwon-do group running this term although there was enough interest to suggest this may be possible later in the year. There is still the possibility of a Greek Club after school on Thursday afternoons commencing this term and I will be in contact with all parents who have registered their interest with further details early next week.

We are looking forward to the **Years 3-4 Father and Son Breakfast** in the Dining Hall followed by Chapel, on Friday 13th May. Fathers and boys who have not yet booked their places can do so via the Community website.

Tomorrow marks the beginning of Saturday inter-school winter sport competition and we wish all teams well for an enjoyable and successful round of sport. There is something unique about the winter ball sports that often arouses passions both on the field and on the sidelines. Coaches remind players regularly of the values of sport and the manner in which we expect the boys to play. I take this opportunity to remind all parents that the games are primarily for the enjoyment of the players and encourage all who will be attending games to be mindful of the responsibilities of spectators which are outlined in the Sporting Code of Conduct (follow the link from http://community.trinity.nsw.edu.au/3_junior/body_jnr.html). These ensure that win, lose or draw, games are a positive experience for players, parents and staff. Thank you for your cooperation with these guidelines. Tuesday morning skills sessions for ‘A’ team members and other keen boys commence next Tuesday morning.

We wish our ISDA Debaters tremendous success in the final round of their competition this evening.

Mark Dunn | Master of the Junior School

---

**ABSENTEE INSTRUCTIONS**

Listed below, in preference order, are the methods available for Absentee reporting that would assist the Office:

1. Use the Trinity Grammar School phone APP and follow the prompts
   (From the APP home page select Junior School the select Absentee Form to open the absentee form). Instructions for installing the APP on your phone can be found by click here.

2. Using the Absentee email address jsabsentee@trinity.nsw.edu.au

3. Lastly, you can phone 9581 6144 and leave a message with your son’s name and class

FROM THE DIRECTOR OF CURRICULUM, PYP CO-ORDINATOR

MATHEMATICS CHALLENGE FOR YOUNG AUSTRALIANS

Over the course of the next three weeks the boys in the Years 5 and 6 Mathematics Extension groups will be taking part in the Mathematics Challenge which is an activity of the Australian Mathematical Olympiad Committee. I hope that the students find the experience fresh, enjoyable and rewarding.

The Challenge aims to encourage and foster:

> a greater interest in and awareness of the power of mathematics

> a desire to succeed in solving interesting and mathematical problems

> the discovery of the joy of solving problems in mathematics.

Students receive a problem book containing six problems. They are required to present written solutions to as many of these problems as they can. The problems are challenging and may require time and persistence. Students have three weeks to prepare and revise their solutions so they are correct and complete.

Students are allowed to seek help from any resources other than human ones – textbooks, encyclopedias, etc., calculators and computers. Note that websites offering help with problems are really human resources and not allowed, but the use of computer-based encyclopaedia or a website providing information of a general nature is quite alright. Teachers will be checking on progress from time to time and may be able to answer questions of clarification. Some class time will be set aside for consultation with partners.

I hope the Mathematics Challenge for Young Australians is an enjoyable and valuable learning experience for your son.

Marilyn Ormes
Director of Curriculum/PYP Coordinator

CHESS COACHING GRADES 1 - 6

If your son is interested in Chess Coaching we have numerous spots available for Friday lunchtimes. Please register online - click here to register now. Merilyn Ormes | MIC Chess
HOLIDAY READING NOW DUE BACK

We hope the boys enjoyed reading their library books over the school holidays. It was fantastic to see so many boys borrowing in the last week of term, and we were excited to see some boys adding holiday reading to their Premier’s Reading Challenge reading logs too.

Just a reminder that all books borrowed before the school holidays are now due back, so please remind your boys to return these to the Junior School Library before school, at lunch or after school, or during library lessons for K-2 students.

NATIONAL SIMULTANEOUS STORYTIME

Next month all 3 campuses of Trinity Grammar School will be participating in National Simultaneous Storytime, along with thousands of schools, public libraries and other organisations around Australia. The book that has been chosen by ALIA this year is ‘I Got This Hat’ by Jol and Kate Temple. We will provide a reminder in the newsletter closer to the time, but to give you some pre-warning we will be asking all boys and staff to bring in a favourite hat (the wackier the better!) to wear during this event.

Please ask your boys to get their thinking caps on and plan which hat they will bring along on 25 May 2016 to celebrate National Simultaneous Storytime.

Gillian Gratton | Teaching and Learning Librarian

CREDIT CARD SURCHARGE

For many years now, the School has accepted credit card payment for tuition and other fees and borne the amounts of the processing charges imposed by the banks and credit card companies on those transactions.

As the use of credit cards has increased, these charges have now become prohibitively expensive for the School.

As a service to our community, we will continue to accept credit card payment, however from the 1st August 2016, the following surcharges will be applied:

- > 0.75% for Visa and MasterCard payments; and
- > 1.25% for American Express and other accepted card payments.

There are no changes to the other payment methods offered by the School. For information on all payment options, please visit the School’s website https://www.trinity.nsw.edu.au/enrol/#fees-payment-options

The savings achieved by the surcharges will be used to support the academic and pastoral mission of the School and contribute to the continued quality of the educational experience for our students.

If you have any questions about this change or any of the payment options available, please email me at cdungan@trinity.nsw.edu.au or phone 9581 6027.

Yours sincerely,
Campbell Dungan | Bursar
FROM THE SPORTSMASTER

We have another busy term in the sporting calendar with numerous events on throughout Term 2. The Rugby and Football season kicks off this Saturday and all the boys are raring to go. Please make sure that each week you check the community.trinity.nsw.edu.au webpage for updated information and fixtures.

CODE OF CONDUCT - SPORT

As we ready for the start of the winter sport season it is very important that we revisit and reiterate the code of conduct expected of our players, parents and spectators when engaged in both Trinity and inter-school sporting competitions. From time to time issues occur and it is important that as a school community we address and discuss these as they may arise. If you are concerned about the conduct of a player, official or coaches, please refer your issue directly to the Sportsmaster (Mr. Chris Allum - callum@trinity.nsw.edu.au) or our Master of the Junior School (Mr. Mark Dunn – mdunn@trinity.nsw.edu.au). Parents and supporters are not to make complaints to coaches and officials during or after the game and under no circumstances should parents contact other schools directly.

The Trinity Grammar School Code of Conduct can be viewed of page 33 of the School Record book.

FAST PROGRAMME

Our boys have already been hard at work learning new skills this term. Kindergarten and Year 1 are learning the skill of sprint with the assistance of Mr Brad Woods. The picture (above right) shows them practising high knee lift in their stride.

Chris Allum | Sportsmaster

HOLIDAY FOOTBALL CLINIC K TO YEAR 9

50 Trinity boys enjoyed a four day Football clinic during the first week of the holidays. This was held at Trinity and it was terrific to utilise the new space of the Centenary Centre as well as the Sports centre and TGS No. 2. Boys worked on their ball control, dribbling, passing, shooting and 1v1 skills throughout the week and were involved in numerous mini World Cups, Champions League and A-League tournaments. Thank you to all boys for attending and thank you also to ex NSL player Mr David Barrett for his coaching and organisation during the week.

The next holiday clinic is in the 3rd week of the July Holidays between Monday 11th to Thursday 14th July. The camp is conducted between 9am-3pm each day.

Young Archimedes Enrichment Forum – A Framework for Gifted and Talented Learners

Date
Monday 18th July 2016
Time
8:00am - 4:00pm
Where
Centenary Centre
Trinity Grammar School Summer Hill,
119 Prospect Road, Summer Hill NSW 2130
Cost:
$60 per person

On Monday, 18 July 2016, the Mathematics Club will host a one day Young Archimedes Enrichment Forum. It will provide an opportunity to develop extra-curricular activities for young students from gifted primary through to Year 9.

The Forum will specifically focus on the implementation of the Curriculum in Mathematics, and a range of teaching and learning ideas. Relevant classroom resources will be explored in a workshop format. The Forum aims to motivate students with worthwhile mathematical tasks and ideas to develop skills and innovative concepts.

This event is suitable for gifted Year 5 and 6 primary and Years 7 and 8 and 9 secondary students.

Workshop topics to be covered

Workshop 1
Inquisitive Minds on Problems, Patterns, Pictures and Puzzles (PPPP).

Workshop 2
A famous Mathematician by the name of George Polya once said, “It’s better to solve one problem five different ways than to solve five different problems.”

Registration Process

To confirm your place, please complete the Online Registration and payment by the closing date of Friday 10 June 2016.

Payment of registration entitles students to: Attendance at both workshops, Recess, Lunch and Forum Satchel and Stationery.

Proudly supported by
Gifted Families Support Group Inc.
Inquisitive Minds

For all enquiries please contact Dr Fred Osman | Enrichment Coordinator on 9581 6040 or fosman@trinity.nsw.edu.au

TRINITY GRAMMAR SCHOOL

SCHOOL PRAYER

Parents and friends are most welcome to come and pray for our boys and the School on Tuesdays, between 8.30am and 9.30am. The Prayer Mornings are run on a rotational basis, on alternate weeks, at the Preparatory School campus and the Summer Hill School campus.

Junior, Middle and Senior Schools
Summer Hill – meet at reception in the Junior School Building, on even weeks of term (Weeks 2, 4, 6, 8)
Term 2: May 3, 17, 31, June 14
Term 3: July 26, August 9, 23, Sept 6
Term 4: Oct 18, Nov 1, 15, 29

Come and join us so we can encourage each other, help form a sense of community within the School, and genuinely bring the needs of the School community before our great God.

TRINITY P&F PRESENTATION
Tuesday 3 May in the Terrace Room, at 7.30pm...

...with guest speaker, Mr Ivan Neville, Commonwealth Department of Employment speaking on:

Ivan Neville works in the Federal Department of Employment. He is currently the Branch Manager, Labour Market Research and Analysis Branch and has responsibility for the analysis of the contemporary Australian labour market and the identification of the current and future demand for skills.

Ivan has also had extensive international experience, particularly in Vietnam and Indonesia working on the development of labour market information systems in those countries. Prior to joining the Department of Employment, Ivan worked in the ABS for many years in a number of economic and labour market areas. Ivan holds a Bachelor of Arts degree and a Graduate Diploma in Demography from the Australian National University.

Presentation Summary:
Mr Ivan Neville will provide an overview of the key sources of labour market information and the past, present and future trends in the Australian labour market. Drawing on data from the Australian Bureau of Statistics and wide range of research conducted by the Department of Employment, this presentation will also provide information about future job opportunities and what employers are looking for in job seekers. He will provide a practical demonstration of how to use and sources the wealth of available labour market information to help shape career decisions.
SOCIETY OF THE ARTS

ABERHART

Three Decades

Former Senior Curator at the Museum of Contemporary Art, Glenn Barkley, will be launching our latest exhibition at Delmar Gallery. All are welcome to join us for the exhibition opening of Aberhart: Three Decades tomorrow afternoon (Sat 30 April) from 3-5pm.

Part of the Sydney-wide Head On Photo Festival, the exhibition is a chance to see a wide selection of Aberhart's prints from the 1980s to the present. Shot exclusively on a century-old 8” x 10” view camera, Aberhart creates luminous, finely detailed contact silver gelatin prints in a process dating from the early days of film photography. Literally imbued with time, his extraordinary photographs are reflections on transience and endurance.

Amongst the many exhibitions that Barkley curated during his six year stint at the MCA was South of No North: Laurence Aberhart, William Eggleston and Noel McKenna. His research for the exhibition involved travelling to Laurence Aberhart's studio at the northern tip of New Zealand's North Island, and sifting through 1800 photographs in Aberhart’s archives. So he is especially well qualified to speak on Aberhart's photographic practice of the last thirty years, and this will be a great opportunity to hear his insights.

The exhibition will continue until 22 May and the gallery is open Wednesday to Sunday, 12-5pm.

Images: Laurence Aberhart
Te Hapuku, Te Hauke, Hawke's Bay, 17 June 1982; Taranaki (The heavens declare the glory of God), New Plymouth, 14 May 1986; Nature Morte (silence), Savage Club, Wanganui, 20 February 1986 - silver gelatin, gold and selenium toned, 19.4 x 24.5 cm. Courtesy of Darren Knight Gallery, Sydney.

SOCIETY OF THE ARTS | CONCERT

On Tuesday 17 May, 7.30pm, Sydney’s newest baroque ensemble will be performing at Delmar Gallery. Members of The Muffat Collective have recently returned to Sydney after further study and engagements as soloists, concertmasters and in early music ensembles in Europe. The acoustics in the gallery are particularly well-suited to early chamber music, so don’t miss this opportunity to hear superb musicians in a great setting!

Programme: Sonate da Chiesa Op.3 - No.1 in F Major by Corelli; Le Parnasse, ou l’apothéose de Corelli - Grande Sonade en Trio by Couperin; Overture & Trio Sonata, No. 2 in D Major, Opus 13 by Leclair.

Tickets from $20, free for Trinity students and Society of the Arts members.

Book online: https://www.trybooking.com/KZYD
Once again Trinity Basketball will be offering a Winter Basketball Programme, which is open to Junior and Preparatory School boys from Years 4 - 6 who currently play Basketball.

The “Skills and Drills” will be held on Monday mornings from 7.00am – 8.00am in the Trinity Sports Centre during Terms 2 and 3.

The programme will develop shooting, ball handling and passing skills, along with team concepts and game awareness. It is designed for boys who are passionate about Basketball and taking their game to the next level.

Cost

The cost will be $105 for Term 2 (7 sessions) and the Programme will commence on Monday 2nd May and all boys must be registered before the first session.

Transport for Preparatory School Students

Preparatory boys who register for the programme have the option of catching the Trinity bus (to the Strathfield campus). Following training, a member of staff will accompany those catching the bus from the Sports Centre courts to the Trinity bus.

Coaching

Dane Ristovski who was part of the Coaching Staff last year will once again be involved and the very experienced Sam Christodoulides will join him. Both Coaches have been part of Trinity Basketball firstly as a player in the 1st V for multiple seasons and then coaching our A/B Teams from Year 7-10 for the past 3 and 5 years respectively.
